JUSTIFICATION OF ADVANCE PAYMENT

SUB-RECIPIENT: CITY OF PALM COAST

If you are requesting an advance, indicate same by checking the box below.

[ ] **ADVANCE REQUESTED**

Advance payment of $ _____ is requested. Balance of payments will be made on a reimbursement basis. These funds are needed to pay staff, award benefits to clients, duplicate forms and purchase start-up supplies and equipment. We would not be able to operate the program without this advance.

If you are requesting an advance, complete the following chart and line item justification below. PLEASE NOTE: Calculate your estimated expenses at 100% of your expected needs for ninety (90) days. Submit Attachment D with the cost share breakdown along with Attachment E and all supporting documentation.

ESTIMATED EXPENSES

BUDGET CATEGORY/LINE ITEMS (list applicable line items)	**20___-20___ Anticipated Expenditures for First Three Months of Contract**
For example ADMINISTRATIVE COSTS (Include Secondary Administration.)	
For example PROGRAM EXPENSES	
TOTAL EXPENSES	

LINE ITEM JUSTIFICATION **(For each line item, provide a detailed justification explaining the need for the cash advance. The justification must include supporting documentation that clearly shows the advance will be expended within the first ninety (90) days of the contract term. Support documentation should include quotes for purchases, delivery timelines, salary and expense projections, etc. to provide the Division reasonable and necessary support that the advance will be expended within the first ninety (90) days of the contract term. Any advance funds not expended within the first ninety (90) days of the contract term as evidenced by copies of invoices and cancelled checks as required by the Budget and Scope of work showing 100% of expenditures for the 90 day period shall be returned to the Division Cashier, 2489 Shumard Oak Boulevard, Tallahassee, Florida 32399, within thirty (30) days of receipt, along with any interest earned on the advance.**

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4680-036-R

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $ 320,000.00

OBLIGATION/ACTION DATE: March 3, 2026

SUBAWARD DATE (if applicable):

UEID/SAM#: F9CQUN83HKB6

*If your company or organization does not have a UEID/SAM number, you will need to obtain one from https://sam.gov/content/entity-registrationThe process to request a UEID/SAM number takes about ten minutes and is free of charge.

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes utility mitigation action to the wastewater system of multiple residential properties located in Palm Coast, Florida, 32164.

The proposed scope of work shall provide protection by purchasing and installing up to 500 Pretreatment Effluent Pumping (PEP) panels, which are electrical panels to control the pumping of wastewater from the buried tanks installed at residential properties in the City of Palm Coast. The new panels shall be equipped with a receptacle outside and an Automatic Transfer Switch (ATS) to hook up available portable generators, already owned by the city, during electrical outages. Currently, the existing PEP panels do not have receptacles to be hooked up into to provide temporary power to the pumps, and the city personnel are subject to do hard wire connections to the pumps during storm events, as well as to prevent costly wastewater spills and sanitary sewer overflows (SSO) by allowing the pumps to run as needed through electrical outages.

All project components shall be protected against a 500-year flood event by implementing specific activities or by locating them outside the Special Flood Hazard Area (SFHA), comply with applicable National Flood Insurance Program (NFIP) requirements and shall be protected against wind with a rated enclosure and appropriate anchoring based on its location requirements per ASCE 7 standards, as applicable. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations:

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in

accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

- As used in this subsection, the term:

o "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.

o "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.

o "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is "Yes," provide the information required in the "Total Compensation Paid to Non-Profit Personnel Using State Funds" form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is "No", move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

Division	WASTEWATER COLLECTION	**Org/Account #**	54029083-063030-85005

Subject: RESOLUTION 2026-XX APPROVING A FDEM HAZARD MITIGATION GRANT AGREEMENT H1398 FOR CITYWIDE WASTEWATER MANHOLE COVER RETROFITS

Presenter: **Brian Roche, Director of Utility**

Attachments:

1. Resolution
2. Grant Agreement

Background:

The City of Palm Coast applied for funding through the Federal Emergency Management Agency (FEMA) Hazard Mitigation Grant Program (HMGP), administered by the Florida Division of Emergency Management (FDEM), following the federal disaster declaration associated with Hurricane Idalia. FDEM has provided Federally Funded Subaward and Grant Agreement H1398, Project 4734-110-R, for the Citywide Manhole Covers Infrastructure Retrofit project.

The approved scope provides for retrofitting 262 existing manhole covers in the City's wastewater collection system. These improvements are intended to reduce stormwater inflow and infiltration during severe weather, help prevent sanitary sewer overflows, limit emergency pumping and tanker-truck operations, and improve continuity of wastewater service. The City will procure a qualified, licensed contractor and administer the work in accordance with the grant agreement and applicable procurement requirements.

Construction project cost	$541,030.00
Federal construction share (75%)	$405,772.50
City construction match (25%)	**$135,257.50**
Federal sub-recipient management costs	$6,762.87 (100% federal)
Total project and management funding	**$547,792.87**

The grant is structured as a cost-reimbursement agreement. The City must provide the required non-federal match and comply with grant reporting, procurement, documentation, and reimbursement requirements.

The grant period of performance runs from March 9, 2026, through September 30, 2029. Attachment provides the approved scope, budget, schedule, and deliverables. The schedule of work for the project is estimated at 42 months.

Council approval is requested to accept the grant funding, approve the new agreement with FDEM, authorize execution of necessary documents, and permit the Utility Department to proceed with the approved scope subject to City policies and grant conditions.

Recommended Action:
ADOPT RESOLUTION 2026-XX APPROVING A FDEM HAZARD MITIGATION GRANT AGREEMENT H1398 FOR CITYWIDE WASTEWATER MANHOLE COVER RETROFITS

RESOLUTION 2026-___
HAZARD MITIGATION GRANT PROGRAM MANHOLE COVER INFRASTRUCTURE RETROFIT CONTRACT AGREEMENT

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING FEDERALLY FUNDED SUBAWARD AND GRANT AGREEMENT H1398 WITH THE FLORIDA DIVISION OF EMERGENCY MANAGEMENT FOR WASTEWATER MANHOLE COVER RETROFITS; AUTHORIZING THE CITY MANAGER, OR DESIGNEE TO EXECUTE THE AGREEMENT; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR IMPLEMENTING ACTIONS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Palm Coast seeks to improve the resilience of its wastewater collection system by reducing stormwater inflow and infiltration and the risk of sanitary sewer overflows during significant storm events; and

WHEREAS, the City applied for funding under the Federal Emergency Management Agency (FEMA) Hazard Mitigation Grant Program (HMGP), administered by the Florida Division of Emergency Management (FDEM), to retrofit 262 existing wastewater manhole covers; and

WHEREAS, FDEM has provided Federally Funded Subaward and Grant Agreement H1398, Project 4734-110-R, with an approved construction project cost of $541,030.00, consisting of a federal construction share of $405,772.50 and a required City match of $135,257.50; and

WHEREAS, the Agreement additionally includes $6,762.87 in federally funded sub-recipient management costs, bringing the total federal award to $412,535.37; and

WHEREAS, the City Council finds that approval of the Agreement supports the protection and reliability of the City's wastewater infrastructure.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, AS FOLLOWS:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The above recitals (whereas clauses) are hereby adopted as the findings of the City Council of the City of Palm Coast.

SECTION 2. APPROVAL OF GRANT AGREEMENT. The City Council hereby approves Federally Funded Subaward and Grant Agreement H1398 between the City of Palm Coast and the Florida Division of Emergency Management, for FEMA Project 4734-110-R.

SECTION 3. AUTHORIZATION TO EXECUTE. The City Manager, or designee, is hereby authorized to execute the necessary documents.

SECTION 4. SEVERABILITY. It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this Resolution are severable, and if any phrase, clause, sentence, paragraph or section of this Resolution shall be declared unconstitutional by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Resolution.

SECTION 5. CONFLICTS. All resolutions or parts of resolutions in conflict with this Resolution are hereby repealed.

SECTION 6. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 7. EFFECTIVE DATE. This Resolution shall become effective immediately upon adoption.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on the 20th day of October 2026.

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.1 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.1, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1 , "Sub-Recipient" means "an entity, usually but not limited to non-Federal entities that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.1, "subaward" means "an award provided by a pass-through entity to a Sub-Recipient for the Sub-Recipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.332:

Sub-Recipient's name:	City of Palm Coast
Sub-Recipient's unique entity identifier (UEI/FEIN):	F9CQUN83HKB6 / 593614294
Federal Award Identification Number (FAIN):	FEMA-DR-4734-FL
Federal Award Date:	March 9, 2026
Subaward Period of Performance Start and End Date:	March 9, 2026 – September 30, 2029
Amount of Federal Funds Obligated by this Agreement:	$412,535.37
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$412,535.37
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity	$412,535.37
Federal award project description (see FFATA):	Infrastructure Retrofit
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Samara.Burke@yagroup.com
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.039 Hazard Mitigation Grant Program
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and City of Palm Coast, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: “Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds.” Therefore, section 215.971, Florida Statutes, entitled “Agreements funded with federal or state assistance”, applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.”

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Samara Burke
Project Manager/Grant Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Blvd.
Tallahassee, FL 32399-2100
Telephone: 770-668-8231
Email: Samara.Burke@yagroup.com

The Division's Alternate Grant Manager for this Agreement is:

Kathleen Marshall
Community Program Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, FL 32399-2100
Telephone: 850-528-4216
Email: Kathleen.Marshall@em.myflorida.com

i. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

Garann Hopkins
Utility Compliance Coordinator
2 Utility Drive
Palm Coast, Florida 32137
Telephone: 386-986-2511
Email: ghopkins@palmcoastgov.com

ii. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on March 9, 2026, and shall end on September 30, 2029, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of “period of performance” contained in 2 C.F.R. §200.1, the term “period of agreement” refers to the time during which the Sub-Recipient “may incur new obligations to carry out the work authorized under” this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement “only for allowable costs resulting from obligations incurred during” the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and approved Pre-Award costs shall be outlined in Attachment A of this Agreement (“Budget and Scope of Work”).

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$412,535.37**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

a. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

b. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) <u>RECORDS</u>

a. As required by 2 C.F.R. §200.337, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2489 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General
2489 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General
2489 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are

completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be

construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled “Contract Provisions for Non-Federal Entity Contracts Under Federal Awards”).

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall “maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.”

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall “maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.” In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall “maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts.”

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement “in a manner providing full and open competition.” Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. "Except in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief

Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2489 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any

goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment

provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any

Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and

entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY AND MERIT-BASED SELECTION

m. In accordance with Executive Order 14173, "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," the Subrecipient hereby agrees that all procurement and employment actions funded in whole or in part with federal funds shall be identity-neutral and merit-based.

i. The Subrecipient and its contractors shall not discriminate against any employee, applicant for employment, or bidder because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

ii. The Subrecipient certifies that no contract award or employment decision shall be based on a demographic preference, quota, or "workforce balancing" requirement.

iii. All contract awards must be based solely on technical merit, cost-effectiveness, and the bidder's demonstrated ability to perform the work.

n. The Subrecipient acknowledges that compliance with this Section (26) is material to the federal government's decision to provide and reimburse funds. The Subrecipient further agrees that:

i. Failure to adhere to merit-based selection standards while certifying compliance through the submission of reimbursement requests may subject the Subrecipient to civil and/or criminal penalties under the False Claims Act (31 U.S.C. §§ 3729–3733).

ii. The Subrecipient shall include the provisions of this Section (26) in every subcontract or purchase order so that such provisions shall be binding upon each subcontractor or vendor.

iii. In the event of the Subrecipient's noncompliance with the merit-based provisions of this clause, FDEM may cancel, terminate, or suspend this Agreement in whole or in part and refer the matter to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

a. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

b. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

c. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

a. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

b. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

c. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

d. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

SUB-RECIPIENT: CITY OF PALM COAST

By: _____

Name and Title: _____

Date: _____

FEID#: _____

STATE OF FLORIDA
DIVISION OF EMERGENCY MANAGEMENT

By: _____

Name and Title: Jared W. Perdue, P.E.

Date: _____

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE SUB-RECIPIENT UNDER THIS AGREEMENT:

Federal Program
Federal agency: **Federal Emergency Management Agency: Hazard Mitigation Grant**
Catalog of Federal Domestic Assistance title and number: **97.039**
Award amount: **$412,535.37**

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- Sections 1361(A) of the National Flood Insurance Act of 1968, 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994, Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264
- 31 C.F.R. Part 205 Rules and Procedures for Funds Transfers

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Retrofitting of existing buildings and facilities
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to provide protective measures to two hundred sixty-two (262) manhole sites located in Palm Coast, Flagler County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4734-110-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, City of Palm Coast, agrees to administer and complete the project per scope of work as submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes utility mitigation action to two hundred sixty-two (262) manhole sites located in Palm Coast, Florida, 32137 and 32164.

The proposed scope of work shall provide protection by retrofitting two hundred sixty-two (262) manhole covers for the existing wastewater collection system. Retrofit activities include upgrading the existing manhole covers with high-density polyethylene (HDPE) lids to reduce inflow and infiltration into the wastewater collection system, and to help prevent sanitary sewer overflows. During past storm events, the City of Palm Coast has suffered damage costs associated with pumping and tank trucking to prevent overflow from the sewage system due to heavy rain and power outages. Project shall address the inflow, and infiltration impacts at the wastewater collection system and reduce risk of loss of service to homes in the surrounding community.

All project components shall be protected against a 500-year (0.2% annual chance) flood event by implementing specific activities or by locating them outside the Special Flood Hazard Area (SFHA), comply with applicable National Flood Insurance Program (NFIP) requirements and shall be protected against wind based on location requirements per ASCE 7 standards effective at the time of permitting. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Location:

ID#	Location	Coordinates	
1)	Palm Coast, Florida, 32137 & 32164	NW	(29.552468, -81.239286)
		SW	(29.527292, -81.219829)
		NE	(29.556993, -81.225236)
		SE	(29.536496, -81.207555)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all Federal and State Laws and Regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per sealed engineering designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the procurement and installation of all products in accordance with the HMGP application and associated documentation as presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable State, Local and Federal Laws and Regulations are followed and documented, as appropriate.

   The project shall protect the structure from high windstorms which shall allow the function of the structures to continue following a severe wind event.

   The Sub-Recipient shall fully perform the approved project, as described in the application, in accordance with the approved scope of work indicated herein, the estimate of costs indicated herein, the allocation of funds indicated herein, and all applicable terms and conditions. The Sub-Recipient shall not deviate from the approved project terms and conditions.

   Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county building department (official), or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

   Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation shall include:

   a) Copy of permit(s), notice of commencement.

   b) Local Building Official Inspection Report and Final Approval.

   c) Signed and Sealed As-built project plans (drawings) by the Professional of Record, two hard copies and an electronic version (via email or CD), as applicable.

d) Certified Letter of Completion:

   1. Affirming that the project was completed in conformance with the approved project drawings, specifications and scope; and

   2. Certifying Compliance with all applicable codes.

e) All Product Specifications / Data Sheet(s) (technical standards) satisfying protection requirements on all products utilized.

f) Verification letter or documentation showing construction activities, staging activities, and storage were not located in or impacted any adjacent wetlands.

g) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, all project activities may not be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

   The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

   The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

   Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

   Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

   Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

   Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual

increments will be applied to larger awards, allowing smaller awards to be fully obligated. Obligations will be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds will be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separately from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient. Quarterly Reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, and plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices, which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) <u>Deliverables:</u>

Mitigation Activities consist of providing protection and implementing measures to improve two hundred sixty-two (262) manhole sites located in Palm Coast, Florida, 32137 and 32164.

All project components shall be protected against a 500-year (0.2% annual chance) flood event by implementing specific activities or by locating them outside the Special Flood Hazard Area (SFHA), comply with applicable National Flood Insurance Program (NFIP) requirements and shall be protected against wind based on location requirements per ASCE 7 standards effective at the time of permitting. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.
2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and any local official Inspection Report and/or Final Approval, as applicable.
3) The Sub-Recipient shall submit a signed and sealed final copy of the completed project's As-built drawings and all necessary supporting documentation and provide a summary of all contract scope of work changes, as applicable.
4) The Sub-Recipient shall submit a final copy of any electrical designs, specifications and/or drawings elaborated to complete the job.
5) The Sub-Recipient shall submit a certified letter of completion from Engineer of Record. The Sub-Recipient's Engineer of Record shall provide a formal certificate or letter affirming that the project has been completed in conformance with the approved project drawings, specifications, scope, and applicable codes.
6) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protection requirements on all products utilized.
7) All installations shall be done in strict compliance with the Florida Building Code or Miami Dade Specifications. All materials shall be certified to meet or exceed the wind and impact standards of the current local codes.

D) Environmental:

1) The Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.
2) Any change, addition or supplement to the approved mitigation measure or scope of work that alters the project (including other work not funded by FEMA, but done substantially at the same time) shall require resubmission to the Division and FEMA for revaluation of compliance with the National Environmental Protection Act (NEPA) and Section 106 of the National Historic Preservation Act (NHPA) prior to initiation of any work. Non-compliance with these requirements may jeopardize FEMA's ability to fund this project. A change in the scope of work shall be approved by the Division and FEMA in advance regardless of the budget implications.
3) If any ground disturbance activities occur during construction, the Sub-Recipient shall monitor ground disturbance during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.
4) Construction activities, staging activities, and storage shall not be located in or impact any adjacent wetlands. Failure to comply with this condition may jeopardize FEMA funding; verification of compliance shall be required at project closeout.
5) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions. Consultation with the Floodplain manager is required to ensure the project is in compliance with local floodplain ordinances/regulations.

6) Meet all required Environmental laws and policies, and all necessary Environmental compliance documents shall be obtained as applicable.

E) <u>Programmatic:</u>

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the impact to the budget.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) A Public Notice shall be published to notify interested parties of the proposed activity. Notices shall be published in a manner that anyone that may be affected or interested in this project has access to the posting, using the Division template, as applicable.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing.

6) A copy of the executed subcontract agreement must be forwarded to the Division within 10 days of execution.

7) Project approval is on the condition that the tasks, deliverables, and conditions be accomplished, and documentation submitted 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for Closeout.

8) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

9) The Sub-Recipient must ensure that persons responsible for the management of this grant, including the designated Point of Contact (POC), staff, and consultants, attend the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months. Any change in the Sub-Recipient's Point of Contact (POC), or in any other person responsible for the management of this grant, shall require the newly designated individual to also fulfill this training requirement by attending the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months, or by having completed it within the last thirty-six (36) months.

10) Special Conditions required for the implementation of project:

    a) **EO 11990 CONDITION: Construction** activities, staging activities, and storage shall not be located in or impact any adjacent wetlands. Failure to comply with this condition may jeopardize FEMA funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11990 – Wetlands **Monitoring Required: No**

11) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

    a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

c) SRMC cannot exceed 5% of the total project costs awarded.

d) SRMC is 100% federally funded and will be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This is FEMA project number **4734-110-R**. It is funded under HMGP, FEMA-4734-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4734.

FEMA awarded this project on March 9, 2026; the Period of Performance for this project shall end on **September 30, 2029**.

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

BUDGET

Line-Item Budget*

	Project Cost	Federal Cost	Non-Federal Cost
Materials:	$239,730.00	$179,797.50	$59,932.50
Labor:	$301,300.00	$225,975.00	$75,325.00
Fees:	$0.00	$0.00	$0.00
Initial Agreement Amount:	**$541,030.00**	**$405,772.50**	**$135,257.50**
***Contingency Funds:	$0.00	$0.00	$0.00
Project Total:	**$541,030.00**	**$405,772.50**	**$135,257.50**
****SRMC**			
SRMC:	$6,762.87	$6,762.87	
SRMC Total:	**$6,762.87**	**$6,762.87**	

**Any line-item amount in this Budget may be increased or decreased 10% or less, with the Division's approval, without an amendment to this Agreement being required, so long as the overall amount of the funds obligated under this Agreement is not increased.*

*** ***This project has an estimated $0.00 in contingency funds.*** *Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen conditions related to the project arose that required the use of contingency funds.*

Project Management costs are included for this project in the amount of $0.00.

**** ***Sub-Recipient Management Costs (SRMC) are included for this project in the amount of $6,762.87 in Federal funding.*** *Per the Hazard Mitigation Grant Program Interim FEMA Policy 104-11-1, SRMC provides HMGP funding to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner. SRMC must conform to 2 CFR Part 200, Subpart E, ensuring costs are reasonable, allowable, allocable and necessary to the overall project.*

SRMC cannot exceed 5% of the approved total project costs awarded and shall be reimbursed at 5% for each Request for Reimbursement (RFR) submitted with the required documentation.

If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

Funding Summary Totals

Federal Share:	$405,772.50	(75.00%)
Non-Federal Share:	$135,257.50	(25.00%)
Total Project Cost:	**$541,030.00**	**(100.00%)**
SRMC (100% Federal)	$6,762.87	

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) The applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide);

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must “obtain prior written approval for any budget revision which result in a need for additional funds” (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference the applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide) Award Extensions guidance.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22) Department of Justice regulations on disability discrimination, 28 C.F.R., Part 35 and Part 39
(23) 42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (I)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes

consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); and EO 11990 (Wetlands).

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present

c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

JUSTIFICATION OF ADVANCE PAYMENT

SUB-RECIPIENT: CITY OF PALM COAST

If you are requesting an advance, indicate same by checking the box below.

[ ] **ADVANCE REQUESTED**

Advance payment of $ _____ is requested. Balance of payments will be made on a reimbursement basis. These funds are needed to pay staff, award benefits to clients, duplicate forms and purchase start-up supplies and equipment. We would not be able to operate the program without this advance.

If you are requesting an advance, complete the following chart and line item justification below. PLEASE NOTE: Calculate your estimated expenses at 100% of your expected needs for ninety (90) days. Submit Attachment D with the cost share breakdown along with Attachment E and all supporting documentation.

ESTIMATED EXPENSES

BUDGET CATEGORY/LINE ITEMS (list applicable line items)	**20___-20___ Anticipated Expenditures for First Three Months of Contract**
For example ADMINISTRATIVE COSTS (Include Secondary Administration.)	
For example PROGRAM EXPENSES	
TOTAL EXPENSES	

LINE ITEM JUSTIFICATION **(For each line item, provide a detailed justification explaining the need for the cash advance. The justification must include supporting documentation that clearly shows the advance will be expended within the first ninety (90) days of the contract term. Support documentation should include quotes for purchases, delivery timelines, salary and expense projections, etc. to provide the Division reasonable and necessary support that the advance will be expended within the first ninety (90) days of the contract term. Any advance funds not expended within the first ninety (90) days of the contract term as evidenced by copies of invoices and cancelled checks as required by the Budget and Scope of work showing 100% of expenditures for the 90 day period shall be returned to the Division Cashier, 2489 Shumard Oak Boulevard, Tallahassee, Florida 32399, within thirty (30) days of receipt, along with any interest earned on the advance.**

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4734-110-R

FUNDING AGENCY: Federal Emergency Management Agency

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes utility mitigation action to two hundred sixty-two (262) manhole sites located in Palm Coast, Florida, 32137 and 32164.

The proposed scope of work shall provide protection by retrofitting two hundred sixty-two (262) manhole covers for the existing wastewater collection system. Retrofit activities include upgrading the existing manhole covers with high-density polyethylene (HDPE) lids to reduce inflow and infiltration into the wastewater collection system, and to help prevent sanitary sewer overflows. During past storm events, the City of Palm Coast has suffered damage costs associated with pumping and tank trucking to prevent overflow from the sewage system due to heavy rain and power outages. Project shall address the inflow, and infiltration impacts at the wastewater collection system and reduce risk of loss of service to homes in the surrounding community.

All project components shall be protected against a 500-year (0.2% annual chance) flood event by implementing specific activities or by locating them outside the Special Flood Hazard Area (SFHA), comply with applicable National Flood Insurance Program (NFIP) requirements and shall be protected against wind based on location requirements per ASCE 7 standards effective at the time of permitting. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Location:

ID#	Location	Coordinates	
1)	Palm Coast, Florida, 32137 & 32164	NW	(29.552468, -81.239286)

CITY _____ STATE _____ ZIP CODE+4** _____

CONGRESSIONAL DISTRICT FOR PRINCIPAL PLACE OF PROJECT PERFORMANCE:

**Providing the Zip+4 ensures that the correct Congressional District is reported.

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

As used in this subsection, the term:

- "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.
- "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.
- "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is "Yes," provide the information required in the "Total Compensation Paid to Non-Profit Personnel Using State Funds" form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is "No", move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

Agenda Item

Agenda Date: October 20, 2026 **Agenda Item:** G.12

Department	UTILITY	**Amount**	$269,000.00
Division	WASTEWATER COLLECTION	**Org/Account #**	54019083-034000

Subject: RESOLUTION 2026-XX APPROVING PIGGYBACKING THE CITY OF ORLANDO CONTRACT IFB23-0211 WITH US SUBMERGENT TECHNOLOGIES, LLC FOR STRUCTURAL CLEANING SERVICES AT WASTEWATER TREATMENT FACILITY NO. 1

Presenter: **Brian Roche, Director of Utility**

Attachments:

1. Resolution
2. Quote
3. City of Orlando Contract
4. Executed Contract Amendment

Background:

Council Priority:

D. Sustainable Environment and Infrastructure

Consistent with the City Council's priority to improve infrastructure and restore capacity. Staff is requesting approval for U.S. Submergent Technologies to remove sand, grit, and debris from critical process equipment that has accumulated since last cleaned in 2023. During periods of high flow due to rain events, tropical storms, and hurricanes, the screening and grit removal systems at the headwork's are unable to remove 100% this material in the incoming streamflow. This material will settle in the biological tanks, clarifiers and over time reduce valuable capacity. U.S. Submergent Technologies, LLC utilizes specialized screening equipment that allows the material to be removed from the tanks and screened while keeping the biological tanks and clarifiers in operation and not disturbing the plant process.

City Staff is recommending piggybacking the City of Orlando contract IFB23-0211 with U.S. Submergent Technologies, LLC for Structure Cleaning Services at Wastewater Treatment Facility No. 1. Piggybacking existing competitive bid contracts are advantageous since the pricing is generally better and the city does not incur the expense and delay of soliciting a bid. This contract is valid until June 10, 2027.

Since the underlying contract is an agreement on a per unit price base, city staff are requesting approval based on available approved budgeted funds appropriated by City Council. The Fiscal Year 2027 budget includes available funding in the City's Wastewater Treatment Operations funding. City Staff estimate that the city will expend approximately $269,000.00 under this piggyback contract.

Source of Funds Worksheet
Original Budget: $1,216,750.00
Total Expended/Encumbered to Date: $95,000.00
Pending Work Orders.Contracts:
Current (WO/Contract): $269,000.00
Balance: $852,750.00

Recommended Action:
ADOPT RESOLUTION 2026-XX APPROVING PIGGYBACKING THE CITY OF ORLANDO CONTRACT IFB23-0211 WITH US SUBMERGENT TECHNOLOGIES, LLC FOR STRUCTURAL CLEANING SERVICES AT WASTEWATER TREATMENT FACILITY NO. 1

RESOLUTION 2026-___
STRUCTURAL CLEANING SERVICES AT
WASTEWATER TREATMENT FACILITY NO. 1

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING THE TERMS AND CONDITIONS OF PIGGYBACKING THE CITY OF ORLANDO CONTRACT IFB23-0211 WITH US SUBMERGENT TECHNOLOGIES, LLC FOR STRUCTURAL CLEANING SERVICES AT WASTEWATER TREATMENT FACILITY NO. 1; AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE WORK ORDER; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR IMPLEMENTING ACTIONS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, US Submergent Technologies, LLC has agreed to provide structural cleaning services at the City of Palm Coast Wastewater Treatment Facility No. 1; and

WHEREAS, the City of Palm Coast desires to approve piggybacking the City of Orlando contract with US Submergent Technologies, LLC has agreed to provide structural cleaning services at the City of Palm Coast Wastewater Treatment Facility No. 1.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA AS FOLLOWS:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The above recitals (whereas clauses) are hereby adopted as the legislative and administrative findings of the City Council.

SECTION 2. APPROVAL OF PIGGYBCK. The City Council of the City of Palm Coast hereby approves the terms and conditions of piggybacking the contract between The City of Olando and US Submergent Technologies, LLC to provide structural cleaning services as attached hereto and incorporated herein by reference herein by reference as Exhibit “A.”

SECTION 3. AUTHORIZATION TO EXECUTE. The City Manager, or designee, is hereby authorized to execute any necessary documents.

SECTION 4. FUTURE AMENDMENTS. The City Manager, or designee is hereby authorized to approve any future amendment to Contract Agreements for changes

totaling less than $100,000.00 as long as this amount does not exceed the line-item limit for the budgeted purchase. Further, the City Manager has the authority to execute amendments to the Contract Agreements on behalf of the City for any other changes that may be necessary.

SECTION 5. SEVERABILITY. It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this Resolution are severable, and if any phrase, clause, sentence, paragraph or section of this Resolution shall be declared unconstitutional by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Resolution.

SECTION 6. CONFLICTS. All resolutions or parts of resolutions in conflict with any of the provisions of this Resolution are hereby repealed.

SECTION 7. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 8. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption by the City Council.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on this 20th day of October 2026.

RE: Engagement Letter Authorizing Piggyback

Reservoir Environmental Cleaning Services
Contract Name

City of Orlando, IFB23-0211
Contract Reference

Dear Denver,

The City of Palm Coast, Florida requests permission to utilize your company's above referenced contract in accordance with its terms and conditions and pricing. If agreed, please indicate approval by electronically signing below as well as the Addendum covering the E-Verify and Public Records requirements.

Contractor is aware of and agrees to comply with the requirements of Florida Statutes § 287.138. To the extent that, under this Agreement, Contractor has access to personal identifying information, Contractor agrees that: Contractor is not owned by the government of a foreign country of concern; the government of a foreign country of concern does not have a controlling interest in Contractor; and Contractor is not organized under the laws of and does not have its principal place of business in a foreign country of concern. Per Florida Statutes § 287.138(1)(c), "foreign country of concern" means the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, including any agency of or any other entity of significant control of such foreign country of concern. Breach of this provision shall be considered a material breach of this Agreement and shall entitle City to, in its sole discretion, terminate this Agreement.

All invoices should be sent via email to ap@palmcoastgov.com. If email is not possible, please mail invoices to: City of Palm Coast, Attn: Accounts Payable, 160 Lake Avenue, Palm Coast, Florida 32164. All legal notices should be sent to the attention of the City Manager at the same address.

Please feel free to contact me at the email address below if you have any questions.

Regards,
Nathalie Garcia

ENGAGEMENT LETTER ADDENDUM

1. **E-Verify Registration and Use.**

"Effective January 1, 2021, public and private employers, contractors and subcontractors must require registration with, and use of the E-verify system to verify the work authorization status of all newly hired employees. Contractor acknowledges and agrees to utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

a) All persons employed by Contractor to perform employment duties within Florida during the term of the contract; and

b) All persons (including sub vendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the City. The Contractor acknowledges and agrees that use of the U.S. Department of Homeland Security's E-Verity System during the term of the contract is a condition of the contract with the City of Palm Coast.

By entering into this Agreement, the Contractor becomes obligated to comply with the provisions of Section 448.05, F.S. (2023), "Employment Eligibility," as amended from time to time. This includes, but is not limited to, utilization of the E-Verify System to verify the work authorization status of all newly hired employees and requiring all subcontractors to provide an affidavit to Contractor attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Contractor agrees to execute the same affidavit and to maintain a copy of such affidavits for the duration of this Agreement. Failure to comply with this paragraph will result in the termination of this Agreement as provided in Section 448.095, F.S. (2023), as amended, and the Contractor will not be awarded a public contract for at least one (1) year after the date on which the Agreement was terminated. Contractor will also be liable for any additional costs to City incurred because of the termination of this Agreement in accordance with this section."

In Process

2. **Prohibition against considering social, environmental, political, or ideological interests in government contracting**

Pursuant to Section 287.05701, F.S., the City cannot give preference to a Contractor based on the Contractor's social, political, or ideological interests such as:

a. The Contractor's political opinions, speech, or affiliations.
b. The Contractor's religious beliefs, religious exercise, or religious affiliations.
c. The Contractor's lawful ownership of a firearm.
d. The Contractor's lawful engagement in lawful manufacture, distribution, sale, purchase, or use of firearms or ammunition.
e. The Contractor's engagement in the exploration, production, utilization, transportation, sale, or manufacture of fossil fuel-based energy, timber, mining, or agriculture.
f. The Contractor's support of the state or federal government in combating illegal immigration, drug trafficking, or human trafficking.
g. The Contractor's engagement with, facilitation of, employment by, support of, business relationship with, representation of, or advocacy for any person described herein.
h. The Contractor's failure to meet or commit to meet, or expected failure to meet, any of the following as long as such Contractor is in compliance with applicable state or federal law: 1) environmental standards, including emissions standards, benchmarks, requirements or disclosures; 2) social governance standards, benchmarks, or requirements, including, but not limited to, environmental or social justice; corporate board or company employment composition standards, benchmarks, requirements, or disclosures based on characteristics protected under the Florida Civil Rights Act of 1992; or policies or procedures requiring or encouraging employee participation in social justice programming, including, but not limited to, diversity, equity, or inclusion training.

Docusign Envelope ID: 27B658DC-EE39-84AC-83B3-8C94A16B2175

3. **Scrutinized Companies**

A. Contractor hereby certifies that it: a) has not been placed on the Scrutinized Companies that Boycott Israel List, nor is engaged in a boycott of Israel; b) has not been placed on the Scrutinized Companies with Activities in Sudan List nor the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and c) has not been engaged in business operations in Cuba or Syria. If City determines that Contractor has falsely certified facts under this paragraph or if Contractor is found to have been placed on the Scrutinized Companies Lists or is engaged in a boycott of Israel after the execution of this Contract, City will have all rights and remedies to terminate this Contract consistent with Section 287.135, F.S., as amended. The City reserves all rights to waive the certifications required by this paragraph on a case-by-case exception basis pursuant to Section 287.135, F.S., as amended.

4. **Public Records.**

A. The Parties specifically acknowledge that the Agreement is subject to the laws of the State of Florida, including without limitation, Chapter 119, Florida Statutes, which generally make public all records or other writings made or received by the Parties. If SUPPLIER is either a "contractor" as defined in Section 119.0701(1)(a), Florida Statutes, or an "agency" as defined in Section 119.011(2), Florida Statutes, SUPPLIER shall:

5. Keep and maintain all public records required by CITY to perform the Services herein; and
6. Upon request from CITY's custodian of public records, provide CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S. or as otherwise provided by law; and
7. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement Term and following completion of the Agreement if SUPPLIER does not transfer the records to CITY; and
8. Upon completion of the Agreement, transfer, at no cost, to CITY all public records in possession of SUPPLIER or keep and maintain public records required by CITY to perform the Services herein. If SUPPLIER transfers all public records to CITY upon completion of the Agreement, SUPPLIER shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If SUPPLIER keeps and maintains public records upon completion of the Agreement, SUPPLIER shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to CITY, upon request from CITY'S custodian of public records, in a format compatible with the information technology systems of CITY.

In Process

B. All requests to inspect or copy public records relating to the Agreement shall be made directly to CITY. Notwithstanding any other provision of this Agreement to the contrary, failure to comply with the requirements of this paragraph shall result in the immediate termination of the Agreement, without penalty to CITY. A contractor who fails to provide the public records to CITY within a reasonable time may be subject to penalties pursuant to Section 119.10, Florida Statutes. Further, SUPPLIER shall fully indemnify and hold harmless CITY, its officers, agents and employees from any liability and/or damages, including attorney's fees through any appeals, resulting from SUPPLIER'S failure to comply with these requirements.

C. IF THE SUPPLIER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUPPLIER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CITY CLERK'S OFFICE AT 386-986-3713, cityclerk@palmcoastgov.com, 160 LAKE AVENUE, PALM COAST, FLORIDA 32164.

9. **Governing Law**

This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida, without regard to its conflict of laws principles. The parties agree that any action or proceeding required to enforce or interpret the terms of this Agreement, venue shall be of the Seventh Judicial Circuit in and for Flagler County, Florida, or the Middle District of Florida in Orlando, FL., if in federal court. Each party hereby consents to the personal jurisdiction of such courts and waives any objection based on venue or inconvenient forum.

Docusign Envelope ID: 27B658DC-EE39-84AC-83B3-8C94A16B2175

10. **Sovereign Immunity**

City of Palm Coast expressly retains all rights, benefits and immunities of sovereign immunity and nothing herein shall be deemed to affect the rights, privileges, and immunities of City of Palm Coast as set forth in Section 768.28, Florida Statutes.

11. **Taxes**

Taxes, customs and tariffs on commodities or contractual services purchased under this contract will not be assessed against the City of Palm Coast unless mandated by State or Federal Law.

phenderson@palmcoastgov.com
(386) 986-2360

On behalf of U.S. Submergent Technologies (USST), we are pleased to provide this cost estimate for your consideration to remove the accumulated material(s) from the **Ox Ditch(es);Clarifier(s)**. The following pricing schedule includes the costs of providing a complete operation of removing and disposing of the estimated volumes of material to be removed.

General Scope of Work:

USST will reach and remove material from agreed-upon structures utilizing a combination of vacuum, pumping, jetting and/or reaching components using patented and appropriate equipment, as well as a trained and capable service crew. USST will provide mobilization and demobilization to and from the project site and to disposal facility. USST will clean work area(s) to pre-project conditions upon completion of project.

An itemized pricing schedule follows.

Pricing based on: **Piggyback**

Payment Terms: **Net-30 on receipt of Invoice**

Products & Services

Products & Services	Quantity	Unit	Unit price	Price
Mob/Demob, Non-Emergency	1	Lump Sum	$6,500.00	$6,500.00
Time, Labor & Equipment (Vac Only)	30	Per Day	$4,250.00	$127,500.00
Downhole Pump	30	Per Day	$2,500.00	$75,000.00
49' Boom	30	Per Day	$2,000.00	$60,000.00

One-time subtotal	$269,000.00

Total	**$269,000.00**
Total Contract Value	**$269,000.00**

Project Assumptions and Additional Conditions:

The pricing schedule summarizes the estimated quantities and standard unit costs based on our understanding of existing conditions, our interpretation of the RFP scope and/or specifications that have been made available to us. **This cost estimate assumes that all removed material will be discharged at the Owner's designated on-site location.**

- Rates are based on a Monday through Friday (8:00 AM – 4:00 PM) workday. If Weekend work and/or second/third shift work is authorized, overtime rates will be charged.
- A signed Cost Estimate and/or Purchase Order is required prior to project commencement. Upon acceptance of this signed Cost Estimate and/or Purchase Order, USST will schedule the project on a mutually agreed date with a minimum of 5-days lead time.

USST production rates are based on physical access to the structure, distribution of accumulated materials, as well as the type and quantity of materials to be removed.

- USST will maintain daily performance/production records.
- All waste (actual quantities) will be manifested, transported and disposed of in accordance with all applicable Local, State and Federal regulations.

Unit costs will be billed on actual quantities of time, labor and equipment required to complete the scope.

- If applicable, a Demurrage Rate will be charged at $950 per hour rounded to the nearest half-hour.
- Where applicable, it is the Client’s responsibility for payment of unforeseen fees, taxes, or unexpected administrative costs which USST may incur during execution.

USST shall provide all labor, materials and equipment, unless otherwise discussed, to complete the agreed-upon services.

USST shall perform its services with the standard of care, diligence and skill ordinarily exercised by firms providing similar services and in accordance with accepted and sound professional practices and procedures. USST shall comply with all OSHA-10 standards and all applicable Local, State and/or Federal health and safety regulations.

USST is not responsible for damage to landscape, landscape restoration, damage to aeration systems, or underground utilities not clearly marked and made aware of prior to project start.

USST reserves the right to reject any order based on differences in interpretation of the specification, or for any reason, at the time the order is tendered.

General Terms and Conditions:

- Client shall provide unrestricted access to the facility worksite. Unrestricted access includes ensuring height clearance without obstruction in and around structure(s), and, removing and/or unbolting any hatches or panels required for access or ventilation.
- Client is responsible for Onsite material management.
- Client is responsible for providing and managing sufficient area to offload material that is recovered during cleaning operations.
- The Cost Estimate does not include hydro- and/or grit-blasting of the structure(s).

1. INTRODUCTION

1.1. Summary

The intent for Structure Cleaning Services is for the procurement of emergency and non-emergency sediment and debris removal and disposal services on an as-needed basis. It is the City of Orlando's (City) intent to award contracts to multiple Contractors if possible, so Bidders that cannot provide all of the additional features may bid on only those pay items that they have the proper equipment to provide. The use of a closed loop system that pumps the solids to a sealed, pressurized debris collection container which decants the liquid back into the pipeline or structure without emitting significant noise and odor is safer and more efficient for large diameter structures. The Contractor will be responsible for proper removal, hauling, and disposal of sediment and debris collected from various structures anywhere in the City as required for each project assignment. The City will not incur a disposal fee in the event sediment and debris are left onsite. Supporting documentation to include hauler manifest and dump ticket will be provided with the invoice. The City reserves the right to require the Contractor to respond to emergencies within a two-hour time frame.

1.2. Contact Information

Direct all questions and inquiries to the following:

Javarie McDonald
Purchasing Agent II
400 S Orange Avenue
Procurement and Contract Division 4th Floor
Orlando, FL 32801
Email: javarie.mcdonald@orlando.gov
Phone: (407) 246-2364

Department:
Procurement and Contracts Division

1.3. Timeline

Note: All time references in this solicitation are to City of Orlando local time on the date specified.

Issue Date	March 3, 2023
Cut-off date for Questions by Bidder	March 10, 2023, 5:00pm

Bid Due Date and Time	April 4, 2023, 2:00pm JOIN THE VIRTUAL BID OPENING. 2. GENERAL INFORMATION

2.1. SOLICITATION INFORMATION

The City's Procurement and Contracts Division is the official source to obtain information relating to City of Orlando procurements. It is incumbent on the Bidder to obtain current bid and award information prior to and after the scheduled opening date of a solicitation. Information is updated as it becomes available. An award, or recommendation of award, may be made at any time after the scheduled opening date of a solicitation. You may obtain award and other solicitation information in a variety of ways, such as:

A. Bid documents are available for download from the VendorLink website:
   - You may access solicitation information by visiting the City's VendorLink website by copying the following link in your web browser: vendorlink.cityoforlando.net

B. You may also contact the Procurement and Contracts Division at (407) 246-2291 or visit us during normal business hours, to obtain award information and other documents at:

City of Orlando

Procurement and Contracts Division

400 South Orange Avenue, Fourth Floor

Orlando, Florida 32801

Please remember, email notification is provided as a courtesy to our Bidders, but it is the Bidder's responsibility to check with the City of Orlando's website at: vendorlink.cityoforlando.net for current bid and other procurement information.

We appreciate your interest in doing business with the City of Orlando.

2.2. CONTRACT TERM

It is the intent of the City to award a Contract for a three (3) year term to begin upon approval and execution by the City. The Contract may, by mutual assent of the parties, be renewed for two (2) additional twelve (12) month periods or portions thereof, up to a cumulative total of sixty (60) months.

2.3. SCHEDULE

The Timeline Section of this solicitation contains the scheduled calendar of events with important dates and times for this Solicitation. Dates and times are subject to change by the City's Chief Procurement Officer (CPO) or designee, at their sole discretion. If the Procurement and Contracts Division determines that it is necessary to change these dates or times prior to the Bid due date, the change will be announced via an addendum.

2.4. PRE-BID CONFERENCE, IF APPLICABLE

If applicable, the purpose of a Pre-Bid Conference is to review and discuss the solicitation (and any addenda) as published. A representative from the Procurement and Contracts Division and a technical representative from the using department will be present to discuss the solicitation.

3. BID SUBMITTALS

Bidders are solely responsible for ensuring that their submittals are complete, uploaded and submitted in the VendorLink system by the bid due date and time. The City shall not be responsible for any submission delays or failures caused by any occurrence. Bidders are expected to examine this solicitation, specifications, associated drawings, if any, and all instructions. Failure to do so will be at the Bidder's risk.

Each Bidder shall furnish the information required on each bid submittal form and each accompanying sheet thereof on which an entry is made.

The following items must be completed and uploaded as part of your electronic bid submittal. **Failure to complete and return required forms may result in your bid being deemed non-responsive and not considered for award.**

A. **Bid Pricing** - All prices shall be entered online. For instructions on submitting Electronic Bid Pricing (which is required by this solicitation), see **Section 7**.

B. **Attachment A** - Bidder's Questionnaire. This form must be downloaded, completed, and uploaded as a part of the bid package.

C. **Attachment B** - Bidder's Certification Form. This form must be downloaded, completed, signed, scanned, and uploaded as a part of the bid package.

D. **Attachment C** - Contract and Acceptance Form. This form must be downloaded, completed, signed, scanned, and uploaded as a part of the bid package.

E. **Attachment D** - Minority/Women-Owned Business Enterprise Participation Form. This form must be downloaded, completed, and uploaded as a part of the bid package.

F. **Attachment E** - Veteran Business Enterprise Participation Form. This form must be downloaded, completed, and uploaded as a part of the bid package.

G. **Attachment F** - Conflict of Interest Disclosure Form. This form must be downloaded, completed, and uploaded as a part of the bid package.

H. **Attachment G** - Confidential and/or Proprietary Information Exemption Form. This form must be downloaded, completed, and uploaded as a part of the bid package.

I. **Attachment H** - Addendum Receipt Verification Form. If an Addendum(s) is issued, this form must be downloaded, completed, signed, scanned, and uploaded as a part of the bid package.

J. **Attachment I** – Certification Regarding Prohibition Against Contracting With Scrutinized Companies. This form must be downloaded, completed, and uploaded as a part of the bid package.

K. Copy of Bidder's current W-9 is to be signed and uploaded as a part of the bid package.

L. Bid Security, if applicable.

M. Proof of insurance - If applicable, please refer to **Section 5 – Insurance Requirements**

4. SCOPE OF WORK

4.1. General

The intent for Structure Cleaning Services is for the procurement of emergency and non-emergency sediment and debris removal and disposal services on an as-needed basis. It is the City of Orlando's (City) intent to award contracts to multiple Contractors if possible, so Bidders that cannot provide all of the additional features may bid on only those pay items that they have the proper equipment to provide. The use of a closed loop system that pumps the solids to a sealed, pressurized debris collection container which decants the liquid back into the pipeline or structure without emitting significant noise and odor is safer and more efficient for large diameter structures. The Contractor will be responsible for proper removal, hauling, and disposal of sediment and debris collected from various structures anywhere in the City as required for each project assignment. The City will not incur a disposal fee in the event sediment and debris are left onsite. Supporting documentation to include hauler manifest and dump ticket will be provided with the invoice. The City reserves the right to require the Contractor to respond to emergencies within a two-hour time frame.

4.2. Scope of Work

A. The Contractor shall furnish all labor (to include personnel certified to enter confined spaces), materials and equipment necessary for properly cleaning various size structures and equipment in confined space entries , and requires the application of reasonable initiative and independent judgement. Types of structures shall include both Sanitary Sewer and Stormwater systems. Structures shall be cleaned using hydraulically-propelled, and/or high velocity water jet sewer cleaning equipment capable of removing sand and/or debris in surcharged conditions. Structures shall be defined as a tank, basin, pond and other types of structures including, but not limited to channels, equalization tanks, clarifiers, aeration basins, oxidation ditches, anoxic tanks, filter media bays, contact basins, digesters, headworks, grit chambers, containment units, thermal process tanks, package plants, reject ponds, lift stations, backwash basins, splitter boxes, baffle boxes, manholes, sumps or sediment traps.

B. Debris shall be defined as sand, silt, solids, rags, sludge, rocks, bricks, loose gaskets, pieces of broken pipe and other foreign objects encountered in structures. The cleaning process shall be able to remove all debris from each structure that is identified by the City. The selection of cleaning equipment and method shall be based on the structure type, amounts of debris anticipated, and the known condition of the structure, and will be subject to the City's approval for the method used and the applicable pay item. All cleaning equipment and devices shall be operated by personnel who are properly trained and qualified in using that type of equipment or device.

C. The Bidder will be required to submit a minimum of three (3) references, within the State of Florida, that demonstrate that they have the necessary equipment, experienced personnel, and are capable of cleaning large diameter structures, utilizing a closed loop

system, in surcharged conditions, per this specification. The Contractor may be required to demonstrate the performance capabilities of the cleaning equipment proposed for use on the project. If the results obtained by the proposed cleaning equipment are not satisfactory, the Contractor may be required to utilize different personnel, equipment and/or attachments, as necessary to meet the requirements.

D. Satisfactory precautions shall be taken to protect structures, equipment and adjacent facilities from damage that might be caused by improper use of the cleaning equipment or method. Any damage resulting from Contractor negligence shall be repaired by Contractor at no cost to and to the satisfaction of the City.

4.3. Equipment

A. All cleaning equipment shall include an extraction device that removes all solids and decants water back into the structure without the release of debris. The cleaning equipment shall have an approximately 49 foot boom crane with telescoping tubes and shall have a downhole system that enables the removal of debris from deep or submerged conditions. The equipment shall have a minimum 15 cubic yard debris tank, capable of being pressurized for debris and water separation. If the site conditions are such that large debris amounts are anticipated, then the equipment shall be capable of operating in conjunction with pressurized roll off containers.

B. The cleaning equipment shall include a debris extraction device that does not release particulate matter into the atmosphere and does not allow the debris being removed to pass downstream from the access point or back into the system being cleaned. The cleaning equipment shall be able to operate without the need of bypass pumping during the cleaning operations.

C. High Velocity Water Jet Cleaning:

1. The jetting equipment must be specifically designed and controlled to thoroughly clean the structure without damage. A working pressure gauge shall be used on the discharge of all high pressure water pumps. The jet nozzles shall be adjustable from an upward angle used to clean loose debris underneath the top of the structure, to a downward angle in order to clean the bottom or sides depending on the structure needs and corrosion conditions. The pressure and flow rate shall also be adjustable and controlled to an appropriate level for the cleaning requirements, so as to prevent further damage to the structure.

2. The primary water pump should be rated at least 140 gpm at 2000 psi and have additional capacity as needed to perform the work. To take full advantage of the Closed-Loop capabilities and increase production, the Closed-Loop system equipment shall have a hose reel and hose that is capable of cleaning at least 1000 LF from one access point.

D. Hydraulically Propelled Cleaning Equipment:

The hydraulically propelled equipment must be specifically designed to remove large amounts of debris and sediment under surcharged conditions. Hydraulically propelled equipment must be capable of properly functioning without the use of additional water.

E. Debris Collection:

1. The debris collection system shall include both vacuum and pumping capability with a sealed containment unit that must be able to safely transport either sanitary sewer or storm system debris to a legal disposal site without leakage or emitting any significant amount of odor. Any damage resulting from Contractor negligence shall be repaired by a licensed contractor or a City of Orlando contractor at no cost to and to the satisfaction of the City. The system must have the capacity to keep up with the cleaning operation and be able to handle a high percentage of solids. The debris collection system shall be capable of capturing 99% of the solids and debris, and decanting only water back into the collection system downstream of the debris collection point or into a discharge point designated and approved by the City.

2. The debris collection system shall have a telescoping boom and tube system that is capable of reaching approximately 49 feet from the center of the debris collection vehicle into the structure for effective placement of the vacuum/pumping tube.

3. Sand and sediment collected during operations must be able to pass the paint filter dry test to be eligible to collect pay items for debris disposal. All sanitary sewage or wastewater treatment plant structures will be eligible for the pay item for Disposal of Sanitary Sewer Solid Waste Material. All stormwater systems or structures will be eligible for the pay item for Disposal of Stormwater System Solid Waste Material.

4.4. Execution

A. All equipment and devices shall be operated by experienced operators so that cleaning process is efficient and effective, and the pipe or structure is not damaged during the cleaning process. The cleaning process shall include a multi-step cleaning procedure until the entire structure is clean and has been approved by the City. The Contractor shall only use biodegradable materials which will not create hazards to health or property or affect stormwater receiving bodies or sewage treatment plant processes.

B. The jetting action from the nozzle will propel the cleaning head to a chosen point (depending on the amount of sediment) to loosen the sludge, sediment and debris. The operator shall retract the nozzle to the access point, where a submersible pump or vacuum suction line will transport the collected solids and water to the debris collection container. The operator will extend the nozzle to further points in the structure and repeat this procedure until the furthest point has been reached and is clean of all sediment and debris. The Contractor is responsible to use whatever means necessary to remove all sediment and debris from the structure or system without damage to the facility. The debris collection system shall separate the solids and return only liquid back into the system or structure.

C. The Contractor shall be responsible for obtaining a water meter and pay all related costs as necessary. All expenses shall be considered incidental to the cleaning of the structure. No fire hydrant shall be obstructed or used when there is a fire in the area.

D. In addition to the requirements herein, the Contractor shall maintain a safe and clean work area so as to comply with Federal, State, and local environmental and anti-pollution laws, ordinances, codes, and regulations when cleaning structures and disposing of waste debris. The Contractor shall also keep the work area and surrounding area free of accumulations of dirt, dust, waste materials, rubbish and debris. Suitable containers for storage of waste materials, debris and rubbish shall be provided by the contractor until time of disposal. It is the sole responsibility of the Contractor to secure a licensed legal disposal site for the disposal of the debris material. Under no circumstances shall sewage or solids removed from a sanitary sewer system be spilled or dumped in streets, ditches, catch basins, or storm drainage systems.

E. The Contractor shall be required to have all materials, water source, equipment, and labor necessary to complete the work on the jobsite prior to beginning the cleaning process and starting the clock regarding payment. Partial days of work will be prorated for payment if a minimum 8 hours of work has not been performed during a day.

4.5. Pollution and Noise Controls

A. Contractor shall minimize noise, vibration and pollution caused by their activities, and control the removal and disposal of solid and hazardous wastes according to the following Performance Criteria:

1. Noise Control shall be in accordance with Federal, State, and City regulations. The equipment noise level shall not exceed 75 Db measured at a distance of 50 feet, during normal operating conditions. The Contractor shall comply with all City Ordinances and regulations dealing with noise abatement.

2. Vibration Control shall be in accordance with Federal, State, and City regulations. It is the Contractor's sole responsibility to prevent damage from vibration to adjacent structures and property.

3. Air Pollution Control shall be in accordance with Federal, State, and City regulations.

4. Fugitive Dust:

a. Do not cause or allow the emissions of from any transport, handling, construction or storage activity to remain visible in the atmosphere beyond the property line of the emission source.

b. Take precautions to minimize dust emissions from operations involving demolition, excavation, grading, clearing of land and disposal of solid waste.

c. Do not cause or allow particulate matter to exceed 100 mg/m3 when determined as the difference between upwind and downwind samples collected on high volume samples at the property line for a minimum of five hours.

d. Take precautions to prevent visible particulate matter from being deposited upon public roadways as a direct result of construction or hauling operations. Precautions shall include the removal of particulate matter from equipment before movement to paved streets, or the prompt removal of material from paved streets onto which such material has been deposited.

e. The cleaning equipment shall include a debris extraction device that does not release particulate matter into the atmosphere.

B. Solid and Hazardous Waste

Solid and Hazardous Waste Control shall be in accordance with Federal, State, and City regulations. The Contractor is solely responsible for the disposal of any hazardous waste that is generated by the Contractor's operation.

1. Execution: In order to implement these regulations, the Contractor shall use the following procedures and techniques:

a. Dust Control

(1) Cover loads of materials, debris and soil transported from construction sites.

(2) Daily water down and sweep streets which have heavy volumes of construction vehicles carrying debris and excavated materials.

(3) Establish regular cycles and locations for washing trucks which haul soil from the site.

(4) Water down construction sites as needed to suppress dust, during handling of excavation soil or debris or during demolition.

(5) Burning of wastes on site is prohibited. Remove scrap and waste material and dispose of in accordance with laws, codes, regulations, ordinances and permits.

(6) Use construction equipment which has been designed and equipped to prevent or control air pollution in conformance with the regulations of the EPA, state and local authorities. The Contractor shall have available evidence of such design and equipment shall be maintained and made available for inspection by the City Representative.

(7) Establish and maintain records of the routine maintenance program for internal combustion engine powered vehicles and equipment used on the project. These records shall be held available for inspection by the City.

C. Solid and Hazardous Waste Disposal:

1. Solid wastes may be disposed of in a number of ways, including legal land spreading, controlled incineration, public or private dump sites, either free or for a fee. The method

of disposal is restricted according to the classification of the waste material by the CFR 40 – 190 to 399, and by local requirements.

2. Hazardous wastes are wastes listed in 40 CFR Part 261, Subpart D as hazardous or they are wastes characterized in 40 CFR Part 261, Subpart C as hazardous by exhibiting one of four characteristics: ignitability (i.e., an oxidizer or flash point < 140°F), corrosivity (i.e., Ph < 2 or > 12.5), reactivity, or toxicity.

3. A hazardous waste determination must be made of any waste material. If the material is hazardous, then it must be recycled, treated, stored, or disposed at a Hazardous Waste facility authorized by DEP, EPA or another state. Hazardous Waste cannot be disposed on or in the ground, or in local landfills, septic tanks, or injection wells. Regardless of quantity, the generator of Hazardous Waste is ultimately responsible for the waste, and can be held liable for improper management of Hazardous Waste even though it may have been sent to an authorized Hazardous Waste management facility using a licensed transporter authorized by DEP.

4. Haul routes for transporting sediment and debris solids or hazardous wastes are subject to the approval of the City.

-End of Section-

5. STANDARD TERMS AND CONDITIONS

5.1. COMMUNICATIONS; QUESTIONS REGARDING SPECIFICATIONS OR BIDDING PROCESS

A. All communication and contact regarding this solicitation shall be directed to the Purchasing Agent referenced on the cover page of this solicitation.

B. To protect the integrity of the solicitation process and ensure fair consideration of all respondents, a prohibited communication period is hereby established commencing as of the time of the issuance of this solicitation and terminating upon execution of a contract (or, if the solicitation is cancelled, upon cancellation of the solicitation).

- Except for communication with the City's designated point of contact set forth in this solicitation or as otherwise authorized by the City's Chief Procurement Officer, during the prohibited communication period, the City prohibits communication regarding the solicitation by a Bidder or potential Bidder (or on a Bidder or potential Bidder's behalf) to or with any officer, elected official (including the Mayor and City Council), department, division, office, or employee of the City, or any other person or entity providing advice to the City related to this solicitation.
- During the prohibited communication period, all contacts and communications regarding the solicitation by a Bidder, or potential Bidder, including their agents, representatives and others on their behalf, shall be directed to the City's Procurement and Contract Services Division in the manner provided below in this solicitation, unless otherwise authorized by the City's Chief Procurement Officer.
- Prohibited contact or communications during the prohibited communication period may result in disqualification from the solicitation process, rejection of the solicitation, or termination of any resulting contract as determined by the Chief Procurement Officer. In addition, prohibited contact or communications may also be grounds for suspension and debarment of a Bidder or potential Bidder under the City's Procurement Code.

C. Any questions by a Bidder relative to the interpretation of specifications or the bid process shall be addressed in writing as indicated below. In order to be answered prior to the submittal deadline, questions must be received by the Procurement and Contracts Division ten (10) days prior to the date set for the receipt of bids. Any interpretation made to prospective Bidders with respect to questions submitted prior to the cut-off date for questions to be answered prior to the submittal deadline will be expressed in the form of an Addendum to the specifications which, if issued, will be conveyed to all prospective Bidders no later than five (5) days before the date set for receipt of bids. Oral answers

and written answers not answered in an Addendum issued by the Procurements and Contracts Division will not be binding.

D. Bid openings shall be public, on the date and at the time specified on the bid form, with the total bid amount being read aloud. It is the Bidders responsibility to assure that their bid has been entered online no later than the due date and time of the bid opening. The Bidder's name and verification of bond submittal, if applicable, will be publicly announced aloud at the Bid opening.

5.2. BIDDER QUALIFICATION

Bids will be considered from Bidders who have adequate personnel and equipment and who are so situated as to perform prompt service or provide required goods. The City reserves the right to request information or conduct an inspection of the Bidder's facility and equipment prior to the award of the contract.

Bids will be considered only from Bidders which are regularly engaged in the business as described in this bid package; with a record of performance for a reasonable period of time, which have sufficient financial support, equipment, and organization to ensure that they can satisfactorily execute the service if awarded a contract under the terms and conditions herein stated.

The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practice in the industry and as determined by the City.

5.3. ALTERATIONS/CHANGES TO BID PRICE FORM(S)

Bidder shall not change or otherwise alter the quantity or unit designations on the Bid Price Form(s). The unit price bid and total extensions must correspond to these designations. Each line item will be extended as indicated (quantity x unit price). The unit price shall prevail.

5.4. ADDENDA

It is the Bidder's responsibility to contact the Procurement and Contracts Division prior to submitting a Bid to ascertain if any Addenda have been issued, to obtain all such Addenda, and return executed Addenda with the Bid. If you have downloaded this Bid from VendorLink, please ensure that you also download all such Addenda. The failure of a Bidder to submit acknowledgment of any Addenda that affects the bid price(s), is considered a major irregularity and will be cause for rejection of the Bid.

5.5. UNBALANCED BIDS

As determined by the City's Chief Procurement Officer in the CPO's discretion, the City may consider a solicitation response irregular and reject it if any of the prices are excessively unbalanced (either above or below the amount of a reasonable response) to the potential detriment of the City. The City further reserves the right to require backup

documentation from the respondent if, in the Chief Procurement Officer's opinion, the prices are, or appear to be, excessively unbalanced.

5.6. WITHDRAWAL OF BIDS

After bid opening, no changes in bid prices or other provisions shall be permitted. Bidders may withdraw or correct a bid prior to the stipulated date and time for the opening of bids.

5.7. SELECTION/REJECTION OF OPTIONS

The City of Orlando reserves the right to select/reject options which are bid, based on price and other considerations as deemed to be in the best interests of the City.

5.8. IRREVOCABLE OFFER

The submission of a bid shall constitute an irrevocable offer to the City by the Bidder for a period of ninety (90) days from the date of bid opening to provide the goods and services set forth in this solicitation upon the terms, conditions, and provisions of this solicitation, at the pricing set forth in the bid.

5.9. QUANTITIES

The quantities for the items listed in this solicitation are estimated annual quantities for bid evaluation purposes only and should not be construed as representing actual quantities to be purchased. Moreover, it is understood by all Bidders that the City is not obligated to purchase any minimum or maximum amount during the life of a contract resulting from this solicitation.

5.10. BIDDER'S CERTIFICATION FORM

Each Bidder shall complete the "Bidder's Certification Form" included with this Invitation for Bids. The form should be acknowledged before a Notary Public with notary seal affixed on the document. The failure of a Bidder to include this document with their bid submittal will be cause for rejection of the bid.

5.11. SUBMITTAL OF BIDS

Bids shall be submitted utilizing the bid form(s) provided herein. All bids shall be properly executed with all blank spaces filled in. The signatures of all persons signing shall be in longhand. Erasures, interlineations, or other corrections shall be authenticated by affixing in the margin immediately opposite the correction the initials of a person signing the bid. If the unit price and the total amount provided by a Bidder for any item are not in agreement, the unit price alone shall be considered as representing the Bidder's intention, and the totals shall be corrected to conform thereto.

5.12. INSPECTION, ACCEPTANCE, AND TITLE

Inspection and acceptance will be at destination unless otherwise stipulated. Title and risk of loss or damage to all items shall be the responsibility of the Bidder.

5.13. EXCEPTIONS TO TERMS AND CONDITIONS

When completing your bid, do not attach any forms which may contain terms and conditions that conflict with those listed in the City's bid document(s). Inclusion of additional terms and conditions, such as those which may be on your company's standard forms, may result in your bid being declared non-responsive.

5.14. SPECIFICATIONS

A. The specifications shown in the Invitation for Bids are intended to represent items of a quality level known to meet City's requirements. While the City endeavors to promulgate written specifications that are accurate and nonrestrictive for bidding purposes, they may also reference an item by manufacturer's name and model number. Bidders are cautioned that in the event of a discrepancy therein, such difference must be timely questioned in writing. Any written question must be received by the Procurement and Contracts Division at the address on the cover of this solicitation no later than ten (10) days prior to the bid opening.

B. If any proprietary, trade, brand, or manufacturers' name or part number is used herein in describing the required equipment or materials, it shall be understood to indicate the minimum standard of composition and quality desired, and shall not be construed to exclude equipment or goods that equals or exceeds the functional capability and quality of the named equipment. The City, in its sole discretion, shall determine whether equipment or goods are equivalent in capability and quality.

C. In cases where an item is identified by a manufacturer's name, trade name, catalog number, or reference, it is understood that the Bidder proposes to furnish the item so identified and does not propose to furnish an "EQUAL" unless the proposed "EQUAL" is definitely indicated therein by the Bidder. The reference to a name brand is intended to be descriptive but not restrictive and only to indicate to the prospective Bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered provided each Bidder clearly states in their bid exactly what he proposes to furnish and forwards with their bid a cut illustration or other descriptive matter which will clearly indicate the character of the article covered by their bid. The City hereby reserves the right to approve as an equal, or to reject as not being equal, any article the Bidder proposes to furnish which contains major or minor variations from the specification requirements but may comply substantially therewith. If no particular brand, model, or make is specified and if no data is required to be submitted with the bid, the successful contractor after award and before manufacture or shipment may be required to submit

working drawings or detailed descriptive data sufficient to enable the City to judge if such requirement of the specification is being complied with.

D. Bidders are strongly encouraged to submit equivalent equipment or materials for consideration during the question and answer period. If equivalent equipment or materials is proposed, indicate the manufacturer's name and model number for the equipment and include any literature or other explanation of the equipment's quality or performance with your bid.

E. The equipment bid herein shall be new and shall be of the current production model. If applicable, detailed equipment specifications for make and model offered shall be provided with bid.

F. Bidders may be required, at no expense or liability to the City, to make available for test/demonstration, equipment equal in all aspects to the equipment bid, and/or equal equipment that may be seen under operating conditions in the Central Florida area.

5.15. SILENCE OF SPECIFICATIONS

The apparent silence of these specifications or any supplemental specifications as to details or the omission from same of any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type, size, and design are to be used. All workmanship shall be first quality. All interpretations of specifications shall be made upon the basis of this statement.

5.16. PRICES AND TERMS

All prices must be firm for the delivery schedule quoted herein. All prices shall be bid F.O.B. Destination delivered to any City of Orlando Department unless otherwise stipulated in the IFB.

5.17. TAXES

The City of Orlando does not pay Federal excise and State sales taxes. Our tax exemption number is 85-8015427957C-9 and is also stipulated on all our Purchase Orders.

5.18. POLITICAL SUBDIVISIONS

Under Florida Law, prices contained in State Contracts shall be available to the City of Orlando, who might wish to purchase under a State Purchase Contract. The City of Orlando therefore reserves the right to purchase any commodities from a State Purchase Contract if in the best interest of the City.

5.19. MISTAKES

Bidders are expected to examine the specifications, delivery schedules, bid prices, and all instructions pertaining to supplies and services. Failure to do so will be at the Bidder's risk.

5.20. SAFETY STANDARDS

Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall comply with applicable requirements of Occupational Safety and Health Act and any standards thereunder.

5.21. MARKING

Each individual container shall be marked with the brand name of the product, quantity and the name and address of the manufacturer. Each shipping container shall include the name of the Bidder and must also clearly indicate the City of Orlando Purchase Order Number and/or City Contract Number.

5.22. INVOICING AND PAYMENT

The Contractor shall be paid in accordance with Florida Statutes, upon submission of invoices to: AP_Invoices@orlando.gov or PO Box 4990, Orlando, FL 32802-4990. Invoices are to be billed at the prices stipulated on the purchase order and/or as outlined in this solicitation. All invoices must show the Purchase Order Number and/or City Contract Number.

5.23. DISCOUNTS

Bidders may offer a discount for prompt payment; however, such discounts shall not be considered in determining the lowest net price for bid evaluation purposes. Discounts will be computed from the date of satisfactory delivery at place of acceptance or from receipt of correct invoice at the office specified, whichever is later.

Bidder is requested to offer price discount for prompt invoice payment. It is the policy of the City of Orlando to make payments of invoices in time to earn any offered discounts. Discount time will be computed from the date of satisfactory delivery at place of acceptance or from receipt of correct invoice at the Accounts Payable Office, whichever is later.

5.24. PROMPT PAYMENT ACT

Payment by the City shall be made in accordance with Sections 218.70. et sq. Florida Statutes, Local Government Prompt Payment Act.

A. Proper Invoice

1. For purposes of billing submission and payment procedures, a "proper invoice" by a Contractor or other invoicing party shall consist of at least all of the following:

a. a description (including quantity) of the goods and/or services provided to the City (or a party on behalf of the City) reasonably sufficient to identify it (or them);

b. the unit pricing, quantity and total amount due in accordance with the contract terms and conditions and applicable discount(s);

c. the full name of the Contractor or other party who is supplying the goods and/or services including a mailing address in case of a dispute and a mailing address for payment purposes (if they are different) and a telephone number;

d. the Purchase Order or contract number as supplied by the City; and

e. an identification by Division, Office or Department of the party(ies) to whom the goods were delivered or services provided.

f. Finally, in addition to all of the above, in order to be considered a proper invoice, it must be based on a proper delivery, installation, or provision of the goods and/or services to and acceptance by the City (or party on behalf of the City); the Contractor or other party who is supplying the goods and/or services has otherwise complied with all of the contract's terms and conditions and is not in default of any of them; and if the contract requires any subcontractors or other parties to be bound by similar other "flow-down" requirements that those requirements have been complied with.

B. Dispute Resolution

In the event a dispute occurs between a Contractor or other invoicing party ("invoicing party") and the City concerning payment of an invoice, the City Department, Office or Division which has the dispute along with a representative of the City's Procurement and Contracts Division and the invoicing party shall meet to consider the disputed issues. The invoicing party shall provide to the City such material and information as the City may reasonably require. Any such procedure shall be initiated by either party notifying the other in writing of a dispute and stating with specificity its nature. This procedure shall commence not later than forty-five (45) days, and be resolved not later than sixty (60) days, after the date on which the proper invoice was received by the City. Any decision by the City's Chief Procurement Officer shall constitute the final decision of the City regarding these matters and shall be communicated in writing to the invoicing party within three business days after such decision. If no decision is rendered within the time period as set out above, then a decision against the invoicing party shall be deemed to have been issued.

5.25. INSPECTION OF PUBLIC RECORDS

Bidders may request copies of the solicitation records in person or by written request to the City Records and Archive Management Services located at 400 South Orange Avenue, 2nd Floor, Orlando, Florida, 32801 or by calling (407) 246-2148. You may also email your request to records@orlando.gov. Pursuant to Florida State Statute Chapter 119.07, sealed bids are exempt from public inspection until such time as the City provides Notice of Intended Action or until thirty (30) days after bid opening, whichever is earlier.

5.26. IRREGULAR BIDS

Submissions made on documents other than the ones furnished by the Procurement and Contracts Division may not be considered. Changes in phraseology, additions, or limiting provisions made on the Invitation for Bids may render the bid irregular and may cause rejection. The City's Chief Procurement Officer, however, has the authority to waive minor irregularities.

5.27. CONTINGENT FEES

The Bidder warrants that no City official or employee was paid a fee, commission, gift, or other consideration contingent upon receipt of an award for the services and/or supplies specified herein.

5.28. EVALUATION OF BID AWARD

The City reserves the right to award the bid to the responsive and responsible Bidder who submits the lowest bid meeting specifications. For purposes of this solicitation, the determination of the responsive and responsible Bidder submitting the lowest bid shall be made after the application of all applicable programs and preferences established by the City, including but not limited to the City's MBE/WBE program and VBE preference. In determining whether a Bidder is responsible, the City reserves the right to consider matters such as, but not be limited to, quality offered, delivery terms, and service reputation of the Bidder.

5.29. AWARD OR REJECTION OF BIDS

The City's Chief Procurement Officer reserves the right to accept any, all or part of any bids, to waive minor irregularities, or to reject any, all or part of any bids, and to advertise for new bids, as the interest of the City may require. The City's Chief Procurement Officer also reserves the right to reject the bid of a Bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or a bid of a Bidder who investigation shows is not in a position to perform the contract. In determining responsibility, the following other qualifications, in addition to price, may be considered by the City's Chief Procurement Officer:

A. The ability, capacity, and skill of the Bidder to perform the service required.

B. Whether the Bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference.

C. The character, integrity, reputation, judgment, experience, and efficiency of the Bidder.

D. The quality of performance of previous contracts or services.

E. The previous and existing compliance by the Bidder with laws and ordinances relating to the contract or service.

F. The sufficiency of the financial resources and ability of the Bidder to perform the contract or provide the service.

G. The quality, availability, and adaptability of the supplies, or services, to the particular use required.

H. The ability of the Bidder to provide future maintenance and service for the use of the subject of the contract.

I. Whether the Bidder is in arrears to the City on a debt or contract or is a defaulter on surety to the City, or whether the Bidder's taxes or assessments are delinquent.

J. Such other information as may be relevant or secured.

5.30. AWARDS

As the best interest of the City of Orlando may require, the right is reserved to make award(s) by individual items, group of items, all or none, or a combination thereof, with one or more suppliers; to reject any or all bids or waive any informality or technicality in bids received.

5.31. MULTIPLE AWARDS

The City reserves the right in its sole discretion after evaluation of all responsive bids, to award the work described herein to more than one responsive and responsible Bidder. In such cases where an award is made to more than one responsive and responsible Bidder, the City shall apportion the work among the various primary, secondary and alternate providers in such manner and at such time as it deems appropriate under the circumstances in its sole discretion and no minimum amount or proportion of work is guaranteed to any single provider or class of providers irrespective of such provider's designation as primary, secondary or alternate.

5.32. PRICING AND ORDERING

The awarded Bidder shall honor all orders in accordance with the terms and conditions of the solicitation and their pricing and discounts terms as listed in their bid submittal. Unless otherwise specified, the awarded Bidder shall stock sufficient quantities of supplies to meet the requirements of the City on an "as-needed" basis within seventy-two (72) hours after being notified of such requirements by the City.

5.33. RETURN OF PRODUCTS/EQUIPMENT

All items delivered must meet the Specifications herein. Items delivered not as specified will be returned at no expense by the City of Orlando. The City may return, for full credit, any unused items received which fail to meet the City's performance standards. Replacement items meeting Specifications must be submitted within a reasonable time after rejection of the non-conforming items. Unless a different time period is specified, the Contractor is to accept for full credit, any merchandise returned by the City within ninety (90) days from the delivery or pick up date. All merchandise to be acceptable for full credit is to be returned in a condition to allow for resale by the contractor and include reference to an applicable Contractor Invoice or Packing List. Full credit is to include all costs paid by the City related to the subject merchandise as determined by the appropriate Contractor Invoice or Packing List.

5.34. FAMILIARITY WITH SITE WORK AND CONDITIONS

The responsibility for the determination of accurate measurements, the extent of work to be performed, and the conditions surrounding the performance thereof shall be the Bidder's. Submission of a bid shall constitute acknowledgment by the Bidder that it is familiar with all such conditions. The failure or neglect of a Bidder to familiarize itself with the site of the proposed work, shall in no way relieve it from any obligations with respect to its bid.

5.35. RIGHT TO AUDIT RECORDS

The City shall be entitled to audit the books and records of a Contractor or any subcontractor to the extent that such books and records relate to the performance of the contract or any subcontract. The Contractor and its subcontractors shall retain and maintain financial records and other records relating to the contract for a period of five (5) years from the date of final payment under the contract and by the subcontractor for a period of five (5) years from the date of final payment under the subcontract unless a shorter period is otherwise authorized in writing by the City. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 5-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 5-yearperiod, whichever is later.

5.36. ASSIGNMENT

The Contractor shall not sell, assign, or transfer any of its rights, duties, or obligations under the contract or under any purchase order issued pursuant to the contract, without the prior written consent of the City. The Contractor shall give full attention to the contract, to the faithful execution of the contract, and shall keep the same under its control.

5.37. FISCAL YEAR FUNDING APPROPRIATION

A. Specified Period

1. Unless otherwise provided by law, a contract for supplies or services may be entered into for any period of time deemed to be in the best interest of the City provided funds are available for the first fiscal period at the time of contract. Payment and performance obligations for succeeding fiscal periods shall be subject to appropriation by City Council of funds therefor.

B. Cancellation Due to Unavailability of Funds in Succeeding Fiscal Periods

1. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be cancelled and the Contractor shall be entitled to reimbursement for the reasonable value of any nonrecurring cost incurred but not amortized in the price of the supplies or services delivered under the contract or otherwise recoverable.

5.38. APPLICABLE LAW AND APPEALS

This solicitation is issued in accordance with and shall be governed by the provisions and procedures of Chapter 7 of the City of Orlando's Code which can be accessed online at: https://www.municode.com/library/fl/orlando/codes/code_of_ordinances?nodeId=TITIICICO_CH7PRCO or by contacting the Procurement and Contracts Division. Any appeal of matters relating to this solicitation must be filed in accordance with the requirements of Chapter 7 of the City Code.

5.39. WARRANTY

Bidder warrants that all equipment, materials and workmanship, whether furnished by Bidder or its subcontractor(s), will comply with the City's specifications, drawings and other requirements. The Contractor warrants that the Work including equipment and materials provided shall conform to professional standards of care and practice in effect at the time the Work is performed, be of the highest quality, and be free from all faults, defects or errors. Whenever required by the specifications of the Invitation for Bid, the Contractor warrants that all equipment and materials provided shall be new. If the Contractor is notified in writing of a fault, deficiency or error in the Work provided within one (1) year from completion of the Work, the Contractor shall, at the City's option, either reperform such portions of the Work to correct such fault, defect or error, at no additional cost to the City, or refund to the City, the charge paid by the City, which is attributable to such portions of the faulty, defective or erroneous Work, including the costs for reperformance of the work provided by other Contractors.

5.40. CONTRACT AND ACCEPTANCE FORM

In order to expedite the contracting process after bid opening and preclude delays occasioned by subsequent contract execution, Bidders are requested to sign the Contract and Acceptance Form included with this solicitation and return the form with their bid. In the event that a successful Bidder fails to properly execute the Contract and Acceptance

Form or return said form (or, if necessary, a letter of authorization) with their bid, the City shall notify the Bidder of the City's intent to make an award and the Bidder shall submit such form properly executed (together with a letter of authorization, if necessary, as set forth below) within fifteen (15) calendar days of receipt of notice from the City. Unless such time is extended by the City, the failure of a Bidder to submit a properly executed form (and, where necessary, a letter of authorization) within said time period shall because for cancellation of the intended award by the City in its sole discretion. In the event that an intended award is cancelled, the award may then be made to the next lowest responsive and responsible Bidder or the City's Chief Procurement Officer may decline to make an award.

Successful Bidders who default in properly executing the Contract and Acceptance Form after notification of the City's intent to make an award shall forfeit any bid security to the City and are subject to suspension and/or debarment by the City. Unless otherwise agreed by the City in its sole discretion, the Contract and Acceptance form shall be executed and notarized as follows:

A. If the Contractor is a corporation, the Contract and Acceptance Form shall be signed by an authorized corporate officer (i.e., President, Vice President, C.E.O, or C.O.O.).

B. If Contractor is a Partnership, the Contract and Acceptance Form shall be signed by a general or managing partner.

C. If the Contractor is a limited liability company, the Contract and Acceptance Form shall be signed by a Manager or Managing Member having authority to bind the company.

D. If Contractor is a sole proprietorship, the owner shall sign the Contract and Acceptance Form.

If an aforementioned signatory is not available and a different authorized signatory executes the form, a letter of authorization reflecting the signatory's authority shall be submitted on the Contractor's stationery stating that the person who signed the form is duly authorized to enter into such contract on behalf of the Contractor. Such letter of authorization shall be signed by one of the designated signatories above or such other representative as may be acceptable to the City. If you have any questions regarding the execution of the Contract and Acceptance Form, please contact the Procurement and Contracts Division at (407) 246- 2291 for further clarification.

If a bid is accepted by the City of Orlando, the Contract and Acceptance Form will be executed by the City with respect to the items awarded and returned to the Contractor evidencing the City's acceptance of the bid. No award shall be final, and no Contractor shall have any entitlement to a contract or award, until such time as the City has executed the Contract and Acceptance Form. Upon execution by both parties, the Contract and

Acceptance Form will constitute the formal written contract between the City of Orlando and the Contractor. Any such resulting contract shall be non-exclusive, and the City may procure the goods and services listed in said contract from other sources. Within one (1) week of receipt of the fully executed Contract and Acceptance Form, an awarded Contractor shall provide to the City with any required bonds, indemnities, and insurance certificate(s).

5.41. ACCEPTANCE OF MATERIALS/SERVICES

The City will be deemed to have accepted the Work after the City's Chief Procurement Officer is notified by the using Department of its satisfaction that the Work is completed, in accordance with solicitation specifications. The Work under this Agreement shall remain the property of the Contractor until the City accepts such work. In the event the Work furnished under this Agreement is found to be defective or does not conform to the specifications, the City reserves the right to cancel the Agreement upon written notice to the Contractor.

5.42. CONTRACT ALTERATIONS

No waiver, alterations, consent or modification of any of the provisions of the contract shall be binding unless in writing and signed by the City's Chief Procurement Officer (CPO) or the CPO's designee.

5.43. INDEMNIFICATION

The awarded Bidder agrees to indemnify and hold harmless the City, its elected officials, officers, agents, and employees, from and against any and all liability, claims, damages, demands, expenses, fees, fines, penalties, suits, proceedings, actions, and cost of actions, including attorneys' fees for trial and on appeal, and for the preparation of same arising out of the Contractor's, its officers', agents', and employees' acts, or omissions associated with the contract.

5.44. INSURANCE

A. General Insurance Requirements. Within seven (7) days of receipt of a notification of intended award from the City, the Contractor shall provide the City with the required Certificate(s) of Insurance in a form(s) acceptable to the City. The Certificate(s) of Insurance shall demonstrate that the awarded Bidder has coverage in accordance with the requirements set forth herein. Insurance coverage must be in force throughout the contract term. Should a Contractor fail to maintain insurance as required or to provide acceptable evidence of insurance within seven (7) days prior to the expiration date of an insurance policy, the City shall have the absolute right to terminate the contract without any further obligation to the Contractor. In such event the Contractor shall be liable for the entire additional cost of procuring performance plus the cost of performing the incomplete portion of the contract at the time of termination.

B. Subcontractors. Unless expressly specified otherwise in this solicitation, a Contractor and its subcontractors of any tier will be required at their own expense to maintain in effect at all times during the performance of the work insurance coverages with limits not less than those set forth below with insurers and under forms of policies satisfactory to the City. It shall be the responsibility of the Contractor to maintain the required insurance coverages and to assure that subcontractors maintain required insurance coverages at all times. Failure of a Contractor to maintain adequate coverage shall not relieve it of any contractual responsibility or obligation. The requirements specified herein as to types, limits, and City's approval of insurance coverage to be maintained by a Contractor and its subcontractors are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Contractor and its subcontractors under a contract. Any insurance carried by the City that may be applicable shall be deemed to be excess insurance and the Contractor's insurance primary for all purposes despite any conflicting provision in the Contractor's policies to the contrary.

C. Certificates of Insurance. Prior to commencing work at the jobsite, and as a condition precedent to the Contractor's and their subcontractors' initiation of performance, the Contractor and its subcontractors shall furnish the City with certificates of insurance as evidence that policies providing the required coverage and limits of insurance are in full force and effect. The certificates shall provide that any company issuing an insurance policy for the work under a contract shall provide not less than 30 days advance notice in writing to the City prior to cancellation, termination, or material change of any policy of insurance (except for notice of non-payment of premium for which not less than 10 days advance notice in writing shall be required). In addition, the Contractor shall immediately provide written notice to the City upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy. All certificates of insurance shall clearly state that all applicable requirements have been satisfied, including certification that the policies are of the "occurrence" type. Certificates of insurance for a Contractor and subcontractor-furnished insurance and notices of any cancellations, terminations, or alterations of such policies shall be mailed to the Procurement and Contracts Division at the address set forth for delivery of the bid.

D. Additional Insureds. All insurance coverages furnished under a contract except Workers' Compensation, Employers' Liability and any Professional Liability Policy shall include the City and its officers, elected officials, and employees as additional insureds with respect to the activities of the Contractor and its

subcontractors. The City shall not by reason of their inclusion under these policies incur liability to the insurance carrier for payment of premium for these policies.

E. Waiver of Subrogation. The Contractor and its subcontractors shall require their insurance carriers, with respect to all insurance policies, to waive all rights of subrogation against the City, its officers, elected officials, agents and employees and against other Contractors and subcontractors.

F. Types of Coverage to be Provided. Insurance will be provided by the Contractor as may be required by the Special Conditions. If required, the awarded Contractor (and its subcontractors to the same extent and on the same terms as set forth below for Contractor) shall maintain the following coverages and furnish the certificate(s) of insurance on the policies and renewals thereof which indicate that insurance coverage has been obtained meeting the requirements of the contract.

