SECTION 1.03. GENERAL FINDINGS. It is hereby ascertained, determined and declared that:

(A) Pursuant to Article VIII, Section 2(b) of the Florida Constitution, and Sections 166.021 and 166.041, Florida Statutes, the City Council has all powers of local self-government to perform municipal functions and to render municipal services except when prohibited by law and such power may be exercised by the enactment of legislation in the form of City ordinances.

(B) The City Council may exercise any governmental, corporate, or proprietary power for a municipal purpose except when expressly prohibited by law, and the City Council may legislate on any subject matter on which the Legislature may act, except those subjects described in (a), (b), (c), and (d) of Section 166.021(3), Florida Statutes. The subject matter of paragraphs (a), (b), (c) and (d) of Section 166.021(3), Florida Statutes, are not relevant to imposition of the Nuisance Abatement Assessments within the City.

(C) The City Council has enacted the Ordinance to provide for the creation of an Assessment Area and authorize the imposition of Nuisance Abatement Assessments to fund the Nuisance Abatement Assessed Cost to benefit property.

(D) The City Council desires to create the Nuisance Abatement Service Area as an Assessment Area and to fund the Nuisance Abatement Assessed Cost.

(E) The nuisance abatement services, facilities, and programs will provide a special benefit to all Tax Parcels located within the City, by protecting and enhancing the value, use and enjoyment of such property. The provision of nuisance abatement will preserve or enhance the property values and enhance the aesthetics, safety and access to property.

(F) The Nuisance Abatement Assessments to be imposed in accordance with this Initial Assessment Resolution provide an equitable method of funding the provision of nuisance abatement services, facilities, and programs by fairly and reasonably allocating the cost to specially benefitted property, based upon the cost of nuisance abatement attributable to each parcel or property in the manner hereinafter described.

(G) Each Tax Parcel within the proposed Nuisance Abatement Service Area will be benefitted by the City's provisions of the nuisance abatement services in an amount not less than

the Assessment imposed against such property, computed in the manner set forth in this Initial Assessment Resolution.
