II. PREMISES

2.1 Lease of Premises. In consideration of the agreements contained herein, Landlord hereby leases the Premises to Tenant for the Permitted Use, and Tenant hereby leases the Premises from Landlord, for the Term and upon the condition that Tenant comply with the terms and conditions set forth in this Lease. The Lease and Tenant's exclusive use of and access to the Premises is subject to any prior restrictive covenants, easements and encumbrances that may exist on the Premises. The Landlord shall maintain the existing frontage park along US Highway 1.

2.2 Landlord's General Reservations. Provided Tenant's exclusive use of and access to the Premises is not (in Tenant's reasonable discretion) adversely affected, Landlord reserves the right from time to time to, in a timely manner and using all diligence: (i) install, use, maintain, repair, replace and relocate any utility infrastructure owned or maintained by the City of Palm Coast; (ii) use the soccer fields and ancillary equipment/facilities up to four (4) events per year (up to four days per event) with one year advance written notice to Tenant so long as the dates and times of the Landlord's use does not conflict with a tournament previously scheduled by Tenant and at the time of said event, Tenant determines (in Tenant's professional judgment) that the weather and playing field conditions are reasonably acceptable for conducting the event; (iii) use the soccer fields and ancillary facilities for additional dates and times provided the Tenant, at its sole and reasonable discretion, approves of the additional use of the soccer fields and related ancillary equipment/facilities; and (iv) to grant easements, licenses and permission to utilities providers for purposes of servicing the Premises and any buildings or structures thereon. Landlord agrees that any such activities shall not result in a more intensive use of the Premises than soccer related uses, and to promptly, and at the sole expense of Landlord, restore the

Premises to the condition that existed before each instance of use by Landlord or its agents. Landlord agrees to maintain comprehensive liability insurance coverage for all of its activities described above in such amounts. If Landlord permits a third party to host an event on the Premises, the Landlord will require that the third party provide comprehensive liability insurance coverage for all of its activities on the Property and with such insurer and coverage amounts as reasonably approved by the Tenant. The third party will be required to list Tenant as additional insured for all such insurance coverage and shall provide Tenant with written proof of said coverage before commencing any of the activities permitted under this Lease. Tenant may, in its sole discretion, cancel any event on the Premises due to inclement weather.

2.3 Landlord's Police Powers Reservation. No provision contained herein shall be interpreted or construed to prevent or interfere with the Landlord's police powers. To the extent deemed necessary, Landlord, at its sole discretion, reserves the right to exercise its police powers to suspend or prohibit the use of the soccer fields and related ancillary facilities in furtherance of the general public health, safety, and welfare.

2.4 Supplemental City Recreational Activities. In addition to the Permitted Uses, Tenant agrees to offer during each year under this Lease additional public recreational activities and programs on the Premises as a supplemental recreational option for the citizens of Palm Coast. Said activities and programs shall be mutually agreeable to Landlord and Tenant and shall be coordinated with the City's Parks and Recreations Department and shall not interfere with Tenant's exclusive use of the Premises.

2.5 PDA Soccer Recreational Program - Existing City Facilities. The parties agree that (with reasonable prior notice to, and approval by, the City for field use) that Tenant may run a recreational soccer program on other existing City facilities/soccer fields and may be able to hold soccer tournaments on those facilities/fields. If the aforesaid field use is approved by the City, the terms and conditions of this arrangement shall be memorialized in a separate agreement between the parties.

III. TERM AND PURCHASE OPTION

3.1 Commencement Date. The Term shall commence on the Commencement Date and expire at midnight on the Expiration Date.

3.2 Automatic Termination. If the Tenant, despite diligent efforts, fails to substantially complete construction of the Project within two (2) years of the Commencement Date, this Lease shall automatically be deemed terminated, unless Landlord agrees, in writing, to provide Tenant additional time to complete construction. If Tenant has shown good faith diligent efforts to complete construction, but despite matters beyond its control, has been unable to complete the same by said deadline, Landlord shall grant a reasonable extension of said deadline so that Tenant may diligently pursue the same to completion.

3.3 Extensions. This Lease may be extended for successive additional terms of five (5) years each by mutual written agreement of the parties (the "Renewal Terms"). Tenant may provide Landlord with written notice of its desire to extend no sooner than one (1) year, or later

than ninety (90) days, prior to the expiration of the then current Term or applicable Renewal Term. All terms and conditions of the Initial Term shall apply equally to any Renewal Term.