1. Workers Compensation and Employer's Liability. This insurance shall protect the Contractor against all claims under applicable state workmen's compensation laws. The Contractor shall also be protected against claims for injury, disease, or death of employees that, for any reason, may not fall within the provisions of a workmen's compensation law. This policy shall include an "all states" or "other states" endorsement. Exemption certificates shall be accepted if valid during the term of the contract, but only for those eligible corporate officers pursuant to Chapter 440 of the Florida Statutes. Proof of workers' compensation coverage must still be provided for all employees, sub-contractors not eligible for exemption. The liability limits shall not be less than:

   - Workers' compensation: Statutory
   - Employer's Liability: $100,000 each occurrence

2. Comprehensive Automobile Liability. This insurance shall be written in comprehensive form and shall protect the Contractor and the additional insureds against all claims for injuries to members of the public and damage to property of others arising from the use of motor vehicle, and shall cover operation on or off the site of all motor vehicles licensed for highway use, whether they are owned, non-owned, or hired. The liability limits shall not be less than:

   - Bodily injury and: $1,000,000 combined single

- Property damage: limit each occurrence

3. Commercial General Liability. This insurance shall be an "occurrence" type policy written in comprehensive form and shall protect the Contractor and the additional insureds against all claims arising from bodily injury, sickness, disease, or death of any person or damage to property of the City or others arising out of any act or omission of the Contractor or its agents, employees, or subcontractors. This policy shall also include protection against claims insured by usual bodily injury liability coverage, a "contractual liability" endorsement to insure the contractual liability assumed by the Contractor under its contract with the City, and "Completed Operations and Products Liability" coverage (to remain in force for 2 years after final payment and subsequent to project completion). If the Contractor's work, or work under its direction, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property. The liability limits shall not be less than:

   - Bodily injury and: $1,000,000 combined single
   - Property damage: limit each occurrence

4. Commercial Crime. Prior to performance as a result of award of this bid solicitation, the Contractor shall secure and maintain Commercial Crime Insurance or the equivalent covering all of Contractor's employees engaged in work as specified herein or having access to City buildings.

   - The Commercial Crime Policy, with endorsement CR04010300 covering client's property shall provide a minimum coverage of $300,000 per employee/owner per occurrence and shall remain in effect for the entire contract period and any subsequent renewals. Evidence of required Commercial Crime Insurance shall be submitted to the Procurement and Contracts Division prior to commencing work.
   - It is highly recommended that Bidders confer with their respective insurance carriers or brokers to determine, in advance of their bid submission, the availability and cost of this required insurance and related endorsement.

5. Installation Floater. Contractor shall purchase and maintain property insurance for the work at the site, including the value of any City supplied materials and equipment in the amount of the full replacement cost thereof up to the value of the contract. This coverage shall be written on an all risk basis

and shall provide coverage for physical loss or damage to the equipment on site, in transit and while temporarily in storage at the site or off site. Coverage shall also be provided for performance testing, and shall be maintained in effect until final payment is made unless otherwise agreed to in writing by the City. This policy shall include the interest of the City who is deemed to have an insurable interest and shall be listed as a named insured.

6. Professional Liability. The Contractor shall also purchase, maintain, and keep in full force, effect, and good standing, a professional liability/errors and omissions insurance policy having minimum limits of $1,000,000, with a maximum deductible of $100,000 per claim and in the annual aggregate, or the Contractor shall provide the City with policy coverage wherein the insurer agrees to pay claims (up to the limits of coverage), and will thereafter recover the deductible from the insured Contractor. The errors and omissions policy shall be in effect and shall insure the Contractor's performance on City projects.

7. Cyber Liability Coverage. To the extent that the Contractor/Supplier provides software, hardware, software or system development, consulting services, Internet/Application Service Provided services (e.g., outsourced functions such as web-hosting), or any other technology service, Technology Errors & Omissions (or technology professional liability coverage) insurance, including coverage for loss or disclosure of electronic data, media and content rights infringement and liability, network security failure and software copyright infringement liability due to the failure of the Contractor's/Supplier's products or services with limits of not less than $10,000,000 per occurrence.

    - If the Contractor/Supplier has access to Confidential Information, Privacy and Network Security (sometimes otherwise known as Cyber Liability) coverage which includes providing protection against liability do (a) system attacks, (b) denial or loss of service attacks, (c) spread of malicious software code, (d) unauthorized access and use of computer systems, (e) crisis management and customer notification expenses, (f) privacy regulatory defense and penalties and (g) liability arising from the loss or disclosure of confidential data with coverage limits of not less than $10,000,000.00 per occurrence.

8. Garage Keepers Liability. Garage Liability Insurance in the amount not less than $1,000,000.00 combined single limit per occurrence for bodily injury and property damage endorsed to include: a. Automobile Service Operations; and b. Garage keepers legal liability.

9. Contractors Pollution Liability Insurance: Contractor shall obtain and maintain in effect during the term of the contract, Contractors Pollution Liability Insurance, written on an occurrence basis, covering the contractors and any subcontractors thereof liability for bodily injury, property damage, and environmental clean up costs resulting from "sudden accidental" or "gradual" pollution events, all arising out of the work or services including the transportation risk to be performed under this contract. Combined single limit per occurrence shall not be less than $1,000,000. Annual aggregate limit shall not be less than $2,000.000.

5.45. EQUIPMENT

The Contractor is responsible for all damage or loss by fire, theft or otherwise, to materials, tools, equipment, and consumables, left on City property by the Contractor.

5.46. LICENSES

Unless otherwise extended by the City, the awarded Bidder will be required within fifteen (15) calendar days of award date, to provide any and all local, state, and federal licenses, approvals, permits, authorizations and/or certifications which would be applicable for all services to be rendered during the term of the contract.

5.47. PUBLIC ENTITY CRIMES

A person or affiliate, as defined in §287.133 of the Florida Statutes, who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid to provide any goods or services to a public entity, may not submit a bid with a public entity for the construction or repair of a public building or a public work, may not submit a bid on leases of real property to a public entity, may not be awarded or perform work as a Contractor, supplier, subcontractor, or consultant under an agreement with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in §287.017 of the Florida Statutes for Category Two, for a period of 36 months from the date of being placed on the convicted vendor list.

5.48. PAYMENT OF SUBCONTRACTORS (FOR CONSTRUCTION PROJECTS ONLY)

Final and complete payment will be made on the basis of completion and acceptance by the City of the work performed under the contract and receipt of satisfactory evidence that all payrolls, bills for materials, have been paid in full. Payments of subcontractors shall be made in compliance with §218.735 (6) et sq. Florida Statutes. The existence of any unpaid bills or charges for labor, materials or other supplies used directly by the Contractor or any subcontractor under the contract, shall constitute cause for the City to withhold final payment until said bills or charges are paid.

5.49. AFFILIATED AGENCIES

This solicitation is issued by the City of Orlando on behalf of itself and its affiliated agencies, including but not limited to the Community Redevelopment Agency of the City of Orlando ("CRA"), the Downtown Development Board ("DDB"), and the Downtown South Neighborhood Improvement District ("DSNID") (each an "Affiliated Agency"). Upon the written agreement of the Contractor and an Affiliated Agency (or upon the issuance of a Purchase Order by an Affiliated Entity in circumstances where the City places orders by Purchase Order), Contractor shall provide such goods and/or services as set forth in this solicitation to an Affiliated Agency upon the same pricing, terms, and conditions set forth in the Contract between the City and Contractor, unless otherwise agreed in writing by the Contractor and the Affiliated Agency. Except as may otherwise be expressly provided in the agreement or Purchase Order authorizing the acquisition of the goods or services, (i) the procuring Affiliated Agency shall be solely responsible for all obligations and duties, and shall have all rights of the City, with respect to the goods or services procured by the Affiliated Agency; and (ii) Contractor shall look solely to the procuring Affiliated Agency for payment and the performance of any and all other obligations for goods or services contracted for by a procuring Affiliated Agency. With respect to work performed for an Affiliated Agency, actions may be taken on behalf an Affiliated Agency by the Chief Procurement Officer of the City of Orlando, or their designee(s).

5.50. PURCHASING AGREEMENTS WITH OTHER GOVERNMENT AGENCIES

Final and complete payment will be made on the basis of completion and acceptance by the City of the work performed under the contract and receipt of satisfactory evidence that all payrolls, bills for materials, have been paid in full. Payments of subcontractors shall be made in compliance with 218.735 (6) et sq. Florida Statutes. The existence of any unpaid bills or charges for labor, materials or other supplies used directly by the Contractor or any subcontractor under the contract, shall constitute cause for the City to withhold final payment until said bills or charges are paid.

5.51. TERMINATION FOR CONVENIENCE

The City's Chief Procurement Officer may terminate any contract resulting from this solicitation for convenience with advance written notice to the Contractor. In the event of such a termination by the City, the City shall be liable for the payment of all work properly performed or materials provided prior to the effective date of termination and for all portions of materials, supplies, services, and facility orders which cannot be cancelled and were placed prior to the effective date of termination.

5.52. TERMINATION FOR DEFAULT

The performance of Work under the contract may be terminated by the City's Chief Procurement Officer, in whole or in part, in writing, whenever the Chief Procurement Officer shall determine that the Contractor has failed to meet the performance requirements of the contract. The Chief Procurement Officer has a right to terminate for default if the Contractor fails to make delivery of the supplies or perform the Work, or if

the Contractor fails to perform the Work within the time specified in the contract, or if the Contractor fails to perform any other provisions of the contract. Notwithstanding the preceding, nothing herein shall be deemed to preclude the Chief Procurement Officer in the CPO's sole discretion on a case by case basis from providing the Contractor with written notice and a reasonable opportunity to cure the default prior to termination.

Failure of a Contractor to deliver or perform the required Work within the time specified, or within a reasonable time as determined by the Chief Procurement Officer or failure to make replacements of rejected articles or Work when so requested, immediately or as directed by the Chief Procurement Officer, shall constitute authority for the Chief Procurement Officer to purchase in the open market articles or Work of comparable grade to replace the articles or Work rejected, not delivered, or not completed. On all such purchases, the Contractor or their surety, shall reimburse the City, within a reasonable time specified by the Chief Procurement Officer, for any expense incurred in excess of the contract prices.

Such purchases shall be deducted from contract quantities or work. Should public necessity demand it, the City reserves the right to utilize services or use and/or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Chief Procurement Officer. The Contractor shall not be liable for any excess costs if acceptable evidence has been submitted to the Chief Procurement Officer that failure to perform the Work was due to causes beyond the control and without the fault or negligence of the Contractor. Nothing herein shall be deemed to preclude the City's exercise of any other rights or the City's pursuit of any other remedies that it may have herein or under law or in equity, including but not limited to any right of the City to terminate the contract for convenience.

5.53. AMERICANS WITH DISABILITIES ACT

Notwithstanding any provision of this solicitation to the contrary, persons with disabilities needing a special accommodation to submit a bid or participate in this solicitation should contact the Procurement and Contracts Division, City Hall at One City Commons, 400 South Orange Avenue, Orlando, Florida 32801, telephone number (407) 246-2291, not later than seven (7) days prior to the submittal date for accommodations related to the submittal, or seven (7) days prior to the date on which any other accommodation is needed.

5.54. PURCHASING CARD PROGRAM

The City of Orlando uses a Visa purchasing card program to streamline our procurement process. In order to expedite payments to suppliers the J.P. Morgan Purchasing Card program and Virtual Card solution has been implemented to more effectively control our procurement activities and to achieve a significant cost savings over the traditional paper, purchasing, and payment system.

As one of the City of Orlando's valued suppliers, your business can also achieve cost savings results by accepting the Virtual Card solution.

Identified supplier benefits of this program are:

- Get paid faster – Virtual card payments will be made after invoice approval, ACH will be net 30, and check net 45
- Improve Days Sales Outstanding (DSO)
- Electronic payment that eliminates the cost of processing checks
- Payment within 48 hours
- Improve cash flow
- Increased working capital
- Reduced collection efforts and administrative expenses
- Enhanced corporate relationships
- Enhanced reporting
- Increased sales as a "Preferred Supplier"
- Streamlined reconciliation with remittance details included with electronic payment in email notification
- Lower carrying costs
- Less paper/manual work
- Dedicated supplier portal to view status of receivables

5.55. EMERGENCY SUPPORT

It is hereby made a part of this Invitation for Bids that before, during and after a public emergency, disaster, hurricane, flood, or other acts of God, that the City of Orlando shall be provided goods and services on a first priority basis. It is vital and imperative that the citizens of the City are protected from any emergency situation which threatens public health and safety, as determined by the City. Contractor agrees to provide, rent, sell, or lease all goods and services required by the City on a first priority basis. The City expects to pay a fair and reasonable price for all goods and services acquired before, during and after a disaster, emergency or hurricane. Contractor shall furnish a twenty-four (24) hour phone number in the event of such an emergency.

5.56. SUBCONTRACTORS

The Contractor shall perform all of its obligations and functions under the contract by means of its own employees, or by a duly qualified subcontractor, which is approved in advance by the City. In the event a subcontractor is employed, the Contractor shall continuously monitor the subcontractor's performance, shall remain fully responsible to

ensure that the subcontractor performs as required and itself perform or remedy any obligations or functions, which the subcontractor fails to perform properly.

5.57. BID PRICES

Unless otherwise specified, Bid Prices must include all costs (labor, overhead, materials) and profit to perform the work specified in this Invitation for Bids. Bid prices shall remain firm for the entire contract period unless otherwise specified or changed by an Amendment. At each renewal period, price increases or decreases may be considered, provided they are reasonable and acceptable to the City. Any Amendment must be in writing and signed by both parties.

5.58. GOVERNING LAW / VENUE

Any contract entered into as a result of this solicitation shall be deemed to be under and shall be governed by, and construed according to, the laws of the State of Florida. Any litigation arising out of this contract shall be commenced in the State and Federal Courts of Orange County, Florida. Contractor shall comply with all applicable federal, state, and local laws in the performance of work under the contract.

5.59. FLORIDA PUBLIC RECORDS LAW

To the extent applicable, Contractor shall comply with Florida public records laws, including Sections 119.0701(2) (b) 1 through 4 of the Florida Statutes. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF THE PUBLIC RECORDS AT C/O DEPUTY CITY CLERK, RECORDS@ORLANDO.GOV, TELEPHONE NUMBER (407) 246-3538, 400 S. ORANGE AVE., ORLANDO, FL 32801.**

5.60. RECYCLED CONTENT

In support of the Florida's waste management laws, Bidders are encouraged to supply with their bid, any information available regarding recycled material content in the products bid. The City is particularly interested in the type of recycled material used (such as paper, plastic, glass, metal, etc.); the percentage of recycled material contained in the product and the cost and product performance impact of increasing the percentage of recycled content. The City is requesting that Bidders provide detailed information regarding any known or potential recycled material content in the product that may be extracted and recycled after the product has served its intended purpose, on the Bidder's Questionnaire as provided in this solicitation.

If the specifications contained herein require the use of recovered materials, by submitting a bid or response to this solicitation, a respondent agrees and certifies that it will meet such requirement. Upon the conclusion of any contract resulting from this solicitation requiring the use of recovered materials, the Contractor shall submit to the City's project manager for the work a statement regarding the actual percentage of recovered materials utilized in the completion of the contract.

5.61. LIVING WAGE POLICY

As set forth in City Policy and Procedure 161.3 (for a copy, contact Procurement at 407.246.2291). Covered Service Contractors, as well as their subcontractors (first tier only for non-construction, all tiers for construction), shall pay to all of their employees providing Covered Services pursuant to a contract with the City, a living wage for the time spent providing services to the City. (This provision does not include general administrative personnel unless they are assigned to a City project.) "Living wage" means compensation for employment of not less than $15.00 per hour for straight time, exclusive of FICA, unemployment taxes, and workers compensation insurance and employee benefits. Unless amended by the parties, the applicable Living Wage rate in effect when the solicitation is issued shall be applicable for the entire term of the resulting contract, including any renewals. Necessary payroll documentation shall be provided to confirm compliance with this provision or the Respondent shall allow the City to audit (at Respondent's place of business) its payroll records to determine if compliance has been achieved. Failure to comply with the provision may result in termination of the contract and/or preclusion from future City contracts at the sole option of the City. This provision shall apply to all bid awards for services which involve City expenditures that exceed $100,000.00 per year.

More particularly, this provision shall apply to single and multiple award Contracts for services regardless of the initial value of the award whenever City expenditures exceed $100,000.00 in any one Contract year. As for multiple award Contracts (Contract award which will be divided among several Contractors), at the point when the City has expended $100,000.00 on that Contract in any one-Contract year, regardless of whether such expenditure was to one Contractor or several, then the living wage provision shall apply to all Contractors who are a party to that award. For those Contracts whose initial value was less than $100,000.00 but exceeded $100,000.00 prior to the end of the Contract term, this provision will be applicable to that Contract in the next quarter. To further clarify, the Living Wage policy does not apply to part time employees, or the part time employees of all subcontractors. Furthermore, the workers of temporary employment agencies are not covered by the City's Living Wage Policy.

5.62. ORDER OF PRECEDENCE

This solicitation shall be included and incorporated in the purchase order or contract resulting from this solicitation. The purchase order or contract, including any exhibits attached thereto, contains all the terms and conditions agreed upon by the parties. No other contract, oral or otherwise, regarding the subject matter of the contract, shall be deemed to exist or to bind either party hereto. Unless otherwise expressly provided in the purchase order or contract, in the event of any conflict between the terms of the contract or purchase order, the City's solicitation, and the Bidder's response, the order of precedence shall be the contract or purchase order, followed by the solicitation, and then the response to the solicitation.

5.63. PATENTS AND COPYRIGHTS

The Contractor shall pay all royalties and assume all costs arising from the use of any invention, design, process, materials, equipment, product or device in performance of the Work, which is the subject of patent rights or copyrights. Contractor shall, at its own expense, hold harmless and defend the City against any claim, suit or proceeding brought against the City which is based upon a claim, whether rightful or otherwise, that the Work, or any part thereof, furnished under the contract, constitutes an infringement of any patent or copyright of the United States. The Contractor shall pay all damages and costs awarded against the City.

5.64. TIME OF COMPLETION

The parties understand and agree that time is of the essence in the performance of the contract. The Contractor or City, respectively, shall not be liable for any loss or damage, resulting from any delay or failure to perform its contractual obligations within the time specified, due to acts of God, actions or regulations by any governmental entity or representative, strikes or other labor trouble, fire, embargoes, or other transportation delays, damage to or destruction in whole or in part, of equipment or manufacturing plant, lack of or ability to obtain raw materials, labor, fuel or supplies for any reason including default of suppliers, or any other causes, contingencies or circumstances not subject to the Contractor's or City's control, respectively, whether of a similar or dissimilar nature, which prevent or hinder the performance of the Contractor's or City's contractual obligations, respectively. Any such causes of delay, even though existing on the date of the Agreement or on the date of the start of Work, shall extend the time of the Contractor's or City's performance respectively, by the length of the delays occasioned thereby, including delays reasonably incident to the resumption of normal Work schedules. However, under such circumstances as described herein, the City's Chief Procurement Officer may at the CPO's discretion, cancel the contract for the convenience of the City. The Contractor agrees that all Work shall be executed regularly, diligently, and uninterrupted at such a rate of progress as will ensure full completion thereof within the time specified.

5.65. CORRECTION OF WORK

The Contractor shall promptly correct all Work rejected by the City as faulty, defective, or failing to conform to the contract whether observed before or after substantial completion of the Work, and whether or not fabricated, installed or completed. The Contractor shall bear all costs of correcting such rejected Work.

5.66. INFORMATION

All information, data, designs, plans, drawings, and specifications furnished to or developed for the City by the Contractor or its employees, pursuant to the contract, shall be the sole property of the City and all rights therein are reserved by the City, except that the Contractor may disclose any such information to its corporate affiliates and their agents as necessary to perform the Work.

5.67. SAFETY MEASURES

The Contractor shall take all necessary precautions for the safety of the City's and Contractor's employees and the general public and shall erect and properly maintain at all times all necessary vehicular and facility safeguards for the protection of the workmen and public. If necessary, the Contractor shall post signs warning against hazards in and around the work site.

5.68. EXTRA WORK

The City, without invalidating the contract, may order changes in the Work within the general scope of the contract consisting of additions, deletions, or other revisions, the Agreement price and time being adjusted accordingly. All such changes in the Work shall be authorized by a written amendment to the contract, and shall be executed under the applicable conditions of the contract. If the Contractor plans to make a claim for an increase in the contract price or an extension in the contract schedule/term, it shall first give the City written notice within ten (10) calendar days after the occurrence of the event giving rise to such a claim. This written notice shall be given by the Contractor to the City, and a written approval secured from the using Department and the City's Chief Procurement Officer, before proceeding to execute the Work, except in an emergency endangering life or property, in which case the Contractor shall immediately proceed. No claim for extra work will be considered valid by the City unless first submitted in writing.

5.69. TITLE AND RISK OF LOSS

The title and risk of loss to the Work shall pass from the Contractor to the City upon the City's final acceptance of the Work.

5.70. FEDERAL, STATE, AND LOCAL RULES / APPROVALS

The Contractor shall comply with all applicable federal, state and local laws, ordinances, rules and regulations pertaining to the performance of Work under this Agreement. The Contractor is to procure all permits, licenses, and certificates, or any such approvals of plans or specifications as may be required by federal, state and local laws, ordinances, rules, and regulations, for the proper execution and completion of the Work under this Agreement. Lack of knowledge by the Bidder will in no way be cause for relief from responsibility.

5.71. MISCELLANEOUS PROVISIONS

By submitting a bid, the Bidder shall be deemed to have certified that the contract is made without prior understanding, agreement or connection with any corporation, firm or person who submitted bids for the work covered by the contract and is in all respects fair and without collusion or fraud. Bidder further warrants and certifies that they are authorized to enter into the contract and to execute same on behalf of the Contractor as the act of the said Contractor.

The contract, including any Exhibits thereto, contains all the terms and conditions agreed upon by the parties. No other agreements, oral or otherwise, regarding the subject matter

of the contract shall be deemed to exist or to bind either party thereto. If any section, sentence, clause, phrase, provision, or other portion of the contract is, for any reason, held invalid or unconstitutional by a court or other body of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions of the contract. The contract is solely for the benefit of the parties to the contract and no causes of action shall accrue upon or by reason thereof to or for the benefit of any third parties.

The City's Chief Procurement Officer or written designee shall have authority to act on behalf of the City in matters related to the contract, including but not limited to the sending and receiving of any notices required hereunder.

5.72. PROHIBITION AGAINST CONTRACTING WITH SCRUTINIZED COMPANIES

In accordance with Section 287.135(2) of the Florida Statutes, "[a] company is ineligible to, and may not, bid on, or enter into or renew a contract with an agency or local governmental entity for goods or services of:

A. Any amount if, at the time of bidding on, or entering into, or renewing a contract, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to s. 215.4725, or is engaged in a boycott of Israel; or

B. One million dollars or more if, at the time of bidding on, or entering into or renewing such contract, the company:

    1. Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to s. 215.473, or

    2. Is engaged in business operations in Cuba or Syria."

Section 215.473 of the Florida Statutes defines a company to include "all wholly owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of such entities or business associations, that exists for the purpose of making profit."

By submitting a response to this solicitation, a respondent certifies that it and those related entities of respondent as defined above by Florida law above are not on the Scrutinized Companies that Boycott Israel List, created pursuant to s. 215.4725 of the Florida Statutes, and are not engaged in a boycott of Israel. In addition, if this solicitation is for a contract for goods or services of one million dollars or more, by submitting a response to this solicitation, a respondent certifies that it and those related entities of respondent as defined above by Florida law are not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473 of the Florida Statutes and are not engaged in business operations in Cuba or Syria. Any respondent awarded a Contract as a result of this solicitation shall be required to recertify the aforementioned certifications at each renewal of the Contract. The City may terminate any contract resulting from this

solicitation if respondent or any of those related entities of respondent as defined above by Florida law are found to have submitted a false certification or any of the following occur with respect to the company or a related entity: (i) it has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, or (ii) for any contract for goods or services of one million dollars or more, it has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or it is found to have been engaged in business operations in Cuba or Syria.

Notwithstanding the preceding, the City reserves the right and may, in its sole discretion, on a case by case basis, permit a company on such lists or engaged in business operations in Cuba or Syria to be eligible for, bid on, or enter into or renew a contract for goods or services of one million dollars or more, or may permit a company on the Scrutinized Companies that Boycott Israel List to be eligible for, bid on, or enter into or renew a contract for goods or services of any amount, should the City determine that the conditions set forth in Section 287.135(4) of the Florida Statutes are met.

Accordingly, firms responding to this solicitation shall execute and return with their response an executed copy of the attached, Certification Regarding Prohibition Against Contracting With Scrutinized Companies. A contract shall not be awarded to a Respondent who does not submit the certification form at the time of submittal or within seven (7) days of the date the City requests the certification form be submitted, if a Respondent fails to return the form with its response.

5.73. FAVORED CUSTOMER CLAUSE

Should the awarded Bidder (also referred to hereinafter as "Contractor"), of a contract resulting from this solicitation sell the same or substantially the same products or services as listed in this solicitation to another Governmental Agency, within the State of Florida, at a lower price than the price listed in this solicitation, the awarded Contractor agrees to extend that same discounted price to the City of Orlando.

5.74. DRUG FREE WORKPLACE

By submitting a bid in response to this Invitation for Bids, you are certifying that your company is a drug-free workplace in accordance with Florida Statute §287.087.

5.75. NON-DISCRIMINATION

Contractor shall:

A. Implement an employment nondiscrimination policy prohibiting discrimination in the performance of the contract in the hiring, discharging, promoting or demoting, matters of compensation, or any other employment-related decision or benefit on account of actual or perceived race, ethnicity, color, religion, national origin, gender, disability, age, military status, sexual orientation, gender identity, gender expression, or marital or familial status.

B. Not discriminate in the performance of the contract on account of actual or perceived race, ethnicity, color, religion, national origin, gender, disability, age, military status, sexual orientation, gender identity, gender expression, or marital or familial status.

C. Incorporate the foregoing requirements in all subcontracts related to its contract with the City.

5.76. EMPLOYMENT ELIGIBILITY

Employment Eligibility; E-Verify System. Pursuant to Section 448.095 of the Florida Statutes, prior to Contract execution and at all times during the term of the Contract, Contractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. If Contractor enters into a contract with a subcontractor, the subcontractor must provide the Contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract and, if longer, for any additional audit period provided to the City in the Contract. Pursuant to Section 448.095(2)(c) of the Florida Statutes, the City, Contractor, or a subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09(1) shall terminate the contract with the person or entity. If the City has a good faith belief that a subcontractor knowingly violated this subsection, but the Contractor otherwise complied with this subsection, the City shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor. Pursuant to Florida Statute, a contract terminated pursuant to subparagraph 1. or subparagraph 2. Of Section 448.095(2)(c) of the Florida Statutes is not a breach of contract and may not be considered as such, and the City shall have no liability to Contractor, a subcontractor, or any entity or person arising from or related to such a termination. If the Contract with Contractor is terminated by the City pursuant to Section 488.095(2)(c), the Contractor may not be awarded a public contract for at least one (1) year after the date on which the Contract was terminated and Contractor shall be liable to the City for any additional costs incurred as a result of the termination of the Contract.

NOTE: ANY AND ALL SPECIAL CONDITIONS ATTACHED HERETO WHICH VARY FROM THESE STANDARD CONDITIONS SHALL HAVE PRECEDENCE.

6. SPECIAL TERMS AND CONDITIONS

6.1. AUTOMATED ORDER ENTRY SYSTEM

Bidders should furnish with their bid submittal details of any automated order entry system available for use by the City.

6.2. CONDITION AND PACKAGING

It is understood and agreed that any item offered or shipped as a result of this bid shall be new (current production model at the time of this bid, unless otherwise specified). All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.

6.3. AVAILABILITY OF PARTS/SERVICE FACILITIES

The City of Orlando reserves the right to consider the availability of parts and service facilities for the equipment offered. The failure of the Bidder to maintain a sufficient line of parts to service the equipment may be cause for rejection of the bid.

6.4. REPORTING

The Bidder shall report sales and usage data to the City on an annual basis in MS Excel spreadsheet format. The following data at a minimum should be reported for each item included on the Price Form that is procured during the reporting period:

- Contract name and number
- Bidder's name
- Reporting period
- Department/Division/Location name
- Order date
- Item description
- Unit of measure
- Quantity
- Unit price
- Extended price
- Total purchase amount for the quarter

Submission of requested Reports is the responsibility of the Bidder, without prompting or notification by the City. The Bidder will submit by email the completed reports to the Purchasing Agent identified in the Contract. The City shall work with the Bidder to develop

the approved electronic format and content of the Contract Sales Reports to be used by the Bidder.

Failure to provide reports may be grounds for default and /or cancellation of the Contract.

6.5. LOCAL REPRESENTATIVES

Your firm must be able to provide a local representative for service and technical assistance on an "as needed basis."

6.6. RECIPROCAL LOCAL PREFERENCE

In the event the lowest responsive and responsible response to any Invitation for Bids is by a Bidder whose principal place of business is in a city, county, or state which grants a preference for the procurement of such goods or services to a Bidder whose principal place of business is in such area, then the City may award a preference to the (next) most responsive and responsible Bidder having a principal place of business in the Metropolitan Statistical Area, (i.e., Orange, Seminole, Lake and Osceola Counties). Such preference shall be equal to the preference granted by the area in which the lowest responsive and responsible Bidder has its principal place of business.

6.7. FDEP COMPLIANCE

Contractor shall contact the Orange County Environmental Protection Division at 407.836.1400 for instructions relating to Petroleum Storage Tank Compliance (FDEP local program office) notification requirements prior to the start of installation or removal of any aboveground and/or underground petroleum storage tanks. A 30- day/48-hour notice is required for all tank installations and a 10-day/48-hour notice is required for tank removals.

6.8. INSURANCE REQUIREMENTS

For this Bid, the following types of insurance that are checked are required. For details, please refer to Section 5.44 of the Standard Terms & Conditions.

- Workers Compensation and Employer's Liability
- Comprehensive Automobile Liability
- Commercial General Liability

7. ELECTRONIC BID PRICING FORM(S) INSTRUCTIONS

The City of Orlando Procurement and Contracts Division has implemented an electronic bidding system to streamline solicitation responses.

All responsive Bidders to this solicitation must submit electronic bids. Paper responses will be deemed non-responsive.

7.1. BID PRICE INSTRUCTIONS FOR BIDDERS

A. Once you have logged into your VendorLink account, go to the solicitation in which you want to bid on. Then click on "Submit a Quote/Bid."

B. There are two methods to submit your pricing:

1. **Method "a"** - Download the Excel Quote/Bid Spreadsheet and upload it after completion.
    a. Click on the VendorLink.xls link to open a fillable MS Excel spreadsheet.
    b. Complete the spreadsheet and save. Directions for completing the spreadsheet can be opened by clicking on the Directions.pdf link.
    c. Upload the spreadsheet to VendorLink.
    d. Verify that your uploaded pricing is correct and appears on the Quote/Bid Items Requested section.
2. **Method "b"** – Manually enter item pricing and other required information on the Quote/Bid Items Requested field(s) in VendorLink.

C. Unit prices for each item bid shall be shown. A total shall be entered in the amount column for each item bid. In case of discrepancy between a unit price and extended price, the unit prices will prevail.

D. Although the City generally awards bids based on a "lump sum" basis to the responsive and responsible Bidder submitting the lowest total bid, the City may choose to award on a "per group" or "per item" basis. Therefore, Bidders must submit with their bids, all pricing pages on the forms provided clearly indicating which items are bid and which are not. Failure to submit these pages may render such bids non-responsive.

8. VIRTUAL BID OPENING

JOIN THE VIRTUAL BID OPENING: Friday, March 31, 2023 TIME: 2:00 PM at the location stated in the Introduction Section.

INSTRUCTIONS:

A. **Select a method to join.**

1. Join a Microsoft Teams Meeting from your calendar, via dial-in number and conference ID, or sign in as a guest on the web. For information on joining a Microsoft Teams Meeting from the app or on the web, visit: https://support.office.com/en-us/article/join-a-teams-meeting-078e9868-f1aa-4414-8bb9-ee88e9236ee4

B. **Choose your device and download Teams.**

1. Go to https://www.microsoft.com/en-us/microsoft-365/microsoft-teams/download-app and download Microsoft Teams. You can use a smart phone, tablet, laptop, or desktop computer to download at no cost.
2. Make sure to allow some extra time for the install before joining your first meeting. If you do not have one of the devices just mentioned, you can also call in to the meeting. If you cannot download the desktop or mobile application, follow the instructions to join a Microsoft Teams Meeting on the web.

C. **Provide live public comment**

1. An opportunity to speak will be provided to all in attendance during the meeting. You will be called by the name, email or phone number listed. When called, unmute your device and state your name and address for the record.

ATTACHMENT A

BIDDER'S QUESTIONNAIRE

The following questionnaire is to be completed by the bidder and provided with its bid submittal. If a question is not applicable, so indicate by writing "N/A".

1. Discount Payment Terms (if any): n/a %, if paid within n/a days after receipt of invoice.

2. The City of Orlando offers the option to receive payments utilizing the J.P Morgan Visa Virtual Card solution. Which payment option would your company prefer for payment of all invoices? (check one)

   ☐ J.P Morgan Visa Virtual Card solution (payment within 48 hours of invoice)

   ■ ACH – Automated Clearing House (net 30)

   ☐ Check (net 45)

3. Is your company willing to serve as a secondary supplier in the event your company is not selected for primary award? ____ Yes X No

BIDDER'S CERTIFICATION FORM

I have carefully examined the Invitation for Bids, Instructions to bidders, Standard and Special Conditions, Specifications, Contract and Acceptance Form and any other documents accompanying or made a part of this Invitation for Bids.

I hereby propose to furnish the goods or services specified in the Invitation for Bids at the prices or rates quoted in my bid. I agree that my bid will remain firm for a period of up to ninety (90) days in order to allow the City adequate time to evaluate the bids.

I agree to abide by all conditions of this bid and understand that a background investigation may be conducted by the Orlando Police Department prior to award.

I certify that all information contained in this bid, including all exhibits and attachments completed and submitted with this bid, is truthful to the best of my knowledge and belief. I further certify that I am duly authorized to submit this bid on behalf of the bidder as its act and deed and that the vendor/contractor is ready, willing and able to perform if awarded the bid.

I certify, under oath, that this bid is made without prior understanding, agreement, connection, discussion, or collusion with any other person, firm or corporation submitting a bid for the same product or service. I further certify that no officer, employee or agent of the City of Orlando or of any other Proposer has a financial interest in this bid. I further certify that the undersigned executed this Bidder's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

CITY OF ORLANDO

Important Update: *City of Orlando's Procurement and Contracts Division has partnered with OpenGov and is excited to announce that* ***on May 1, 2023****, the City began advertising all its new bidding opportunities on OpenGov. To continue to receive solicitation notifications and stay up-to-date on our bidding opportunities, please register for free at our new e-Procurement Portal located here.*

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

ATTACHMENT D

MINORITY/WOMEN OWNED BUSINESS ENTERPRISE PARTICIPATION FORM:

Chapter 57, Article II, Minority Business Enterprise (MBE), and Article III, Women/Owned Business Enterprise (WBE) of the Orlando City Code, establishes goals of 18% (MBE) and 6% (WBE), respectively, of the City's annual monetary value of contracts and subcontracts for supplies, services and construction to be awarded to Minority and Women/Owned Business Enterprises (MWBE).

For further information regarding this program, please refer to Chapter 57 of the Code of the City of Orlando or contact:

Minority Business Enterprise
City Hall at One City Commons
400 South Orange Avenue - 8th Floor
Orlando, Florida 32801
(407) 246-2623

If your company is currently certified, please enter the certification number and the expiration date in spaces provided below or submit a copy of the certificate received from the City stating that your company is certified by the City as a Minority/Women-Owned Business Enterprise:

Business Name: **Not Applicable**

Certification Number: _____

Expiration Date: _____

There shall be no third party beneficiaries of the Minority Business Enterprise or Women-Owned Business Enterprise provisions of this contract. The City of Orlando shall have the exclusive means of enforcement of the MBE/WBE Ordinance and contract terms. No right of action for non-signatories of the contract is intended or implied. The City of Orlando is the sole judge of compliance. All solicitations and submittals awarded will be evaluated in accordance with Chapter 7 and Chapter 57, Articles II and III.

In order for a bidder to receive credit for MBE/WBE certification, the firm must be certified with the City of Orlando MBE/WBE Office on or before the date set for submittal of bids.

City Code Chapter 57, Articles II and III, govern the City's Minority and Women Business Enterprise Programs. The awarded Bidder may be asked to meet with the City's M/WBE Department after the Notice of Intended Action-Award of Bid has been posted to discuss any potential subcontracting opportunities with City certified M/WBE firms.

ATTACHMENT E

VETERAN BUSINESS ENTERPRISE PARTICIPATION FORM

In order to foster economic development and business opportunities, promote the growth and development of local businesses, and rectify the economic disadvantages of service-disabled veterans and wartime veterans who have made extraordinary sacrifices on behalf of the nation, the City of Orlando has adopted a Veteran Business Enterprise ("VBE") Preference. For further information regarding this program, please refer to Chapter 7 of the Code of the City of Orlando.

In order for a bidder to receive credit for VBE certification for this solicitation, the bidder must have its principal place of business in the Metropolitan Statistical Area (i.e. Orange, Lake, Seminole or Osceola Counties) and be a certified veteran business enterprise by the State of Florida Department of Management Services as set forth in Section 295.187 of the Florida Statutes as of the date set for submittal of bids.

If your company is currently certified, please enter the certification number and the expiration date in spaces provided below or submit a copy of the certificate received from the State of Florida Department of Management Services stating that your company is certified as a veteran business enterprise:

Business Name: Not Applicable

Certification Number: _____

Expiration Date: _____

There shall be no third party beneficiaries of the Veteran Business Enterprise Preference provisions of this solicitation or resulting contract. The City of Orlando shall have the exclusive means of enforcement of the Veteran Business Enterprise Preference Ordinance and any contract terms. No right of action for non-signatories of the contract is intended or implied. The City of Orlando is the sole judge of compliance. All solicitations and submittals awarded will be evaluated in accordance with Chapter 7 of the Code of the City of Orlando.

ATTACHMENT F

CONFLICT OF INTEREST DISCLOSURE FORM

The award of this contract is subject to the provisions of Chapter 112, Florida Statutes. All Respondents must disclose within their Bid the name of any officer, director, employee or agent (or their spouse or child) who is also an employee or officer of the City of Orlando. Furthermore, all Respondents must disclose the name of any City employee or officer (or their spouse or child) who owns, directly or indirectly, an interest of more than five percent (5%) in the Respondents firm or any of its affiliates or subsidiaries.

By submission of this Bid, the Bidder certifies, under penalty of perjury, that to the best of their knowledge and belief, except as disclosed pursuant to the instructions above, that no officer or employee of the City (or their spouse or child), directly or indirectly, owns an interest of more than five percent (5%) in the Respondents firm or any of its affiliates or subsidiaries; nor does the Respondent know of any City officer or employee having any financial interest in assisting the Respondent to obtain, or in any other way effecting, the award of the contract to this Respondent.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
US Submergent Technologies, LLC

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☑ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ P

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see Instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
2201 Cantu Ct, Ste 116

6 City, state, and ZIP code
Sarasota, FL 34232

Requester's name and address (optional)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number
			-		-				

or

Employer identification number
4	5	-	3	8	0	5	2	5	8

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ [signature] Date ▶ 1/4/2023

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

CITY OF ORLANDO

ADDENDUM

DATE: March 31, 2023

TO: All Prospective Respondents

FROM: Javarie McDonald, Purchasing Agent II
Procurement and Contracts Division

SUBJECT: **IFB23 - 0211, Reservoir Environmental Cleaning Services**
Addendum One (1)

Please be advised of the following changes/clarifications to subject solicitation. The solicitation is hereby changed accordingly.

A. **THE SOLICITATION DUE DATE IS HEREBY CHANGED**

FROM: April 4, 2023, at 2:00 p.m., Local Time City of Orlando, FL

TO: April 18, 2023, at 2:00 p.m., Local Time City of Orlando, FL

B. **REVISED BID PRICE FORM**

Replace Bid Price Form page one (1) with the revised page included on Attachment "B" of this Addendum.

C. **QUESTIONS RECEIVED AND ANSWERS:**

Question No. One (1):
Because MOT or a water meter are not anticipated to be required on all cleaning projects, would the City consider a markup of 5% on all MOT or water meter invoices required on a project specific basis?

Answer No. One (1):
The City will not consider any markup. MOT is not expected, however "The Contractor shall be responsible for obtaining a water meter and pay all related costs necessary" per section **4.4 EXECUTION "C".**

Question No. Two (2):
In the interest of providing value to the City, would the City consider adding line items for the use of structure assessment capabilities? This would allow for a targeted and more productive cleaning process, thereby saving the City days and money on cleaning. Proposed line items below:

Qty	Unit	Item Description
1	LS	Mobilization and Demobilization (up to 5,000 SF)
1	LS	Mobilization and Demobilization (> 5,001 SF)
1	Per Day	Aerial Access Equipment (e.g. aerial lift, crane)
1,000	Per SF	SediVision® Survey and Data Processing with tank Loss of Capacity computed and mapped (per tank, up to 5,000 SF)
1,000	Per SF	SediVision® Survey and Data Processing with tank Loss of Capacity computed and mapped (per tank, additional footage 5,001 - 16,500 SF)
1,000	Per SF	computed and mapped (per tank, additional footage >16,500 SF)
1,000	Per SF	In-Situ Density Sampling and Lab Analysis (per tank, up to 5,000 SF)
1,000	Per Sample	In-Situ Density Sampling and Lab Analysis (per tank, additional footage 5,001 - 16,500 SF)
1,000	Per Sample	In-Situ Density Sampling and Lab Analysis (per tank, additional footage >16,500 SF)
1,000	Per CF	QA/QC Bid Quantities

Answer No. Two (2):
The City will not consider adding additional line items to the Bid Price Form.

Question No. Three (3):
What are the MBE/WBE requirements, if any, on this solicitation? We operate patented equipment which is not available in the marketplace and will not typically be able to include subcontractors in our operation.

Answer No. Three (3):
The City looks for opportunities to partner with certified firms that establishes goals of 18% MBE, 6% WBE and 2% VBE if applicable. Please see **ATTACHTMENT D** and **ATTACTMENT E**.

Question No. Four (4):
Will the City allow for Price escalations for inflation or cost increases, for example using an annual CPI adjustment?

Answer No. Four (4):
A price increase at each renewal period may be considered, provided they are reasonable and acceptable to the City. Please see section **5.57. BID PRICES**.

Question No. Five (5):
Will the City specify a minimum gallons per minute for line item 4 "Additional Feature – Jetting (As Required)" of 200 GPM?

Answer No. Five (5):
The City will not revise the Bid Price Form.

Question No. Six (6):
To simplify the disposal, pay items, would the City consider revising lines 12 and 14 to exclude transportation costs (making it disposal cost only), and add a line item for transportation only on a per hour or per mile basis?

Answer No. Six (6):
The City will not revise the Bid Price Form.

Question No. Seven (7):
Would the City consider combining Line Items 10 and 11 into a single item for "Additional Feature – Roll Off Truck and Auxiliary Pressure Box Containment System?

Answer No. Seven (7):
The City will not revise the Bid Price Form.

Question No. Eight (8):
To allow for the inclusion of new cleaning equipment available in the marketplace, would the City consider adding a line item "Additional Feature – 75' Knuckle Boom Crane?

Answer No. Eight (8):
The City will not revise the Bid Price Form.

Question No. Nine (9):
Would the City specify a 2,000 GPM requirement for the downhole pump referenced in line 6 to ensure it can effectively accomplish the requested scope?

Answer No. Nine (9):
Please refer section **4.3 Equipment** as it relates to the downhole pump on page 8–9 of the solicitation.

Question No. Ten (10):
Would the City consider including language making this contract available for Cooperative Purchasing by other agencies? For example, the previous contract included: "43. PURCHASING AGREEMENTS WITH OTHER GOVERNMENT AGENCIES: At the option of the awarded vendor, the submission of any bid in response to this Invitation for Bid constitutes a bid made under the same terms and conditions, for the same contract price, to other governmental agencies including the State of Florida and its agencies, political subdivisions, counties and cities. Each governmental agency desiring to accept these bids, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases, and each shall be liable only for materials ordered and received by it and no agency assumes any liability by virtue of this bid.

Answer No. Ten (10):
In reference to section **5.50 Purchasing Agreements with other Government Agencies**: At the option of the awarded vendor, the submission of any bid in response to this Invitation for Bid constitutes a bid made under the same terms and conditions, for the same contract price, to other governmental agencies including the State of Florida and its agencies, political subdivisions, counties and cities. Each governmental agency desiring to accept these bids, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it and no agency assumes any liability by virtue of this bid.

Question No. Eleven (11):
Would the City consider changing lines 1 & 2 to say "Mobilization and Demobilization – Non-Emergency Basis/In Service Area" and "Mobilization and Demobilization – Emergency Basis/Out of Service Area"?

Answer No. Eleven (11):
The City will not revise the Bid Price Form.

Question No. Twelve (12):
In order to better meet the needs of the City, would the City have interest in including a line item for "Out-of-Scope Services"?

Answer No. Twelve (12):
The City has revised the Bid Price Form to include the "Out-of-Scope Services" for "Labor Hourly Rate Technician/Service Person" and "Additional Material Cost % above cost". Please refer to **Section B of this Addendum, Revised Bid Price Form.**

D. FINAL COMMENT: Only written questions answered in writing by formal Addendum will be binding. Oral and other interpretations or clarifications will be without legal effect. Questions received after the specified date referenced in the solicitation will not be given any consideration. Please remember that you are to base your bid on the original solicitation package plus any (and all) subsequent addendum (or addenda) issued.

THE ATTACHED SIGNATURE PAGE MUST BE COMPLETED AND RETURNED WITH YOUR SUBMITTAL AT THE END OF THE SUBMITTAL.

In other respects, except as specifically stated above, all other terms and conditions of the solicitation remain unchanged.

AMENDMENT NUMBER ONE TO AGREEMENT DATED AUGUST 1, 2023 BETWEEN CITY OF ORLANDO AND US SUBMERGENT TECHNOLOGIES LLC

THIS AMENDMENT TO AGREEMENT is made and entered into this 19th day of May, 2026 by and between the City of Orlando, a municipal corporation organized and existing under the laws of the State of Florida, hereinafter referred to as the "City" and US Submergent Technologies LLC, hereinafter referred to as the "Contractor".

WHEREAS, the City and the Contractor entered into an Agreement ("the Agreement") under the date of August 1, 2023, whereby the latter would perform certain services with respect to reservoir environmental cleaning services; and

WHEREAS, the City and the Contractor desire to amend the scope of services of said Agreement;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

I. TERM OF AGREEMENT

The Term of the Agreement is hereby renewed from June 11, 2026, to June 10, 2027.

II. HUMAN TRAFFICKING AFFIDAVIT

This Contract is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statues and that Contractor has provided the Human Trafficking Affidavit attached hereto as **Attachment 1**.

III. SCRUTINIZED COMPANY PROHIBITION

Contractor certifies that it is not on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725 of the Florida Statutes, and is not engaged in a boycott of Israel. In addition, if this Contract is for a contract for goods or services of one million dollars or more, Contractor certifies that it is not on the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, created pursuant to Section 215.473 of the Florida Statutes and is not engaged in

business operations in Cuba or Syria. Contractor shall be required to recertify the aforementioned certifications at each renewal of the Contract, if applicable. The City may terminate the Contract pursuant to Section 287.135(3)(a) of the Florida Statutes if Contractor is found to have submitted a false certification pursuant to this sub-section, is placed on any of these lists by the State of Florida, or engages in business operations in Cuba or Syria.

IV. **ENTITIES OF FOREIGN COUNTRIES OF CONCERN AFFIDAVIT**

Contractor shall, in the form attached hereto as **Attachment 2**, provide the City with an affidavit signed by an officer or other authorized representative of Contractor under penalty of perjury attesting that Contractor is not owned by the government of a foreign country of concern (as defined in Section 287.138(1)(c) of the Florida Statutes), that the government of a foreign country of concern does not have a controlling interest in Contractor, and that Contractor is not organized under the laws of and does not have its principal place of business in a foreign country of concern. Additionally, Contractor shall re-execute and provide such an affidavit within a reasonable time after any renewal or extension of this Agreement, if applicable.

V. **E-VERIFY**

Contractor represents and warrants that it has registered with and uses the E-Verify System to verify the work authorization status of all newly hired employees and shall continue to do so at all times during the term of the contract. If Contractor enters into a contract with a subcontractor, the subcontractor must provide Contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien; and Contractor must maintain a copy of such affidavit for the duration of the contract. The contract is otherwise subject to the terms, conditions, provisions, and requirements of Section 448.095 of the Florida Statutes.

In all other respects, and except as specifically modified and amended herein and as previously amended, the Agreement shall continue in full force and effect as written and the parties hereto agree to be bound thereby.

****

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals on the date first written above.

Agenda Item

Agenda Date: October 20, 2026

Agenda Item:
G.13

Department	UTILITY	**Amount**	$850,000.00
Division	WATER DISTRIBUTION, WASTEWATER COLLECTION	**Org/Account #**	54010000-141000

Subject: RESOLUTION 2026-XX APPROVING THE PIGGYBACKING OF VOLUSIA COUNTY CONTRACT NO. 26-B-42LS WITH STALINE WATERWORKS, INC., FOR PVC AND BRASS MATERIALS FOR WATER AND SEWER OPERATIONS

Presenter: **Brian Roche, Director of Utility**

Attachments:

1. Resolution
2. Piggyback Contract

Background:
Council Priority:
D. Sustainable Environment and Infrastructure

The City of Palm Coast Utility Department operates and maintains the City's water and wastewater infrastructure. Routine maintenance, emergency repairs, service installations, and related operations require timely access to utility materials, including water and sewer piping, fittings, valves, repair couplings, meter boxes, brass components, and other related supplies.

To support these activities, City staff recommends piggybacking Volusia County Contract No. 26-B-42LS, "Materials for Water and Sewer Operations," awarded to STAline Waterworks, Inc. The agreement was established through Volusia County's competitive Invitation for Bid process and includes specified item pricing and category-based percentage discounts for additional eligible materials.

This item utilizes a piggyback contract, allowing the City to adopt competitively solicited agreements established by other governmental entities. This method reduces administrative burden, accelerates procurement timelines, and provides access to pre-negotiated pricing, terms, and vendor performance standards. All piggyback contracts are reviewed by the City Attorney to ensure legal sufficiency and compliance with applicable laws. When the original contract originates from an agency outside the State of Florida, the City incorporates necessary provisions to ensure conformity with Florida law and local procurement requirements. This approach maintains compliance with state purchasing standards while promoting cost efficiency and enabling staff to focus on core service delivery.

The originating contract term is March 20, 2026, through March 20, 2029, with options for two subsequent one-year renewals subject to the applicable contract terms, mutual agreement, and required approvals. Purchases by the City would be made on an as-needed basis under the approved piggyback agreement, within the contract scope and subject to applicable purchasing requirements. The underlying contract contains provisions for review of certain price adjustments; any applicable adjustments must comply with the agreement.

The Fiscal Year 2027 budget includes funding in multiple Utility Department divisions for purchases of water and wastewater materials. Expenditures will be limited to available budget appropriations and the City's applicable purchasing authorization. No minimum purchase quantity or specific expenditure commitment is proposed by this agenda item.

Using an existing competitively solicited public agency agreement is intended to streamline procurement, provide access to established terms and pricing, and support continuity of essential utility services. The City's piggyback engagement letter and addendum address City-specific contractual requirements; execution remains subject to completion of applicable procurement and legal reviews.

Recommended Action:
ADOPT RESOLUTION 2026-XX APPROVING THE PIGGYBACKING OF VOLUSIA COUNTY CONTRACT NO. 26-B-42LS WITH STALINE WATERWORKS, INC., FOR PVC AND BRASS MATERIALS FOR WATER AND SEWER OPERATIONS

RESOLUTION 2026-___
CONTRACT WITH STALINE WATERWORKS, INC., TO PURCHASE MATERIALS FOR WATER AND SEWER OPERATIONS

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING THE TERMS AND CONDITIONS OF PIGGYBACKING VOLUSIA COUNTY CONTRACT WITH STALINE WATERWORKS, INC. TO PURCHASE WATER AND SEWER MATERIALS, SUPPLIES; AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE WORK ORDER; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR IMPLEMENTING ACTIONS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Palm Coast (the "City") requires water and wastewater materials for the maintenance, repair, and operation of its utility infrastructure; and

WHEREAS, Volusia County competitively solicited and awarded Contract No. 26-B-42LS, "Materials for Water and Sewer Operations," to STAline Waterworks, Inc.; and

WHEREAS, the City desires to utilize the scope, pricing, and applicable terms and conditions of that contract through a piggyback arrangement, as supplemented by the City's engagement letter and addendum.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA AS FOLLOWS:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The above recitals (whereas clauses) are hereby adopted as the legislative and administrative findings of the City Council.

SECTION 2. APPROVAL OF PIGGYBACK AGREEMENT. The City Council hereby approves the piggybacking of Volusia County Contract No. 26-B-42LS with STAline Waterworks, Inc. for the purchase of materials for water and sewer operations, substantially in accordance with the contract and City piggyback engagement documents attached as Exhibit "A" and incorporated herein by reference.

SECTION 3. AUTHORIZATION TO EXECUTE. The City Manager, or designee, is hereby authorized to execute any necessary documents.

SECTION 4. FUTURE AMENDMENTS. The City Manager, or designee is hereby authorized to approve any future amendment to Contract Agreements for changes totaling less than $100,000.00 as long as this amount does not exceed the line-item limit for the budgeted purchase. Further, the City Manager has the authority to execute amendments to the Contract Agreements on behalf of the City for any other changes that may be necessary.

SECTION 5. SEVERABILITY. It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this Resolution are severable, and if any phrase, clause, sentence, paragraph or section of this Resolution shall be declared unconstitutional by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Resolution.

SECTION 6. CONFLICTS. All resolutions or parts of resolutions in conflict with any of the provisions of this Resolution are hereby repealed.

SECTION 7. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 8. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption by the City Council.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on this 20th day of October 2026.

RE: Engagement Letter Authorizing Piggyback

Materials for Water & Sewer Operations
Contract Name

Volusia County, FL 26-B-42LS
Contract Reference

Dear Curt,

The City of Palm Coast, Florida requests permission to utilize your company's above referenced contract in accordance with its terms and conditions and pricing. If agreed, please indicate approval by electronically signing below as well as the Addendum covering the E-Verify and Public Records requirements.

Contractor is aware of and agrees to comply with the requirements of Florida Statutes § 287.138. To the extent that, under this Agreement, Contractor has access to personal identifying information, Contractor agrees that: Contractor is not owned by the government of a foreign country of concern; the government of a foreign country of concern does not have a controlling interest in Contractor; and Contractor is not organized under the laws of and does not have its principal place of business in a foreign country of concern. Per Florida Statutes § 287.138(1)(c), "foreign country of concern" means the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, including any agency of or any other entity of significant control of such foreign country of concern. Breach of this provision shall be considered a material breach of this Agreement and shall entitle City to, in its sole discretion, terminate this Agreement.

All invoices should be sent via email to ap@palmcoastgov.com. If email is not possible, please mail invoices to: City of Palm Coast, Attn: Accounts Payable, 160 Lake Avenue, Palm Coast, Florida 32164. All legal notices should be sent to the attention of the City Manager at the same address.

Please feel free to contact me at the email address below if you have any questions.

Regards,
Nathalie Garcia
Nathalie Garcia
Sr. Contracts and Procurement Coordinator

ENGAGEMENT LETTER ADDENDUM

1. **E-Verify Registration and Use.**

"Effective January 1, 2021, public and private employers, contractors and subcontractors must require registration with, and use of the E-verify system to verify the work authorization status of all newly hired employees. Contractor acknowledges and agrees to utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

a) All persons employed by Contractor to perform employment duties within Florida during the term of the contract; and

b) All persons (including sub vendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the City. The Contractor acknowledges and agrees that use of the U.S. Department of Homeland Security's E-Verity System during the term of the contract is a condition of the contract with the City of Palm Coast.

By entering into this Agreement, the Contractor becomes obligated to comply with the provisions of Section 448.05, F.S. (2023), "Employment Eligibility," as amended from time to time. This includes, but is not limited to, utilization of the E-Verify System to verify the work authorization status of all newly hired employees and requiring all subcontractors to provide an affidavit to Contractor attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Contractor agrees to execute the same affidavit and to maintain a copy of such affidavits for the duration of this Agreement. Failure to comply with this paragraph will result in the termination of this Agreement as provided in Section 448.095, F.S. (2023), as amended, and the Contractor will not be awarded a public contract for at least one (1) year after the date on which the Agreement was terminated. Contractor will also be liable for any additional costs to City incurred because of the termination of this Agreement in accordance with this section."

In Process

2. **Prohibition against considering social, environmental, political, or ideological interests in government contracting**

Pursuant to Section 287.05701, F.S., the City cannot give preference to a Contractor based on the Contractor's social, political, or ideological interests such as:

a. The Contractor's political opinions, speech, or affiliations.
b. The Contractor's religious beliefs, religious exercise, or religious affiliations.
c. The Contractor's lawful ownership of a firearm.
d. The Contractor's lawful engagement in lawful manufacture, distribution, sale, purchase, or use of firearms or ammunition.
e. The Contractor's engagement in the exploration, production, utilization, transportation, sale, or manufacture of fossil fuel-based energy, timber, mining, or agriculture.
f. The Contractor's support of the state or federal government in combating illegal immigration, drug trafficking, or human trafficking.
g. The Contractor's engagement with, facilitation of, employment by, support of, business relationship with, representation of, or advocacy for any person described herein.
h. The Contractor's failure to meet or commit to meet, or expected failure to meet, any of the following as long as such Contractor is in compliance with applicable state or federal law: 1) environmental standards, including emissions standards, benchmarks, requirements or disclosures; 2) social governance standards, benchmarks, or requirements, including, but not limited to, environmental or social justice; corporate board or company employment composition standards, benchmarks, requirements, or disclosures based on characteristics protected under the Florida Civil Rights Act of 1992; or policies or procedures requiring or encouraging employee participation in social justice programming, including, but not limited to, diversity, equity, or inclusion training.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3. **Scrutinized Companies**

A. Contractor hereby certifies that it: a) has not been placed on the Scrutinized Companies that Boycott Israel List, nor is engaged in a boycott of Israel; b) has not been placed on the Scrutinized Companies with Activities in Sudan List nor the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and c) has not been engaged in business operations in Cuba or Syria. If City determines that Contractor has falsely certified facts under this paragraph or if Contractor is found to have been placed on the Scrutinized Companies Lists or is engaged in a boycott of Israel after the execution of this Contract, City will have all rights and remedies to terminate this Contract consistent with Section 287.135, F.S., as amended. The City reserves all rights to waive the certifications required by this paragraph on a case-by-case exception basis pursuant to Section 287.135, F.S., as amended.

4. **Public Records.**

A. The Parties specifically acknowledge that the Agreement is subject to the laws of the State of Florida, including without limitation, Chapter 119, Florida Statutes, which generally make public all records or other writings made or received by the Parties. If SUPPLIER is either a "contractor" as defined in Section 119.0701(1)(a), Florida Statutes, or an "agency" as defined in Section 119.011(2), Florida Statutes, SUPPLIER shall:

5. Keep and maintain all public records required by CITY to perform the Services herein; and
6. Upon request from CITY's custodian of public records, provide CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S. or as otherwise provided by law; and
7. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement Term and following completion of the Agreement if SUPPLIER does not transfer the records to CITY; and
8. Upon completion of the Agreement, transfer, at no cost, to CITY all public records in possession of SUPPLIER or keep and maintain public records required by CITY to perform the Services herein. If SUPPLIER transfers all public records to CITY upon completion of the Agreement, SUPPLIER shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If SUPPLIER keeps and maintains public records upon completion of the Agreement, SUPPLIER shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to CITY, upon request from CITY'S custodian of public records, in a format compatible with the information technology systems of CITY.

In Process

B. All requests to inspect or copy public records relating to the Agreement shall be made directly to CITY. Notwithstanding any other provision of this Agreement to the contrary, failure to comply with the requirements of this paragraph shall result in the immediate termination of the Agreement, without penalty to CITY. A contractor who fails to provide the public records to CITY within a reasonable time may be subject to penalties pursuant to Section 119.10, Florida Statutes. Further, SUPPLIER shall fully indemnify and hold harmless CITY, its officers, agents and employees from any liability and/or damages, including attorney's fees through any appeals, resulting from SUPPLIER'S failure to comply with these requirements.

C. IF THE SUPPLIER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUPPLIER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CITY CLERK'S OFFICE AT 386-986-3713, cityclerk@palmcoastgov.com, 160 LAKE AVENUE, PALM COAST, FLORIDA 32164.

9. **Governing Law**

This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida, without regard to its conflict of laws principles. The parties agree that any action or proceeding required to enforce or interpret the terms of this Agreement, venue shall be of the Seventh Judicial Circuit in and for Flagler County, Florida, or the Middle District of Florida in Orlando, FL., if in federal court. Each party hereby consents to the personal jurisdiction of such courts and waives any objection based on venue or inconvenient forum.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

10. **Sovereign Immunity**
City of Palm Coast expressly retains all rights, benefits and immunities of sovereign immunity and nothing herein shall be deemed to affect the rights, privileges, and immunities of City of Palm Coast as set forth in Section 768.28, Florida Statutes.

11. **Taxes**
Taxes, customs and tariffs on commodities or contractual services purchased under this contract will not be assessed against the City of Palm Coast unless mandated by State or Federal Law.

A delivery order is required for the release of items / services from the referenced Master Agreement. If a solicitation number is referenced then the terms and conditions of said solicitation become part of the Master Agreement. Deviation from prices stated is not permitted without a signed corrected Change Order.

If vendor terms and conditions conflict with County of Volusia Terms and Conditions, the County's Terms and Conditions prevail. See reverse side for terms and conditions.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Purchase Order (PO) or Master Agreement (MA) Terms and Conditions

Providing any good or service constitutes acceptance of this entire PO or MA without exception. In the event this document is issued based on a solicitation or quote, the terms and conditions of the solicitation or quote prevail.

Acceptance. Products/Services purchased as result of this PO or MA may be tested for compliance with specifications. Items delivered not in conformance with the specifications may be rejected and returned at the Provider's expense. Those items and items not delivered by the delivery date specified in the accepted offer and/or PO or MA may be purchased on the open market.

Cancellation of Order. A request by either party to the PO to cancel the order at no cost.

Delivery. Title and risk of loss shall pass when items have been received, inspected, and accepted by County of Volusia ("County"). All associated shipping, insurance, and other related costs shall be borne by Provider.

Discontinued. Provider shall give County 30 (thirty) days advance notice of a discontinued item(s) so that County can purchase additional quantities of discontinued item(s). County must give written approval of replacement(s) if they exceed previous price or fail to meet quality, form, fit, or function of the discontinued item. Time is of the essence regarding Performance of Services and this PO or MA can be terminated by the County for convenience, non-appropriation of funds, or non-performance.

Disputes. If such dispute arises under this PO or MA and is not resolved informally by the parties within five (5) business days, the party bringing a claim ("Disputing Party") shall deliver to the first level representative of the other party a written statement ("Dispute Notice") describing the dispute. If the respective representatives cannot resolve the dispute within ten (10) days, the dispute shall be escalated through two higher levels of management. If the dispute has not been resolved within 25 (twenty- five) calendar days after delivery of the Disputing Party's notice, either party may give written notice to the other party declaring the resolution process terminated and pursue other legal recourse or initiate formal non-binding mediation before a single mediator, which shall be completed within 30 (thirty) days of initiation, in accordance with rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700, et seq., of the Florida Rules of Civil Procedure, and Chapter 44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize such termination remedies and commence litigation in a court of competent jurisdiction.

E-Verify. By providing any good or service to the County or accepting payment for same, Provider warrants and certifies it has registered with and uses the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees. Provider is subject to and agrees to abide by Sections 446.09 and 446.095, Fla. Stat. Provider shall not enter into a contract with a subcontractor without prior approval from the County; Provider will be required to comply with the provisions of Section 446.095, Fla. Stat.

Emergency Procurement. This Agreement and the products/services provided may be utilized in the event of declared State/Federal Emergency and Contractors shall be prepared to comply with the requirements of the FEMA Super Circular CFR 200.318-326 and Appendix II Contract Provisions as amended. These documents can be found on the Internet at: https://www.gpo.gov/fdsys/granule/CFR-2014-title2-vol1/CFR-2014-title2-vol1-sec200-318

Federal Grant Funded Purchases. This Agreement and the products/services provided if purchased with Federal grant funds shall be prepared to comply with the requirements of the 2 CFR 200.318-327 and Appendix II Contract Provisions as amended. These documents can be found on the Internet at: https://www.gpo.gov/fdsys/granule/CFR-2014-title2-vol1/CFR-2014-title2-vol1-sec200-318. Payment Terms for these purchases shall be net 30 days.

Governing Law/Jurisdiction/Venue. This PO or MA shall be governed by the laws of the State of Florida and venue for any litigation arising from this PO or MA shall be in the County of Volusia, Florida, and any trial shall be non-jury. Provider shall comply with all applicable laws and regulations.

Human Trafficking Pursuant to Section 787.06, Florida Statutes, when a contract is executed, renewed, or extended between you, a nongovernmental entity, and Volusia County, a governmental entity in the State of Florida, you are hereby acknowledging under penalties of perjury that you do not use coercion to employ any person for labor or services. Coercion includes, without limitation, using or threatening to use physical force against any person; restraining, isolating, or confining or threatening to restrain, isolate, or confine any person without lawful authority and against her or his will; using lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt, the length and nature of the labor or services are not respectively limited and defined; destroying, concealing, removing, confiscating, withholding, or possessing any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person; causing or threatening to cause financial harm to any person; enticing or luring any person by fraud or deceit; or providing a controlled substance as outlined in Schedule I or Schedule II of Section 893.03, Florida Statutes, to any person for the purpose of exploitation of that person.

In Process

Insurance. For goods and services delivered or performed by Provider on County premises, Provider certifies it maintains comprehensive general liability insurance and auto insurance in the amounts identified in the solicitation and/or contract and any amendments thereto pertaining to this PO or MA, or from an A.M. Best "A -" or better rated insurance firm authorized by the State of Florida Insurance Commissioner. The County reserves the right to require the "County of Volusia" be named as additional insured for projects when deemed necessary. For services performed off County premises and goods delivered by third party carriers, the Provider shall use such carriers that maintain such insurance coverage as set forth above.

Intellectual Property. Provider agrees to protect, defend, indemnify, and save the County, its agents, officials, including elected officials, and employees of the County harmless from and against any and all claims, demands, actions, and causes of action which may arise asserting that a copyright, trademark, trade secret, or patent ("Intellectual Property"), as provided under this PO or MA, infringes or misappropriates any third party's Intellectual Property. If Provider must pay a third party any license, royalty, or other such usage fee in order to deliver the item(s) under this PO or MA, such third party and usage fee must be specified in the Provider's offer to sell to the County.

Indemnification. The Contractor shall indemnify, defend and hold harmless the County and its employees, officers, elected and appointed officials, agents, attorneys, representatives, volunteers, divisions, departments, districts, authorities, and associated entities from and against all claims, damages, losses, and expenses, including, but not limited to attorney's fees, arising out of or resulting from the performance of this Agreement to the extent that any such claim, damage, loss and expense is caused by any negligent act or omission of the Contractor, anyone directly or indirectly employed by Contractor.

Modification & Assignment. County may unilaterally change, at no additional cost, the quantity and receiving point within the County for items not yet shipped. All other items must be mutually agreed upon in writing. County is not required to pay for defective items, back-orders, late deliveries, those quantities exceeding the PO or MA quantity, or items shipped at a higher price than stated on the PO or MA. Neither this PO or MA nor any interest herein shall be assigned, transferred, or encumbered by Provider except as authorized in writing by the County.

Notices. All notices given by one party to the other party under this PO or MA shall be delivered to the receiving party's address set forth on this PO either by hand, qualified courier, or e-mail and shall be deemed received the day after it is transmitted. For the County, it shall be addressed to the Purchasing and Contracts Department, 123 West Indiana Avenue, 3rd Floor, DeLand, Florida, 32720 or purchasing@volusia.org.

No Waiver. Except as expressly set forth herein, no failure or delay on the part of County in exercising any right, power, or remedy hereunder shall operate as or be deemed a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy preclude any other or further exercise thereof, or the exercise of any other right, power, or remedy.

Order of Precedence. In the event of conflict between this PO or a Master Agreement (MA), the originating Volusia County contract and amendments thereto shall be controlling. This control shall pertain to all specifications and scopes of work included in the originating Volusia County contract and any amendments thereto.

Payment. Except for construction services, which shall be paid pursuant to the Florida Prompt Payment Act, County shall pay Provider within 45 (forty-five) days after receipt of an accurate and undisputed invoice, unless the County accepts a prompt payment discount from Provider and the goods or services are not defective. Invoice, packing slip, delivery receipt, order acknowledgement, and correspondence shall clearly indicate the PO or MA number. Any additional or different terms and conditions on Provider's documents shall be considered null and void. The County may deduct amounts it is due from Provider's payment or not pay disputed invoices until such dispute is resolved. Nothing in this PO or MA shall create any obligation on the part of the County to pay directly to any subcontractor of Provider any monies due to such subcontractor or claims of such subcontractor for amounts owed by Provider to subcontractor for goods or services provided under this PO or MA.

Sovereign Immunity. The County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of the Agreement, Master Agreement, and/ or this Purchase Order to the contrary, nothing in any such documents shall be deemed as a waiver of immunity or the limitations of liability of the County beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature, and the cap on the amount and liability of the County for damages regardless of the number or nature of claims in tort, equity, or contract shall not exceed the dollar amount set by the legislature for tort. Nothing in the Agreement, Master Agreement, or this Purchase Order shall inure to the benefit of any third party for the purpose of allowing any claim against the County, which would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

Taxes. County is exempt from Manufacturers' Federal Excise Tax (Exemption# 49-6000-885) and Florida sales tax (Exemption# 85-8012622393C-9). Certificates are available at www.volusia.org/purchasing. After accessing the foregoing website, select, "Doing Business with Volusia County" and "Consumer Certificate of Tax Exemption" from the available menu screens to see a copy of the certificates.

Termination for Convenience. The County may cancel the PO or MA in whole or part when it is in the best interest of the County with thirty (30) days notice.

UCC. In addition to any rights or remedies contained in this P.O., each party shall have rights, duties, and remedies available through the Uniform Commercial Code (UCC).

Warranty. Provider warrants that all Work or Services performed under this PO or MA shall be performed in a good and competent workmanlike manner to the satisfaction of the County, and materials shall be of good quality (unless otherwise stated on PO or MA), and free from defects and pursuant to specifications and requirements of the contract related to this PO or MA.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

All yellow shaded boxes must be filled in to be deemed responsive and responsible- all others will be automatically calculated.

Percentage discount shall apply to all items not specifically listed for each category and will be remain firm throughout the term of the agreement.

2. Special Terms and Conditions

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

2.1. Closing Date and Pre-Solicitation Conference

A. Invitation to Bid (ITB) Closing Date Response must be received through the County's ePocurement Portal before 3:01 pm on Wednesday, February 4, 2026. Responses received after this time will not be considered.

B. No Pre-solicitation Conference will be held.

2.2. Authorized Official

The Solicitation response and all required forms must be submitted/signed by an official authorized to legally bind the Respondent to all Solicitation provisions. A Memorandum of Authority may be submitted to document that the individual is authorized to commit the firm to a contract.

2.3. Definition of Responsive and Responsible for this Solicitation

Each Response shall be evaluated for conformance as responsive and responsible using the following criteria:

A. Proper submittal of ALL documentation as required by this Invitation to Bid (ITB). (Responsive)

B. The greatest benefits to Volusia County as it pertains to: (Responsible)

1. Total Cost; All pricing shall be completed to be deemed responsive and responsible. Award will be based on the total cost of bid items on Attachment A- Price Sheet. Price Sheet shall be uploaded in Vendor Questionnaire 5.1.
2. Delivery; within forty-eight (48) hours from time of order.
3. Past Performance. In order to evaluate past performance, all Respondents are required to submit a list of three (3) references / relevant projects completed within the last three (3) years that are the same or similar in magnitude to this Solicitation. The County of Volusia shall not be listed as a reference;
4. All technical specifications associated with this Invitation to Bid (ITB);
5. Any other criteria that may be specific to your Invitation to Bid (ITB), not necessarily everything specified here.

Financial Stability: All Respondents shall be prepared to supply a financial statement upon request, preferably a certified audit of the last available fiscal year.

Respondents are reminded that award may not necessarily be made to the lowest Response. Rather, award will be made to the lowest responsive, responsible, Respondent whose Response represents the best overall value to the County when considering all evaluation factors.

In Process

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

2.4. Local Preference Availability

This project is not funded by monies that prohibit the local preference provision and local preference does apply per the General Terms and Conditions section Local Preference.

2.5. Payment Terms

1. The County will remit full payment on all undisputed invoices within twenty (20) business days from receipt by the appropriate person(s) (to be designated at time of Agreement) of the invoice(s) or receipt of all products or services ordered.
2. Pursuant to Chapter 218, Florida Statutes, the County will pay interest not to exceed one percent (1%) per month on all undisputed invoices not paid within thirty (30) days after the due date.
3. The County has the capability of Electronic Funds Transfer (EFT). List any discounts for prompt payment and/or willingness to accept Electronic Funds Transfer (EFT) and the discount to be applied to such payments. Contractors offering prompt payment discounts, for example 1% - net 10, the discount shall be taken if the check issue date is within specified time period from date of invoice.
By submitting a Response to the County of Volusia, Florida, the Respondent expressly agrees that, if awarded an Agreement, the County may withhold from any payment monies owed by the Respondent to the County for any legal obligation between the Respondent and the County, including, but not limited to, real property taxes, personal property taxes, fees, and commissions.

2.6. Award Term

The County is looking to promote partnership relationships within the policies and procedures of public procurement. Pursuant toward that end, the successful Respondent shall be awarded an Agreement for an initial three (3) year term with the option for two (2) subsequent one (1) year renewals. All renewals will be contingent upon mutual written agreement and, when applicable, approval of County Council.

2.7. Price Redeterminations

Once each year during the term of the Agreement, including any extension or renewal periods thereof, the awarded Respondent may, but is not obligated to, petition the Director of Purchasing and Contracts for one or more price redeterminations where such price redetermination(s) is/are necessitated by documented increases in the cost of wages, fuel, or materials. Petitions for price redeterminations shall be made within thirty (30) days of the anniversary date of the Agreement (i.e., the calendar day and month when the Agreement became effective) and only after the Agreement has been in effect for at least one year. Any such petition shall be made pursuant to the provisions of this section and only for those price redetermination categories specified herein. Unless otherwise expressly set forth in this Agreement, no other price redeterminations shall be allowed. All price redeterminations, once issued, shall be prospective from the date of approval unless otherwise approved by a duly executed amendment to this Agreement.

2.8. Basis for Price Redeterminations

The awarded Respondent may petition the Director of Purchasing and Contracts for price redetermination based on the increased costs of wages, fuel, or materials. Price redeterminations will be based solely upon changes in pricing or costs documented by either the Employment Cost Index (ECI) or Producer Price Index (PPI), whichever is applicable, as published by the Bureau of Labor Statistics. The base index number for

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

the ECI will be for the quarter in which the Invitation to Bid (ITB) opens. The base index number for the PPI will be for the month the Invitation to Bid (ITB) opens. Any subsequent price redeterminations will use the last price redetermination approved for that price redetermination category as the "base index number." The County shall have the right to audit the awarded Respondent's records, including, but not limited to, payroll, materials, and fuel cost records, to verify or otherwise investigate the validity of any price redetermination request.

2.9. Fuel Price Redetermination

If/when the price of fuel increases by a minimum of ten (10%) percent, the awarded Respondent may petition the Director of Purchasing and Contracts for a fuel price redetermination. As a condition of petitioning for a fuel price increase, the awarded Respondent shall be required to petition for a fuel price redetermination decrease if/when the price of fuel decreases by a minimum of ten (10%) percent. Failure to make such petition may be grounds for Agreement termination and shall entitle the County to a refund of the cumulative increase in pay to the awarded Respondent due to any prior fuel price redetermination increase(s). Fuel price redetermination must be based solely upon changes as documented by the Producer Price Index (PPI) for the commodities "Unleaded Gasoline - WPU057104" or "#2 diesel fuel - WPU057303," as such may be applicable to the awarded Respondent's operations in connection with the awarded Respondent's performance of the Agreement.

2.10. Materials Price Redetermination

At the anniversary date of the Agreement, the awarded Respondent may petition the Director of Purchasing and Contracts for a materials price redetermination. As a condition of petitioning for a materials price increase, the awarded Respondent shall be required to petition for a materials price redetermination decrease if/when the price of materials used by the awarded Respondent in connection with the Agreement decreases. Failure to make such petition may be grounds for Agreement termination and shall entitle the County to a refund of the cumulative increase in pay to the awarded Respondent due to any prior materials price redetermination increase(s). Materials price redetermination must be based solely upon changes as documented by the Producer Price Index (PPI) for the commodity ""Plastic sewer, stormdrain, and water main pipe - WPU072106038"", as published by the Bureau of Labor Statistics.

2.11. Price Redetermination Calculation

All Price Redeterminations shall be calculated as follows:

Example: awarded Respondent indicated on the Submittal Form that thirty percent (30%) of the cost to provide the product/service is directly attributed to the redetermination category (wages, fuel, or materials).

Current applicable PPI	$200.50
Base index PPI	-$179.20
PPI increase dollars	$21.30
PPI increase percentage ($21.30 / $179.20 = .1189)	11.9%

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Unit cost of the service is	$100.00
30% of $100.00 is directly attributed to the redetermination category	$30.00
$30.00 × 11.9%	$3.57
New unit price for the product/service is ($100 + $3.57)	$103.57

2.12. Expiration Upon Failure to Agree to Price Redetermination

If the County and the awarded Respondent cannot agree to a price redetermination pursuant to the terms and conditions of this section, then the Agreement will automatically expire without penalty or further expense to either party after a period of six (6) months following the awarded Respondent's initial request for such price redetermination. Requests for price redeterminations not made in accordance with the provisions of this section shall be deemed null and void and shall not be a valid reason or pretext for expiration or termination of the Agreement. If the Agreement expires pursuant to the terms and conditions of this section, the County reserves the right, at no expense, penalty, or consequence to the County, to award any remaining tasks thereunder to the next available most responsive and responsible Respondent.

2.13. Termination

In Process

A. County may terminate this Agreement upon at least thirty (30) days prior written notice to awarded Respondent.

B. Awarded Respondent may terminate this Agreement upon at least one hundred twenty (120) days prior written notice to County.

C. Upon receipt of notice of termination by the County from awarded Respondent or upon delivery of notice of termination from the County to Contractor, awarded Respondent shall:

1. Stop Work under the Agreement on the date and to the extent specified in County's Notice of Termination;

2. Inform County of the extent to which performance is completed;

3. Place no further orders or subcontracts for materials, services or facilities except as may be necessary for completion of such portion of the Work/Services under the Agreement as is not terminated and with the prior approval of the County; and,

4. Assign to the County, in the manner, at the times, and to the extent directed by the County, all of the right, title and interest of the awarded Respondent under the orders and subcontracts so terminated.

D. For all undisputed outstanding invoices submitted to the County prior to the effective date of the termination and subject to Section Award Term, Section Payment Terms and this Section

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Termination, the County shall cause payments to be made to awarded Respondent within twenty (20) business days of receipt of invoice. Awarded Respondent shall invoice the County for any sums awarded Respondent claims to be owed by County under this Agreement for Work performed from the last invoice to the effective date of termination. County shall review such invoice for payment and County shall pay any undisputed amount within twenty (20) business days.

E. With the approval of the County and to the extent required by the County, the awarded Respondent shall, upon termination, settle all outstanding liabilities and all claims arising out of such termination. County's approval of such settlements shall be final for all the purposes of a termination under this Section Termination. In addition, awarded Respondent shall transfer title and deliver to the County, in the manner, at the times, and to the extent, if any, directed by the County, Deliverables, work-in-progress, reports, models, studies, and other materials produced as a part of, or acquired in connection with the performance of the Work/Services terminated.

F. If awarded Respondent fails to cure a breach within ten (10) calendar days after receipt of notice from the County of said breach, the County may take over the Work/Services and complete the Work/Services, and the awarded Respondent shall be liable to the County for any increased cost of the Project reasonably incurred by the County to complete the awarded Respondent's unfinished Work/Services. As such, the County may apply unpaid Compensation due and owing to the awarded Respondent prior to the default as a set off against the costs incurred by the County for taking over such Work/Services.

In Process

G. The right of termination provided to the County and the awarded Respondent herein shall be cumulative of all other remedies available at law.

H. All provisions of this Agreement which impose or contemplate continuing obligations on a party will survive the expiration or termination of this Agreement.

2.14. New Material

A. Unless otherwise provided for in this specification, the awarded Respondent represents and warrants that the goods, materials, supplies, or components offered to the County under this Agreement are new, not used or reconditioned, and are not of such age or so deteriorated as to impair their usefulness or safety and that the goods, materials, supplies, or components offered are current production models of the respective manufacturer. If the awarded Respondent believes that furnishing used or reconditioned goods, materials, supplies, or components will be in the County’s interest, the awarded Respondent shall so notify the County Procurement Analyst in writing by the deadline for questions in accordance with section Revisions, Addenda, Questions & Answers. The notice shall include the reasons for the request and any benefits that may accrue if the County authorizes the bidding of used or reconditioned goods, materials, supplies, or components.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

2.15. Damages

Due to the nature of the services to be provided and the potential impact to the County for loss, the awarded Respondent cannot disclaim consequential or special damages related to the performance of this Agreement. The awarded Respondent shall be responsible and accountable for any and all damages, directly or indirectly, caused by the actions or inaction of its employees, staff, or Subcontractor. There are no limitations to this liability. This section does not apply to the extent precluded or prohibited by applicable law.

2.16. Compliance with FEMA 2 CFR 200.318-326 and Appendix II Contract Provisions

This Agreement and the products/services provided may be utilized in the event of declared State/Federal Emergency, and awarded Respondent(s) shall comply with the applicable sections of the Federal Contract Provisions as exhibited with this Solicitation.

2.17. Emergency Response Services

In the event goods or services are provided under this Agreement for emergency response for a natural emergency, if Contractor breaches this Agreement during an emergency recovery period Contractor shall pay a $5,000 penalty as well as damages, which may be either actual and consequential damages. As used in this provision, the term “emergency recovery period” means a 1-year period that begins on the date that the Governor initially declared a state of emergency for a natural emergency.

In Process

3. General Terms and Conditions

3.1. Submission of Offers

The County of Volusia is requesting proposals for the service and/or product(s) detailed within this solicitation. If your company is interested in submitting a proposal to provide this service and/or product(s), please provide the requested information in this solicitation, complete the included forms, and submit these documents with your response through OpenGov Procurement, at https://procurement.opengov.com/portal/volusia, by the date and time posted. The submission of responses prior to the specified date and time is solely and strictly the responsibility of the Respondent. Responses received after the posted date and time will not be considered. Additional information may be submitted with the response. No offer may be modified after acceptance. Terms and conditions differing from those in this solicitation may be cause for disqualification of the Response. Failure to provide the required information may result in the Response not being considered.

Responses submitted in OpenGov will remain locked and inaccessible by County purchasing staff until the Submission deadline.

Do not submit confidential information, proprietary information and/or trade secrets.

3.2. Respondent's Responsibility

The Respondent, by submitting a Response, represents that:

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

A. The Respondent has read and understands the Solicitation in its entirety and that the Response is made in accordance therewith;

B. The Respondent possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to the County;

C. The Respondent has made all investigations and examinations necessary to ascertain site and/or local conditions and requirements affecting the full performance of the Agreement and to verify any representations made by the County of Volusia, Florida, upon which the Respondent will rely. If the Respondent receives an award because of its Response, failure to have made such investigations and examinations will in no way relieve the Respondent from its obligations to comply in every detail with all provisions and requirements of the Agreement, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim by the Respondent for additional compensation or relief; and,

D. The Respondent will be held responsible for any and all discrepancies, errors, etc., in discounts or rebates which are discovered during the Agreement term or up to and including three (3) fiscal years following the County's annual audit.

E. The Respondent shall examine the drawings, specifications, and other Contract Documents (as applicable) carefully and inform itself thoroughly regarding any and all conditions and requirements, including the construction schedule that may in any manner affect the Work to be performed under the Agreement. Ignorance on the part of the Contractor shall in no way relieve itself of the obligations and responsibilities assumed under the Agreement.

In Process

3.3. Opening

Pursuant to Section 119.071, Florida Statutes, responses and the completed tabulation will be available for inspection within thirty (30) days of Solicitation opening. Contact the Purchasing and Contracts Office during regular business hours to inspect responses and the completed tabulation or go to the County's ePROCUREMENT PORTAL for inspection of the completed tabulation. The foregoing notwithstanding, if, prior to the County's making responses available for inspection, the County rejects all responses and concurrently provides notice of the County's intent to reissue the solicitation, then the County may avail itself of the exemption for rejected responses set forth in Section 119.071, Florida Statutes, to the extent such Section may apply.

Solicitation openings and public meetings may be attended either in person or remotely. Solicitation openings may be accessed remotely as described in the introduction timeline section of this Solicitation.

In accordance with the American Disabilities Act and Section 286.26, Florida Statutes, persons with disabilities needing a special accommodation to participate in the proceedings, or an interpreter to participate in any proceedings, should contact the County's ADA Coordinator at 386-248-1760 for assistance at least two (2) business days before any meeting date.

Assisted listening system receivers are available for the hearing impaired and can be obtained from the Deputy Clerk by contacting the County's ADA Coordinator at 386-248-1760. Read the full ADA Notice

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

under The American with Disabilities Act (Title II), atwww.volusia.org/core/fileparse.php/4175/urlt/ADANotice.pdf. Read the County of Volusia Grievance Procedure under The Americans with Disabilities Act (Title II).

3.4. Public Records Law

Pursuant to section 119.0701(2)(a), Florida Statutes, the County is required to provide Contractor with this statement and establish the following requirements as contractual obligations pursuant to the Agreement:

IF THE Contractor HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE Contractor'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 386-736-5935, purchasing@volusia.org, by mail, Purchasing and Contracts Division, Attn: Public Records Custodian, 123 W. Indiana Ave. Rm. 302 DeLand, FL 32720.

By entering into a Contract, Contractor acknowledges and agrees that any records maintained, generated, received, or kept in connection with, or related to the performance of services provided under a Contract are public records subject to the public records disclosure requirements of section 119.07(1), Florida Statutes, and Article I, section 24 of the Florida Constitution. Pursuant to section 119.0701, Florida Statutes, any Contractor entering into a Contract for services with the County is required to:

In Process

A. Keep and maintain public records required by the County to perform the Services and Work provided pursuant to the Contract.

B. Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion or termination of the Contract if the Contractor does not transfer the records to the County.

D. Upon completion or termination of the Contract, transfer, at no cost, to the County all public records in the possession of the Contractor or keep and maintain public records required by the County to perform the service. If the Contractortransfers all public records to the County upon completion or termination of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion or termination of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Requests to inspect or copy public records relating to the County's Contract for Services must be made directly to the County. If Contractor receives any such request, Contractor shall instruct the requestor to contact the County. If the County does not possess the records requested, the County shall immediately notify the Contractor of such request, and the Contractor must provide the records to the County or otherwise allow the records to be inspected or copied within a reasonable time.

Contractor acknowledges that failure to provide the public records to the County within a reasonable time may be subject to penalties under section 119.10, Florida Statutes. Contractor further agrees not to release any records that are statutorily confidential or otherwise exempt from disclosure without first receiving prior written authorization from the County. Contractor shall indemnify, defend, and hold the County harmless for and against any and all claims, damage awards, and causes of action arising from the Contractor's failure to comply with the public records disclosure requirements of section 119.07(1), Florida Statutes, or by Contractor's failure to maintain public records that are exempt or confidential and exempt from the public records disclosure requirements, including, but not limited to, any third party claims or awards for attorneys' fees and costs arising therefrom. Contractor authorizes County to seek declaratory, injunctive, or other appropriate relief against Contractor from a Circuit Court in Volusia County on an expedited basis to enforce the requirements of this section.

3.5. Confidential Information and Infringement

A. Confidential Information and/or Trade Secret do not include the following:

1. Information already known or independently developed the party in possession; or
2. Information in the public domain through no wrongful act of the party in possession; or
3. Information received by the party in possession from a third party who was free to disclose it; or
4. Information regularly disclosed to third parties without restriction on disclosure; or
5. Information required to be disclosed by law or an order of a court of competent jurisdiction.

B. Confidential Information and Infringement. If Contractor is licensing, or developing software (including derivative works) for use by the County, Contractor grants County a perpetual, fully-paid, non-assignable, non-exclusive, royalty-free license to use Contractor's software deliverables developed or licensed under a Contract. Said license includes software owned by Contractor which is furnished under a Contract, for County's internal use with such use to include the right to modify such deliverable(s) and to create derivative works for such internal use including without limitation the right to use such deliverable(s).

C. If Contractor is licensing, providing or developing software, including derivative works for use by the County, Contractor agrees to protect and indemnify and hold harmless the County, its agents, elected officials and employees of the County from and against any and all claims, demands, actions, and causes of action which may arise asserting that all or any part of the Contractorlicensed applications provided under any software owned by Contractor and licensed to County or provided by Contractor for use thereof by the County, infringes or misappropriates

In Process

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

any third party's United States patent, copyright or any trade secret protected under United States law.

1. In addition to the foregoing indemnification provision, Contractor shall also take the following steps to assure that County can continually use the software which Contractor has directly licensed to County or provided for use thereof by the County in substantially the same manner delivered or subsequently enhanced or modified by:

    a. Promptly replace the allegedly infringing or misappropriated item or items with compatible, functionally equivalent itemswhich are not alleged to be infringing or misappropriated; or

    b. Promptly modify the alleged infringing or misappropriated item or items to eliminate the alleged infringement or misappropriation without impairing County's intended use of the licensed applications and/or sublicensed applications in any manner; or

    c. Promptly procure the right for the County to continue to use the licensed applications and/or sublicensed applications without modification; and

    d. Unless otherwise agreed by the parties, promptly shall mean for the purposes of this section that the events described herein shall occur in no less than sixty (60) days from the date that notice of the claim is received by Contractor unless otherwise agreed by the parties.

In Process

D. In the event that Contractor does not enable the County to use that which Contractor has delivered through accomplishing one or more of the alternatives set forth in above within aforementioned time period set forth herein during the term of a Contract, Contractor shall be in material default of a Contract and subject to Termination.

E. If Contractor is granting a license or develops software for the County under this Contract, it hereby warrants and represents that:

1. Contractor is the sole owner of all right, title, and interest in and to the Contractor licensed software, user manuals and documentation, including all patents, copyrights, copyright rights, trade secrets, trademarks, trade names and all proprietary and intellectual rights and confidential information contained therein, and that it is authorized to enter into a Contract and grant County a perpetual license; and

2. No portion of any licenses or right granted to the County to use Contractor's software pursuant to the terms of the applicable software license contract of Contractor for any Work performed under a Contract violates or is protected by right, title, interest or similar right of any third person or entity.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3.6. Clarification, Correction of Entry, Minor Irregularities

The County of Volusia reserves the right to allow for the clarification of questionable entries and the correction of obvious mistakes. The County reserves the right to waive minor irregularities in Responses, providing such action is in the best interest of the County. Minor irregularities are defined as those that have no adverse effect on the County's best interests, and will not affect the outcome of the selection process by giving the Respondent an advantage or benefit not enjoyed by other Respondents.

3.7. Revisions, Addenda, Questions & Answers

A. It is incumbent upon each Respondent to carefully examine the specifications, Scope of Work/Service, terms, and conditions of this Solicitation and any attachments/exhibits. The posting of answers through the County's ePROCUREMENT PORTAL is the only official methods by which interpretation, clarification, or additional information can be given. Questions and exceptions concerning any section of this Solicitation and any attachments/exhibits shall be directed through the question and answer section of the County's eProcurement Portal.

B. If it becomes necessary for the County to revise or clarify any part of this Solicitation it will be updated on the County's eProcurement Portal by one of the following methods: the posting of answers to questions received; the revision of Solicitation language/documentation. It is each Respondent's responsibility to check the County's eProcurement Portal for any posted answers, and/or Solicitation changes. Each Respondent shall ensure that they have reviewed all questions & answers and/or changes to this Solicitation and any attachments/exhibits before submitting their Response. By submitting a Response, Respondents acknowledge that they have reviewed all posted answers, and/or Solicitation changes prior to the posted closing date and time.

In Process

C. Each answer issued by the County shall become a material part of this Solicitation. Answers posted by the County, and/or changes made to the Solicitation are authoritative and shall be considered an addendum to the Solicitation.

D. All information in this Solicitation, including information provided through the Question & Answer feature are incorporated into the Solicitation or any Contract resulting from this Solicitation.

E. Questions and exceptions shall be submitted before 11:59 pm on Thursday, January 22, 2026. Thereafter, no further questions or exceptions will be accepted or reviewed by the County and Respondents' right to submit questions or exceptions will terminate and any questions or exceptions not previously made shall be deemed waived. Oral representations will not be binding on the County.

3.8. Incurred Expenses

The County has no obligation to make an award as a result of this Solicitation, nor shall the County be responsible for any cost or expense which may be incurred by any Respondent in preparing and submitting a Response, or any cost or expense incurred by any Respondent prior to the execution of a Purchase Order or Contract/Agreement.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3.9. Disadvantaged Businesses

The County Council has adopted policies, which assure and encourage the full participation of Disadvantaged Business Enterprises (DBE) in the provision of goods and services. The County encourages joint ventures between majority-owned firms and qualified disadvantaged, minority, and/or women-owned firms.

3.10. Local Preference

The County Council has established a policy to encourage participation of local businesses in the provision of goods and services. The County will endeavor to assist local businesses to achieve this goal.

Effective January 1, 2012, Volusia County adopted a local preference ordinance. A Respondent or prime Contractor which has a documented permanent location at least six (6) months prior to the Solicitation closing as stated in Volusia County Ordinance 2-269.5 in Brevard, Lake, Orange, Osceola, Seminole or Volusia County ("Local"), shall be granted a preference of three percent (3%) of the total Solicitation price or quote. A Respondent which is a prime Contractor and is utilizing Subcontractors, and the Solicitation price or quote of the work to be performed by all Subcontractors, that qualify as a local business, constitutes fifty-one percent (51%) or greater of the total Work to be performed through subcontracting, a two percent (2%) preference will apply. In the event that a prime Contractor qualifies for a preference and Subcontractor qualifies for a preference, the preference shall not exceed a total of five percent (5%). Preference shall not be given to Responses where the difference of the total Response price or quote exceeds twenty-five thousand dollars ($25,000.00) from the nearest competing Solicitation price or quote for that solicitation or if a county listed in 2-269.5 does not reciprocate, as stated in 2-269.5, the County will not offer a preference to this County.

In Process

This section does not apply to any purchase that is funded, in whole or in part, by an entity prohibiting local preference by grant agreement or applicable federal, state, or local law. Solicitations for emergency purchases subject to Section 2-275 of the Code are additionally exempt. All Respondents, including primeContractor and Subcontractors, awarded an Agreement as a part of this process must maintain its status as a local business through the term of the Agreement. Any Respondent, including prime Contractor and Subcontractors, awarded an Agreement as a result of this preference will be required to post any job openings for this project with agencies or organizations that may be identified by the purchasing director. Noncompliance with the requirements of this section will be deemed as a material breach and may be subject to Agreement termination or disqualification from bidding on future projects.

3.11. Pricing

Unless otherwise specified prices offered shall:

- remain firm for a period of at least ninety (90) days from the date of Solicitation opening, prior to award being made;
- include FOB DESTINATION, all packing, handling, shipping charges and delivery to any point(s) within the County to a secure area or inside delivery (for goods);
- include all expenses necessary to provide the Service at the location specified (for Services).

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3.12. Withdrawal of Response

A Response may be withdrawn i) prior to the Solicitation opening via the County's eProcurement Portal or ii) after one hundred twenty (120) days from Solicitation opening. In the second instance ('ii'), this only applies to Respondents notified by the County in letter form that their Response will not be accepted.

3.13. FOB Destination

The FOB point for this Agreement and for all purchases made under it shall be the destination specified by the requesting division, in Volusia County, Florida. Delivery will not be complete until the requesting division has accepted each item. Delivery to a common carrier shall not constitute delivery to Volusia County. All disputes shall be between the Contractor and the carrier.

3.14. Payment Terms

Unless otherwise stated in the Special Terms and Conditions section, the County will remit full payment on all undisputed invoices for goods and services other than Construction Services within forty-five (45) days from receipt by the appropriate person(s) (to be designated at time of Agreement) of the correct invoice(s) or receipt of all products or services ordered in accordance with F.S.S. 218.74. For Construction Services the County will remit full payment on all undisputed invoices within twenty (20) to twenty-five (25) days in accordance with F.S.S. 218.735.

3.15. Unusual Costs

In Process

The Contractor may petition the County at any time for an additional rate adjustment on the basis of extraordinary and unusual changes in the costs of operation that could not reasonably be foreseen by a prudent operator and which, by all reasonable expectations, will continue for at least one (1) year. If the Contractor petitions for such an increase, the Contractor shall also petition for a rate reduction on the basis of extraordinary and unusual changes in the costs of operation that could not reasonably be foreseen by a prudent operator and which, by all reasonable expectations, will continue for at least one (1) year; failure to make such petition may be grounds for Agreement termination.

The Contractor's request shall contain substantial proof and justification to support the need for the rate adjustment. The County may request from the Contractor, and the Contractor shall provide, such further information as may be reasonably necessary in making its determination. The County shall approve or deny the request, in whole or in part, within sixty (60) Days of receipt of the request and all other additional information required by the County. Any price redetermination shall be solely based upon the documentation provided and the County reserves the right to rescind any price relief granted should the circumstances change and prices go down.

3.16. Additional Terms & Conditions

The County of Volusia reserves the right to reject offers containing terms or conditions contradictory to those requested in this Solicitation.

3.17. Taxes

County is exempt from Manufacturers' Federal Excise Tax (Exemption# 49-6000-885) and Florida sales tax (Exemption# 85- 8012622393C-9). Certificates are available at www.volusia.org/purchasing. After

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

accessing the foregoing website, select, “Doing Business with Volusia County” and “Consumer Certificate of Exemption” from the available menu screens to see a copy of the certificates.

3.18. Discounts

All discounts except those for prompt payment shall be considered in determining the lowest net cost for evaluation purposes. All discounts shall remain firm for the term of the Agreement.

3.19. Meets/Minimum Specifications

The specifications listed in the Scope of Work are the minimum required performance specifications for this Solicitation; they are not intended to limit competition nor specify any particular Respondent, but to ensure that the County receives quality services. The Respondent represents that all offers to this Solicitation shall meet or exceed the minimum requirements specified.

3.20. Brand Name or Equal

If items requested by this Solicitation have been identified in the specifications by a Brand Name “OR EQUAL” description, such identification is intended to be descriptive and not restrictive and is to indicate the quality and characteristics of products that will be acceptable. Offers proposing “equal” products will be considered for award if such products are clearly identified in the offer and are determined by the County to meet fully the salient characteristic requirements listed in the specifications.

Unless the Respondent clearly indicates in his/her offer that he/she is proposing an “equal” product, the offer shall be considered as offering the same brand name product referenced in the specifications.

In Process

If the Respondent proposes to furnish an “equal” product, the brand name of the product to be furnished shall be clearly identified. The evaluation of offers and the determination as to equality of the product offered shall be the responsibility of the County and will be based on information furnished by the Respondent. The Purchasing and Contracts Division is not responsible for locating or securing any information which is not identified in the response and reasonably available to the Purchasing and Contracts Division. To ensure that sufficient information is available the Respondent shall furnish as part of the response all descriptive material necessary for the Purchasing and Contracts Division to determine whether the product offered meets the salient characteristics required by the specifications and establish exactly what the Respondent proposes to furnish and what the County would be binding itself to purchase by making an award.

3.21. Samples

When required, samples of products shall be furnished with Response to the County at no charge. Samples may be tested and will not be returned to the Respondent. The result of any and all testing shall be made available upon written request.

3.22. Silence of Specifications

The apparent silence of these specifications or any supplemental specifications as to details or the omission from same of any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type,

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

size, and design are to be used. All workmanship shall be first quality. All interpretations of specifications shall be made upon the basis of this statement.

3.23. Change in Scope of Work/Service

A. The County may order changes in the Work/Service consisting of additions, deletions, or other revisions within the general scope of the Agreement. No claims may be made by the Contractor that the scope of the project or of the Contractor's services has been changed, requiring changes to the amount of compensation to the Contractor or other adjustments to the Agreement, unless such changes or adjustments have been made by written amendment or modification order to the Agreement signed by the appropriate County signatories and the Contractor.

B. If the Contractor believes that any particular Work/Service is not within the scope of Work/Service of the Agreement, is a material change, or will otherwise require more compensation to the Contractor, the Contractor must immediately notify the County Project Manager in writing of this belief. The Contractor and County shall negotiate modifications to the Agreement in good faith and agree upon equitable adjustment for any changes in Services or other obligations required of the Contractor due to such modifications. The Contractor must assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order.

C. The County reserves the right to negotiate with the awarded Contractor(s) without completing the competitive bidding process for materials, products, and/or Services similar in nature to those specified within this solicitation for which requirements were not known when the Solicitation was released.

In Process

3.24. Governing Laws/Venue

This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida without giving effect to the choice of law principles thereof. Jurisdiction over and venue for any controversies or legal issues arising out of this Agreement shall, if in state court, be exclusively in the 7th Judicial Circuit in and for Volusia County, Florida, or, if in federal court, in the Middle District of Florida, Orlando Division. By entering into this Agreement, Contractor and County hereby expressly waive any rights either party may have to a trial by jury of any civil litigation related to this Agreement, and, unless otherwise expressly provided herein, each agrees to bear its own costs and attorneys' fees relating to any dispute arising under this Agreement.

3.25. Assignment

Contractor may not assign or otherwise convey Contractor's rights and/or obligations under this Agreement without obtaining County's prior written consent, which consent County may withhold, limit and/or condition in County's sole discretion, including, but not limited to, requiring the Contractor or his/her proposed successor in interest to post a performance bond. Any consent by the County under this Section shall be by written agreement in a form and substance specified by the County in its sole discretion; the County Manager may execute such agreement on behalf of the County. If Contractor desires to assign or otherwise convey its rights and/or obligations under this Agreement, Contractor shall no less than thirty (30) days prior to the assignment's proposed effective date, provide County with a

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

written request for County's consent. Failure to provide such notice may result in the County assessing a processing fee of Five Hundred Dollars (US $500.00); however, payment of such fee shall not entitle the Contractor to the County's acceptance or approval of its request for assignment.

Nothing herein shall preclude the right of the County to waive its rights under this Section but no waiver shall be granted by the County without a written and duly executed amendment to the Agreement.

3.26. Content of Solicitation/Response

The contents of this Solicitation, all terms, conditions, specifications, and requirements included herein and the accepted and awarded response thereto may be incorporated into an Agreement to purchase and become legally binding. Any terms, conditions, specifications, and/or requirements specific to the item or Service requested in this Solicitation shall supersede the requirements as specified in the *General Terms and Conditions* and/or *Special Terms and Conditions* section(s) of this Solicitation.

3.27. Contract/Agreement

The contents of this Solicitation and all provisions of the successful proposal deemed pertinent by the County may be, at the sole discretion of the County, incorporated into an Agreement and become legally binding on the selected Respondent. The content of the Agreement may contain changes as a result of the Solicitation process and the content of the submittal received. The Contract shall, at minimum, include the substantive terms and conditions as outlined in the Solicitation and be subject to review by the County attorney or designee prior to approval and execution for determination of legal form and substantive sufficiency, and may contain those additional terms and conditions that the County deems in its best interest.

In Process

A. The Director of Purchasing and Contracts, County Manager, and County Chair are the sole Contracting Officers for the County of Volusia, Florida, and only they or their designees are authorized to make changes to any contract.

B. The County shall be responsible for only those orders placed by the County on an authorized signed Purchase Order or Master Agreement. The County shall not be responsible for any order, change substitution or any other discrepancy from the Purchase Order or Master Agreement. If there is any question about the authenticity of a Purchase Order, Master Agreement, or modification order, the Respondent should promptly contact the Purchasing Office at 386-736-5935.

3.28. Disclosure of Response Content

All material submitted becomes the property of the County and may be returned only at the County's option. The County has the right to use any or all ideas presented in any reply to this Solicitation. Selection or rejection of any Response does not affect this right. The County of Volusia, Florida, is governed by the Public Record Law, Chapter 119, Florida Statutes (F.S.).

3.29. Limitation of Liability/Indemnification

The Contractor shall indemnify, defend, and hold harmless the County including its districts, authorities, separate units of government established by law, ordinance or resolution, partners, elected and non-

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

elected officials, employees, agents, volunteers, and any party with whom the County has agreed by contract to provide additional insured status and the State of Florida, including its officers and employees, from and against all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor or its Subcontractors, agents, employees, or any persons employed or utilized by the Contractor in the performance of the Contractor's obligations or Services under this Agreement. Such obligations or Services shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exhaust as to a party or person described in this Agreement.

In all claims against the County, Contractor's indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or any benefits payable by or for Contractor, or its employees, agents, contractors, or subcontractors.

Indemnification for grant funded projects. For any agreements that are funded or may in future be funded by Federal Emergency Management Agency (FEMA) Public Assistance grants or other Federal or State grants or program, the following shall apply: Contractor shall indemnify, defend and hold harmless the Florida Department of Emergency Management, its employees and/or their contractors (FDEM) and the government of the United States, its employees and/or their contractors (US), from and against all claims, damages, losses, and expenses, including, but not limited to, attorney's fees arising out of, resulting from, or incident to Contractor's performance of its obligations in whole or part of this Agreement, unless such injury or damage is occasioned solely by the fault, negligence, or willful misconduct of the FDEM, or US.

In all claims against FDEM or US, Contractor's indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or any benefits payable by or for Contractor, or its employees, agents, contractors, or subcontractors.

In Process

3.30. Payment of Subcontractors or Subconsultants

Contractor shall save and hold the County harmless from any and all claims or actions by their Contractor(s) for payment of monies such Contractor claims to be owed by Contractor for Work performed under a Contract. Nothing in a Contract shall create any obligation on the part of the County to pay directly to any Subcontractors any monies due for Work performed under a Contract.

3.31. Infringement Claim

For all licensed software or derivative works of the licensed software used by County under the resulting Agreement, Contractor agrees to protect, defend, indemnify, and hold harmless County, its agents, elected officials and employees of County from and against any and all claims, demands, actions, and causes or action which may arise asserting that all or any part of Contractor's licensed software or applications that are owned and licensed by Contractor to County for use thereof by County, infringes or misappropriates any third party's valid state patent, copyright, trademark, or any trade secret protected under United States law. In the event of an infringement claim, Contractor shall have the option: (i) to procure for County the right to continue using any product or Service found to be infringing; (ii) to replace any such infringing product or Service with a non-infringing product or Service; or (iii) to modify such infringing product or Service to make it non-infringing. Contractor shall have no obligation under this section if the infringement claim is based upon the use of the system in combination with other hardware

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

or software applications not furnished by Contractor, or if such a claim arises from County's modification of the system without the authorization of Contractor.

3.32. Sovereign Immunity

County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes (as amended). Notwithstanding anything set forth in any Section of this Agreement to the contrary, nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the County beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature and the cap on the amount and liability of the County for damages, regardless of the number or nature of claims in tort, equity, or contract, shall not exceed the dollar amount set by the legislature for tort. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim against the County, which claim would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

3.33. Compliance with Federal E-Verify Regulations

Contractor covenants and agrees to the following provisions, as required by law:

A. If and to the extent the Agreement meets the criteria set forth at 48 C.F.R. § 52.222-54(e), the criteria of 48 C.F.R. § 52.222-54 are hereby incorporated by reference into this Agreement as if fully set forth herein.

B. Contractor and any of Contractor's Subcontractors shall register with and utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility and work authorization status of all new employees hired by Contractor (or Contractor's Subcontractor) on or after the effective date of this Agreement and thereafter during the remaining term of the Agreement.

C. In the event Contractor enters into a subcontract, Contractor shall require, via written contract, the Subcontractor agree to: (i) register with and utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired on or after the effective date of the subcontract and thereafter during the remaining term of the subcontract; and (ii) provide Contractor with an affidavit stating that the Subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Contractor shall maintain a copy of such affidavit for the duration of this Agreement or the subcontract, whichever is longer. Contractor shall provide a copy of such affidavit to the County before the Subcontractor begins any Work associated with the Agreement. If the County has a good faith belief that a Contractor knowingly violated the requirements set forth in this section or Sections 448.09(1) or 448.095 of the Florida Statutes, but also has a good faith belief Contractor otherwise complied with this section and applicable law, the County shall promptly notify Contractor and order Contractor to immediately terminate its contract with the Subcontractor. Failure to comply with said order shall constitute a material breach of this Agreement.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

D. If the County has a good faith belief Contractor has knowingly violated, or if Contractor is found to have violated, this Section; Section 448.09(1), Florida Statutes; Section 448.095, Florida Statutes; or the presidential executive order and subsequent Federal Acquisition Regulation (FAR) rule requiring federal Contractors to use E-Verify, if applicable, then the following shall be true: (i) such violation shall be a material breach of this Agreement by Contractor; (ii) Contractor shall indemnify, defend, and hold harmless the County from any resulting costs or expenses, including fines or penalties levied by a government agency and the County's loss or repayment of grant funds; (iii) the County may terminate this Agreement immediately and without penalty and such termination shall not be or be considered a breach of this Agreement; and (iv) Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Agreement. Contractor acknowledges and understands that if the County terminates this Agreement in accordance with this Section, Contractor shall be ineligible for award of a public contract for at least one (1) year after the date on which the Agreement was terminated.

3.34. Public Entity Crimes

Pursuant to paragraph 287.133(2)(a), Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months following the date of being placed on the convicted vendor list.

In Process

By entering into this Agreement, the Contractor represents and warrants that it is not on the convicted vendor list and not under investigation for violation of any state or federal law relating to public entity crimes. The Contractor further represents and warrants that its Subcontractor and implementer, if any, are not on the convicted vendor list and not under investigation for violation of any state or federal law relating to public entity crimes.

3.35. Patents, Copyright, and Royalties

The Contractor, without exception, shall indemnify and save harmless the County of Volusia, its officers, agents and employees from liability of any nature of kind, including cost and expenses for or on account of any copyrighted, registered, patented, or unpatented invention, process, or article manufactured or used in the provision of goods and/or Services, including use by the County of Volusia. If the Contractor uses any design, device, or materials covered by letters, patent, copyright, or registration, it is mutually agreed and understood without exception that the quoted price shall include all royalties or costs arising from the use of such design, device, or materials in any way involved.

3.36. Use of County Logo

The County owns and retains all proprietary rights in its logos, trademarks, trade names, and copyrighted images (Intellectual Property). As such, nothing in this Solicitation permits or shall be construed as

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

authorizing Respondent to use or display County's Intellectual Property on Respondent's submittal documents or proposal (including any exhibits attached thereto) submitted to County by or on behalf of Respondent in response to this solicitation. The County has the right to redact the County Logo displayed on any Response.

3.37. Training

Unless otherwise specified Contractors may be required, at the convenience of and at no expense to the County, to provide training to County personnel in the operation and maintenance of any item purchased as a result of this Solicitation.

3.38. Acceptance

Products purchased as a result of this Solicitation may be tested for compliance with specifications. Items delivered not conforming to specifications may be rejected and returned at Contractor's expense. Those items and items not delivered by the delivery date specified in accepted offer and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the Contractor.

3.39. Safety Warranty

Any awarded Contractor including dealers, distributors, and/or manufacturers shall be responsible for having complied with all federal, state, and local standards, regulations, and laws concerning the product or service specified, and the use thereof, applicable and effective on the date of manufacture or use or date in service including safety and environmental standards as apply to both private industry and governmental agencies.

In Process

3.40. Safety

The Contractor shall take the necessary precautions and bear the sole responsibility for the safety of the methods employed by the Contractor in performing the Work. The Contractor shall at all times comply with the regulations set forth by federal, state, and local laws, rules, and regulations concerning "OSHA" and all applicable state labor laws, regulations, and standards. The Contractor shall indemnify and hold harmless the County from and against all liabilities, suits, damages, costs, and expenses (including attorneys' fees and court costs) which may be imposed on the County because of the Contractor, Subcontractor, or supplier's failure to comply with the regulations.

3.41. Warranty

The Respondent agrees that, unless otherwise specified, the product and/or Service furnished as a result of this Solicitation and award thereto shall be covered by the most favorable commercial warranty the Respondent gives to any customer for comparable quantities of such products and/or Services and that the right and remedies provided herein are in addition to and do not limit any rights afforded to the County of Volusia by any other provision of the Solicitation/offer.

3.42. Award of Solicitation

The County reserves the right to award the Agreement to the Respondent(s) that the County deems to offer the lowest/most responsive and responsible Response(s), as detailed in this solicitation. The County is therefore not bound to accept a Response based only on lowest price. In addition, the County has the

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

sole discretion and reserves the right to cancel this Solicitation, to reject any/all Responses, to waive any/all informalities and/or irregularities, or to re-advertise with either the identical or revised specifications, if it is deemed to be in the best interest of the County to do so. Nothing prohibits the County from rejecting/rebidding when Responses exceed budget and the County must change the Solicitation to lower costs. The County also reserves the right to make multiple awards based on experience and qualifications or to award only a portion of the items and/or services specified, if deemed to be in the County's best interest or award only a portion of the Solicitation.

3.43. Other Agencies

All Contractors awarded Agreements from this Solicitation may, upon mutual agreement, permit any municipality or other governmental agency to participate in the Agreement under the same prices, terms, and conditions, if agreed to by both parties. It is understood that at no time will any city, municipality, or other agency be obligated for placing an order for any other city, municipality, or agency; nor will any city, municipality, or agency be obligated for any bills incurred by any other city, municipality, or agency. Further, it is understood that each agency will issue its own purchase order to the awarded Contractor(s).

3.44. County Facilities

County facilities are administrative facilities that provide services to the Volusia County public and any agencies that it serves. As such, activities in all buildings are critical to the provisioning of services to the public and shall not be interrupted by the Contractor's Work activities.

3.45. Licenses, Certificates, and Permits

In Process

A. The County reserves the right to require proof that the Respondent is an established business and is abiding by the ordinances, regulations, and laws of their community and the State of Florida, such as but not limited to: business tax receipts, business licenses, Florida sales tax registration, Federal Employers Identification Number, Registration with the Florida Department of State, Division of Corporations Sunbiz at www.sunbiz.org, AND;

B. The Respondent shall be required, upon notification of recommendation of award, to register with the Florida Department of State Division of Corporations at www.sunbiz.org in order to provide services under the resulting Agreement.

C. If a license is required, the Respondent shall be licensed to perform the required Work in accordance with the laws of the State of Florida and local ordinances. Respondent shall also verify that his/her Subcontractors are licensed to perform the Work in accordance with the laws of the State of Florida and local ordinances.

D. If applicable, the Respondent shall have a current professional registration certificate from the appropriate governing board. The Respondent must be properly registered at the time of its submittal to practice their profession in the State of Florida.

E. At time of Response, Respondent shall hold the required licensure to be the prime Contractor for all Work to be performed under the resulting Agreement. If Respondent proposes to use a Contractor to perform any Work under the resulting Agreement such Subcontractor shall hold the

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

required licensure for all Work to be performed under the resulting Agreement. All licenses and permits required to perform Work under the resulting Agreement whether such license or permit is required by the federal government, State of Florida, Volusia County, or any municipality, shall be at Respondent's sole cost and expense, and shall not be a cost of the County. All required licenses and permits shall be maintained in full force and effect during the term of the resulting Agreement.

3.46. Records & Right to Audit

County shall have the right to audit the books, records, and accounts of Contractor and its Subcontractorthat are related to the resulting Contract. Contractor and its Subcontractors shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the resulting Contract. Contractor shall preserve and make available, at reasonable times for examination and audit by County, all financial records, supporting documents, statistical records, and any other documents pertinent to this Contract for a retention period of five (5) years after completion or termination of the Contract, and any renewals, as required by Item 65, General Records Schedule GS1-SL for State and Local Government Agencies, effective February 19, 2015 and the Florida Public Records Act (Chapter 119, Florida Statutes). Contractor shall, by written Contract, require its Subcontractors to agree to the requirements and obligations of this Section. Audits will be subject to applicable privacy and confidentiality laws and regulations and Contractor's privacy and confidentiality policies and procedures.

3.47. Claim Notice

In Process

The Contractor shall immediately report in writing to the County's designated representative or agent any incident that might reasonably be expected to result in any claim under any of the coverage mentioned herein. The Contractor agrees to cooperate with the County in promptly releasing reasonable information periodically as to the disposition of any claims, including a résumé of claims experience relating to all Contractor operations at the County project site. The designated representative for the County shall be:

Name: County of Volusia, Florida
Human Resources/Risk Management Division
Address: 125 W. New York Avenue, Suite 141
DeLand, Florida 32720
Telephone: 386-736-5963
Fax: 386-822-5006

3.48. Waiver of Claims

Once the Agreement expires, or final payment has been requested and made, the awarded Contractor shall have no more than thirty (30) calendar days to present or file any claims against the County concerning the Agreement. After that period, the County will consider the Contractor to have waived any right to claims against the County concerning the Agreement.

3.49. Compliance with Laws and Regulations

The Contractor shall be responsible to know and to apply all applicable federal and state laws, all local laws, ordinances, rules, regulations (including but not limited to the following statutes: Americans with

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Disabilities Act (ADA),Titles I, II and III of the ADA; Federal Immigration Reform and Control Act of 1986 (as amended); and Title VII of the Civil Rights Act of 1964 (as amended), and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the Work, or which in any way affect the conduct of the Work. Contractor shall observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees for all Work or Services performed under the Agreement. The Contractor shall indemnify, defend and hold harmless the County and all its officers, agents, servants, or employees against any liability or claim made against the County arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by Contractor, its representatives, Subcontractors, professional associates, agents, servants, or employees.

Pursuant to Section 287.05701, Florida Statutes, vendors are hereby notified that:

- The County shall not request documentation of or consider a vendors social, political or ideological interests when determining if the vendor is a responsible vendor: and
- The County may not give preference to a vendor based on the vendors social, political or ideological interests.

3.50. For Internet/Web Services

For the purposes of this paragraph, any Services or products offered to public via the internet or online must comply with WCAG 2.1 AA in order to be deemed ADA compliant. The County will provide Contractor with prompt written notice with respect to any ADA deficiencies of which the County is aware and Contractor will promptly correct such deficiencies. If the County, the Department of Justice or other governmental entity tasked with the enforcement of the ADA ("Enforcement Agency") notes any deficiency in the facilities, practices, services, or operations of the Contractor furnished or provided in connection with this Agreement, Contractor shall, at no additional charge or cost to the County, immediately cure any such deficiencies without delay to the satisfaction of such Enforcement Agency. Contractor further agrees that it shall, to the extent permitted by law, indemnify, defend, and hold harmless the County against any and all claims, sanctions, or penalties assessed against the County, which claims, sanctions, or penalties arise or otherwise result from Contractor's failure to comply with the ADA or WCAG 2.1 AA, for online or internet Services or products.

3.51. Scrutinized Companies-FL Statute Section 287.135 and 215.473

Contractormust certify that the company is not participating in a boycott of Israel. For Contracts for goods or services of one million dollars or more, Contractor must also certify that Contractor is not on the Scrutinized Companies that Boycott Israel List, not on the Scrutinized Companies with Activities in Sudan List, and not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has not been engaged in business operations in Cuba or Syria. Subject to limited exceptions provided in state law. The County will not contract for the provision of goods or services with (i) any company participating in a boycott of Israel, and, (ii) for Contracts for goods or services of one million dollars or more, any other scrutinized company as described above. Contractor must submit certification. Submitting a false certification shall be deemed a material breach of contract. The County shall provide notice, in writing, to the Contractor of the County's determination concerning the false certification. The Contractor shall have five (5) Calendar Days from receipt of notice to refute the false certification allegation. If such false certification is discovered during the active contract term, the Contractor shall have ninety (90) days

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the Contractor does not demonstrate that the County's determination of false certification was made in error then the County shall have the right to terminate the Contract and seek civil remedies pursuant to Section 287.135, Florida Statutes, as amended from time to time.

3.52. Human Trafficking Attestation Pursuant to Section 787.06, Florida Statutes

A duly authorized officer or representative of the Respondent (non-governmental entity) shall complete the included Volusia Human Trafficking Attestation Form in compliance with Section 787.06(14), Florida Statutes, (2025).

3.53. Drug-Free and Smoke-Free Workplace

The County of Volusia is a drug-free and smoke-free workplace. Contractor agrees that its personnel and the personnel of each of its Subcontractors shall adhere to the County's policies on drug-free and smoke-free work place during the term of this Contract while at a County job location.

3.54. Modifications Due to Public Welfare or Change in Law

The County shall have the power to make changes in the Agreement as the result of changes in law and/or ordinances of Volusia County to impose new rules and regulations on the Contractor under the Agreement relative to the scope and methods of providing services as shall, from time to time, be necessary and desirable for the public welfare. The County shall give the Contractor notice of any proposed change and an opportunity to be heard concerning those matters. The scope and method of providing services as referenced herein shall also be liberally construed to include, but is not limited to, the manner, procedures, operations and obligations, financial or otherwise, of the Contractor. In the event any future change in federal, state or county law or the ordinances of Volusia County materially alters the obligations of the Contractor, or the benefits to the County, then the Agreement shall be amended consistent therewith. Should these amendments materially alter the obligations of the Contractor, then the Contractor or the County shall be entitled to an adjustment in the rates and charges established under the Agreement. Nothing contained in the Agreement shall require any party to perform any act or function contrary to law. The County and Contractor agree to enter into good faith negotiations regarding modifications to the Agreement, which may be required in order to implement changes in the interest of the public welfare or due to change in law. When such modifications are made to the Agreement, the County and the Contractor shall negotiate in good faith, a reasonable and appropriate adjustment for any changes in services or other obligations required of the Contractor directly and demonstrably due to any modification in the Agreement under this clause.

In Process

3.55. Right to Require Performance

A. The failure of the County or Contractor at any time to require performance by the other of any provision hereof shall in no way affect the right of the County or Contractor thereafter to enforce same, nor shall waiver by the County of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

B. In the event of failure of the Contractor to deliver services in accordance with the Agreement terms and conditions, the County, after due written notice, may procure the services from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the County may have.

3.56. Force Majeure

Neither party shall be liable for any failure or delay in the performance of its obligations under the Agreement to the extent such failure or delay necessarily results from the occurrence of a Force Majeure Event beyond the control or reasonable anticipation of either party, including, but not limited to, compliance with any unanticipated government law or regulation not otherwise in effect at the time of execution of this Agreement, acts of God, acts of domestic or international terrorism, any virus, bacterium, or other microorganism capable of inducing physical distress, illness, or disease, whether due to a pandemic or otherwise, unforeseeable governmental acts or omissions, fires, strikes, natural disasters, wars, riots, transportation problems, and/or any other unforeseeable cause whatsoever beyond the reasonable control of the parties (and such cause being referred to as a "Force Majeure Event"). Accordingly, the parties further agree that:

A. Upon the occurrence of Force Majeure Event, the non-performing party shall be excused from any further performance of those obligations under this Agreement that are affected by the Force Majeure Event for as long as (a) the Force Majeure Event continues; and (b) the non-performing party continues to use commercially reasonable efforts to recommence performance whenever and to whatever extent possible without delay.

In Process

B. Upon the occurrence of a Force Majeure Event, the non-performing party shall notify the other party of the occurrence of such event and describe in reasonable detail the effect(s) of such event upon the party's performance of its obligations and duties pursuant to this Agreement. Such notice shall be delivered or otherwise communicated to the other party within three (3) business days following the failure or delay caused by the Force Majeure Event, or as soon as possible after such failure or delay if the Force Majeure Event precludes the non-performing party from providing notice within such time period.

C. In the event of a Force Majeure Event, the time for performance by the parties under the applicable Scope of Work shall be extended for a period of time equal to the time lost by reason of such cause through execution of a Modification order pursuant to the terms of the Agreement.

3.57. Contractor's or Consultant's Personnel

During the performance of the Agreement, the Contractor agrees to the following:

A. The Contractor shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, handicap, or national origin, except when such condition is a bona fide occupational qualification reasonably necessary for the normal operations of the Contractor.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

The Contractor agrees to post in conspicuous places, visible to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

B. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, shall state that such Contractor is an Equal Opportunity Employer.

C. The Contractor shall be responsible for ensuring that its employees, agents, and Subcontractors comply with all applicable laws and regulations and meet federal, state, and local requirements related to their employment and position;

D. The Contractor certifies that it does not and will not during the performance of the Agreement employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986, as amended. If the Contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Contract. The Contractor shall be responsible for including this provision in all contracts with Subcontractors related to this Contract.;

E. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section;

F. The Contractorshall include the provisions of the foregoing paragraphs A, B, C, D, and E, above, in every subcontract or purchase order so that the provisions will be binding upon each Subcontractor;

In Process

G. The Contractor and any Subcontractor shall pay all employees working on this Agreement not less than minimum wage specified in the Fair Labor Standards Act (29 CFR 510-794) as amended;

H. Any information concerning the County, its products, services, personnel, policies, or any other aspect of its business learned by the Contractor or personnel furnished by the Contractor in the course of providing services pursuant to the Agreement and exempt from disclosure pursuant to Section 119.01, F.S., shall be held in confidence and shall not be disclosed by the Contractor or any employee or agents of the Contractor or personnel furnished by the Contractor, without the prior written consent of the County.

3.58. County/Contractor/Consultant Relationship

A. Any awarded Contractor shall provide the services required herein strictly under a contractual relationship with the County and is not, nor shall be, construed to be an agent or employee of the County. As an independent Contractor the awarded Contractor shall pay any and all applicable taxes required by law; shall comply with all pertinent federal, state, and local statutes including, but not limited to, the Fair Labor Standards Act, The Americans with Disabilities Act, the Federal Civil Rights Act, and any and all relevant employment laws. The Contractor shall be responsible for all income tax, FICA, and any other withholdings from its employees' or Subcontractor’s wages or salaries. Benefits for same shall be the responsibility of the Contractor including, but not limited

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

to, health and life insurance, mandatory Social Security, retirement, liability/risk coverage, and workers' and unemployment compensation.

B. The Contractor shall hire, compensate, supervise, and terminate members of its work force; shall direct and control the manner in which Work is performed including conditions under which individuals will be assigned duties, how individuals will report, and the hours individuals will perform.

C. The Contractor shall not be provided special space, facilities, or equipment by the County to perform any of the duties required by the Agreement, nor shall the County pay for any business, travel, or training expenses or any other Agreement performance expenses not explicitly set forth in the specifications.

D. The Contractor, except as expressly set forth herein, shall not be exclusively bound to the County and may provide professional services to other private and public entities as long as it is not in direct conflict and does not provide a conflict of interest with the services to be performed for the County.

3.59. Disqualification of Respondents

A. One (1) Response: Only one (1) Response from an individual firm, partnership or corporation under the same or under a different name will be considered. If a Respondent submitted more than one (1) Response for the Work involved, all Responses submitted from such Respondent will be rejected.

In Process

B. Collusion among Respondents: If it is believed that collusion exists among the Respondents, the Responses of all participants in such collusion shall be rejected and no participants in such collusion will be considered in future proposals for the same Work.

3.60. Debarment: Purpose and Intent

The County endeavors to solicit offers from, award contracts to, and consent to subcontracts with responsible vendors, consultants, and contractors only. To further this policy, the County asserts its authority to debar certain vendors, consultants, and contractors from participating in solicitations pursuant to the policies and procedures herein. The serious nature of debarment requires that this sanction be imposed only when it is in the public interest for the County's protection and not for purposes of punishment. Debarment is intended as a remedy in addition to, and not in substitution of, the evaluation of the responsibility of County vendors, consultants, and contractors, and this policy and the procedures provided for herein shall not supplant or supersede County's authority to reject or otherwise terminate vendors, consultants, or contractors based on findings of non-responsibility on a case-by-case basis. Further information regarding the County's policies and procedures in regards to debarment may be found at: https://www.volusia.org/core/fileparse.php/5896/urlt/Debarment-Policy-final-3-27-17.pdf

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3.61. For purposes of this Solicitation and evaluation of responses hereto the following shall apply:

Unit prices shall prevail over extended prices; written matter shall prevail over typed matter; numbers spelled in word form shall prevail over Arabic numerals ("one" over "1"). When not inconsistent with context words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.

3.62. Dispute Resolution

A. Good Faith Efforts to Resolve. The parties to this Agreement shall exercise their best efforts to negotiate and settle promptly any dispute that may arise with respect to this Agreement in accordance with the provisions set forth in this Section. The Contractor and County Project Manager shall use reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, to address and work toward resolution of issues that arise in performance of this Agreement and any applicable Scope of Work or Services. Issues shall be escalated to successive management levels as needed.

B. Informal Dispute Resolution. If a dispute develops between the parties concerning any provision of this Agreement, or the interpretation thereof, or any conduct by the other party under this Agreement, and the parties are unable to resolve such dispute within five (5) business days or longer, that party, known as the invoking party, through its applicable project manager, shall promptly bring the disputed matter to the attention of the non-invoking party's project manager or designated representative, as the case may be, of the other party in writing ("Dispute Notice") in order to resolve such dispute.

C. Discovery and Negotiation / Recommended Procedures. Upon issuance of a dispute notice, the project managers or designated representative shall furnish to each other all non-privileged information with respect to the dispute believed by them to be appropriate and germane. The project managers shall negotiate in an effort to resolve the dispute without the necessity of any formal proceeding. If such dispute is not resolved by the project managers or designated representative within five (5) County work days of issuance of the dispute notice, or such other time as may be mutually allowed by the project managers as being necessary given the scope and complexity of the dispute, the project managers may, depending upon the nature, scope, and severity of the dispute, escalate the dispute as indicated in Figure 1 below.

D. Formal Dispute Resolution. At any point after issuance of a dispute notice under this section, either party may request and initiate formal non-binding mediation before a single mediator, which mediation shall be completed within thirty (30) days of initiation or such longer time as may be agreed upon by both parties as being necessary for the mutual selection of a mediator and scheduling of such mediation. Any such mediation shall be convened and conducted in accordance with the rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700 et seq. of the Florida Rules of Civil Procedure, and Chapter

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize any pending termination remedies and commence litigation in a court of competent jurisdiction. Each party shall bear its own costs and attorneys' fees for mediation or arbitration of an issue arising under this Agreement.

E. Right to Terminate Reserved. Regardless of the dispute resolution procedures provided for in this Section, Dispute Resolution, nothing herein shall affect, delay, or otherwise preclude a party from terminating this Agreement in accordance with the provisions of Special Terms and Conditions, Termination, it being understood that these dispute resolution procedures are intended as a means of resolving disputes both during the term of this Agreement and after termination or expiration thereof.

In Process

3.63. Authorized Signatory

Respondent acknowledges that the name and title of the signatory (the "Authorized Signatory"), as completed, is authorized to execute contracts/agreements with the County of Volusia, and that submitting a Response via the County's eProcurement Portal shall be the act of and attributable to the Authorized Signatory to bind the company. By submitting this Response electronically, the Authorized Signatory does thereby adopt the electronic or conformed submittal as authorized firm commitment and for use as an official record by the County of Volusia.

3.64. Acknowledgement of Solicitation Tabulation

All responses accepted by the County of Volusia are subject to the County's terms and conditions. Any and all additional terms and conditions submitted by Respondent(s) are rejected and shall have no force and effect. Responses from the Respondent(s) listed on the tabulation are the only Responses received timely as of the closing date and time. All other Responses submitted in response to the solicitation, if any, are rejected as late.

4. Insurance Requirements

4.1. Required Types of Insurance

The Contractor shall purchase and maintain at its own expense, during the term of the Agreement, the types and amounts of insurance with limits no less than those shown in the Required Types and Limits of Insurance Chart associated with this Solicitation, in the form and from companies satisfactory to the County. The Required Types and Limits of Insurance Chart is a listing and general summary of insurance

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

policies required and is not intended to be comprehensive as to the requirements of each specific policy. Contractors shall review the additional requirements in this section and ensure that the insurance policies comply with the specific terms and conditions therein.

For the purposes of indemnification of the County or an endorsement or insurance coverage under this Agreement/Contract under which the County is a "named insured", "additional named insured", or "additional insured", the term "County" includes the County of Volusia (a body corporate and politic and a subdivision of the State of Florida), including its districts, authorities, separate units of government established by law, ordinance or resolution, partners, elected and non-elected officials, employees, agents, volunteers, and any party with whom the County has agreed by contract to provide additional insured status.

The policy limits for all required policies in the Required Types and Limits of Insurance Chart shall apply separately from one another and shall not be shared with any other coverage line or reduce the aggregate limit of any other insurance coverage form required.

Regardless of anything submitted as proof of insurance, Contractor shall comply with all requirements as stated in the Solicitation and/or Contract Documents.

4.2. Subcontractors/Subconsultants and Independent Contractors/Consultants

All subcontractors & independent contractors utilized by Contractor to provide services to County and its employees under this Agreement/Contract shall be required to maintain all insurance policies with the same terms, conditions, and requirements required of the Contractor in the Required Types and Limits of Insurance Chart and described in this Solicitation.

In Process

4.3. Claims Made Basis Insurance Policies

All insurance policies written on a Claims Made Form shall maintain a retroactive date prior to or equal to the effective date of the Agreement. The Contractor shall purchase a Supplemental Extended Reporting Period ("SERP") with a minimum reporting period of not less than three (3) years in the event the policy is canceled, not renewed, switched to occurrence form, or any other event which requires the purchase of a SERP to cover a gap in insurance for claims which may arise under or related to the Agreement. The Contractor's purchase of the SERP shall not relieve the Contractor of the obligation to provide replacement coverage. In addition, the Contractor shall require the carrier immediately inform the Contractor, the County Risk Manager, and the Purchasing and Contracts Division of any contractual obligations that may alter its professional liability coverage under the Agreement.

4.4. Risk Retention Groups and Pools

Contractor shall not obtain an insurance policy required under this Agreement from a Risk Retention Group or Pool.

4.5. Minimum Required Policies and Limits

Minimum underlying policies, coverages, and limits shall include all policies listed in the Required Types and Limits of Insurance Chart.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

4.6. Additional Insured, Policies, Coverages, Limits, Primary and Non-Contributory Basis

Under all insurance policies where the County is required to be an additional insured, the coverage and limits provided to the County under Contractor's insurance policies shall be that listed in the Required Types and Limits of Insurance Chart or the Contractor's actual limits, whichever is higher. All coverage provided to the County as an additional insured by said policies shall be primary and shall not be additional to or contributing with any other insurance or self-insurance maintained by the County or any other insurance contractually available for the benefit of the County. Contractors performing construction projects shall utilize ISO Forms CG 20 38 and CG 20 37, or their equivalents to provide additional insured status to the County and any party to whom the County is contractually bound to provide additional insured status under a commercial general liability policy.

4.7. Disposal of Materials

If the services provided require the disposal of any hazardous or non-hazardous materials off the job site, the disposal site operator must furnish a certificate of insurance for Pollution Legal Liability with coverage for bodily injury and property damage for losses that arise from the facility that is accepting the waste under the Agreement.

4.8. Workers' Compensation

Workers' Compensation insurance is required for all employees of the Contractor, employed or hired to perform or provide work or services under the Agreement or that is in any way connected with work or services performed under the Agreement, without exclusion for any class of employee, and shall comply fully with the Florida Workers' Compensation Law (Chapter 440, Florida Statutes, Workers' Compensation Insurance) and include Employers' Liability Insurance with limits no less than the statutory amount. Policy shall be endorsed with NCCI form WC 00 03 13 providing a waiver of subrogation in favor of the County. If Contractor is using a "leased employee" or an employee obtained through a professional employer organization ("PEO"), Contractor is required to have such employees covered by worker's compensation insurance in accordance with Florida Worker's Compensation law. The PEO shall endorse its workers compensation policy with NCCI form WC 00 03 13 providing a waiver of subrogation in favor of the County, its employees and insurers.

(1) Contractor and its Subcontractors, or any associated or subsidiary company doing work on County property or under the Agreement must be named in the Workers' Compensation coverage or provide proof of their own Workers' Compensation coverage, without exclusion of any class of employee, and with a minimum of the statutory limits per occurrence for Employer's liability coverage. Further, if the Contractor's Subcontractors fail to obtain Workers' Compensation insurance and a claim is made against the County by the uncovered employee of said Subcontractor of the Contractor, the Contractor shall indemnify, defend, and hold harmless the County from all claims for all costs including attorney's fees and costs arising under said employee(s) Workers' Compensation insurance claim(s).

4.9. Commercial General Liability Insurance.

The Contractor shall obtain and maintain Commercial General Liability insurance, with limits of not less than the amounts shown in the Required Types and Limits of Insurance Chart. Contractor shall not obtain

In Process

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

an insurance policy wherein the policy limits are reduced by defense and claim expenses. Such insurance shall be issued on an occurrence basis and include coverage for the Contractor's operations, independent contractors, and Subcontractors protecting itself, its employees, agents, Contractor or subsidiaries, and their employees or agents for claims for damages caused by bodily injury, property damage, or personal or advertising injury, and products liability/completed operations including what is commonly known as Coverages A and B. Such policies shall include coverage for claims by any person as a result of actions directly or indirectly related to the employment of such person or entity by the Contractor or by any of its Subcontractors arising from work or services performed under the Agreement. Policy shall include either contractual insurance or a designated contract contractual liability coverage endorsement, indicating expressly the Contractor's Agreement to indemnify, defend and hold harmless the County as provided in the Agreement. The commercial general liability policy shall provide coverage to County when it is required to be named as an additional insured either by endorsement or pursuant to a blanket additional insured endorsement, for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office, without the attachment of any endorsements excluding or limiting coverage for Bodily Injury, Property Damage, Products/Completed Operations, Independent Contractors, Property of County in Contractor's Care, Custody or Control or Property of County on which contracted operations are being performed, Explosion, Collapse or Underground hazards (XCU Coverage, Contractual Liability or Separation of Insureds.

For construction related projects, County shall be added as additional insured to Contractor's policy by both ISO Endorsements CG 20 38 (Premises & Operations) and CG 20 37 (Products & Completed Operations) or their equivalents. If County has agreed by separate contract to require Contractor to name another party as an additional insured, Contractor shall add said party as an additional insured to the commercial general liability policy by ISO Endorsement CG 20 38 and CG 20 37, or their equivalents.

For non-construction projects, Contractor shall add County as additional insured by both ISO Endorsements CG 20 10 (Premises & Operations) and CG 20 37 (Products & Completed Operations) or their equivalent. If County has agreed by separate contract to require Contractor to name another party as an additional insured, Contractor shall add said party as an additional insured to the commercial general liability policy by both ISO Endorsement CG 20 10 and CG 20 37 or their equivalents.

All commercial general liability policies shall be endorsed to provide a waiver of subrogation in favor of the County and any other party required by this Agreement to be named as an additional insured.

4.10. Motor Vehicle Liability

The Contractor shall secure and maintain during the term of the Agreement a motor vehicle liability policy with a combined single limit of no less than the amounts shown in the Required Types and Limits of Insurance Chart for bodily injury and property damage arising from the ownership, maintenance, or use of a motor vehicle. Policy shall be written with Coverage Symbol 1 (Any Auto), providing coverage for all autos operated regardless of ownership, or with Coverage Symbols 7, 8, & 9 (Scheduled, Hired, & Non-Owned vehicles). The County shall be an additional insured under this policy when required in the Required Types and Limits of Insurance Chart. If Motor Vehicle Liability is by endorsement to another policy required in the Required Types and Limits of Insurance Chart, then the limits for Motor Vehicle Liability shall be separate (they shall not be shared) and in addition to the underlying policy limits. If

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

endorsed to another policy required in the Required Types and Limits of Insurance Chart, Motor Vehicle Policy Limits shall apply on a per occurrence basis and shall not have an aggregate limit.

4.11. Primary and Excess Coverage

Any insurance required may be provided by primary and excess insurance policies.

4.12. General Insurance Requirements

A. All insurance policies shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of A- and a Financial category size of VIII or greater in the "Best Key Rating Guide" published by A.M. Best & Company, Inc.

B. Approval by County of any policy of insurance shall not relieve Contractor from its responsibility to maintain the insurance coverage required herein for the performance of Work or Services by the Contractor or its Subcontractors for the entire term of the Agreement and for such longer periods of time as may be required under other clauses of the Agreement.

C. **Waiver of Subrogation**. The Contractor hereby waives all rights against the County and its Subcontractors for damages by reason of any claim, demand, suit or settlement (including Workers' Compensation) for any claim for injuries or illness of anyone, or perils arising out of the Agreement. The Contractor shall require similar waivers from all its Subcontractors. Contractor's insurance policies shall include a waiver of subrogation in favor of the County. This provision applies to all policies of insurance required under the Agreement (including Workers' Compensation, and general liability).

In Process

D. **County Not Liable for Paying Deductibles**. For all insurance required by Contractor, the County shall not be responsible or liable for paying deductibles for any claim arising out of or related to the Contractor's business or any Subcontractor performing Work or Services on behalf of the Contractor or for the Contractor's benefit under the Agreement.

E. **Cancellation Notices**. During the term of the Agreement, Contractor shall be responsible for promptly advising and providing the County Risk Manager and the Purchasing and Contracts divisions with copies of notices of cancellation or any other changes in the terms and conditions of the original insurance policies approved by the County under the Agreement within two (2) business days of receipt of such notice or change.

F. **Deductibles and Self-Insured Retentions**.

1. Contractors that maintain and administer a self-insured retention or a large deductible formal program exceeding the insurance requirements listed in the Required Types and Limits of Insurance Chart to fund either program may submit an exception request in accordance with the Solicitation section detailing Revisions, Addenda, Questions & Answers to be considered for this Solicitation. The request must include a summary of the program's design and funding method to manage fund deductibles or self-insured retentions. If

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

additional information is necessary, the County will request more specific information, which must be provided by the Contractor. The County Risk Manager will review the information submitted and determine whether the program is acceptable to the County.

2. Contractors with no formal risk management program in place to manage and fund deductibles or self-insured retentions may not be considered.

3. Subject to County approval, Contractor may obtain a letter of credit in the amount equivalent to the deductible, which shall remain in effect during the term of the Agreement at no additional cost to the County.

G. Contractor's obligations or services shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity or insurance defense of additional or named insureds which would otherwise exhaust or be unavailable as to a party or person described in this Contract.

4.13. Proof of Insurance.

A. The Contractor shall be required to furnish evidence of all required insurance in the form of certificates of insurance, which shall clearly outline all hazards covered as itemized herein, the amounts of insurance applicable to each hazard and the expiration dates.

B. The Contractor shall furnish proof of insurance acceptable to the County prior to or at the time of execution of the Agreement and the Contractor shall not commence work or provide any service until the Contractor has obtained all the insurance required under the Agreement and such insurance has been filed with and approved by the County. Upon request from the County, the Contractor shall furnish copies of all required policies and any changes, endorsements, or amendments thereto, immediately, to the County, the County Risk Manager, and Purchasing and Contracts Divisions, prior to and any time after the commencement of any contractual obligations. The Agreement may be terminated by the County, without penalty or expense to County, if at any time during the term of the Agreement proof of any insurance or copies of any insurance policies required hereunder are not provided to the County upon request.

C. All certificates of insurance shall clearly indicate that the Contractor has obtained insurance of the type, amount and classification required by this Section. No work or services by Contractor or its Subcontractors shall be commenced until County has approved these policies or certificates of insurance. Further, the Contractor agrees that the County shall make no payments pursuant to the terms of the Agreement until all required proof or evidence of insurance has been provided to the County. The Agreement may be terminated by the County, without penalty or expense, if proof of any insurance required hereunder is not provided to the County.

D. The Contractor shall file replacement certificates with the County at the time of expiration or termination of the required insurance occurring during the term of the Agreement. In the event such insurance lapses, the County expressly reserves the right to renew the insurance policies at

In Process

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

the Contractor's expense or terminate the Agreement but County has no obligation to renew any policies.

E. The provisions of these sections, Required Types of Insurance; Insurance Requirements; and Proof of Insurance, shall survive the cancellation or termination of the Agreement.

4.14. Provide Proof of Insurance

Provide Proof of Insurance - evidence of required insurance coverage or proof of insurability in the amounts indicated. If available, a properly completed ACORD Form is preferable. Upon award, final forms must contain the correct Solicitation and/or project number and Volusia County contact person.

Firms that have owner/operators that have filed a "Notice of Election to be Exempt" shall submit a copy of the notice with the response.

5. Scope of Work

5.1. Materials for Water & Sewer Operations

Scope of Work

A. All materials shall be "first use", free of dents, cracks, breaks, corrosion, wear, cross threads, and all other defects.

In Process

B. All metal items required shall be American made, and meet all American Water Works Association (AWWA) specifications.

C. Any defective item received shall be returned to Contractor at Contractor's expense.

D. All items shall be purchased in lots of box, package, bag, fill length, roll, etc., where applicable.

E. Contractor shall be able to supply all materials quoted.

F. Contractor shall deliver materials requested to central utility locations (DeBary, Orange City, DeLand, and Spruce Creek) within forty-eight (48) hours from time of order.

G. Delivery charges shall be included in submitted bid prices. Volusia County will only pay shipping charges for special order items or expedited shipping. In such cases, the Contractor shall provide documentation, from third party carrier of delivery charges.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

H. Contractor shall submit pricing for all items on Attachment A - Price Sheet. All yellow shaded boxes must be filled in to be deemed responsive and responsible. Award will be based on the total bid cost. Pricing shall be held until such time as a price redetermination is requested and approved. Contractor shall upload completed Attachment A - Price Sheet in Vendor Questionnaire 5.1.

I. Contractor shall enter a percentage discount for related items not specifically listed on Attachment A - Price Sheet but carried in inventory. The percentage discount shall be applied to pricing that would be paid by the general public.

J. Quantities listed on Attachment A - Price Sheet are estimates only and in no way represent a guarantee of future expenditures by the County.

K. Contractor shall bid on only those brand names specified. Any other brand shall require prior approval from Volusia County, by posing a question in the Question & Answer section of OpenGov in the bid before the deadline. An answer will be posted in the Question & Answer section.

In Process

L. Contractor shall have an on-line ordering system.

6. Vendor Questionnaire

1. Acknowledgements

*1.1. Acknowledgment**

By checking yes, the Respondent acknowledges the following:

- Information provided in the response is true and correct and that the submission of a response is final.
- The Respondent agrees to all terms and conditions contained in this solicitation and related exhibits, including construction drawings, technical specifications, and permits, if applicable. (By checking yes, vendor agrees to the attached County of Volusia Purchase Order (PO) or Master Agreement (MA) Terms and Conditions, if included with this solicitation.)
- Respondent further agrees and acknowledges that no proprietary or confidential information has been submitted. By submitting this proposal or entering into this contract, Contractor/Respondent acknowledges that all documents submitted are public records and agrees that any records maintained, generated, received, or kept in connection with, or related to the performance of services or delivery of products provided under this proposal or Contract are public records subject to the public records disclosure requirements of Florida Statutes sec. 119 et seq., and Article I, section 24 of the Florida Constitution.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

- Responses may be withdrawn by the Respondent prior to the closing/offer date. Following the closing date, Respondent understands that a response may not be withdrawn.

☐ Yes
☐ No

*Response required

*1.2. Scope of Services Acknowledgement**

By checking yes, vendor acknowledges the above and/or included Scope of Services and will furnish said product and/or services according to the specifications or scope of services detailed within this Solicitation if awarded.

☐ Yes
☐ No

*Response required

*1.3. Document Upload Format Acknowledgement**

By checking yes, the Respondent acknowledges that all uploaded documents are in one of the following formats:

- Microsoft Word
- Microsoft Excel
- Adobe PDF

In Process

Any other format is not compatible with OpenGov and may render your response unreadable.

☐ Yes
☐ No

*Response required

*1.4. By checking yes, the vendor agrees to comply with the E-Verify requirements as described in this section.**

The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor on or after the effective date of this Agreement and thereafter during the remaining term of the Agreement, including Subcontractor. Any subcontract entered into by Contractor with any Subcontractor performing Work under this Contract shall include the following language: "The Subcontractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor on or after the effective date of this Agreement and thereafter during the remaining term of the Agreement." The Contractor covenants and agrees that if it is found in violation of this section or the Executive Order, such violation shall be a material breach of this Agreement and Contractor shall indemnify, defend and hold harmless the County from any fines or penalties levied by a government agency, including the loss or repayment of grant funds by the County.

☐ Yes
☐ No

*Response required

*1.8. Name and Title of Authorized Agent of the Respondent**

Respondent acknowledges that the name and title of the signatory (the “Authorized Signatory”), as completed below, is authorized to execute contracts/agreements with the County of Volusia, and any affixed electronic or conformed signature of the Authorized Signatory shall be the act of and attributable to the Authorized Signatory and the Respondent. By signing this Agreement electronically, the Authorized Signatory does thereby adopt the electronic or conformed signature as his or her own and designates a copy of same for use as an official record by the County of Volusia.

If the below-named individual is not an authorized agent of the firm, as listed with the Florida Division of Corporations (Sunbiz), a Memorandum of Authority shall be uploaded giving that individual authorization to commit the firm to a contract.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Please provide the Complete Name and Title which shall indicate acknowledgment.

*Response required

*1.9. Conflict of Interest**

The award of this Solicitation is subject to Chapter 112, Florida Statutes. All respondents must disclose with their response the name of any officer, director, or agent who is also an employee of the County of Volusia. Further, all respondents must disclose the name of any County of Volusia employee who owns, directly or indirectly, an interest of the Respondent's/Supplier's firm or any of its subsidiaries associated with this project. I certify that this proposal is made without prior understanding, agreement or connection with any corporation, firm or person submitting a proposal for the same services, and is in all respects fair and without collusion or fraud.

Respondent shall select 'No' if a conflict of interest as defined in this question does NOT exist. Please select 'Yes' if a conflict of interest as defined in this question DOES exist and shall be further described in the explanation below.

☐ Yes
☐ No

*Response required

*1.10. Enter explanation of the conflict of interest indicated above.**

If the response to the above question is "Yes", enter an explanation of the conflict. If the response to the above question is "No", enter N/A.

In Process

*Response required

*1.11. Do you or any owner(s), principal(s), or officer(s) of your firm currently serve on any Volusia County board(s) or committee(s)?**

☐ Yes
☐ No

*Response required

1.12. If you indicated YES to Volusia County board/committee question above.

Please list the individual's full name(s) and the board(s) and/or committee(s) on which they serve.

*1.13. Revisions, Addenda, Questions & Answers**

All answers to questions of substance will be publicly published using the Question & Answer feature.

Participants are required to review all revisions and answers to questions published. Revisions within the Solicitation as well as responses posted through the 'Question & Answer' feature are authoritative and shall be considered an addendum to the Solicitation. All information in this Solicitation, including information provided through the 'Question & Answer' feature are incorporated into the Solicitation or any Contract resulting from this Solicitation.

By selecting YES below, participants are confirming that they have reviewed revisions and all answers to questions published and any addenda up until the bid closing date and have given consideration to all

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

information in preparing the response to this solicitation. Selecting YES will serve as confirmation of acknowledgement.

☐ Yes

7. Definitions

As used in this document, the following terms shall have the meanings set forth below:

In Process

7.1. Agreement:

This Solicitation document between the County and the awarded Contractor(s) along with any written addenda and other written documents, which are expressly incorporated by reference. May be used interchangeably with Contract.

7.2. Agreement Administrator:

The Director of Purchasing and Contracts or designee shall serve as Agreement Administrator. The Agreement Administrator shall be responsible for addressing any concerns within the scope of the Agreement. Any changes to the resulting Agreement shall be made in writing and authorized by the Director of Purchasing and Contracts.

7.3. Bidder

That person or entity, including employees, servants, partners, principals, agents and assignees of the person or entity that submits a proposal for the purpose of obtaining a Contract with the County for the provision of the services requested in the Solicitation. Can be used interchangeably with Proposer and Respondent.

7.4. Confidential Information:

Confidential information shall constitute information which is exempt from disclosure pursuant to Chapter 119, Public Records Law, Florida Statutes (2018), Article I, Section 24 of the Florida Constitution ("Florida Public Records Law"), Chapter 812 of the Florida Statutes (2018), and any other Florida statute

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

that may provide for an exemption or the confidentiality of certain information (hereinafter "Confidential Information").Confidential Information and/or trade secrets do not include the following: (i) Information already known to or independently developed by the recipient; (ii) Information in the public domain through no wrongful act of the recipient; (iii) Information received by the party in possession from a third party the recipient; or (iv) Information regularly disclosed by the owner of the information to third parties without restriction on disclosure.

7.5. Constitutional Officers:

Shall mean, collectively, the Clerk of the Circuit Court of Volusia County, Volusia County Property Appraiser, Volusia Sheriff's Office, Volusia County Supervisor of Elections, and Volusia County Tax Collector.

7.6. Contract Price:

The total monies payable to the Contractor as consideration for completion of the Work in accordance with the Contract Documents

7.7. Contractor:

That person or entity, including employees, servants, partners, principals, agents and assignees of the person or entity that has submitted a Response for the purpose of obtaining business with the County and awarded an Agreement/Contract to provide the product and/or services set forth herein.

7.8. Contractor's Project Manager:

In Process

The Project Manager has responsibility for administering this Agreement for the successful Respondent(s) and will be designated prior to the issue of the resulting Master Agreement or Purchase Order.

7.9. Cost of the Work

The sum of all costs necessarily incurred and paid by the Contractor in the proper performance of the Work.

7.10. County:

Shall mean the County of Volusia (a body corporate and politic and a subdivision of the State of Florida) including its districts, authorities, separate units of government established by law, ordinance or resolution, partners, elected and non-elected officials, employees, agents, volunteers, and any party with whom the County has agreed by contract to provide additional insured status.

7.11. County's Project Manager(s):

The Project Manager(s) have responsibility for the day-to-day administration of the resulting Agreement for the County and will be designated prior to award of the resulting Master Agreement or Purchase Order.

7.12. Day:

The word "day" means each calendar day or accumulation of calendar days.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

7.13. Director:

The Director of Purchasing and Contracts for the County of Volusia, Florida.

7.14. Master Agreement:

The payment vehicle through with the successful Respondent(s) may be compensated. This Agreement will be issued in accordance with the specifications, terms, and conditions of this Bid document and shall be valid for a specified period of time and may have a specific dollar value, which shall not be exceeded annually.

7.15. Person or Persons:

An individual, firm, partnership, corporation, association, executor, administrator, trustee, or other legal entity, whether singular or plural, masculine or feminine, as the context may require.

7.16. Preference:

The method of the reducing the proposed Bid or quote price by a designated percentage for the sole purpose of determining the lowest price when compared to other prices submitted during a competitive solicitation.

7.17. Protest:

See process at www.volusia.org/purchasing.

In Process

7.18. Purchase Order:

The County's written document to the Contractor formalizing the proposed transaction, such as a description of item(s)/services, delivery location, payment terms, invoice address and transportation. If there are any conflicts between the Purchase Order and the awarded Solicitation, the terms of the Solicitation shall prevail.

7.19. Respondent:

That person or entity, including employees, servants, partners, principals, agents and assignees of the person or entity that submits a proposal for the purpose of obtaining a Contract with the County for the provision of the services requested in the Solicitation. Can be used interchangeable with Bidder and Proposer.

7.20. Response:

A Contractor's offer to the County in response to an invitation to the Solicitation issued by a purchasing authority. Used interchangeable with Bid or Proposal.

7.21. Solicitation:

This document used to obtain bids or proposals for the purpose of entering into a Contract for certain goods and/or services from the Respondent.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

7.22. Subcontractor:

A person other than a materialman or laborer who enters into a contract with a Contractor for the performance of any part of the Contract Documents.

7.23. Work or Scope of Work

The construction and services required by the Contract Documents including all labor, materials, equipment and services incidental thereto, provided or to be provided by the Contractor to fulfill the Contractor's obligation to achieve Final Completion of the Project.

THE E-VERIFY
MEMORANDUM OF UNDERSTANDING
FOR EMPLOYERS USING A WEB SERVICES E-VERIFY EMPLOYER AGENT

ARTICLE I
PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS), the STAline Waterworks Inc (Employer), and the Web Services E-Verify Employer Agent. The purpose of this agreement is to set forth terms and conditions which the Employer and the Web Services E-Verify Employer Agent will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the E-Verify Employer Agent, the Social Security Administration (SSA), and DHS.

In Process

References in this MOU to the Employer include the Web Services E-Verify Employer Agent when acting on behalf of the Employer.

For purposes of this MOU, the E-Verify browser refers to the website that provides direct access to the E-Verify system: https://e-verify.uscis.gov/emp/. You may access E-Verify directly free of charge via the E-Verify browser.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

For purposes of this MOU, references to the Employer include the Web Services E-Verify Employer Agent when acting on behalf of the Employer.

1. By enrolling in E-Verify and signing the applicable MOU, the Employer asserts that it is a legitimate company which intends to use E-Verify for legitimate purposes only and in accordance with the laws, regulations and DHS policies and procedures relating to the use of E-Verify.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

2. The Employer agrees to display the following notices supplied by DHS (though the Web Services E-Verify Employer Agent) in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system**:**

a. Notice of E-Verify Participation

b. Notice of Right to Work

3. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual. The Employer will obtain the E-Verify User Manual from the Web Services E-Verify Employer Agent, and will be notified by the Web Services E-Verify Employer Agent when a new version of the E-Verify User Manual becomes available.

5. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

6. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

7. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

8. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

In Process

9. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

10. The Employer must use E-Verify (through its Web Services E-Verify Employer Agent) for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

11. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps (see Article III.B below) to contact DHS with information necessary to resolve the challenge.

12. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated

verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status (including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

13. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

14. The Employer agrees that it will use the information it receives from E-Verify (through its Web Services E-Verify Employer Agent) only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as Personal Identification Numbers and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU**,** except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

15. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

16. The Employer acknowledges that the information it receives from SSA through its Web Services

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

E-Verify Employer Agent is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

17. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

18. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

19. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

20. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

In Process

21. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF THE WEB SERVICES E-VERIFY EMPLOYER AGENT

1. The Web Services E-Verify Employer Agent agrees to complete its Web Services interface no later than six months after the date the Web Services User signs this MOU. E-Verify considers your interface to be complete once it has been built pursuant to the Interface Control Agreement (ICA), submitted to E-Verify for testing, and approved for system access.

2. The Web Services E-Verify Employer Agent agrees to perform sufficient maintenance on the Web Services interface in accordance with the requirements listed in the ICA. These requirements include, but are not limited to, updating the Web Services interface to ensure that any updates or enhancements are incorporated no later than six months after the issuance of an ICA. Web Services E-Verify Employer Agents should be aware that this will require the investment of time and resources. Compliance with the requirements of the ICA must be carried out to the satisfaction of DHS and or its assignees.

3. The Web Services E-Verify Employer Agent agrees to provide to SSA and/or DHS the names, titles, addresses, e-mail addresses, and telephone numbers of the Web Services E-Verify Employer Agent representative who will access information, as well as ensure cooperation, communication, and

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

coordination with E-Verify. In addition, Web Services E-Verify Employer Agents must provide to SSA and/or DHS the names, titles, addresses, and telephone numbers of its clients and their staff who will access information through E-Verify. Web Services E-Verify Employer Agents must ensure the contact information is updated with SSA and DHS whenever the points of contact change.

4. The Web Services E-Verify Employer Agent agrees to become familiar with and comply with the E-Verify User Manual and provide a copy of the most current version of the manual to the Employer so that the Employer can become familiar with and comply with E-Verify policy and procedures. The Web Services E-Verify Employer Agent agrees to obtain a revised E-Verify User Manual as it becomes available and to provide a copy of the revised version to the Employer no later than 30 days after the manual becomes available.

5. The Web Services E-Verify Employer Agent agrees that any person accessing E-Verify on its behalf is trained on the most recent E-Verify policy and procedures.

6. The Web Services E-Verify Employer Agent agrees that any of its representatives who will perform employment verification cases will complete the E-Verify Tutorial before that individual initiates any cases.

a. The Web Services E-Verify Employer Agent agrees that all of its representatives will take the refresher tutorials initiated by E-Verify as a condition of continued use of E-Verify**,** including any tutorials for Federal contractors, if any of the Employers represented by the Web Services E-Verify Employer Agent is a Federal contractor.

b. Failure to complete a refresher tutorial will prevent the Web Services E-Verify Employer Agent and Employer from continued use of E-Verify.

In Process

7. The Web Services E-Verify Employer Agent agrees to grant E-Verify access only to current employees who need E-Verify access. The Web Services E-Verify Employer Agent must promptly terminate an employee's E-Verify access if the employee is separated from the company or no longer needs access to E-Verify.

8. The Web Services E-Verify Employer Agent agrees to obtain the necessary equipment to use E- Verify as required by the E-Verify rules and regulations as modified from time to time.

9. The Web Services E-Verify Employer Agent agrees to, consistent with applicable laws, regulations, and policies, commit sufficient personnel and resources to meet the requirements of this MOU.

10. The Web Services E-Verify Employer Agent agrees to provide its clients with training on E-Verify processes, policies, and procedures. The E-Verify Employer Agent also agrees to provide its clients with ongoing E-Verify training as needed. E-Verify is not responsible for providing training to clients of E-Verify Employer Agents.

11. The Web Services E-Verify Employer Agent agrees to provide the Employer with the notices described in Article II.B.2 below.

12. The Web Services E-Verify Employer Agent agrees to create E-Verify cases for the Employer it represents in accordance with the E-Verify Manual, the E-Verify Web-Based Tutorial and all other

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

published E-Verify rules and procedures. The Web Services E-Verify Employer Agent will create E-Verify cases using information provided by the Employer and will immediately communicate the response back to the Employer. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Web Services E-Verify Employer Agent's attempting, in good faith, to make inquiries on behalf of the Employer during the period of unavailability. If, however, the Web Services interface is unavailable due to no fault of E-Verify, then the three-day time period is not extended. In such a case, the Web Services E-Verify Employer Agent must use the E-Verify browser during the outage.

13. The Web Services E-Verify Employer Agent agrees to ensure that all notices, referral letters and any other materials otherwise including instructions regarding tentative nonconfirmations, will be consistent with the most current E-Verify tentative nonconfirmation notices and referral letters, which are available on E-Verify's website.

14. The Web Services E-Verify Employer Agent agrees that any system or interface it develops will follow the steps for creating E-Verify cases and processing tentative nonconfirmations, as laid out in the ICA, this MOU and the User Manual, including but not limited to allowing an employer to close an invalid case where appropriate, allowing an employer to refer a tentative nonconfirmation only when an employee chooses to contest a tentative nonconfirmation (no automatic referrals), and referring a tentative nonconfirmation to the appropriate agency at the time the employer prints the referral letter and provides the letter to the employee. The Web Services E-Verify Employer Agent understands that any failure to make its system or interface consistent with proper E-Verify procedures can result in DHS terminating the Web Services E-Verify Employer Agent's agreement and access with or without notice.

In Process

15. When the Web Services E-Verify Employer Agent receives notice from a client company that it has received a contract with the FAR clause, then the Web Services E-Verify Employer Agent must update the company's E-Verify profile within 30 days of the contract award date.

16. If data is transmitted between the Web Services E-Verify Employer Agent and its client, then the Web Services E-Verify Employer Agent agrees to protect personally identifiable information during transmission to and from the Web Services E-Verify Employer Agent.

17. The Web Services E-Verify Employer Agent agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

18. The Web Services E-Verify Employer Agent agrees to fully cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, including permitting DHS, SSA, their contractors and other agents, upon reasonable notice, to review Forms I-9, employment records, and all records pertaining to the Web Services E-Verify Employer Agent's use of E-Verify, and to interview it and its employees regarding the use of E-Verify, and to respond in a timely and accurate manner to DHS requests for information relating to their participation in E-Verify.

a. The Web Services E-Verify Employer Agent agrees to cooperate with DHS if DHS requests

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

information about the Web Services E-Verify Employer Agent's interface, including requests by DHS to view the actual interface operated by the Web Services E-Verify Employer Agent as well as related business documents. The Web Services E-Verify Employer Agent agrees to demonstrate for DHS the functionality of its interface to E-Verify upon request.

b. The Web Services E-Verify Employer Agent agrees to demonstrate, if requested by DHS, that it has provided training to its clients that meets E-Verify standards. Training programs must provide a focused study of the topics covered in the E-Verify User Manual and pertinent Supplemental Guides. Furthermore, training programs and materials must be updated as E-Verify changes occur. The Web Services E-Verify Employer Agent is encouraged to incorporate information from existing E-Verify materials, including the Enrollment Quick Reference Guide, the E-Verify Employer Agent Client Handbook (formerly known as the Designated Agent Client Handbook), and existing tutorials and manuals into their training program. E-Verify also encourages the Web Services E-Verify Employer Agent to supervise first-time use of the E-Verify browser or Web Services interface by its staff and Employer clients as part of any training program. The Web Services E-Verify Employer Agent agrees to submit its training program materials to DHS for review upon request.

Failure to provide adequate training could, in some instances, lead to penalties as described in Article V.F.1. of this MOU.

19. The Web Services E-Verify Employer Agent shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Web Services E-Verify Employer Agent shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your Web Services E-Verify Employer Agent services and any claim to that effect is false.

In Process

20. The Web Services E-Verify Employer Agent shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

21. The Web Services E-Verify Employer Agent agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Web Services E-Verify Employer Agent's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

22. The Web Services E-Verify Employer Agent understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Web Services E-Verify Employer Agent may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

C. RESPONSIBILITIES OF FEDERAL CONTRACTORS

The Web Services E-Verify Employer Agent shall ensure that the Web Services E-Verify Employer Agent and the Employers it represents carry out the following responsibilities if the Employer is a Federal contractor or becomes a federal contractor. The Web Services E-Verify Employer Agent should instruct the client to keep the Web Services E-Verify Employer Agent informed about any changes or updates related to federal contracts. It is the Web Services E-Verify Employer Agent's

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

responsibility to ensure that its clients are in compliance with all E-Verify policies and procedures.

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not reverify the employee through E-Verify.

a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

In Process

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin E-

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the information reflected in the Form I-9 either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

D. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer (through the E-Verify Employer Agent) against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides (through the E-Verify Employer Agent) through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the E-Verify Employer Agent.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the E-Verify Employer Agent.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

E. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer (through the E-Verify Employer Agent) to conduct, to the extent authorized by this MOU:

a. Automated verification checks on alien employees by electronic means, and

b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the E-Verify Employer Agent with operational problems associated with its participation in E-Verify. DHS agrees to provide the E-Verify Employer Agent names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the E-Verify Employer Agent with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train E-Verify Employer Agents on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require E-Verify Employer Agents to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer (through the E-Verify Employer Agent) a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

6. DHS agrees to issue each of the E-Verify Employer Agent's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides (through the E-Verify Employer Agent), and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

In Process

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

a. Scanning and uploading the document, or

b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer or the Web Services E-Verify Employer Agent for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
SYSTEM SECURITY AND MAINTENANCE

A. DEVELOPMENT REQUIREMENTS

1. Software developed by Web Services E-Verify Employer Agents must comply with federally-mandated information security policies and industry security standards to include but not limited to:

a. Public Law 107-347, "E-Government Act of 2002, Title III, Federal Information Security Management Act (FISMA)," December 2002.

b. Office of Management and Budget (OMB) Memorandum (M-10-15), "FY 2010 Reporting Instructions for the Federal Information Security Management Act and Agency Privacy Management," April 2010.

In Process

c. National Institute of Standards and Technology (NIST) Special Publication (SP) and Federal Information Processing Standards Publication (FIPS).

d. International Organization for Standardization/International Electrotechnical Commission (ISO/IEC) 27002, Information Technology — Security Techniques — Code of Practice for Information Security Management.

2. The Web Services E-Verify Employer Agent agrees to update its Web Services interface to reflect system enhancements within six months from the date DHS notifies the Web Services User of the system update. The Web Services User will receive notice from DHS in the form of an Interface Control Agreement (ICA). The Web Services E-Verify Employer Agent agrees to institute changes to its interface as identified in the ICA, including all functionality identified and all data elements detailed therein.

3. The Web Services E-Verify Employer Agent agrees to demonstrate progress of its efforts to update its Web Services interface if and when DHS requests such progress reports.

4. The Web Services E-Verify Employer Agent acknowledges that if its system enhancements are not completed to the satisfaction of DHS or its assignees within six months from the date DHS notifies the Web Services User of the system update, then the Web Services User's E-Verify account may be suspended, and support for previous releases of E-Verify may no longer be available to the Web Services User. The Web Services E-Verify Employer Agent also acknowledges that DHS may suspend the Web Services User's account after the six-month period has elapsed.

5. The Web Services E-Verify Employer Agent agrees to incorporate error handling logic into its

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

development or software to accommodate and act in a timely fashion should an error code be returned.

6. The Web Services E-Verify Employer Agent agrees to complete the technical requirements testing which is confirmed upon receiving approval of test data and connectivity between the Web Services E-Verify Employer Agent and DHS.

7. DHS will not reimburse any Web Services E-Verify Employer Agent or software developer who has expended resources in the development or maintenance of a Web Services interface if that party is unable, or becomes unable, to meet any of the requirements set forth in this MOU.

8. Housing, development, infrastructure, maintenance, and testing of the Web Services applications may take place outside the United States and its territories, but testing must be conducted to ensure that the code is correct and secure.

9. If the Web Services E-Verify Employer Agent includes an electronic Form I-9 as part of its interface, then it must comply with the standards for electronic retention of Form I-9 found in 8 CFR 274a.2(e).

B. INFORMATION SECURITY REQUIREMENTS

Web Services E-Verify Employer Agents performing verification services under this MOU must ensure that information that is shared between the Web Services E-Verify Employer Agent and DHS is appropriately protected comparable to the protection provided when the information is within the DHS environment [OMB Circular A-130 Appendix III].