3.4 Purchase Option. Landlord hereby grants Tenant a limited, irrevocable option to purchase the Premises under the following terms and conditions:

(A) During the last six (6) months of the term of the Initial Term of this Lease (or at any time during the Renewal Terms) (collectively, the "Option Period"), Tenant shall have the right to exercise an option (the "Option") to purchase the Premises including any buildings and structures thereon at a purchase price which is determined to be the fair market value based upon a written real estate appraisal prepared by a duly licensed Florida property appraiser selected by the Landlord and Tenant by mutual written agreement. The purchase price shall be reduced by the appraised fair market value of any buildings or structures permitted and constructed by Tenant, at Tenant's expense, during the term of this Lease.

(B) Any default in the Lease, if not remedied after the applicable notice and cure period, shall automatically be a default of the Option which shall then be null and void. Termination of the Lease shall automatically constitute a termination of the Option.

(C) During the Option Period, Tenant may elect to purchase the Premises by giving Landlord written notice and delivering to Landlord an earnest money deposit of Fifteen Thousand Dollars (\$15,000.00) to be held by a mutually agreed upon escrow agent. Provided the Lease is not in default, any rents due under this Lease shall be prorated up to the date of closing.

(D) If this Option is exercised, Tenant shall pay for the State Documentary Stamps on the Deed and evidence of title in the form of a title insurance policy. Tenant shall pay for recording the deed, mortgage, documentary stamps and intangible tax on the mortgage. Should Tenant desire a survey or any other due diligence inspection of the Premises, they shall pay for same.

(E) Within twenty (20) days after notice of exercise of this Option, Landlord shall obtain evidence of title in the form of a title insurance commitment issued by a national title insurer, agreeing to issue to the Tenant upon the recording of the deed hereafter mentioned, a title insurance policy in the amount of the purchase price insuring Tenant title to the Premises, excepting only taxes and assessments for the current year, any state of facts an accurate survey would show, such standard conditions and exceptions as usually are printed in policies issued by that title insurer, and such easements of record. Closing shall occur within ten (10) days of delivery of said title insurance binder unless otherwise agreed by the parties in writing.

(F) If the evidence of title shall not meet the requirements above specified, and the Tenant shall so notify the Landlord in writing within ten (10) days after delivery, specifying the defects, the Landlord shall have 60 days after receipt of that notice to cure the defects, and will in good faith exercise due diligence to do so. If the defects are cured within that time, the Tenant shall have ten (10) days after the curing thereof to close.

(G) At closing, the Landlord will promptly execute and deliver to the Tenant a General Warranty Deed conveying the fee simple title to the Premises, subject to a binding deed

covenant that the Premises shall only be used for recreational purposes unless the covenant is otherwise released at the sole discretion of the City Council of the City of Palm Coast.

(H) Upon failure of Tenant to exercise this Option on or before the end of the Option Period, this Option shall be deemed null and void

(I) The Landlord and Tenant shall split the cost of the appraisal.

(J) The Tenant and Landlord shall each have the right to challenge the appraised value set forth in the appraisal required by subparagraph (A) by providing the other party written notice of challenge within ten (10) days of the appraisal being delivered to the parties. Any party challenging the appraisal shall then obtain another appraisal at its sole cost under the same requirements as above. If any challenger appraisal has a discrepancy that is 25% higher or lower than the first appraisal, the purchase price shall be the average of the first appraisal and any challenger appraisal having a discrepancy of 25% or more. Absent a challenge or a challenger appraisal having a discrepancy of 25% or more, the appraised value in the first appraisal shall be deemed the purchase price.

IV. RENT, EXPENSES AND OTHER FEES

4.1 Basic Rent. Rent shall be as provided in Section 1.7.

4.2 Operating Expenses. and Real Estate Tax Rental. Tenant shall have full and exclusive control of the Premises and the operation of the soccer fields and training facility constructed thereon. If Tenant claims that they are exempt from Real Estate Taxes, Landlord agrees to cooperate with Tenant's efforts to seek any and all applicable exemptions from said taxes due to its non-profit status.