In Process

To achieve this level of information security, the Web Services E-Verify Employer Agent agrees to institute the following procedures:

1. Conduct periodic assessments of risk, including the magnitude of harm that could result from the unauthorized access, use, disclosure, disruption, modification, or destruction of information and information systems that support the operations and assets of the DHS, SSA, and the Web Services E-Verify Employer Agent and its clients;

2. Develop policies and procedures that are based on risk assessments, cost-effectively reduce information security risks to an acceptable level, and ensure that information security is addressed throughout the life cycle of each organizational information system;

3. Implement subordinate plans for providing adequate information security for networks, facilities, information systems, or groups of information systems, as appropriate;

4. Conduct security awareness training to inform the Web Services E-Verify Employer Agent's personnel (including contractors and other users of information systems that support the operations and assets of the organization) of the information security risks associated with their activities and their responsibilities in complying with organizational policies and procedures designed to reduce these risks;

5. Develop periodic testing and evaluation of the effectiveness of information security policies, procedures, practices, and security controls to be performed with a frequency depending on risk, but no less than once per year;

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

6. Develop a process for planning, implementing, evaluating, and documenting remedial actions to address any deficiencies in the information security policies, procedures, and practices of the organization;

7. Implement procedures for detecting, reporting, and responding to security incidents;

8. Create plans and procedures to ensure continuity of operations for information systems that support the operations and assets of the organization;

9. In information-sharing environments, the information owner is responsible for establishing the rules for appropriate use and protection of the subject information and retains that responsibility even when the information is shared with or provided to other organizations [NIST SP 800-37].

10. DHS reserves the right to restrict Web Services calls from certain IP addresses.

11. DHS reserves the right to audit the Web Services E-Verify Employer Agent's application.

12. Web Services E-Verify Employer Agents and Software Developers agree to cooperate willingly with the DHS assessment of information security and privacy practices used by the company to develop and maintain the software.

C. DATA PROTECTION AND PRIVACY REQUIREMENTS

In Process

1. Web Services E-Verify Employer Agents must practice proper Internet security; this means using HTTP over SSL/TLS (also known as HTTPS) when accessing DHS information resources such as E-Verify [NIST SP 800-95]. Internet security practices like this are necessary because Simple Object Access Protocol (SOAP), which provides a basic messaging framework on which Web Services can be built, allows messages to be viewed or modified by attackers as messages traverse the Internet and is not independently designed with all the necessary security protocols for E-Verify use.

2. In accordance with DHS standards, the Web Services E-Verify Employer Agent agrees to maintain physical, electronic, and procedural safeguards to appropriately protect the information shared under this MOU against loss, theft, misuse, unauthorized access, and improper disclosure, copying use, modification or deletion.

3. Any data transmission requiring encryption shall comply with the following standards:

- Products using FIPS 197 Advanced Encryption Standard (AES) algorithms with at least 256-bit encryption that has been validated under FIPS 140-2.
- NSA Type 2 or Type 1 encryption.

4. User ID Management (Set Standard): All information exchanged between the parties under this MOU will be done only through authorized Web Services E-Verify Employer Agent representatives identified above.

5. The Web Services E-Verify Employer Agent agrees to use the E-Verify browser instead of its own interface if it has not yet upgraded its interface to comply with the Federal Acquisition Regulation (FAR) system changes. In addition, Web Services E-Verify Employer Agents whose interfaces do not support

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

the Form I-9 from 2/2/2009 or 8/7/2009 should also use the E-Verify browser until the system upgrade is completed.

6. The Web Services E-Verify Employer Agent agrees to use the E-Verify browser instead of its own interface if it has not completed updates to its system within six months from the date DHS notifies the Web Services E-Verify Employer Agent of the system update. The Web Services E-Verify Employer Agent can resume use of its interface once it is up-to-date, unless the Web Services E-Verify Employer Agent has been suspended or terminated from continued use of the system.

D. COMMUNICATIONS

1. Web Services E-Verify Employer Agents and Software Developers agree to develop an electronic system that is not subject to any agreement that would restrict access to and use of by an agency of the United States.

2. The Web Services E-Verify Employer Agent agrees to develop effective controls to ensure the integrity, accuracy and reliability of its electronic system.

3. The Web Services E-Verify Employer Agent agrees to develop an inspection and quality assurance program that regularly, at least once per year, evaluates the electronic system, and includes periodic checks of electronically stored information. The Web Services E-Verify Employer Agent agrees to share the results of its regular inspection and quality assurance program with DHS upon request.

In Process

4. The Web Services E-Verify Employer Agent agrees to develop an electronic system with the ability to produce legible copies of applicable notices, letters, etc.

5. All information exchanged between the parties under this MOU will be in accordance with applicable laws, regulations, and policies, including but not limited to, information security guidelines of the sending party with respect to any information that is deemed Personally Identifiable Information (PII), including but not limited to the employee or applicant's Social Security number, alien number, date of birth, or other information that may be used to identify the individual.

6. Suspected and confirmed information security breaches must be reported to DHS according to Article II.A.17. Reporting such breaches does not relieve the Web Services E-Verify Employer Agent from further requirements as directed by state and local law. The Web Services E-Verify Employer Agent is subject to applicable state laws regarding data protection and incident reporting in addition to the requirements herein.

E. SOFTWARE DEVELOPER RESTRICTIONS

1. The Web Services E-Verify Employer Agent agrees that if it develops a Web Services interface and sells such interface, then it can be held liable for any misuse by the company that purchases the interface. It is the responsibility of the Web Services E-Verify Employer Agent to ensure that its interface is used in accordance with E-Verify policies and procedures.

2. The Web Services E-Verify Employer Agent agrees to provide software updates to each client who purchases its software. Because of the frequency Web Services updates, an ongoing relationship between the software developer and the client is necessary.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3. DHS reserves the right to terminate the access of any software developer with or without notice who creates or uses an interface that does not comply with E-Verify procedures.

4. Web Services Software Developers pursuing software development independent of serving clients as a Web Services E-Verify Employer Agent are not eligible to receive an ICA. At this time, E-Verify does not permit Web Services software development without also being a Web Services E-Verify Employer Agent or Web Services Employer.

F. PENALTIES

1. The Web Services E-Verify Employer Agent agrees that any failure on its part to comply with the terms of the MOU may result in account suspension, termination, or other adverse action.

2. DHS is not liable for any financial losses to Web Services E-Verify Employer Agent, its clients, or any other party as a result of your account suspension or termination.

ARTICLE VI
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

In Process

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

B. TERMINATION

1. The Web Services E-Verify Employer Agent may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties. In addition, any Employer represented by the Web Services E-Verify Employer Agent may voluntarily terminate its MOU upon giving DHS 30 days' written notice. The Web Services E-Verify Employer Agent may not refuse to terminate the Employer based upon an outstanding bill for verification services.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Web Services E-Verify Employer Agent's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Web Services E-Verify Employer Agent or Employer, or a failure on the part of either party to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

Docusign Envelope ID: 7DC9D9E2-42F6-82F1-8138-45A068D346BE

3. A Web Services E-Verify Employer Agent for an Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Web Services E-Verify Employer Agent must provide written notice to DHS. If the Web Services E-Verify Employer Agent fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Web Services E-Verify Employer Agent agrees that E-Verify is not liable for any losses, financial or otherwise, if the Web Services E-Verify Employer Agent or the Employer is terminated from E-Verify.

ARTICLE VII

PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Web Services E-Verify Employer Agent, its agents, officers, or employees.

C. The Web Services E-Verify Employer Agent may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Web Services E-Verify Employer Agent or the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Web Services E-Verify Employer Agent or the Employer.

E. The Web Services E-Verify Employer Agent understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer, the Web Services E-Verify Employer Agent and DHS respectively. The Web Services E-Verify Employer Agent understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Web Services E-Verify Employer Agent, as the case may be, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS, the Employer, and the

Agenda Item

Agenda Date: October 20, 2026 **Agenda Item:** G.14

Department STORMWATER AND ENGINEERING **Division** CONSTRUCTION MGT AND ENGINEERING	**Amount** **Org/Account #** 2106 Fund

Subject: RESOLUTION 2026-XX APPROVING THE FLORIDA INLAND NAVIGATION DISTRICT WATERWAYS ASSISTANCE PROGRAM PROJECT AGREEMENT (FL-PC-26-40) FOR THE DESIGN OF ST. JOE WATERWAY TRAIL PHASE I

Presenter: **Eric Gebo, Architect**

Attachments:

1. Resolution
2. Florida Inland Navigation District Project Agreement

Background:

The City would like to continue to provide affordable and enjoyable options for cultural, educational, recreation and leisure-time opportunities by moving forward with the design of St. Joe Waterway Trail Phase I.

The estimated total design cost for phase I, is $840,000 of which $420,000 was requested through FIND as part of their grant program. The City's current grant application has been reviewed by FIND and the City has been awarded $420,000 for the St. Joe Waterway Trail Phase I Project.

This agenda item is to request approval to execute a FIND waterways assistance grant program project agreement (FL-FB-26-40) for St. Joe Waterway Trail Phase I Project.

Recommended Action:
ADOPT RESOLUTION 2026-XX APPROVING THE FLORIDA INLAND NAVIGATION DISTRICT WATERWAYS ASSISTANCE PROGRAM PROJECT AGREEMENT (FL-FB-26-40) FOR THE DESIGN OF ST. JOE WATERWAY TRAIL PHASE I

RESOLUTION 2026-___
FLORIDA INLAND NAVIGATION DISTRICT PROJECT AGREEMENT

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING A FLORIDA INLAND NAVIGATION DISTRICT (FIND) WATERWAYS ASSISTANCE PROGRAM (WAP) PROJECT AGREEMENT (FL-PC-26-40) FOR THE PHASE 1 DESIGN OF ST. JOE WATERWAY TRAIL PROJECT; AUTHORIZING THE CITY MANAGER, OR DESIGNEE TO EXECUTE THE AGREEMENT; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR IMPLEMENTING ACTIONS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Palm Coast desires to design St. Joe Waterway Trail Phase I; and

WHEREAS, the City of Palm Coast has applied for a grant to help defray the design costs for the above-mentioned project; and

WHEREAS, the Waterways Assistance Program (WAP) grant by the Florida Inland Navigation District (FIND) has awarded a grant to the City of Palm Coast for a 50% match of the estimated project design cost.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, AS FOLLOWS:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The above recitals (whereas clauses) are hereby adopted as the findings of the City Council of the City of Palm Coast.

SECTION 2. APPROVAL OF PROJECT AGREEMENT. The City Council of the City of Palm Coast hereby approves the terms and conditions of the Project agreement (FL-PC-26-40) for the design of St. Joe Waterway Trail Phase I project.

SECTION 3. AUTHORIZATION TO NEGOTIATE, FINALIZE AND EXECUTE. The City Manager, or designee, is hereby authorized to execute the necessary documents.

SECTION 4. SEVERABILITY. It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this Resolution are

severable, and if any phrase, clause, sentence, paragraph or section of this Resolution shall be declared unconstitutional by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Resolution.

SECTION 5. CONFLICTS. All resolutions or parts of resolutions in conflict with this Resolution are hereby repealed.

SECTION 6. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 7. EFFECTIVE DATE. This Resolution shall become effective immediately upon adoption.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on the 20th day of October 2026.

Attachment: Exhibit “A” Project Agreement (Fl-PC-26-40)

FLORIDA INLAND NAVIGATION DISTRICT
PROJECT AGREEMENT

PROJECT NO. FL-FB-26-40

This PROJECT AGREEMENT ("AGREEMENT") made and entered into this _____ day of _____, 20____ by and between the Florida Inland Navigation District (hereinafter the "DISTRICT"), and the City of Palm Coast, (hereinafter the "PROJECT SPONSOR").

In consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **PROJECT -** Subject to the provisions of this AGREEMENT and Rule 66B-2 of the Florida Administrative Code (a current copy of which is attached as Exhibit "B"), the DISTRICT has approved assistance funding to the PROJECT SPONSOR in furtherance of an approved project ("PROJECT") consisting of the St. Joe Waterway Trail Ph I. Said PROJECT is more specifically described in the PROJECT SPONSOR'S Waterways Assistance Application, which is on file at the DISTRICT's headquarters.

Any modifications to the PROJECT'S scope of work shall require written advance notice and justification from the PROJECT SPONSOR and the prior written approval of the DISTRICT.

2. **TERM** - The PROJECT SPONSOR shall not commence work on the PROJECT prior to the execution of this AGREEMENT unless specifically authorized by the DISTRICT Board and **shall complete the PROJECT and submit all required payment reimbursement information on or before September 30, 2028 ("PROJECT PERIOD"),** unless the PROJECT PERIOD has been extended with the prior written approval of the DISTRICT. Any request for an extension of the PROJECT PERIOD shall require submittal by the PROJECT SPONSOR of a request for extension to the DISTRICT no later than 60 days prior to the original expiration date of the PROJECT PERIOD. This request will then be considered by the DISTRICT Board, whose decision shall be final. In no event other than a declared state of emergency that affects the project completion shall the PROJECT be extended beyond September 30, 2029. The PROJECT SPONSOR acknowledges this is the only provision to carry over the DISTRICT assistance funding under this AGREEMENT beyond September 30, 2028, and that any extension of funding beyond this date shall be at the sole discretion of the DISTRICT.

3. **ASSISTANCE AMOUNT** - The DISTRICT shall contribute ("ASSISTANCE AMOUNT") no more than fifty percent (50%) ("MATCHING PERCENTAGE") of the PROJECT SPONSOR'S eligible out-of-pocket costs for completion of this PROJECT ("PROJECT AMOUNT"). Payment of funds by the DISTRICT to the PROJECT SPONSOR (the "ASSISTANCE AMOUNT") will be on a reimbursement basis only, and only for those authorized out of pocket costs as shown in Exhibit A, Project Cost Estimate ("PROJECT COSTS") and meeting the requirements of Section 5 below and shall not, in any event, exceed $420,000.00.

Any modifications to the PROJECT's Cost Estimate (Exhibit A) shall require written advance notice and justification from the PROJECT SPONSOR and the prior written approval of the DISTRICT.

4. **MATCHING FUNDS** - The PROJECT SPONSOR warrants and represents that it has the PROJECT SPONSOR Match Amount (the PROJECT AMOUNT less the ASSISTANCE AMOUNT) available for the completion of the PROJECT and shall, prior to the execution of this AGREEMENT, have provided the DISTRICT with suitable evidence of the availability of such funds using the DISTRICT's Form #95-01 (Exhibit C, Matching Funds Certification) and, upon request, providing the DISTRICT with access to applicable books and records, financial statements, and bank statements.

5. **PROJECT COSTS** - To be eligible for reimbursement under this AGREEMENT, PROJECT COSTS must be necessary and reasonable for the effective and efficient accomplishment of the PROJECT and must be directly allocable thereto. PROJECT COSTS are generally described in Exhibit B, Chapter 66B-2, F.A.C.. PROJECT COSTS must be incurred, and work performed within the PROJECT PERIOD, with the exception of pre-AGREEMENT costs, if any, consistent with Section 6 below, which are also eligible for reimbursement by the DISTRICT.

If the PROJECT SPONSOR receives additional funding for the PROJECT COSTS from another source that was not identified in the original application and that changes the AGREEMENT MATCHING PERCENTAGE, the PROJECT SPONSOR shall proportionately reimburse the DISTRICT's program funds equal to the MATCHING PERCENTAGE in this AGREEMENT. The PROJECT SPONSOR shall promptly notify the DISTRICT of any project payments it receives from a source other than the DISTRICT.

6. **PRE-AGREEMENT COSTS** - The DISTRICT and the PROJECT SPONSOR fully understand and agree that there shall be no reimbursement of funds by the DISTRICT for any obligation or expenditure made prior to the execution of this AGREEMENT unless previously

delineated in Exhibit A, consistent with Exhibit B, and previously approved by the DISTRICT Board during the grant review process.

7. **REIMBURSEMENT PROCEDURES** - PROJECT COSTS shall be reported to the DISTRICT and summarized on the Payment Reimbursement Request Form (Form #25-50) attached as Exhibit D. Supporting documentation including bills and canceled payment vouchers for expenditures shall be provided to the DISTRICT by the PROJECT SPONSOR or LIAISON AGENT with any payment request. All records in support of the PROJECT COSTS included in payment requests shall be subject to review and approval by the DISTRICT or by an auditor selected by the DISTRICT. Audit expenses shall be borne by the PROJECT SPONSOR.

Project funds may be released in installments, at the discretion of the DISTRICT, upon submittal of a payment request by the PROJECT SPONSOR or LIAISON AGENT. The DISTRICT shall retain ten percent (10%) of each installment payment until the completion of the PROJECT.

The following costs, if authorized in the attached Exhibit B, shall be reimbursed only upon completion of the PROJECT to the reasonable satisfaction of the DISTRICT and in accordance with Exhibit B: personnel, equipment, project management, administration, inspection, and design, permitting, planning, engineering, and/or surveying costs. Assuming the PROJECT SPONSOR has otherwise fully complied with the requirements of this AGREEMENT, reimbursement for a PROJECT approved as Phase I project will be made only upon commencement of construction of the PROJECT for which the Phase I planning, designing, engineering and/or permitting were directed, which may or may not involve further DISTRICT funding. Procedures set forth below with respect to reimbursement by the DISTRICT are subject to this requirement of commencement of construction.

The DISTRICT shall have the right to withhold any payment hereunder, either in whole or part, for non-compliance with the terms of this AGREEMENT.

8. **FINAL REIMBURSEMENT** - The PROJECT SPONSOR, upon completion of the PROJECT, shall submit to the DISTRICT a request for final reimbursement of the ASSISTANCE AMOUNT less any prior installment payments. The payment amounts previously retained by the DISTRICT shall be paid upon (1) receipt of the Final Audit report of expenses incurred on the PROJECT by the DISTRICT, (2) full completion of the PROJECT to the reasonable satisfaction of the DISTRICT, (3) submission of Project Completion Certification Form No. 25-45 (Exhibit E), (4) submission of a photograph of the PROJECT showing the sign required by Section 18, and (5) a Final Project Report as described in Exhibit H, Assistance Project Schedule. As part of the documentation accompanying the request for final reimbursement, PROJECT SPONSOR shall provide proof of

payment of all contractors, material suppliers, engineers, architects, and surveyors with whom PROJECT SPONSOR has directly contracted (each a "DIRECT PROVIDER") to provide services or materials for the PROJECT. The final reimbursement amount shall be adjusted as necessary such that neither the total ASSISTANCE AMOUNT nor the MATCHING PERCENTAGE is exceeded. Unless otherwise determined by the DISTRICT, the final reimbursement check shall be presented by a DISTRICT representative to the PROJECT SPONSOR during a public commission meeting or public dedication ceremony for the PROJECT.

9. **RECORDS RETENTION** - The PROJECT SPONSOR shall retain all records supporting the PROJECT COSTS for three (3) years after the end of the fiscal year in which the Final Payment is released by the DISTRICT, except that such records shall be retained by the PROJECT SPONSOR until final resolution of matters resulting from any litigation, claim, or special audit that starts prior to the expiration of the three-year retention period.

10. **DEFAULT AND REMEDIES** – In the event of a breach of any of the terms of this AGREEMENT by the PROJECT SPONSOR, the DISTRICT shall provide written notice to the PROJECT SPONSOR, which shall have sixty (60) days in which to cure the breach. If the PROJECT SPONSOR fails to cure the breach within the cure period, the DISTRICT shall have the right, but not the obligation, to demand that the PROJECT SPONSOR immediately refund the ASSISTANCE AMOUNT to the extent paid. PROJECT SPONSOR shall refund to the DISTRICT the full amount of the ASSISTANCE AMOUNT paid to PROJECT SPONSOR, whereupon this AGREEMENT, and all further rights thereunder, shall be terminated. If the DISTRICT does not demand reimbursement as aforesaid, the DISTRICT may exercise any and all other remedies available at law or in equity. With respect to the PROJECT SPONSOR's obligations under Sections 15, 17, and 20, PROJECT SPONSOR acknowledges that breach by the PROJECT SPONSOR of one or more of its obligations under said sections might cause the DISTRICT to suffer irreparable harm, namely harm for which damages would be an inadequate remedy. PROJECT SPONSOR further acknowledges that the DISTRICT might suffer irreparable harm due to delay if, as a condition to obtaining an injunction, restraining order, or other equitable remedy with respect to such a breach, the DISTRICT was required to demonstrate that it would suffer irreparable harm. The parties therefore intend that if the PROJECT SPONSOR breaches one or more of its obligations under Sections 15, 17, or 20, the DISTRICT, in addition to such other remedies which may be available, shall have the right to seek specific performance and injunctive relief, and for purposes of determining whether to grant an equitable remedy any court will assume that the breach would cause the DISTRICT irreparable harm. The provisions of this section shall survive completion of the PROJECT.

11. **DISTRICT PROJECT MANAGER** - The Executive Director, or his designee, is hereby designated as the DISTRICT's Project Manager for the purpose of this AGREEMENT and shall be responsible for monitoring performance of its terms and conditions and for approving all reimbursement requests prior to payment.

12. **PROJECT SPONSOR'S LIAISON AGENT** - The PROJECT SPONSOR shall appoint a LIAISON AGENT, whose name and title shall be submitted to the DISTRICT upon execution of this AGREEMENT, to act on behalf of the PROJECT SPONSOR relative to the provisions of this AGREEMENT.

13. **STATUS REPORTS -** The PROJECT SPONSOR or LIAISON AGENT shall submit to the DISTRICT project status reports during the PROJECT term. These Quarterly Reports are to be on Form #25-40 (Exhibit F, Assistance Program Project Quarterly Status Report). Project design drawings, engineering drawings, and a copy of the Project bid award construction item cost list will be submitted as available. Photographs shall be submitted when appropriate to reflect the work accomplished. NON-COMPLIANCE by the PROJECT SPONSOR with the reporting schedule in Exhibit H, Assistance Project Schedule, may result in revocation of this AGREEMENT.

14. **LAWS** - The PROJECT SPONSOR agrees to obtain and to abide by all federal, state, and local permits and proprietary authorizations, and all applicable laws and regulations in the development of the PROJECT. The PROJECT SPONSOR agrees that all PROJECT facilities shall be designed and constructed in compliance with applicable state and federal statutory requirements for accessibility by handicapped persons, as well as all other federal, state and local laws, rules, and requirements.

15. **NON-DISCRIMINATION -** The PROJECT SPONSOR agrees that when completed, the PROJECT shall be readily accessible, on a non-exclusive basis, to the general public of DISTRICT member counties without regard to age, sex, race, physical handicap, or other condition, and without regard to residency of the user in another political subdivision.

16. **PARKING FACILITIES** -Adequate parking shall be made available by the PROJECT SPONSOR to accommodate vehicles for the number of persons for which the PROJECT is being developed.

17. **SITE DEDICATION** – FOR LAND-BASED DEVELOPMENT PROJECTS ONLY. The PROJECT SPONSOR also agrees that the PROJECT site shall be dedicated for the public use for which the PROJECT was intended for a minimum period of thirty-five (35) years from the

completion of the PROJECT, such dedication to be in the form of a deed, lease, management AGREEMENT or other legally binding document. Any change in such dedication shall require the prior approval of the DISTRICT. The PROJECT SPONSOR shall record evidence of such dedication within the Public Records of the County in which the PROJECT is located.

18. **ACKNOWLEDGMENT** – For construction projects, the PROJECT SPONSOR shall erect a permanent sign, approved by the DISTRICT, in a prominent location such as the PROJECT entrance of the completed PROJECT, which shall indicate that the DISTRICT contributed funds for the PROJECT. The wording of the sign required by this section shall be approved by the DISTRICT's staff before construction and installation of said sign. This sign shall contain the DISTRICT logo (Exhibit I) unless otherwise stipulated by the DISTRICT. In the event that the PROJECT SPONSOR erects a temporary construction sign, it shall also indicate the DISTRICT's participation. For all other types of projects, the PROJECT SPONSOR shall acknowledge the DISTRICT where feasible, in concurrence with the DISTRICT staff's recommendations.

19. **PROJECT MAINTENANCE** - When and as applicable, the PROJECT SPONSOR agrees to operate, maintain, and manage the PROJECT for the life of the PROJECT improvements and will pay all expenses required for such purposes. The PROJECT improvements shall be maintained in accordance with the standards of maintenance for other local facilities owned and operated by the PROJECT SPONSOR, and in accordance with applicable health standards. PROJECT facilities and improvements shall be kept reasonably safe and in reasonable repair to prevent undue deterioration and to encourage public use. The PROJECT SPONSOR warrants and represents that it has full legal authority and financial ability to operate and maintain said PROJECT facilities and improvements.

20. **FEES** – Any fees charged for this PROJECT shall be reasonable and the same for the general public of all member counties. The PROJECT SPONSOR must demonstrate that a minimum of fifty percent (50%) of the PROJECT fees will be utilized for project maintenance and improvements throughout the anticipated useful life of a development project or the design life of other project types, as applicable.

21. **SOVEREIGN IMMUNITY** - Each party hereto agrees that it shall be solely responsible for the wrongful acts of its employees, contractors, and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity under Section 768.28, Florida Statutes. The PROJECT SPONSOR acknowledges that the DISTRICT, its employees, commissioners, and agents are solely providing funding assistance for the PROJECT and are not involved in the design, construction, operation, or maintenance of the PROJECT.

22. **INSPECTIONS** - The DISTRICT reserves the right, upon reasonable request, to inspect said PROJECT and any and all records related thereto at any time.

23. **RIGHTS AND DUTIES** - The rights and duties arising under this AGREEMENT shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns, and shall, unless the context clearly requires otherwise, survive completion of the PROJECT. The PROJECT SPONSOR may not assign this AGREEMENT nor any interest hereunder without the express prior written consent of the DISTRICT.

24. **WAIVERS** - Waiver of a breach of any provisions of this AGREEMENT shall not be deemed a waiver of any other breach of the same or different provision.

25. **NOTICE** - Any notice required to be given pursuant to the terms and provisions of this AGREEMENT shall be in writing, postage paid, and shall be sent by certified mail, return receipt requested, to the DISTRICT or PROJECT SPONSOR at the addresses below. The notice shall be effective on the date indicated on the return receipt.

To the DISTRICT at:

Florida Inland Navigation District
1314 Marcinski Road
Jupiter, Florida 33477-9498

To the PROJECT SPONSOR at:

City of Palm Coast
Attention: Stormwater and Engineering Department
160 Lake Avenue
Palm Coast, FL 32164

26. **NO JOINT VENTURE** - The DISTRICT's role with respect to the PROJECT is that of a funding assistance authority only and the DISTRICT is not, and shall not be considered to be, an agent, partner, or joint venturer with the PROJECT SPONSOR.

27. **GOVERNING LAW** - The validity, interpretation, and performance of this AGREEMENT shall be controlled and construed according to the laws of the State of Florida.

28. **TRANSFERENCE** - It is the intent of the DISTRICT to issue this funding assistance to the PROJECT SPONSOR who has made application for this assistance. In the event the PROJECT SPONSOR transfers ownership or management of the PROJECT to a party or parties not now a part of this AGREEMENT, other than another governmental entity that agrees to assume, in writing, PROJECT SPONSOR'S obligation hereunder, the DISTRICT retains the right to full reimbursement

from the PROJECT SPONSOR to the full extent of the funding assistance provided by the DISTRICT including, but not limited to, any costs and reasonable attorney's fees (regardless of whether litigation ensues) incurred by the DISTRICT in collecting said reimbursement.

29. **ENTIRE UNDERSTANDING** - This AGREEMENT, including any exhibits made a part hereof, embodies the entire AGREEMENT and understanding of the parties and supersedes all prior oral and written communications between them. The terms hereof may be modified only by a written amendment signed by both parties hereto.

30. **COUNTERPARTS AND ELECTRONIC SIGNATURES** - This document may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts shall together constitute but one and the same CONTRACT/AGREEMENT. The parties shall be entitled to sign and transmit an electronic signature of this Amendment (whether by facsimile, PDF, or other email transmission), which signature shall be binding on the party whose name is contained therein. Any party providing an electronic signature agrees to promptly execute and deliver to the other parties an original signed CONTRACT/AGREEMENT upon request.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed the day, month and year aforesaid.

66B-2.001 Purpose.
Recognizing the importance and benefits of inland navigation channels and waterways, as well as noting problems associated with the construction, continued maintenance and use of these waterways, the Florida Legislature created Section 374.976, F.S. This law authorizes and empowers each inland navigation district to undertake programs intended to alleviate the problems associated with its waterways. The purpose of this rule is to set forth the District's policy and procedures for the implementation of an assistance program under Section 374.976, F.S., for local governments, member counties and navigation related districts within the District. This program will be known hereafter as the Florida Inland Navigation District's Waterways Assistance Program.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Formerly 16T-2.001.

66B-2.002 Forms.
All forms for the administration of this program are available from the District office located at 1314 Marcinski Road, Jupiter, Florida 33477.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Formerly 16T-2.002.

66B-2.003 Definitions.
The basic terms utilized in this rule are defined as follows:

(1) "APPLICANT" means an eligible governmental agency submitting an application through this program.

(2) "APPLICATION" means a project proposal with the required documentation.

(3) "AUTHORIZED SUBMISSION PERIOD" means the established period for submitting applications to the District.

(4) "BEACH RENOURISHMENT" means the placement of sand on a beach for the nourishment, renourishment or restoration of a beach.

(5) "BOARD" means the Board of Commissioners of the Florida Inland Navigation District.

(6) "DISTRICT" means the Florida Inland Navigation District (FIND).

(7) "ELIGIBLE GOVERNMENTAL AGENCY" means member counties, local governments and navigation related districts within the taxing boundaries of the District.

(8) "ENVIRONMENTAL PERMITS" means those permits, proprietary authorizations, exemptions, or general permits for construction below mean high water line of a navigable waterway required and issued by or on behalf of the U.S. Army Corps of

Engineers, the Florida Department of Environmental Protection, and the South Florida or the St. Johns River Water Management Districts or their successors.

(9) “EXECUTIVE DIRECTOR” means the Executive Director of the Florida Inland Navigation District.

(10) “LIAISON AGENT” means the contact person officially designated to act on behalf of the applicant or the project sponsor.

(11) “LOCAL GOVERNMENTS” means municipalities, cities, or consolidated county governments, which are located within the member counties.

(12) “MARITIME MANAGEMENT PLAN” means a written plan containing a systematic arrangement of elements specifically formulated to identify, evaluate and promote the benefits of eligible waterway accessibility and enjoyment, with consideration and respect to the physical, environmental and economic parameters of the planning area.

(13) “MATCHING FUNDS” means those funds provided by the local sponsor to the project.

(14) “MEMBER COUNTY” means a county located within the taxing boundaries of the District which includes Nassau, Duval, St. Johns, Flagler, Volusia, Brevard, Indian River, St. Lucie, Martin, Palm Beach, Broward and Miami-Dade Counties.

(15) “NAVIGATION RELATED DISTRICTS” means port authorities, inlet districts or any other agency having legally authorized navigation related duties in waterways of the District.

(16) “PRE-AGREEMENT COSTS” means project costs approved by the District Board which have occurred prior to the execution of the project agreement.

(17) “PROGRAM” means the Florida Inland Navigation District Waterways Assistance Program.

(18) “PROGRAM FUNDS” means financial assistance awarded by the Board to a project for release to the project sponsor pursuant to the terms of the project agreement.

(19) “PROJECT” means a planned undertaking consisting of eligible program facilities, improvements or expenses for the use and benefit of the general public.

(20) “PROJECT AGREEMENT” means an executed contract between the District and a project sponsor setting forth mutual obligations regarding an approved project.

(21) “PROJECT MAINTENANCE” means any usual action, activity, expense, replacement, adjustment or repair taken to retain a project or grant item in a serviceable, operational or normal condition, or the routine efforts and expenses necessary to restore it to serviceable or normal condition, including the routine recurring work required to keep the project or grant item in such condition that it may be continuously used at its original or designed capacity and efficiency for its intended purpose.

(22) “PROJECT MANAGER” means the District employee who is responsible for monitoring the performance of the Project and compliance with the project agreement.

(23) “PROJECT PERIOD” means the approved time during which costs may be incurred and charged to the funded project.

(24) “PROJECT SPONSOR” means an eligible governmental agency receiving program funds pursuant to an approved application.

(25) “PUBLIC BUILDING” means a building or facility on government owned property that is owned or operated by a governmental entity, or operated by a third party operator. The building or facility must provide waterway related information, public meeting space, or educational services and be open to members of the public on a continual basis without discrimination.

(26) “PUBLIC MARINA” means a harbor complex used primarily for recreational boat mooring or storage, the services of which are open to the general public on a first come, first served basis without any qualifying requirements such as club membership, stock ownership, or differential in price.

(27) “PUBLICLY OWNED COMMERCIAL OR INDUSTRIAL WATERWAY ACCESS” means any publicly owned area specifically designed to be used for staging, launching, or off-loading by commercial or industrial waterway users on a first come, first served, short-term basis, to gain entry to or from the District’s waterways to serve the infrastructure needs of the District’s waterway users.

(28) “WATERWAYS” means the Atlantic Intracoastal Waterway, the Okeechobee Waterway, the Barge Canal in Brevard County west of the Port Canaveral Locks, those portions of the Dania Cut-Off Canal and the Hillsboro Canal east of the water control structures, all navigable natural rivers, bays, creeks or lagoons intersected by said waterways and all navigable natural creeks, rivers, bays or lagoons entering or extending from said waterways. Solely for the purpose of navigation channel dredging, man-made canals shall be considered eligible waterways provided they are owned by or dedicated to a governmental entity and connect to the Atlantic Intracoastal Waterway.

(29) “WATERWAY RELATED ENVIRONMENTAL EDUCATION” means an interdisciplinary holistic process by which the

learner: develops an awareness of the natural and manmade environments of waterways; develops knowledge about how the environment of the waterways works; acquires knowledge about the technological, social, cultural, political, and economic relationships occurring in waterway related environmental issues; and, becomes motivated to apply action strategies to maintain balance between quality of life and quality of the environment of waterways.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Amended 9-2-92, 2-6-97, Formerly 16T-2.003, Amended 5-17-98, 3-21-01, 3-20-03, 3-3-04, 4-21-05, 4-24-06, 4-15-07, 3-25-08, 3-7-11, 3-25-21, 1-26-26.

66B-2.004 Policy.

The following constitutes the policy of the District regarding the administration of the program:

(1) Financial Assistance Eligibility: Financial assistance, support and cooperation may be provided to eligible governmental agencies for approved projects as follows:

(a) Member counties may be provided financial assistance, support or cooperation in planning, acquisition, development, construction, reconstruction, extension, improvement, operation or the maintenance of public navigation, local and regional anchorage management, beach renourishment, public recreation, inlet management, environmental education, maritime management plans, and boating safety projects directly related to the waterways.

(b) Eligible local governments may also be provided financial assistance, support and cooperation in planning and carrying out public navigation, local and regional anchorage management, beach renourishment, public recreation, inlet management, environmental education, and boating safety projects directly related to the waterways.

(c) Navigation related districts may be provided with financial assistance to pay part of the costs of the planning and acquisition of dredge material management sites if the Board finds that the site is required for the long-range maintenance of the Atlantic Intracoastal Waterway channel. All such sites must meet the development and operational criteria established by the District through a long-range dredge material management plan for that county. Navigation related districts may also be provided with assistance for waterway related access projects, environmental mitigation projects associated with waterway improvement related activities, and inlet management projects if the Board finds that the project benefits public navigation in the Atlantic Intracoastal Waterway. All navigation related districts shall contribute at least equal matching funds to any District financial assistance provided. Seaports may also be furnished assistance and support in planning and carrying out environmental mitigation projects. All seaport projects shall benefit publicly maintained channels and harbors. Each seaport shall contribute matching funds for funded projects.

(d) Eligible projects shall include the acquisition and development of public boat ramps and launching facilities, including those in man-made, navigable waterways contiguous to “waterways” as defined in Rule 66B-2.003, F.A.C.

(2) Notification: The District will notify by direct mail, email and/or advertised public notice all eligible governmental agencies of the program and the upcoming authorized submission period.

(3) Project Approval: Approval of projects by the District shall be in accordance with these rules.

(4) Project Accessibility: Facilities or programs funded in whole or in part by program funds shall be made available to the general public of all of the member counties on a non-exclusive basis without regard to race, color, religion, age, sex or similar condition. Additionally, facilities funded in whole or in part by program funds, shall not require a paid membership for the general public of all of the member counties as a condition to use the facilities. User or entrance fees may be charged for the use of facilities funded in whole or in part by program funds, however such fees shall be reasonable and shall be the same for the general public of all of the member counties.

(5) Waterway Impacts: All development projects must be designed so as not to impact navigation along the District’s waterways through the placement of structures, attendant uses, or the necessity of a boating speed zone for safety purposes. Before applying for boating speed zone designation in District waterways because of a project funded by this program, the sponsor shall first receive approval from the Board. The Board will use the criteria found in Section 327.46(1), F.S., in determining whether to approve the proposed boating speed zone.

(6) Project Maintenance: The project sponsor shall be responsible for the operation, maintenance, and management of the project for the anticipated life of the project and shall be responsible for all expenses required for such purposes. The project shall be maintained in accordance with the standards of maintenance for other similar local facilities and in accordance with applicable health standards. Project facilities and improvements shall be kept reasonably safe and in reasonable repair to prevent undue deterioration and to encourage public use. The project sponsor shall have full legal authority and financial ability to operate and maintain the project facilities.

(7) Education Facilities and Programs: Waterways related environmental education facilities and programs sponsored by the District shall occur at specially designated environmental education facilities located adjacent and contiguous to the waterways. It is the District's intent to consolidate its environmental education efforts in the least number of facilities within an area that will adequately serve the education needs of that area of the District.

(8) Public Information Availability: Public information produced with assistance from this program shall not be copyrighted and shall be provided free of cost, except for the cost of reproduction, to the public.

(9) Third-Party Project Operators: Projects that are being operated by a third party shall have sufficient oversight by the eligible project sponsor as determined by the Board. Such oversight, at a minimum, will include a project liaison that is a staff member of the eligible project sponsor, and oversight of the operating hours and admission fees of the facility by the eligible project sponsor through a legal agreement. All third party projects shall be open to the public in accordance with this rule.

(10) Non-compliance: The District shall terminate a project agreement and demand return of program funds disbursed to the project sponsor for non-compliance with any of the terms of the project agreement or this rule, if such non-compliance calls into question the ability of the applicant to complete the project. Failure of a project sponsor to comply with the provisions of this rule or the project agreement shall result in the District declaring the project sponsor ineligible for further participation in the program until such time as compliance has been met to the satisfaction of the District.

(11) Fees: Any public project eligible for District program funds that charges a fee or will charge a fee must create and maintain an enterprise fund for the public project that shall plan for and retain at all times sufficient funds for the on-going maintenance of the facility during its project life. Accounting records of the previous five years of the public project's enterprise fund will be submitted as part of any subsequent assistance program application to the District.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1), (2) FS. History–New 12-17-90, Amended 2-3-94, 2-6-97, Formerly 16T-2.004, Amended 5-18-98, 3-31-99, 5-25-00, 3-21-01, 7-30-02, 3-3-04, 4-21-05, 4-1-09, 2-22-10, 3-7-11, 3-7-12, 1-27-14, 2-17-15.

66B-2.005 Funds Allocation.

The Board will allocate funding for this program based upon the District's overall goals, management policies, fiscal responsibilities and operational needs for the upcoming year. Funding allocations to navigation related districts, member counties and local governments shall be based upon the proportional share of the District's ad valorem tax collections from each county. If funds are determined to be available for the program, the District will notify potential eligible governmental agencies of the availability of program funding. Applications will be reviewed by the Board utilizing FIND Form No. 25-15 Waterways Assistance Program Application and Evaluation Worksheet (effective date 1-1-25), hereby incorporated by reference and available at: http://www.flrules.org/Gateway/reference.asp?No=Ref-17820, and available from the District office or by download from the District's webpage at: www.aicw.org.

(1) Funding Assistance Availability: In as much as the District has other fiscal responsibilities and operational needs, financial assistance to eligible government agencies shall not exceed an amount equal to ninety (90) percent of the proportional share of the District's ad valorem tax collections from each county in which such agencies are located. The District may make an exception to this funding limitation, if funds are determined to be available based upon the District's overall goals, management policies, fiscal responsibilities and operational needs, or in counties that are recovering from a state of emergency declared under Chapter 252, F.S.

(2) Project Funding Ratio: All financial assistance and support to eligible governmental agencies shall require, at a minimum, equal matching funds from the project sponsor, with the exception of public navigation projects that meet the provisions of subsection 66B-2.005(6), F.A.C., land acquisition projects in accordance with subsection 66B-2.005(7), and Rule 66B-2.008, F.A.C., small-scale spoil island restoration and enhancement projects that meet the provisions of Rule 66B-2.014, F.A.C., derelict vessel projects consistent with Rule 66B-2.0015, F.A.C., and Waterway Cleanup Projects approved under Rule 66B-2.0016, F.A.C., and projects approved in counties recovering from a state of emergency. Applicant's in-house costs are limited pursuant to paragraph 66B-2.008(1)(c), F.A.C. All financial assistance to seaports shall require equal matching funds. The District shall contribute no more than fifty percent (50%) of the local share of the cost of an inlet management or beach renourishment project. The District shall not contribute funding to both the state and local shares of an inlet management or beach renourishment project.

(3) Pre-agreement Expenses: The project sponsor shall not commence work on an approved project element prior to the execution of the project agreement unless authorized by the Board during the review and funding approval process. Board authorization of pre-agreement expenses will be given for the commencement of work prior to the execution of a project agreement if the Board determines that there is a benefit to the District, its waterways or its constituents. All project costs must be incurred and

work performed within the project period as stipulated in the project agreement unless pre-agreement costs are approved by the Board. Pre-agreement expenses will be approved if they are consistent with the provisions of Rule 66B-2.008, F.A.C., and occur within the fiscal year of the grant application submission (October 1st to September 30th). Pre-agreement expenses, except for projects approved by the Board as multi-year projects, will be limited to fifty (50) percent of the project's total cost and if the expenses are eligible project expenses in accordance with this rule. Only one-half (1/2) or less of the approved pre-agreement expenses will be eligible for reimbursement funding from the District, except for projects approved by the Board as multi-year projects. The Board shall consider a waiver of the limitation on pre-agreement expenses for Small-Scale Derelict Vessel grants and land acquisition projects when the applicant demonstrates a direct need and benefit and the project is in accordance with the applicable provisions of Chapter 66B-2, F.A.C.

(4) Multi-Year Funding: The construction phase of projects that are large scale, involve multiple phases, have a construction time line of one year or longer, or are requesting a significant amount of assistance funding in relation to the total assistance available for the county where the project is located, will be reviewed and approved by the District Board for a multiple year period subject to budgeting and allocation pursuant to the provisions of Chapter 200, F.S. The determination by the Board to provide assistance funding on a multi-year basis can be made at any time during the application review process. All approved multi-year projects are limited to a maximum of two (2) additional funding requests.

(5) Inlet Management and Beach Renourishment: Projects and project elements in the categories of inlet management and beach renourishment shall be subject to the following provisions. The District shall contribute no more than fifty percent of the local share of the cost of the project. The District shall not contribute funding to both the state and local shares of an inlet management or beach renourishment project. Funding for the construction phase of an inlet management or beach renourishment project may be approved by the District Board for a multiple year period subject to budgeting and allocation pursuant to the provisions of Chapter 200, F.S. Additionally the following provisions shall be met for inlet management or beach renourishment projects:

(a) Inlet Management: Inlet management projects shall benefit public navigation within the District and shall be consistent with Department of Environmental Protection approved inlet management plans and the statewide beach management plan pursuant to Section 161.161, F.S. Prior to funding any inlet management project, the Board shall make a finding that the project is a benefit to public navigation in the District. Inlet management projects that are determined to be consistent with Department of Environmental Protection approved inlet management plans are declared to be a benefit to public navigation.

(b) Beach Renourishment: All projects in this category shall be consistent with the statewide beach management plan. Beach renourishment projects shall only include those beaches that have been adversely impacted by navigation inlets, navigation structures, navigation dredging, or a navigation project. Prior to funding any beach renourishment project, the Board shall make a finding that the beaches to be nourished have been adversly impacted by navigation inlets, navigation structures, navigation dredging or a navigation project. The determination of beach areas that are adversely impacted by navigation for the purposes of this program shall be made by Department of Environmental Protection approved inlet management plans. If state funding is not provided for a beach project, public access with adequate parking must be available in accordance with Chapter 161, F.S.

(6) Public Navigation: Projects or project elements in the category of public navigation that will qualify for up to seventy-five percent (75%) program funds must be within the Intracoastal Right-of-Way (ROW), or provide public navigation channel access to two or more publicly accessible launching, mooring or docking facilities. Navigation projects or project elements that have one facility open to the public will qualify for up to fifty percent (50%) program funding. Dredging that is associated or ancillary to another use (such as boat ramp, marina or pier) will be prioritized according to the associated use. Dredging of a canal or channel not associated with another use (such as a boat ramp, marina or pier) that does not provide access to at least one publicly accessible launching, mooring or docking facility will be prioritized as "other waterway related project".

In addition, the following shall apply:

(a) Navigation channel dredging: The project sponsor must demonstrate that the source of channel sedimentation has been identified and is in the process of, or has been controlled, or that the frequency and amount of shoaling is such that dredging will provide an improvement to the channel that will last for twenty (20) years or more and therefore is more cost effective than identifying and correcting the cause of shoaling, or that the cost of identifying the source of channel sedimentation exceeds the cost of the dredging project.

(b) Navigation channel lighting and markers must be located on primary or secondary public navigation channels.

Navigation projects or project elements that have one facility open to the public will qualify for up to fifty percent (50%) program funding.

(7) Land Acquisition: Land acquisition projects shall qualify for a maximum of fifty (50) percent funding. All pre-agreement expenses for land acquisition must be completed within one-year of the date of application for funding. Except for acquisition of publicly owned spoil disposal site, all funded land acquisition projects must construct the required boating access facility within 7 years of completion of the land acquisition, or the District may require the applicant to refund the program funding. Immediately upon acquiring title to the land, the applicant shall record a declaration of covenants in favor of the District stating that if the required boating access facility is not constructed within 7 years and dedicated for the public use as a boating access facility in perpetuity after completion of construction, the District shall require the applicant to refund the program funding.

(8) Seaport Funding Eligibility: Financial assistance to seaports may exceed the proportional share of the District's ad valorem tax collections as set forth in subsection 66B-2.005(1), F.A.C., from the county in which such seaport is located if the seaport can demonstrate that a regional benefit occurs from the port's activities. Financial assistance to a seaport project that demonstrates a regional benefit shall not exceed an amount equal to (i) the proportional share of the District's ad valorem tax collections as set forth in subsection 66B-2.005(1), F.A.C., from the counties where the benefit is demonstrated less (ii) funding allocated in the same fiscal year to all other local government projects funded in those counties.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1), (3) FS. History–New 12-17-90, Amended 6-24-93, 9-5-96, 2-6-97, Formerly 16T-2.005, Amended 5-17-98, 8-26-99, 3-21-01, 7-30-02, 3-3-04, 4-21-05, 4-24-06, 4-15-07, 3-25-08, 4-1-09, 3-7-11, 3-7-12, 4-10-13, 1-27-14, 5-15-16, 3-25-21, 5-14-25, 1-26-26.

66B-2.006 Application Process.

(1) Application Period: With the exception of eligible Disaster Relief Projects, eligible Small-Scale Spoil Island Restoration and Enhancement Projects eligible Small-Scale Derelict Vessel Applications and Waterway Cleanup Events, all applications for assistance through this program will be submitted during the authorized submission period that shall be established by vote of the Board at a scheduled meeting.

(2) Application Forms: FIND Form No. 25-15 Waterways Assistance Program Project Application and Evaluation Worksheet (effective date 1-1-25), hereby incorporated by reference in Rule 66B-2.005, F.A.C. and available from the District office. With the exception of projects eligible under the Small-Scale Spoil Island Restoration and Enhancement program, the Small-Scale Derelict Vessel program, and eligible Waterway Cleanup Events, all applications for financial assistance and support through this program from member counties and local governments shall be made on FIND Form No. 25-15 Waterways Assistance Program Project Application and Evaluation Worksheet and shall include a detailed cost estimate submitted on FIND Form No. 25-20, Waterways Assistance Program Project Cost Estimate, (effective date 1-1-25), hereby incorporated by reference and available at: https://flrules.org/Gateway/reference.asp?No=Ref-17821, and available from the District office. In addition, all applicants shall submit a complete and detailed FIND form No. 25-25 Waterways Assistance Program Project Timeline (effective date 1-1-25), hereby incorporated by reference at https://flrules.org/Gateway/reference.asp?No=Ref-17822, and available from the District office.

(3) Sponsor Resolution: The project sponsor shall approve the submission of an application by official resolution from its governing board or commission. Said resolution shall be made on FIND Form No. 25-30, Resolution for Assistance Under the Florida Inland Navigation District Waterways Assistance Program (effective date 1-1-25), hereby incorporated by reference at https://flrules.org/Gateway/reference.asp?No=Ref-18021, and available from the District office.

(4) Attorney's Certification: If the application is for a project that is a land based development project the applicant shall submit an Attorney's Certification of Title, FIND Form 25-35 Attorney's Certification of Title (effective date 1-1-25), hereby incorporated by reference at https://flrules.org/Gateway/reference.asp?No=Ref-17824, and available from the District office.

(5) Maps and Geographic Information: All applicants shall be required to submit, at minimum, the following geographic information: A County location map, a project location map, a project boundary map, and a clear and detailed site development map for land development projects.

(6) Application Review: Prior to submitting the application to the District office, applicants shall obtain the local FIND Commissioner's initials on FIND Form No. 25-10 Waterways Assistance Program Applicant Checklist 25-10 Waterways Assistance Program Applicant Checklist (effective date 1-1-25), hereby incorporated by reference and available at https://flrules.org/Gateway/reference.asp?No=Ref-17825, and from the District office. It is the applicant's responsibility to make timely arrangements for the local FIND Commissioner's review. In the absence of extenuating circumstances outside of the applicant's control as determined by the Board of Commissioners, an application shall not be considered complete if it does not include the local FIND commissioner's initials on FIND Form No. 25-10. Upon receipt in the District office, staff will review the

applications for completeness of the informational requirements identified in FIND Form No. 25-10 Waterways Assistance Program Applicant Checklist, and for compliance with the eligibility requirements of this rule. When an application is determined by staff to be incomplete or ineligible, staff will immediately inform the applicant by mail or email. The applicant will then have until the date established by the Board in the application package to bring the application into compliance. If the applicant fails to provide a complete application in compliance with these rules, the application will not be considered for funding. In order to have a complete application, the applicant shall not only submit the forms required under Rule 66B-2.006, F.A.C., and any other information requirements identified in FIND Form No. 25-10 Waterways Assistance Program Applicant Checklist, but such forms and other submitted information must be completely filled out, executed as applicable, and also establish compliance with Chapter 66B-2, F.A.C.

(7) Interlocal Agreements: Applications that the Board determines will directly benefit the maintenance of the Atlantic Intracoastal Waterway channel as documented by the District's long range dredged material management plans, will directly benefit the maintenance of the Okeechobee Waterway channel as documented by the District's long range dredged material management plan, will directly benefit the maintenance or improvement of District property, right-of-way or navigation interests, or have multiple funding partners including the Corps of Engineers as the project manager can qualify for project assistance through an interlocal agreement pursuant to Chapter 163 or Section 374.984(6)(a), F.S. District staff will identify these applications and present them to the Board for their determination as to funding. Interlocal agreement projects shall comply with all other provisions of this rule, except for pre-agreement expenses, permitting and property control requirements.

(8) Application Presentations: Applications determined to be complete and in compliance with this rule will be forwarded to the Board for review and then scheduled for presentation to the Board at a scheduled meeting of the Board. Applicants can decline to make a presentation to the Board by submitting a written request.

(9) Application Evaluation and Rating Score: Following the presentations, the Board will review the applications and evaluate them using FIND Form 25-15 Waterways Assistance Program Application and Evaluation Worksheets. The total points awarded to each application by the Commissioners will be averaged to determine an application's final rating score. The final rating score for each application must equal or exceed 35 points for the application to be considered for funding assistance. Reconsideration of any application with a final rating score of less than 35 points will only occur if the majority of the Commissioners evaluating the project rated the project equal to or exceeding 35 points and two-thirds of the Commissioners vote for reconsideration of the application.

(10) Funding Determination: The Board will hold a funding allocation meeting at which time the Board will determine the allocation of funds, if any, to each project and the projects will be ranked by overall average score to facilitate final funding decisions by the Board. Allocations will be based in part upon the cumulative score of the applications as calculated from the Project Evaluation and Rating Form. Allocations will also be based upon the specific needs of the individual counties.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Amended 9-2-92, 6-24-93, 4-12-95, Formerly 16T-2.006, Amended 5-25-00, 3-21-01, 7-30-02, 3-20-03, 4-21-05, 4-24-06, 4-15-07, 3-25-08, 3-7-11, 1-27-14, 5-14-25.

66B-2.0061 Disaster Relief Applications.

Disaster Relief applications may be submitted to the District and considered by the Board at any time during the year to provide assistance to an eligible applicant for the removal of navigation obstructions and repair or replacement of waterway facilities damaged by a declared natural disaster. Applicants for Disaster Relief shall use the same forms listed in subsection 66B-2.006(2), F.A.C. The District shall consider these applications in accordance with these rules.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 6-24-93, Amended 2-6-97, Formerly 16T-2.0061, Amended 4-24-06, 3-25-21.

66B-2.007 Application Form.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Amended 6-24-93, 2-3-94, 4-12-95, Formerly 16T-2.007, Repealed 7-30-02.

66B-2.008 Project Eligibility.

(1) Eligible Projects: Financial assistance and support through this program shall be used to plan or carry out public navigation and anchorage management, public recreation, environmental education, boating safety, acquisition and development of spoil sites

and publicly owned commercial/industrial waterway access directly related to the waterways, acquisition and development of public boat ramps, launching facilities and boat docking and mooring facilities, inlet management, maritime management planning, environmental mitigation and beach renourishment.

(a) Program funds may be used for projects such as acquisition, planning, development, construction, reconstruction, extension, or improvement, of the following types of projects for public use on land and water. These project types will be arranged into a priority list each year by vote of the Board. The priority list will be distributed to applicants with the project application.

1. Public navigation channel dredging,
2. Public navigation aids and markers,
3. Inlet management projects that are a benefit to public navigation in the District,
4. Public shoreline stabilization directly benefiting the District's waterway channels,
5. Acquisition and development of publicly owned spoil disposal site and public commercial/industrial waterway access,
6. Waterway signs and buoys for safety, regulation or information,
7. Acquisition, dredging, shoreline stabilization and development of public boat ramps and launching facilities,
8. Acquisition, dredging, shoreline stabilization and development of public boat docking and mooring facilities,
9. Derelict Vessel Removal,
10. Waterways related environmental education programs and facilities,
11. Public fishing and viewing piers,
12. Public waterfront parks and boardwalks and associated improvements,
13. Maritime Management Planning,
14. Waterways boating safety programs and equipment,
15. Beach renourishment on beaches adversely impacted by navigation inlets, navigation structures, navigation dredging, or a navigation project; and,
16. Environmental restoration, enhancement or mitigation projects; and,
17. Other waterway related projects. Waterway projects that do not meet specific criteria in subsection 66B-2.005(5) or (6) or subparagraphs 66B-2.008(1)(a)1.-16., F.A.C., but are located on eligible waterways shall be considered for funding under the priority listing of "other waterway related project" and eligible for 25% funding except that a county with a population under 250,000 according to the Florida Office of Economic and Demographic Research shall be eligible for 50% funding for navigation dredging projects. In addition, navigation dredging projects in man-made canals shall require the following:

a. the local government sponsor shall have an approved placement facility for storage, processing and/or disposal of dredged material;

b. the local government sponsor shall establish a long term dredge material management plan for the public man-made canals in its jurisdiction; and

c. the local government sponsor shall provide at least fifty percent (50%) of the required matching funds through general taxes or special assessment of the benefitted properties.

(b) Ineligible Projects or Project Elements. Project costs ineligible for program funding or matching funds will include: contingencies, miscellaneous, reoccurring personnel related costs, irrigation equipment, ball-courts, park and playground equipment, and any extraneous recreational amenities not directly related to the waterway such as the following:

1. Landscaping that does not provide shoreline stabilization or aquatic habitat,
2. Restrooms for non-waterway users,
3. Roadways providing access to non-waterway users,
4. Parking areas for non-waterway users,
5. Utilities for non-waterway related facilities,
6. Lighting for non-waterway related facilities,
7. Project maintenance and maintenance equipment,
8. Picnic shelters and furniture for non-waterway related facilities,
9. Vehicles to transport vessels; and,
10. Operational items such as fuel, oil, etc.
11. Office space that is not incidental and necessary to the operation of the main eligible public building; and,
12. Conceptual project planning, including: public surveys, opinion polls, public meetings, organizational conferences; and,

13. Inlet maintenance.

(c) Project Elements with Eligibility Limits: Subject to approval by the Board of an itemized expense list:

1. The following project costs will be eligible for program funding or as matching funding if they are performed by an independent contractor:

a. Project management, administration and inspection,

b. Design, permitting, planning, engineering or surveying costs for completed construction project,

c. Restoration of sites disturbed during the construction of an approved project,

d. Equipment costs.

Before reimbursement is made by the District on any of the costs listed in subparagraph 1., above, a construction contract for the project, approved and executed by the project sponsor and project contractor must be submitted to the District.

2. Marine fire-fighting, Marine law enforcement and other vessels are eligible for a maximum of $125,000 in initial District funding. All future replacement and maintenance costs of the vessel and related equipment will be the responsibility of the applicant.

3. Waterway related environmental education facility funding will be limited to those project elements directly related to the District's waterways.

(d) Phasing of Projects: Applications for eligible waterway projects may be submitted as a phased project where Phase I will include the design, engineering and permitting elements and Phase II will include the construction of the project. A description and cost estimate of the Phase II work shall be submitted along with the Phase I application for Board review.

(2) Property Control: The site of a proposed land-based development project, with the exception of those projects requesting Small-Scale Spoil Island Restoration and Enhancement funding, shall be dedicated for the public use for which the project was intended for a minimum period of 35 years after project completion. Such dedication shall be in the form of a deed, lease, management agreement or other legally binding document and shall be recorded in the public property records of the county in which the property is located. Any change in such dedication shall require the prior approval of the District. This property control requirement also applies to a project site owned by another governmental entity. The governmental entity that owns the project site may be joined as a co-applicant to meet this property control requirement. Existing land based development projects that are being repaired, replaced or modified must demonstrate that the project site has been dedicated for public use with at least 10 years remaining on the dedication document. Property shall also be deemed dedicated for public use if:

(a) The property has been designated for the use for which the project is intended (even though there may have been no formal dedication) in a plat or map recorded prior to 1940, or

(b) The project sponsor demonstrates that it has had exclusive control over the property for the public use for which the project is intended for a period of at least 30 years prior to submission of the application, or

(c) There is no ongoing litigation challenging the designated use of the property as shown on the plat or map, nor has there been any judicial determination contrary to the use by the public for the use shown on the plat or map.

(3) Permits: The project sponsor is responsible for obtaining and abiding by any and all federal, state and local permits, laws, proprietary authorizations and regulations in the development and operation of the project. Applicants for construction projects that include elements that require state or federal environmental permits or proprietary authorizations will demonstrate that all required environmental permitting and authorizations will be completed by the third Monday in September. This demonstration will be by submission of the required environmental permit(s) and authorizations, or by submission of a letter from the agency(s) stating that a permit or authorization is not required. Failure to timely submit the required environmental permits and authorizations or letters stating such permits or authorizations are not required shall result in the application not being considered for funding.

(4) Public Marina Qualifications: All public marina projects funded through this program shall include sewage pumpout facilities for vessels, unless the applicant can demonstrate that inclusion of such a facility is physically, operationally or economically impracticable. All public marina projects funded through this program shall have at least ten percent (10%) of their slips or mooring areas available for transient vessels. Public marina dockage rates shall be within market comparison of the dockage rates of other area marinas. The public marina will be required to establish and maintain an accounting of the funds for the facility and shall plan for and retain at all times sufficient funds for the on-going maintenance of the facility during its project life.

(5) The District may assist eligible local governments with efforts to prepare and implement a comprehensive maritime management plan. The plan shall be utilized by the eligible government to promote and maximize the public benefit and enjoyment of eligible waterways, while identifying and prioritizing the waterway access needs of the community. The plan should not duplicate any existing or ongoing efforts for the same waterway or water shed, nor shall the District participate in any effort that does not

address the basic maritime needs of the community.

(a) Existing plans may be updated at reasonable intervals or amended to include waterway areas previously not included in the original effort. Public, government, environmental, industry and other pertinent interest groups shall be solicited and included for input in the planning process.

(b) The plan shall be utilized as a tool to provide a minimum 5-year planning analysis and forecast for the maritime needs of the community, and shall include, at minimum, the following:

1. Public boat ramp and ramp parking inventory and analysis.
2. Public mooring and docking facility analysis, including day docks and transient slips.
3. Commercial and working waterfront identification and needs analysis.
4. The identification, location, condition and analysis of existing and potential navigation channels.
5. An inventory and assessment of accessible public shorelines.
6. Public Waterway transportation needs.
7. Environmental conditions that affect boat facility siting, a current resource inventory survey, and restoration opportunities.
8. Economic conditions affecting the boating community and boating facilities.
9. Acknowledgment and coordination with existing data and information, including an emphasis on the Intracoastal Waterway.

(c) Projects requested for assistance program funding shall be consistent with the applicant's maritime management plan. The applicant should utilize the plan to assist in prioritizing waterway improvement projects.

(6) All eligible environmental restoration, enhancement or mitigation projects as well as the environmental restoration, enhancement or mitigation components of other types of projects shall be required to pursue and assign any available mitigation credits to the District for that share of the project funded through the District's Assistance Program. All eligible environmental restoration, enhancement or mitigation projects shall provide public access where possible.

(7) Final Decisions: The Board will make all final decisions on the eligibility of a Project or specific project costs.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1)-(3) FS. History–New 12-17-90, Amended 9-2-92, 6-24-93, 2-3-94, 4-12-95, 9-5-96, 2-6-97, Formerly 16T-2.008, Amended 5-17-98, 3-31-99, 5-25-00, 3-21-01, 7-30-02, 3-20-03, 3-3-04, 4-15-07, 3-25-08, 4-1-09, 2-22-10, 3-7-11, 3-7-12, 1-27-14, 2-17-15, 2-21-16, 3-25-21, 3-9-23, 3-11-24, 1-26-26.

66B-2.009 Project Administration.

The District will appoint a project manager who shall be responsible for monitoring the project and the project agreement. The project manager shall also be responsible for approving all reimbursement requests. The project sponsor shall appoint a liaison agent, who will be a member of the eligible applicant's staff, to act on its behalf in carrying out the terms of the project agreement. Administration of the project will be as follows:

(1) Project Agreement: For each funded project, the District and the project sponsor will enter into a project agreement. The project agreement shall be executed and returned by the project sponsor within six (6) months of the approval of the project funding and prior to the release of program funds, setting forth the mutual obligations of the parties concerning the project. The project agreement shall incorporate the applicable policies and procedures of the program as outlined in this rule. Project agreements will be for a two-year period with the possibility for one, one-year extension. Any request for a one-year extension of funding shall require submittal by the project sponsor of a request for extension to the District no later than July of fiscal year two of the approved project. This request will then be considered by the District Board, whose decision shall be final. In review of these requests, the Board will take into consideration the current status and progress of the project and the ability of the applicant to complete the project within one additional year. For projects in the categories of: (i) acquisition of public commercial/industrial waterway access; (ii) acquisition, dredging, shoreline stabilization and development of public boat ramps and launching facilities; (iii) acquisition, dredging, shoreline stabilization and development of public boat docking and mooring facilities; (iv) public fishing and viewing piers; (v) and public waterfront parks and boardwalks and associated improvements; the project agreement shall include a provision that in the event the project sponsor initiates, applies for, adopts, approves, or otherwise implements any new or expanded restrictions on public boating access in proximity to the project ("Public Boating Restrictions') during the project period, or for a period of tweny (20) years following completion of the project, without the prior written consent of the District, the project sponsor shall immediately refund the full assistance amount awarded under the agreement. Public Boating Restrictions under this rule shall include, but are not limited to, restrictions or limitations on operating, anchoring, vessel size or type, public access, mooring, or other navigational uses not previously in effect as of the date of the agreement. The distance from the project that Public Boating

Restrictions shall require a refund will be determined on a case-by-case basis taking into account the nature of the project and the distance from the channel of the Intracoastal Waterway.

(2) Matching Funds: The project sponsor shall clearly identify and enumerate the amount and source of the matching funds it will be using to match the program funds supplied by the District for an approved project. The project sponsor shall provide suitable evidence that it has the matching funds available at the time the project agreement is executed.

(3) Agreement Modification: All proposed changes to the project agreement must be submitted to the District in writing by the project sponsor accompanied by a statement of justification for the proposed changes. All project agreement amendments shall be approved by the District Board, except that the Executive Director may approve a minor project agreement amendment for a project within a county with the local District commissioner's concurrence. A minor project amendment shall not change the approved project's category, result in a reallocation of more than 35% of the approved funding of the project among project elements, nor allow for a greater than 35% change in the project scale or scope of work. Project agreement amendments will not include a change to the approved project's location or a change in the approved project's purpose or project type. Agreed changes shall be evidenced by a formal amendment to the project agreement and shall be in compliance with these rules.

(4) Project Reporting: The liaison agent will submit quarterly reports to the project manager summarizing the work accomplished since the last report, problems encountered, percentage of project completion and other appropriate information. These reports shall continue throughout the length of the project period until completion of the project. The report shall be submitted on FIND Form 25-40, Assistance Program Project Quarterly Status Report, (effective date 1-1-26), hereby incorporated by reference at http://flrules.org/Gateway/reference.asp?No=Ref-18986 and available from the District office. A Final Project Report shall be submitted at the completion of the project and shall at minimum include: project summary, photo of completed project, final cost, project benefits to the waterway and location address.

(5) Reimbursement Requests: The liaison agent may submit periodic reimbursement requests during the project period in accordance with Rule 66B-2.011, F.A.C. The project manager will approve or disapprove all reimbursement requests. The final payment of program funds will be made upon certified completion of the project by the District.

(6) Project Inspection: Upon reasonable request, the project manager shall have the right to inspect the project and any and all records relating to the project.

(7) Project Completion: The project shall be completed within three (3) years of the date of the beginning of the District's first fiscal year for which the project was approved. If the completion of a project is impacted by a declared state of emergency and the Board waives this rule section, the extension of time granted shall not exceed one additional three (3) year period.

(8) Project Completion Requirements: Upon completion of the project, the liaison agent shall provide the following to the project manager:

(a) FIND Form No. 25-45 Project Completion Certificate (effective date 1-1-26), hereby incorporated by reference at http://flrules.org/Gateway/reference.asp?No=Ref-18987 and available from the District office, which certifies that the project was completed in accordance with the project agreement and the final project plans.

(b) A final reimbursement request accompanied by all required billing statements and vouchers.

(c) Photograph(s) showing the installation of the sign required by Rule 66B-2.013, F.A.C.

(d) Photograph(s) of the completed project clearly showing the program improvements.

(9) Project Completion Review: The project manager will review the project completion package and will authorize or reject the final reimbursement payment which will include all retained funds from previous requests.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Formerly 16T-2.009, Amended 3-21-01, 7-30-02, 3-7-11, 1-27-14, 3-25-21, 1-26-26.

66B-2.010 Project Agreement.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Amended 9-5-96, Formerly 16T-2.010, Amended 3-21-01, Repealed 7-30-02.

66B-2.011 Reimbursement.

The District shall release program funds in accordance with the terms and conditions set forth in the project agreement. This release of program funds shall be on a reimbursement only basis. The District shall reimburse the project sponsor for project costs expended on the project in accordance with the project agreement. Project funds to be reimbursed will require the submission of a Payment

Reimbursement Request Form and required supporting documents submitted on FIND Form No. 25-50 Payment Reimbursement Form (effective date 1-1-26), hereby incorporated by reference at https://flrules.org/Gateway/reference.asp?No=Ref-18988 and available from the District office.

(1) Authorized Expenditures: Project funds shall not be spent except as consistent with the project agreement cost estimate that was approved by the Board, which shall be an attachment to the project agreement. This cost estimate will establish the maximum funding assistance provided by the District and the percentage of funding provided by each party to the project. The District will pay the lesser of:

(a) The percentage total of project funding that the Board has agreed to fund, or

(b) The maximum application funding assistance amount.

(2) Phase I Reimbursement: In accordance with these rules, reimbursement cannot be made on a Phase I application until a construction contract is executed by the applicant for the construction phase of the project. If the Phase I project is completed but a construction contract is not executed by the three (3) year project deadline, then the District shall only allow one (1) year from the Phase I project deadline to enter into the required construction contract before the Phase I funding is cancelled.

(3) Reimbursement Requests: All project costs shall be reported to the District and summarized on the Reimbursement Request Form. All requests for reimbursement shall include supporting documentation such as billing statements for work performed and cancelled payment vouchers for expenditures made.

(4) Retainage: The District shall retain ten percent (10%) of all reimbursement payments until final certification of completion of the project. The District shall withhold any reimbursement payment, either in whole or part, for non-compliance with the terms of this agreement.

(5) Check Presentations: A District representative shall present the final reimbursement check to the project sponsor during a public commission meeting or public dedication ceremony for the project facility.

(6) Recovery of Additional Project Funding: If the project sponsor receives additional funding for the project costs from another source that was not identified in the original application and that changes the agreement cost-share percentage, the project sponsor shall proportionately reimburse the District's program funds equal to the cost-share percentage in the approved project agreement. The project sponsor shall promptly notify the District of any project payments it receives from a source other than the District.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Amended 6-24-93, Formerly 16T-2.011, Amended 3-31-99, 7-30-02, 3-7-11, 1-26-26.

66B-2.012 Accountability.

The following procedures shall govern the accountability of program funds:

(1) Accounting: Each project sponsor is responsible for maintaining an accounting system which meets generally accepted accounting principles and for maintaining such financial records as necessary to properly account for all program funds.

(2) Quarterly Reports: The project sponsor shall submit quarterly project status reports to FIND in accordance with subsection 66B-2.009(4), F.A.C.

(3) Completion Certification: All required final completion certification documents and materials as outlined in subsection 66B-2.009(8), F.A.C., of this rule shall be submitted to the District prior to final reimbursement of program funds.

(4) Auditing: All project records including project costs shall be available for review by the District or by an auditor selected by the District for 3 years after completion of the project. Any such audit expenses incurred shall be borne entirely by the project sponsor.

(5) Project Records: The project sponsor shall retain all records supporting project costs for three years after either the completion of the project or the final reimbursement payment, whichever is later, except that should any litigation, claim, or special audit arise before the expiration of the three year period, the project sponsor shall retain all records until the final resolution of such matters.

(6) Repayment: If it is found by any State, County, FIND, or independent audit that program funds have not been used in accordance with this rule and applicable laws, the project sponsor shall repay the misused program funds to the District.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Formerly 16T-2.012, Amended 7-30-02.

66B-2.013 Acknowledgement.

The project sponsor shall erect a permanent sign, approved by the District, at the entrance to the project site which indicates the

District's participation in the project. This sign shall contain the FIND logo. In the event that the project sponsor erects a temporary construction sign, this sign shall also recognize the District's participation. If the final product of the project is a report, study or other publication, the District's sponsorship of that publication shall be prominently indicated at the beginning of the publication. If the project results in an educational display, the District's logo and a statement of the District's participation in the project shall be contained in the display.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 12-17-90, Formerly 16T-2.013, Amended 2-22-10.

66B-2.014 Small-Scale Spoil Island Restoration and Enhancement Projects.

Proposals shall be accepted for the restoration or enhancement of spoil islands and natural islands within the District's waterways for recreational, navigational, educational, and environmental purposes. The applicable provisions of this rule apply to these applications with the following additions or exceptions:

(1) Application Procedure – A Request for Proposals procedure will be used to request proposals for consideration. Proposals shall follow the format described in FIND Document #03-02 Call for Proposals – Small-Scale Spoil Island Restoration and Enhancement Program (effective date 1-1-26), hereby incorporated by reference at http://flrules.org/Gateway/reference.asp?No=Ref-18990 and available from the District office. Proposals may be submitted to the District and considered by the Board at any time during the year.

(2) Matching Funds: Small-scale spoil island restoration and enhancement may qualify for up to ninety percent (90%) program funds. The applicant's ten percent (10%) matching funds may include in-kind contribution pursuant to paragraph 66B-2.014(4)(b), F.A.C.

(3) Eligibility: All proposals must meet the following eligibility criteria to be considered for funding:

(a) Management Plan Compliance: Projects shall be in compliance with the provisions of any Spoil Island Management Plans or other management plans that govern the Project site.

(b) Property Control: The Project Sponsor must have written property rights on the Project site to construct and maintain the Project for a minimum of five years. Such property rights can be in the form of a lease, interlocal agreement, use agreement or other legal form approved by the District. The applicant shall include a map clearly delineating the location of all proposed work included in the application.

(4) Funds Allocation: Funds shall be allocated pursuant to Rule 66B-2.005, F.A.C., subject to the exceptions identified in this rule, and with the following additions:

(a) The District shall fund a maximum of up to $20,000 per project, not to exceed $60,000 per County, per fiscal year.

(b) The Project Sponsor may contribute in-kind construction labor; such in-kind construction labor costs will be valued at the Independent Sector estimated national value of each volunteer hour. No administrative costs can be incorporated into the Project as Project costs.

(c) The funding provided by the District shall only be allocated for specific Project expenses such as construction materials, trash removal and management, sign installation, plant materials, herbicides, etc. The funding provided by the District shall not be allocated for parties, food or beverages.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 7-30-02, Amended 4-24-06, 3-7-11, 3-25-21, 3-11-24, 5-14-25, 1-26-26.

66B-2.015 Small-Scale Derelict Vessel Removal Projects.

Proposals shall be accepted for financial assistance for the removal of derelict vessels as defined in section 823.11, Florida Statute, within the District's waterways. The applicable provisions of this rule apply to these applications with the following additions or exceptions:

(1) Application Procedure – Applications shall be submitted on a completed FIND Form No. 05-01 Small-Scale Derelict Vessel Removal Program Application (effective date 1-1-26), hereby incorporated by reference at http://flrules.org/Gateway/reference.asp?No=Ref-18991 and available from the District office, and FIND Form No. 01-06 Small-Scale Derelict Vessel Removal Program – Project Cost Estimate (effective date 1-1-26), hereby incorporated by reference at http://flrules.org/Gateway/reference.asp?No=Ref-18992 and available from the District office. Applications may be submitted to the District and considered by the Board at any time during the year.

(2) The District shall only fund applicants that have identified derelict vessels to be removed and have a current bid for removal

for such vessels, or have completed the removal of such vessels within the 6 months preceding the application, subject to eligibility under these program rules.

(3) The program must be sponsored by an eligible government agency or not-for-profit organization.

(4) District funding shall be limited to $150,000.00 per county, per year, provided on a reimbursement basis only. The limitation on pre-agreement expenses may be waived by the Board in accordance with subsection 66B-2.005(3), F.A.C.

(5) The eligible applicant must provide the remaining matching funds for project completion. In no case shall the District's cost-share contribution exceed 75% of the total project costs. In-house project management or administration costs are not eligible costs or matching costs.

(6) The derelict vessel must be located in the District's Waterways, as defined in Rule 66B-2.003, F.A.C. The applicant shall include a map clearly delineating the location of all vessels included in the application.

(7) The District shall be recognized when possible in all written, audio or video advertising and promotions as a participating sponsor of the program.

(8) The funding provided by the District shall only be allocated for removal of derelict vessels. The District is providing program reimbursement funds only and shall be held harmless with regards to the activities initiated by the applicant.

(9) The applicant shall be responsible for all maintenance, management, disposal and operating expenses associated with the program.

(10) Funds derived from the sale of any derelict vessels or vessel parts removed through this grant program must be reinvested into the applicant's derelict vessel removal program.

(11) The District Board shall make all final decisions concerning the provision of funding for this program.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1) FS. History–New 4-24-06, Amended 4-15-07, 3-25-08, 3-7-11, 1-27-14, 3-25-21, 3-9-23, 3-11-24, 1-26-26.

66B-2.016 Waterways Cleanup Events.

Proposals shall be accepted for financial assistance for the organized removal of refuse within the District's waterways. The applicable provisions of this rule apply to these applications with the following additions or exceptions:

(1) Application Procedure: Prior to the event, a request for funding shall be submitted to the District by means of a cover letter detailing the occurrence of the cleanup, contact information, a map of the cleanup locations and the general parameters of the event. In addition, the Applicant will submit a detailed budget clearly delineating the expenditure of all District funds, as well as the overall general budget of the event. Proposals may be submitted to the District and considered by the Board at any time during the year.

(2) Availability: The District shall fund a maximum of one clean-up program per waterway, per year within a county, with exception to the provisions of subsections (8) through (10), below.

(3) Applicant Eligibility: The clean-up program must be sponsored by a government agency or a registered not-for-profit corporation.

(4) Funding: District funding shall be limited to $5,000 per waterway, per county, except for the provisions of subsections (8) through (10), below.

(5) The District shall be recognized in all written, online, audio or video advertising and promotions as a participating sponsor of the clean-up program.

(6) Funding Eligibility: The funding provided by the District shall only be allocated to reimburse the applicant for out of pocket expenditures related to specific cleanup program expenses such as trash bags, trash collection, haul and landfill fees, gloves, advertising, T-shirts, and related expenses. The funding provided by the District shall not be allocated for parties, meetings, food or beverages.

(7) The District Board shall make all final decisions concerning the provision of funding for a clean-up program.

In addition to the requirements stated above, a cleanup program implementing all of the following additional incentives will qualify for up to additional $5,000 in clean up funds.

(8) The clean-up program budget must provide equal or greater matching funds for all Navigation District funding.

(9) The applicant shall tally and report the composition and location of the waterway-related debris, with the goal to show definitive progress in the amount of refuse collected, a reduction in the overall debris in the waterway, or an increase in the number of additional waterway areas included in the clean up.

(10) For each additional $1,000 in Navigation District funding, the applicant shall coordinate a minimum of one waterway

collection point or clean up area, or an applicant can conduct an additional waterway cleanup program for the waterway areas.

1. Resolution
2. Taxable Non Ad Valorem Revenue Note Series 2026 Presentation

Background:

As financial advisor, HilltopSecurities assisted the City with a request for bank loan proposals (the “RFP”) to provide funding, along with other available funds of the City, for the acquisition of certain real property located within the State Road 100 Corridor Community Redevelopment Area and paying costs of issuance.

By the due date for the RFP on September 17, 2026, the City received a total of three (3) responses from the following lenders; SouthState Bank, Truist Bank, and Wells Fargo Bank.

Based upon the three (3) proposals received, Wells Fargo Bank is being recommended for the proposed loan. This is based upon the lowest proposed current taxable variable interest rate and the ability to prepay amounts drawn on the loan without penalty prior to maturity (with a 15-day notice).

Recommended Action:
APPROVE RESOLUTION 2026-XX AUTHORIZING A TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026 BANK LOAN FROM WELLS FARGO BANK NOT TO EXCEED $11,000,000 FOR THE PURPOSE OF ACQUIRING CERTAIN REAL PROPERTY LOCATED WITHIN THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AREA

RESOLUTION NO. 2026-___
SR 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY

A RESOLUTION OF THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY APPROVING THE FORM OF AND AUTHORIZING THE EXECUTION OF AN INTERLOCAL AGREEMENT WITH THE CITY OF PALM COAST, FLORIDA, PROVIDING FOR THE PAYMENT BY THE AGENCY TO THE CITY OF TAX INCREMENT REVENUES DERIVED FROM THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AREA IN AMOUNTS SUFFICIENT TO PAY DEBT SERVICE ON THE CITY'S TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026; APPROVING THE PLEDGE OF SUCH TAX INCREMENT REVENUES TO THE CITY; PROVIDING CERTAIN OTHER MATTERS IN CONNECTION THEREWITH; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Palm Coast, Florida (the "City") created the State Road 100 Corridor Community Redevelopment Agency (the "Agency") pursuant to Part III, Chapter 163, Florida Statutes (the "Redevelopment Act"), as a legal entity separate, distinct, and independent from the City Council, to carry out community redevelopment within the State Road 100 Corridor Community Redevelopment Area (the "Redevelopment Area") in accordance with the State Road 100 Corridor Community Redevelopment Plan (as amended from time to time, including by the amendment approved on October 6, 2026, the "Redevelopment Plan"); and

WHEREAS, the City is acquiring certain real property located within the Redevelopment Area (the "Project"), in furtherance of the redevelopment purposes of the Redevelopment Plan; and

WHEREAS, the City has determined to finance the Project by obtaining a taxable non-revolving line of credit (the "Loan") from Wells Fargo Bank, National Association (the "Bank") pursuant to a Taxable Non-Revolving Credit Agreement between the City and the Bank (the "Loan Agreement"), as authorized by a resolution adopted by the City Council on October 20, 2026 (the "City Resolution"), and the City's obligation to repay the Loan will be evidenced by the City's Taxable Non-Ad Valorem Revenue Note, Series 2026 (the "Series 2026 Note"); and

WHEREAS, the Series 2026 Note will be payable from non-ad valorem revenues of the City budgeted, appropriated and deposited in accordance with the Loan Agreement, and the City has requested that the Agency pay to the City, from tax increment revenues deposited in the redevelopment trust fund (the "Redevelopment Trust Fund") established for the Redevelopment Area (the "Increment Revenues"), amounts sufficient to pay the principal of and interest on the Series 2026 Note and the other amounts payable by the City under the Loan Agreement; and

WHEREAS, the Redevelopment Plan, as amended, authorizes the use of Increment Revenues for the acquisition of the Project and for the payment of indebtedness incurred by the City to finance the Project, and Section 163.387(6)(c), Florida Statutes, authorizes the Agency to expend moneys in the redevelopment trust fund for the acquisition of real property in the redevelopment area and for the repayment of principal and interest on loans, advances, bonds, and any other form of indebtedness; and

WHEREAS, the obligation of the Agency under the Interlocal Agreement (as hereinafter defined) to pay Increment Revenues to the City over a period of years constitutes a "bond" within the meaning of Section 163.340(14), Florida Statutes, and a redevelopment revenue bond payable from and secured by Increment Revenues under Section 163.385, Florida Statutes, the issuance of which the City Council, as the governing body, has authorized by the City Resolution; and

WHEREAS, the City provided notice of its intent to approve the Series 2026 Note and the Interlocal Agreement by registered mail to each taxing authority which levies ad valorem taxes on taxable real property contained within the Redevelopment Area, at least 15 days before such action, pursuant to Section 163.346, Florida Statutes; and

WHEREAS, the Agency desires to enter into an interlocal agreement with the City providing for the payment to the City of amounts due on the Series 2026 Note from the Increment Revenues and the pledge of the Increment Revenues to the City (the "Interlocal Agreement"), the substantially final form of which is attached hereto as Exhibit A.

BE IT RESOLVED BY THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY:

SECTION 1. AUTHORITY; FINDINGS. This Resolution is adopted pursuant to the Redevelopment Act, including Sections 163.385 and 163.387, Florida Statutes, the Florida Interlocal Cooperation Act of 1969, Section 163.01, Florida Statutes, and other applicable provisions of law. The recitals set forth above are incorporated herein as findings of the Agency. The Agency finds that the Interlocal Agreement, the Project and the expenditures contemplated thereby serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the Redevelopment Area pursuant to the Redevelopment Plan.

SECTION 2. APPROVAL OF INTERLOCAL AGREEMENT. The form of the Interlocal Agreement, attached hereto as Exhibit A, is hereby approved. The Interlocal Agreement, with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chair prior to the execution thereof, which necessity and/or desirability and approval shall be presumed by the Agency's execution of the Interlocal Agreement, shall be executed in the name of the Agency by the Chair and attested by the Secretary.

SECTION 3. OBLIGATION TO REPAY CITY.

(A) The City's issuance of the Series 2026 Note is hereby acknowledged by the Agency, and the Agency hereby confirms, consents to and accepts the terms thereof and as set forth in the City Resolution, the Loan Agreement and the Series 2026 Note.

(B) The Agency hereby covenants to fund, pay, reimburse and repay the City the amounts due under the Series 2026 Note, the City Resolution and the Loan Agreement, including payment of the principal of and interest on the Series 2026 Note. The Agency hereby pledges the Increment Revenues to the City and shall pay the amounts due hereunder from Increment Revenues or from any other funds of the Agency legally available for such purpose. To the extent that the Increment Revenues are insufficient to fully pay the principal of and interest on the Series 2026 Note all in accordance with the City Resolution and Loan Agreement, and the City has budgeted, appropriated and used any Non-Ad Valorem Revenues for the payment thereof in accordance with the terms of the Loan Agreement (an "Advance"), the Agency shall repay such Advance and pay interest on such Advance at the same interest rate due on the Series 2026 Note. The obligations of the Agency described in this Section are cumulative and shall continue until amounts due hereunder and under the City Resolution and Loan Agreement are fully paid by the Agency.

(C) The obligation to transfer the Increment Revenues to the City to pay the amounts due on the Series 2026 Note shall survive the date on which the Series 2026 Note is no longer due and owing under the Loan Agreement.

(D) Any Increment Revenues received by the Agency in excess of the amount necessary to pay the City the amounts set forth above may be retained by the Agency and used for any lawful purpose of the Agency.

(E) In order to secure its indebtedness to the City for the Series 2026 Note, the Agency hereby pledges the Increment Revenues to the City; provided, however, such pledge is junior and subordinate to the lien on the Increment Revenues securing the Agency's Redevelopment Refunding Revenue Note, Series 2014, issued pursuant to Agency Resolution No. 2014-2, as provided in the Interlocal Agreement.

(F) The Agency is presently entitled to receive the Increment Revenues to be deposited in the Redevelopment Trust Fund, and has taken all action required by law to entitle it to receive such Increment Revenues, and the Agency will diligently enforce the obligation of any Taxing Authority to appropriate its proportionate share of the Increment Revenues and will not take, or consent to or adversely permit, any action which will impair or adversely affect the obligation of each such Taxing Authority to appropriate its proportionate share of such Increment Revenues, impair or adversely affect in any manner the deposit of such Increment Revenues in the Redevelopment Trust Fund, or the pledge of such Increment Revenues hereby to the extent as described herein. The Agency and the City shall be unconditionally and irrevocably obligated so long as the Series 2026 Note is outstanding, and until the payment in full by the Agency of its indebtedness to the City for the Series 2026 Note, to take all lawful action necessary or required in order to ensure that each such Taxing Authority shall appropriate its proportionate share of the Increment Revenues as now or later required by law, and to make or cause to be made any deposits of Increment Revenues or other funds required by this Agreement.

(G) The obligations of the Agency arising under the Interlocal Agreement and this Resolution shall not constitute a general obligation or indebtedness of the Agency or a pledge of the faith and credit of the Agency, and the Agency has no taxing power. Such obligation shall mature not later than the date permitted by Section 163.385(1)(a), Florida Statutes.

SECTION 4. BUDGET. The Agency shall include in its annual budget for each fiscal year, by amendment if necessary, commencing with the fiscal year ending September 30, 2027, amounts of Increment Revenues sufficient to make the payments required under the Interlocal Agreement.

SECTION 5. FURTHER ACTIONS. The Chair, the Vice-Chair, the Executive Director, the Secretary, the Agency Attorney, and all other officers, employees and agents of the Agency are hereby authorized to take all such actions and to execute and deliver all such certificates and other documents as may be necessary or desirable to carry out the intent of this Resolution and the Interlocal Agreement.

SECTION 6. EFFECTIVE DATE. This Resolution shall become effective immediately upon its passage and adoption.

PASSED AND ADOPTED this 20th day of October, 2026.

FORM OF INTERLOCAL AGREEMENT

INTERLOCAL AGREEMENT

This INTERLOCAL AGREEMENT is made and entered into as of October 29, 2026 (herein, the "Agreement"), by and between the STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY, a community redevelopment agency and a public instrumentality, duly created pursuant to the Community Redevelopment Act of 1969, Part III, Chapter 163, Florida Statutes, as amended (hereinafter referred to as the "Agency"), and the CITY OF PALM COAST, FLORIDA, a municipal corporation of the State of Florida (hereinafter referred to as the "City");

W I T N E S S E T H:

WHEREAS, the City Council of the City (the "City Council") created the Agency pursuant to Part III, Chapter 163, Florida Statutes (the "Redevelopment Act"), as a legal entity separate, distinct, and independent from the City Council, to carry out community redevelopment within the State Road 100 Corridor Community Redevelopment Area (the "Redevelopment Area") in accordance with the State Road 100 Corridor Community Redevelopment Plan (as amended from time to time, including by the amendment approved on October 6, 2026, the "Redevelopment Plan"); and

WHEREAS, City [Resolution] [Ordinance] No. [_____] established the boundaries of the State Road 100 Community Redevelopment Area (as may be amended from time to time, the "Redevelopment Area") and approved the [State Road 100 Community Redevelopment Plan] (as amended from time to time, including by the amendment approved on October 6, 2026, the "Redevelopment Plan"), pursuant to the Redevelopment Act; and

WHEREAS, City Ordinance No. 2004-13, as amended and supplemented from time to time, established a community redevelopment trust fund the "Redevelopment Trust Fund") for the purpose of carrying out redevelopment in the Redevelopment Area pursuant to the Redevelopment Plan; and

WHEREAS, the City is acquiring certain real property located within the Redevelopment Area, as more particularly described in the Resolution (as hereinafter defined) (the "Project"), in furtherance of the redevelopment purposes of the Redevelopment Plan; and

WHEREAS, the City has determined to finance the Project by obtaining a taxable non-revolving line of credit (the "Loan") from Wells Fargo Bank, National Association (together with its successors and assigns, the "Bank") pursuant to a Taxable Non-Revolving Loan Agreement between the City and the Bank (the "Loan Agreement"), as authorized by a resolution adopted by the City Council on October 20, 2026 (the "Resolution"); and

WHEREAS, the City's obligation to repay the Loan is evidenced by the City's Taxable Non-Ad Valorem Revenue Note, Series 2026 (the "Series 2026 Note"), which matures on October

1, 2029, and which is payable from Non-Ad Valorem Revenues of the City budgeted, appropriated and deposited in accordance with the Loan Agreement; and

WHEREAS, the Redevelopment Plan, as amended on October 6, 2026, authorizes the use of tax increment revenues deposited in the Redevelopment Trust Fund with respect to the Redevelopment Area (the "Increment Revenues") for the acquisition of the Project and for the payment of indebtedness incurred by the City to finance the Project; and

WHEREAS, the City and the Agency desire to enter into this Agreement to memorialize the terms by which the Agency shall pay and/or reimburse the City for obligations incurred with respect to the Project by paying to the City, from Increment Revenues, amounts equal to the principal of and interest on the Series 2026 Note and all other amounts due and owing by the City under the Loan Agreement (as hereinafter defined); and

WHEREAS, the City provided notice of its intent to approve this Agreement and thereby authorize the Agency's pledge of the Increment Revenues to the City for payment of the Series 2026 Note, by registered mail, to each taxing authority which levies ad valorem taxes on taxable real property contained within the Redevelopment Area, at least 15 days before such action, pursuant to Section 163.346 of the Redevelopment Act; and

WHEREAS, the City and the Agency hereby determine that this Agreement, the issuance of the Series 2026 Note, the Project and the expenditures contemplated hereunder serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the Redevelopment Area pursuant to the Redevelopment Plan; and

WHEREAS, the Increment Revenues are pledged to the payment of the Agency's Redevelopment Refunding Revenue Note, Series 2014 (the "Series 2014 Note") pursuant to Agency Resolution No. 2014-2 adopted on January 21, 2014 (the "2014 Note Resolution"), and, except with regard to the Series 2014 Note and the Agency's obligations pursuant to this Agreement, the Increment Revenues are not subject to any other pledge or lien.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, the parties agree as follows:

1. Incorporation of Recitals. The recitals set forth above are hereby incorporated into the terms of this Agreement.

2. Definitions. Capitalized terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement. In addition, the following terms shall have the following meanings:

"Fiscal Year" means the period commencing on October 1 of each year and ending on the succeeding September 30.

"Obligations" means the Series 2026 Note.

"Taxing Authority" means each public body required to appropriate and deposit increment revenues into the Redevelopment Trust Fund pursuant to Section 163.387, Florida Statutes.

3. Authority. This Agreement is entered into pursuant to the Florida Interlocal Cooperation Act of 1969, Section 163.01, Florida Statutes, the Redevelopment Act, including Sections 163.385 and 163.387 thereof, Chapter 166, Florida Statutes, and other applicable provisions of law. The obligation of the Agency under this Agreement to pay Increment Revenues to the City constitutes a "bond" within the meaning of Section 163.340(14), Florida Statutes, and a redevelopment revenue bond of the Agency payable from and secured by the Increment Revenues under Section 163.385, Florida Statutes, the issuance of which has been authorized by the City Council, as the governing body, by the Resolution, and approved by the governing body of the Agency by resolution adopted on October 20, 2026.

4. Obligation to Repay City.

A. The City's execution and delivery of the Loan Agreement and issuance of the Series 2026 Note are hereby acknowledged by the Agency, and the Agency hereby confirms, consents to and accepts the terms thereof and as set forth in the Resolution, the Loan Agreement and the Series 2026 Note.

B. The Agency hereby covenants to fund, pay, reimburse and repay the City the amounts due with respect to the Obligations, including the principal of and interest on the Series 2026 Note and all fees and other amounts payable by the City under the Loan Agreement. The Agency shall pay the amounts due hereunder from Increment Revenues or from any other funds of the Agency legally available for such purpose. To the extent that the Increment Revenues are insufficient to pay such amounts in full, and the City has budgeted, appropriated and used Non-Ad Valorem Revenues or other funds of the City for the payment thereof in accordance with the Loan Agreement (each, a "City Payment"), the Agency shall repay each City Payment, together with interest thereon from the date of such City Payment until repaid at the same interest rate borne by the Series 2026 Note. The Agency acknowledges that the entire principal amount of the Series 2026 Note is due on October 1, 2029, and that the City expects to pay such principal from the Increment Revenues or other funds of the City; any such principal paid by the City from Non-Ad Valorem Revenues or other funds of the City shall constitute a City Payment. The obligations of the Agency described in this Section are cumulative and shall continue until all amounts due hereunder are fully paid by the Agency.

C. The obligation to transfer the Increment Revenues to the City to pay the amounts due hereunder shall survive the date on which the Series 2026 Note is no longer due and owing under the Loan Agreement, until all City Payments, together with interest thereon, have been repaid to the City.

D. Any Increment Revenues received by the Agency in excess of the amount necessary to pay the City the amounts set forth above may be retained by the Agency and used for any lawful purpose of the Agency.

E. In order to secure its indebtedness to the City hereunder, the Agency hereby pledges to the City the Increment Revenues, which pledge shall be junior, inferior and subordinate in all respects to the lien on and pledge of the Increment Revenues securing the Series 2014 Note and any other note or debt obligation issued by the Agency to a lender or creditor other than the City (collectively, the "Senior Agency Notes"). The City has not pledged, and nothing herein shall be construed as a pledge by the City of, the Increment Revenues or any amounts received by the City hereunder to the payment of the Series 2026 Note or to the Bank, except to the extent the City deposits amounts received hereunder in the debt service fund established under the Loan Agreement, in which case such amounts shall be pledged as provided in the Loan Agreement.

F. The Agency is presently entitled to receive the Increment Revenues to be deposited in the Redevelopment Trust Fund, and has taken all action required by law to entitle it to receive such Increment Revenues, and the Agency will diligently enforce the obligation of each Taxing Authority to appropriate its proportionate share of the Increment Revenues and will not take, or consent to or permit, any action which will impair or adversely affect the obligation of each such Taxing Authority to appropriate its proportionate share of such Increment Revenues, impair or adversely affect in any manner the deposit of such Increment Revenues in the Redevelopment Trust Fund, or impair the pledge of such Increment Revenues made hereby. The Agency and the City shall be unconditionally and irrevocably obligated, so long as any amounts remain payable by the Agency hereunder, to take all lawful action necessary or required in order to ensure that each such Taxing Authority shall appropriate its proportionate share of the Increment Revenues as now or later required by law, and to make or cause to be made any deposits of Increment Revenues or other funds required by this Agreement.

G. The Agency shall include in its annual budget for each Fiscal Year amounts sufficient to make the payments required hereunder. To the extent any moneys remain in the Redevelopment Trust Fund at the end of any fiscal year while amounts remain payable by the Agency hereunder, the Agency shall, to the extent permitted by Section 163.387(7), Florida Statutes, apply such moneys to, or place them in escrow for, the payment of its obligations hereunder.

H. The City and the Agency acknowledge that the obligation of the Taxing Authorities to deposit increment revenues in the Redevelopment Trust Fund, and the Agency's ability to pledge Increment Revenues, are subject to the time limitations of Sections 163.387(2)(a) and 163.385(1)(a), Florida Statutes, and to the term of the Redevelopment Area.

I. So long as the Senior Agency Notes remain outstanding, the payments required of the Agency hereunder in any Fiscal Year shall be made only from Increment Revenues remaining after the Agency has made all deposits and payments then required under the Senior Agency Notes. Nothing in this Agreement shall be construed to permit any action that would impair the rights of the holder of the Senior Agency Notes.

5. Effective Date; Term; Filing. This Agreement shall take effect upon its execution by the City and the Agency. This Agreement shall be filed with the Clerk of the Circuit Court of Flagler County, Florida, as required by Section 163.01(11), Florida Statutes, and shall remain in effect until all amounts payable by the Agency hereunder have been paid in full.

6. Severability. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable in any context, the same shall not affect any other provision herein or render any other provision (or such provision in any other context) invalid, inoperative or unenforceable to any extent whatever.

7. Applicable Provisions of Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

8. Rules of Interpretation. Unless expressly indicated otherwise, references to sections or articles are to be construed as references to sections or articles of this instrument as originally executed. Use of the words "herein," "hereby," "hereunder," "hereof," "hereinbefore," "hereinafter" and other equivalent words refer to this Agreement and not solely to the particular portion in which any such word is used.

9. Captions. The captions and headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Agreement.

10. City Council Members of the City Exempt from Personal Liability. No recourse under or upon any obligation, covenant or agreement of this Agreement or the Series 2026 Note or for any claim based thereon or otherwise in respect thereof, shall be had against any City Council members of the City, as such, of the City, past, present or future, either directly or through the City it being expressly understood (a) that no personal liability whatsoever shall attach to, or is or shall be incurred by, the City Council members of the City, as such, under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom, and (b) that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such City Council member of the City, as such, are waived and released as a condition of, and as a consideration for, the execution of this Agreement and the issuance of the Series 2026 Note on the part of the City.

11. Board Members of the Agency Exempt from Personal Liability. No recourse under or upon any obligation, covenant or agreement of this Agreement or the Series 2026 Note or for any claim based thereon or otherwise in respect thereof, shall be had against any board members of the Agency, as such, of the Agency, past, present or future, either directly or through the Agency it being expressly understood (a) that no personal liability whatsoever shall attach to, or is or shall be incurred by, the board members of the governing board of the Agency, as such, under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom, and (b) that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such board member of the Agency, as such, are waived and released as a condition of, and as a consideration for, the execution of this Agreement.

12. Obligations Limited. By execution of this Agreement, the Agency hereby consents to all the provisions of the Series 2026 Note, the Resolution and the Loan Agreement. The obligation to pay to the City the amounts due hereunder shall not be deemed to constitute a debt of the Agency or a pledge of the faith and credit of the Agency, but such obligation shall be payable solely from the Increment Revenues to be received by the Agency pursuant to the Redevelopment Act and from any other funds of the Agency legally available therefor. The Agency has no taxing power.

13. Amendments. This Agreement may be amended only by a written instrument approved by the City Council and the governing body of the Agency and executed by both parties, and any amendment shall be filed in the same manner as this Agreement.

14. No Third-Party Beneficiaries. This Agreement is solely for the benefit of the City and the Agency. Nothing in this Agreement, expressed or implied, is intended to or shall confer upon the Bank, any holder of the Series 2026 Note, or any other person any right, remedy or claim under or by reason of this Agreement.

15. Counterparts. This Agreement may be executed in counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties to this Agreement have caused their names to be affixed hereto by the proper officers thereof as of the day and year first written above.

CITY OF PALM COAST, FLORIDA
TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026

OCTOBER 20, 2026

Hilltop Securities Inc.
450 S. Orange Avenue, Suite 225
Orlando, Florida 32801

TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026

- As financial advisor, HilltopSecurities assisted the City with a request for bank loan proposals (the "RFP") to provide funding, along with other available funds of the City, for the acquisition of certain acquire certain real property located within the State Road 100 Corridor Community Redevelopment Area and paying costs of issuance
- Taxable variable rate was requested for the borrowing
  - Non-revolving line of credit, taxable variable interest rate for the entire term of the loan
  - Not to exceed $15,000,000 line of credit size requested (final loan size of $11,000,000)
  - Principal due at maturity on October 1, 2029 (~3-years)
- The RFP requested the ability to prepay all or a portion of the loan without penalty
- Security for the loan includes a covenant to budget and appropriate from all legally available non-ad valorem revenues of the City
- By the due date for the RFP on September 17, 2026, the City received a total of three (3) responses from the following lenders:
  - SouthState Bank
  - Truist Bank
  - Wells Fargo Bank

© 2026 Hilltop Securities Inc. All rights reserved. Member NYSE/FINRA/SIPC. Confidential and Proprietary.

TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026

- Based upon the three (3) proposals received, **Wells Fargo Bank** is being recommended for the proposed loan. This is based upon the lowest proposed current taxable variable interest rate and the ability to prepay amounts drawn on the loan without penalty prior to maturity (with a 15-day notice)
  - Advances shall bear interest at a taxable variable rate per annum equal to Daily Simple SOFR plus 0.56% (subject to adjustment as provided in the credit agreement)
  - The City can make advances on the loan in minimum amounts of $250,000 and no more than one advance per month
  - Unused (undrawn) amounts are subject to an unused fee of 0.24% per annum. If the City reduces the available commitment amount prior to the first anniversary date, the City will owe an early termination fee equal to the remaining unused fee on the reduced amount through the first anniversary (this does not apply to early prepayments)
- The proposed resolution, among other things, authorizes the execution of a credit agreement between the City and Wells Fargo Bank and authorizes the issuance of the Taxable Non-Ad Valorem Revenue Note, Series 2026 to Wells Fargo Bank in an amount not to exceed $11 million

Background:

UPDATED BACKGROUND FROM THE OCTOBER 13, 2026, WORKSHOP MEETING:

City Council received a presentation on the item at the October 13, 2026, Workshop Meeting and provided direction. The item has an accompanying City Council Resolution.

ORIGINAL BACKGROUND FROM THE OCTOBER 13, 2026, WORKSHOP MEETING:

At a prior City Council Meeting, City Council directed staff to develop a Lease Agreement with the YMCA, which is attached to the agenda item for consideration.

Recommended Action:

ADOPT RESOLUTION 2026-XX APPROVING THE ALLOCATION AND EXPENDITURE OF COMMUNITY REDEVELOPMENT TRUST FUNDS IN THE TOTAL AMOUNT OF $3,000,000.00 TO ASSIST IN THE CONSTRUCTION OF A YMCA RECREATIONAL FACILITY AT 1580 CENTRAL AVENUE

RESOLUTION 2026-__

SR 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY

A RESOLUTION OF THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY APPROVING THE ALLOCATION AND EXPENDITURE OF COMMUNITY REDEVELOPMENT TRUST FUNDS IN THE TOTAL AMOUNT OF $3,000,000.00 TO ASSIST IN THE CONSTRUCTION OF A YMCA RECREATIONAL FACILITY AT 1580 CENTRAL AVENUE; FINDING CONSISTENCY WITH THE COMMUNITY REDEVELOPMENT PLAN; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Palm Coast, Florida, duly created the State Road 100 Corridor Community Redevelopment Agency (the "CRA") pursuant to Chapter 163, Part III, Florida Statutes (the "Act"), and the City Council serves as the governing Board of Commissioners of the CRA; and

WHEREAS, the CITY is the owner in fee simple absolute of certain real property located within the boundaries of the CRA redevelopment area at 1580 Central Avenue, Palm Coast, Florida 32164 (the "Property"); and

WHEREAS, the YMCA has expressed a desire to collaboratively develop and operate a YMCA Recreational Facility on the Property to provide recreation programs and wellness services to the citizens of Palm Coast; and

WHEREAS, Section 163.387, Florida Statutes, authorizes the expenditure of Community Redevelopment Trust Funds to finance or refinance community redevelopment undertakings and projects that assist and foster economic, recreational, and community enhancement within the redevelopment area; and

WHEREAS, the CRA Board finds and determines that contributing Three Million Dollars ($3,000,000.00) from the Community Redevelopment Trust Fund toward the construction of the YMCA Recreational Facility directly furthers the objectives and goals set forth in the SR 100

Corridor Community Redevelopment Plan; and

WHEREAS, the CRA Board desires to approve the allocation and disbursement of said funds in accordance with the multi-year funding schedule set forth herein and in the companion Lease Agreement between the City of Palm Coast and the YMCA, attached hereto and incorporated herein by reference as Exhibit "A" to this resolution; and

WHEREAS, the CRA Board finds that the allocation of these funds serves a legitimate, vital, and important public purpose for the revitalization and general welfare of the community redevelopment area and the City of Palm Coast.

NOW, THEREFORE, BE IT RESOLVED BY THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY:

SECTION 1. RECITALS. The above recitals (whereas clauses) are incorporated herein, and are incorporated herein by reference, and form a material basis for this Resolution.

SECTION 2. FINDINGS OF CONSISTENCY WITH CRA PLAN. The CRA Board hereby finds and determines that providing financial assistance for the construction of the YMCA Recreational Facility located within the CRA at 1580 Central Avenue, Palm Coast, Florida 32164, is consistent with, and directly advances the public purposes and redevelopment goals of, the SR 100 Corridor Community Redevelopment Plan adopted pursuant to Chapter 163, Part III, Florida Statutes.

SECTION 3. APPROVAL AND ALLOCATION OF CRA TRUST FUNDS.. The CRA Board hereby approves the allocation and expenditure of Community Redevelopment Trust Funds in an aggregate total amount not to exceed Three Million Dollars ($3,000,000.00) in accordance with the attached Lease Agreement attached and referenced as Exhibit A.

SECTION 4. AUTHORIZATION OF CRA OFFICERS. The Chair, Vice Chair, Executive Director and proper officers of the CRA are hereby authorized and directed to execute any supporting administrative documents necessary to effectuate the expenditure authorized by

this Resolution.

SECTION 5. SEVERABILITY. If any section, subsection, sentence, clause, phrase, or provision of this Resolution is held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not be construed as to render invalid or unconstitutional the remaining provisions of this Resolution.

SECTION 6. IMPLEMENTING ACTIONS. The Executive Director is hereby authorized to take any actions necessary to implement the actions taken in this Resolution.

SECTION 7. EFFECTIVE DATE. This Resolution shall become effective immediately upon its adoption.

DULY PASSED AND ADOPTED by the City Council of City of Palm Coast, Florida, on this 20th day of October 2026

ATTEST:

STATE ROAD 100 CORRIDOR
COMMUNITY REDEVELOPMENT AGENCY

_____
KALEY COOK, SECRETARY

_____
MICHAEL NORRIS, CHAIR

Attachment: Exhibit "A" City of Palm Coast Lease Agreement with the YMCA

AGREEMENT

THIS LEASE AGREEMENT ("Agreement") is made and entered into this____ ____day of_____, 2026, the "Effective Date", by and between the **CITY OF PALM COAST**, a Florida municipal corporation, whose address is 160 Lake Avenue, Palm Coast, Florida, 32164, hereinafter referred to as "**CITY**," and the **VOLUSIA/FLAGLER FAMILY YOUNG MEN'S CHRISTIAN ASSOCIATION, INC**. ("**YMCA**") a Florida non-profit corporation, whose address is 761 E. International Speedway Blvd, Deland, FL 32724. CITY and YMCA shall be collectively referred to herein as the "Parties."

WITNESSETH:

WHEREAS, the YMCA has expressed a desire to provide a YMCA Recreation Facility and its services to the Citizens of City of Palm Coast; and

WHEREAS, the following recitals are true and constitute a material inducement to the CITY to enter into this Lease agreement:

WHEREAS, The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast, Florida 32136; and

WHEREAS, the YMCA desires to collaboratively develop the property in conjunction with CITY into a YMCA Recreational Facility located at 1580 Central Avenue, Palm Coast, Florida 32164.

WHEREAS, the YMCA has expressed a willingness to build and operate a YMCA for the purpose of allowing public use of the facilities and programs in accordance with the terms and conditions set forth in this Agreement; and

WHEREAS, the City Council of the City of Palm Coast finds and determines that a public purpose would be met by assuring the public of the benefits of healthy and wholesome recreation programs for all ages provided by the YMCA for the benefit of the Palm Coast community; and

WHEREAS, the parties desire to agree to certain terms and conditions relative to the collaborative development of a YMCA on the property; and

WHEREAS, this Agreement serves a legitimate and important public purpose; and

WHEREAS, this Agreement conforms with all applicable provisions of State law and the Charter, codes and ordinances of CITY.

NOW, THEREFORE, in consideration of the premises, mutual covenants, agreement and promises herein contained, the parties hereby covenant and agree as follows:

SECTION 1. RECITALS. The following recitals are true and constitute a material inducement to the CITY to enter into this Lease Agreement: The Parties hereby acknowledge that the YMCA shall be the lessee under the Lease Agreement. The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast Florida, 32164, ("Property") and is more particular described in Exhibit "A," attached hereto and made a part of this Lease Agreement. The CITY is agreeable to leasing the underlying land to the YMCA, and the YMCA hereby agrees to lease said land from the CITY and to construct, own, and operate a YMCA Recreational Facility (along with any future improvements) situated thereon, with such facility to be owned exclusively by the YMCA. The Parties will collaborate together to develop a YMCA Recreation Facility on the Property and any future development proposals or construction must be approved by the CITY. It is intended that CITY will permit the YMCA to operate the YMCA Recreational Facility once it is developed subject to the lease that sets forts all terms and conditions of use and compensation to the CITY in the amount of ONE DOLLAR ($1.00) per year. The City Agrees to contribute two hundred fifty thousand dollars ($250,000.00) from State appropriations toward the construction and development of the YMCA Recreational Facility. In addition, the City agrees to contribute two million dollars ($2,000,000.00) in fiscal year 2027, five hundred thousand dollars ($500,000.00) in fiscal year 2028, and five hundred thousand dollars ($500,000.00) in fiscal year 2029 towards the construction of the YMCA Recreation Center. Each payment will be received by the YMCA on April 1st of the designated fiscal year. The CITY finds that such activities serve a public purpose for the betterment of the citizens of the CITY.

(A) Notwithstanding anything to the contrary contained herein, the CITY's obligations under this Lease Agreement including but not limited to the disbursement of any CITY funding contributions set forth above are expressly contingent and conditional upon the YMCA entering into a binding, fully executed agreement with the Flagler County School District (the "School District"). Pursuant to said agreement, the School District must commit to contribute a minimum financial sum of Three Million Dollars ($3,000,000.00) toward the construction, development, or operation of the YMCA Recreational Facility. In the event the YMCA fails to execute such an agreement and secure the School District's $3,000,000.00 financial commitment within 30 days of the effective date of this Agreement, this Lease Agreement shall automatically terminate, and neither Party shall have any further obligation or liability hereunder.

SECTION 2. TERM OF LEASE. The term of the lease shall be for thirty-five (35) years, commencing on the 1st day of ~~Month~~November 1, 2026, and extending until midnight on ~~Month~~ October 31, 2061, and for any additional period of time during which the property and YMCA Recreational Facility is leased by the YMCA.

SECTION 3. USE OF THE PROPERTY.

(A) CITY agrees that the YMCA shall use the Property exclusively for the construction, operation, and maintenance of a YMCA Recreation Facility. The YMCA Recreation Facility shall mean the approximately 464,000+/- square foot facility and all related improvements, which includes, but is not limited to, an Olympic-size swimming pool, family pool, wellness center, sports gym, locker rooms, childcare area, group exercise rooms, kids zone, and all related amenities. No other use shall be permitted without prior written consent of the City. YMCA shall comply with all federal, state, and local laws, rules and regulations applicable to developing a YMCA Recreational Facility and for the use of the Property. Parties hereto agree to coordinate any special events and/or programs within their operations, subject to the terms and conditions contained herein. The YMCA shall apply for all necessary construction and development permits for the YMCA facility, swimming pool, and all planned amenities within six (6) months of the effective date of this A~~a~~greement, and shall have all such facilities fully constructed, operational, and open to the public within three (3) years of the date of the permit application unless both parties to this agreement mutually agree in writing to extend either above date. Failure to have the YMCA Recreation Facility fully constructed,

operation, and open to the public within the specified three (3) year timeline (or any mutually agreed-upon written extension) ~~to meet these requirements~~ shall constitute a material default under this Lease. In the event of such default, the YMCA shall refund and repay to the City the entire three million two hundred fifty thousand dollars ($3,250,000.00) contributed under this agreement within thirty (30) days of written notice from the City.

(B) The CITY may use the YMCA Recreational Facility or any portion thereof and its parking area at no cost for Official City Activities, provided the City Preschedules the use with the YMCA and it does not conflict with existing YMCA events or prior commitments/programs. Administrative and technical personnel from the YMCA's staff will be made available to the CITY for these activities. Any city requirement in excess of normal staffing and resources of YMCA shall be paid by the CITY.

(C) **FLAGLER COUNTY SCHOOL DISTRICT RIGHTS AND EXCEPTIONS**. The YMCA shall grant the Flagler County School District ("District") perpetual usage rights for Physical Education programming and District-sanctioned sports team practices and competitions pursuant to a separate agreement between the District and the YMCA.

(D) **YOUTH CLUB ACCESS.** The YMCA shall permit youth sports clubs located within the City of Palm Coast to access the facility for practices and sporting events at nominal rates, subject to scheduling availability and prior coordination with the YMCA. For the purpose of this Agreement "nominal" or "nominal rates" shall mean a minimum fee charged exclusively to cover the actual cost for the YMCA to provide the service, limited strictly to direct, out-of-pocket operational expenses incurred (including, but not limited to, incremental staffing for supervision/security, direct utility usage during event hours, and post-event cleaning supplies and labor.) Nominal rates shall strictly exclude commercial markups or standard market rental rates, provided that a reasonable allocation for direct facility wear-and-tear or minor administrative tracking may be included but shall strictly exclude any profits margins, commercial mark-ups, or standard market rental rates.

(E) **SCHEDULE OF OPERATIONS.** The YMCA Management will determine the hours of operation of the Palm Coast YMCA. The same shall be in accordance with nationwide and local YMCA practices and policies.

(F) **CONCESSIONS**. The YMCA may, but shall not be required to, dispense food and/ ~~or~~/or drink on the Premises for consumption by users of the YMCA facilities.

(G) **PARKING.** The YMCA will share a parking lot with the Stage at Town Center. The City will provide notice of 14 calendar days of all scheduled special events at the Stage. Notwithstanding the foregoing, if the parking lot (or any portion thereof) is located within the legal description of the Property leased to the YMCA under this Lease Agreement, the YMCA shall be solely responsible for the operation, management, repair, and all maintenance of the parking lot (or the portion thereof within said legal description) at its sole expense.

(H) **FEES**. The right to set and control fees charged to members and non-members by the YMCA shall remain with the YMCA and shall not be within the control or directive of the CITY.

(I) **COMPATIBILITY.** The YMCA agrees to operate, maintain and promote the operation and maintenance of the facility in a manner consistent with nationwide and local YMCA policies and practices. The YMCA's operation of the facility shall be in accordance with applicable CITY regulations. The YMCA further agrees to comply with the reasonable request of the CITY pertaining to the operation and promotion of the facility in order to provide for the safety of YMCA members and the public. YMCA agrees that its operation of the facility as a YMCA facility will not unreasonably interfere with the use of the contiguous park area by members of the general public or by the CITY. It is the Parties' intention that the operation of the facility will be compatible with the Parks and Recreation programs of the CITY and/ or programs within their operations. Nothing in this Lease Agreement shall prohibit the CITY from providing any and all programming it deems necessary to meet the needs of the Palm Coast community. YMCA agrees that it will not discriminate in its hiring or promotional practices.

(J) **ADDITIONAL TAXES**. The Parties acknowledge that as a YMCA facility, YMCA presently enjoys a tax exempt status, however, to the extent the same may be applicable, YMCA shall pay all taxes, including all personal property taxes, all real property taxes, leasehold improvement and/or leasehold interest taxes, sales taxes which may be assessed against or arise by reason of YMCA's leasing of the Demised Premises or its operation of the facilities as a YMCA facility.

SECTION 4. YMCA ADDITIONS AND IMPROVEMENTS. The YMCA shall not, without first obtaining the written consent of the CITY, through the City Manager, make any alterations, additions or improvements (collectively, "Alterations") in, to or about the Property, except as stated herein. Unless the Alterations affect the Properties common facilities or systems or would otherwise require a building permit, CITY shall not unreasonably withhold or delay its consent to non-structural or non-mechanical Alterations. YMCA may perform minor Alterations that would be considered exclusively cosmetic improvements, having no impact on the structure or the mechanical systems, such as painting, carpet, and/or window coverings, without the prior consent of the CITY. Except as stated herein, all Alterations to the Property shall be subject to review for compliance and written approval by the CITY prior to such Alterations being made.

(A) Prior to making any Alterations, YMCA shall submit to CITY detailed plans and specifications for Alterations. All Alterations shall be accomplished in accordance with the following conditions:

1. For all contemplated Alterations to the components of the building and surrounding site improvements of the Property, YMCA shall obtain written approval from the City Manager.

2. YMCA shall apply for and obtain such permits as may be required under the Land Development Code of the City of Palm Coast, Florida and other governing entities, if applicable. YMCA shall provide performance and payment bonds equal to the value of all contracts for improvements naming the CITY as an insured.

3. YMCA shall do all things necessary to prevent the filing of any liens for work, labor, services or materials performed or supplied or claimed to have been performed or supplied to YMCA, or anyone holding the Property, or any part of them, through or under YMCA. If any claim of lien is filed, YMCA shall have it canceled of record within thirty (30) days after the date of the filing or, if YMCA in good faith determines that the lien should be contested, YMCA shall furnish security to release the claim of lien as a lien against the property and to prevent any foreclosure, pending resolution of the contest.

4. If YMCA does not release the claim of lien, the CITY may, but shall not be obligated to, release the claim of lien either by paying the amount claimed to be due or by procuring the release of claim

of lien by giving security or in such other manner as may be prescribed by law. YMCA shall repay to the CITY all sums disbursed or deposited by the CITY pursuant to the foregoing provisions of this paragraph, including the CITY's cost, expenses and attorneys' fees reasonably incurred in connection therewith as additional rent hereunder on demand. Nothing contained herein shall imply any consent or agreement of the CITY to subject their interests to liability under any mechanics' or other lien law whether or not the performance or the furnishing of such work, labor, services, or materials to YMCA or anyone holding the Property, or any part of them, through or under YMCA has been consented to by the CITY.

SECTION 5. MAINTENANCE AND REPAIRS TO PROPERTY.

(A) YMCA MAINTENANCE RESPONSIBILITY.

1. YMCA shall be responsible for all costs, expenses and obligations related to day-to-day operations, repairs, replacements, and all routine maintenance necessary to develop and maintain the components of the YMCA Recreational Facility, including but not limited to day-to-day, routine maintenance, janitorial and cleaning services, electric, water, and sanitary sewer services, telecommunications services, and maintenance of the surrounding grounds areas within the YMCA Recreational Facility which may arise or become due during the term of this Lease Agreement. Ground maintenance shall include but not be limited to mowing, edging, landscaping and any necessary replacement thereof, irrigation and irrigation system, and tree trimming within the Property. YMCA shall be responsible for the routine maintenance of parking areas, drives and sidewalks, including but not limited to the grass/tree median areas throughout the parking lot area. It shall be the responsibility of the YMCA to notify the CITY of any necessary repairs to the parking areas, drives and sidewalks, as described hereinabove.

2. It shall be the responsibility of the YMCA to keep the Property clean, sanitary, and free from trash and debris. The complete upkeep and maintenance shall be borne by YMCA and YMCA agrees to maintain the Property in accordance with the terms and conditions of this Lease Agreement, continuing service agreements, if any, the City's Land Development Code and consistent with prudent, well-reasoned maintenance procedures and techniques.

3. Notwithstanding any language to the contrary, the Parties agree that the YMCA shall be solely responsible for the routine, ongoing maintenance of the Property to the reasonable standards established by, and to the satisfaction of, the CITY, judged by the standards established in other facilities of similar nature in the local area and as set forth in this Lease Agreement. The CITY shall have reasonable access to the Property during normal operating hours for purposes as set forth herein, and shall timely give YMCA written notice of any maintenance deficiency along with a time period of sixty (60) calendar days from date of notice to correct such deficiency.

SECTION 6. SIGNS. YMCA, at YMCA's expense, shall have the right to place upon the Property such signs or signs as may be necessary to designate the Property. Such signs shall be maintained in good condition and repair at all times by the YMCA, at YMCA's expense, and shall comply with all zoning and sign requirements of the City of Palm Coast. All permits necessary for such signs shall be obtained by YMCA at YMCA's expense.

SECTION 7. **UTILITIES SERVICES.** YMCA shall be responsible for all utility services and shall maintain an individual account with all the various providers. YMCA shall be responsible for arranging access to and all fees associated with telecommunications services, including but not necessarily limited to, telephone service, fire and security system monitoring, facsimile, and internet connection.

SECTION 8. **ASSIGNMENT AND SUBLEASING.** YMCA shall not sell, assign, sublet or in any manner transfer this Lease Agreement or any estate or interest thereunder and shall not sublet the Property or any part thereof, without prior written consent of the CITY in each instance, which consent may be withheld for any reason. The consent by the CITY to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. Should YMCA assign or attempt to assign this Lease Agreement or sublet any portion of the Premised without prior written consent of the CITY, this Lease Agreement shall be terminated forthwith, without prior notice to YMCA. No consent to assignment or encumbrance shall constitute a waiver of the provisions of this Section. However, nothing in this Section shall prohibit YMCA from engaging independent vendors, contractors, or concessionaires to provide ordinary goods, services, or programs (including, but not limited to, food/beverage concessions, athletic coaching, or health services) to facility members and the public *within* the YMCA facility, provided

that such arrangements are structured strictly as operational licenses rather than real estate subleases or assignments, grant no permanent or exclusive land rights, and fully comply with all prohibited use restrictions outlined below in section 8 (A).

(A) Prohibited Commercial and Operational Uses: Notwithstanding any other provision of this Lease Agreement to the contrary, neither YMCA nor any permitted vendor, licensee, concessionaire, or other party shall use, or permit the Property, the facility, or any improvements thereon to be used for, any of the following commercial or operational activities:

(1) Regulated Retail & Controlled Substances: Smoke shops, vape shops, tobacco-related retail establishments, dispensaries, or businesses engaged in the retail sale, distribution, or marketing of THC, delta-8, cannabis, or any psychoactive hemp-derived products.

(2) Alcohol & Adult Beverages: Any retail sale or commercial distribution of alcoholic beverages of any kind (including bars, taverns, lounges, and package sales).

(3) Firearms & Weapons: Gun shops, firearm sales, ammunition sales, or indoor/outdoor shooting ranges.

(4) General Compliance Mandate: Any use, operation, or activity that is prohibited or restricted by zoning regulations, local municipal ordinances, Community Development District (CDD) regulations, or any applicable State of Florida or Federal laws and regulations.

SECTION 9. PUBLIC RECORDS COMPLIANCE. YMCA, when acting on behalf of the CITY for rehabilitation and completion of the improvements provided for herein, shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(A) Keep and maintain public records that ordinarily and necessarily would be required by the CITY in order to perform the service.

(B) Provide the public with access to public records on the same terms and conditions that the CITY would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(C) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(D) Meet all requirements for retaining public records and transfer to the CITY, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the CITY in a format that is compatible with the information technology systems of the CITY.

SECTION 10 .DEFAULT, REMEDIES, AND ABANDONMENT.

(A) **Events of Default**. The following shall be considered "Events of Default":

Unless otherwise stated herein, YMCA's failure to perform, or YMCA's material violation or material breach of, any of the terms, covenants, or conditions of this Lease Agreement, which said failure, violation or breach shall continue un-remedied by YMCA for a period of sixty (60) days after CITY has delivered written notice thereof to YMCA. YMCA shall take immediate steps to remedy the breach and shall diligently pursue such steps until completed and reasonably accepted by the CITY. No default as set forth under this Section shall be deemed to continue if and so long as YMCA diligently proceeds to cure in good faith or is delayed in or prevented from curing by facts or circumstances beyond YMCA's control. If said failure, violation or breach continues after the expiration of a reasonable time to cure, as provided herein, then the CITY may terminate YMCA's right to possession of the Premises and enter the Premises and remove all persons, furniture and equipment located therein, and may seek any and all other remedies available to the CITY by statute or law.

(B) **Effect of an Event of Default and Remedies of the City**. Upon the occurrence of any Event of Default, as a result thereof and without other action by CITY, CITY shall have the following options:

1. Declare the rights of YMCA under this Lease Agreement terminated, and thereafter recover possession of the Premises and remove all persons, furniture and equipment located therein through legal process;

2. Pursue any other remedies available at law or in equity to City on account of the Event of Default. City agrees to use reasonable efforts to mitigate damages on account of any default by YMCA. All of the remedies herein before given to City and all rights and remedies given to it by law and equity shall be cumulative and concurrent. The taking or recovering of the Demised Premises shall not deprive City of any of its remedies or actions against YMCA for rent or any and all other sums due, nor shall the bringing of any action for rent or for breach or default under any term, condition or covenant, or the resort to any other remedy herein provided for the recovery of rent, be construed as a waiver of the right to obtain possession of the Demised Premises.

3. The Parties hereto agree that for purposes of this Lease Agreement, the determination of the materiality of any violation or default shall be governed by Florida law and shall include the following criteria:

a. The extent to which the injured party will be deprived of the benefit which can reasonably be expected;

b. The extent to which the injured party can be adequately compensated for the part of the benefit of which the injured party will be deprived;

c. The extent to which the breaching party will suffer forfeiture;

d. The likelihood that the breaching party will cure; and

e. The extent to which the behavior of the breaching party comports with the standards of good faith and fair dealing.

(C) Abandonment. If the CITY has actual knowledge YMCA has abandoned the Premises, or the CITY reasonably believes YMCA has been absent from the Premises for a period of thirty (30) consecutive days then the CITY may serve written notice of abandonment upon YMCA, and after ten (10) days have elapsed since service of such notice, then the CITY may declare this Lease Agreement abandoned and shall, in such event, make reasonable efforts to relet the Premises. Damages shall include but shall not be limited ~~toall~~to all actual damages suffered by the CITY until the Premises is relet, including reasonable expenses incurred in reletting or in attempting to relet.

(D) Reversion Upon Vacation. If the YMCA ceases operations and vacates the Premises at any time, all improvements, including the building, swimming pool, and any fixtures, shall immediately revert to the ownership of the CITY at no cost to the CITY. The YMCA shall execute any documents necessary to effectuate such transfer and shall ensure the property is free of liens or encumbrances at the time of reversion.

(E) **City's Right to Cure Mortgage Default.** The CITY shall have the absolute right, but not the obligation, to cure any default by YMCA under any mortgage, deed of trust, or other security instrument encumbering the leasehold interest or Premises. The CITY may exercise this right to cure within thirty (30) days after receiving notice of default, or prior to the expiration of the mortgagee's applicable cure period, whichever is later.

(G) **Condition of Mortgage; Lender Notice Covenant.** Any mortgage, deed of trust, or security instrument placed upon the leasehold interest shall expressly require the mortgagee/lender to deliver a duplicate copy of any notice of default or notice of acceleration directly to the CITY simultaneously with its delivery to YMCA. Any leasehold mortgage that fails to include or provide for this direct notice requirement shall be deemed an unauthorized encumbrance and a material default of this Lease Agreement.

SECTION 11 .LOSS OR DESTRUCTION OF YMCA RECREATIONAL FACILITY. If the YMCA Recreational Facility becomes, as a practical matter, totally untenantable ~~able~~ after a casualty loss such as fire, storm, explosion, earthquake, or other casualty loss, this Lease Agreement shall be at an end from such time, except for the purpose of enforcing rights and obligations that may have then accrued under this Lease Agreement, including but not limited to, the payment of insurance claims, indemnity, and any remaining rental credit. The rental shall then be accounted for between the City and YMCA up to the time of such loss or destruction of the YMCA Recreational Facility, YMCA paying up to such date and the City crediting to YMCA the rents collected beyond such date, if any. Should only a part of the YMCA Recreational Facility be rendered untenantable, the rental minus any rental credit shall abate in the proportion which the injured bears to the whole YMCA Recreational Facility, and such part so damaged shall be restored by the

~~City~~ YMCA , at YMCA's sole cost and expense, as speedily as practicable, after which the full rent minus any rental credit shall recommen~~ced~~ and the Lease Agreement shall continue according to its terms.

SECTION 12 .AS-IS CONDITION. YMCA, being the occupant of the Property pursuant to this Lease, acknowledges that it will accept and occupy the Property under this Lease Agreement in "AS IS" condition as the Property exists on the date of this Lease Agreement, and that CITY shall have no obligation to improve, repair or prepare the Property, prior to the Commencement Date or, except as otherwise expressly set forth in this Lease Agreement, after the Commencement Date, for occupancy by YMCA under this Lease Agreement. YMCA ACKNOWLEDGES THAT EXCEPT AS EXPRESSLY SET FORTH IN THIS LEASE, NEITHER CITY NOR ANY AGENT OF CITY HAS MADE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRESENT OR FUTURE SUITABILITY OF THE PROPERTY FOR THE CONDUCT OF YMCA USES THEREON.

SECTION 13. DISCLAIMER OF THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof to or for the benefit of any third party not a formal party hereto. The obligations of the YMCA shall not be obligations of CITY and the YMCA shall ensure that no liens, of any type or nature whatsoever, are placed upon the property.

SECTION 14. CITY'S RIGHT TO STRICTLY ENFORCE. Any law, usage or custom to the contrary notwithstanding, CITY shall have the right at all times to enforce all terms, conditions and covenants hereof in strict accordance herewith, notwithstanding any conduct or custom on the part of the CITY in refraining from so doing at any time or times. Further, the failure of CITY at any time or times to enforce its rights hereunder strictly in accordance with the same shall not be construed as having created a custom in any way or manner contrary to any specific term, condition or covenant hereof, or as having in any way or manner modified the same.

SECTION 15. NOTICES.

(A) Any notice required or allowed to be delivered hereunder shall be in writing and be deemed to be delivered when either (1) hand delivered to the official hereinafter designated, or (2) upon receipt of

such notice when deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to a party at the address set forth opposite the party's name below, or at such other address as the party shall specify by written notice to the other party delivered in accordance with.

YMCA: Volusia/Flagler Family Young Men's Christina Association, Inc.
Attn: Christopher J. Seilkop, President & CEO
Address: 761 E International Speedway Blvd
Deland, FL 32724

CITY: City of Palm Coast
Attn. City Manager
160 Lake Avenue
Palm Coast, Florida 32164

(B) The parties may change the person or notice address for the provisions of this section by providing notice of same as set forth in this Agreement.

SECTION 16. RECORDATION. This lease shall not be recorded by YMCA without the consent of the CITY.

SECTION 17. WASTE. YMCA agrees to commit or suffer no act that would result in damage to or waste of the Property.

SECTION 18. SEVERABILITY. If any part of this Agreement is found invalid or unenforceable by any court, such invalidity or unenforceability shall not affect the other parts of the Agreement if the rights and obligations of the Parties contained therein are not materially prejudiced and if the intentions of the Parties can continue to be affected. To that end, the terms of this Agreement are declared severable.

SECTION 19. PARTIES NOT PARTNERS. It is expressly understood that neither the CITY nor YMCA shall be construed or held to be a partner or associate of the other in the conduct of their respective business. The relationship between the Parties hereto is and shall remain at all times that of Landlord and tenant.

SECTION 20. **INDEMNIFICATION.**

(A) YMCA shall indemnify, hold harmless, and defend the CITY, from and against any and all claims, damages, losses, and expenses including, but not limited to, attorney's fees, arising out of or resulting from the performance or provision for services required under this Agreement, including damage

to persons or property, provided that same is caused in whole or part by the error, omission, negligent act, failure to act, malfeasance, misfeasance, conduct, or misconduct of YMCA, its agents, servants, officers, officials, employees, or subcontractors.

(B) Nothing herein shall be deemed to affect the rights, privileges, and immunities of the CITY as set forth in Section 768.28, Florida Statues.

(C) In claims against any person or entity indemnified under this Section by an employee of the YMCA or its agents or subcontractors, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Section shall not be limited by a limitation on amount or type of damages, compensation, or benefits payable by or for the YMCA or its agents or subcontractors, under Workers Compensation acts, disability benefits acts, or other employee benefit acts.

(D) The execution of this Agreement by the YMCA shall obligate the YMCA to comply with the indemnification provision in this Agreement, however, the YMCA must also comply with the provisions of this Agreement relating to insurance coverages.

SECTION 21. INSURANCE. Without limiting any of the other obligations or liabilities of YMCA, YMCA shall provide, pay for, and maintain in force, throughout the term of this Lease Agreement, the insurance coverages set forth in this Section:

(A) COMPREHENSIVE. YMCA shall maintain Commercial General Liability insurance with limits of not less than $1,000,000 per occurrence and $3,000,000 in the aggregate, together with $1,000,000 in Excess (Umbrella) Liability insurance over and above the underlying general liability limits.

(B) ADDITIONAL INSURED. The policy(ies) shall name the CITY as an additional insured, and shall contain a clause that the insurer will not cancel or change the insurance without first giving the CITY thirty (30) days prior written notice, except for nonpayment of premium which, by law, is ten (10) days notice. The insurance shall be evidenced by a certificate in a form acceptable to the CITY, stating the amount of any "deductible" written by an insurance company with a minimum rating of A+, to the CITY and a copy of

the policy or certificate of insurance shall be delivered to the CITY prior to the commencement of this Restated Lease Agreement.

(CB) FAILURE TO PROCURE. In the event YMCA fails to procure the insurance required herein, the CITY may, but shall be under no obligation to, procure insurance in which event YMCA agrees to pay the CITY, in addition to rent, the amount of the premium on the first day of the month following the month in which the CITY notifies YMCA of the amount of the premium due.

SECTION 22. **APPLICABLE LAW.**

(A) This Agreement and the provisions contained herein shall be construed, controlled and interpreted according to the law of the State of Florida. In any action or proceeding required to enforce or interpret the terms of this Agreement, venue shall be of the Seventh Judicial Circuit in and for Flagler County, Florida, or the Middle District of Florida in Orlando, FL., if in federal court.

(B) Time is of the essence in the performance of this Agreement.

SECTION 23. NONDISCRIMINATION. The YMCA agrees that it will not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, national origin or disability and will take affirmative steps to ensure that applicants are employed and employees are treated during employment without regard to race, color, religion, sex, age, national origin or disability. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment advertising; layoff or termination; rates of pay or their forms or compensation; and selection for training, including apprenticeship. The YMCA, moreover, shall comply with all the requirements as imposed by the Americans with Disability Act, the regulations of the Federal government issued thereunder, and any and all requirements of State law related thereto.

SECTION 24. FURTHER DOCUMENTS. Each of the Parties hereto hereby agree that they will execute and deliver such further instruments and do such further acts and things as may be necessary or desirable to carry out the purpose of this Agreement.

SECTION 25. FAILURE TO ENFORCE NOT WAIVER OF RIGHT. Failure by CITY to enforce any provision contained herein shall not be deemed a waiver of the right to do so thereafter as to the same breach or as to any breach occurring prior or subsequent thereto.

SECTION 26. FORCE MAJEURE. The CITY's obligations hereunder shall be subject to the concept of force majeure. Accordingly, in the event of Acts of God, riot, weather disturbances, permitting, war, terrorism, civil disobedience, geologic subsidence, electrical failure, malfunctions, and events of a similar nature, the CITY shall be excused from providing continual utility service until the cause or causes thereof have been remedied.

SECTION 27. HEADINGS/CAPTIONS. Section headings and other captions contained in this Agreement are for reference purposes only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement, or any provision hereto.

SECTION 28. INTERPRETATION. The CITY and the YMCA agree that all words, terms and conditions contained herein are to be read in concert, each with the other, and that a provision contained under one (1) heading may be considered to be equally applicable under another in the interpretation of this Agreement. This Agreement shall not be construed more strictly against either party on the basis of being the drafter thereof, and both Parties have contributed to the drafting of this Agreement.

SECTION 29. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each which shall be deemed an original, but all of which, taken together, shall constitute one (1) and the same document.

SECTION 30. ENTIRE AGREEMENT. This instrument constitutes the entire agreement between the Parties and supersedes all previous discussions, understandings, and agreements between Parties relating to the subject matter of this Agreement. This Agreement may not be amended, changed, or modified, and material provisions hereunder may not be waived, except by a written document, of equal dignity herewith, approved by the City Council of the CITY and the YMCA and executed by all Parties to this Agreement in a formal Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of the Effective Date.

EXHIBIT A

Legal Description of Parcel 06-12-31-5825-00000-0200

Lot 20, of the subdivision plat of Town Center at Palm Coast Phase 2, according to the plat thereof, as recorded in Map Book 35, Pages 63 through 68, of the Public Records of Flagler County, Florida

AGREEMENT

THIS LEASE AGREEMENT ("Agreement") is made and entered into this____ day of_____, 2026, the "Effective Date", by and between the **CITY OF PALM COAST**, a Florida municipal corporation, whose address is 160 Lake Avenue, Palm Coast, Florida, 32164, hereinafter referred to as "**CITY**," and the **VOLUSIA/FLAGLER FAMILY YOUNG MEN'S CHRISTIAN ASSOCIATION, INC**. ("**YMCA**") a Florida non-profit corporation, whose address is 761 E. International Speedway Blvd, Deland, FL 32724. CITY and YMCA shall be collectively referred to herein as the "Parties."

WITNESSETH:

WHEREAS, the YMCA has expressed a desire to provide a YMCA Recreation Facility and its services to the Citizens of City of Palm Coast; and

WHEREAS, the following recitals are true and constitute a material inducement to the CITY to enter into this Lease agreement:

WHEREAS, The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast, Florida 32136; and

WHEREAS, the YMCA desires to collaboratively develop the property in conjunction with CITY into a YMCA Recreational Facility located at 1580 Central Avenue, Palm Coast, Florida 32164.

WHEREAS, the YMCA has expressed a willingness to build and operate a YMCA for the purpose of allowing public use of the facilities and programs in accordance with the terms and conditions set forth in this Agreement; and

WHEREAS, the City Council of the City of Palm Coast finds and determines that a public purpose would be met by assuring the public of the benefits of healthy and wholesome recreation programs for all ages provided by the YMCA for the benefit of the Palm Coast community; and

WHEREAS, the parties desire to agree to certain terms and conditions relative to the collaborative development of a YMCA on the property; and

WHEREAS, this Agreement serves a legitimate and important public purpose; and

WHEREAS, this Agreement conforms with all applicable provisions of State law and the Charter, codes and ordinances of CITY.

NOW, THEREFORE, in consideration of the premises, mutual covenants, agreement and promises herein contained, the parties hereby covenant and agree as follows:

SECTION 1. RECITALS. The following recitals are true and constitute a material inducement to the CITY to enter into this Lease Agreement: The Parties hereby acknowledge that the YMCA shall be the lessee under the Lease Agreement. The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast Florida, 32164, ("Property") and is more particular described in Exhibit "A," attached hereto and made a part of this Lease Agreement. The CITY is agreeable to leasing the underlying land to the YMCA, and the YMCA hereby agrees to lease said land from the CITY and to construct, own, and operate a YMCA Recreational Facility (along with any future improvements) situated thereon, with such facility to be owned exclusively by the YMCA. The Parties will collaborate together to develop a YMCA Recreation Facility on the Property and any future development proposals or construction must be approved by the CITY. It is intended that CITY will permit the YMCA to operate the YMCA Recreational Facility once it is developed subject to the lease that sets forts all terms and conditions of use and compensation to the CITY in the amount of ONE DOLLAR ($1.00) per year. The City Agrees to contribute two hundred fifty thousand dollars ($250,000.00) from State appropriations toward the construction and development of the YMCA Recreational Facility. In addition, the City agrees to contribute two million dollars ($2,000,000.00) in fiscal year 2027, five hundred thousand dollars ($500,000.00) in fiscal year 2028, and five hundred thousand dollars ($500,000.00) in fiscal year 2029 towards the construction of the YMCA Recreation Center. Each payment will be received by the YMCA on April 1st of the designated fiscal year. The CITY finds that such activities serve a public purpose for the betterment of the citizens of the CITY.

(A) Notwithstanding anything to the contrary contained herein, the CITY's obligations under this Lease Agreement including but not limited to the disbursement of any CITY funding contributions set forth above are expressly contingent and conditional upon the YMCA entering into a binding, fully executed agreement with the Flagler County School District (the "School District"). Pursuant to said agreement, the School District must commit to contribute a minimum financial sum of Three Million Dollars ($3,000,000.00) toward the construction, development, or operation of the YMCA Recreational Facility. In the event the YMCA fails to execute such an agreement and secure the School District's $3,000,000.00 financial commitment within 30 days of the effective date of this Agreement, this Lease Agreement shall automatically terminate, and neither Party shall have any further obligation or liability hereunder.

SECTION 2. TERM OF LEASE. The term of the lease shall be for thirty-five (35) years, commencing on the 1st day of November 1, 2026, and extending until midnight on October 31, 2061, and for any additional period of time during which the property and YMCA Recreational Facility is leased by the YMCA.

SECTION 3. USE OF THE PROPERTY.

(A) CITY agrees that the YMCA shall use the Property exclusively for the construction, operation, and maintenance of a YMCA Recreation Facility. The YMCA Recreation Facility shall mean the approximately 46,000+/- square foot facility and all related improvements, which includes, but is not limited to, an Olympic-size swimming pool, family pool, wellness center, sports gym, locker rooms, childcare area, group exercise rooms, kids zone, and all related amenities. No other use shall be permitted without prior written consent of the City. YMCA shall comply with all federal, state, and local laws, rules and regulations applicable to developing a YMCA Recreational Facility and for the use of the Property. Parties hereto agree to coordinate any special events and/or programs within their operations, subject to the terms and conditions contained herein. The YMCA shall apply for all necessary construction and development permits for the YMCA facility, swimming pool, and all planned amenities within six (6) months of the effective date of this Agreement, and shall have all such facilities fully constructed, operational, and open to the public within three (3) years of the date of the permit application unless both parties to this agreement mutually agree in writing to extend either above date. Failure to have the YMCA Recreation Facility fully constructed, operation, and open to the public within the specified three (3) year timeline (or any mutually agreed-upon

written extension) shall constitute a material default under this Lease. In the event of such default, the YMCA shall refund and repay to the City the entire three million two hundred fifty thousand dollars ($3,250,000.00) contributed under this agreement within thirty (30) days of written notice from the City.

(B) The CITY may use the YMCA Recreational Facility or any portion thereof and its parking area at no cost for Official City Activities, provided the City Preschedules the use with the YMCA and it does not conflict with existing YMCA events or prior commitments/programs. Administrative and technical personnel from the YMCA's staff will be made available to the CITY for these activities. Any city requirement in excess of normal staffing and resources of YMCA shall be paid by the CITY.

(C) **FLAGLER COUNTY SCHOOL DISTRICT RIGHTS AND EXCEPTIONS**. The YMCA shall grant the Flagler County School District ("District") perpetual usage rights for Physical Education programming and District-sanctioned sports team practices and competitions pursuant to a separate agreement between the District and the YMCA.

(D) **YOUTH CLUB ACCESS.** The YMCA shall permit youth sports clubs located within the City of Palm Coast to access the facility for practices and sporting events at nominal rates, subject to scheduling availability and prior coordination with the YMCA. For the purpose of this Agreement "nominal" or "nominal rates" shall mean a minimum fee charged exclusively to cover the actual cost for the YMCA to provide the service, limited strictly to direct, out-of-pocket operational expenses incurred (including, but not limited to, incremental staffing for supervision/security, direct utility usage during event hours, and post-event cleaning supplies and labor.) Nominal rates shall strictly exclude commercial markups or standard market rental rates, provided that a reasonable allocation for direct facility wear-and-tear or minor administrative tracking may be included but shall strictly exclude any profits margins, commercial mark-ups, or standard market rental rates.

(E) **SCHEDULE OF OPERATIONS.** The YMCA Management will determine the hours of operation of the Palm Coast YMCA. The same shall be in accordance with nationwide and local YMCA practices and policies.

(F) **CONCESSIONS**. The YMCA may, but shall not be required to, dispense food and/or drink on the Premises for consumption by users of the YMCA facilities.

(G) **PARKING.** The YMCA will share a parking lot with the Stage at Town Center. The City will provide notice of 14 calendar days of all scheduled special events at the Stage. Notwithstanding the foregoing, if the parking lot (or any portion thereof) is located within the legal description of the Property leased to the YMCA under this Lease Agreement, the YMCA shall be solely responsible for the operation, management, repair, and all maintenance of the parking lot (or the portion thereof within said legal description) at its sole expense.

(H) **FEES**. The right to set and control fees charged to members and non-members by the YMCA shall remain with the YMCA and shall not be within the control or directive of the CITY.

(I) **COMPATIBILITY.** The YMCA agrees to operate, maintain and promote the operation and maintenance of the facility in a manner consistent with nationwide and local YMCA policies and practices. The YMCA's operation of the facility shall be in accordance with applicable CITY regulations. The YMCA further agrees to comply with the reasonable request of the CITY pertaining to the operation and promotion of the facility in order to provide for the safety of YMCA members and the public. YMCA agrees that its operation of the facility as a YMCA facility will not unreasonably interfere with the use of the contiguous park area by members of the general public or by the CITY. It is the Parties' intention that the operation of the facility will be compatible with the Parks and Recreation programs of the CITY and/ or programs within their operations. Nothing in this Lease Agreement shall prohibit the CITY from providing any and all programming it deems necessary to meet the needs of the Palm Coast community. YMCA agrees that it will not discriminate in its hiring or promotional practices.

(J) **ADDITIONAL TAXES**. The Parties acknowledge that as a YMCA facility, YMCA presently enjoys a tax exempt status, however, to the extent the same may be applicable, YMCA shall pay all taxes, including all personal property taxes, all real property taxes, leasehold improvement and/or leasehold interest taxes, sales taxes which may be assessed against or arise by reason of YMCA's leasing of the Demised Premises or its operation of the facilities as a YMCA facility.

SECTION 4. YMCA ADDITIONS AND IMPROVEMENTS. The YMCA shall not, without first obtaining the written consent of the CITY, through the City Manager, make any alterations, additions or improvements (collectively, "Alterations") in, to or about the Property, except as stated herein. Unless the Alterations affect the Properties common facilities or systems or would otherwise require a building permit, CITY shall not unreasonably withhold or delay its consent to non-structural or non-mechanical Alterations. YMCA may perform minor Alterations that would be considered exclusively cosmetic improvements, having no impact on the structure or the mechanical systems, such as painting, carpet, and/or window coverings, without the prior consent of the CITY. Except as stated herein, all Alterations to the Property shall be subject to review for compliance and written approval by the CITY prior to such Alterations being made.

(A) Prior to making any Alterations, YMCA shall submit to CITY detailed plans and specifications for Alterations. All Alterations shall be accomplished in accordance with the following conditions:

1. For all contemplated Alterations to the components of the building and surrounding site improvements of the Property, YMCA shall obtain written approval from the City Manager.

2. YMCA shall apply for and obtain such permits as may be required under the Land Development Code of the City of Palm Coast, Florida and other governing entities, if applicable. YMCA shall provide performance and payment bonds equal to the value of all contracts for improvements naming the CITY as an insured.

3. YMCA shall do all things necessary to prevent the filing of any liens for work, labor, services or materials performed or supplied or claimed to have been performed or supplied to YMCA, or anyone holding the Property, or any part of them, through or under YMCA. If any claim of lien is filed, YMCA shall have it canceled of record within thirty (30) days after the date of the filing or, if YMCA in good faith determines that the lien should be contested, YMCA shall furnish security to release the claim of lien as a lien against the property and to prevent any foreclosure, pending resolution of the contest.

4. If YMCA does not release the claim of lien, the CITY may, but shall not be obligated to, release the claim of lien either by paying the amount claimed to be due or by procuring the release of claim

of lien by giving security or in such other manner as may be prescribed by law. YMCA shall repay to the CITY all sums disbursed or deposited by the CITY pursuant to the foregoing provisions of this paragraph, including the CITY's cost, expenses and attorneys' fees reasonably incurred in connection therewith as additional rent hereunder on demand. Nothing contained herein shall imply any consent or agreement of the CITY to subject their interests to liability under any mechanics' or other lien law whether or not the performance or the furnishing of such work, labor, services, or materials to YMCA or anyone holding the Property, or any part of them, through or under YMCA has been consented to by the CITY.

SECTION 5. MAINTENANCE AND REPAIRS TO PROPERTY.

(A) YMCA MAINTENANCE RESPONSIBILITY.

1. YMCA shall be responsible for all costs, expenses and obligations related to day-to-day operations, repairs, replacements, and all routine maintenance necessary to develop and maintain the components of the YMCA Recreational Facility, including but not limited to day-to-day, routine maintenance, janitorial and cleaning services, electric, water, and sanitary sewer services, telecommunications services, and maintenance of the surrounding grounds areas within the YMCA Recreational Facility which may arise or become due during the term of this Lease Agreement. Ground maintenance shall include but not be limited to mowing, edging, landscaping and any necessary replacement thereof, irrigation and irrigation system, and tree trimming within the Property. YMCA shall be responsible for the routine maintenance of parking areas, drives and sidewalks, including but not limited to the grass/tree median areas throughout the parking lot area. It shall be the responsibility of the YMCA to notify the CITY of any necessary repairs to the parking areas, drives and sidewalks, as described hereinabove.

2. It shall be the responsibility of the YMCA to keep the Property clean, sanitary, and free from trash and debris. The complete upkeep and maintenance shall be borne by YMCA and YMCA agrees to maintain the Property in accordance with the terms and conditions of this Lease Agreement, continuing service agreements, if any, the City's Land Development Code and consistent with prudent, well-reasoned maintenance procedures and techniques.

3. Notwithstanding any language to the contrary, the Parties agree that the YMCA shall be solely responsible for the routine, ongoing maintenance of the Property to the reasonable standards established by, and to the satisfaction of, the CITY, judged by the standards established in other facilities of similar nature in the local area and as set forth in this Lease Agreement. The CITY shall have reasonable access to the Property during normal operating hours for purposes as set forth herein, and shall timely give YMCA written notice of any maintenance deficiency along with a time period of sixty (60) calendar days from date of notice to correct such deficiency.

SECTION 6. SIGNS. YMCA, at YMCA's expense, shall have the right to place upon the Property such signs or signs as may be necessary to designate the Property. Such signs shall be maintained in good condition and repair at all times by the YMCA, at YMCA's expense, and shall comply with all zoning and sign requirements of the City of Palm Coast. All permits necessary for such signs shall be obtained by YMCA at YMCA's expense.

SECTION 7. **UTILITIES SERVICES.** YMCA shall be responsible for all utility services and shall maintain an individual account with all the various providers. YMCA shall be responsible for arranging access to and all fees associated with telecommunications services, including but not necessarily limited to, telephone service, fire and security system monitoring, facsimile, and internet connection.

SECTION 8. **ASSIGNMENT AND SUBLEASING.** YMCA shall not sell, assign, sublet or in any manner transfer this Lease Agreement or any estate or interest thereunder and shall not sublet the Property or any part thereof, without prior written consent of the CITY in each instance, which consent may be withheld for any reason. The consent by the CITY to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. Should YMCA assign or attempt to assign this Lease Agreement or sublet any portion of the Premised without prior written consent of the CITY, this Lease Agreement shall be terminated forthwith, without prior notice to YMCA. No consent to assignment or encumbrance shall constitute a waiver of the provisions of this Section. However, nothing in this Section shall prohibit YMCA from engaging independent vendors, contractors, or concessionaires to provide ordinary goods, services, or programs (including, but not limited to, food/beverage concessions, athletic coaching, or health services) to facility members and the public *within* the YMCA facility, provided

that such arrangements are structured strictly as operational licenses rather than real estate subleases or assignments, grant no permanent or exclusive land rights, and fully comply with all prohibited use restrictions outlined below in section 8 (A).

(A) Prohibited Commercial and Operational Uses: Notwithstanding any other provision of this Lease Agreement to the contrary, neither YMCA nor any permitted vendor, licensee, concessionaire, or other party shall use, or permit the Property, the facility, or any improvements thereon to be used for, any of the following commercial or operational activities:

(1) Regulated Retail & Controlled Substances: Smoke shops, vape shops, tobacco-related retail establishments, dispensaries, or businesses engaged in the retail sale, distribution, or marketing of THC, delta-8, cannabis, or any psychoactive hemp-derived products.

(2) Alcohol & Adult Beverages: Any retail sale or commercial distribution of alcoholic beverages of any kind (including bars, taverns, lounges, and package sales).

(3) Firearms & Weapons: Gun shops, firearm sales, ammunition sales, or indoor/outdoor shooting ranges.

(4) General Compliance Mandate: Any use, operation, or activity that is prohibited or restricted by zoning regulations, local municipal ordinances, Community Development District (CDD) regulations, or any applicable State of Florida or Federal laws and regulations.

SECTION 9. PUBLIC RECORDS COMPLIANCE. YMCA, when acting on behalf of the CITY for rehabilitation and completion of the improvements provided for herein, shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(A) Keep and maintain public records that ordinarily and necessarily would be required by the CITY in order to perform the service.

(B) Provide the public with access to public records on the same terms and conditions that the CITY would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(C) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(D) Meet all requirements for retaining public records and transfer to the CITY, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the CITY in a format that is compatible with the information technology systems of the CITY.

SECTION 10 .DEFAULT, REMEDIES, AND ABANDONMENT.

(A) Events of Default. The following shall be considered "Events of Default":

Unless otherwise stated herein, YMCA's failure to perform, or YMCA's material violation or material breach of, any of the terms, covenants, or conditions of this Lease Agreement, which said failure, violation or breach shall continue un-remedied by YMCA for a period of sixty (60) days after CITY has delivered written notice thereof to YMCA. YMCA shall take immediate steps to remedy the breach and shall diligently pursue such steps until completed and reasonably accepted by the CITY. No default as set forth under this Section shall be deemed to continue if and so long as YMCA diligently proceeds to cure in good faith or is delayed in or prevented from curing by facts or circumstances beyond YMCA's control. If said failure, violation or breach continues after the expiration of a reasonable time to cure, as provided herein, then the CITY may terminate YMCA's right to possession of the Premises and enter the Premises and remove all persons, furniture and equipment located therein, and may seek any and all other remedies available to the CITY by statute or law.

(B) Effect of an Event of Default and Remedies of the City. Upon the occurrence of any Event of Default, as a result thereof and without other action by CITY, CITY shall have the following options:

1. Declare the rights of YMCA under this Lease Agreement terminated, and thereafter recover possession of the Premises and remove all persons, furniture and equipment located therein through legal process;

2. Pursue any other remedies available at law or in equity to City on account of the Event of Default. City agrees to use reasonable efforts to mitigate damages on account of any default by YMCA. All of the remedies herein before given to City and all rights and remedies given to it by law and equity shall be cumulative and concurrent. The taking or recovering of the Demised Premises shall not deprive City of any of its remedies or actions against YMCA for rent or any and all other sums due, nor shall the bringing of any action for rent or for breach or default under any term, condition or covenant, or the resort to any other remedy herein provided for the recovery of rent, be construed as a waiver of the right to obtain possession of the Demised Premises.

3. The Parties hereto agree that for purposes of this Lease Agreement, the determination of the materiality of any violation or default shall be governed by Florida law and shall include the following criteria:

a. The extent to which the injured party will be deprived of the benefit which can reasonably be expected;

b. The extent to which the injured party can be adequately compensated for the part of the benefit of which the injured party will be deprived;

c. The extent to which the breaching party will suffer forfeiture;

d. The likelihood that the breaching party will cure; and

e. The extent to which the behavior of the breaching party comports with the standards of good faith and fair dealing.

(C) Abandonment. If the CITY has actual knowledge YMCA has abandoned the Premises, or the CITY reasonably believes YMCA has been absent from the Premises for a period of thirty (30) consecutive days then the CITY may serve written notice of abandonment upon YMCA, and after ten (10) days have elapsed since service of such notice, then the CITY may declare this Lease Agreement abandoned and shall, in such event, make reasonable efforts to relet the Premises. Damages shall include but shall not be limited to all actual damages suffered by the CITY until the Premises is relet, including reasonable expenses incurred in reletting or in attempting to relet.

(D) Reversion Upon Vacation. If the YMCA ceases operations and vacates the Premises at any time, all improvements, including the building, swimming pool, and any fixtures, shall immediately revert to the ownership of the CITY at no cost to the CITY. The YMCA shall execute any documents necessary to effectuate such transfer and shall ensure the property is free of liens or encumbrances at the time of reversion.

(E) **City's Right to Cure Mortgage Default.** The CITY shall have the absolute right, but not the obligation, to cure any default by YMCA under any mortgage, deed of trust, or other security instrument encumbering the leasehold interest or Premises. The CITY may exercise this right to cure within thirty (30) days after receiving notice of default, or prior to the expiration of the mortgagee's applicable cure period, whichever is later.

(G) **Condition of Mortgage; Lender Notice Covenant.** Any mortgage, deed of trust, or security instrument placed upon the leasehold interest shall expressly require the mortgagee/lender to deliver a duplicate copy of any notice of default or notice of acceleration directly to the CITY simultaneously with its delivery to YMCA. Any leasehold mortgage that fails to include or provide for this direct notice requirement shall be deemed an unauthorized encumbrance and a material default of this Lease Agreement.

SECTION 11 .LOSS OR DESTRUCTION OF YMCA RECREATIONAL FACILITY. If the YMCA Recreational Facility becomes, as a practical matter, totally untenantable after a casualty loss such as fire, storm, explosion, earthquake, or other casualty loss, this Lease Agreement shall be at an end from such time, except for the purpose of enforcing rights and obligations that may have then accrued under this Lease Agreement, including but not limited to, the payment of insurance claims, indemnity, and any remaining rental credit. The rental shall then be accounted for between the City and YMCA up to the time of such loss or destruction of the YMCA Recreational Facility, YMCA paying up to such date and the City crediting to YMCA the rents collected beyond such date, if any. Should only a part of the YMCA Recreational Facility be rendered untenantable, the rental minus any rental credit shall abate in the proportion which the injured bears to the whole YMCA Recreational Facility, and such part so damaged shall be restored by the

YMCA , at YMCA's sole cost and expense, as speedily as practicable, after which the full rent minus any rental credit shall recommence and the Lease Agreement shall continue according to its terms.

SECTION 12 .AS-IS CONDITION. YMCA, being the occupant of the Property pursuant to this Lease, acknowledges that it will accept and occupy the Property under this Lease Agreement in "AS IS" condition as the Property exists on the date of this Lease Agreement, and that CITY shall have no obligation to improve, repair or prepare the Property, prior to the Commencement Date or, except as otherwise expressly set forth in this Lease Agreement, after the Commencement Date, for occupancy by YMCA under this Lease Agreement. YMCA ACKNOWLEDGES THAT EXCEPT AS EXPRESSLY SET FORTH IN THIS LEASE, NEITHER CITY NOR ANY AGENT OF CITY HAS MADE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRESENT OR FUTURE SUITABILITY OF THE PROPERTY FOR THE CONDUCT OF YMCA USES THEREON.

SECTION 13. DISCLAIMER OF THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof to or for the benefit of any third party not a formal party hereto. The obligations of the YMCA shall not be obligations of CITY and the YMCA shall ensure that no liens, of any type or nature whatsoever, are placed upon the property.

SECTION 14. CITY'S RIGHT TO STRICTLY ENFORCE. Any law, usage or custom to the contrary notwithstanding, CITY shall have the right at all times to enforce all terms, conditions and covenants hereof in strict accordance herewith, notwithstanding any conduct or custom on the part of the CITY in refraining from so doing at any time or times. Further, the failure of CITY at any time or times to enforce its rights hereunder strictly in accordance with the same shall not be construed as having created a custom in any way or manner contrary to any specific term, condition or covenant hereof, or as having in any way or manner modified the same.

SECTION 15. NOTICES.

(A) Any notice required or allowed to be delivered hereunder shall be in writing and be deemed to be delivered when either (1) hand delivered to the official hereinafter designated, or (2) upon receipt of

such notice when deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to a party at the address set forth opposite the party's name below, or at such other address as the party shall specify by written notice to the other party delivered in accordance with.

YMCA: Volusia/Flagler Family Young Men's
Christina Association, Inc.
Attn: Christopher J. Seilkop, President & CEO
Address: 761 E International Speedway Blvd
Deland, FL 32724

CITY: City of Palm Coast
Attn. City Manager
160 Lake Avenue
Palm Coast, Florida 32164

(B) The parties may change the person or notice address for the provisions of this section by providing notice of same as set forth in this Agreement.

SECTION 16. RECORDATION. This lease shall not be recorded by YMCA without the consent of the CITY.

SECTION 17. WASTE. YMCA agrees to commit or suffer no act that would result in damage to or waste of the Property.

SECTION 18. SEVERABILITY. If any part of this Agreement is found invalid or unenforceable by any court, such invalidity or unenforceability shall not affect the other parts of the Agreement if the rights and obligations of the Parties contained therein are not materially prejudiced and if the intentions of the Parties can continue to be affected. To that end, the terms of this Agreement are declared severable.

SECTION 19. PARTIES NOT PARTNERS. It is expressly understood that neither the CITY nor YMCA shall be construed or held to be a partner or associate of the other in the conduct of their respective business. The relationship between the Parties hereto is and shall remain at all times that of Landlord and tenant.

SECTION 20. **INDEMNIFICATION.**

(A) YMCA shall indemnify, hold harmless, and defend the CITY, from and against any and all claims, damages, losses, and expenses including, but not limited to, attorney's fees, arising out of or resulting from the performance or provision for services required under this Agreement, including damage to persons or property, provided that same is caused in whole or part by the error, omission, negligent act,

failure to act, malfeasance, misfeasance, conduct, or misconduct of YMCA, its agents, servants, officers, officials, employees, or subcontractors.

(B) Nothing herein shall be deemed to affect the rights, privileges, and immunities of the CITY as set forth in Section 768.28, Florida Statues.

(C) In claims against any person or entity indemnified under this Section by an employee of the YMCA or its agents or subcontractors, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Section shall not be limited by a limitation on amount or type of damages, compensation, or benefits payable by or for the YMCA or its agents or subcontractors, under Workers Compensation acts, disability benefits acts, or other employee benefit acts.

(D) The execution of this Agreement by the YMCA shall obligate the YMCA to comply with the indemnification provision in this Agreement, however, the YMCA must also comply with the provisions of this Agreement relating to insurance coverages.

SECTION 21. INSURANCE. Without limiting any of the other obligations or liabilities of YMCA, YMCA shall provide, pay for, and maintain in force, throughout the term of this Lease Agreement, the insurance coverages set forth in this Section:

(A) COMPREHENSIVE. YMCA shall maintain Commercial General Liability insurance with limits of not less than $1,000,000 per occurrence and $3,000,000 in the aggregate, together with $1,000,000 in Excess (Umbrella) Liability insurance over and above the underlying general liability limits.

(B) ADDITIONAL INSURED. The policy(ies) shall name the CITY as an additional insured, and shall contain a clause that the insurer will not cancel or change the insurance without first giving the CITY thirty (30) days prior written notice, except for nonpayment of premium which, by law, is ten (10) days notice. The insurance shall be evidenced by a certificate in a form acceptable to the CITY, stating the amount of any "deductible" written by an insurance company with a minimum rating of A+, to the CITY and a copy of the policy or certificate of insurance shall be delivered to the CITY prior to the commencement of this Restated Lease Agreement.

(C) FAILURE TO PROCURE. In the event YMCA fails to procure the insurance required herein, the CITY may, but shall be under no obligation to, procure insurance in which event YMCA agrees to pay the CITY, in addition to rent, the amount of the premium on the first day of the month following the month in which the CITY notifies YMCA of the amount of the premium due.

SECTION 22. **APPLICABLE LAW.**

(A) This Agreement and the provisions contained herein shall be construed, controlled and interpreted according to the law of the State of Florida. In any action or proceeding required to enforce or interpret the terms of this Agreement, venue shall be of the Seventh Judicial Circuit in and for Flagler County, Florida, or the Middle District of Florida in Orlando, FL., if in federal court.

(B) Time is of the essence in the performance of this Agreement.

SECTION 23. NONDISCRIMINATION. The YMCA agrees that it will not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, national origin or disability and will take affirmative steps to ensure that applicants are employed and employees are treated during employment without regard to race, color, religion, sex, age, national origin or disability. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment advertising; layoff or termination; rates of pay or their forms or compensation; and selection for training, including apprenticeship. The YMCA, moreover, shall comply with all the requirements as imposed by the Americans with Disability Act, the regulations of the Federal government issued thereunder, and any and all requirements of State law related thereto.

SECTION 24. FURTHER DOCUMENTS. Each of the Parties hereto hereby agree that they will execute and deliver such further instruments and do such further acts and things as may be necessary or desirable to carry out the purpose of this Agreement.

SECTION 25. FAILURE TO ENFORCE NOT WAIVER OF RIGHT. Failure by CITY to enforce any provision contained herein shall not be deemed a waiver of the right to do so thereafter as to the same breach or as to any breach occurring prior or subsequent thereto.

SECTION 26. FORCE MAJEURE. The CITY's obligations hereunder shall be subject to the concept of force majeure. Accordingly, in the event of Acts of God, riot, weather disturbances, permitting, war, terrorism, civil disobedience, geologic subsidence, electrical failure, malfunctions, and events of a similar nature, the CITY shall be excused from providing continual utility service until the cause or causes thereof have been remedied.

SECTION 27. HEADINGS/CAPTIONS. Section headings and other captions contained in this Agreement are for reference purposes only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement, or any provision hereto.

SECTION 28. INTERPRETATION. The CITY and the YMCA agree that all words, terms and conditions contained herein are to be read in concert, each with the other, and that a provision contained under one (1) heading may be considered to be equally applicable under another in the interpretation of this Agreement. This Agreement shall not be construed more strictly against either party on the basis of being the drafter thereof, and both Parties have contributed to the drafting of this Agreement.

SECTION 29. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each which shall be deemed an original, but all of which, taken together, shall constitute one (1) and the same document.

SECTION 30. ENTIRE AGREEMENT. This instrument constitutes the entire agreement between the Parties and supersedes all previous discussions, understandings, and agreements between Parties relating to the subject matter of this Agreement. This Agreement may not be amended, changed, or modified, and material provisions hereunder may not be waived, except by a written document, of equal dignity herewith, approved by the City Council of the CITY and the YMCA and executed by all Parties to this Agreement in a formal Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of the Effective Date.

Subject: SR 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY RESOLUTION 2026-XX APPROVING EXPENSES FOR SERVICES TO PREPARE A COMPREHENSIVE MASTER PLAN FOR THE PALM COAST CULTURAL ARTS SITE

Presenter: **Eric Gebo**

Attachments:

1. Resolution
2. Proposal

Background:

City staff would like to seek planning and consulting services to prepare a comprehensive Master Plan for the Palm Coast Cultural Arts site. The intent of the Master Plan is to organize the site to maximize utility, connectivity, and community impact, while balancing the long-term development of the YMCA facility and cultural arts components with the continued operation of existing site elements including the open-air stage and food truck areas.

This item is to approve expenses in the amount of $68,500.00 with Camburas and Theordore Architecture, Planning and Engineering for the above-mentioned services. This consultant is currently contracted by the YMCA and is familiar with this project.

Funds for this project are budgeted out of the Park Impact Fund with a 46.71% transfer from CRA fund.

RESOLUTION 2026-___
SR 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY

A RESOLUTION OF THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY APPROVING EXPENSES FOR SERVICES TO PREPARE A COMPREHENSIVE MASTER PLAN FOR THE PALM COAST CULTRUAL ARTS SITE; AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE NECESSARY DOCUMENTS; PROVIDING FOR FUTURE AMENDMENTS, PROVIDING FOR SEVERABILITY, PROVIDING FOR CONFLICTS; PROVIDING FOR IMPLEMENTING ACTIONS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Palm Coast, Florida, duly created the State Road 100 Corridor Community Redevelopment Agency (the "CRA") pursuant to Chapter 163, Part III, Florida Statutes (the "Act"), and the City Council serves as the governing Board of Commissioners of the CRA; and

WHEREAS, City staff is requesting funding for expenses related services to prepare a Comprehensive Master Plan for the Palm Coast Cultural Arts Site; and

WHEREAS, Section 163.387, Florida Statutes, authorizes the expenditure of Community Redevelopment Trust Funds to finance or refinance community redevelopment undertakings and projects that assist and foster economic, recreational, and community enhancement within the redevelopment area; and

WHEREAS, the CRA Board desires to approve funding for the above-mentioned services to prepare a Comprehensive Master Plan for the Palm Coast Cultural Arts Site; and

WHEREAS, in accordance with Chapter 2, Article 1, Division 3 – Purchase and Contractual Services Sections, 2-26- Approval Requirements- Subsection A, the CRA Board desires to grant authority for the City Manager to enter into or increase any necessary contracts including those that are equal to or exceed $100,000 associated with the expenses related to the above-mentioned services.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, ACTING AS THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY BOARD:

SECTION 1. RECITALS. The above recitals (whereas clauses) are incorporated herein, and are incorporated herein by reference, and form a material basis for this Resolution.

SECTION 2. APPROVAL AND ALLOCATION OF CRA TRUST FUNDS. The State Road 100 Corridor Community Redevelopment Agency hereby approves the allocation and expenditure of Community Redevelopment Trust Funds for expenses related services to prepare a Comprehensive Master Plan for the Palm Coast Cultural Arts Site, as attached hereto and incorporated herein by reference as Exhibit "A."

SECTION 3. AUTHORIZATION TO NEGOTIATE, FINALIZE AND EXECUTE. The City Manager, or designee, is hereby authorized to execute the necessary documents.

SECTION 4. FUTURE AMENDMENTS. The City Manager, or designee is hereby authorized to approve any future amendments for changes totaling less than $100,000.00 as long as this amount does not exceed the line-item limit for the budgeted purchase. Further, the City Manager has the authority to execute amendments to the Master Price Agreement on behalf of the City for any other changes that may be necessary.