Further, the Project shall be maintained in accordance with the duly written and adopted standards of the City of Palm Coast and the soccer playing fields shall be maintained at all times, unless the field(s) are under bona fide repair or maintenance, in good playing condition in a manner consistent with or better than the standards of similarly situated playing fields maintained by the City of Palm Coast. 7.3 Alterations. Tenant shall not make or permit any permanent alterations, additions or improvements of any kind or nature to the Premises or the Project, whether structural or nonstructural, interior, exterior or otherwise ("Alterations") without the prior written consent of Landlord. Landlord may impose any reasonable conditions to its consent, including, without limitation: (i) prior approval of the plans and specifications and contractor(s) with respect to the

Landlord may designate reasonable rules, regulations and procedures for the performance of work and, to the extent reasonably necessary to avoid disruption to the surrounding neighborhood, shall have the right to designate the time when Alterations may be performed. If Landlord requires the removal of all or part of the Alterations, Tenant, at its expense, shall repair any damage to the Premises or the Project caused by such removal and restore the Premises and the Project to its condition prior to the construction of such Alterations. If Tenant fails, after thirty (30) days from the date Tenant receives written notice from Landlord and opportunity to cure, to remove the Alterations upon Landlord's request and repair and restore the Premises and Project, then Landlord may (but shall not be obligated to) remove, repair and restore the same and the cost of such removal, repair and restoration together with any and all damages which Landlord may suffer and sustain by reason of the failure of Tenant to remove, repair and restore the same, shall be charged to Tenant and paid upon demand. If a final judgment establishing the validity or existence of a lien for any amount is entered, Tenant will immediately pay and satisfy the same. If Tenant fails to pay any charge for which a mechanic's lien has been filed, and has not given Landlord a bond or other security as described above, Landlord may, at its option, pay such charge and related costs and interest, and the amount so paid, together with attorneys' fees incurred in connection with such lien, will be immediately due from Tenant to Landlord as Additional Rent. If Tenant receives notice that a lien has been or is about to be filed against the Premises or any part of the Project or any action affecting title to the Project has been commenced on account of work done by or for or materials furnished to or for Tenant, it will immediately give Landlord written notice of such notice. At least 15 days prior to the commencement of any work (including, but not limited to, any maintenance, repairs or Alteration) in or to the Premises, by or for Tenant, Tenant will give Landlord written notice of the proposed work and the names and addresses of the persons supplying labor and materials for the proposed work.

TENANT SHALL NOTIFY ANY CONTRACTOR PERFORMING ANY CONSTRUCTION WORK IN THE PREMISES ON BEHALF OF TENANT THAT THIS LEASE SPECIFICALLY PROVIDES THAT THE INTERESTS OF LANDLORD IN THE PREMISES SHALL NOT BE SUBJECT TO LIENS FOR IMPROVEMENTS MADE BY TENANT, AND NO MECHANIC'S LIEN OR OTHER LIEN FOR ANY SUCH LABOR, SERVICES, MATERIALS, SUPPLIES, MACHINERY, FIXTURES OR EQUIPMENT SHALL ATTACH TO OR AFFECT THE ESTATE OR INTEREST OF LANDLORD IN PREMISES OR ANY PERMANENT BUILDINGS OR STRUCTURE PERMITTED BY LANDLORD TO BE CONSTRUCTED THEREON, OR ANY PORTION THEREOF. IN ADDITION, LANDLORD SHALL HAVE THE RIGHT TO POST AND KEEP POSTED AT ALL TIMES ON THE PREMISES ANY NOTICES THAT MAY BE REQUIRED OR ADVISABLE FOR THE PROTECTION OF LANDLORD AND THE PREMISES AND ANY PERMANENT BUILDING OR STRUCTURE PERMITTED BY LANDLORD TO BE CONSTRUCTED THEREIN FROM ANY SUCH LIEN. TENANT AGREES TO PROMPTLY EXECUTE SUCH INSTRUMENTS IN RECORDABLE FORM IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF FLORIDA STATUTES, SECTION 713.10.

7.5 Fill Material. The Landlord currently has dirt stockpiled on Landlord's other property located within the City of Palm Coast. If requested by Tenant, Landlord will provide and transport a minimum of 15,000 cubic yards and up to 20,000 cubic yards of the stockpiled dirt, in "as is" condition to the Premises at no cost to Tenant in order to facilitate the construction of the Project. Nothing in this section shall be construed to compel the Landlord to purchase dirt or fill material in order to meet the commitments made herein.

7.6 Public Access Along the Existing Shell Trail. During the term of this Lease, public access shall be preserved, without impediment or impairment by Tenant, over and along the existing shell based trail on the Premises. Said existing trail runs from U.S. 1 Highway to Belle Terre Parkway. Landlord shall maintain said trail in its sole and reasonable discretion. Tenant may propose the relocation of the trail on the Premises in order to accommodate Tenant's Project described in paragraph 1.2 of this Lease. However, any relocation of the trail will require prior approval of the Landlord and shall be at Tenant's sole expense.

VIII. SIGNS

Tenant shall have the right to install outdoor signage subject to applicable laws, ordinances and regulations and Landlord's reasonable approval as to size, design, color, lighting, and other specifications, and Tenant shall be responsible for the cost of fabricating and installing such signage. If any prohibited sign, advertisement or notice is exhibited by Tenant, Landlord shall have the right to remove the same, and Tenant shall pay upon demand any and all expenses incurred by Landlord in such removal.

Landlord will endeavor to minimize, as reasonably practicable, any interference with Tenant's business.

X. INSURANCE

Tenant will not do or permit to be done any act or thing upon the Premises or the Project which would: (i) jeopardize or be in conflict with fire and general liability insurance policies covering the Premises and Project, and fixtures and property in the Project; or (ii) increase the rate of fire and general liability insurance applicable to the Project to an amount higher than it otherwise would be for the Permitted Use authorized hereunder; or (iii) subject Landlord to any liability or responsibility for injury to any person or persons or to property by reason of any business or operation being conducted upon the Premises.

10.2 Tenant's Insurance. On or before the earlier to occur of (i) the Commencement Date; or (ii) the date Tenant commences any work of any type in the Premises pursuant to this Lease and continuing throughout the Term, Tenant will carry and maintain, at Tenant's expense, the following insurance, in the minimum amounts specified below or such other amounts as Landlord may from time to time reasonably request:

XI. LIABILITY OF LANDLORD AND TENANT

11.1 Indemnification. **Except to the extent caused by the negligence or misconduct of Landlord or Landlord's agents, employees and/or assigns**, Tenant will neither hold nor attempt to hold Landlord liable for, and Tenant will indemnify and hold harmless Landlord from and against, any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including, without limitation, reasonable attorneys' fees) incurred in connection with or arising from (i) the use or occupancy or manner of use or occupancy of the Premises by Tenant; (ii) any activity, work or thing done, permitted or suffered by Tenant in or about the Premises or the Project; (iii) any acts, omissions or negligence of Tenant; (iv) any breach, violation or nonperformance by Tenant of any term, covenant or provision of this Lease or any law, ordinance or governmental requirement of any kind; and (v) any injury or damage to the person, property or business of Tenant.

Except to the extent caused by the negligence or misconduct of Tenant, Landlord will, to the extent permitted by law, neither hold nor attempt to hold Tenant liable for, and Landlord will indemnify and hold harmless Tenant, from and against, any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including, without limitation, reasonable attorneys' fees) incurred in connection with or arising from any breach, violation or nonperformance by Landlord of any term, covenant or provision of this Lease or any law, ordinance or governmental requirement of any kind.

11.2 Survival. The covenants, agreements and indemnification obligations under this Article XI will survive the expiration or earlier termination of this Lease. The covenants, agreements and indemnification obligations are not intended to and will not relieve any insurance carrier of its obligations under policies required to be carried by any party pursuant to the provisions of this Lease.

XII. RULES AND REGULATIONS

To the extent not in conflict with the provisions of this Lease, Tenant shall at all times abide by and observe the Rules and Regulations that may reasonably be promulgated from time to time by Landlord (and delivered to Tenant) for the operation and maintenance of the Premises and the Rules and Regulations shall be deemed to be covenants of the Lease to be performed and/or observed by Tenant. Nothing contained in this Lease shall be construed to impose upon Landlord any duty or obligation to enforce the Rules and Regulations, or the terms or provisions contained in any other lease, against any other tenant of the Project. Landlord shall not be liable to Tenant for any violation by any party of the Rules and Regulations or the terms of any other Project lease. If there is any inconsistency between this Lease and the then current Rules and Regulations, this Lease shall govern.

XIII. DAMAGE; CONDEMNATION

13.1 Condemnation. Upon condemnation of any portion of the Premises by a governmental agency, this Lease shall terminate upon the title of the property vesting in the governmental agency, unless, however, there was a partial condemnation of the Premises. In which case, to the extent the parties mutually agree that the Project can continue to substantially exist on the Premises, this Lease shall continue for the remaining portion of the Premises not subject to the condemnation, with an equitable abatement/adjustment of rent. Tenant shall have no claim against Landlord (or otherwise) as a result of such taking, and Tenant hereby agrees to make no claim against the condemning authority for any portion of the amount that may be awarded as compensation or damages as a result of such taking; provided, however, that Tenant may, to the extent allowed by law, claim an award for moving expenses and for the taking of any of Tenant's property (other than its leasehold interest in the Premises) which does not, under the terms of this Lease, become the property of Landlord at the termination hereof, as long as such claim is separate and distinct from any claim of Landlord and does not diminish Landlord's award. Tenant hereby assigns to Landlord any right and interest it may have in any award for its leasehold interest in the Premises that is subject to the condemnation. This paragraph shall not apply if the condemning government agency is the City of Palm Coast.