SECTION 5. SEVERABILITY. If any section or portion of a section of this Resolution proves to be invalid, unlawful, or unconstitutional, it shall not be held to invalidate or impair the validity, force, or effect of any other section or part of this Resolution.

SECTION 6. CONFLICTS. All resolutions or parts of resolutions in conflict with any of the provisions of this Resolution are hereby repealed.

SECTION 7. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 8. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption by the City Council.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on this 20th day of October 2026.

EXHIBIT A
CONSTRUCTION WORK LETTER / PROFESSIONAL SERVICES AGREEMENT
Palm Coast Cultural Arts Master Plan

---

1. PARTIES
This Work Letter ("Agreement") is entered into between:
Client: [Client Name]
Project: Palm Coast Cultural Arts Master Plan
Consultant: Camburas and Theodore Architecture, Planning, and Engineering ("Consultant")

---

2. PROJECT DESCRIPTION
Camburas and Theodore Architecture, Planning, and Engineering shall provide professional planning and consulting services to prepare a comprehensive Master Plan for the Palm Coast Cultural Arts site. The intent of the Master Plan is to organize the site to maximize utility, connectivity, and community impact, while balancing the long-term development of the YMCA facility and cultural arts components with the continued operation of existing site elements including the open-air stage and food truck areas.

---

3. SCOPE OF SERVICES
Consultant shall provide services in the following phases:

PHASE I – SITE ANALYSIS AND PROGRAMMING
Consultant shall evaluate existing conditions and establish programmatic requirements to guide the master planning effort, including:

- Review of existing drawings, reports, and available site data
- Incorporation of prior YMCA site design information into overall site analysis
- Site observation, as required
- Coordination meetings with YMCA representatives, City staff, and stakeholders
- Development of programmatic requirements for the YMCA, stage, and future improvements
- Evaluation of parking demand, utility infrastructure, and event logistics
- Identification of site constraints, opportunities, and operational considerations

Phase I Fee: $26,000.00, broken down as follows:

- Existing Conditions Analysis: $5,000.00
- Stakeholder Engagement: $2,500.00
- Programming: $15,000.00
- Needs Assessment: $3,500.00

PHASE II – CONCEPTUAL MASTER PLANNING
Consultant shall develop conceptual planning alternatives and supporting analysis, including:

- Preparation of a minimum of two (2) alternative site layout plans
- Evaluation of relationships between YMCA facilities, stage, and food truck areas
- Design of pedestrian circulation, vehicular access, and service/loading areas
- Zoning and land use review to confirm compliance with applicable regulations
- Development of massing studies integrating stage improvements and building forms

Phase II Fee: $27,500.00, broken down as follows:

- Alternative Plans (2 @ $5,000.00 each): $10,000.00
- Flow and Circulation: $2,500.00
- Zoning and Land Use: $8,500.00
- Massing Study: $6,500.00

PHASE III – FINAL MASTER PLAN DEVELOPMENT

Consultant shall prepare a finalized and coordinated Master Plan, including:

- Refinement of the preferred concept based on stakeholder input
- Development of a phasing strategy to allow continued operation of site elements during construction
- Preparation of illustrative site plans and 3D renderings
- Preparation of an Opinion of Probable Cost for the proposed improvements

Phase III Fee (Lump Sum): $15,000.00

---

4. TOTAL COMPENSATION

Total compensation for the Services described herein shall be:
$68,500.00 (Sixty-Eight Thousand Five Hundred Dollars)

---

5. DELIVERABLES

Consultant shall provide the following:

- Two (2) conceptual site plan alternatives
- Final Master Plan document, including phasing strategy
- Illustrative site plans and 3D renderings
- Opinion of Probable Cost

---

6. SCHEDULE

Services shall commence upon written authorization. Estimated durations are as follows:

- Phase I: Approximately 2–3 weeks
- Phase II: Approximately 3–4 weeks
- Phase III: Approximately 2–3 weeks

Schedule is subject to stakeholder availability and timely receipt of required information.

---

7. CLIENT RESPONSIBILITIES

Client shall:

- Provide all available surveys, drawings, and background documentation
- Facilitate access to the site as required
- Coordinate participation of stakeholders in meetings and reviews
- Provide timely review and feedback

---

8. ADDITIONAL SERVICES

Services not specifically identified in this Agreement shall be considered Additional Services and shall be performed upon written authorization and billed separately.

9. EXCLUSIONS

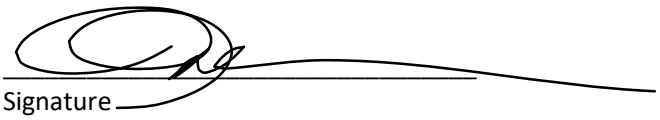
The following are specifically excluded:

- Detailed architectural, structural, or MEP design
- Construction documents or permit drawings
- Agency approvals or permitting services
- Survey, geotechnical, or environmental investigations
- Detailed cost estimating beyond conceptual level

10. STANDARD OF CARE

Services shall be performed consistent with the professional skill and care ordinarily provided by consultants practicing in the same or similar locality under similar circumstances.

11. AUTHORIZATION



This Agreement shall become effective upon written authorization by the Client.

If this proposal is acceptable, please sign and return. Thank you for considering Camburas and Theodore, Ltd. for this project. I look forward to the opportunity of working together.

Respectfully,

Proposal Prepared By:

Camburas & Theodore, Ltd.

Department FINANCE **Division** FINANCE	**Amount** $11,000,000.00 **Org/Account #**

Subject: RESOLUTION 2026-XX AUTHORIZING A TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026 BANK LOAN FROM WELLS FARGO BANK NOT TO EXCEED $11,000,000 FOR THE PURPOSE OF ACQUIRING CERTAIN REAL PROPERTY LOCATED WITHIN THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AREA

Presenter: Helena Alves, CGFO,CIA,MBA, Director of Finance

Attachments:

1. Resolution
2. Taxable Non Ad Valorem Revenue Note Series 2026 Presentation

Background:

As financial advisor, HilltopSecurities assisted the City with a request for bank loan proposals (the “RFP”) to provide funding, along with other available funds of the City, for the acquisition of certain real property located within the State Road 100 Corridor Community Redevelopment Area and paying costs of issuance.

By the due date for the RFP on September 17, 2026, the City received a total of three (3) responses from the following lenders; SouthState Bank, Truist Bank, and Wells Fargo Bank.

Based upon the three (3) proposals received, Wells Fargo Bank is being recommended for the proposed loan. This is based upon the lowest proposed current taxable variable interest rate and the ability to prepay amounts drawn on the loan without penalty prior to maturity (with a 15-day notice).

Recommended Action:
APPROVE SR 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY RESOLUTION 2026-XX AUTHORIZING A TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026 BANK LOAN FROM WELLS FARGO BANK NOT TO EXCEED $11,000,000 FOR THE PURPOSE OF ACQUIRING CERTAIN REAL PROPERTY LOCATED WITHIN THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AREA

RESOLUTION 2026-___

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, AUTHORIZING THE CITY TO ENTER INTO A TAXABLE NON-REVOLVING CREDIT AGREEMENT WITH WELLS FARGO BANK, NATIONAL ASSOCIATION, OR AN AFFILIATE THEREOF, PROVIDING FOR ADVANCES IN AN AGGREGATE PRINCIPAL AMOUNT NOT EXCEEDING $11,000,000 TO FINANCE THE ACQUISITION OF CERTAIN REAL PROPERTY WITHIN THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AREA AND TO PAY COSTS OF ISSUANCE; AUTHORIZING THE ISSUANCE OF A TAXABLE NOTE TO EVIDENCE THE CITY'S OBLIGATION TO REPAY ADVANCES THEREUNDER; COVENANTING TO BUDGET AND APPROPRIATE LEGALLY AVAILABLE NON-AD VALOREM REVENUES TO PAY THE NOTE; APPROVING THE FORM OF AN INTERLOCAL AGREEMENT WITH THE STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY PROVIDING FOR THE PAYMENT OF TAX INCREMENT REVENUES TO THE CITY IN AMOUNTS SUFFICIENT TO PAY DEBT SERVICE ON THE NOTE; AUTHORIZING A PRIVATE NEGOTIATED SALE OF THE NOTE WITH THE BANK; MAKING CERTAIN FINDINGS; DELEGATING CERTAIN AUTHORITY; AUTHORIZING OTHER ACTIONS IN CONNECTION THEREWITH; AND PROVIDING FOR CONFLICTS, SEVERABILITY, AND AN EFFECTIVE DATE.

WHEREAS, the City of Palm Coast, Florida (the "City") is authorized under the Florida Constitution, the Municipal Home Rule Powers Act, Chapter 166, Florida Statutes, and the Charter of the City to borrow money and to enter into agreements for municipal purposes; and

WHEREAS, the City Council of the City created the Agency (as hereinafter defined) pursuant to Section 163.357, Florida Statutes, to carry out the community redevelopment purposes of Part III, Chapter 163, Florida Statutes, and the Agency is a legal entity separate, distinct, and independent from the City Council; and

WHEREAS, the City Council further established the boundaries of the State Road 100 Corridor Community Redevelopment Area and approved the Redevelopment Plan (as hereinafter defined); and

WHEREAS, City Ordinance No. 2004-13, as amended and supplemented from time to time, established the Redevelopment Trust Fund (as hereinafter defined) for the purpose of carrying out redevelopment in the State Road 100 Corridor Community Redevelopment Area pursuant to the Redevelopment Plan; and

WHEREAS, the City has determined to acquire certain real property located within the State Road 100 Corridor Community Redevelopment Area, as more particularly described in Section 3 hereof, for redevelopment purposes; and

WHEREAS, the City, with the assistance of Hilltop Securities Inc., its municipal advisor (the "Municipal Advisor"), solicited proposals from financial institutions for a taxable non-revolving line of credit to finance such acquisition, and Wells Fargo Bank, National Association submitted a proposal dated September 17, 2026 which the City has determined to accept; and

WHEREAS, the City Council, by resolution adopted on October 6, 2026, approved an amendment to the Community Redevelopment Plan for the State Road 100 Corridor Community Redevelopment Area to authorize the use of tax increment revenues for the acquisition of such real property and for the payment of indebtedness incurred by the City to finance such acquisition; and

WHEREAS, the City and the Agency desire to enter into the Interlocal Agreement (as hereinafter defined), under which the Agency will pay to the City, from tax increment revenues deposited in the Redevelopment Trust Fund, amounts equal to the principal of and interest on the Note (as hereinafter defined) and the other amounts payable by the City under the Agreement (as hereinafter defined), and will repay the City, with interest, for any such amounts paid by the City from its Non-Ad Valorem Revenues; and

WHEREAS, the City provided notice of its intent to approve the Interlocal Agreement and thereby authorize the issuance by the Agency of a redevelopment revenue bond, by registered mail, to each taxing authority which levies ad valorem taxes on taxable real property contained within the State Road 100 Corridor Community Redevelopment Area, at least 15 days before the adoption of this Resolution, pursuant to Section 163.346, Florida Statutes; and

WHEREAS, the City Council of the City (the "City Council") has determined that it is in the best interest of the City to enter into the Agreement, to issue the Note, and to enter into the Interlocal Agreement, all as hereinafter defined and provided;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA:

SECTION 1. AUTHORITY. This Resolution is adopted pursuant to Section 2(b), Article VIII of the Florida Constitution; the Municipal Home Rule Powers Act, Chapter 166, Florida Statutes; the Community Redevelopment Act of 1969, Part III, Chapter 163, Florida Statutes, including Sections 163.385 and 163.387, Florida Statutes; the Florida Interlocal Cooperation Act of 1969, Section 163.01, Florida Statutes; the Charter of the City; and other applicable provisions of law (collectively, the "Act").

SECTION 2. DEFINITIONS. The following terms shall have the following meanings unless the context clearly requires otherwise. Capitalized terms used but not defined herein shall have the meanings given to them in the Agreement.

"Advance" means each advance of funds made by the Bank to the City under the Agreement.

"Agency" means the State Road 100 Corridor Community Redevelopment Agency, the community redevelopment agency for the State Road 100 Corridor Community Redevelopment Area, of which the members of the City Council are the members pursuant to Section 163.357, Florida Statutes.

"Agreement" means the Taxable Non-Revolving Credit Agreement between the City and the Bank, in substantially the form attached hereto as Exhibit B, with such changes as are approved in accordance with Section 5 hereof.

"Authorized Officer" means the Mayor, the City Manager, and the Finance Director of the City, and any other officer or employee of the City designated in writing by the City Manager.

"Bank" means Wells Fargo Bank, National Association, and its successors and permitted assigns.

"Charter" means the Charter of the City of Palm Coast, Florida, as amended.

"Closing Date" means the date of execution and delivery of the Agreement and the Note, which shall occur not later than October 30, 2026.

"Increment Revenues" means the tax increment revenues deposited in the Redevelopment Trust Fund with respect to the State Road 100 Corridor Community Redevelopment Area.

"Interlocal Agreement" means the Interlocal Agreement between the City and the Agency, in substantially the form attached hereto as Exhibit C, with such changes as are approved in accordance with Section 8 hereof.

"Maturity Date" means October 1, 2029, or such earlier date as an Authorized Officer may approve.

"Maximum Facility Amount" means $11,000,000, or such lesser amount as an Authorized Officer may approve prior to the Closing Date.

"Non-Ad Valorem Revenues" means all legally available revenues of the City other than ad valorem tax revenues.

"Note" means the City of Palm Coast, Florida Taxable Non-Ad Valorem Revenue Note, Series 2026, or such other designation as an Authorized Officer may approve, issued pursuant to this Resolution and the Agreement to evidence the City's obligation to repay the Advances and interest thereon.

"Project" means the acquisition of the real property described in Section 3(B) hereof, together with related costs.

"Redevelopment Plan" means the Community Redevelopment Plan for the State Road 100 Corridor Community Redevelopment Area, as amended, including by the amendment approved on October 6, 2026.

"Redevelopment Trust Fund" means the community redevelopment trust fund established for the State Road 100 Corridor Community Redevelopment Area pursuant to Section 163.387, Florida Statutes.

Words importing the singular number include the plural number, and vice versa.

SECTION 3. FINDINGS. The City Council hereby finds, determines, and declares as follows:

(A) The City has the power under the Act to acquire real property for municipal and redevelopment purposes, to borrow money for such purposes, and to enter into the Agreement, the Note, and the Interlocal Agreement.

(B) The City has determined to acquire certain real property located within the State Road 100 Corridor Community Redevelopment Area, generally described in Exhibit A hereto. The acquisition of such property serves a valid public and municipal purpose and is consistent with the Redevelopment Plan.

(C) It is necessary and desirable to finance the costs of the Project and the costs of issuance of the Note through the non-revolving line of credit provided under the Agreement, which permits the City to draw funds as needed and to pay interest only on amounts actually advanced.

(D) Section 3(e) of Article VI of the Charter provides: "Unless authorized by the electors of the City at a duly held referendum election, the Council shall not enter into lease purchase contracts or any other unfunded multiyear contracts, the repayment of which: extends in excess of 36 months; or exceeds $15,000,000.00." The obligations of the City under the Agreement and the Note (i) are required by Section 5(B) hereof to be repaid in full on or before the Maturity Date, which is less than 36 months after the Closing Date, and may not be extended, renewed, termed out, or converted to a longer term without further action of the City Council, and (ii) are limited to a principal amount not exceeding $11,000,000. Accordingly, the Agreement and the Note do not require authorization by the electors of the City under Section 3(e) of Article VI of the Charter.

(E) The Non-Ad Valorem Revenues are projected to be sufficient to pay the principal of and interest on the Note and all other amounts payable under the Agreement as the same become due, and to comply with the financial covenants contained in the Agreement.

(F) The Note shall be payable solely from, and secured by a lien on, the Pledged Revenues, as defined in the Agreement, which consist of the Non-Ad Valorem Revenues budgeted, appropriated and deposited in the Debt Service Fund established under the Agreement pursuant to the covenant set forth in Section 7 hereof and Section 6.07 of the Agreement, and any proceeds of the Note on deposit in the Project Fund established under the Agreement, together with

investment earnings thereon. Until so deposited, Non-Ad Valorem Revenues shall not be subject to any lien or pledge in favor of the Bank. The Note shall not constitute a general obligation or indebtedness of the City within the meaning of any constitutional, statutory, or charter provision, and neither the Bank nor any holder of the Note shall ever have the right to compel the exercise of the ad valorem taxing power of the City or taxation in any form on any real or personal property to pay the Note.

(G) Because of the characteristics of the financing, including the draw-down structure of the line of credit, its short term, the need to have funds available for the acquisition of the Project on a timely basis, and the favorable terms offered by the Bank, it is in the best interest of the City that the Note be sold by private negotiation directly with the Bank rather than sold at public sale by competitive bid. The City Council hereby makes this finding to the extent Section 218.385, Florida Statutes, applies to the Note.

(H) Interest on the Note will not be excludable from gross income for federal income tax purposes.

(I) The Agency is authorized under Section 163.387(6)(c), Florida Statutes, to expend moneys in the Redevelopment Trust Fund for the acquisition of real property in the redevelopment area and for the repayment of principal and interest on loans, advances, and other forms of indebtedness. The Redevelopment Plan, as amended, authorizes the use of tax increment revenues for the Project and for the payment of indebtedness incurred to finance the Project.

(J) It is in the best interest of the City and the Agency to enter into the Interlocal Agreement to provide for the Agency's payment to the City of Increment Revenues in amounts sufficient to pay debt service on the Note. Under the Interlocal Agreement, the Agency will pledge the Increment Revenues to the City, on a basis junior and subordinate to the lien securing the Agency's outstanding Redevelopment Refunding Revenue Note, Series 2014 and any other Note or debt obligation issued by the Agency to a lender or creditor other than the City, to secure the Agency's obligations to the City thereunder, and will repay the City, with interest at the rate borne by the Note, for any payment on the Note made by the City from Non-Ad Valorem Revenues or other funds of the City.

(K) The obligation of the City to pay the Note is not conditioned upon, and shall not be affected by, the receipt by the City of any payment from the Agency under the Interlocal Agreement. Tax increment revenues and amounts payable under the Interlocal Agreement are not pledged to the payment of the Note, except to the extent the City deposits amounts received under the Interlocal Agreement in the Debt Service Fund established under the Agreement.

(L) The Interlocal Agreement, the issuance of the Note, the Project and the expenditures contemplated thereby serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the State Road 100 Corridor Community Redevelopment Area pursuant to the Redevelopment Plan.

(M) The obligation of the Agency under the Interlocal Agreement to pay Increment Revenues to the City over a period of years constitutes "bonds" within the meaning of Section 163.340(14), Florida Statutes, and a redevelopment revenue bond payable from and secured by the Increment Revenues under Section 163.385, Florida Statutes.

SECTION 4. RESOLUTION TO CONSTITUTE CONTRACT. In consideration of the purchase of the Note by the Bank, this Resolution shall be deemed to be and shall constitute a contract between the City and the Bank. The covenants and agreements set forth herein to be performed by the City shall be for the equal benefit, protection, and security of the Bank and any subsequent holder of the Note.

SECTION 5. AUTHORIZATION OF AGREEMENT.

(A) The City is hereby authorized to enter into the Agreement for the purpose of providing funds, together with other legally available funds of the City, to finance the costs of the Project and paying costs of issuance of the Note. The form of the Agreement attached hereto as Exhibit B is hereby approved, and the Mayor or the City Manager is hereby authorized to execute, and the City Clerk to attest, the Agreement on behalf of the City, with such changes, insertions, and omissions as the officer executing the Agreement, upon the advice of the City Attorney and Bond Counsel, may approve as consistent with this Resolution and not materially adverse to the City, such approval to be conclusively evidenced by the execution thereof.

(B) The Agreement shall conform to the following parameters:

(1) The aggregate principal amount of Advances outstanding at any time, and the aggregate principal amount of all Advances made under the Agreement, shall not exceed the Maximum Facility Amount. The Agreement shall be non-revolving, and amounts repaid may not be reborrowed.

(2) All principal of and accrued interest on the Note, and all other amounts payable under the Agreement, shall be due and payable in full not later than the Maturity Date. The Agreement shall not contain any provision permitting or requiring the extension, renewal, term-out, amortization, or conversion of any amount payable thereunder to a date later than the Maturity Date, and any such extension or renewal shall require the approval of the City Council and, if applicable, the electors of the City under Section 3(e) of Article VI of the Charter.

(3) The Closing Date shall occur on or after the date of adoption of this Resolution and not later than October 30, 2026.

(4) Advances shall bear interest at a variable rate per annum equal to Daily Simple SOFR (which shall be deemed to be not less than 0.00%) plus a spread not exceeding 0.56% per annum, subject to adjustment as provided in the Agreement, including upon the occurrence of an Event of Default, and subject to customary benchmark replacement

provisions. Interest shall be payable monthly in arrears. In no event shall the rate of interest on the Note exceed the maximum rate permitted by applicable law.

(5) The City shall pay an undrawn fee on the unadvanced portion of the Maximum Facility Amount at a rate not exceeding 0.24% per annum, payable quarterly in arrears.

(6) Each Advance shall be in a minimum amount of $250,000 and shall be made upon not less than three Business Days' prior written notice, and not more than one Request for Loans (as defined in the Agreement) shall be delivered during any thirty (30) day period.

(7) The City may prepay the Note, in whole or in part, at any time without premium or penalty upon such prior written notice to the Bank as is provided in the Agreement, which shall not exceed 15 days.

(8) Any fee payable upon termination or permanent reduction of the Maximum Facility Amount shall apply only to a termination or reduction occurring within one year after the Closing Date, shall not exceed the product of the undrawn fee rate and the amount of the reduction for the period from the date of termination or reduction through the first anniversary of the Closing Date, subject to exceptions set forth in the Agreement.

(9) The Bank shall not sell, assign, or otherwise transfer the Note or any interest therein except to a commercial bank that is a "qualified institutional buyer," as such term is defined under the federal securities laws, and that has a combined capital and surplus of not less than $5,000,000,000, and that delivers to the City an investor letter in the form provided in the Agreement; and the Bank may grant participations in the Note only to banking institutions, on the terms provided in the Agreement.

(10) The fees and expenses of counsel to the Bank shall not exceed $25,000.

(C) The Agreement may contain such covenants, representations, events of default, remedies, and other provisions customary for financings of this type as the officer executing the Agreement may approve, including, without limitation, an anti-dilution covenant, a waiver of trial by jury, and, to the extent permitted by law, a waiver of sovereign immunity with respect to contract claims arising under the Agreement.

SECTION 6. AUTHORIZATION AND TERMS OF NOTE. The City hereby authorizes the issuance of the Note to evidence its obligation to repay the Advances and interest thereon. The Note shall be dated the Closing Date, shall be issued in a principal amount not exceeding the Maximum Facility Amount, with the principal amount outstanding at any time equal to the aggregate unpaid principal amount of Advances then outstanding, and shall be in substantially the form attached to the Agreement, with such changes as the officer executing the Note may approve consistent with this Resolution. The Note shall be issued as a single fully registered note in physical form, registered in the name of the Bank, and shall not be registered with The Depository Trust Company. The Note shall be executed on behalf of the City with the manual or

facsimile signature of the Mayor, attested by the manual or facsimile signature of the City Clerk, and the official seal of the City shall be affixed thereto or imprinted thereon. In case any officer whose signature appears on the Note shall cease to be such officer before delivery of the Note, such signature shall nevertheless be valid and sufficient for all purposes.

SECTION 7. COVENANT TO BUDGET AND APPROPRIATE.

(A) Subject to the provisions of subsection (B) of this Section 7, the City covenants and agrees to budget and appropriate in its annual budget, by amendment if necessary, from Non-Ad Valorem Revenues lawfully available in each fiscal year, and to deposit into the Debt Service Fund established under the Agreement, amounts sufficient to pay the principal of and interest on the Note and all other amounts payable under the Agreement as the same become due, all as and to the extent provided in Section 6.07 of the Agreement, the terms of which are hereby approved and which shall control in the event of any conflict with this Resolution.

(B) Until such amounts are budgeted, appropriated, and deposited in the Debt Service Fund as provided in the Agreement, such covenant to budget and appropriate does not create any lien upon or pledge of the Non-Ad Valorem Revenues. Such covenant is subject in all respects to the payment of obligations secured by a pledge of Non-Ad Valorem Revenues, to the availability of Non-Ad Valorem Revenues after satisfaction of the funding requirements for essential governmental services of the City, and to Section 166.241(2), Florida Statutes.

(C) Nothing in this Resolution, the Agreement, or the Note shall be deemed to create a pledge of or lien on the ad valorem tax revenues of the City, or to permit or constitute a mortgage or lien upon any assets owned by the City, including the Project, other than the lien on the Pledged Revenues provided in the Agreement. Neither the Bank nor any holder of the Note shall have any right to compel the exercise of the ad valorem taxing power of the City for any purpose.

SECTION 8. APPROVAL OF INTERLOCAL AGREEMENT. The form of the Interlocal Agreement attached hereto as Exhibit C, providing for the payment by the Agency to the City, from tax increment revenues deposited in the Redevelopment Trust Fund, of amounts sufficient to pay the principal of and interest on the Note and other amounts payable under the Agreement, and on any obligations issued to refinance the Note, is hereby approved. The Mayor or the City Manager is hereby authorized to execute, and the City Clerk to attest, the Interlocal Agreement on behalf of the City, with such changes, insertions, and omissions as the officer executing the Interlocal Agreement, upon the advice of the City Attorney and Bond Counsel, may approve as consistent with this Resolution, such approval to be conclusively evidenced by the execution thereof. The execution and delivery of the Interlocal Agreement is subject to its approval by the governing body of the Agency. The pledge by the Agency to the City of the Increment Revenues pursuant to the Interlocal Agreement is hereby accepted on behalf of the City. Pursuant to Section 163.385(1)(a), Florida Statutes, the City Council, as the governing body under the Redevelopment Act, hereby authorizes the issuance by the Agency of a redevelopment revenue bond in the form of the obligations of the Agency under the Interlocal Agreement, payable from and secured by the Increment Revenues as provided therein. The City shall apply all amounts received from the

Agency under the Interlocal Agreement to the payment of the Note and other amounts payable under the Agreement or, to the extent such amounts reimburse the City for payments previously made from other Non-Ad Valorem Revenues, as otherwise permitted by the Interlocal Agreement and applicable law. The Interlocal Agreement shall be filed with the Clerk of the Circuit Court of Flagler County as required by Section 163.01, Florida Statutes.

SECTION 9. APPLICATION OF PROCEEDS; LIMITATION ON USE OF INCREMENT REVENUES.

(A) The proceeds of each Advance shall be applied, together with other legally available funds of the City, to pay the costs of the Project and the costs of issuance of the Note, including the fees and expenses of Bond Counsel, the City Attorney, the Municipal Advisor, and counsel to the Bank, in accordance with the Agreement.

(B) Advances shall be applied only to acquire real property located within the boundaries of the State Road 100 Corridor Community Redevelopment Area and to pay related costs of the Project and of issuance of the Note. Increment Revenues may be used under the Interlocal Agreement only for the acquisition of real property located within those boundaries and for the payment of principal of and interest on the Note and other amounts due under the Agreement, in each case to the extent the Advances were applied as provided in this subsection. No Increment Revenues shall be paid, directly or indirectly, toward the purchase price of any real property located outside those boundaries, or toward the repayment of indebtedness incurred to acquire it. To the extent any real property the City acquires in connection with the Project is not located within the boundaries of the State Road 100 Corridor Community Redevelopment Area, the purchase price of that property and the related costs shall be paid solely from lawfully available funds of the City other than Advances and Increment Revenues.

SECTION 10. PRIVATE NEGOTIATED SALE. Based on the findings in Section 3(G) hereof, the private negotiated sale of the Note with the Bank is hereby authorized and approved. Prior to the execution of the Agreement, the City shall receive from the Bank a Disclosure Letter containing the information required by Section 218.385, Florida Statutes, and an Affidavit of Compliance with Anti-Human Trafficking Laws required by Section 787.06, Florida Statutes.

SECTION 11. LIMITED OBLIGATION; NO PERSONAL LIABILITY. The Note and the obligations of the City under the Agreement shall be payable solely as provided herein and in the Agreement. No covenant, stipulation, obligation, or agreement contained in this Resolution, the Agreement, the Note, or the Interlocal Agreement shall be deemed to be a covenant, stipulation, obligation, or agreement of any present or future member of the City Council or any officer, agent, or employee of the City in his or her individual capacity, and no such person shall be liable personally on the Note or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 12. FURTHER ACTIONS. The Mayor, the City Manager, the City Clerk, the Finance Director, the City Attorney, and all other officers, employees, and agents of the City are

hereby authorized and directed to take all such actions and to execute and deliver all such certificates, requests for Advances, instruments, and other documents as may be necessary or desirable to carry out the intent of this Resolution and to effect the transactions contemplated by the Agreement, the Note, and the Interlocal Agreement, including, without limitation, any filings required to be made with respect to the Note with the Division of Bond Finance of the State Board of Administration of Florida, and any notice required to be filed under the City's existing continuing disclosure undertakings (which notice shall omit confidential or sensitive information regarding the Bank). The City Manager is further authorized to designate in writing one or more officers or employees of the City to request Advances under the Agreement.

SECTION 13. SEVERABILITY. If any section, paragraph, clause, or provision of this Resolution shall be held by a court of competent jurisdiction to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause, or provision shall not affect any of the remaining provisions of this Resolution.

SECTION 14. CONFLICTS. All resolutions or parts of resolutions in conflict herewith are hereby superseded and repealed to the extent of such conflict.

SECTION 15. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on this 20th day of October, 2026.

TAXABLE NON-REVOLVING CREDIT AGREEMENT

THIS TAXABLE NON-REVOLVING CREDIT AGREEMENT, dated as of October 29, 2026 (as amended, modified or restated from time to time, this "*Agreement*"), between CITY OF PALM COAST, FLORIDA, a municipal corporation duly and validly existing under the laws of the State of Florida (the "*City*"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association and its successors and permitted assigns (the "*Lender*").

RECITALS

WHEREAS, pursuant to the Constitution and the laws of the State of Florida, including, particularly, Chapter 166, Part II, Florida Statutes, the Charter of the City, and other applicable provisions of law (collectively, the "*Act*"), and pursuant to a resolution adopted by the City Council of the City of Palm Coast, Florida (the "*City Council*") on October 20, 2026 (as the same may be amended, modified or restated in accordance with the terms thereof and hereof, the "*Resolution*"), the City is authorized to incur indebtedness payable from Non-Ad Valorem Revenues (as defined herein) budgeted, appropriated and deposited in accordance with the provisions of the Resolution and hereof, to pay the costs of the Project (as defined herein) pursuant to the terms and provisions of this Agreement and the promissory note attached hereto; and

WHEREAS, the City wishes to obtain a taxable non-revolving line of credit from the Lender hereunder and the Lender is willing, upon the terms and subject to the conditions set forth herein, to provide such non-revolving line of credit to the City to pay the costs of the Project;

NOW, THEREFORE, in consideration of the foregoing Recitals and other consideration, the receipt and sufficiency of which is hereby acknowledged, and to induce the Lender to extend to the City the non-revolving line of credit, the City and the Lender hereby agree as follows:

ARTICLE I

DEFINITIONS

Section 1.01. Certain Defined Terms.¶In addition to the terms defined in the recitals and elsewhere in this Agreement, the following terms shall have the following meanings:

"*1933 Act*" means the Securities Act of 1933, as amended.

"*Act*" has the meaning set forth in the recitals hereof.

"*Affiliate*" means, with respect to any Person, any Person that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such first Person. A Person shall be deemed to control another Person for the purposes of this definition if such first Person possesses, directly or indirectly, the power to direct, or cause

the direction of, the management and policies of the second Person, whether through the ownership of voting securities, common directors, trustees or officers, by contract or otherwise.

"*Agreement*" has the meaning set forth in the introductory paragraph hereof.

"*Anti-Corruption Laws*" means (a) the U.S. Foreign Corrupt Practices Act of 1977, as amended, (b) the U.K. Bribery Act of 2010, as amended, and (c) any other anti-bribery or anti-corruption laws, regulations or ordinances in any jurisdiction in which the City is located or doing business.

"*Anti-Money Laundering Laws*" means applicable laws or regulations in any jurisdiction in which the City is located or doing business that relate to money laundering, any predicate crime to money laundering, or any financial record keeping and reporting requirements related thereto.

"*Applicable Law*" means (a) all applicable common law and principles of equity and (b) all applicable provisions of all (i) constitutions, statutes, rules, regulations and orders of all Governmental Authorities, (ii) Governmental Approvals and (iii) orders, decisions, judgments, writs, injunctions and decrees of all courts (whether at law or in equity) and arbitrators.

"*Applicable Spread*" means fifty-six basis points (0.56%).

"*Authorized Representative*" means those persons who are authorized to deliver Requests for Loans shown on a list of officers provided by the City to the Lender or on any update of any such list provided by the City to the Lender, or any further or different officers of the City so named by any Authorized Representative of the City in a written notice to the Lender. As of the Effective Date, the only Authorized Representatives shall be the Mayor, the City Manager, the Director of Finance, and any other Authorized Officer of the City as defined in the Resolution.

"*Available Commitment*" means, on any date, an initial amount equal to $11,000,000 and thereafter such initial amount adjusted from time to time as follows: (a) downward in an amount equal to all Loans made to the City hereunder; (b) downward in an amount equal to any reduction thereof effected pursuant to Section 2.08 or Section 3.07 hereof; and (c) downward to zero upon the expiration or termination of the Available Commitment in accordance with the terms hereof.

"*Available Tenor*" means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (a) if such Benchmark is a term rate (1, 3 or 6 months), any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement or (b) otherwise, any payment period for interest calculated with reference to such Benchmark (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark, in each case, as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of "Interest Period" pursuant to Section 3.06(c)(iv).

"*Bank Agreement*" means any credit agreement, liquidity agreement, standby bond purchase agreement, reimbursement agreement, direct purchase agreement, bond purchase agreement, or other agreement or instrument (or any amendment, supplement or other modification thereof) under which, directly or indirectly, any Person or Persons undertake(s) to make or provide funds to make payment of, or to purchase or provide credit enhancement for, bonds or notes of the City secured by or payable from a covenant to budget and appropriate Non-Ad Valorem Revenues.

"*Base Rate*" means, for any day, a fluctuating rate of interest per annum equal to the greatest of (i) the Prime Rate in effect at such time plus one percent (1.0%), (ii) the Federal Funds Rate in effect at such time plus two percent (2.0%), or (iii) seven percent (7.0%), provided the Base Rate does not exceed the maximum rate prescribed in Section 215.84, Florida Statutes.

"*Benchmark*" means, initially, Daily Simple SOFR; *provided, that* if a Benchmark Transition Event has occurred with respect to Daily Simple SOFR or the then-current Benchmark, then "*Benchmark*" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to Section 3.06(c)(i).

"*Benchmark Replacement*" means, with respect to any Benchmark Transition Event, the sum of: (a) the alternate benchmark rate that has been selected by the Lender and the City giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to the then-current Benchmark for Dollar-denominated bilateral or syndicated credit facilities and (b) the related Benchmark Replacement Adjustment; *provided, that*, if such Benchmark Replacement as so determined would be less than the Floor, such Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Related Documents.

"*Benchmark Replacement Adjustment*" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Available Tenor, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Lender and approved by the City giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for Dollar-denominated syndicated credit facilities.

"*Benchmark Replacement Date*" means the earliest to occur of the following events with respect to the then-current Benchmark:

(a) in the case of clause (a) or (b) of the definition of "Benchmark Transition Event," the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(b) in the case of clause (c) of the definition of "Benchmark Transition Event," the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative; *provided, that* such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, the "*Benchmark Replacement Date*" will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"*Benchmark Transition Event*" means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(a) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely; *provided, that*, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(b) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the FRB, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; *provided, that*, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a "*Benchmark Transition Event*" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"*Benchmark Transition Start Date*" means, in the case of a Benchmark Transition Event, the earlier of (a) the applicable Benchmark Replacement Date and (b) if such Benchmark Transition Event is a public statement or publication of information of a prospective certain event, the 90th day prior to the expected date of such event as of such public statement or publication of information (or if the expected date of such prospective event is fewer than 90 days after such statement or publication, the date of such statement or publication).

"*Benchmark Unavailability Period*" means the period (if any) (x) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Related Document in accordance with Section 3.06(c) and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Related Document in accordance with Section 3.06(c).

"*Bond Counsel*" means Bryant Miller Olive P.A., or any other firm of nationally recognized bond counsel selected by the City.

"*Business Day*" means (a) a day which is not a Saturday, Sunday or legal holiday on which banking institutions in Palm Coast, Florida or New York, New York or the states where the principal corporate office of the Lender is located are authorized by law to close, (b) a day on which the New York Stock Exchange or the Federal Reserve Bank is not closed and (c) with respect to all notices and determinations in connection with, and payments of principal and interest on any Loans, any day that is a Business Day described in clauses (a) and (b) and that is also a U.S. Government Securities Business Day.

"*CBA Debt*" means at any date (without duplication) all of the following to the extent that they are secured by or payable in whole or in part from a covenant to budget and appropriate Non-Ad Valorem Revenues: (A) all obligations of the City for borrowed money or evidenced by bonds, debentures, notes or other similar instruments payable from a covenant to budget and appropriate Non-Ad Valorem Revenues; (B) all obligations of the City to pay the deferred purchase price of Property or services, except trade accounts payable under normal trade terms and which arise in the ordinary course of business payable from a covenant to budget and appropriate Non-Ad Valorem Revenues; (C) all obligations of the City as lessee under capitalized leases payable from a covenant to budget and appropriate Non-Ad Valorem Revenues; and (D)

all indebtedness of other Persons to the extent guaranteed by the City in whole or in part, or secured by, a covenant to budget and appropriate Non-Ad Valorem Revenues of the City; provided, however, if with respect to any obligation contemplated in (A), (B), or (C) above, the City has covenanted to budget and appropriate sufficient Non-Ad Valorem Revenues to satisfy such obligation but has not secured such obligation with a lien on or pledge of any Non-Ad Valorem Revenues then, and with respect to any obligation contemplated in (D) above, such obligation shall not be considered "CBA Debt" for purposes of this Agreement unless the City has actually used Non-Ad Valorem Revenues to satisfy such obligation during the immediately preceding Fiscal Year or reasonably expects to use Non-Ad Valorem Revenues to satisfy such obligation in the current or immediately succeeding Fiscal Year. After an obligation is considered "CBA Debt" as a result of the proviso set forth in the immediately preceding sentence, it shall continue to be considered "CBA Debt" until the City has not used any Non-Ad Valorem Revenues to satisfy such obligation for two consecutive Fiscal Years. A pledge of specific Non-Ad Valorem Revenues for any obligation of the City is not CBA Debt.

"Change in Law" means the occurrence, after the Effective Date, of any of the following: (a) the adoption or taking effect of any Law, including, without limitation, Risk-Based Capital Guidelines, (b) any change in any Law or in the administration, interpretation, implementation or application thereof by any Governmental Authority or (c) the making or issuance of any request, rule, ruling, guideline, regulation or directive (whether or not having the force of law) by any Governmental Authority; *provided* that notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, ruling, guidelines, regulations or directives thereunder or issued in connection therewith and (ii) all requests, rules, rulings, guidelines, regulations or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States of America or foreign regulatory authorities shall in each case be deemed to be a "Change in Law," regardless of the date enacted, adopted or issued.

"*Charter*" means the Charter of the City, as amended.

"*City*" means the City of Palm Coast, Florida, a municipal corporation duly and validly existing under the laws of the State of Florida, and any permitted successor or assign thereof hereunder.

"*City Council*" has the meaning set forth in the recitals hereof.

"*Commitment*" means the obligation of the Lender commencing on the Effective Date to make Loans for the account of the City hereunder in an aggregate principal amount at any one time not to exceed the Available Commitment.

"*Compliance Certificate*" means a certificate substantially in the form of Exhibit C hereto.

"*Conforming Changes*" means, with respect to either the use or administration of Daily Simple SOFR or the use, administration, adoption or implementation of any Benchmark Replacement, any technical, administrative or operational changes (including changes to the

definition of "Business Day," the definition of "U.S. Government Securities Business Day," or any similar or analogous definition (or the addition of a concept of "interest period"), timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of Section 3.06 and other technical, administrative or operational matters) that the Lender decides may be appropriate to reflect the adoption and implementation of any such rate or to permit the use and administration thereof by the Lender in a manner substantially consistent with market practice (or, if the Lender decides that adoption of any portion of such market practice is not administratively feasible or if the Lender determines that no market practice for the administration of any such rate exists, in such other manner of administration as the Lender decides is reasonably necessary in connection with the administration of this Agreement and the other Related Documents).

"*Daily Simple SOFR*" means, for any day (a "*SOFR Rate Day*"), a rate per annum equal to the greater of (a) SOFR for the day (such day, a "*SOFR Determination Day*") that is five (5) U.S. Government Securities Business Days prior to (i) if such SOFR Rate Day is a U.S. Government Securities Business Day, such SOFR Rate Day or (ii) if such SOFR Rate Day is not a U.S. Government Securities Business Day, the U.S. Government Securities Business Day immediately preceding such SOFR Rate Day, in each case, as such SOFR is published by the SOFR Administrator on the SOFR Administrator's Website, and (b) the Floor. If by 5:00 p.m. on the second (2nd) U.S. Government Securities Business Day immediately following any SOFR Determination Day, SOFR in respect of such SOFR Determination Day has not been published on the SOFR Administrator's Website and a Benchmark Replacement Date with respect to the Daily Simple SOFR has not occurred, then SOFR for such SOFR Determination Day will be SOFR as published in respect of the first preceding U.S. Government Securities Business Day for which such SOFR was published on the SOFR Administrator's Website; *provided, that* any SOFR determined pursuant to this sentence shall be utilized for purposes of calculation of Daily Simple SOFR for no more than three (3) consecutive SOFR Rate Days. Any change in Daily Simple SOFR due to a change in SOFR shall be effective from and including the effective date of such change in SOFR with notice to an Authorized Representative of the City.

"*Daily Simple SOFR Index Rate*" means a per annum rate of interest equal to the sum of (a) Daily Simple SOFR plus (b) the Applicable Spread.

"*Debt Service Fund*" means the City of Palm Coast, Florida Taxable Non-Ad Valorem Revenue Note, Series 2026 Debt Service Fund established pursuant to Section 6.07 hereof.

"*Default*" means any event or condition which, with notice, the passage of time or any combination of the foregoing, would constitute an Event of Default.

"*Default Rate*" means, for any day, a rate of interest per annum equal to the lesser of (i) the sum of the Base Rate in effect on such day plus three percent (3.00%) or (ii) the maximum rate prescribed in Section 215.84, Florida Statutes.

"*Effective Date*" means October 29, 2026, subject to the satisfaction or waiver by the Lender of the conditions precedent set forth in Article IV hereof.

"*EMMA*" means Electronic Municipal Market Access as provided by the Municipal Securities Rulemaking Board.

"*Event of Default*" with respect to this Agreement has the meaning set forth in Section 7.01 of this Agreement and, with respect to any Related Document, has the meaning assigned therein.

"*Federal Funds Rate*" means, for any day, the rate per annum equal to the weighted average of the rates on overnight Federal funds transactions with members of the Federal Reserve System arranged by Federal funds brokers on such day, as published by the Federal Reserve Bank of New York on the Business Day next succeeding such day; *provided* that: (a) if such day is not a Business Day, then the Federal Funds Rate for such day shall be such rate on such transactions on the next preceding Business Day as so published on the next succeeding Business Day; and (b) if no such rate is so published on such next succeeding Business Day, then the Federal Funds Rate for such day shall be the average rate (rounded upward, if necessary, to a whole multiple of one-hundredth of one percent) charged to the Lender on such day on such transactions as determined by the Lender. Notwithstanding anything herein to the contrary, if the Federal Funds Rate as determined as provided above would be less than zero percent (0.0%), then the Federal Funds Rate shall be deemed to be zero percent (0.0%).

"*Fiscal Year*" means the twelve-month period from October 1 through the following September 30.

"*Fitch*" means Fitch Ratings, Inc., and any successor rating agency.

"*Floor*" means a rate of interest equal to 0.00%.

"*FRB*" means the Board of Governors of the Federal Reserve System of the United States, together with any successors thereof.

"*Generally Accepted Accounting Principles*" or "*GAAP*" means generally accepted accounting principles in effect from time to time in the United States and applicable to entities such as the City as promulgated by the Governmental Accounting Standards Board.

"*Governmental Approval*" means an authorization, consent, approval, permit, license, certificate of occupancy or an exemption of, a registration or filing with, or a report to any Governmental Authority.

"*Governmental Authority*" means the government of the United States of America or any political subdivision thereof or any governmental or quasi-governmental entity, including any court, department, commission, board, bureau, agency, administration, central bank, service, district or other instrumentality of any governmental entity or other entity exercising executive, legislative, judicial, taxing, regulatory, fiscal, monetary or administrative powers or functions of

or pertaining to government or any arbitrator, mediator or other Person with authority to bind the City at law.

"*Indemnitee*" has the meaning set forth in Section 8.01 hereof.

"*Interest Payment Date*" means the first Business Day of each calendar month, commencing December 1, 2026.

"*Law*" means any treaty or any federal, regional, state and local law, statute, rule, ordinance, regulation, code, license, authorization, decision, injunction, interpretation, order or decree of any court or other applicable Governmental Authority.

"*Lender*" means Wells Fargo Bank, National Association, a national banking association, and its successors and assigns.

"*Lender's Office*" means the Lender's address and, as appropriate, the account as set forth in Section 9.05 hereof, or such other address or account of which the Lender may from time to time notify the City.

"*Liabilities*" has the meaning set forth in Section 8.01 hereof.

"*Loans*" has the meaning set forth in Section 2.01 hereof.

"*Margin Stock*" has the meaning ascribed to such term in Regulation U promulgated by the FRB, as now and hereafter from time to time in effect.

"*Material Adverse Effect*" means: (a) a material adverse change in, or a material adverse effect upon, the operations, business, properties, liabilities (actual or contingent), condition (financial or otherwise) of the City; (b) a material impairment of the ability of the City to perform its obligations under any Related Document to which it is a party; or (c) a material adverse effect upon the legality, validity, binding effect or enforceability against the City of any Related Document to which it is a party.

"*Maturity Date*" means October 1, 2029.

"*Moody's*" means Moody's Investors Service, Inc. and any successor rating agency.

"*Non-Ad Valorem Revenues*" means all legally available revenues of the City other than ad valorem tax revenues.

"*Note*" has the meaning set forth in Section 2.02 hereof.

"*Noteholder*" means the holder or owner of a Note.

"*Obligations*" means all obligations of the City to pay principal and interest on the Loans, all fees and charges payable hereunder, and all other payment obligations of the City arising

under or in relation to any Related Document, in each case whether now existing or hereafter arising, due or to become due, direct or indirect, absolute or contingent, and howsoever evidenced, held or acquired. Any obligations owed by the City other than debt service on the Loans shall be promptly communicated in writing by the Lender to the City.

"*Patriot Act*" means the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Title III of Pub. L. 107-56 (signed into law October 26, 2001).

"*Person*" means any natural person, corporation, limited liability company, trust, joint venture, association, company, partnership, Governmental Authority or other entity.

"*Pledged Revenues*" means the Non-Ad Valorem Revenues budgeted, appropriated and deposited in the Debt Service Fund and any proceeds of the Note on deposit in the Project Fund, together with investment earnings on amounts on deposit in such Funds.

"*Prime Rate*" means on any day, the rate of interest per annum then most recently established by the Lender as its "prime rate." Any such rate is a general reference rate of interest, may not be related to any other rate, and may not be the lowest or best rate actually charged by the Lender to any customer or a favored rate and may not correspond with future increases or decreases in interest rates charged by other lenders or market rates in general, and that the Lender may make various business or other loans at rates of interest having no relationship to such rate. If the Lender ceases to establish or publish a prime rate from which the Prime Rate is then determined, the applicable variable rate from which the Prime Rate is determined thereafter shall be instead the prime rate reported in The Wall Street Journal (or the average prime rate if a high and a low prime rate are therein reported), and the Prime Rate shall change without notice with each change in such prime rate as of the date such change is reported. Notwithstanding anything herein to the contrary, if the Prime Rate determined as provided above would be less than zero percent (0.0%), then the Prime Rate shall be deemed to be zero percent (0.0%).

"*Project*" means the acquisition of certain real property located within the State Road 100 Corridor Community Redevelopment Area of the City, as more particularly described in the Resolution, together with costs related thereto.

"*Project Fund*" means the fund of that name established pursuant to Section 6.09 hereof.

"*Property*" means any interest in any kind of property or asset, whether real, personal or mixed, or tangible or intangible, whether now owned or hereafter acquired.

"*Rating Agency*" means any of Moody's and Fitch, as applicable.

"*Related Documents*" means this Agreement, the Resolution, the Note and any exhibits, schedules, instruments or agreements relating thereto, as the same may be amended, modified or supplemented in accordance with the terms thereof and hereof.

"*Relevant Governmental Body*" means the FRB or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the FRB or the Federal Reserve Bank of New York, or any successor thereto.

"*Request for Loan*" means a certificate substantially in the form attached hereto as Exhibit B, properly completed and signed by an Authorized Representative, as such form may be amended, modified or updated from time to time by the Lender. The last date a Request for Loan can be made by the City is the Business Day prior to the Maturity Date.

"*Resolution*" has the meaning set forth in the recitals hereof.

"*Sanction*" or "*Sanctions*" means any and all economic or financial sanctions, sectoral sanctions, secondary sanctions, trade embargoes and restrictions and antiterrorism laws imposed, administered or enforced from time to time by: (a) the United States of America, including those administered by the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC), the U.S. Department of State, the U.S. Department of Commerce, or through any existing or future statute or Executive Order, (b) the United Nations Security Council, (c) the European Union, (d) the United Kingdom, or (e) any other governmental authority with jurisdiction over the City.

"*Sanctioned Target*" means any target of Sanctions, including: (a) persons on any list of targets identified or designated pursuant to any Sanctions, (b) persons, countries or territories that are the target of any territorial or country-based Sanctions program, (c) persons that are a target of Sanctions due to their ownership or control by any Sanctioned Target(s), or (d) otherwise a target of Sanctions, including vessels and aircraft, that are designated under any Sanctions program.

"*SOFR*" means a rate equal to the secured overnight financing rate as administered by the SOFR Administrator.

"*SOFR Administrator*" means the Federal Reserve Bank of New York (or a successor administrator of the secured overnight financing rate).

"*SOFR Administrator's Website*" means the website of the Federal Reserve Bank of New York, currently at http://www.newyorkfed.org, or any successor source for the secured overnight financing rate identified as such by the SOFR Administrator from time to time.

"*SOFR Determination Day*" has the meaning specified in the definition of "*Daily Simple SOFR.*"

"*SOFR Rate Day*" has the meaning specified in the definition of "Daily Simple SOFR."

"*State*" means the State of Florida.

"*Termination Date*" means the earliest of (i) the Maturity Date, (ii) the date on which the Commitment and Available Commitment are otherwise terminated or reduced to zero in accordance with Section 2.08 hereof and (iii) the date the Commitment terminates by its terms in accordance with Section 7.02(a) hereof.

"*Unadjusted Benchmark Replacement*" means the applicable Benchmark Replacement excluding the related Benchmark Replacement Adjustment.

"*Unused Fee Rate*" has the meaning set forth in Section 3.01(b) hereof.

"*U.S. Government Securities Business Day*" means any day except for (a) a Saturday, (b) a Sunday or (c) a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in United States government securities.

Section 1.02. Computation of Time Periods. In this Agreement, in the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding."

Section 1.03. Construction. Unless the context of this Agreement otherwise clearly requires, references to the plural include the singular, to the singular include the plural and to the part include the whole. The word "including" shall be deemed to mean "including but not limited to," and "or" has the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereunder" and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement. The Section headings contained in this Agreement and the table of contents preceding this Agreement are for reference purposes only and shall not control or affect the construction of this Agreement or the interpretation thereof in any respect. Section, subsection and exhibit references are to this Agreement unless otherwise specified.

Section 1.04. Accounting Terms and Determinations. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made, and all financial statements required to be delivered hereunder shall be prepared, in accordance with GAAP. If, after the Effective Date, there shall occur any change in GAAP from those used in the preparation of the financial statements referred to in Section 6.04 hereof and such change shall result in a change in the method of calculation of any financial covenant, standard or term found in this Agreement including, without limitation, a recharacterization of operating leases to the effect that certain operating leases are to be treated as capital leases, either the City or the Lender may by notice to the other party hereto, require that the Lender and the City negotiate in good faith to amend such covenants, standards, and terms so as equitably to reflect such change in accounting principles, with the desired result being that the criteria for evaluating the financial condition of the City shall be the same as if such change had not been made. No delay by the City or the Lender in requiring such negotiation shall limit their right to so require such a negotiation at any time after such a change in accounting principles. Until any

such covenant, standard, or term is amended in accordance with this Section 1.04, financial covenants shall be computed and determined in accordance with GAAP in effect prior to such change in accounting principles.

Section 1.05. Relation to Other Documents; Acknowledgment of Different Provisions of Related Documents; Incorporation by Reference.¶(a) Nothing in this Agreement shall be deemed to amend, or relieve the City of its obligations under, any Related Document to which it is a party. Conversely, to the extent that the provisions of any Related Document allow the City to take certain actions, or not to take certain actions, with regard for example to permitted liens, transfers of assets, maintenance of financial ratios and similar matters, the City nevertheless shall be fully bound by the provisions of this Agreement.

(b) Except as provided in subsection (c) of this Section 1.05, all references to other documents shall be deemed to include all amendments, modifications and supplements thereto to the extent such amendment, modification or supplement is made in accordance with the provisions of such document and this Agreement.

(c) All provisions of this Agreement making reference to specific Sections of any Related Document shall be deemed to incorporate such Sections into this Agreement by reference as though specifically set forth herein (with such changes and modifications as may be herein provided) and shall continue in full force and effect with respect to this Agreement notwithstanding payment of all amounts due under or secured by the Related Documents, the termination or defeasance thereof or any amendment thereto or any waiver given in connection therewith, so long as this Agreement is in effect and until all Obligations are paid in full. No amendment, modification, consent, waiver or termination with respect to any of such Sections shall be effective as to this Agreement until specifically agreed to in writing by the parties hereto with specific reference to this Agreement.

Section 1.06. Rates.¶The Lender does not warrant or accept any responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Benchmark, any component definition thereof or rates referred to in the definition thereof, or with respect to any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement), as it may or may not be adjusted pursuant to Section 3.06(c), will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Benchmark or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Lender and its Affiliates or other related entities may engage in transactions that affect the calculation of the Benchmark, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto and such transactions may be adverse to the City. The Lender may select information sources or services in its reasonable discretion to ascertain the Benchmark, any component definition thereof or rates referred to in

the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the City or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE II

FACILITIES; APPLICATION AND ISSUANCE OF THE LOANS; PAYMENTS

Section 2.01. Non-Revolving Credit Commitment¶Subject to the terms and conditions hereof, the Lender agrees to make a loan or loans (individually a "*Loan*" and collectively, the "*Loans*") in U.S. Dollars to the City from time to time on a non-revolving basis up to the amount of the Available Commitment, subject to any reductions thereof pursuant to the terms hereof, before the Termination Date. The sum of the aggregate principal amount of Loans at any time outstanding shall not exceed the Available Commitment in effect at such time. Loans may be repaid but the principal amount thereof may not be reborrowed.

Section 2.02. Loans Evidenced by a Note¶The Loans shall be evidenced by a promissory note of the City to the Lender in substantially the form set forth in Exhibit A hereto (as amended or supplemented from time to time, the "*Note*") to be issued on the Effective Date, payable to the Lender in an amount equal to the aggregate principal amount borrowed hereunder up to the Available Commitment and otherwise duly completed. All Loans made by the Lender and all payments and repayments made on account of principal thereof may be recorded by the Lender on the schedule attached to the Note, it being understood, however, that failure by the Lender to make any such endorsement shall not affect the obligations of the City hereunder or under the Note in respect of unpaid principal and interest on any Loan.

Section 2.03. Interest on Loans¶ Each Loan made or maintained by the Lender shall bear interest on the unpaid principal amount thereof from the date such Loan is advanced until paid in full at the Daily Simple SOFR Index Rate; provided that upon the occurrence and during the continuance of an Event of Default, the interest rate on the Loans shall increase to the Default Rate.

Section 2.04. Minimum Advance Amount¶Each advance of Loans shall be in an amount not less than $250,000, or any integral multiple of $1,000 in excess thereof.

Section 2.05. Manner of Advancing Loans¶

(a) *Notice to the Lender*. The City shall give notice to the Lender by no later than 11:00 a.m. Eastern time at least three (3) Business Days before the date on which the City requests the Lender to advance a Loan. The City shall give all such notices requesting the advance of a Loan to the Lender (which notice shall be irrevocable once given and, if by telephone, shall be promptly confirmed in writing in a manner acceptable to the Lender), substantially in the form attached

hereto as Request for Loan in Exhibit B or in such other form acceptable to the Lender. The City shall not deliver more than one Request for Loans in any thirty (30) calendar day period. All requests for Loans shall specify the date of the requested advance of a Loan (which shall be a Business Day), the amount of the requested Loan to be advanced and the wire instructions for such Loan; *provided* that with respect to any notices requested by telephone, the Lender shall wire such advance pursuant to the wire instructions on file with the Lender or provided to the Lender pursuant to the most recent Request for Loan delivered to the Lender in writing. The City agrees that the Lender may rely on any notice given by any person the Lender in good faith believes is an Authorized Representative without the necessity of independent investigation, and in the event any such notice by telephone conflicts with any written confirmation such telephonic notice shall govern if the Lender has acted in reliance thereon.

(b) *Disbursement of Loans*. The Lender shall make the proceeds of each new Loan available to the City at the Lender's principal office in New York, New York (or at such other location as the Lender shall designate), by depositing or wire transferring such proceeds as the City and the Lender may agree.

Section 2.06. Repayment of Loans.¶

(a) Interest on Loans shall be paid on each Interest Payment Date and on the Maturity Date.

(b) The outstanding principal amount of the Loans, together with all accrued and unpaid interest thereon and all other Obligations then due, shall be paid in full on the Maturity Date. In furtherance of Section 9.03 hereof, the Maturity Date may not be extended, and the Loans shall not be renewed, termed out, amortized beyond, or converted to a term loan maturing after, the Maturity Date, without the prior approval of the City Council and, if required, the electors of the City pursuant to Section 3(e) of Article VI of the Charter. The Lender acknowledges that the City has entered into this Agreement in reliance on the repayment of all Obligations within thirty-six (36) months after the Effective Date.

Section 2.07. Prepayment of Loans.¶The City may prepay any Loan, in whole or in part, on any Business Day, provided at least fifteen (15) calendar days' written notice is provided by the City to the Lender. Each such notice of optional prepayment may be conditioned on the occurrence or non-occurrence of an event or events described in such written notice or may be revoked by written notice of the same from the City to the Lender. All prepayments of principal shall include accrued interest to the date of prepayment and all other amounts due pursuant to this Agreement. The prepayment of Loans shall not constitute a termination or reduction of the Commitment for purposes of the termination and/or reduction fee set forth in Section 3.08 hereof.

Section 2.08. Commitment Terminations.¶Subject to Section 3.08 hereof, the City shall have the right at any time and from time to time, upon five (5) Business Days' prior written notice to the Lender (or such shorter period of time agreed to by the Lender), to terminate the Commitment

or permanently reduce the Available Commitment prior to the Termination Date without premium or penalty and in whole or in part, any partial reduction to be in an amount not less than $500,000. Any termination of the Commitment pursuant to this Section may not be reinstated.

Section 2.09. Calculation of Interest and Fee¶ Interest on Loans and fees payable hereunder shall be calculated on the basis of a year of 360 days based on the actual number of days elapsed. The City shall make or cause to be made each payment hereunder not later than 3:00 p.m. on the day when due, in lawful money of the United States to the Lender at its Lender's Office as set forth in Section 9.05 hereof in immediately available funds. Payment received by the Lender after the applicable time set forth in this Section shall be considered to have been made on the next succeeding Business Day.

ARTICLE III

THE CITY'S OBLIGATIONS

Section 3.01. Payment Obligations¶(a) Subject to Section 6.07 hereof, the City agrees to make prompt and full payment of all payment obligations owed to the Lender under the Related Documents and to pay any other Obligations owing to the Lender whether now existing or hereafter arising, irrespective of their nature, whether direct or indirect, absolute or contingent, with interest thereon at the rate or rates provided in such Related Documents and under such Obligations.

(b) The City shall pay or cause to be paid to the Lender on the first Business Day of January 2027, for the period commencing on the Effective Date to but not including the first Business Day of January 2027, and in arrears on the first Business Day of each April, July, October and January occurring thereafter to the Termination Date, and on the Termination Date, a non-refundable unused fee (the "*Unused Fee*") in an amount equal to the product of twenty-four basis points (0.24%) per annum (the "*Unused Fee Rate*") and the average daily Available Commitment during the related quarterly period.

The Unused Fee shall be computed on the basis of a 360-day year and actual days elapsed.

(c) The City shall pay within thirty (30) days after demand:

(i) if an Event of Default shall have occurred, all costs and expenses of the Lender in connection with the enforcement (whether by means of legal proceedings or otherwise) of any of its rights under this Agreement, the other Related Documents and such other documents which may be delivered in connection therewith; and

(ii) the reasonable fees and out-of-pocket expenses for counsel or other reasonably required consultants to the Lender in connection with responding to requests from the City for approvals, consents and waivers.

In addition, if at any time any Governmental Authority shall require any documentary stamps or any other tax lawfully imposed on the City or its Property in connection with the execution or delivery of this Agreement or other Related Documents, then, if the City lawfully may pay for such stamps, taxes or fees, the City shall pay, when due and payable, for all such stamps, taxes and fees, including interest and penalties thereon, and the City agrees to save the Lender harmless from and against any and all liabilities with respect to or resulting from any delay of the City in paying, or omission of the City to pay, such stamps, taxes and fees hereunder.

Section 3.02. Default Rate¶¶Upon the occurrence and during the continuance of an Event of Default, the Loans and any other Obligations then due and payable shall bear interest at the Default Rate, which shall be payable by the City to the Lender (or, if applicable, a Noteholder) upon demand therefor and be calculated on the basis of a 360-day year and actual days elapsed.

Section 3.03. Increased Costs Generally. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, liquidity ratio, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or advances, loans or other credit extended or participated in by, the Lender or any Noteholder; or

(ii) impose on the Lender or any Noteholder any other condition, cost or expense affecting this Agreement;

and the result of any of the foregoing shall be to increase the cost to the Lender or such Noteholder of making or maintaining a Loan (or of maintaining its obligation to make Loans), or to reduce the amount of any sum received or receivable by the Lender or such Noteholder hereunder (whether of principal, interest or any other amount) then, upon written request of the Lender or such Noteholder as set forth in subsection (c) below, the City shall promptly pay to the Lender or such Noteholder, as the case may be, such additional amount or amounts as will compensate the Lender or such Noteholder, as the case may be, for such additional costs incurred or reduction suffered.

(b) *Capital Requirements*. If the Lender or any Noteholder determines that any Change in Law affecting the Lender or such Noteholder or the Lender's or such Noteholder's parent or holding company, if any, regarding capital requirements, has or would have the effect of reducing the rate of return on the Lender's or such Noteholder's capital or the capital of the Lender's or such Noteholder's parent or holding company, if any, as a consequence of this Agreement to a level below that which the Lender or such Noteholder or the Lender's or such Noteholder's parent or holding company could have achieved but for such Change in Law (taking into consideration the Lender's or such Noteholder's policies and the policies of the Lender's or such Noteholder's parent or holding company with respect to capital adequacy), then from time to time upon written request of the Lender or such Noteholder as set forth in subsection (c) below, the City shall promptly pay to the Lender or such Noteholder, as the case may be, such additional amount or amounts as will compensate the Lender or such Noteholder or the Lender's or such Noteholder's parent or holding company for any such reduction suffered.

(c) *Certificates for Reimbursement*. A certificate of the Lender or any Noteholder setting forth the amount or amounts necessary to compensate the Lender or any such Noteholder or the Lender's or any such Noteholder's parent or holding company, as the case may be, as specified in subsection (a) or (b) above and delivered to the City, shall be conclusive absent manifest error. The City shall pay the Lender or any such Noteholder, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) *Delay in Requests*. Failure or delay on the part of the Lender or any such Noteholder to demand compensation pursuant to this Section shall not constitute a waiver of the Lender's or any such Noteholder's right to demand such compensation.

(e) *Survival.* Without prejudice to the survival of any other agreement of the City hereunder, the agreements and obligations of the City contained in this Section shall survive the termination of this Agreement and the payment in full of the obligations of the City thereunder and hereunder.

Section 3.04. [Reserved]

Section 3.05. Maximum Interest Rate¶ If the amount of interest payable for Loans for any period in accordance with the terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the maximum rate permitted by Section 215.84, Florida Statutes (the "Maximum Lawful Rate"), then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate.

Section 3.06. Daily Simple SOFR Conforming Changes¶ In connection with the use or administration of Daily Simple SOFR, the Lender will have the right to make Conforming Changes from time to time; provided that any Conforming Change that would change the frequency or timing of interest payments, the notice periods applicable to Requests for Loans or prepayments, or the economic terms of the Loans shall require the prior written consent of the City. Any other amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Related Document. The Lender will promptly notify the City in writing of the effectiveness of any Conforming Changes in connection with the use or administration of Daily Simple SOFR.

Section 3.07. Changed Circumstances¶

(a) *Circumstances Affecting Benchmark Availability*. [Subject to clause (c) below, in connection with any request for a Loan or otherwise, if for any reason the Lender shall determine (which determination shall be conclusive and binding absent manifest error) that (i) reasonable and adequate means do not exist for ascertaining Daily Simple SOFR pursuant to the definition thereof or (ii) Daily Simple SOFR does not adequately and fairly reflect the cost to the Lender of making maintaining such Loans, then, in each case the Lender shall promptly give notice thereof to the City. Upon written notice thereof by the Lender to the City, , (A) the City may revoke any pending request for a borrowing of Loans (to the extent of the affected Loans) or, failing that, the City will be deemed to have converted any such request into a request for a borrowing of Loans bearing interest at the Prime Rate minus 2.5% in the amount specified therein and (B) any outstanding affected Loans will be deemed to have been converted into Loans bearing interest at the Prime Rate minus 2.5% immediately. After receipt of such written notice from the Lender, the City may terminate or reduce the Commitment in accordance with the terms hereof without the necessity of paying a termination or reduction fee pursuant to Section 3.08 hereof.]

(b) *Laws Affecting SOFR Availability*. If, after the date hereof, the introduction of, or any change in, any applicable Law or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Lender (or its respective lending offices) with any request or directive (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, shall make it unlawful or impossible for the Lender (or its respective lending offices) to honor its obligations hereunder to make or maintain any Loan, or to determine or charge interest based upon SOFR or Daily Simple SOFR, the Lender shall promptly give written notice thereof to the City (an "*Illegality Notice*"). Thereafter, until the Lender notifies the City that the circumstances giving rise to such determination no longer exist, any obligation of the Lender to make Loans shall be suspended. Upon receipt of an Illegality Notice, the City shall, if necessary to avoid such illegality, upon demand from the Lender, prepay or, if applicable, convert all Loans to Loans bearing interest at the Prime Rate minus 2.5%. Upon any such prepayment or conversion, the City shall also pay accrued interest on the amount so prepaid or converted.

(c) *Benchmark Replacement Setting*.

(i) *Benchmark Replacement*. Notwithstanding anything to the contrary herein or in any other Related Document, upon the occurrence of a Benchmark Transition Event, the Lender and the City may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Lender has posted such

proposed amendment to the City. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 3.06(c)(i) will occur prior to the applicable Benchmark Transition Start Date.

(ii) *Benchmark Replacement Conforming Changes*. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Lender will have the right to make Conforming Changes from time to time, subject to the proviso in Section 3.05 hereof, and, notwithstanding anything to the contrary herein or in any other Related Document, any other amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Related Document.

(iii) *Notices; Standards for Decisions and Determinations*. The Lender will promptly notify the City in writing of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Lender will promptly notify the City of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.06(c)(iv). Any determination, decision or election that may be made by the Lender pursuant to this Section 3.06(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party to this Agreement or any other Related Document, except, in each case, as expressly required pursuant to this Section 3.06(c).

(iv) *Unavailability of Tenor of Benchmark*. Notwithstanding anything to the contrary herein or in any other Related Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (1, 3 or 6 months) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Lender in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Lender may modify the definition of "*Interest Period*" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the

Lender may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) [Reserved].

(vi) *Benchmark Unavailability Period*. Upon the City's receipt of notice of the commencement of a Benchmark Unavailability Period, (A) the City may revoke any pending request for a borrowing of Loans to be made during any Benchmark Unavailability Period and, failing that, the City will be deemed to have converted any such request into a request for a borrowing of a Loan bearing interest at the Prime Rate minus 2.5% and (B) any outstanding affected Loans will be deemed to have been converted to Loans bearing interest at the Prime Rate minus 2.5% immediately.

(vii) *Maximum Rate*. Notwithstanding any of the foregoing, such revised rate of interest to be borne by the Loans shall not exceed the maximum rate prescribed in Section 215.84, Florida Statutes.

Section 3.08. Optional Termination or Reduction Fee¶The City shall pay to the Lender a termination or reduction fee in connection with the termination or reduction of all or any portion of the Commitment prior to the first anniversary of the Effective Date, in an amount equal to the product of (A) the Unused Fee Rate in effect on the date of termination or reduction, as applicable, (B) the amount of the Commitment to be terminated or reduced, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such optional termination or reduction, as applicable, to and including the first anniversary of the Effective Date, and the denominator of which is 360, payable on the date that all or any portion of the Commitment is terminated or reduced. Notwithstanding the foregoing, no termination or reduction fee shall be payable in connection with (i) any termination or reduction occurring after the Lender has demanded payment of any additional amount, on account of increased costs, capital adequacy, taxes or a Change in Law pursuant to Section 3.03 hereof , (ii) notice of any circumstance effecting benchmark availability pursuant to Section 3.07(a) hereof, (iii) the payment or prepayment of the principal of any Loan, or (iv) any reduction of the Available Commitment resulting from the making of Loans hereunder.

ARTICLE IV

CONDITIONS PRECEDENT

Section 4.01. Conditions Precedent to Effective Date¶The obligation of the Lender to make the Commitment available hereunder is subject to the conditions precedent that the Lender shall have received, on or before the Effective Date, the items listed below in this Section, each dated and in form and substance as is satisfactory to the Lender.

(a) An executed original or certified copy, as applicable, of the Resolution and this Agreement and the Note.

(b) The following opinions, dated the Effective Date and addressed to the Lender or on which the Lender is otherwise expressly authorized to rely:

(i) from the Bond Counsel, opinions as to the due authorization, execution, delivery and enforceability of the Related Documents and such other customary matters as the Lender may reasonably request;

(c) The following documents and other information:

(i) the audited annual financial statements of the City for the Fiscal Year ended September 30, 2025;

(ii) a certificate dated the Effective Date and executed by an Authorized Representative certifying the names, titles, offices and signatures of the persons authorized to sign, on behalf of the City, the Related Documents and the other documents to be delivered by it hereunder or thereunder;

(iii) a certificate dated the Effective Date and executed by an Authorized Representative certifying (A) that there has been no event or circumstance since September 30, 2025, that has had or could be reasonably expected to have, either individually or in the aggregate, a Material Adverse Effect, (B) that the representations and warranties contained in Article V hereof and the other Related Documents are true and correct in all material respects on the Effective Date and (C) that no event has occurred and is continuing, or would result from entry into this Agreement, which would constitute a Default or Event of Default;

(iv) true and correct copies of all Governmental Approvals, if any, necessary for the City to execute, deliver and perform the Related Documents to which it is a party; and

(v) [Reserved].

(d) A written description of all actions, suits or proceedings pending or threatened against the City or any of its Affiliates in any court or before any arbitrator of any kind or before or by any governmental or non-governmental body which could reasonably be expected to result in a Material Adverse Effect, if any, and such other statements, certificates, agreements, documents and information with respect thereto as the Lender may reasonably request.

(e) The Lender shall have received reimbursement of the Lender's fees and expenses and any other fees incurred in connection with the transaction contemplated by the Related Documents and Kutak Rock LLP, as counsel to the Lender, shall have received payment of its legal fees and expenses in an amount not to exceed $25,000, plus disbursements, incurred in

connection with the preparation, review, negotiation, execution and delivery of the Related Documents.

(f) All other legal matters pertaining to the execution and delivery of this Agreement and the Related Documents shall be satisfactory to the Lender and its counsel, and the Lender shall have received such other statements, certificates, agreements, documents and information with respect to the City and the other parties to the Related Documents and matters contemplated by this Agreement as the Lender may reasonably request.

(g) The Note shall not be (i) assigned a specific rating by any Rating Agency, (ii) registered with The Depository Trust Company or any other securities depository, (iii) issued pursuant to any type of official statement, private placement memorandum or other offering document or (iv) placed or offered by a broker-dealer in the capacity of an underwriter or a placement agent.

Section 4.02. Conditions Precedent to Each Loan.¶The obligation of the Lender to make a Loan is subject to the satisfaction of the following conditions precedent on the date of such Loan:

(a) the representations and warranties of the City set forth in Article V of this Agreement shall be true and correct in all material respects on the date of such Loan (except (i) to the extent any such representation or warranty expressly relates to an earlier date or (ii) that the last sentence of Section 5.05 shall refer to the most recent audited financials of the City delivered to the Lender pursuant to Section 4.01(c)(i) or Section 6.04 hereof);

(b) no Default or Event of Default shall have occurred and be continuing on the date of such Loan; and

(c) the Lender shall have received a Request for Loan in the form of Exhibit B hereto as required under, and in strict conformity with, Section 2.05(a) hereof.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

The City makes the following representations and warranties to the Lender:

Section 5.01. Existence and Power; Due Authorization.¶The City is a municipal corporation of the State duly and validly existing under the laws of the State and has the power and authority to execute and deliver this Agreement and the other Related Documents and to perform its obligations under this Agreement and the other Related Documents.

Section 5.02. Valid and Binding Obligations.¶This Agreement has been duly executed and delivered by one or more duly authorized officers of the City, and each of the Related Documents to which the City is a party, when executed and delivered by the City, will be a legal, valid and

binding limited obligation of the City enforceable in accordance with its terms, except as such enforceability may be limited by (a) the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditors' rights generally, and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.03. Noncontravention; Compliance with Law¶ The execution, delivery and performance of this Agreement and each of the other Related Documents in accordance with their respective terms do not and will not (i) contravene the City's authorizing legislation, (ii) require any consent or approval of any creditor of the City, (iii) violate any Laws (including, without limitation, Regulations T, U or X of the FRB, or any successor regulations), or (iv) conflict with, result in a breach of or constitute a default under any contract to which the City is a party or by which it or any of its Property may be bound.

Section 5.04. Pending Litigation and Other Proceedings.¶There is no action, suit or proceeding pending in any court, any other governmental authority with jurisdiction over the City or any arbitration in which service of process has been completed against the City or, to the knowledge of the City, any other action, suit or proceeding pending or threatened in any court, any other governmental authority with jurisdiction over the City or any arbitrator, in either case against the City or any of its properties or revenues, or any of the Related Documents to which it is a party, which if determined adversely to the City would adversely affect the rights, security, interests or remedies of the Lender hereunder or under any of the other Related Documents or which is reasonably likely to result in a Material Adverse Effect, except any action, suit or proceeding which has been brought prior to the Effective Date as to which the Lender has received an opinion of counsel satisfactory to the Lender, in form and substance satisfactory to the Lender and the Lender's legal counsel, to the effect that such action, suit or proceeding is without substantial merit.

Section 5.05. Financial Statements¶ The audited financial statements of the City as at September 30, 2025, and the related consolidated statement of activities and changes in net assets and the consolidated statement of cash flows for the Fiscal Year then ended, and accompanying notes thereto, which financial statements, accompanied by the audit report of independent public accountants, heretofore furnished to the Lender, which are consistent in all material respects with the audited financial statements of the City for the Fiscal Year ended September 30, 2025, fairly present the financial condition of the City in all material respects as of such dates and the results of its operations for the periods then ended in conformity with applicable GAAP. Since September 30, 2025, there has been no material adverse change in the financial condition or operations of the City that could reasonably be expected to result in a Material Adverse Effect.

Section 5.06. No Defaults¶No default by the City has occurred and is continuing in the payment of the principal of or premium, if any, or interest on any CBA Debt. No bankruptcy, insolvency or other similar proceedings pertaining to the City are pending or presently contemplated. No Default or Event of Default has occurred and is continuing hereunder. The City is not presently in default under any material agreement to which it is a party which could

reasonably be expected to have a Material Adverse Effect. The City is not in violation of any material term of the authorizing legislation applicable to the City or any material term of any bond indenture or agreement to which it is a party or by which any of its Property is bound which could reasonably be expected to result in a Material Adverse Effect.

Section 5.07. Correct Information.¶The audited financial statements of the City described in Section 5.05 hereof and the other financial statements of the City furnished by the City to the Lender were, at the time the same were so furnished, correct in all material respects.

Section 5.08. Investment Company.¶The City is not an "*investment company*" or a company "*controlled*" by an "*investment company*," as such terms are defined in the Investment Company Act of 1940, as amended.

Section 5.09. Margin Stock.¶The City is not engaged in the business of extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of the Loans will be used to purchase or carry any such Margin Stock or extend credit to others for the purpose of purchasing or carrying any such Margin Stock.

Section 5.10. [Reserved].¶

Section 5.11. Usury.¶None of the Related Documents provide for any payments that would violate any applicable law regarding permissible maximum rates of interest.

Section 5.12. Security.¶The principal of and interest on the Loans are secured by a covenant to budget and appropriate Non-Ad Valorem Revenues as set forth in Section 6.07 hereof and in the Resolution.

Section 5.13. Pending Legislation and Decisions.¶There is no amendment, or to the knowledge of the City, proposed amendment to the Constitution of the State or any State law or any administrative interpretation of the Constitution of the State or any State law, or any legislation that has passed either house of the legislature of the State, or any judicial decision interpreting any of the foregoing, the effect of which will materially adversely affect the security for this Agreement or any Obligation, the creation, organization, or existence of the City or the titles to office of any officers executing this Agreement or any Related Documents to which the City is a party or the City's ability to repay when due its obligations under this Agreement.

Section 5.14. No Immunity.¶Under existing law, the City is not entitled to raise the defense of sovereign immunity in connection with any legal proceeding to enforce or collect upon this Agreement or the other Related Documents including the payment of the principal of and interest on the Loans or the payment of any other Obligations; provided that the City is entitled to raise the defense of sovereign immunity in connection with actions based on torts.

Section 5.15. Anti-Corruption Laws and Anti-Money Laundering Laws.¶ The City has instituted, maintains and complies with policies, procedures and controls reasonably designed to assure compliance with Anti-Money Laundering Laws and Anti-Corruption Laws and, to the best

of the City's knowledge, after due care and inquiry, no affiliate, officer, director or agent acting on behalf of the City is under investigation for an alleged violation of Anti-Money Laundering Laws or Anti-Corruption Laws by a governmental authority that enforces such laws.

Section 5.16. Sanctions¶(i) The City is not a Sanctioned Target, and (ii) to the best of the City's knowledge, after due care and inquiry, no affiliate, officer, director or agent acting on behalf of the City is under investigation for an alleged violation of Sanction(s) by a governmental authority that enforces Sanctions.

Section 5.17. No Existing Right to Accelerate¶ As of the Effective Date, no CBA Debt of the City is subject to a right of the holder thereof to accelerate such CBA Debt or otherwise to declare it immediately due and payable prior to its stated maturity upon the occurrence of an event of default.

Section 5.18. Charter Limitation¶ The execution, delivery and performance of this Agreement and the Note do not require authorization by the electors of the City under Section 3(e) of Article VI of the Charter, because all Obligations are required to be repaid within thirty-six (36) months after the Effective Date and the principal amount of the Note does not exceed $15,000,000.

ARTICLE VI

COVENANTS OF THE CITY

The City covenants and agrees, until the full and final payment and satisfaction of all of the Obligations, except in any instance in which the Lender specially agrees in writing to any performance or noncompliance, that:

Section 6.01. Existence, Etc¶ The City (a) shall maintain its existence as a municipal corporation duly and validly existing under the laws of the State and (b) shall not liquidate or dissolve.

Section 6.02. Payment of Obligations¶The City shall pay (a) all CBA Debt of the City in accordance with the terms thereof and (b) all taxes, assessments (general or special) and governmental charges of any kind whatsoever, as and when the same respectively come due, that may be at any time lawfully assessed or levied against or with respect to the City, in each case, unless the failure to do so could not reasonably be expected to have a Material Adverse Effect.

Section 6.03. Compliance with Laws¶The City shall comply with all Laws applicable to it and its Property, except where non-compliance could not reasonably be expected to result in a Material Adverse Effect.

Section 6.04. Reports¶The City shall furnish to the Lender in form and detail satisfactory to the Lender:

(a) *Annual Report*. As soon as available, and in any event within two hundred seventy (270) days after the end of the Fiscal Year, the annual audited financial statements of the City together with (1) the opinion of the City's independent accountants and (2) a Compliance Certificate in the form of Exhibit C hereto signed by an Authorized Representative stating that no Event of Default or Default has occurred, or if such Event of Default or Default has occurred, specifying the nature of such Event of Default or Default, the period of its existence, the nature and status thereof and any remedial steps taken or proposed to correct such Event of Default or Default.

(b) *Budget*. As soon as available, and in any event within sixty (60) days after the end of the Fiscal Year, the operating budget of the City.

(c) *Notice of Default or Event of Default*. (i) Promptly upon obtaining knowledge of any Default or Event of Default, or notice thereof, and in any event within five (5) days thereafter, a certificate signed by an Authorized Representative specifying in reasonable detail the nature and period of existence thereof and what action the City has taken or proposes to take with respect thereto; (ii) promptly following a written request of the Lender, a certificate of an Authorized Representative as to the existence or absence, as the case may be, of a Default or an Event of Default under this Agreement; and (iii) promptly upon obtaining knowledge of any "default" or "event of default" as defined under any Bank Agreement, notice specifying in reasonable detail the nature and period of existence thereof and what action the City has taken or proposes to take with respect thereto.

(d) Anti-Dilution Compliance. Prior to the issuance or incurrence of any additional debt secured by all or a portion of the Non-Ad Valorem Revenues, the City shall provide the Lender a written copy of computations demonstrating compliance with Section 6.08 hereof.

(e) *Litigation*. As promptly as practicable, written notice to the Lender of all actions, suits or proceedings pending or threatened against the City in court or before any arbitrator of any kind or before any governmental authority which could reasonably be expected to result in a Material Adverse Effect.

(f) *Other Information*. Such other information regarding the business affairs, financial condition and/or operations of the City as the Lender may from time to time reasonably request.

Section 6.05. Maintenance of Books and Records.¶The City will keep proper books of record and account in which full, true and correct entries will be made in accordance with GAAP. All financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with GAAP applied on a consistent basis, as in effect from time to time, applied in a manner consistent with that used in preparing the financial statements, except as otherwise specifically prescribed herein. Except as provided in the immediately preceding sentence, in preparing any financial data or statements contemplated

or referred to in this Agreement, subject to applicable GAAP, the City shall not vary or modify the accounting methods or principles from the accounting standards employed in the preparation of its audited financial statements described in Section 5.05 hereof.

Section 6.06. Access to Books and Records.¶To the extent permitted by law, the City will permit any Person designated by the Lender (at the expense of the Lender, unless and until a Default or Event of Default has occurred, at which time such expenses shall be borne by the City) to visit any of the offices of the City to examine the books and financial records (except books and financial records the examination of which by the Lender is prohibited by law or by attorney or client privilege), including minutes of meetings of any relevant governmental committees or agencies, and make copies thereof or extracts therefrom, and to discuss the affairs, finances and accounts of the City with its principal officials, all at such reasonable times and as often as the Lender may reasonably request.

Section 6.07. Covenant to Budget and Appropriate.¶(A) Subject to the next paragraph, the City covenants and agrees to appropriate in its annual budget, by amendment, if necessary, from Non-Ad Valorem Revenues lawfully available in each fiscal year, and to deposit into the Debt Service Fund hereinafter created, amounts sufficient to pay principal of and interest on the Note and other amounts payable hereunder (including, without limitation, any amounts payable pursuant to Sections 3.01(c) and 3.02 hereof) not being paid from other amounts as the same shall become due. Such covenant and agreement on the part of the City to budget, appropriate and deposit such amounts of Non-Ad Valorem Revenues shall be cumulative to the extent not paid, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all such required payments shall have been budgeted, appropriated, deposited and actually paid. No lien upon or pledge of such budgeted Non-Ad Valorem Revenues shall be in effect until such monies are budgeted, appropriated and deposited as provided herein. The City further acknowledges and agrees that the obligation of the City to include the amount of any deficiency in payments under this Agreement and the Note in each of its succeeding annual budgets until such deficiency is paid may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein.

Until such monies are budgeted, appropriated and deposited as provided herein, such covenant to budget and appropriate does not create any lien upon or pledge of such Non-Ad Valorem Revenues, nor does it preclude the City from pledging in the future its Non-Ad Valorem Revenues (except as provided in Section 6.08 hereof), nor does it require the City to levy and collect any particular Non-Ad Valorem Revenues, nor does it give the Noteholder a prior claim on the Non-Ad Valorem Revenues as opposed to claims of general creditors of the City. Such covenant to budget and appropriate Non-Ad Valorem Revenues is subject in all respects to the payment of obligations secured by a pledge of Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds and other debt instruments). Anything in this Agreement or the Resolution to the contrary notwithstanding, it is understood and agreed that all obligations of the City hereunder shall be payable solely from the portion of Non-Ad Valorem Revenues budgeted, appropriated and deposited as provided for herein and nothing herein shall be deemed to pledge ad valorem tax power or ad valorem taxing revenues

or to permit or constitute a mortgage or lien upon any assets owned by the City and no Noteholder nor any other person may compel the levy of ad valorem taxes on real or personal property within the boundaries of the City or the use or application of ad valorem tax revenues in order to satisfy any payment obligations hereunder or to maintain or continue any of the activities of the City which generate user service charges, regulatory fees, or any other Non-Ad Valorem Revenues. Notwithstanding any provisions of this Agreement, the Resolution or the Note to the contrary, the City shall never be obligated to maintain or continue any of the activities of the City which generate user service charges, regulatory fees or any Non-Ad Valorem Revenues. The City is prohibited by law from expending moneys not appropriated or in excess of its current budgeted revenues and surpluses. Such covenant is further subject to Section 166.241(2), Florida Statutes, which provides that an officer of a municipal government may not expend or contract for expenditures in any fiscal year except pursuant to the adopted budget. Until such monies are budgeted, appropriated and deposited as provided herein, neither this Agreement, the Resolution nor the obligations of the City hereunder shall be construed as a pledge of or a lien on all or any legally available Non-Ad Valorem Revenues of the City, but shall be payable solely as provided herein subject to the availability of Non-Ad Valorem Revenues after satisfaction of funding requirements for obligations having an express lien on or pledge of such revenues and funding requirements for essential governmental services of the City.

There is hereby created and established the "City of Palm Coast, Florida Taxable Non-Ad Valorem Revenue Note, Series 2026 Debt Service Fund," which fund shall be a trust fund held by the Director of Finance of the City, which shall be held solely for the benefit of the Noteholder. The Debt Service Fund shall be deemed to be held in trust for the purposes provided herein for such Debt Service Fund. The money in such Debt Service Fund shall be continuously secured in the same manner as state and municipal deposits are authorized to be secured by the laws of the State. The designation and establishment of the Debt Service Fund in and by this Agreement shall not be construed to require the establishment of a completely independent, self-balancing fund as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues and assets of the City for certain purposes and to establish certain priorities for application of such revenues and assets as herein provided. The City may at any time and from time to time appoint one or more depositaries to hold, for the benefit of the Noteholder, the Debt Service Fund established hereby. Such depository or depositaries shall perform, at the direction of the City, the duties of the City in depositing, transferring and disbursing moneys to and from such Debt Service Fund as herein set forth, and all records of such depository in performing such duties shall be open at all reasonable times to inspection by the City and its agents and employees. Any such depository shall be a bank or trust company duly authorized to exercise corporate trust powers and subject to examination by federal or state authority, of good standing, and having a combined capital, surplus and undivided profits aggregating not less than fifty million dollars ($50,000,000).

(B) Until applied in accordance with this Agreement, the Non-Ad Valorem Revenues of the City on deposit in the Debt Service Fund and other amounts on deposit from time to time therein, plus any earnings thereon, are pledged to the repayment of the Note. The City does further covenant and represent that it has the power under the Act to irrevocably pledge the

Pledged Revenues to the payment of the principal of and interest on the Note and that the pledge of the Pledged Revenues in the manner provided herein shall not be subject to repeal, modification or impairment by any subsequent resolution, ordinance or other proceeding of the City without the written consent of the Noteholder.

Section 6.08. Anti-dilution¶The City may incur additional debt secured by all or a portion of the Non-Ad Valorem Revenues only if the total amount of Non-Ad Valorem Revenues for the prior Fiscal Year was at least 1.50 times the maximum annual debt service of all debt to be paid from Non-Ad Valorem Revenues (collectively, "Debt"), including any Debt payable from one or several specific revenue sources.

For purposes of calculating maximum annual debt service if the terms of the Debt are such that interest thereon for any future period of time is to be calculated at a rate which is not then susceptible of precise determination ("Variable Rate Debt"), interest on such Variable Rate Debt shall be computed assuming that interest accrues on such Debt at the current "Bond Buyer 25-Bond Revenue Index" as published in The Bond Buyer (or comparable Index if "Bond Buyer 25-Bond Revenue Index" no longer exists) no more than three weeks prior to any such calculation. In addition, with respect to debt service on any Variable Rate Debt which is subject to a hedge agreement, interest on such Debt during the term of such hedge agreement shall be deemed to be the hedge payments coming due during such period of time but only up to the notional amount of the hedge agreement. For purposes of calculating maximum annual debt service, balloon indebtedness shall be assumed to amortize over 20 years on an approximately level debt service basis. For purposes of this paragraph, "balloon indebtedness" includes indebtedness if 25% or more of the original principal amount thereof comes due in any one year. For purposes of calculating maximum annual debt service, with respect to debt service on any Debt to which the City elects to receive or is otherwise entitled to receive direct subsidy payments from the United States Department of Treasury, when determining the interest on such Debt for any particular interest payment date the amount of the corresponding subsidy payment shall be deducted from the amount of interest which is due and payable with respect to such Debt on the interest payment date.

With respect to debt service on any Debt which the City has covenanted to budget and appropriate sufficient Non-Ad Valorem Revenue as a secondary source of funds to satisfy such obligation, only that portion of the debt service on such Debt which was paid for from Non-Ad Valorem Revenues in the immediately preceding Fiscal Year shall be considered in calculating maximum annual debt service.

Section 6.09. Use of Proceeds¶The City will use the proceeds of the Loans, together with other legally available funds of the City, to pay the costs of the Project and the costs of issuance of the Note, with Loans deposited, when drawn, into the Project Fund or paid directly to the closing agent for the acquisition of the Project. For the avoidance of doubt, the City will not use any portion of the proceeds of the Loans for the purpose of carrying or purchasing any Margin Stock.

The City covenants and agrees to establish a special fund to be designated "City of Palm Coast, Florida Taxable Non-Ad Valorem Revenue Note, Series 2026 Project Fund" (the "*Project Fund*"). All moneys deposited in the Project Fund shall be and constitute a trust fund created for the purposes stated, and there is hereby created a lien upon such fund in favor of the Noteholder until the moneys thereof shall have been applied in accordance with this Agreement. The designation and establishment of the Project Fund by this Agreement shall not be construed to require the establishment of a completely independent, self-balancing fund as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain assets of the City for certain purposes and to establish certain priorities for application of such assets as herein provided. Amounts on deposit from time to time in the Project Fund, plus any earnings thereon, are pledged to the repayment of the Note. Costs of the Project will be paid from the Project Fund.

Section 6.10. Immunity from Jurisdiction.¶To the fullest extent permitted by law, the City will not assert any immunity it may have as a public entity under the laws of the State from lawsuits with respect to this Agreement or any other Related Document. Notwithstanding the foregoing, it is understood that the City does not waive its sovereign immunity as provided under Section 768.28, Florida Statutes.

Section 6.11. [Reserved].¶

Section 6.12. [Reserved].¶

Section 6.13. Compliance with Documents.¶ The City agrees that it will perform and comply with each covenant and agreement required to be performed or observed by it in the Resolution, which covenants are hereby incorporated by reference herein for the benefit of the Lender. No amendment to the Resolution that would materially and adversely affect the rights of the Lender shall be effective as to this Agreement without the prior written consent of the Lender.

Section 6.14. Other Agreements.¶ In the event that the City has outstanding or shall incur any CBA Debt the holder of which has the right to accelerate such CBA Debt or otherwise to declare it immediately due and payable prior to its stated maturity upon the occurrence of an event of default, the City shall provide the Lender with a copy of the instrument or agreement granting such right, and, notwithstanding the last paragraph of Section 7.02 hereof, the Lender shall have the same right to declare the Obligations immediately due and payable upon the occurrence of an Event of Default hereunder for so long as such CBA Debt remains outstanding and such right remains in effect.

Section 6.15. Anti-Money Laundering Laws and Anti-Corruption Laws; Sanctions.¶

(a) The City shall not use any of the proceeds of the Loans to fund, finance or facilitate any activities, business or transactions that would be prohibited by Anti-Money Laundering Laws or Anti-Corruption Laws.

(b) The City shall not use any of the proceeds of the Loans to fund, finance or facilitate any activities, business or transactions: (i) that are prohibited by Sanctions, (ii) that would be prohibited by U.S. Sanctions if conducted by a U.S. Person, or (iii) that would be prohibited by Sanctions if conducted by the Lender, or any other party to this Agreement. The City shall notify the Lender in writing not more than one Business Day after first becoming aware of any breach of this Section.

Section 6.16. Source of Repayment and Collateral¶The City shall not fund any repayment of the Loans with proceeds, or provide as collateral any Property, that is directly or indirectly derived from any transaction or activity that is prohibited by Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws, or that could otherwise cause the Lender or any other party to this Agreement to be in violation of Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws.

ARTICLE VII

EVENTS OF DEFAULT

Section 7.01. Events of Default¶The occurrence of any of the following events (whatever the reason for such event and whether voluntary, involuntary, or effected by operation of Law) shall be an "Event of Default" hereunder, unless waived in writing by the Lender:

(a) the City shall fail to pay the principal of or interest on any Loan when due;

(b) the City shall fail to pay any Obligation (other than the obligation to pay the principal of or interest on the Loans) and such failure shall continue for three (3) Business Days;

(c) any representation or warranty made by or on behalf of the City in this Agreement or in any other Related Document or in any certificate or statement delivered hereunder or thereunder shall be incorrect or untrue in any material respect when made or deemed to have been made or delivered;

(d) the City shall default in the due performance or observance of any of the covenants set forth in Sections 6.01, 6.04(a), 6.04(b), 6.07, 6.08 or 6.10 hereof;

(e) the City shall default in the due performance or observance of any other term, covenant or agreement contained in this Agreement or any other Related Document and such default shall remain unremedied for a period of thirty (30) days after the earlier of (i) actual knowledge by an Authorized Representative of the occurrence thereof or (ii) written notice from the Lender of such default and requesting the same to be remedied; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period and the City has provided notice to the Lender of such fact, no Event of Default shall be deemed to have occurred or

exist if, and so long as, the City shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion within an additional thirty (30) days after such initial thirty (30) period. The City shall give written notice to the Lender of the need for such additional thirty (30) day period.

(f) the City shall (i) have entered involuntarily against it an order for relief under the United States Bankruptcy Code, as amended, (ii) become insolvent or shall not pay, or be unable to pay, or admit in writing its inability to pay, its debts generally as they become due, (iii) make an assignment for the benefit of creditors, (iv) apply for, seek, consent to, or acquiesce in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any substantial part of its Property, (v) institute any proceeding seeking to have entered against it an order for relief under the United States Bankruptcy Code, as amended, to adjudicate it insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, marshalling of assets, adjustment or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors or fail to file an answer or other pleading denying the material allegations of any such proceeding filed against it, (vi) take any action in furtherance of any matter described in parts (i) through (v) above, or (vii) fail to contest in good faith any appointment or proceeding described in Section 7.01(g) of this Agreement;

(g) a custodian, receiver, trustee, examiner, liquidator or similar official shall be appointed for the City or any substantial part of its Property, or a proceeding described in Section 7.01(f)(v) shall be instituted against the City and such proceeding continues undischarged or any such proceeding continues undismissed or unstayed for a period of thirty (30) or more days;

(h) a debt moratorium, debt restructuring, debt adjustment or comparable restriction is imposed on the repayment when due and payable of the principal of or interest on any CBA Debt of the City by the City or any Governmental Authority with appropriate jurisdiction;

(i) any material provision of this Agreement or any other Related Document shall at any time for any reason cease to be valid and binding on the City as a result of any legislative or administrative action by a Governmental Authority with competent jurisdiction or shall be declared in a final non-appealable judgment by any court with competent jurisdiction to be null and void, invalid, or unenforceable, or the validity or enforceability thereof shall be publicly contested by the City;

(j) dissolution or termination of the existence of the City;

(k) the City shall (i) default on the payment of the principal of or interest on any CBA Debt in an aggregate outstanding principal amount in excess of $5,000,000, beyond the period of grace, if any, provided in the instrument or agreement under which such CBA Debt was created or incurred; or (ii) default in the observance or performance

of any agreement or condition relating to any CBA Debt or contained in any instrument or agreement evidencing, securing or relating thereto, or any other default, event of default or similar event shall occur or condition exist, the effect of which default, event of default or similar event or condition is to permit (determined without regard to whether any notice is required) any such CBA Debt in an aggregate outstanding principal amount in excess of $5,000,000 to become immediately due and payable in full as the result of the acceleration, mandatory redemption or mandatory tender of such CBA Debt;

(l) any final, unappealable judgment or judgments, writ or writs or warrant or warrants of attachment, or any similar process or processes, which are not covered in full by insurance, with written acknowledgement of such coverage having been provided by the provider of such insurance coverage to the Lender, in an aggregate amount not less than $5,000,000 shall be entered or filed against the City or against any of its Property and remain unpaid, unvacated, unbonded or unstayed for a period of sixty (60) days;

(m) any "event of default" under any Related Document (as defined respectively therein) shall have occurred; or

(n) [Reserved].

Section 7.02. Consequences of an Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Lender may take one or more of the following actions at any time and from time to time (regardless of whether the actions are taken at the same or different times):

(a) deliver written notice to the City that the Lender's obligation to advance Loans hereunder has terminated;

(b) either personally or by attorney or agent without bringing any action or proceeding take whatever action at law or in equity may appear necessary or desirable to collect the amounts due and payable under the Related Documents or to enforce performance or observance of any obligation, agreement or covenant of the City under the Related Documents, whether for specific performance of any agreement or covenant of the City or in aid of the execution of any power granted to the Lender in the Related Documents; and

(c) exercise, or cause to be exercised, any and all remedies as it may have under the Related Documents and as otherwise available at law and in equity.

The Lender acknowledges that acceleration of the Obligations is not an available remedy hereunder or under any Related Documents.

Section 7.03. Remedies Cumulative; Solely for the Benefit of the Lender. To the extent permitted by, and subject to the mandatory requirements of, applicable Law, each and every right, power and remedy herein specifically given to the Lender in the Related Documents shall be cumulative,

concurrent and nonexclusive and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy (whether specifically herein given or otherwise existing) may be exercised from time to time and as often and in such order as may be deemed expedient by the Lender, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy.

The rights and remedies of the Lender specified herein are for the sole and exclusive benefit, use and protection of the Lender, and the Lender is entitled, but shall have no duty or obligation to the City or any other Person or otherwise, to exercise or to refrain from exercising any right or remedy reserved to the Lender hereunder or under any of the other Related Documents.

Section 7.04. Waivers or Omissions.¶No delay or omission by the Lender in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right, remedy or power or be construed to be a waiver of any default on the part of the Lender or to be acquiescence therein. No express or implied waiver by the Lender of any Event of Default shall in any way be a waiver of any future or subsequent Event of Default.

Section 7.05. Discontinuance of Proceedings.¶In case the Lender shall proceed to invoke any right, remedy or recourse permitted hereunder or under the Related Documents and shall thereafter elect to discontinue or abandon the same for any reason, the Lender shall have the unqualified right so to do and, in such event, the City and the Lender shall be restored to their former positions with respect to the Obligations, the Related Documents and otherwise, and the rights, remedies, recourse and powers of the Lender hereunder shall continue as if the same had never been invoked.

ARTICLE VIII

INDEMNIFICATION

Section 8.01. Indemnification.¶ In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, the City hereby agrees (to the extent permitted by law) to indemnify and hold harmless the Lender and its officers, directors and agents (each, an "*Indemnitee*") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) which an Indemnitee may incur or which may be claimed against an Indemnitee by any Person or entity whatsoever (collectively, the "*Liabilities*") by reason of or in connection with (a) the execution and delivery of, or payment or failure to pay under, any Related Document; and (b) any Loan or the use of the proceeds of any Loan; provided that the City shall not be required to indemnify an Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such

Indemnitee. Nothing under this Section 8.01 is intended to limit the City's payment of the Obligations.

Section 8.02. Survival¶The obligations of the City under this Article VIII shall survive the payment of all Obligations and the termination of this Agreement.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Patriot Act Notice¶The Lender hereby notifies the City that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies the City, which information includes the name and address of the City and other information that will allow the Lender to identify the City in accordance with the Patriot Act. The City hereby agrees that it shall promptly provide such information upon written request by the Lender.

Section 9.02. Further Assurances¶From time to time upon the request of either party hereto, the other shall promptly and duly execute, acknowledge and deliver any and all such further instruments and documents as the requesting party may in its reasonable discretion deem necessary or desirable to confirm this Agreement, and the other Related Documents, to carry out the purpose and intent hereof and thereof or to enable the requesting party to enforce any of its rights hereunder or thereunder. At any time, and from time to time, upon request by the Lender, the City will, at the City's expense, correct any defect, error or omission caused by the City which may be discovered in the form or content of any of the Related Documents. Any cost of correction of any defect, error or omission caused by the Lender shall be at the Lender's expense.

Section 9.03. Amendments and Waivers; Enforcement¶The Lender and the City may from time to time enter into agreements amending, modifying or supplementing this Agreement or the other Related Documents or changing the rights of the Lender or the City hereunder or thereunder, and the Lender may from time to time grant waivers or consents to a departure from the due performance of the obligations of the City hereunder or thereunder. Any such agreement, waiver or consent must be in writing and shall be effective only to the extent specifically set forth in such writing. In the case of any such waiver or consent relating to any provision hereof, any Default or Event of Default so waived or consented to shall be deemed to be cured and not continuing, but no such waiver or consent shall extend to any other or subsequent Default or Event of Default or impair any right consequent thereto. Notwithstanding the foregoing, any amendment to the definition of Maturity Date is subject to the limitations set forth in Section 2.06(b) hereof.

Section 9.04. No Implied Waiver; Cumulative Remedies¶No course of dealing and no delay or failure of the Lender in exercising any right, power or privilege under this Agreement or the other Related Documents shall affect any other or future exercise thereof or exercise of any right, power or privilege; nor shall any single or partial exercise of any such right, power or privilege or any

abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. The rights and remedies of the Lender under this Agreement are cumulative and not exclusive of any rights or remedies which the Lender would otherwise have under any Related Document, at law or in equity.

Section 9.05. Notices¶All notices, requests, demands, directions and other communications (collectively "*notices*") under the provisions of this Agreement shall be in writing (including facsimile communication), unless otherwise expressly permitted hereunder, and shall be sent by first-class mail or overnight delivery and shall be deemed received as follows: (i) if by first-class mail, five (5) days after mailing; (ii) if by overnight delivery, on the next Business Day; (iii) if by telephone, when given to a person who confirms such receipt; and (iv) if by facsimile, when confirmation of receipt is obtained; provided that each Request for Loan shall be sent via e-mail or by facsimile. All notices shall be sent to the applicable party at the following address or in accordance with the last unrevoked written direction from such party to the other parties hereto:

The City:	City of Palm Coast, Florida 160 Lake Avenue Palm Coast, Florida 32164 Attention: Director of Finance Telephone: (386) 986-3726 Email: HAlves@palmcoastgov.com

The Lender may rely on any notice (including telephone communication) purportedly made by or on behalf of the other, and shall have no duty to verify the identity or authority of the Person giving such notice, unless such actions or omissions would amount to gross negligence or intentional misconduct.

Section 9.06. [Reserved].

Section 9.07. No Third-Party Rights. Nothing in this Agreement, whether express or implied, shall be construed to give to any Person other than the parties hereto and the Noteholders any legal or equitable right, remedy or claim under or in respect of this Agreement, which is intended for the sole and exclusive benefit of the parties hereto.

Section 9.08. Severability. The provisions of this Agreement are intended to be severable. If any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

Section 9.09. Governing Law; Waiver of Jury Trial. (a) This Agreement shall be governed by, and construed in accordance with, the laws of the State without giving effect to conflicts of law provisions.

(b) TO THE EXTENT PERMITTED BY APPLICABLE LAWS, EACH OF THE PARTIES HERETO HEREBY WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE RELATED DOCUMENTS OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS.

(c) The covenants and waivers made pursuant to this Section 9.09 shall be irrevocable and unmodifiable, whether in writing or orally, and shall be applicable to any subsequent amendments, renewals, supplements or modifications of this Agreement. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

Section 9.10. Prior Understandings.¶ This Agreement and the other Related Documents supersede all other prior understandings and agreements, whether written or oral, among the parties hereto relating to the transactions provided for herein and therein.

Section 9.11. Duration.¶All representations and warranties of the City contained herein or made in connection herewith shall survive the making of and shall not be waived by the execution and delivery of this Agreement or the other Related Documents. All covenants and agreements of the City contained herein shall continue in full force and effect from and after the date hereof until the Obligations have been fully discharged.

Section 9.12. Counterparts.¶ This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute but one and the same instrument.

Section 9.13. Successors and Assigns.¶

(a) *Successors and Assigns Generally*. This Agreement is a continuing obligation and shall be binding upon the City, its successors, transferees and assigns and shall inure to the benefit of the Noteholders and their respective permitted successors, transferees and assigns. The City may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender. So long as no Event of Default shall have occurred and be continuing, Wells Fargo Bank, National Association may not assign its obligations to make Loans hereunder without the prior written consent of the City. It is understood that the Lender shall initially be the initial Noteholder. The Lender, as the initial Noteholder, and any subsequent Noteholder may, in its sole discretion and in accordance with applicable Law, from time to time assign, sell or transfer in whole, its interest in the Note in accordance with the provisions of paragraph (b) of this Section. The Lender may at any time and from time to time enter into participation agreements in accordance with the provisions of paragraph (c) of this Section. The Lender may at any time pledge or assign a security interest subject to the restrictions of paragraph (d) of this Section.

(b) *Assignments and Transfers by Noteholder*. Without limitation of the foregoing generality, a Noteholder may at any time assign or transfer to one or more transferees the Note in whole, in a denomination of not less than $250,000, to a Person that is (i) an affiliate of the Lender, (ii) a trust or other custodial arrangement established by the Lender or one of its affiliates, the owners of any beneficial interest in which are limited to "qualified institutional buyers" as defined in Rule 144A promulgated under the 1933 Act, or (iii) a "qualified institutional buyer" as so defined that is a commercial bank having a combined capital and surplus, determined as of the date of any transfer pursuant to this paragraph (b), of not less than $5,000,000,000 (each a "*Transferee*") upon providing written notice of such transfer to the City and the Lender and the Transferee shall have delivered to the City an investment letter substantially in the form of Exhibit D hereto. The Lender, acting solely for this purpose as a non-fiduciary agent of the City, shall maintain a register for the recordation of the names and addresses of the Noteholders and principal amounts of and stated interest on the Loans owing to each Noteholder pursuant to the terms hereof from time to time (the "*Register*"). The entries in the Register shall be conclusive, absent manifest error, and the City and the Noteholders shall treat each Transferee whose name is recorded in the Register pursuant to the terms hereof as a Noteholder for all purposes of this Agreement. The Register shall be available for inspection by the City and any Noteholder (but only to the extent of entries in the Register that are applicable to such Noteholder), at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding anything herein to the contrary, no assignment or transfer of the Note shall in any way affect the obligations of the Lender hereunder.

(c) *Participations*. The Lender shall have the right to grant participations in all or a portion of the Lender's interest in the Notes to a Transferee, this Agreement and the other Related Documents to one or more other banking institutions; provided, however, that (i) no such participation by any such participant shall in any way affect the obligations of the Lender hereunder, (ii) the City shall be required to deal only with the Lender, with respect to any matters under this Agreement and the other Related Documents and no such participant shall be entitled to enforce any provision hereunder against the City, and (iii) no offering document shall be prepared in connection with such participation without the express written consent of the City.

(d) *Certain Pledges*. The Lender may at any time pledge or grant a security interest in all or any portion of its rights under the Loans, this Agreement and the Related Documents to secure obligations of the Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto or constitute a pledge by the City that is not otherwise described in this Agreement or the Resolution.

Section 9.14. Headings¶ Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 9.15. Electronic Signatures¶The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or "printouts," if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, "electronic signature" means a manually-signed original signature that is then transmitted by electronic means; "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a "pdf" (portable document format) or other replicating image attached to an e-mail message; and, "electronically signed document" means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

Section 9.16. No Advisory or Fiduciary Relationship¶ In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof, or of any other Related Document), the City acknowledges and agrees that: (a) (i) the services regarding this Agreement provided by the Lender and any Affiliate thereof are arm's-length commercial transactions between the City, on the one hand, and the Lender and its Affiliates, on the other hand, (ii) the City has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the City is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Related Documents; (b) (i) the Lender and its Affiliates each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor (municipal, financial or otherwise), agent or fiduciary, for the City, or any other Person and (ii) neither the Lender nor any of its Affiliates has any obligation to the City with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Related Documents; and (c) the Lender and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the City, and neither the Lender nor any of its Affiliates has any obligation to disclose any of such interests to the City.

Section 9.17. EMMA Postings¶ In the event the City files with EMMA this Agreement or any Related Documents or any description of the material terms thereof or notice of any respective agreement to covenants, events of default, remedies, priority rights or other similar terms relating to the City's CBA Debt, either voluntarily or as required pursuant to a continuing disclosure agreement or Rule 15c2-12 promulgated pursuant to the Securities Exchange Act of 1934, as amended (the "*Rule*") (each such posting, an "*EMMA Posting*"), the City shall (i) provide the Lender with a copy of each EMMA Posting prior to submitting or posting on EMMA and (ii) not file or permit the filing of any EMMA Posting that includes Confidential Information. Subject

to compliance with the Rule, the City acknowledges and agrees that although the Lender may request review, edit or redactions of such materials prior to filing, the Lender is not responsible for the City's or any other entity's (including, but not limited to, any broker-dealer's) compliance or noncompliance (or any claims, losses or liabilities arising therefrom) with any continuing disclosure agreement or any applicable securities or other Laws, including, but not limited to, those relating to the Rule. Notwithstanding the foregoing, any such redactions requested by the Lender shall not prevent compliance with any continuing disclosure agreement or any applicable securities or other Laws, including, but not limited to, those relating to the Rule. As used herein, "Confidential Information" means any sensitive or Confidential Information regarding the City, the Lender or any Affiliate of the Lender including, without limitation, address and account information, e-mail addresses, telephone numbers, facsimile numbers, names and signatures of officers, employees and signatories of the Lender or any of its affiliates. Upon receipt of the EMMA Posting, the Lender shall promptly notify the City that certain information in such proposed EMMA Posting is Confidential Information and the City will not include such information unless counsel to the City concludes that any portion of the Confidential Information is required to be described under the Rule. The Lender acknowledges that the City may be subject to certain Laws, including without limitation, Florida public records laws that may require the posting or sharing of this Agreement or other Related Documents without redactions.

Section 9.18.Naming Convention¶ The City hereby certifies to the Lender that each of: (a) City of Palm Coast, Florida; and (b) City of Palm Coast are one and the same entity.

SERIES 2026

Dated as of: October 29, 2026

For value received, the City of Palm Coast, Florida (the "*City*") promises to pay to the order of Wells Fargo Bank, National Association, and its successors and assigns (the "*Lender*"), located at 100 South Ashley Drive, 10th Floor, Tampa, Florida, the aggregate unpaid principal amount of all Loans made by the Lender from time to time pursuant to the Taxable Non-Revolving Credit Agreement, dated as of October 29, 2026 (together with any amendments or supplements thereto, the "*Agreement*"), between the City and the Lender, in a principal amount not to exceed $11,000,000, on the dates and in the amounts provided for in the Agreement.

The City promises to pay interest on the unpaid principal amount of all Loans on the dates and at the rates provided for in the Agreement. All payments of principal and interest shall be made to the Lender in lawful money of the United States of America in immediately available funds. All capitalized terms used herein and not otherwise defined herein shall have the meanings specified in the Agreement.

This Note is the Note referred to in the Agreement and is entitled to the benefits thereof and of the Related Documents referred to therein. This Note is subject to prepayment, in whole, in accordance with the terms of the Agreement.

The Lender agrees, by acceptance of this Note, that before disposing of this Note it will make a notation on the schedule attached hereto of all Loans evidenced hereby and all principal payments and prepayments made hereunder and of the date to which interest hereon has been paid.

This Note shall not be or constitute a general obligation or indebtedness of the City as "bonds" within the meaning of any constitutional or statutory provision, but shall be a special limited obligation of the City, payable solely from amounts budgeted and appropriated by the City from Non-Ad Valorem Revenues in accordance with the Agreement. No owner or holder of this Note shall ever have the right to compel the exercise of any ad valorem taxing power to pay this Note, or be entitled to payment of such Note from any moneys of the City except from the Non-Ad Valorem Revenues in the manner and to the extent provided in the Agreement and the Resolution.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF FLORIDA.

FORM OF COMPLIANCE CERTIFICATE

This Compliance Certificate (this "*Certificate*") is furnished to Wells Fargo Bank, National Association (the "*Lender*") pursuant to that certain Taxable Non-Revolving Credit Agreement dated as of October 29, 2026 (the "*Agreement*"), between City of Palm Coast, Florida (the "*City*") and the Lender. Unless otherwise defined herein, the terms used in this Certificate shall have the meanings assigned thereto in the Agreement.

The undersigned hereby certifies that:

1. I am the Director of Finance of the City;

2. I have reviewed the terms of the Agreement and I have made, or have caused to be made under my supervision, a detailed review of the transactions and conditions of the City during the accounting period covered by the attached financial statements;

3. The examinations described in paragraph 2 did not disclose, and I have no knowledge of, the existence of any condition or the occurrence of any event which constitutes a Default or Event of Default during or at the end of the accounting period covered by the attached financial statements or as of the date of this Certificate, except as set forth below; and

4. The financial statements required by Section 6.04(a) of the Agreement and being furnished to you concurrently with this Certificate fairly represent the consolidated financial condition of the City in accordance with GAAP (subject to year end adjustments) as of the dates and for the periods covered thereby.

Described below are the exceptions, if any, to paragraph 3 by listing, in detail, the nature of the condition or event, the period during which it has existed and the action which the City has taken, is taking, or proposes to take with respect to each such condition or event:

FORM OF LENDER'S CERTIFICATE

City of Palm Coast, Florida
160 Lake Avenue
Palm Coast, Florida 32164

CITY OF PALM COAST, FLORIDA
TAXABLE NON-AD VALOREM REVENUE NOTE
SERIES 2026

Ladies and Gentlemen:

Wells Fargo Bank, National Association (the "*Lender*") has agreed to make Loans to City of Palm Coast, Florida (the "*City*") evidenced by the above-referenced note (the "*Note*") in an amount not to exceed $11,000,000 which was issued by the City, as set forth in (i) Resolution No. 2026-[___] adopted by the City Council of the City on October 20, 2026 (the "*Resolution*") and (ii) the Taxable Non-Revolving Credit Agreement dated as of October 29, 2026 (the "*Agreement*"), by and between the City and the Lender. All capitalized terms used herein, but not defined herein, shall have the respective meanings set forth in the Resolution or the Agreement, as applicable. The undersigned, an authorized representative of the Lender, hereby represents to you that:

1. The Lender has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other obligations, to be able to evaluate the risks and merits of purchasing of the Note.

2. The Lender has authority to purchase the Note and to execute this letter and any other instruments and documents required to be executed by the Lender in connection with the purchase of the Note.

3. The undersigned is a duly appointed, qualified and acting representative of the Lender and is authorized to cause the Lender to make the certifications, representations and warranties contained herein by execution of this letter on behalf of the Lender.

4. The Lender is a "qualified institutional buyer" as defined in Rule 144A promulgated under the Securities Act of 1933, as amended (the "*1933 Act*") and is able to bear the economic risks of such investment.

5. The Lender understands that no official statement, prospectus, offering circular, or other comprehensive offering statement is being provided with respect to the Note. The Lender has made its own inquiry and analysis with respect to the City, the Project, the Note and the security therefor, and other material factors affecting the security for and payment of the Note.

6. The Lender acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, regarding the City, to which a reasonable investor would attach significance in making investment decisions, and has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the City, the Project, the Note and the security therefor, so that as a reasonable investor, it has been able to make its decision to purchase the Note.

7. The Lender understands that the Note (i) is not registered under the 1933 Act and is not registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state, (ii) is not listed on any stock or other securities exchange, and (iii) carries no rating from any Rating Agency.

The Note will not be assigned a credit rating.

8. The Note is being acquired by the Lender for investment for its own account and not with a present view toward resale or distribution and the Lender currently intends to hold the Note to maturity or earlier redemption; provided, however, that the Lender reserves the right to sell, transfer or redistribute the Note in whole, in a denomination of not less than $250,000, but agrees that any such sale, transfer or distribution by the Lender shall be to a Person:

(a) that is an affiliate of the Lender;

(b) that is a trust or other custodial arrangement established by the Lender or one of its affiliates, the owners of any beneficial interest in which are limited to qualified institutional buyers; or

(c) that is a qualified institutional buyer that is a commercial bank having a combined capital and surplus, determined as of the date of such sale, transfer or distribution, of $5,000,000,000 or more that executes an investor letter substantially in the form of this letter, a copy of which shall be provided to the City.

FORM OF INTERLOCAL AGREEMENT

INTERLOCAL AGREEMENT

This INTERLOCAL AGREEMENT is made and entered into as of October 29, 2026 (herein, the "Agreement"), by and between the STATE ROAD 100 CORRIDOR COMMUNITY REDEVELOPMENT AGENCY, a community redevelopment agency and a public instrumentality, duly created pursuant to the Community Redevelopment Act of 1969, Part III, Chapter 163, Florida Statutes, as amended (hereinafter referred to as the "Agency"), and the CITY OF PALM COAST, FLORIDA, a municipal corporation of the State of Florida (hereinafter referred to as the "City");

W I T N E S S E T H:

WHEREAS, the City Council of the City (the "City Council") created the Agency pursuant to Part III, Chapter 163, Florida Statutes (the "Redevelopment Act"), as a legal entity separate, distinct, and independent from the City Council, to carry out community redevelopment within the State Road 100 Corridor Community Redevelopment Area (the "Redevelopment Area") in accordance with the State Road 100 Corridor Community Redevelopment Plan (as amended from time to time, including by the amendment approved on October 6, 2026, the "Redevelopment Plan"); and

WHEREAS, City [Resolution] [Ordinance] No. [_____] established the boundaries of the State Road 100 Community Redevelopment Area (as may be amended from time to time, the "Redevelopment Area") and approved the [State Road 100 Community Redevelopment Plan] (as amended from time to time, including by the amendment approved on October 6, 2026, the "Redevelopment Plan"), pursuant to the Redevelopment Act; and

WHEREAS, City Ordinance No. 2004-13, as amended and supplemented from time to time, established a community redevelopment trust fund the "Redevelopment Trust Fund") for the purpose of carrying out redevelopment in the Redevelopment Area pursuant to the Redevelopment Plan; and

WHEREAS, the City is acquiring certain real property located within the Redevelopment Area, as more particularly described in the Resolution (as hereinafter defined) (the "Project"), in furtherance of the redevelopment purposes of the Redevelopment Plan; and

WHEREAS, the City has determined to finance the Project by obtaining a taxable non-revolving line of credit (the "Loan") from Wells Fargo Bank, National Association (together with its successors and assigns, the "Bank") pursuant to a Taxable Non-Revolving Loan Agreement between the City and the Bank (the "Loan Agreement"), as authorized by a resolution adopted by the City Council on October 20, 2026 (the "Resolution"); and

WHEREAS, the City's obligation to repay the Loan is evidenced by the City's Taxable Non-Ad Valorem Revenue Note, Series 2026 (the "Series 2026 Note"), which matures on October

1, 2029, and which is payable from Non-Ad Valorem Revenues of the City budgeted, appropriated and deposited in accordance with the Loan Agreement; and

WHEREAS, the Redevelopment Plan, as amended on October 6, 2026, authorizes the use of tax increment revenues deposited in the Redevelopment Trust Fund with respect to the Redevelopment Area (the "Increment Revenues") for the acquisition of the Project and for the payment of indebtedness incurred by the City to finance the Project; and

WHEREAS, the City and the Agency desire to enter into this Agreement to memorialize the terms by which the Agency shall pay and/or reimburse the City for obligations incurred with respect to the Project by paying to the City, from Increment Revenues, amounts equal to the principal of and interest on the Series 2026 Note and all other amounts due and owing by the City under the Loan Agreement (as hereinafter defined); and

WHEREAS, the City provided notice of its intent to approve this Agreement and thereby authorize the Agency's pledge of the Increment Revenues to the City for payment of the Series 2026 Note, by registered mail, to each taxing authority which levies ad valorem taxes on taxable real property contained within the Redevelopment Area, at least 15 days before such action, pursuant to Section 163.346 of the Redevelopment Act; and

WHEREAS, the City and the Agency hereby determine that this Agreement, the issuance of the Series 2026 Note, the Project and the expenditures contemplated hereunder serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the Redevelopment Area pursuant to the Redevelopment Plan; and

WHEREAS, the Increment Revenues are pledged to the payment of the Agency's Redevelopment Refunding Revenue Note, Series 2014 (the "Series 2014 Note") pursuant to Agency Resolution No. 2014-2 adopted on January 21, 2014 (the "2014 Note Resolution"), and, except with regard to the Series 2014 Note and the Agency's obligations pursuant to this Agreement, the Increment Revenues are not subject to any other pledge or lien.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, the parties agree as follows:

1. Incorporation of Recitals. The recitals set forth above are hereby incorporated into the terms of this Agreement.

2. Definitions. Capitalized terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement. In addition, the following terms shall have the following meanings:

"Fiscal Year" means the period commencing on October 1 of each year and ending on the succeeding September 30.

"Obligations" means the Series 2026 Note.

"Taxing Authority" means each public body required to appropriate and deposit increment revenues into the Redevelopment Trust Fund pursuant to Section 163.387, Florida Statutes.

3. Authority. This Agreement is entered into pursuant to the Florida Interlocal Cooperation Act of 1969, Section 163.01, Florida Statutes, the Redevelopment Act, including Sections 163.385 and 163.387 thereof, Chapter 166, Florida Statutes, and other applicable provisions of law. The obligation of the Agency under this Agreement to pay Increment Revenues to the City constitutes a "bond" within the meaning of Section 163.340(14), Florida Statutes, and a redevelopment revenue bond of the Agency payable from and secured by the Increment Revenues under Section 163.385, Florida Statutes, the issuance of which has been authorized by the City Council, as the governing body, by the Resolution, and approved by the governing body of the Agency by resolution adopted on October 20, 2026.

4. Obligation to Repay City.

A. The City's execution and delivery of the Loan Agreement and issuance of the Series 2026 Note are hereby acknowledged by the Agency, and the Agency hereby confirms, consents to and accepts the terms thereof and as set forth in the Resolution, the Loan Agreement and the Series 2026 Note.

B. The Agency hereby covenants to fund, pay, reimburse and repay the City the amounts due with respect to the Obligations, including the principal of and interest on the Series 2026 Note and all fees and other amounts payable by the City under the Loan Agreement. The Agency shall pay the amounts due hereunder from Increment Revenues or from any other funds of the Agency legally available for such purpose. To the extent that the Increment Revenues are insufficient to pay such amounts in full, and the City has budgeted, appropriated and used Non-Ad Valorem Revenues or other funds of the City for the payment thereof in accordance with the Loan Agreement (each, a "City Payment"), the Agency shall repay each City Payment, together with interest thereon from the date of such City Payment until repaid at the same interest rate borne by the Series 2026 Note. The Agency acknowledges that the entire principal amount of the Series 2026 Note is due on October 1, 2029, and that the City expects to pay such principal from the Increment Revenues or other funds of the City; any such principal paid by the City from Non-Ad Valorem Revenues or other funds of the City shall constitute a City Payment. The obligations of the Agency described in this Section are cumulative and shall continue until all amounts due hereunder are fully paid by the Agency.

C. The obligation to transfer the Increment Revenues to the City to pay the amounts due hereunder shall survive the date on which the Series 2026 Note is no longer due and owing under the Loan Agreement, until all City Payments, together with interest thereon, have been repaid to the City.

D. Any Increment Revenues received by the Agency in excess of the amount necessary to pay the City the amounts set forth above may be retained by the Agency and used for any lawful purpose of the Agency.

E. In order to secure its indebtedness to the City hereunder, the Agency hereby pledges to the City the Increment Revenues, which pledge shall be junior, inferior and subordinate in all respects to the lien on and pledge of the Increment Revenues securing the Series 2014 Note and any other note or debt obligation issued by the Agency to a lender or creditor other than the City (collectively, the "Senior Agency Notes"). The City has not pledged, and nothing herein shall be construed as a pledge by the City of, the Increment Revenues or any amounts received by the City hereunder to the payment of the Series 2026 Note or to the Bank, except to the extent the City deposits amounts received hereunder in the debt service fund established under the Loan Agreement, in which case such amounts shall be pledged as provided in the Loan Agreement.

F. The Agency is presently entitled to receive the Increment Revenues to be deposited in the Redevelopment Trust Fund, and has taken all action required by law to entitle it to receive such Increment Revenues, and the Agency will diligently enforce the obligation of each Taxing Authority to appropriate its proportionate share of the Increment Revenues and will not take, or consent to or permit, any action which will impair or adversely affect the obligation of each such Taxing Authority to appropriate its proportionate share of such Increment Revenues, impair or adversely affect in any manner the deposit of such Increment Revenues in the Redevelopment Trust Fund, or impair the pledge of such Increment Revenues made hereby. The Agency and the City shall be unconditionally and irrevocably obligated, so long as any amounts remain payable by the Agency hereunder, to take all lawful action necessary or required in order to ensure that each such Taxing Authority shall appropriate its proportionate share of the Increment Revenues as now or later required by law, and to make or cause to be made any deposits of Increment Revenues or other funds required by this Agreement.

G. The Agency shall include in its annual budget for each Fiscal Year amounts sufficient to make the payments required hereunder. To the extent any moneys remain in the Redevelopment Trust Fund at the end of any fiscal year while amounts remain payable by the Agency hereunder, the Agency shall, to the extent permitted by Section 163.387(7), Florida Statutes, apply such moneys to, or place them in escrow for, the payment of its obligations hereunder.

H. The City and the Agency acknowledge that the obligation of the Taxing Authorities to deposit increment revenues in the Redevelopment Trust Fund, and the Agency's ability to pledge Increment Revenues, are subject to the time limitations of Sections 163.387(2)(a) and 163.385(1)(a), Florida Statutes, and to the term of the Redevelopment Area.

I. So long as the Senior Agency Notes remain outstanding, the payments required of the Agency hereunder in any Fiscal Year shall be made only from Increment Revenues remaining after the Agency has made all deposits and payments then required under the Senior Agency Notes. Nothing in this Agreement shall be construed to permit any action that would impair the rights of the holder of the Senior Agency Notes.

5. Effective Date; Term; Filing. This Agreement shall take effect upon its execution by the City and the Agency. This Agreement shall be filed with the Clerk of the Circuit Court of Flagler County, Florida, as required by Section 163.01(11), Florida Statutes, and shall remain in effect until all amounts payable by the Agency hereunder have been paid in full.

6. Severability. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable in any context, the same shall not affect any other provision herein or render any other provision (or such provision in any other context) invalid, inoperative or unenforceable to any extent whatever.

7. Applicable Provisions of Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

8. Rules of Interpretation. Unless expressly indicated otherwise, references to sections or articles are to be construed as references to sections or articles of this instrument as originally executed. Use of the words "herein," "hereby," "hereunder," "hereof," "hereinbefore," "hereinafter" and other equivalent words refer to this Agreement and not solely to the particular portion in which any such word is used.

9. Captions. The captions and headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Agreement.

10. City Council Members of the City Exempt from Personal Liability. No recourse under or upon any obligation, covenant or agreement of this Agreement or the Series 2026 Note or for any claim based thereon or otherwise in respect thereof, shall be had against any City Council members of the City, as such, of the City, past, present or future, either directly or through the City it being expressly understood (a) that no personal liability whatsoever shall attach to, or is or shall be incurred by, the City Council members of the City, as such, under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom, and (b) that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such City Council member of the City, as such, are waived and released as a condition of, and as a consideration for, the execution of this Agreement and the issuance of the Series 2026 Note on the part of the City.

11. Board Members of the Agency Exempt from Personal Liability. No recourse under or upon any obligation, covenant or agreement of this Agreement or the Series 2026 Note or for any claim based thereon or otherwise in respect thereof, shall be had against any board members of the Agency, as such, of the Agency, past, present or future, either directly or through the Agency it being expressly understood (a) that no personal liability whatsoever shall attach to, or is or shall be incurred by, the board members of the governing board of the Agency, as such, under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom, and (b) that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such board member of the Agency, as such, are waived and released as a condition of, and as a consideration for, the execution of this Agreement.

12. Obligations Limited. By execution of this Agreement, the Agency hereby consents to all the provisions of the Series 2026 Note, the Resolution and the Loan Agreement. The obligation to pay to the City the amounts due hereunder shall not be deemed to constitute a debt of the Agency or a pledge of the faith and credit of the Agency, but such obligation shall be payable solely from the Increment Revenues to be received by the Agency pursuant to the Redevelopment Act and from any other funds of the Agency legally available therefor. The Agency has no taxing power.

13. Amendments. This Agreement may be amended only by a written instrument approved by the City Council and the governing body of the Agency and executed by both parties, and any amendment shall be filed in the same manner as this Agreement.

14. No Third-Party Beneficiaries. This Agreement is solely for the benefit of the City and the Agency. Nothing in this Agreement, expressed or implied, is intended to or shall confer upon the Bank, any holder of the Series 2026 Note, or any other person any right, remedy or claim under or by reason of this Agreement.

15. Counterparts. This Agreement may be executed in counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties to this Agreement have caused their names to be affixed hereto by the proper officers thereof as of the day and year first written above.

CITY OF PALM COAST, FLORIDA
TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026

OCTOBER 20, 2026

Hilltop Securities Inc.
450 S. Orange Avenue, Suite 225
Orlando, Florida 32801

TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026

- As financial advisor, HilltopSecurities assisted the City with a request for bank loan proposals (the "RFP") to provide funding, along with other available funds of the City, for the acquisition of certain acquire certain real property located within the State Road 100 Corridor Community Redevelopment Area and paying costs of issuance
- Taxable variable rate was requested for the borrowing
  - Non-revolving line of credit, taxable variable interest rate for the entire term of the loan
  - Not to exceed $15,000,000 line of credit size requested (final loan size of $11,000,000)
  - Principal due at maturity on October 1, 2029 (~3-years)
- The RFP requested the ability to prepay all or a portion of the loan without penalty
- Security for the loan includes a covenant to budget and appropriate from all legally available non-ad valorem revenues of the City
- By the due date for the RFP on September 17, 2026, the City received a total of three (3) responses from the following lenders:
  - SouthState Bank
  - Truist Bank
  - Wells Fargo Bank

© 2026 Hilltop Securities Inc. All rights reserved. Member NYSE/FINRA/SIPC. Confidential and Proprietary.

TAXABLE NON-AD VALOREM REVENUE NOTE, SERIES 2026

- Based upon the three (3) proposals received, **Wells Fargo Bank** is being recommended for the proposed loan. This is based upon the lowest proposed current taxable variable interest rate and the ability to prepay amounts drawn on the loan without penalty prior to maturity (with a 15-day notice)
  - Advances shall bear interest at a taxable variable rate per annum equal to Daily Simple SOFR plus 0.56% (subject to adjustment as provided in the credit agreement)
  - The City can make advances on the loan in minimum amounts of $250,000 and no more than one advance per month
  - Unused (undrawn) amounts are subject to an unused fee of 0.24% per annum. If the City reduces the available commitment amount prior to the first anniversary date, the City will owe an early termination fee equal to the remaining unused fee on the reduced amount through the first anniversary (this does not apply to early prepayments)
- The proposed resolution, among other things, authorizes the execution of a credit agreement between the City and Wells Fargo Bank and authorizes the issuance of the Taxable Non-Ad Valorem Revenue Note, Series 2026 to Wells Fargo Bank in an amount not to exceed $11 million

RESOLUTION 2026-__

LEASE AGREEMENT WITH THE YMCA

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING A LEASE AGREEMENT WITH THE VOLUSIA-FLAGLER FAMILY YOUNG MEN'S CHRISTIAN ASSOCIATION ("YMCA") FOR PROPERTY LOCATED AT 1580 CENTRAL AVENUE; PROVIDING FOR CITY FINANCIAL CONTRIBUTIONS AND LEASE TERMS; AUTHORIZING THE CITY MANAGER TO EXECUTE THE LEASE AGREEMENT; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the YMCA has expressed a desire to provide a YMCA Recreation Facility and its services to the Citizens of the City of Palm Coast; and

WHEREAS, the City of Palm Coast ("CITY") is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast, Florida 32164; and

WHEREAS, the YMCA desires to collaboratively develop the property in conjunction with the CITY into a YMCA Recreational Facility located at 1580 Central Avenue, Palm Coast, Florida 32164; and

WHEREAS, the YMCA has expressed a willingness to build and operate a YMCA for the purpose of allowing public use of the facilities and programs in accordance with the terms and conditions set forth in this Agreement; and

WHEREAS, the City Council of the City of Palm Coast finds and determines that a public purpose would be met by assuring the public of the benefits of healthy and wholesome recreation programs for all ages provided by the YMCA for the benefit of the Palm Coast community; and

WHEREAS, the parties desire to agree to certain terms and conditions relative to the collaborative development of a YMCA on the property; and

WHEREAS, this Agreement serves a legitimate and important public purpose; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF PALM COAST, FLORIDA:

SECTION 1. RECITALS. The above recitals (whereas clauses) are incorporated herein, and constitute a material inducement to the CITY to enter into this Lease Agreement.

SECTION 2. APPROVAL OF LEASE AGREEMENT AND TERMS. The City Council of City of Palm Coast hereby approves the terms and conditions of the Lease Agreement with the YMCA, as attached hereto and incorporated herein by reference as Exhibit "A" to this resolution.

SECTION 3. AUTHORIZATION. The City Manager, or designee, is hereby authorized to execute the Lease Agreement along with any necessary supporting or administrative documents to effectuate the intent of this Resolution. Further, the City Manager has the authority to execute amendments to the Master Services Agreement on behalf of the City for any other changes that may be necessary.

SECTION 4. SEVERABILITY. If any section, subsection, sentence, clause, phrase, or provision of this Resolution is held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not be construed as to render invalid or unconstitutional the remaining provisions of this Resolution.

SECTION 5. CONFLICTS. All resolutions or parts of resolutions in conflict with this Resolution are hereby repealed.

SECTION 6. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 7. EFFECTIVE DATE. This Resolution shall become effective immediately upon adoption by the City Council.

DULY PASSED AND ADOPTED by the City Council of City of Palm Coast, Florida, on this 20th day of October 2026

ATTEST: CITY OF PALM COAST

_____ _____

KALEY COOK, CITY CLERK MICHAEL NORRIS, MAYOR

APPROVED AS TO FORM AND LEGALITY

_____

MARCUS DUFFY, CITY ATTORNEY

Attachment: Exhibit “A” Lease Agreement with the YMCA

AGREEMENT

THIS LEASE AGREEMENT ("Agreement") is made and entered into this____ ____day of_____, 2026, the "Effective Date", by and between the **CITY OF PALM COAST**, a Florida municipal corporation, whose address is 160 Lake Avenue, Palm Coast, Florida, 32164, hereinafter referred to as "**CITY**," and the **VOLUSIA/FLAGLER FAMILY YOUNG MEN'S CHRISTIAN ASSOCIATION, INC**. ("**YMCA**") a Florida non-profit corporation, whose address is 761 E. International Speedway Blvd, Deland, FL 32724. CITY and YMCA shall be collectively referred to herein as the "Parties."

WITNESSETH:

WHEREAS, the YMCA has expressed a desire to provide a YMCA Recreation Facility and its services to the Citizens of City of Palm Coast; and

WHEREAS, the following recitals are true and constitute a material inducement to the CITY to enter into this Lease agreement:

WHEREAS, The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast, Florida 32136; and

WHEREAS, the YMCA desires to collaboratively develop the property in conjunction with CITY into a YMCA Recreational Facility located at 1580 Central Avenue, Palm Coast, Florida 32164.

WHEREAS, the YMCA has expressed a willingness to build and operate a YMCA for the purpose of allowing public use of the facilities and programs in accordance with the terms and conditions set forth in this Agreement; and

WHEREAS, the City Council of the City of Palm Coast finds and determines that a public purpose would be met by assuring the public of the benefits of healthy and wholesome recreation programs for all ages provided by the YMCA for the benefit of the Palm Coast community; and

WHEREAS, the parties desire to agree to certain terms and conditions relative to the collaborative development of a YMCA on the property; and

WHEREAS, this Agreement serves a legitimate and important public purpose; and

WHEREAS, this Agreement conforms with all applicable provisions of State law and the Charter, codes and ordinances of CITY.

NOW, THEREFORE, in consideration of the premises, mutual covenants, agreement and promises herein contained, the parties hereby covenant and agree as follows:

SECTION 1. RECITALS. The following recitals are true and constitute a material inducement to the CITY to enter into this Lease Agreement: The Parties hereby acknowledge that the YMCA shall be the lessee under the Lease Agreement. The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast Florida, 32164, ("Property") and is more particular described in Exhibit "A," attached hereto and made a part of this Lease Agreement. The CITY is agreeable to leasing the underlying land to the YMCA, and the YMCA hereby agrees to lease said land from the CITY and to construct, own, and operate a YMCA Recreational Facility (along with any future improvements) situated thereon, with such facility to be owned exclusively by the YMCA. The Parties will collaborate together to develop a YMCA Recreation Facility on the Property and any future development proposals or construction must be approved by the CITY. It is intended that CITY will permit the YMCA to operate the YMCA Recreational Facility once it is developed subject to the lease that sets forts all terms and conditions of use and compensation to the CITY in the amount of ONE DOLLAR ($1.00) per year. The City Agrees to contribute two hundred fifty thousand dollars ($250,000.00) from State appropriations toward the construction and development of the YMCA Recreational Facility. In addition, the City agrees to contribute two million dollars ($2,000,000.00) in fiscal year 2027, five hundred thousand dollars ($500,000.00) in fiscal year 2028, and five hundred thousand dollars ($500,000.00) in fiscal year 2029 towards the construction of the YMCA Recreation Center. Each payment will be received by the YMCA on April 1st of the designated fiscal year. The CITY finds that such activities serve a public purpose for the betterment of the citizens of the CITY.

(A) Notwithstanding anything to the contrary contained herein, the CITY's obligations under this Lease Agreement including but not limited to the disbursement of any CITY funding contributions set forth above are expressly contingent and conditional upon the YMCA entering into a binding, fully executed agreement with the Flagler County School District (the "School District"). Pursuant to said agreement, the School District must commit to contribute a minimum financial sum of Three Million Dollars ($3,000,000.00) toward the construction, development, or operation of the YMCA Recreational Facility. In the event the YMCA fails to execute such an agreement and secure the School District's $3,000,000.00 financial commitment within 30 days of the effective date of this Agreement, this Lease Agreement shall automatically terminate, and neither Party shall have any further obligation or liability hereunder.

SECTION 2. TERM OF LEASE. The term of the lease shall be for thirty-five (35) years, commencing on the 1st day of ~~Month~~November 1, 2026, and extending until midnight on ~~Month~~ October 31, 2061, and for any additional period of time during which the property and YMCA Recreational Facility is leased by the YMCA.

SECTION 3. USE OF THE PROPERTY.

(A) CITY agrees that the YMCA shall use the Property exclusively for the construction, operation, and maintenance of a YMCA Recreation Facility. The YMCA Recreation Facility shall mean the approximately 464,000+/- square foot facility and all related improvements, which includes, but is not limited to, an Olympic-size swimming pool, family pool, wellness center, sports gym, locker rooms, childcare area, group exercise rooms, kids zone, and all related amenities. No other use shall be permitted without prior written consent of the City. YMCA shall comply with all federal, state, and local laws, rules and regulations applicable to developing a YMCA Recreational Facility and for the use of the Property. Parties hereto agree to coordinate any special events and/or programs within their operations, subject to the terms and conditions contained herein. The YMCA shall apply for all necessary construction and development permits for the YMCA facility, swimming pool, and all planned amenities within six (6) months of the effective date of this A~~a~~greement, and shall have all such facilities fully constructed, operational, and open to the public within three (3) years of the date of the permit application unless both parties to this agreement mutually agree in writing to extend either above date. Failure to have the YMCA Recreation Facility fully constructed,

operation, and open to the public within the specified three (3) year timeline (or any mutually agreed-upon written extension) ~~to meet these requirements~~ shall constitute a material default under this Lease. In the event of such default, the YMCA shall refund and repay to the City the entire three million two hundred fifty thousand dollars ($3,250,000.00) contributed under this agreement within thirty (30) days of written notice from the City.

(B) The CITY may use the YMCA Recreational Facility or any portion thereof and its parking area at no cost for Official City Activities, provided the City Preschedules the use with the YMCA and it does not conflict with existing YMCA events or prior commitments/programs. Administrative and technical personnel from the YMCA's staff will be made available to the CITY for these activities. Any city requirement in excess of normal staffing and resources of YMCA shall be paid by the CITY.

(C) **FLAGLER COUNTY SCHOOL DISTRICT RIGHTS AND EXCEPTIONS**. The YMCA shall grant the Flagler County School District ("District") perpetual usage rights for Physical Education programming and District-sanctioned sports team practices and competitions pursuant to a separate agreement between the District and the YMCA.

(D) **YOUTH CLUB ACCESS.** The YMCA shall permit youth sports clubs located within the City of Palm Coast to access the facility for practices and sporting events at nominal rates, subject to scheduling availability and prior coordination with the YMCA. For the purpose of this Agreement "nominal" or "nominal rates" shall mean a minimum fee charged exclusively to cover the actual cost for the YMCA to provide the service, limited strictly to direct, out-of-pocket operational expenses incurred (including, but not limited to, incremental staffing for supervision/security, direct utility usage during event hours, and post-event cleaning supplies and labor.) Nominal rates shall strictly exclude commercial markups or standard market rental rates, provided that a reasonable allocation for direct facility wear-and-tear or minor administrative tracking may be included but shall strictly exclude any profits margins, commercial mark-ups, or standard market rental rates.

(E) **SCHEDULE OF OPERATIONS.** The YMCA Management will determine the hours of operation of the Palm Coast YMCA. The same shall be in accordance with nationwide and local YMCA practices and policies.

(F) **CONCESSIONS**. The YMCA may, but shall not be required to, dispense food and/ ~~or~~/or drink on the Premises for consumption by users of the YMCA facilities.

(G) **PARKING.** The YMCA will share a parking lot with the Stage at Town Center. The City will provide notice of 14 calendar days of all scheduled special events at the Stage. Notwithstanding the foregoing, if the parking lot (or any portion thereof) is located within the legal description of the Property leased to the YMCA under this Lease Agreement, the YMCA shall be solely responsible for the operation, management, repair, and all maintenance of the parking lot (or the portion thereof within said legal description) at its sole expense.

(H) **FEES**. The right to set and control fees charged to members and non-members by the YMCA shall remain with the YMCA and shall not be within the control or directive of the CITY.

(I) **COMPATIBILITY.** The YMCA agrees to operate, maintain and promote the operation and maintenance of the facility in a manner consistent with nationwide and local YMCA policies and practices. The YMCA's operation of the facility shall be in accordance with applicable CITY regulations. The YMCA further agrees to comply with the reasonable request of the CITY pertaining to the operation and promotion of the facility in order to provide for the safety of YMCA members and the public. YMCA agrees that its operation of the facility as a YMCA facility will not unreasonably interfere with the use of the contiguous park area by members of the general public or by the CITY. It is the Parties' intention that the operation of the facility will be compatible with the Parks and Recreation programs of the CITY and/ or programs within their operations. Nothing in this Lease Agreement shall prohibit the CITY from providing any and all programming it deems necessary to meet the needs of the Palm Coast community. YMCA agrees that it will not discriminate in its hiring or promotional practices.

(J) **ADDITIONAL TAXES**. The Parties acknowledge that as a YMCA facility, YMCA presently enjoys a tax exempt status, however, to the extent the same may be applicable, YMCA shall pay all taxes, including all personal property taxes, all real property taxes, leasehold improvement and/or leasehold interest taxes, sales taxes which may be assessed against or arise by reason of YMCA's leasing of the Demised Premises or its operation of the facilities as a YMCA facility.

SECTION 4. YMCA ADDITIONS AND IMPROVEMENTS. The YMCA shall not, without first obtaining the written consent of the CITY, through the City Manager, make any alterations, additions or improvements (collectively, "Alterations") in, to or about the Property, except as stated herein. Unless the Alterations affect the Properties common facilities or systems or would otherwise require a building permit, CITY shall not unreasonably withhold or delay its consent to non-structural or non-mechanical Alterations. YMCA may perform minor Alterations that would be considered exclusively cosmetic improvements, having no impact on the structure or the mechanical systems, such as painting, carpet, and/or window coverings, without the prior consent of the CITY. Except as stated herein, all Alterations to the Property shall be subject to review for compliance and written approval by the CITY prior to such Alterations being made.

(A) Prior to making any Alterations, YMCA shall submit to CITY detailed plans and specifications for Alterations. All Alterations shall be accomplished in accordance with the following conditions:

1. For all contemplated Alterations to the components of the building and surrounding site improvements of the Property, YMCA shall obtain written approval from the City Manager.

2. YMCA shall apply for and obtain such permits as may be required under the Land Development Code of the City of Palm Coast, Florida and other governing entities, if applicable. YMCA shall provide performance and payment bonds equal to the value of all contracts for improvements naming the CITY as an insured.

3. YMCA shall do all things necessary to prevent the filing of any liens for work, labor, services or materials performed or supplied or claimed to have been performed or supplied to YMCA, or anyone holding the Property, or any part of them, through or under YMCA. If any claim of lien is filed, YMCA shall have it canceled of record within thirty (30) days after the date of the filing or, if YMCA in good faith determines that the lien should be contested, YMCA shall furnish security to release the claim of lien as a lien against the property and to prevent any foreclosure, pending resolution of the contest.

4. If YMCA does not release the claim of lien, the CITY may, but shall not be obligated to, release the claim of lien either by paying the amount claimed to be due or by procuring the release of claim

of lien by giving security or in such other manner as may be prescribed by law. YMCA shall repay to the CITY all sums disbursed or deposited by the CITY pursuant to the foregoing provisions of this paragraph, including the CITY's cost, expenses and attorneys' fees reasonably incurred in connection therewith as additional rent hereunder on demand. Nothing contained herein shall imply any consent or agreement of the CITY to subject their interests to liability under any mechanics' or other lien law whether or not the performance or the furnishing of such work, labor, services, or materials to YMCA or anyone holding the Property, or any part of them, through or under YMCA has been consented to by the CITY.

SECTION 5. MAINTENANCE AND REPAIRS TO PROPERTY.

(A) YMCA MAINTENANCE RESPONSIBILITY.

1. YMCA shall be responsible for all costs, expenses and obligations related to day-to-day operations, repairs, replacements, and all routine maintenance necessary to develop and maintain the components of the YMCA Recreational Facility, including but not limited to day-to-day, routine maintenance, janitorial and cleaning services, electric, water, and sanitary sewer services, telecommunications services, and maintenance of the surrounding grounds areas within the YMCA Recreational Facility which may arise or become due during the term of this Lease Agreement. Ground maintenance shall include but not be limited to mowing, edging, landscaping and any necessary replacement thereof, irrigation and irrigation system, and tree trimming within the Property. YMCA shall be responsible for the routine maintenance of parking areas, drives and sidewalks, including but not limited to the grass/tree median areas throughout the parking lot area. It shall be the responsibility of the YMCA to notify the CITY of any necessary repairs to the parking areas, drives and sidewalks, as described hereinabove.

2. It shall be the responsibility of the YMCA to keep the Property clean, sanitary, and free from trash and debris. The complete upkeep and maintenance shall be borne by YMCA and YMCA agrees to maintain the Property in accordance with the terms and conditions of this Lease Agreement, continuing service agreements, if any, the City's Land Development Code and consistent with prudent, well-reasoned maintenance procedures and techniques.

3. Notwithstanding any language to the contrary, the Parties agree that the YMCA shall be solely responsible for the routine, ongoing maintenance of the Property to the reasonable standards established by, and to the satisfaction of, the CITY, judged by the standards established in other facilities of similar nature in the local area and as set forth in this Lease Agreement. The CITY shall have reasonable access to the Property during normal operating hours for purposes as set forth herein, and shall timely give YMCA written notice of any maintenance deficiency along with a time period of sixty (60) calendar days from date of notice to correct such deficiency.

SECTION 6. SIGNS. YMCA, at YMCA's expense, shall have the right to place upon the Property such signs or signs as may be necessary to designate the Property. Such signs shall be maintained in good condition and repair at all times by the YMCA, at YMCA's expense, and shall comply with all zoning and sign requirements of the City of Palm Coast. All permits necessary for such signs shall be obtained by YMCA at YMCA's expense.

SECTION 7. **UTILITIES SERVICES.** YMCA shall be responsible for all utility services and shall maintain an individual account with all the various providers. YMCA shall be responsible for arranging access to and all fees associated with telecommunications services, including but not necessarily limited to, telephone service, fire and security system monitoring, facsimile, and internet connection.

SECTION 8. **ASSIGNMENT AND SUBLEASING.** YMCA shall not sell, assign, sublet or in any manner transfer this Lease Agreement or any estate or interest thereunder and shall not sublet the Property or any part thereof, without prior written consent of the CITY in each instance, which consent may be withheld for any reason. The consent by the CITY to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. Should YMCA assign or attempt to assign this Lease Agreement or sublet any portion of the Premised without prior written consent of the CITY, this Lease Agreement shall be terminated forthwith, without prior notice to YMCA. No consent to assignment or encumbrance shall constitute a waiver of the provisions of this Section. However, nothing in this Section shall prohibit YMCA from engaging independent vendors, contractors, or concessionaires to provide ordinary goods, services, or programs (including, but not limited to, food/beverage concessions, athletic coaching, or health services) to facility members and the public *within* the YMCA facility, provided

that such arrangements are structured strictly as operational licenses rather than real estate subleases or assignments, grant no permanent or exclusive land rights, and fully comply with all prohibited use restrictions outlined below in section 8 (A).

(A) Prohibited Commercial and Operational Uses: Notwithstanding any other provision of this Lease Agreement to the contrary, neither YMCA nor any permitted vendor, licensee, concessionaire, or other party shall use, or permit the Property, the facility, or any improvements thereon to be used for, any of the following commercial or operational activities:

(1) Regulated Retail & Controlled Substances: Smoke shops, vape shops, tobacco-related retail establishments, dispensaries, or businesses engaged in the retail sale, distribution, or marketing of THC, delta-8, cannabis, or any psychoactive hemp-derived products.

(2) Alcohol & Adult Beverages: Any retail sale or commercial distribution of alcoholic beverages of any kind (including bars, taverns, lounges, and package sales).

(3) Firearms & Weapons: Gun shops, firearm sales, ammunition sales, or indoor/outdoor shooting ranges.

(4) General Compliance Mandate: Any use, operation, or activity that is prohibited or restricted by zoning regulations, local municipal ordinances, Community Development District (CDD) regulations, or any applicable State of Florida or Federal laws and regulations.

SECTION 9. PUBLIC RECORDS COMPLIANCE. YMCA, when acting on behalf of the CITY for rehabilitation and completion of the improvements provided for herein, shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(A) Keep and maintain public records that ordinarily and necessarily would be required by the CITY in order to perform the service.

(B) Provide the public with access to public records on the same terms and conditions that the CITY would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(C) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(D) Meet all requirements for retaining public records and transfer to the CITY, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the CITY in a format that is compatible with the information technology systems of the CITY.

SECTION 10 .DEFAULT, REMEDIES, AND ABANDONMENT.

(A) **Events of Default**. The following shall be considered "Events of Default":

Unless otherwise stated herein, YMCA's failure to perform, or YMCA's material violation or material breach of, any of the terms, covenants, or conditions of this Lease Agreement, which said failure, violation or breach shall continue un-remedied by YMCA for a period of sixty (60) days after CITY has delivered written notice thereof to YMCA. YMCA shall take immediate steps to remedy the breach and shall diligently pursue such steps until completed and reasonably accepted by the CITY. No default as set forth under this Section shall be deemed to continue if and so long as YMCA diligently proceeds to cure in good faith or is delayed in or prevented from curing by facts or circumstances beyond YMCA's control. If said failure, violation or breach continues after the expiration of a reasonable time to cure, as provided herein, then the CITY may terminate YMCA's right to possession of the Premises and enter the Premises and remove all persons, furniture and equipment located therein, and may seek any and all other remedies available to the CITY by statute or law.

(B) **Effect of an Event of Default and Remedies of the City**. Upon the occurrence of any Event of Default, as a result thereof and without other action by CITY, CITY shall have the following options:

1. Declare the rights of YMCA under this Lease Agreement terminated, and thereafter recover possession of the Premises and remove all persons, furniture and equipment located therein through legal process;

2. Pursue any other remedies available at law or in equity to City on account of the Event of Default. City agrees to use reasonable efforts to mitigate damages on account of any default by YMCA. All of the remedies herein before given to City and all rights and remedies given to it by law and equity shall be cumulative and concurrent. The taking or recovering of the Demised Premises shall not deprive City of any of its remedies or actions against YMCA for rent or any and all other sums due, nor shall the bringing of any action for rent or for breach or default under any term, condition or covenant, or the resort to any other remedy herein provided for the recovery of rent, be construed as a waiver of the right to obtain possession of the Demised Premises.

3. The Parties hereto agree that for purposes of this Lease Agreement, the determination of the materiality of any violation or default shall be governed by Florida law and shall include the following criteria:

a. The extent to which the injured party will be deprived of the benefit which can reasonably be expected;

b. The extent to which the injured party can be adequately compensated for the part of the benefit of which the injured party will be deprived;

c. The extent to which the breaching party will suffer forfeiture;

d. The likelihood that the breaching party will cure; and

e. The extent to which the behavior of the breaching party comports with the standards of good faith and fair dealing.

(C) Abandonment. If the CITY has actual knowledge YMCA has abandoned the Premises, or the CITY reasonably believes YMCA has been absent from the Premises for a period of thirty (30) consecutive days then the CITY may serve written notice of abandonment upon YMCA, and after ten (10) days have elapsed since service of such notice, then the CITY may declare this Lease Agreement abandoned and shall, in such event, make reasonable efforts to relet the Premises. Damages shall include but shall not be limited ~~toall~~to all actual damages suffered by the CITY until the Premises is relet, including reasonable expenses incurred in reletting or in attempting to relet.

(D) Reversion Upon Vacation. If the YMCA ceases operations and vacates the Premises at any time, all improvements, including the building, swimming pool, and any fixtures, shall immediately revert to the ownership of the CITY at no cost to the CITY. The YMCA shall execute any documents necessary to effectuate such transfer and shall ensure the property is free of liens or encumbrances at the time of reversion.

(E) **City's Right to Cure Mortgage Default.** The CITY shall have the absolute right, but not the obligation, to cure any default by YMCA under any mortgage, deed of trust, or other security instrument encumbering the leasehold interest or Premises. The CITY may exercise this right to cure within thirty (30) days after receiving notice of default, or prior to the expiration of the mortgagee's applicable cure period, whichever is later.

(G) **Condition of Mortgage; Lender Notice Covenant.** Any mortgage, deed of trust, or security instrument placed upon the leasehold interest shall expressly require the mortgagee/lender to deliver a duplicate copy of any notice of default or notice of acceleration directly to the CITY simultaneously with its delivery to YMCA. Any leasehold mortgage that fails to include or provide for this direct notice requirement shall be deemed an unauthorized encumbrance and a material default of this Lease Agreement.

SECTION 11 .LOSS OR DESTRUCTION OF YMCA RECREATIONAL FACILITY. If the YMCA Recreational Facility becomes, as a practical matter, totally untenantable ~~able~~ after a casualty loss such as fire, storm, explosion, earthquake, or other casualty loss, this Lease Agreement shall be at an end from such time, except for the purpose of enforcing rights and obligations that may have then accrued under this Lease Agreement, including but not limited to, the payment of insurance claims, indemnity, and any remaining rental credit. The rental shall then be accounted for between the City and YMCA up to the time of such loss or destruction of the YMCA Recreational Facility, YMCA paying up to such date and the City crediting to YMCA the rents collected beyond such date, if any. Should only a part of the YMCA Recreational Facility be rendered untenantable, the rental minus any rental credit shall abate in the proportion which the injured bears to the whole YMCA Recreational Facility, and such part so damaged shall be restored by the

~~City~~ YMCA , at YMCA's sole cost and expense, as speedily as practicable, after which the full rent minus any rental credit shall recommen~~ced~~ and the Lease Agreement shall continue according to its terms.

SECTION 12 .AS-IS CONDITION. YMCA, being the occupant of the Property pursuant to this Lease, acknowledges that it will accept and occupy the Property under this Lease Agreement in "AS IS" condition as the Property exists on the date of this Lease Agreement, and that CITY shall have no obligation to improve, repair or prepare the Property, prior to the Commencement Date or, except as otherwise expressly set forth in this Lease Agreement, after the Commencement Date, for occupancy by YMCA under this Lease Agreement. YMCA ACKNOWLEDGES THAT EXCEPT AS EXPRESSLY SET FORTH IN THIS LEASE, NEITHER CITY NOR ANY AGENT OF CITY HAS MADE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRESENT OR FUTURE SUITABILITY OF THE PROPERTY FOR THE CONDUCT OF YMCA USES THEREON.

SECTION 13. DISCLAIMER OF THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof to or for the benefit of any third party not a formal party hereto. The obligations of the YMCA shall not be obligations of CITY and the YMCA shall ensure that no liens, of any type or nature whatsoever, are placed upon the property.

SECTION 14. CITY'S RIGHT TO STRICTLY ENFORCE. Any law, usage or custom to the contrary notwithstanding, CITY shall have the right at all times to enforce all terms, conditions and covenants hereof in strict accordance herewith, notwithstanding any conduct or custom on the part of the CITY in refraining from so doing at any time or times. Further, the failure of CITY at any time or times to enforce its rights hereunder strictly in accordance with the same shall not be construed as having created a custom in any way or manner contrary to any specific term, condition or covenant hereof, or as having in any way or manner modified the same.

SECTION 15. NOTICES.

(A) Any notice required or allowed to be delivered hereunder shall be in writing and be deemed to be delivered when either (1) hand delivered to the official hereinafter designated, or (2) upon receipt of

such notice when deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to a party at the address set forth opposite the party's name below, or at such other address as the party shall specify by written notice to the other party delivered in accordance with.

YMCA: Volusia/Flagler Family Young Men's Christina Association, Inc.
Attn: Christopher J. Seilkop, President & CEO
Address: 761 E International Speedway Blvd
Deland, FL 32724

CITY: City of Palm Coast
Attn. City Manager
160 Lake Avenue
Palm Coast, Florida 32164

(B) The parties may change the person or notice address for the provisions of this section by providing notice of same as set forth in this Agreement.

SECTION 16. RECORDATION. This lease shall not be recorded by YMCA without the consent of the CITY.

SECTION 17. WASTE. YMCA agrees to commit or suffer no act that would result in damage to or waste of the Property.

SECTION 18. SEVERABILITY. If any part of this Agreement is found invalid or unenforceable by any court, such invalidity or unenforceability shall not affect the other parts of the Agreement if the rights and obligations of the Parties contained therein are not materially prejudiced and if the intentions of the Parties can continue to be affected. To that end, the terms of this Agreement are declared severable.

SECTION 19. PARTIES NOT PARTNERS. It is expressly understood that neither the CITY nor YMCA shall be construed or held to be a partner or associate of the other in the conduct of their respective business. The relationship between the Parties hereto is and shall remain at all times that of Landlord and tenant.

SECTION 20. **INDEMNIFICATION.**

(A) YMCA shall indemnify, hold harmless, and defend the CITY, from and against any and all claims, damages, losses, and expenses including, but not limited to, attorney's fees, arising out of or resulting from the performance or provision for services required under this Agreement, including damage

to persons or property, provided that same is caused in whole or part by the error, omission, negligent act, failure to act, malfeasance, misfeasance, conduct, or misconduct of YMCA, its agents, servants, officers, officials, employees, or subcontractors.

(B) Nothing herein shall be deemed to affect the rights, privileges, and immunities of the CITY as set forth in Section 768.28, Florida Statues.

(C) In claims against any person or entity indemnified under this Section by an employee of the YMCA or its agents or subcontractors, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Section shall not be limited by a limitation on amount or type of damages, compensation, or benefits payable by or for the YMCA or its agents or subcontractors, under Workers Compensation acts, disability benefits acts, or other employee benefit acts.

(D) The execution of this Agreement by the YMCA shall obligate the YMCA to comply with the indemnification provision in this Agreement, however, the YMCA must also comply with the provisions of this Agreement relating to insurance coverages.

SECTION 21. INSURANCE. Without limiting any of the other obligations or liabilities of YMCA, YMCA shall provide, pay for, and maintain in force, throughout the term of this Lease Agreement, the insurance coverages set forth in this Section:

(A) COMPREHENSIVE. YMCA shall maintain Commercial General Liability insurance with limits of not less than $1,000,000 per occurrence and $3,000,000 in the aggregate, together with $1,000,000 in Excess (Umbrella) Liability insurance over and above the underlying general liability limits.

(B) ADDITIONAL INSURED. The policy(ies) shall name the CITY as an additional insured, and shall contain a clause that the insurer will not cancel or change the insurance without first giving the CITY thirty (30) days prior written notice, except for nonpayment of premium which, by law, is ten (10) days notice. The insurance shall be evidenced by a certificate in a form acceptable to the CITY, stating the amount of any "deductible" written by an insurance company with a minimum rating of A+, to the CITY and a copy of

the policy or certificate of insurance shall be delivered to the CITY prior to the commencement of this Restated Lease Agreement.

(CB) FAILURE TO PROCURE. In the event YMCA fails to procure the insurance required herein, the CITY may, but shall be under no obligation to, procure insurance in which event YMCA agrees to pay the CITY, in addition to rent, the amount of the premium on the first day of the month following the month in which the CITY notifies YMCA of the amount of the premium due.

SECTION 22. **APPLICABLE LAW.**

(A) This Agreement and the provisions contained herein shall be construed, controlled and interpreted according to the law of the State of Florida. In any action or proceeding required to enforce or interpret the terms of this Agreement, venue shall be of the Seventh Judicial Circuit in and for Flagler County, Florida, or the Middle District of Florida in Orlando, FL., if in federal court.

(B) Time is of the essence in the performance of this Agreement.

SECTION 23. NONDISCRIMINATION. The YMCA agrees that it will not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, national origin or disability and will take affirmative steps to ensure that applicants are employed and employees are treated during employment without regard to race, color, religion, sex, age, national origin or disability. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment advertising; layoff or termination; rates of pay or their forms or compensation; and selection for training, including apprenticeship. The YMCA, moreover, shall comply with all the requirements as imposed by the Americans with Disability Act, the regulations of the Federal government issued thereunder, and any and all requirements of State law related thereto.

SECTION 24. FURTHER DOCUMENTS. Each of the Parties hereto hereby agree that they will execute and deliver such further instruments and do such further acts and things as may be necessary or desirable to carry out the purpose of this Agreement.

SECTION 25. FAILURE TO ENFORCE NOT WAIVER OF RIGHT. Failure by CITY to enforce any provision contained herein shall not be deemed a waiver of the right to do so thereafter as to the same breach or as to any breach occurring prior or subsequent thereto.

SECTION 26. FORCE MAJEURE. The CITY's obligations hereunder shall be subject to the concept of force majeure. Accordingly, in the event of Acts of God, riot, weather disturbances, permitting, war, terrorism, civil disobedience, geologic subsidence, electrical failure, malfunctions, and events of a similar nature, the CITY shall be excused from providing continual utility service until the cause or causes thereof have been remedied.

SECTION 27. HEADINGS/CAPTIONS. Section headings and other captions contained in this Agreement are for reference purposes only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement, or any provision hereto.

SECTION 28. INTERPRETATION. The CITY and the YMCA agree that all words, terms and conditions contained herein are to be read in concert, each with the other, and that a provision contained under one (1) heading may be considered to be equally applicable under another in the interpretation of this Agreement. This Agreement shall not be construed more strictly against either party on the basis of being the drafter thereof, and both Parties have contributed to the drafting of this Agreement.

SECTION 29. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each which shall be deemed an original, but all of which, taken together, shall constitute one (1) and the same document.

SECTION 30. ENTIRE AGREEMENT. This instrument constitutes the entire agreement between the Parties and supersedes all previous discussions, understandings, and agreements between Parties relating to the subject matter of this Agreement. This Agreement may not be amended, changed, or modified, and material provisions hereunder may not be waived, except by a written document, of equal dignity herewith, approved by the City Council of the CITY and the YMCA and executed by all Parties to this Agreement in a formal Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of the Effective Date.

EXHIBIT A

Legal Description of Parcel 06-12-31-5825-00000-0200

Lot 20, of the subdivision plat of Town Center at Palm Coast Phase 2, according to the plat thereof, as recorded in Map Book 35, Pages 63 through 68, of the Public Records of Flagler County, Florida

AGREEMENT

THIS LEASE AGREEMENT ("Agreement") is made and entered into this____ day of_____, 2026, the "Effective Date", by and between the **CITY OF PALM COAST**, a Florida municipal corporation, whose address is 160 Lake Avenue, Palm Coast, Florida, 32164, hereinafter referred to as "**CITY**," and the **VOLUSIA/FLAGLER FAMILY YOUNG MEN'S CHRISTIAN ASSOCIATION, INC**. ("**YMCA**") a Florida non-profit corporation, whose address is 761 E. International Speedway Blvd, Deland, FL 32724. CITY and YMCA shall be collectively referred to herein as the "Parties."

WITNESSETH:

WHEREAS, the YMCA has expressed a desire to provide a YMCA Recreation Facility and its services to the Citizens of City of Palm Coast; and

WHEREAS, the following recitals are true and constitute a material inducement to the CITY to enter into this Lease agreement:

WHEREAS, The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast, Florida 32136; and

WHEREAS, the YMCA desires to collaboratively develop the property in conjunction with CITY into a YMCA Recreational Facility located at 1580 Central Avenue, Palm Coast, Florida 32164.

WHEREAS, the YMCA has expressed a willingness to build and operate a YMCA for the purpose of allowing public use of the facilities and programs in accordance with the terms and conditions set forth in this Agreement; and

WHEREAS, the City Council of the City of Palm Coast finds and determines that a public purpose would be met by assuring the public of the benefits of healthy and wholesome recreation programs for all ages provided by the YMCA for the benefit of the Palm Coast community; and

WHEREAS, the parties desire to agree to certain terms and conditions relative to the collaborative development of a YMCA on the property; and

WHEREAS, this Agreement serves a legitimate and important public purpose; and

WHEREAS, this Agreement conforms with all applicable provisions of State law and the Charter, codes and ordinances of CITY.

NOW, THEREFORE, in consideration of the premises, mutual covenants, agreement and promises herein contained, the parties hereby covenant and agree as follows:

SECTION 1. RECITALS. The following recitals are true and constitute a material inducement to the CITY to enter into this Lease Agreement: The Parties hereby acknowledge that the YMCA shall be the lessee under the Lease Agreement. The CITY is the owner in fee simple absolute of certain property located at 1580 Central Avenue, Palm Coast Florida, 32164, ("Property") and is more particular described in Exhibit "A," attached hereto and made a part of this Lease Agreement. The CITY is agreeable to leasing the underlying land to the YMCA, and the YMCA hereby agrees to lease said land from the CITY and to construct, own, and operate a YMCA Recreational Facility (along with any future improvements) situated thereon, with such facility to be owned exclusively by the YMCA. The Parties will collaborate together to develop a YMCA Recreation Facility on the Property and any future development proposals or construction must be approved by the CITY. It is intended that CITY will permit the YMCA to operate the YMCA Recreational Facility once it is developed subject to the lease that sets forts all terms and conditions of use and compensation to the CITY in the amount of ONE DOLLAR ($1.00) per year. The City Agrees to contribute two hundred fifty thousand dollars ($250,000.00) from State appropriations toward the construction and development of the YMCA Recreational Facility. In addition, the City agrees to contribute two million dollars ($2,000,000.00) in fiscal year 2027, five hundred thousand dollars ($500,000.00) in fiscal year 2028, and five hundred thousand dollars ($500,000.00) in fiscal year 2029 towards the construction of the YMCA Recreation Center. Each payment will be received by the YMCA on April 1st of the designated fiscal year. The CITY finds that such activities serve a public purpose for the betterment of the citizens of the CITY.

(A) Notwithstanding anything to the contrary contained herein, the CITY's obligations under this Lease Agreement including but not limited to the disbursement of any CITY funding contributions set forth above are expressly contingent and conditional upon the YMCA entering into a binding, fully executed agreement with the Flagler County School District (the "School District"). Pursuant to said agreement, the School District must commit to contribute a minimum financial sum of Three Million Dollars ($3,000,000.00) toward the construction, development, or operation of the YMCA Recreational Facility. In the event the YMCA fails to execute such an agreement and secure the School District's $3,000,000.00 financial commitment within 30 days of the effective date of this Agreement, this Lease Agreement shall automatically terminate, and neither Party shall have any further obligation or liability hereunder.