XIV. DEFAULT OF TENANT

14.1 Events of Tenant Default. Each of the following shall constitute an Event of Default: (i) Tenant fails to observe or perform any other term, condition or covenant herein binding upon or obligating Tenant within 10 days after receipt of written notice from Landlord; provided, however, that if Landlord reasonably determines that such failure cannot be cured within said 10-day period, then Landlord may in its reasonable discretion extend the period to cure the default for up to an additional 20 days provided Tenant has commenced to cure the default within the 10-day period and diligently pursues such cure to completion (notwithstanding

the foregoing, if Landlord provides Tenant with notice of Tenant's failure to observe or perform any term, condition or covenant under this Subsection (i) on 2 or more occasions during any 12 month period, then Tenant's subsequent violation shall, at Landlord's option, be deemed an Event of Default immediately upon the occurrence of such failure, regardless of whether Landlord provides Tenant notice, or Tenant has commenced the cure of the same); (ii) Tenant fails to substantially complete construction of the Project by the deadline established in this Lease; (iii) Tenant abandons or discontinues operating a soccer training facility on the Premises; (iv) Tenant fails to immediately remedy or discontinue any hazardous conditions which Tenant has created or permitted in violation of law or of this Lease; (v) Tenant is declared or adjudicated bankrupt; and (vi) Tenant fails to maintain the playing fields in accordance with the standards set forth in Section 5.1 of this Lease. Any notice periods provided for under this Section 14.1 shall run concurrently with any statutory notice periods and any notice given hereunder may be given simultaneously with or incorporated into any such statutory notice.

14.2 Landlord's Remedies. Upon the occurrence of an Event of Default, Landlord, at its option, without further notice or demand to Tenant, may, in addition to all other rights and remedies provided in this Lease, at law or in equity, elect to terminate this Lease, and retake possession of the Premises.

14.3 Events of Landlord Default. Landlord fails to observe or perform any term, condition or covenant herein binding upon or obligating Landlord within 10 days after receipt of written notice from Tenant; provided, however, that if Tenant reasonably determines that such failure cannot be cured within said 10-day period, then Tenant may in its reasonable discretion extend the period to cure the default for up to an additional 20 days provided Landlord has commenced to cure the default within the 10-day period and diligently pursues such cure to completion.

14.4 Tenant's Remedies. Upon the occurrence of an Event of Landlord Default, Tenant, at its option, without further notice or demand to Landlord, may, in addition to all other rights and remedies provided in this Lease, at law or in equity, elect to terminate this Lease and receive a refund of any prepaid rent, or remedy the default and deduct the cost of the same from all funds otherwise due from Tenant to Landlord under the Lease.

XV. SURRENDER

Tenant shall peaceably surrender the Premises to Landlord on the Expiration Date or earlier termination of this Lease, in good condition including, without limitation, the repair of any damage to the Premises caused by the removal of any of Tenant's personal property or trade fixtures from the Premises, except for reasonable wear and tear and loss by fire or other casualty. All permanent Tenant improvements including, but not limited to, those affixed to the ground shall become the property of Landlord upon the Expiration Date unless the expiration is a result of the Tenant closing on the Premises in accordance with Paragraph 3.4 of this Lease. In addition, all trade fixtures, equipment, furniture, inventory, effects and Alterations left on or in the Premises or the Project after the Expiration Date or earlier termination of this Lease will be deemed conclusively to have been abandoned and may be appropriated, removed, sold, stored,

destroyed or otherwise disposed of by Landlord without notice to Tenant or any other person and without obligation to account for them; and Tenant will pay Landlord for all expenses incurred in connection with the same, including, but not limited to, the costs of repairing any damage to the Premises or the Project caused by the removal of such property. Tenant's obligation to observe and perform this covenant will survive the expiration or other termination of this Lease.

XVI. QUIET ENJOYMENT

Landlord covenants that it has good and marketable title to the Premises, and that if Tenant performs all of the terms and conditions of this Lease to be performed by Tenant, Tenant shall during the Term peaceably and quietly occupy and enjoy possession of the Premises without molestation or hindrance by Landlord or any party claiming through or under Landlord, subject to the provisions of this Lease and any restrictions or encumbrances to which this Lease is subordinate.

XVII. MISCELLANEOUS

17.1 No Representations by Landlord. Tenant acknowledges that Landlord has not made any representation or promise with respect to the Premises or the Project, except as herein expressly set forth, and no rights, privileges, easements or licenses are acquired by Tenant except as herein expressly set forth.

17.2 No Partnership. Nothing contained in this Lease shall be deemed or construed to create a partnership or joint venture of or between Landlord and Tenant, or to create any other relationship between Landlord and Tenant other than that of landlord and tenant.

17.3 Waiver of Jury Trial. **LANDLORD AND TENANT EACH KNOWINGLY AND VOLUNTARILY WAIVE TRIAL BY JURY IN CONNECTION WITH PROCEEDINGS OR COUNTERCLAIMS BROUGHT BY EITHER OF THE PARTIES AGAINST THE OTHER WITH RESPECT TO ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT HEREUNDER OR TENANT'S USE OR OCCUPANCY OF THE PREMISES.**

All notices or other communications hereunder shall be in writing and shall be deemed duly given if addressed and delivered to the respective parties' addresses, as set forth in **Article I**: (i) in person; (ii) by Federal Express or similar overnight carrier service; or (iii) mailed by certified mail, return receipt requested, postage prepaid. Such notices shall be deemed received upon the earlier of receipt or, if mailed by certified mail, 3 days after such mailing. Landlord and Tenant may from time to time by written notice to the other designate another address for receipt of future notices.

17.5 Invalidity of Particular Provisions. If any provisions of this Lease or the application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the full extent permitted by law.

17.6 Gender and Number. All terms and words used in this Lease, regardless of the number or gender in which they are used, shall be deemed to include any other number or gender as the context may require.

17.8 Entire Agreement. This Lease (which includes the Exhibits attached hereto) contains and embodies the entire agreement of the parties hereto, and no representations, inducements or agreements, oral or otherwise, between the parties not contained in this Lease shall be of any force or effect. This Lease (other than the Rules and Regulations, which may be changed from time to time as provided herein) may not be modified, changed or terminated in whole or in part in any manner other than by an agreement in writing duly signed by Landlord and Tenant.

17.9 Authority. The person executing this Lease on behalf of Tenant hereby represents and warrants that Tenant is duly formed, validly existing, in good standing, and qualified to do business in the state in which the Project is located, that the Tenant has full power and authority to enter into this Lease, and that he or she is authorized to execute this Lease on behalf of the Tenant. Tenant further agrees that upon Landlord's request, it shall provide Landlord with a resolution certifying as to the above in a form acceptable to Landlord. The person executing this Lease on behalf of Landlord hereby represents and warrants that the Landlord has full power and authority to enter into this Lease, and that he or she is authorized to execute this Lease on behalf of the Landlord.

17.10 Attorneys' Fees. If either Landlord or Tenant commences, engages in, or threatens to commence or engage in any legal action or proceeding against the other party (including, without limitation, litigation or arbitration) arising out of or in connection with the Lease, (including, without limitation (a) the enforcement or interpretation of either party's rights or obligations under this Lease (whether in contract, tort, or both) or (b) the declaration of any rights or obligations under this Lease), each party shall bear their own attorneys' fees, costs, and expenses incurred through all appeals.

17.11 Interpretation. This Lease shall not be construed against either party more or less favorably by reason of authorship or origin of language.

17.12 Force Majeure. 17.13 Headings. Captions and headings are for convenience of reference only.

17.14 Memorandum of Lease. Neither Landlord nor Tenant shall record this Lease nor a memorandum thereof without the written consent of the other.

17.15 Sovereign Immunity. Notwithstanding any other provision set forth in this Agreement, nothing contained in this Agreement shall be construed as a waiver of the Landlord's right to sovereign immunity under Section 768.28, or other limitations imposed on the Landlord's potential liability under state or federal law. As such, the Landlord and its employees and officers shall not be liable, under this Agreement for punitive damages or interest for the period before judgment. Further, the Landlord shall not be liable for any claim or judgment, or portion thereof, to any one person for more than two hundred thousand dollars (\$200,000.00), or any claim or judgment, or portion thereof, which, when totaled with all other claims or judgments paid by the State or its agencies and subdivisions arising out of the same incident or occurrence, exceeds the sum of three hundred thousand dollars (\$300,000.00).