SECTION 2. TERM OF LEASE. The term of the lease shall be for thirty-five (35) years, commencing on the 1st day of November 1, 2026, and extending until midnight on October 31, 2061, and for any additional period of time during which the property and YMCA Recreational Facility is leased by the YMCA.

SECTION 3. USE OF THE PROPERTY.

(A) CITY agrees that the YMCA shall use the Property exclusively for the construction, operation, and maintenance of a YMCA Recreation Facility. The YMCA Recreation Facility shall mean the approximately 46,000+/- square foot facility and all related improvements, which includes, but is not limited to, an Olympic-size swimming pool, family pool, wellness center, sports gym, locker rooms, childcare area, group exercise rooms, kids zone, and all related amenities. No other use shall be permitted without prior written consent of the City. YMCA shall comply with all federal, state, and local laws, rules and regulations applicable to developing a YMCA Recreational Facility and for the use of the Property. Parties hereto agree to coordinate any special events and/or programs within their operations, subject to the terms and conditions contained herein. The YMCA shall apply for all necessary construction and development permits for the YMCA facility, swimming pool, and all planned amenities within six (6) months of the effective date of this Agreement, and shall have all such facilities fully constructed, operational, and open to the public within three (3) years of the date of the permit application unless both parties to this agreement mutually agree in writing to extend either above date. Failure to have the YMCA Recreation Facility fully constructed, operation, and open to the public within the specified three (3) year timeline (or any mutually agreed-upon

written extension) shall constitute a material default under this Lease. In the event of such default, the YMCA shall refund and repay to the City the entire three million two hundred fifty thousand dollars ($3,250,000.00) contributed under this agreement within thirty (30) days of written notice from the City.

(B) The CITY may use the YMCA Recreational Facility or any portion thereof and its parking area at no cost for Official City Activities, provided the City Preschedules the use with the YMCA and it does not conflict with existing YMCA events or prior commitments/programs. Administrative and technical personnel from the YMCA's staff will be made available to the CITY for these activities. Any city requirement in excess of normal staffing and resources of YMCA shall be paid by the CITY.

(C) **FLAGLER COUNTY SCHOOL DISTRICT RIGHTS AND EXCEPTIONS**. The YMCA shall grant the Flagler County School District ("District") perpetual usage rights for Physical Education programming and District-sanctioned sports team practices and competitions pursuant to a separate agreement between the District and the YMCA.

(D) **YOUTH CLUB ACCESS.** The YMCA shall permit youth sports clubs located within the City of Palm Coast to access the facility for practices and sporting events at nominal rates, subject to scheduling availability and prior coordination with the YMCA. For the purpose of this Agreement "nominal" or "nominal rates" shall mean a minimum fee charged exclusively to cover the actual cost for the YMCA to provide the service, limited strictly to direct, out-of-pocket operational expenses incurred (including, but not limited to, incremental staffing for supervision/security, direct utility usage during event hours, and post-event cleaning supplies and labor.) Nominal rates shall strictly exclude commercial markups or standard market rental rates, provided that a reasonable allocation for direct facility wear-and-tear or minor administrative tracking may be included but shall strictly exclude any profits margins, commercial mark-ups, or standard market rental rates.

(E) **SCHEDULE OF OPERATIONS.** The YMCA Management will determine the hours of operation of the Palm Coast YMCA. The same shall be in accordance with nationwide and local YMCA practices and policies.

(F) **CONCESSIONS**. The YMCA may, but shall not be required to, dispense food and/or drink on the Premises for consumption by users of the YMCA facilities.

(G) **PARKING.** The YMCA will share a parking lot with the Stage at Town Center. The City will provide notice of 14 calendar days of all scheduled special events at the Stage. Notwithstanding the foregoing, if the parking lot (or any portion thereof) is located within the legal description of the Property leased to the YMCA under this Lease Agreement, the YMCA shall be solely responsible for the operation, management, repair, and all maintenance of the parking lot (or the portion thereof within said legal description) at its sole expense.

(H) **FEES**. The right to set and control fees charged to members and non-members by the YMCA shall remain with the YMCA and shall not be within the control or directive of the CITY.

(I) **COMPATIBILITY.** The YMCA agrees to operate, maintain and promote the operation and maintenance of the facility in a manner consistent with nationwide and local YMCA policies and practices. The YMCA's operation of the facility shall be in accordance with applicable CITY regulations. The YMCA further agrees to comply with the reasonable request of the CITY pertaining to the operation and promotion of the facility in order to provide for the safety of YMCA members and the public. YMCA agrees that its operation of the facility as a YMCA facility will not unreasonably interfere with the use of the contiguous park area by members of the general public or by the CITY. It is the Parties' intention that the operation of the facility will be compatible with the Parks and Recreation programs of the CITY and/ or programs within their operations. Nothing in this Lease Agreement shall prohibit the CITY from providing any and all programming it deems necessary to meet the needs of the Palm Coast community. YMCA agrees that it will not discriminate in its hiring or promotional practices.

(J) **ADDITIONAL TAXES**. The Parties acknowledge that as a YMCA facility, YMCA presently enjoys a tax exempt status, however, to the extent the same may be applicable, YMCA shall pay all taxes, including all personal property taxes, all real property taxes, leasehold improvement and/or leasehold interest taxes, sales taxes which may be assessed against or arise by reason of YMCA's leasing of the Demised Premises or its operation of the facilities as a YMCA facility.

SECTION 4. YMCA ADDITIONS AND IMPROVEMENTS. The YMCA shall not, without first obtaining the written consent of the CITY, through the City Manager, make any alterations, additions or improvements (collectively, "Alterations") in, to or about the Property, except as stated herein. Unless the Alterations affect the Properties common facilities or systems or would otherwise require a building permit, CITY shall not unreasonably withhold or delay its consent to non-structural or non-mechanical Alterations. YMCA may perform minor Alterations that would be considered exclusively cosmetic improvements, having no impact on the structure or the mechanical systems, such as painting, carpet, and/or window coverings, without the prior consent of the CITY. Except as stated herein, all Alterations to the Property shall be subject to review for compliance and written approval by the CITY prior to such Alterations being made.

(A) Prior to making any Alterations, YMCA shall submit to CITY detailed plans and specifications for Alterations. All Alterations shall be accomplished in accordance with the following conditions:

1. For all contemplated Alterations to the components of the building and surrounding site improvements of the Property, YMCA shall obtain written approval from the City Manager.

2. YMCA shall apply for and obtain such permits as may be required under the Land Development Code of the City of Palm Coast, Florida and other governing entities, if applicable. YMCA shall provide performance and payment bonds equal to the value of all contracts for improvements naming the CITY as an insured.

3. YMCA shall do all things necessary to prevent the filing of any liens for work, labor, services or materials performed or supplied or claimed to have been performed or supplied to YMCA, or anyone holding the Property, or any part of them, through or under YMCA. If any claim of lien is filed, YMCA shall have it canceled of record within thirty (30) days after the date of the filing or, if YMCA in good faith determines that the lien should be contested, YMCA shall furnish security to release the claim of lien as a lien against the property and to prevent any foreclosure, pending resolution of the contest.

4. If YMCA does not release the claim of lien, the CITY may, but shall not be obligated to, release the claim of lien either by paying the amount claimed to be due or by procuring the release of claim

of lien by giving security or in such other manner as may be prescribed by law. YMCA shall repay to the CITY all sums disbursed or deposited by the CITY pursuant to the foregoing provisions of this paragraph, including the CITY's cost, expenses and attorneys' fees reasonably incurred in connection therewith as additional rent hereunder on demand. Nothing contained herein shall imply any consent or agreement of the CITY to subject their interests to liability under any mechanics' or other lien law whether or not the performance or the furnishing of such work, labor, services, or materials to YMCA or anyone holding the Property, or any part of them, through or under YMCA has been consented to by the CITY.

SECTION 5. MAINTENANCE AND REPAIRS TO PROPERTY.

(A) YMCA MAINTENANCE RESPONSIBILITY.

1. YMCA shall be responsible for all costs, expenses and obligations related to day-to-day operations, repairs, replacements, and all routine maintenance necessary to develop and maintain the components of the YMCA Recreational Facility, including but not limited to day-to-day, routine maintenance, janitorial and cleaning services, electric, water, and sanitary sewer services, telecommunications services, and maintenance of the surrounding grounds areas within the YMCA Recreational Facility which may arise or become due during the term of this Lease Agreement. Ground maintenance shall include but not be limited to mowing, edging, landscaping and any necessary replacement thereof, irrigation and irrigation system, and tree trimming within the Property. YMCA shall be responsible for the routine maintenance of parking areas, drives and sidewalks, including but not limited to the grass/tree median areas throughout the parking lot area. It shall be the responsibility of the YMCA to notify the CITY of any necessary repairs to the parking areas, drives and sidewalks, as described hereinabove.

2. It shall be the responsibility of the YMCA to keep the Property clean, sanitary, and free from trash and debris. The complete upkeep and maintenance shall be borne by YMCA and YMCA agrees to maintain the Property in accordance with the terms and conditions of this Lease Agreement, continuing service agreements, if any, the City's Land Development Code and consistent with prudent, well-reasoned maintenance procedures and techniques.

3. Notwithstanding any language to the contrary, the Parties agree that the YMCA shall be solely responsible for the routine, ongoing maintenance of the Property to the reasonable standards established by, and to the satisfaction of, the CITY, judged by the standards established in other facilities of similar nature in the local area and as set forth in this Lease Agreement. The CITY shall have reasonable access to the Property during normal operating hours for purposes as set forth herein, and shall timely give YMCA written notice of any maintenance deficiency along with a time period of sixty (60) calendar days from date of notice to correct such deficiency.

SECTION 6. SIGNS. YMCA, at YMCA's expense, shall have the right to place upon the Property such signs or signs as may be necessary to designate the Property. Such signs shall be maintained in good condition and repair at all times by the YMCA, at YMCA's expense, and shall comply with all zoning and sign requirements of the City of Palm Coast. All permits necessary for such signs shall be obtained by YMCA at YMCA's expense.

SECTION 7. **UTILITIES SERVICES.** YMCA shall be responsible for all utility services and shall maintain an individual account with all the various providers. YMCA shall be responsible for arranging access to and all fees associated with telecommunications services, including but not necessarily limited to, telephone service, fire and security system monitoring, facsimile, and internet connection.

SECTION 8. **ASSIGNMENT AND SUBLEASING.** YMCA shall not sell, assign, sublet or in any manner transfer this Lease Agreement or any estate or interest thereunder and shall not sublet the Property or any part thereof, without prior written consent of the CITY in each instance, which consent may be withheld for any reason. The consent by the CITY to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. Should YMCA assign or attempt to assign this Lease Agreement or sublet any portion of the Premised without prior written consent of the CITY, this Lease Agreement shall be terminated forthwith, without prior notice to YMCA. No consent to assignment or encumbrance shall constitute a waiver of the provisions of this Section. However, nothing in this Section shall prohibit YMCA from engaging independent vendors, contractors, or concessionaires to provide ordinary goods, services, or programs (including, but not limited to, food/beverage concessions, athletic coaching, or health services) to facility members and the public *within* the YMCA facility, provided

that such arrangements are structured strictly as operational licenses rather than real estate subleases or assignments, grant no permanent or exclusive land rights, and fully comply with all prohibited use restrictions outlined below in section 8 (A).

(A) Prohibited Commercial and Operational Uses: Notwithstanding any other provision of this Lease Agreement to the contrary, neither YMCA nor any permitted vendor, licensee, concessionaire, or other party shall use, or permit the Property, the facility, or any improvements thereon to be used for, any of the following commercial or operational activities:

(1) Regulated Retail & Controlled Substances: Smoke shops, vape shops, tobacco-related retail establishments, dispensaries, or businesses engaged in the retail sale, distribution, or marketing of THC, delta-8, cannabis, or any psychoactive hemp-derived products.

(2) Alcohol & Adult Beverages: Any retail sale or commercial distribution of alcoholic beverages of any kind (including bars, taverns, lounges, and package sales).

(3) Firearms & Weapons: Gun shops, firearm sales, ammunition sales, or indoor/outdoor shooting ranges.

(4) General Compliance Mandate: Any use, operation, or activity that is prohibited or restricted by zoning regulations, local municipal ordinances, Community Development District (CDD) regulations, or any applicable State of Florida or Federal laws and regulations.

SECTION 9. PUBLIC RECORDS COMPLIANCE. YMCA, when acting on behalf of the CITY for rehabilitation and completion of the improvements provided for herein, shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(A) Keep and maintain public records that ordinarily and necessarily would be required by the CITY in order to perform the service.

(B) Provide the public with access to public records on the same terms and conditions that the CITY would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(C) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(D) Meet all requirements for retaining public records and transfer to the CITY, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the CITY in a format that is compatible with the information technology systems of the CITY.

SECTION 10 .DEFAULT, REMEDIES, AND ABANDONMENT.

(A) Events of Default. The following shall be considered "Events of Default":

Unless otherwise stated herein, YMCA's failure to perform, or YMCA's material violation or material breach of, any of the terms, covenants, or conditions of this Lease Agreement, which said failure, violation or breach shall continue un-remedied by YMCA for a period of sixty (60) days after CITY has delivered written notice thereof to YMCA. YMCA shall take immediate steps to remedy the breach and shall diligently pursue such steps until completed and reasonably accepted by the CITY. No default as set forth under this Section shall be deemed to continue if and so long as YMCA diligently proceeds to cure in good faith or is delayed in or prevented from curing by facts or circumstances beyond YMCA's control. If said failure, violation or breach continues after the expiration of a reasonable time to cure, as provided herein, then the CITY may terminate YMCA's right to possession of the Premises and enter the Premises and remove all persons, furniture and equipment located therein, and may seek any and all other remedies available to the CITY by statute or law.

(B) Effect of an Event of Default and Remedies of the City. Upon the occurrence of any Event of Default, as a result thereof and without other action by CITY, CITY shall have the following options:

1. Declare the rights of YMCA under this Lease Agreement terminated, and thereafter recover possession of the Premises and remove all persons, furniture and equipment located therein through legal process;

2. Pursue any other remedies available at law or in equity to City on account of the Event of Default. City agrees to use reasonable efforts to mitigate damages on account of any default by YMCA. All of the remedies herein before given to City and all rights and remedies given to it by law and equity shall be cumulative and concurrent. The taking or recovering of the Demised Premises shall not deprive City of any of its remedies or actions against YMCA for rent or any and all other sums due, nor shall the bringing of any action for rent or for breach or default under any term, condition or covenant, or the resort to any other remedy herein provided for the recovery of rent, be construed as a waiver of the right to obtain possession of the Demised Premises.

3. The Parties hereto agree that for purposes of this Lease Agreement, the determination of the materiality of any violation or default shall be governed by Florida law and shall include the following criteria:

a. The extent to which the injured party will be deprived of the benefit which can reasonably be expected;

b. The extent to which the injured party can be adequately compensated for the part of the benefit of which the injured party will be deprived;

c. The extent to which the breaching party will suffer forfeiture;

d. The likelihood that the breaching party will cure; and

e. The extent to which the behavior of the breaching party comports with the standards of good faith and fair dealing.

(C) Abandonment. If the CITY has actual knowledge YMCA has abandoned the Premises, or the CITY reasonably believes YMCA has been absent from the Premises for a period of thirty (30) consecutive days then the CITY may serve written notice of abandonment upon YMCA, and after ten (10) days have elapsed since service of such notice, then the CITY may declare this Lease Agreement abandoned and shall, in such event, make reasonable efforts to relet the Premises. Damages shall include but shall not be limited to all actual damages suffered by the CITY until the Premises is relet, including reasonable expenses incurred in reletting or in attempting to relet.

(D) Reversion Upon Vacation. If the YMCA ceases operations and vacates the Premises at any time, all improvements, including the building, swimming pool, and any fixtures, shall immediately revert to the ownership of the CITY at no cost to the CITY. The YMCA shall execute any documents necessary to effectuate such transfer and shall ensure the property is free of liens or encumbrances at the time of reversion.

(E) **City's Right to Cure Mortgage Default.** The CITY shall have the absolute right, but not the obligation, to cure any default by YMCA under any mortgage, deed of trust, or other security instrument encumbering the leasehold interest or Premises. The CITY may exercise this right to cure within thirty (30) days after receiving notice of default, or prior to the expiration of the mortgagee's applicable cure period, whichever is later.

(G) **Condition of Mortgage; Lender Notice Covenant.** Any mortgage, deed of trust, or security instrument placed upon the leasehold interest shall expressly require the mortgagee/lender to deliver a duplicate copy of any notice of default or notice of acceleration directly to the CITY simultaneously with its delivery to YMCA. Any leasehold mortgage that fails to include or provide for this direct notice requirement shall be deemed an unauthorized encumbrance and a material default of this Lease Agreement.

SECTION 11 .LOSS OR DESTRUCTION OF YMCA RECREATIONAL FACILITY. If the YMCA Recreational Facility becomes, as a practical matter, totally untenantable after a casualty loss such as fire, storm, explosion, earthquake, or other casualty loss, this Lease Agreement shall be at an end from such time, except for the purpose of enforcing rights and obligations that may have then accrued under this Lease Agreement, including but not limited to, the payment of insurance claims, indemnity, and any remaining rental credit. The rental shall then be accounted for between the City and YMCA up to the time of such loss or destruction of the YMCA Recreational Facility, YMCA paying up to such date and the City crediting to YMCA the rents collected beyond such date, if any. Should only a part of the YMCA Recreational Facility be rendered untenantable, the rental minus any rental credit shall abate in the proportion which the injured bears to the whole YMCA Recreational Facility, and such part so damaged shall be restored by the

YMCA , at YMCA's sole cost and expense, as speedily as practicable, after which the full rent minus any rental credit shall recommence and the Lease Agreement shall continue according to its terms.

SECTION 12 .AS-IS CONDITION. YMCA, being the occupant of the Property pursuant to this Lease, acknowledges that it will accept and occupy the Property under this Lease Agreement in "AS IS" condition as the Property exists on the date of this Lease Agreement, and that CITY shall have no obligation to improve, repair or prepare the Property, prior to the Commencement Date or, except as otherwise expressly set forth in this Lease Agreement, after the Commencement Date, for occupancy by YMCA under this Lease Agreement. YMCA ACKNOWLEDGES THAT EXCEPT AS EXPRESSLY SET FORTH IN THIS LEASE, NEITHER CITY NOR ANY AGENT OF CITY HAS MADE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRESENT OR FUTURE SUITABILITY OF THE PROPERTY FOR THE CONDUCT OF YMCA USES THEREON.

SECTION 13. DISCLAIMER OF THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof to or for the benefit of any third party not a formal party hereto. The obligations of the YMCA shall not be obligations of CITY and the YMCA shall ensure that no liens, of any type or nature whatsoever, are placed upon the property.

SECTION 14. CITY'S RIGHT TO STRICTLY ENFORCE. Any law, usage or custom to the contrary notwithstanding, CITY shall have the right at all times to enforce all terms, conditions and covenants hereof in strict accordance herewith, notwithstanding any conduct or custom on the part of the CITY in refraining from so doing at any time or times. Further, the failure of CITY at any time or times to enforce its rights hereunder strictly in accordance with the same shall not be construed as having created a custom in any way or manner contrary to any specific term, condition or covenant hereof, or as having in any way or manner modified the same.

SECTION 15. NOTICES.

(A) Any notice required or allowed to be delivered hereunder shall be in writing and be deemed to be delivered when either (1) hand delivered to the official hereinafter designated, or (2) upon receipt of

such notice when deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to a party at the address set forth opposite the party's name below, or at such other address as the party shall specify by written notice to the other party delivered in accordance with.

YMCA: Volusia/Flagler Family Young Men's
Christina Association, Inc.
Attn: Christopher J. Seilkop, President & CEO
Address: 761 E International Speedway Blvd
Deland, FL 32724

CITY: City of Palm Coast
Attn. City Manager
160 Lake Avenue
Palm Coast, Florida 32164

(B) The parties may change the person or notice address for the provisions of this section by providing notice of same as set forth in this Agreement.

SECTION 16. RECORDATION. This lease shall not be recorded by YMCA without the consent of the CITY.

SECTION 17. WASTE. YMCA agrees to commit or suffer no act that would result in damage to or waste of the Property.

SECTION 18. SEVERABILITY. If any part of this Agreement is found invalid or unenforceable by any court, such invalidity or unenforceability shall not affect the other parts of the Agreement if the rights and obligations of the Parties contained therein are not materially prejudiced and if the intentions of the Parties can continue to be affected. To that end, the terms of this Agreement are declared severable.

SECTION 19. PARTIES NOT PARTNERS. It is expressly understood that neither the CITY nor YMCA shall be construed or held to be a partner or associate of the other in the conduct of their respective business. The relationship between the Parties hereto is and shall remain at all times that of Landlord and tenant.

SECTION 20. **INDEMNIFICATION.**

(A) YMCA shall indemnify, hold harmless, and defend the CITY, from and against any and all claims, damages, losses, and expenses including, but not limited to, attorney's fees, arising out of or resulting from the performance or provision for services required under this Agreement, including damage to persons or property, provided that same is caused in whole or part by the error, omission, negligent act,

failure to act, malfeasance, misfeasance, conduct, or misconduct of YMCA, its agents, servants, officers, officials, employees, or subcontractors.

(B) Nothing herein shall be deemed to affect the rights, privileges, and immunities of the CITY as set forth in Section 768.28, Florida Statues.

(C) In claims against any person or entity indemnified under this Section by an employee of the YMCA or its agents or subcontractors, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Section shall not be limited by a limitation on amount or type of damages, compensation, or benefits payable by or for the YMCA or its agents or subcontractors, under Workers Compensation acts, disability benefits acts, or other employee benefit acts.

(D) The execution of this Agreement by the YMCA shall obligate the YMCA to comply with the indemnification provision in this Agreement, however, the YMCA must also comply with the provisions of this Agreement relating to insurance coverages.

SECTION 21. INSURANCE. Without limiting any of the other obligations or liabilities of YMCA, YMCA shall provide, pay for, and maintain in force, throughout the term of this Lease Agreement, the insurance coverages set forth in this Section:

(A) COMPREHENSIVE. YMCA shall maintain Commercial General Liability insurance with limits of not less than $1,000,000 per occurrence and $3,000,000 in the aggregate, together with $1,000,000 in Excess (Umbrella) Liability insurance over and above the underlying general liability limits.

(B) ADDITIONAL INSURED. The policy(ies) shall name the CITY as an additional insured, and shall contain a clause that the insurer will not cancel or change the insurance without first giving the CITY thirty (30) days prior written notice, except for nonpayment of premium which, by law, is ten (10) days notice. The insurance shall be evidenced by a certificate in a form acceptable to the CITY, stating the amount of any "deductible" written by an insurance company with a minimum rating of A+, to the CITY and a copy of the policy or certificate of insurance shall be delivered to the CITY prior to the commencement of this Restated Lease Agreement.

(C) FAILURE TO PROCURE. In the event YMCA fails to procure the insurance required herein, the CITY may, but shall be under no obligation to, procure insurance in which event YMCA agrees to pay the CITY, in addition to rent, the amount of the premium on the first day of the month following the month in which the CITY notifies YMCA of the amount of the premium due.

SECTION 22. **APPLICABLE LAW.**

(A) This Agreement and the provisions contained herein shall be construed, controlled and interpreted according to the law of the State of Florida. In any action or proceeding required to enforce or interpret the terms of this Agreement, venue shall be of the Seventh Judicial Circuit in and for Flagler County, Florida, or the Middle District of Florida in Orlando, FL., if in federal court.

(B) Time is of the essence in the performance of this Agreement.

SECTION 23. NONDISCRIMINATION. The YMCA agrees that it will not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, national origin or disability and will take affirmative steps to ensure that applicants are employed and employees are treated during employment without regard to race, color, religion, sex, age, national origin or disability. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment advertising; layoff or termination; rates of pay or their forms or compensation; and selection for training, including apprenticeship. The YMCA, moreover, shall comply with all the requirements as imposed by the Americans with Disability Act, the regulations of the Federal government issued thereunder, and any and all requirements of State law related thereto.

SECTION 24. FURTHER DOCUMENTS. Each of the Parties hereto hereby agree that they will execute and deliver such further instruments and do such further acts and things as may be necessary or desirable to carry out the purpose of this Agreement.

SECTION 25. FAILURE TO ENFORCE NOT WAIVER OF RIGHT. Failure by CITY to enforce any provision contained herein shall not be deemed a waiver of the right to do so thereafter as to the same breach or as to any breach occurring prior or subsequent thereto.

SECTION 26. FORCE MAJEURE. The CITY's obligations hereunder shall be subject to the concept of force majeure. Accordingly, in the event of Acts of God, riot, weather disturbances, permitting, war, terrorism, civil disobedience, geologic subsidence, electrical failure, malfunctions, and events of a similar nature, the CITY shall be excused from providing continual utility service until the cause or causes thereof have been remedied.

SECTION 27. HEADINGS/CAPTIONS. Section headings and other captions contained in this Agreement are for reference purposes only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement, or any provision hereto.

SECTION 28. INTERPRETATION. The CITY and the YMCA agree that all words, terms and conditions contained herein are to be read in concert, each with the other, and that a provision contained under one (1) heading may be considered to be equally applicable under another in the interpretation of this Agreement. This Agreement shall not be construed more strictly against either party on the basis of being the drafter thereof, and both Parties have contributed to the drafting of this Agreement.

SECTION 29. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each which shall be deemed an original, but all of which, taken together, shall constitute one (1) and the same document.

SECTION 30. ENTIRE AGREEMENT. This instrument constitutes the entire agreement between the Parties and supersedes all previous discussions, understandings, and agreements between Parties relating to the subject matter of this Agreement. This Agreement may not be amended, changed, or modified, and material provisions hereunder may not be waived, except by a written document, of equal dignity herewith, approved by the City Council of the CITY and the YMCA and executed by all Parties to this Agreement in a formal Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of the Effective Date.

Subject: RESOLUTION 2026-XX AMENDING POLICY RELATING TO THE STATE HOUSING INITIATIVE PARTNERSHIP PROGRAM LOCAL HOUSING ASSISTANCE PLAN PURCHASE ASSISTANCE PROGRAM FOR AFFORDABLE RENTAL DEVELOPMENT AND FIRST TIME HOMEBUYERS' DOWN PAYMENT ASSISTANCE.

Presenter: Joseph Hedgedus, Director Flagler County Health and Human Services and Jacqueline Gonzalez, Site Development Coordinator I

Attachments:

1. Presentation
2. Resolution
3. Draft LHAP

Background:

Florida Housing administers the State Housing Initiatives Partnership program (SHIP), which provides funds to local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing. The program is designed to serve very low, low, and moderate-income families. SHIP funds are distributed to all 67 counties and 55 cities in Florida. The minimum allocation is $350,000 per county. In order to participate, local governments must establish a local housing assistance program and a local housing assistance plan (LHAP).

Flagler County Administers SHIP, in partnership with City. This Interlocal Agreement guides the relationship. SHIP statute allows funding of variety activities aimed at preserving and increasing the availability of affordable housing opportunities Activities must align with Rule 67-37 F.A.C. including income eligibility, affordability periods, & monitoring requirements.

The proposed amendment would allow the City to use SHIP funds to:

1. Support the development or preservation of affordable rental housing for eligible households; and
2. Provide down payment and closing-cost assistance to eligible first-time homebuyers.

These changes are intended to provide the City with greater flexibility in addressing local affordable housing needs while maintaining compliance with SHIP requirements.

The proposed amendment will help expand affordable housing opportunities, support homeownership, and provide additional resources for eligible Palm Coast residents

Recommended Action:
PLANNING STAFF RECOMMEND TO CITY COUNCIL THE APPROVAL OF RESOLUTION 2026-XX AMENDING POLICY RELATING TO THE STATE HOUSING ITITNATIVE PARTNERSHIP PROGRAM LOCAL HOUSING ASSISTANCE PLAN.

Local Housing Assistance Plan

Proposed LHAP Amendments

1. Affordable Rental Development Program
2. Purchase Assistance Program

Required Amendment

1. Manufactured Housing (Mobile Homes)

Flagler County Health & Human Services Division
City of Palm Coast Community Development

Local Housing Assistance Plan

Purpose

Review the proposed amendments to the Local Housing Assistance Plan (LHAP)

- Outline amendments
- Summarize statutory requirements and SHIP compliance
- Present draft language and recommended implementation
- Gather direction and feedback from Council

Local Housing Assistance Plan

Background: SHIP & LHAP Requirements

- Flagler County Administers SHIP, in partnership with City.
- ILA guides the relationship.
- SHIP statute allows funding of variety activities aimed at preserving and increasing the availability of affordable housing opportunities
- Allowable activities includes funding affordable rental development and down payment assistance programs.
  - Activities must align with Rule 67-37 F.A.C.
  - Includes income eligibility, affordability periods, & monitoring requirements

LHAP Amendment 1: Affordable Rental Development

- Increasing demand for affordable units across Palm Coast & Flagler County
  - Existing LHAP strategies focus primarily on homeownership
  - Rental opportunities expand access for various demographic groups
  - Supports long-term economic stability and community workforce housing needs
  - Provides an opportunity for local matching funds not drawn from General Fund at County/City

Local Housing Assistance Plan

Current Local Context

- The prior Flagler LHAP included rental development strategies for FY 2022–2025
- Recent SHIP-supported rental initiatives include Phoenix Crossings
- Addition in 2026-28 LHAP ensures alignment with AHAC recommendations around increasing funding opportunities.

Local Housing Assistance Plan

Current Local Context cont.

Countywide Data

- 29 subsidized housing units per 10K people in Flagler County, or 407 total.

  (*US Department of Housing and Urban Development; Office of Policy Development and Research - 2025)

- 10.3% of County residents (~12,900) live below poverty level - $15,960/yr.

  (*US Census Bureau; American Community Survey (ACS) – 2020-24

- 1000 SSI+ recipients in Flagler

  ($994 indiv. Or $1492/couple monthly income – 65+, blind, or qualifying disability, w/ limited resources under $3000).

Local Housing Assistance Plan

Current Local Context cont.

Countywide Affordable Housing

Flagler Unincorporated -- 0 deed restricted, affordable units

Palm Coast –TBD Aff. Units, waitlists status, vacancy rate

Bunnell – Flagler Housing Authority

- 142 applicants on public housing waiting list (132 units).
- Annual attrition rate is 11%.

- 323 applicants on our HCV waiting list (360 vouchers allocated, scattered site throughout county).
- Annual attrition rate is 10%.

Flagler Beach – TBD Units, waitlists status, vacancy rate

Local Housing Assistance Plan

Proposed LHAP Amendment 1 - Summary*

Add Affordable Rental Development as an allowable activity

- Authorize SHIP funds for new construction, rehabilitation, and infrastructure
- Units must serve households at ≤80% AMI and comply with rent limits
- Require competitive solicitation (NOFA/RFP). All projects will need to meet local land zoning, permitting approvals and development codes.
- Includes compliance elements, monitoring requirements and affordability period of 15–30 years depending on investment.

*see attached Draft LHAP with redline Amendments

Local Housing Assistance Plan

Ongoing: Compliance & Monitoring

- Annual recertification of tenants
  - Rent limits tied to HUD income data
  - Recorded land-use or affordability restrictions
  - First right of refusal for nonprofits if sold w/in affordability period

Local Housing Assistance Plan

Funding Source & Considerations

- SHIP allocations vary by fiscal year
  - Project awards typically capped (e.g., $200k–$250K)
  - Funding is limited to ≤25% of SHIP year allocation, unless amended by statute
  - Supports layered financing required by larger projects via local match funding, making proposals more competitive to state and federal funders

Local Housing Assistance Plan

Proposed LHAP Amendment 2: Purchase Assistance Program

Purchase Assistance Program was revised in the 2026-28 LHAP, narrowing eligible applicants and adding stricter shared equity and resale component.

- Propose returning Purchase Assistance LHAP strategy to prior scope, broadening eligible populations while still allowing prioritizing populations of first responders/public employees.
- Propose removing the recently added Shared Equity and Resale components in current LHAP, due to burden on owner and SHIP.

Local Housing Assistance Plan

Proposed LHAP Amendment 2 - Summary*

- Purchase Assistance Program
  - Funds down payment, closing costs, repairs, and gap financing to first-time homebuyers to purchase a newly constructed or existing home in Flagler County.
  - Eligible repairs are those needed to make the home habitable, improve safety or accessibility.
  - Pre-purchase education and post-purchase counseling are mandatory to support informed and sustainable homeownership.
- Adjustments
  - Remove restriction of only first responder/public employees, creating difficulty meeting required income and special needs groups served (VLI,LI, Mod., disabled)
  - Requires pursuing shared equity and resale restrictions for 3 months, then reverts to standard early sale covenants - loan repayment based on years remaining
  - Slight reduction in maximum award amounts, to reflect best practice and market.

*see attached Draft LHAP

Local Housing Assistance Plan

Ongoing: Compliance & Monitoring

- Regular Lien monitoring conducted by County staff
  - –Recorded land-use for affordability restrictions
  - –First right of refusal if sold in affordability period

Local Housing Assistance Plan

Funding Source & Considerations

- SHIP allocations vary by fiscal year
  - Project awards capped ($110K - $80K Purchase + $30K Rehab)
  - Allows up to 75% of SHIP allocation on construction-related activities (rehabilitation, new construction, and emergency repairs).

Local Housing Assistance Plan

Required LHAP Amendment 1 - Summary*

Florida Senate Bill 594 requires including specific strategies addressing manufactured and mobile homes, allowing use of SHIP funds for:

- Relocation Assistance: for owners and tenants evicted due to mobile home park closures.
- Lot rent assistance: for manufactured home owner, paid to lot/landlord, capped at a maximum of six months.
- Rehabilitation and emergency repairs: like home rehabilitation program.
- Removal of the 20% cap that previously restricted how much SHIP funding local governments could allocate toward manufactured housing.

*see attached Draft LHAP with redline Amendments

RESOLUTION 2026-___
GRANT AGREEMENT

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING AMENDING THE LOCAL HOUSING ASSISTANCE PLAN (LHAP) FOR 2026-2028; DIRECTING THE SUBMISSION OF THE LHAP AMENDMENTS TO THE FLORIDA HOUSING FINANCE CORPORATION; AUTHORIZING THE CITY MANAGER, OR DESIGNEE TO EXECUTE THE NECESSARY DOCUMENTS AND CERTIFICATIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the State of Florida enacted the William E. Sadowski Affordable Housing Act, Chapter 92-317 of the Florida Sessions Laws (the "Act"), allocating a portion of documentary stamp taxes on deeds to local governments for the development and maintenance of affordable housing; and

WHEREAS, Sections 420.907 through 420.9079, Florida Statutes, the State Housing Initiatives Partnership ("SHIP") Act; and Chapter 67-37, Florida Administrative Code, require local governments to develop a one- to three-year Local Housing Assistance Plan ("LHAP") outlining how the funds from the Act will be used; and

WHEREAS, in furtherance of the State's objectives, Flagler County and the City of Palm Coast entered into an Inter Local Agreement (ILA) for the Joint Local Housing Assistance Program on April 7, 2009, establishing collaborative roles and responsibilities among participating entities for the provision, management, and funding of eligible housing activities; and

WHEREAS, the ILA was amended on February 9, 2026, further clarifying aspects updating the LHAP, as well as appointments to and oversight of the Affordable Housing Advisory Committee (AHAC) and Community Development Block Grant (CDBG) Committee Citizen Advisory Task Force; and

WHEREAS, in accordance with the SHIP statute and the ILA, the County serve as the lead agency for the development, implementation, monitoring, and periodic amendment of the Local Housing Assistance Plan ("LHAP"); and

WHEREAS, on July 15, 2025, the Palm Coast City Council adopted Resolution 2025-96 approving the Flagler County LHAP for 2026-2028; and subsequently on August

4, 2025, the Flagler County Board of County Commissioners (the "Board") adopted Resolution 2025-64 approving the County's LHAP for 2026-2028; and

WHEREAS, the Board now desires to amend the previously approved LHAP 2026-2028.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, AS FOLLOWS:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The above recitals (whereas clauses) are hereby adopted as the findings of the City Council of the City of Palm Coast.

SECTION 2. LHAP AMENDMENTS. The City Council of the City of Palm Coast hereby approves the amended LHAP 2026-2028 as shown in strike-though (deletions) and underline (additions) in the document titled "Flagler Palm Coast 2026-28 LHAP Rent Dev, Purchase Asst. and Manufactured Housing Amnd.", attached to and made a part of this Resolution. Except as amended herein, all other provisions of the LHAP 2026-2028 remain in full force and effect.

SECTION 3. AUTHORIZATION TO SUBMIT. Per the ILA, the Flagler County Housing Services Program Manager, or designee, is directed to submit this Resolution and its attachment to the Florida Housing Finance Corporation as required by State Law.

SECTION 4. SEVERABILITY. It is hereby declared to be the intention of the City Council of the City of Palm Coast that the sections, paragraphs, sentences, clauses and phrases of this Resolution are severable, and if any phrase, clause, sentence, paragraph or section of this Resolution shall be declared unconstitutional by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Resolution.

SECTION 5. CONFLICTS. All resolutions or parts of resolutions in conflict with this Resolution are hereby repealed.

SECTION 6. IMPLEMENTING ACTIONS. The City of Palm Coast City Manager is hereby authorized to execute any documents and certifications required by the Florida Housing Finance Corporation related to this LHAP amendment.

SECTION 7. EFFECTIVE DATE. This Resolution shall become effective immediately upon adoption.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on the 20th day of October 2026.

I. PROGRAM DETAILS

A. **LG(s)**

Name of Local Government	Flagler County Board of County Commissioners
Does this LHAP contain an interlocal agreement?	Yes
If yes, name of other local government(s)	Palm Coast City Council

B. **Purpose of the program:**

- To meet the housing needs of the very low, low and moderate-income households;
- To expand production of and preserve affordable housing; and
- To further the housing element of the local government comprehensive plan specific to affordable housing.

C. **Fiscal years covered by the Plan:** 2025-2026, 2026-2027, 2027-2028

D. **Governance:** The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

E. **Local Housing Partnership:** Flagler County promotes a Local Housing Partnership by coordinating efforts between government entities, lending institutions, builders and developers, nonprofit and community-based housing providers, professional service providers, advocates for low-income households, real estate professionals, service organizations, and the lead agency of the local Continuum of Care.

Through its SHIP Program activities, Flagler County engages these partners to increase affordable housing opportunities, deliver supportive services, provide homebuyer education, expand financing access, and preserve long-term housing stability for income-eligible residents.

H. **Leveraging:** Flagler County increases the availability of affordable housing by combining local resources, cost-saving measures, and outside funding sources within a coordinated Local Housing Partnership. SHIP funds are used to leverage and supplement other Florida Housing Finance Corporation programs, serve as match for federal and state housing grants, and strengthen local housing initiatives.

The County actively pursues grants such as the Hurricane Loss Mitigation Program (HLMP) to improve the resilience of the local housing stock and often combines SHIP and HLMP funds to complete rehabilitation and storm hardening for eligible households. Additionally, Flagler County collaborates with the City of Palm Coast to streamline project delivery for home purchase and rehabilitation activities requiring both SHIP and city-administered funding sources, such as the Community Development Block Grant (CDBG).

These combined efforts enhance the effectiveness of local affordable housing strategies and maximize the impact of available resources.

I. **Public Input**: Flagler County solicited public input in the development of the Local Housing Assistance Plan through a combination of public engagement, stakeholder outreach, and online posting. A public survey and the draft LHAP were made available through the County website. Input was solicited at outreach events such as the April Housing Fair and the Spring Fling social services event.

Stakeholder feedback was also sought from organizations including the Housing Authority, Habitat for Humanity, St. Johns Housing Partnership, Mid Florida Housing Partnership, and internal partners such as Flagler County Emergency Management, Human Services, and Administrative Services staff and City of Palm Coast Community Development Staff.

The draft LHAP will be presented at a publicly noticed Palm Coast City Council meeting and subsequently at a publicly noticed Board of County Commissioners meeting, providing multiple opportunities for public comment prior to final adoption.

J. **Advertising and Outreach:** Flagler County advertises the availability of SHIP funds through a notice published in a newspaper of general circulation, such as the Palm Coast Observer, at least 30 days prior to the beginning of the application period. In addition, public news releases are issued through local media outlets, and updates are provided at public meetings, including Affordable Housing Advisory Committee (AHAC) meetings and Board of County Commissioners meetings.

If funding is unavailable due to an active waiting list, no notice of funding availability will be required in accordance with SHIP program rules.

K. **Waiting List/Priorities:** A waiting list will be maintained for applicants who submit complete applications and appear likely to meet eligibility requirements based on the information provided. Applications are accepted year-round for most strategies. For Purchase Assistance, the waitlist may be closed when ten or more potentially eligible applications are received. Applicants will be notified of their status and placed on the waiting list in the order their completed application was received, along with any applicable funding priorities outlined in this plan.

The following priorities for funding (very low income, Special Needs, etc.) described/listed here apply to all strategies unless otherwise stated in an individual strategy in Section II:

a. **Priority Level 1:** Very Low-Income households with Special Needs
b. **Priority Level 2:** Low Income households with Special Needs
c. **Priority Level 3:** Very Low-Income households
d. **Priority Level 4:** Low Income households employed in Essential Services
e. **Priority Level 5:** Low Income households
f. **Priority Level 6:** Moderate Income households with Special Needs
g. **Priority Level 7:** All other eligible households

For Shared Equity Purchase Assistance strategy, funds will only be awarded to essential service personnel and applicants converting Housing Choice vouchers to homeownership.

Applicants will be served in order of priority, beginning with the earliest application in the highest priority level.

Priority Override for Emergency Conditions
Flagler County Housing Services may override the priority order only in rare and critical cases where a condition poses an imminent and severe threat to life, health, or safety, or where failure to act would result in immediate loss of housing.

Examples of qualifying emergency conditions include (but are not limited to):

- Severe roof failure causing structural instability, ceiling collapse, or active water intrusion affecting electrical systems.
- Electrical panel failure creating a verified fire hazard (as confirmed by a licensed professional).
- Septic or plumbing failure that renders the home uninhabitable (e.g., complete loss of water, sewage backflow).
- Code violations or condemnation notices requiring immediate correction to prevent displacement.
- Court-ordered eviction or relocation due to an unsafe condition within the home.
- Inability to return home from medical rehabilitation due to the condition of the home, including inaccessible entryways, bathrooms, or other hazards that prevent safe mobility or care.

Inoperable HVAC units or roof leaks, while serious, do not qualify for override unless they pose an immediate and documented threat to safety or habitability.

This provision ensures Housing Services can respond swiftly to urgent situations while preserving fairness for households already awaiting assistance for serious—but non-emergency—needs.

L. **Discrimination:** In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate based on race, color, religion, sex, national origin, age, handicap, or marital status in the award application process for eligible housing. Flagler County Ordinance 90-11 establishes a policy to ensure equal opportunity to obtain adequate housing regardless of race, color, religion, ancestry, sex, age, familial status, disability, or national origin.

M. **Support Services and Counseling:** Flagler County will be issuing Requests for Proposals through its OpenGov.com portal for homeownership support to include credit counseling, pre-and -post purchase counseling, and foreclosure prevention counseling and. The Flagler County Extension Office provides First Time Homebuyer classes in English and Spanish.

N. **Purchase Price Limits:** The sales price of new and existing units, which can be lower but may not exceed 90% of the average area purchase price established by the U.S. Treasury.

The methodology used is:

U.S. Treasury Department	x
Local HFA Numbers	

O. **Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at www.floridahousing.org.

"Affordable" means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

P. **Welfare Transition Program:** Should an eligible sponsor be utilized, Flagler County will apply a qualification and selection system that includes a preference for eligible sponsors employing personnel from the Welfare Transition Program (WTP). Sponsors demonstrating WTP employment will receive priority consideration during the selection process through either bonus scoring or tie-breaker advantage, as outlined in application materials. Documentation verifying WTP employment will be required at the time of application.

Q. **Monitoring and First Right of Refusal:** In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of $10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance whichever is longer unless as specified above. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

R. **Administrative Budget:** A line-item budget is attached as Exhibit A. The city/county finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the local housing assistance plan.

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states: *"A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan."*

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states: "*The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to $350,000 may use up to 10 percent of program income for administrative costs." The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E.*

S. **Program Administration:** Administration of the local housing assistance plan will be

performed by:

Entity	Duties	Admin. Fee Percentage
Local Government	Flagler County administers all aspects of SHIP funding.	10%

T. **First-time Homebuyer Definition:** An individual shall be considered a first-time homebuyer if they meet any of the following criteria:
   a. Has not owned a principal residence during the 3 years preceding the date of purchase. If married, this applies to both spouses.
   b. Is a single parent who only owned a home jointly with a former spouse.
   c. Is a displaced homemaker who only owned a home jointly with a spouse.
   d. Has only owned a principal residence that is considered substandard housing, including but not limited to units that:
      i. Were not permanently affixed to a permanent foundation; or
      ii. Did not meet applicable building codes and could not be brought into compliance for less than the cost of constructing a new permanent structure.
      iii. Ownership of a mobile or manufactured home constructed prior to June 15, 1994, shall be considered ownership of substandard housing for the purpose of first-time homebuyer eligibility.
   e. **Rental and Investment Property Exclusion:**
   Ownership of rental or investment property within the past 3 years disqualifies an applicant, unless:
      i. The property is heirs' property or was inherited and is located more than 50 miles from the applicant's current residence in Flagler County; and
      ii. The applicant cannot occupy, maintain or liquidate the subject property.

   Documentation is required for all exceptions, and final eligibility is subject to program approval.

U. **Project Delivery Costs:** Project delivery costs shall not exceed 5 percent of the award for expenses not covered by the administrative budget to include home inspections, cost estimation, contractor walk-throughs, change-order reviews, and final inspections, homeowner education, and recording fees for owner occupied rehab..

V. **Essential Service Personnel Definition (ESP):** Essential Services Personnel (ESP) includes individuals who are regular, permanent employees working in Flagler County in the following sectors**:**
   a. Public, charter, or private school employees
   b. First responders, including law enforcement, fire rescue, and emergency medical personnel
   c. Health care providers and behavioral health professionals
   d. Community and social services personnel employed by nonprofit or government organizations who support the delivery of services to individuals or families.
   e. Laborers and building trades professionals
   f. Public infrastructure and environmental services employees, including those working in water, sewer, sanitation, roads, or vector control.

W. **Describe efforts to incorporate Green Building and Energy Saving products and processes:** Flagler County encourages the integration of sustainable, storm-resistant, and energy-efficient practices in rehabilitation projects to support long-term affordability, resilience, and environmental sustainability. Where feasible and practical, the County incorporates measures such as:

1. Use of environmentally friendly materials, including low or no-VOC products.
2. Installation of water-saving fixtures and appliances that meet recognized efficiency standards, such as WaterSense or similar.
3. Selection of energy-efficient systems, appliances, and lighting, such as Energy Star-rated products.
4. Improvement of insulation, ventilation, and sealing to enhance energy efficiency and indoor air quality.
5. Incorporation of accessibility features that support aging-in-place, including comfort-height toilets and walk-in showers.
6. Reinforcement of structural elements, such as roof-to-wall connections, to improve storm resistance.

Specifications are developed with qualified professionals to meet industry standards and project needs. A blower door test is conducted for all whole-home rehabilitations by a third-party consultant to identify air leakage and guide energy efficiency improvements in the scope of work.

X. **Describe efforts to meet the 20% Special Needs set-aside:** Flagler County prioritizes Special Needs households across its SHIP programs through identification at intake and funding flexibility within existing strategies.

Special Needs households are served under the Owner-Occupied Rehabilitation strategy through both grant-funded Tier 1 accessibility modifications (up to $15,000) and broader rehabilitation projects when eligible. In addition, Flagler County targets Special Needs voucher holders through the Voucher Deposit Assistance Program and the Voucher Conversion Homeownership initiative.

These efforts ensure that at least 20% of SHIP funds benefit Special Needs households annually, consistent with statutory requirements.

Y. **Describe efforts to reduce homelessness:** Flagler County reduces the risk of homelessness through a combination of housing stabilization, emergency assistance, and supportive services. The County's rehabilitation programs address critical repairs needed to maintain insurance coverage and safe occupancy, preventing financial strain and potential foreclosure for low- and moderate-income homeowners.

In addition, the Human Services Division provides emergency housing assistance to asset-limited households experiencing temporary financial hardship, helping them remain housed during periods of instability. Through the Indigent Health Care program, the County provides medical assistance to uninsured residents, helping individuals recover from illness or injury, maintain employment or access disability benefits, and avoid housing instability.

These combined efforts reduce pathways into homelessness and strengthen the County's overall housing security framework.

II. HOUSING STRATEGIES

A. Nonprofit-Built Homes – Homebuyer Assistance	Code 2

Summary: This strategy provides subordinate purchase assistance to first-time homebuyers purchasing a newly constructed home through a nonprofit affordable housing provider such as Habitat for Humanity or a Community Land Trust (CLT). Assistance is provided for down payment, closing costs, and principal reduction to support an affordable first mortgage. Homes must have received a Certificate of Occupancy within the past 12 months.

b. **Fiscal Years Covered:** 2025-2026, 2026-2027, 2027-2028

c. **Income Categories to be served:** Very low and low

d. **Maximum award:**

Very Low: $90,000
Low: $60,000

e. **Terms:**

1. Repayment loan/deferred loan/grant: Deferred loan secured by a note and mortgage.
2. Interest Rate: 0%
3. Years in loan term: 15 years
4. Forgiveness: The loan is forgiven at 10% per year, beginning in year six, through year fifteen (100% forgiveness at year 15).
5. Repayment: none required if the loan is in good standing.
6. Default: In the event of default, the outstanding balance becomes immediately due and payable. The loan will be in default if any of the following occur:

    a. Sale, transfer, or conveyance of the property without County approval.
    b. Foreclosure by a superior mortgage holder.
    c. Conversion of the property to rental.
    d. Loss of homestead exemption status or failure to occupy as a primary residence.

Heir Provisions: If the qualifying homeowner dies during the loan term, the loan may be assumed by an heir who is SHIP-eligible and agrees to occupy the home as their primary residence. The heir must apply within twelve (12) months of the homeowner's death. If no qualifying heir applies, or if eligibility requirements are not met, the full outstanding balance will be due.
Foreclosure: if the property is foreclosed upon by a superior mortgage holder, the County may pursue legal action to recover funds if financially feasible. The County reserves the right to acquire the property at a foreclosure or tax sale to protect the SHIP loan interest.

Refinancing: Permitted only to reduce the interest rate, lower the monthly payment,

or shorten the loan payoff period. Cash-out refinancing, including for home improvements, is not permitted.

f. **Recipient/Tenant Selection Criteria:** All applicants must be first-time home buyers as defined in this plan:

1. Homebuyer Readiness:

   a. Must complete a HUD-certified first-time home buyer course or applicable Community Land Trust homebuyer course.
   b. Must engage in credit counseling with a HUD-Certified housing counseling agency.
   c. Must engage in post-purchase counseling with a HUD-Certified housing counseling agency.
   d. Must provide proof of acceptance into a housing program such as Flagler Habitat for Humanity or another nonprofit organization, such as a Community Land Trust.

g. **Sponsor Selection Criteria**: N/A

h. **Additional Information**

1. **Allowable Home Purchases:** *Owner Occupancy Requirement:* The home must be purchased solely for owner occupancy, and the homeowner must obtain a homestead exemption on the property.
   a. Affordability Provision: The affordable housing agency must ensure that the home remains affordable for a minimum of 15 years through program-enforceable requirements (e.g., mortgage terms, resale restrictions)

2. **Coordination with the City of Palm Coast:** While applicants may initially apply through either the County's SHIP program or the City of Palm Coast's CDBG program, eligibility information gathered in one program may be used to assist in verifying eligibility for the other. This allows for streamlined applicant processing but does not imply automatic eligibility or approval under both programs. SHIP eligibility will be verified by the County.

3. **Subordination:** will only be approved when it aligns with the County's affordability goals and protects the public investment. Flagler County will consider subordination of SHIP loans when it is necessary to support other federal or state affordable housing loan programs that:
   a. Require a higher lien position for program compliance,
   b. Provide critical assistance to very low- to moderate-income homebuyers; or
   c. Bridge affordability gaps, even if the other program provides a smaller financial contribution.

4. **Transfer and Repayment Provisions (in Deed-Back Scenarios):** If the property is deeded back to the affordable housing developer or sponsor, the following provisions apply:
   a. **For community Land Trusts (CLTS) (in Deed-Back or Resale Scenarios)**:

- The SHIP mortgage may be transferred to the subsequent SHIP-eligible buyer without repayment, provided that the CLT or shared equity model imposes permanent resale restrictions that maintain affordability.

b. **For other nonprofit developers (e.g., Habitat for Humanity, CHDOs):**
   1. If the home is deeded back to the provider for resale, repayment may be waived at the County's discretion only if:
   - The subsequent buyer is SHIP-eligible
   - A new SHIP mortgage is recorded, and
   - The County is notified and approves the transfer prior to the sale

B. Purchase Assistance, with or without Rehabilitation	Code 1, 2

Summary: Funds will be awarded for down payment, closing costs, repairs, and gap financing to first-time homebuyers to purchase a newly constructed or existing home in Flagler County, including homes purchased from a Community Land Trust (CLT). A newly constructed home must have received a Certificate of Occupancy within the last 12 months.

Eligible repairs are those needed to make existing homes habitable, improve safety or accessibility, correct building code violations, or prevent the imminent failure of a system or structure in the home because of its age, as identified by a home inspector. The number of repairs funded through this strategy are limited to amount available from the maximum award.

Pre-purchase education and post-purchase counseling are mandatory to support informed and sustainable homeownership. This strategy will prioritize eligibility, but not limit it to, first-time homebuyers qualified as essential services personnel as defined in this plan or eligible to convert Housing Choice Vouchers to homeownership.

b. **Fiscal Years Covered:** 2025-2026, 2026-2027, 2027-2028

c. **Income Categories to be served**: Very low, low and moderate

d. **Maximum award:** $110,000

Very Low: $80,000, plus up to $30,000 in rehabilitation
Low: $60,000, plus up to $30,000 in rehabilitation
Moderate: $30,000, plus up to $20,000

e. **Terms:**
1. Repayment loan/deferred loan/grant: Deferred loan secured by a recorded mortgage and note.
2. Interest Rate: 0%
3. Years in loan term: 15 years
4. Forgiveness: The loan is forgiven at 10% per year beginning in year 6.

5. Repayment: None if the loan is in good standing.
6. Default: The loan will be in default if any of the following occur during the loan term and without prior written notice to and approval from Flagler County for:
   sale, transfer, foreclosure, or conveyance of property; conversion to a rental property; loss of homestead exemption status; or failure to occupy the home as primary residence.

   If any of these occur, the outstanding balance will be due and payable. In cases where the qualifying homeowner(s) die(s) during the loan term, the loan may be assumed by an heir who is SHIP-eligible under the state's maximum allowable income and who will occupy the home as a primary residence. If the legal heir does not complete a SHIP application with Flagler County within twelve months from the date of the qualifying homeowner's death, is not SHIP eligible or chooses not to occupy the home, the outstanding balance of the loan will be due and payable.

   If the home is foreclosed on by a superior mortgage holder, the County will try to recapture funds through the legal process if it determines adequate funds may be available to justify pursuing a recapture payment. Flagler County reserves the right to buy a property that has a SHIP mortgage at a foreclosure or tax lien sale to protect its loan interest.

   Upon default, the loan balance becomes immediately due and payable. The County shall recover the original SHIP subsidy and any excess net proceeds resulting from an unapproved sale above the allowable resale price.

f. **Recipient/Tenant Selection Criteria**:

All Applicants must:

- Be first-time homebuyers as defined in the LHAP
- Complete HUD-certified pre-purchase education and credit counseling
- Attend post-purchase counseling within 6 months of closing

g. **Sponsor Selection Criteria:** Not Applicable

h. **Additional Information:**

1. **SHIP Award:** Applicants must secure a first mortgage through an approved lender (no private owner or seller-financing). The SHIP loan will be awarded in the amount of subsidy required to allow the homebuyer to purchase an affordable home and correct any necessary deficiencies observed by the home inspection report. The maximum award will not be awarded in all cases.

2. **Mobile Homes:** Purchases of manufactured/mobile homes less than 5 years old on land to be owned, or currently owned, by the home buyer (assessed as real property) are eligible for assistance.

3. **Community Land Trusts:** This SHIP assistance is assumable to an income-eligible homebuyer. The terms of the Note and Mortgage shall allow subsequent purchasers to

assume the loan with approval by the CLT. Otherwise, no repayment will be required during the term of the loan, provided the loan remains in good standing. Please see Exhibit G for additional instructions and information for CLT purchases.

4. **Resale Restrictions:** Assisted homes/homeowners will first pursue resale to a SHIP-eligible buyer (in coordination with the SHIP program) at an affordable price, using a resale formula defined as the:
   a. Original purchase price plus three percent (3%) simple annual appreciation, calculated based on the number of full years completed from the date of closing to the date of resale.
   b. Upon sale to an eligible buyer, the amount eligible for assistance will be retained in the sales price of the home. Any amount above will be recaptured.

   If the SHIP assisted selling homeowner cannot secure an interested and SHIP-eligible buyer within 3 months of declaring to SHIP administrator pursuit of sale, resale to non-SHIP eligible buyers is allowed, consistent with remaining loan forgiveness and early repayment clauses.

5. **Deed Restriction Acknowledgment:** All participating buyers shall sign an acknowledgment at closing confirming they have received, reviewed, and understand the recorded deed restriction and resale provisions. A copy of the deed restriction must be provided and explained during pre-closing counseling.

6. **Sales Below Formula Price (Selling at a Loss):** If the home is sold for less than the original purchase price, the County may reduce the required subsidy transfer to a level proportionate to the original subsidy-to-purchase price ratio. Specifically, the maximum subsidy required to be transferred shall equal the resale price multiplied by the ratio of the original SHIP assistance to the original purchase price.

   Transferred Subsidy = (Resale Price) × (Original SHIP Assistance ÷ Original Purchase Price)

   This approach ensures the share of public investment remains proportionate to the home's current value. No additional reductions will be applied based on time. All adjustments must be documented and justified in the program file.

C. Owner Occupied Rehabilitation	Code 3

Summary: This strategy helps income-eligible, owner-occupied households in Flagler County with the rehabilitation of homes to improve safety, habitability, resilience, accessibility, and long-term housing preservation. Priority is given to critical health and safety issues, followed by major system failures, preventative repairs necessary to avoid further deterioration, and energy or storm resilience enhancements. Aesthetic improvements are not eligible unless directly tied to structural stability or program compliance.

a. **Fiscal Years Covered:** 2025-2026, 2026-2027, 2027-2028

b. **Income Categories to be served**: Very low and low

c. **Maximum award:** $90,000

d. **Terms:**

1. Repayment loan/deferred loan/grant:
    a. $0.00-$15,000: Grant
    b. $15,001-$90,000: Deferred loan secured by recorded mortgage and note

2. Interest Rate: 0%

3. Years in loan term:

    a. $0.00-$15,000: Grant (tier I)
    b. $15,001-$30,000: 5 Years (tier II)
    c. $30,001-$90,000: 15 Years (tier III)

4. Forgiveness:
    a. Grants are fully forgiven.
    b. 5-year loans are forgiven in full at the end of the term.
    c. 15-year loans are forgiven at 10% per year, beginning in Year 6.

5. Repayment: none required if loan is in good standing

6. Default: Loan is in default if any of the following occur during the term:
    a. Sale, transfer, or conveyance of property without County approval
    b. Foreclosure
    c. Conversion to rental use
    d. Loss of homestead exemption
    e. Failure to maintain primary residence

    Upon default, the outstanding balance is due and payable. If the homeowner dies during the term, the loan may be assumed by a SHIP-eligible heir who occupies the home as their primary residence and completes eligibility verification within 12 months. Otherwise, the full balance becomes due, and a Notice of Default will be recorded.

    Refinancing is only permitted to reduce monthly payments or interest rates, or to shorten the loan term. Cash-out refinancing is not permitted. The County may allow subordination or refinancing for critical home repairs that preserve habitability and affordability. The County reserves the right to deny requests that compromise affordability or increase foreclosure risk.

e. **Recipient/Tenant Selection Criteria:**

1. The property must be owner-occupied and homesteaded, as evidenced by a current homestead exemption.
2. Mortgage and property tax payments must be current at the time of application and

remain current throughout the rehabilitation process.

3. Eligible mobile homes must have been constructed after June 15, 1994, and be located on land owned by the applicant to qualify for lien-secured assistance.
4. All eligible mobile homes on owned real property will be processed as Tier 3 rehabilitation projects and must undergo a third-party inspection and formal scope of work development prior to award.
5. Households with open Home Equity Lines of Credit (HELOCs), reverse mortgages, unresolved title issues, or trust/LLC ownership lacking lien authority are ineligible.
6. Project delivery costs for inspection and scope development will be included in the total award amount.
7. Mobile homes determined by the third-party consultant to be structurally unsound, economically infeasible to repair within program limits, or otherwise unsuitable for long-term preservation may be deemed ineligible for lien-based assistance.
    a. However, where an immediate, narrowly defined life-safety or habitability issue exists (e.g., unsafe entry steps, failed HVAC), the County may approve Tier 1 grant-funded assistance for that limited repair if it aligns with SHIP goals.
    b. Eligible mobile homes located on leased land are not eligible for lien-based assistance and are limited to Tier 1 grant-funded repairs only.

f. **Sponsor Selection Criteria**: N/A

g. **Additional Information:** N/A

D. New Start Deposit Assistance Program	Code 23

Summary: This strategy provides financial assistance for security and utility deposits to help eligible renters secure stable housing. Assistance is available to:

- Individuals and families with a new Housing Choice Voucher.
- Households identified by Flagler County Human Services as at risk of homelessness.

This funding reduces upfront financial barriers, enabling qualified households to obtain and maintain affordable housing.

a. **Fiscal Years Covered:** 2025-2026, 2026-2027, 2027-2028

b. **Income Categories to be served**: Very low, low

c. **Maximum award:** $3,000

d. **Terms:**

1. Repayment loan/deferred loan/grant: Assistance will be provided on behalf of the applicant in the form of a grant.
2. Interest Rate: N/A
3. Years in loan term: N/A
4. Forgiveness: N/A
5. Repayment: N/A

6. Default: N/A

e. **Recipient/Tenant Selection Criteria:**

1. Applicants must either:
   a. Hold a new Housing Choice Voucher issued by the Flagler County Housing Authority, **or**
   b. Be identified by Flagler County Human Services as currently experiencing homelessness or at imminent risk of homelessness.
   c. Eligibility is determined by Flagler County Human Services' Emergency Assistance Program.
2. Referrals may come from the Flagler County Housing Authority or other community partners, but all intake, eligibility determination, and award processing will be conducted by Flagler County Human Services.
3. Primary applicant must possess a Florida State ID or Driver License
4. Assistance is provided on a first-qualified, first-served basis, subject to funding availability.

f. **Sponsor Selection Criteria:** N/A

g. **Additional Information:**

1. Eligible Expenses:
   a. Security Deposits
   b. Utility Deposits (only when paired with rental deposit assistance)
   c. Standalone Utility assistance is not eligible
2. One Time Assistance Limit:
   a. Assistance is limited to one-time use per household and may not be used for multiple relocations.
   b. Exceptions may be granted in cases of documented hardship, including:
      - No-fault eviction
      - Domestic violence
      - Uninhabitable living conditions
3. Housing Navigation and Habitability Standard:
   a. Applicants are responsible for locating their own unit within Flagler County.
   b. The unit must meet HUD Habitability Standards, Florida Minimum Housing Code, or applicable local standards as verified by Human Services.
   c. Unit must result in a legally binding lease agreement
   d. Unit cannot be rented from a family member

5. Limited Funding Availability:

Funding for all applicants under this strategy is restricted available funding not to exceed 25% of the fund year allocation.

E. Rental Development with Long Term Affordability	Code 14, 21

Summary: This strategy provides SHIP funds as a local contribution to an eligible sponsor/developer to build or rehabilitate rental units for households meeting income and rent limits with a long-term affordability requirement. Funds may be used for hard costs, gap financing, impact/permit fees benefiting eligible units, or other eligible development costs permitted under SHIP and FHFC programs. The strategy is designed to be leveraged with FHFC funding (e.g., LIHTC, SAIL, bonds) and to rely on FHFC monitoring where applicable.

a. **Fiscal Years Covered:** 2025-2026, 2026-2027, 2027-2028

b. **Income Categories to be served**: Very low, low

c. **Maximum award:** $25,000 per eligible unit; up to $350,000 per development

d. **Terms:**

1. Repayment loan/deferred loan/grant: Deferred loan secured by a recorded mortgage and note
2. Interest Rate: 0%
3. Years in loan term: 30 years
4. Forgiveness: None; Loan is satisfied at the end of the term
5. Repayment: Due upon non-compliance or sale/transfer in violation of Right of First Refusal (ROFR)/transfer provisions
6. Default: Sale/transfer without ROFR, failure to maintain restricted unit count, rent/income non-compliance, failure to complete within SHIP timelines
7. Completion: Project must be encumbered/expended within SHIP timelines and be placed in service within 24 months, with shovel-ready evidence (site control, approvals, financing path)
8. Affordability Covenant: The affordability covenant and SHIP loan obligations shall run with the land and bind all successors and assigns for the remaining affordability term. Any transfer during the affordability period requires County approval and execution of an Assumption Agreement. The County retains a Right of First Refusal to purchase the property at market value. If the County declines, transfer may occur only to an eligible nonprofit or affordable housing entity approved by the County, or to a purchaser who agrees to assume all obligations. Written notice of intent to transfer must be provided to the County at least sixty (60) days prior to closing. The SHIP mortgage and note shall remain in place until the affordability term expires.

Tenant Terms:

Annual tenant eligibility and rent compliance monitored for 30 years. FHFC monitoring may be relied upon where applicable.

e. **Recipient/Tenant Selection Criteria:**

First-qualified, first-served with priorities:

1. Very Low with Special Needs

2. Very Low
3. Low with Special Needs
4. Low

f. **Sponsor Selection Criteria:**

First-qualified, first-served via Flagler County Request for Qualifications.

Sponsors must demonstrate:

- Financing commitments or viable FHFC application
- Capacity to deliver within statutory timelines
- Verifiable evidence units will be filled with eligible tenants within 24 months.
- Acceptance of Affordability Covenant

g. **Additional Information:**

- **Location Preference & Legal Compliance**: SHIP investment is preferred in areas designated for multi-family or mixed-use under the comprehensive plan and zoning.
- **Floating Units**: SHIP restrictions apply only to SHIP-assisted units. Restricted units may float within the property, provided the total number and bedroom mix remain constant.
- **Income & Rent Limits:** Restricted units shall serve households at ≤80% AMI (Flagler County) with gross rents ≤ HUD-published limits by bedroom size; if HUD ceases publishing, gross rent shall not exceed 30% of 80% AMI adjusted for household size using HUD AMI or successor methodology.
- **Right of First Refusal & Transferability:** County has first right of refusal to purchase at market value during the affordability period. If the County declines, transfer may occur to an eligible nonprofit or affordable housing entity approved by the County, provided the purchaser assumes the SHIP loan and covenant. SHIP assistance is transferable with the property for continued compliance.
- **Monitoring Reliance:** FHFC monitoring reports will be accepted in lieu of local monitoring where applicable.
- **Limited Funding Availability:** Funding for all applicants under this strategy is restricted available funding not to exceed 25% of the fund year allocation and available program income.
- **Competitive Solicitation:** the County's Procurement and Contracts division will issue a competitive solicitation though the county's approve procurement Portal, OpenGov in July when funding is available.

F. Manufactured Housing (Mobile Homes)	Code 3, 28, 29

a. Summary: The manufactured housing strategy may provide funds for:

1. Relocation assistance for persons who are deprived of affordable housing due to closure of a mobile home park in accordance with 723.003, F.S. (code 28)
2. Lot rent assistance to owners of manufactured housing/mobile homes not to exceed six months (code 29)
3. Rehabilitation/emergency repairs (code 3)

b. Fiscal Years Covered: 2026-2027, 2027-2028, 2028-2029

c. Income Categories to be served: Very low, low and moderate

d. Maximum award: $10,000 (relocation assistance)
$5,000 (lot rental assistance)
$15,000 (rehab/emergency repairs)

e. Terms:

1. Repayment loan/deferred loan/grant: For relocation assistance and lot rent assistance, the funds are awarded as a grant. For rehab/emergency repairs the loan is secured by a note and mortgage/lien.
2. Interest Rate: 0%
3. Years in loan term: N/A for relocation assistance and lot assistance, 10 years for rehab/emergency repairs
4. Forgiveness: N/A for relocation assistance and lot assistance, forgiven at the end of the term for rehab/emergency repairs.
5. Repayment: N/A for relocation assistance and lot assistance. None required for rehab/emergency repairs as long as loan is in good standing.
6. Default: N/A for relocation assistance and lot assistance. For rehab/emergency repairs, the loan will be determined to be in default if any of the following occurs during the Loan term: sale, transfer, or conveyance of property; conversion to a rental property; loss of homestead exemption status; or failure to occupy the home as primary residence. If any of these occur, the outstanding balance will be due and payable.

In cases where the qualifying homeowner(s) die(s) during the loan term, the loan may be assumed by a SHIP eligible heir who will occupy the home as a primary residence. If the legal heir is not SHIP eligible or chooses not to occupy the home, the outstanding balance of the loan will be due and payable.

If the home is foreclosed on by a superior mortgage holder, the county will make an effort to recapture funds through the legal process if it is determined that adequate funds may be available to justify pursuing a repayment.

f. Recipient/Tenant Selection Criteria: Applicants will be assisted on a first-qualified, first-served basis with priorities detailed in Section I.I being met first.

g. Sponsor Selection Criteria: N/A

h. Additional Information: Manufactured housing constructed after June 1994 is eligible.

G. Disaster Assistance	Code 5, 16

Summary: This strategy provides grant-funded assistance to very low- and low-income households in Flagler County impacted by a State or Federal disaster declaration. Eligible activities include: (1) temporary rental or mortgage assistance, including utilities, for up to three months to prevent housing loss due to disaster-related income reduction; (2) insurance deductible assistance for owner-occupied home repairs; and (3) security and utility deposit assistance for households permanently displaced due to disaster-related unit damage. Assistance is only available during an active disaster declaration and does not cover hotel stays or temporary shelter.

a. Fiscal Years Covered: 2025-2026, 2026-2027, 2027-2028

b. Income Categories to be served: Very low, low

c. Maximum award:

- Temporary Rental or Mortgage Assistance: Up to $2,000 per month, for a maximum of 3 months (total cap of $6,000 per household)
- Insurance Deductible: Up to $8,000

d. **Terms:**

1. Repayment loan/deferred loan/grant: Grant
2. Interest Rate: N/A
3. Years in loan term: N/A
4. Forgiveness: N/A
5. Repayment: N/A
6. Default: N/A

e. **Recipient/Tenant Selection Criteria:**

1. Assistance is provided on a first-qualified, first-served basis, subject to eligibility and funding availability.
2. Applicants must provide:
   a. Proof of disaster-related property damage (e.g., photos, contractor estimates, insurance claim notices).
   b. For rental or mortgage assistance, applicants must show either:
      - Sustained and significant loss of household income directly resulting from the declared disaster, or
      - Permanent displacement from a rental unit or home due to disaster-related damage not covered by insurance or other assistance.
   c. Acceptable documentation may include:
      - For loss of income:
        - Employer statements
        - Proof of workplace closure

- Reduction in hours or pay
- Termination notices
- Canceled contracts
- Notarized affidavits
- Other verifiable documentation

- For displacement due to property damage:
  - Lease agreement showing prior occupancy
  - Written notice from landlord or property manager
  - Code enforcement report or disaster inspection
  - Insurance claim denial or insufficient coverage notice
  - Photos or documentation of damage to rental unit

3. The following are not eligible under this strategy:
   a. Minor disruptions such as temporary utility outages or short-term business closures without measurable income loss
   b. Voluntary work absences or inability to work due to personal choice or precautionary concerns

   c. Relocation or hotel expenses not tied to a verified loss of habitability or lease agreement

f. **Sponsor Selection Criteria: N/A**

g. **Additional Information:**

1. Assistance is only available to households that:
   a. Have an existing, valid lease or mortgage, or can document permanent displacement due to disaster-related damage to their previous unit
   b. Are at risk of losing housing due to:
      1. Disaster-related income loss, or
      2. Out-of-pocket repair costs not covered by insurance
      3. Verified loss of habitability of a rental unit due to disaster-related damage
2. Assistance can only be issued while a State or Federal disaster declaration is active. Applications must be received during the active disaster declaration period. Households that submit a complete application before the declaration expires may still be served after the declaration ends, provided all eligibility criteria are met.
3. Hotel stays or temporary relocation expenses are not covered under this strategy. Security and utility deposits may be covered if the household is permanently displaced due to disaster-related damage and is securing a new long-term lease. Households needing emergency shelter or temporary housing support should visit **DisasterAssistance.gov** or call the **FEMA helpline** at 1-800-621-FEMA (3362) to explore available federal resources
4. Applicants must certify that they have not received, and will not receive, duplicative benefits from other sources (e.g., FEMA, insurance payouts, nonprofit assistance).
5. Ongoing assistance (rental/mortgage) is evaluated month-to-month and requires updated documentation of continued need.
6. No direct payments will be made to applicants. Payments will be made directly to vendors, including but not limited to:

a. Property owners
b. Landlords
c. Rental management companies
d. Mortgage holders
e. Utility companies
f. Licensed contractors

7. To receive payment the vendors must:
    a. Agree with the County's assistance terms
    b. Submit a completed W-9 form for vendor registration

[Rest of page intentionally left blank]

III. INCENTIVE STRATEGIES

This section includes all adopted incentives with the policies and procedures used for implementation as provided in Section 420.9076, F.S.:

A. Expedited Permitting

The processing of approvals of development orders or permits for affordable housing projects is expedited to a greater degree than other projects, as provided in s. 163.3177(6)(f)3

In Flagler County and in the City of Palm Coast, housing projects for affordable housing are expedited by standard custom and practice. Permits for affordable housing are reviewed within ten (10) days.

B. Ongoing Review Process

The establishment of a process by which a local government considers, before adoption, policies, procedures, ordinances, regulations, or plan provisions that increase the cost of housing

Planning staff from both Flagler County and the City of Palm Coast notify the Affordable Housing Advisory Committee (AHAC) of any proposed policies, ordinances, or plan amendments that could impact housing affordability. AHAC members are provided the opportunity to review and comment before such provisions are adopted.

C. Public Lands for Affordable Housing

The preparation of a printed inventory of locally owned public lands suitable for affordable housing

Flagler County: Parcels identified for affordable housing are available at www.flaglercounty.gov/ship. Lands offered for affordable housing are publicly advertised through the County's procurement portal, OpenGov.com. Interested developers and affordable housing entities may create a free account to view all County Requests for Proposals (RFPs), which detail the affordability requirements, targeted Area Median Income (AMI) limits, required restrictions, and preferred housing types.

City of Palm Coast: The City of Palm Coast's Housing Element (2050 Comprehensive Plan) supports the identification of public lands for affordable housing. When suitable parcels are available, the City posts them on its website for public awareness and potential housing opportunities.

D. Duplex Unit Conversion for Separate Ownership (City of Palm Coast)

The City of Palm Coast permits the conversion of duplex dwelling units under single ownership into separately owned units through mechanisms such as condominium ownership or zero-lot line subdivisions, as outlined in Section 4.08.02 of the Land Development Code. This policy facilitates the creation of additional affordable homeownership opportunities by allowing each unit within a duplex to be sold individually. This provision allows each unit within a duplex to be sold individually through one of the following legal mechanisms:

- Creation of a condominium form of ownership;
- Establishment of a zero-lot line subdivision; or
- Implementation of a similar legal structure that allows for separate ownership of each unit.

This policy facilitates the creation of additional affordable homeownership opportunities by enabling duplex units to be sold separately, thereby increasing access to fee-simple ownership for low- to moderate-income households. The City continues to support this allowance as part of its broader strategy to diversify housing options and promote efficient use of land.

E. Planned Affordable Development (PAD) District (Flagler County)

Flagler County has adopted a Planned Affordable Development (PAD) Zoning District to promote innovative and affordable residential development.

Procedures for Implementation:
PAD zoning (Land Development Code Section 3.03.21) encourages creative site design, protection of natural features, and efficient land use for affordable housing development. The PAD District encourages unit clustering and shared infrastructure, which reduces per-unit development costs.

PAD Requirements:

1. Residential and customary accessory uses only
2. Must meet concurrency and preferably be located within five (5) miles of services or employment
3. Internal roads must be paved unless waived
4. Stormwater compliance is required
5. Clustering is encouraged
6. Centralized sewer is preferred

PAD Incentives:

- **Financial Incentives:** Waiver of applicable development and construction fees
- **Regulatory Incentives:** Modifications or waivers may be granted for:
    - Density
    - Setbacks
    - Lot coverage
    - Accessory structures
    - Landscape requirements
    - Minimum living area

F. Accessory Dwelling Units (ADUs) (Flagler County & Palm Coast

Flagler County and the City of Palm Coast have adopted Housing Element policies supporting the development of Accessory Dwelling Units (ADUs) to promote affordable housing.
Procedures for Implementation:

Flagler County:
The County has incorporated the allowance of ADUs into its Housing Element and is actively developing an ordinance, targeted for adoption by Fall 2027. ADUs are intended to support workforce housing, aging in place, and multi-generational households.

City of Palm Coast:
The City's 2050 Comprehensive Plan Housing Element includes a policy that directs the City to conduct a housing needs assessment to improve and diversify housing options.

Recommendations may guide updates to the Housing Element, Land Development Code, and related policies to ensure the diversity and adequacy of housing supply.

Note: Ordinance references will be added upon adoption.

G. Affordable Housing Educational Impact Fee Exemption (County-Wide)

Flagler County offers an exemption from educational impact fees for qualified affordable housing projects.

To qualify, a project must meet the definition of affordable housing under both Section 16-79 of the Flagler County Code and Section 420.0004, F.S. Developers must coordinate with the Planning and Development Department and provide required documentation to demonstrate eligibility.

Agenda Item

Agenda Date: October 20, 2026 **Agenda Item:** H.4

Department	PARKS AND RECREATION	**Amount**	
Division	PARKS AND RECREATION	**Org/Account #**	
Subject:	RESOLUTION 2026-XX AMENDING THE PARKS & RECREATION FEE STRUCTURE		
Presenter:	**Brittany McDermott, Director of Parks and Recreation**		

Attachments:

1. Presentation
2. Resolution

Background:

The Parks & Recreation Department regularly reviews the Parks and Recreation Fee Structure to evaluate the need for adjustments to existing fees or the introduction of new fees.

As part of this ongoing review, Staff is proposing revisions to the Southern Recreation Center's pickleball, tennis, combination, and room rental fees. These proposed changes have been reviewed by the Parks and Recreation Advisory Board for feedback and are now being presented to City Council for consideration.

Recommended Action:
ADOPT RESOLUTION 2026-XX AMENDING THE PARKS & RECREATION FEE STRUCTURE

Parks & Recreation Fee Structure

Updates and Recommendations

Background

- The Parks & Recreation Fee Structure is reviewed regularly to identify needed adjustments, increases, or new fees.
- Comparable municipalities and recreation facilities were reviewed to evaluate current fees against similar organizations.
- Cost recovery goals were reviewed to help inform the proposed fee adjustments.

Southern Recreation Center

Overview

- Increase pass holder, punch pass, and daily admission fees
- Increase non-profit/individual and for-profit room rental rates by $10
- Establish an additional after-hours and weekend rental rate to support cost recovery and reflect new operating hours
- Establish non-resident rates at 20–30% above resident rates

Next Steps

- Approve the Resolution amending the Parks & Recreation Fee Structure for the Southern Recreation Center.

RESOLUTION 2026-____
AMENDING RESOLUTION 2024-39
PARKS & RECREATION FEE STRUCTURE

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING AMENDMENTS TO THE PARKS & RECREATION FEE STRUCTURE; PROVIDING FOR LEGISLATIVE AND ADMINISTRATIVE FINDINGS; PROVIDING FOR APPROVAL; PROVIDING FOR FEES; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR IMPLEMENTING ACTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Parks & Recreation has determined the need to evaluate the current Parks & Recreation fee structure to uphold the City Council of the City of Palm Coast's Pillar of Priority "Strong Resilient Economy"; and

WHEREAS, Parks & Recreation has compared fees against comparable organizations and are recommending fee changes for the Southern Recreation Center; and

WHEREAS, the City Council of the City of Palm Coast, desires to authorize the City Manager, or designee, to review the Parks & Recreation Fee Structure each year and administer a Consumer Price Index ("CPI") adjustment of up to 3% if the City Manager or designee, determines that an increase in fees is necessary based on the cost increase to the City for equipment and services related to Parks & Recreation facility usage; and

WHEREAS, the City Council of the City of Palm Coast finds it necessary that the Parks & Recreation Fee Structure comes before the City Council, every five years for review and approval.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, AS FOLLOWS:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The above recitals (whereas clauses) are hereby adopted as the findings of the City Council of the City of Palm Coast.

SECTION 2 APPROVAL. The City Council of the City of Palm Coast hereby approves the terms and conditions of the Palm Coast Parks & Recreation Fee Structure, as attached hereto and incorporated herein by reference as Exhibit "A."

SECTION 3. FEES. The City Manager, or designee, is authorized to review the Parks & Recreation Fee Schedule each year and administer a Consumer Price Index ("CPI") adjustment of up to a 3% if the City Manager or designee, determines that an increase in fees is necessary based on the cost increase to the City for equipment and services related to Parks & Recreation's activities, events, programs, and rentals. The City Manager and City Staff will bring the Parks & Recreation Fee Structure to the City Council every five years, or earlier if determined necessary by the City Manager, for review and approval.

SECTION 4. SEVERABILITY. If any section or portion of a section of this Resolution proves to be invalid, unlawful, or unconstitutional, it shall not be held to invalidate or impair the validity, force, or effect of any other section or part of this Resolution.

SECTION 5. CONFLICTS. All resolutions or parts of resolutions in conflict with any of the provisions of this Resolution are hereby repealed.

SECTION 6. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 7. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption by the City Council.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on this 20th day of October 2026.

Background:

UPDATED BACKGROUND FROM THE OCTOBER 6, 2026, BUSINESS MEETING:

This item was tabled from the October 6, 2026, Business Meeting to the October 20, 2026, Business Meeting. No changes have been made to the item.

ORIGINAL BACKGROUND FROM THE OCTOBER 6, 2026, BUSINESS MEETING:

The previously approved Master Plan for the Maintenance Operations Center consolidates Public Works, Utility and Stormwater & Engineering into a single location. This plan is designed to meet the long-range needs of the city by providing areas on the site for future expansion of parking and buildings.

On October 15, 2024, City Council approved Phase 1 of the MOC, currently under construction, which involves the site development of the southern portion of the parcel, which includes the clearing of the site, construction of site utilities, stormwater system, technology infrastructure, grading and pavement base materials, site lighting and FPL / TECO service connections.

October 21, 2025, City Council approved a guaranteed maximum price contract amendment for Phase 1B further site development, Peavy Grade Improvements, and construction of the fuel depot.

This item is to approve Project Expenses of $41,400,496.89 for the Maintenance Operations Center Project. This item is to request approval of the Guaranteed Maximum Price Contract Amendment for Phase 1C Construction of the fleet maintenance building and wash buildings with Gilbane Building Company in the

amount of $37,050,539, A change order with Pond & Company for construction administration services associated with Phase 1C in the amount of $474,885.11, and additional expenses & project contingency in the amount of $3,875,072.78 to include but not limited to related fees, permit costs, phase 2 wetland mitigation costs, city and IT purchased furniture, fixtures, and equipment items, and unforeseen items.

Any balance of the Approved Project Expenses is authorized to be utilized to Advance Phase 2 of the project for items including but not limited to the preparation of Phase 2 Design Construction Documents and Construction of an internal entrance drive north to Matanzas Woods Pkwy.

This project is funded from the approved Fiscal Year 2027 Capital Improvements Budget and the Five-Year Capital Improvement Plan budget that was approved by Council on September 23, 2026.

RESOLUTION 2026-___
MAINTENANCE OPERATIONS CENTER

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, APPROVING PROJECT EXPENSES INCLUDING A GUARANTEED MAXIMUM PRICE CONTRACT AMENDMENT FOR PHASE 1C, CONSTRUCTION ADMINISTRATIVE SERVICES WITH POND & COMPANY, AND A PROJECT CONTINGENCY FOR THE MAINTENANCE OPERATION CENTER PROJECT: PROVIDING LEGISLATIVE AND ADMINISTRATIVE FINDINGS; PROVIDING FOR FUTURE AMENDMENTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR IMPLEMENTING ACTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Gilbane Building Company desires to construct phase 1C of the Maintenance Operations Center, for the City of Palm Coast; and

WHEREAS, Pond and Company desires to provide construction administration services for 1C of the Maintenance Operations Center, for the City of Palm Coast; and

WHEREAS, the City Council of the City of Palm Coast desires to approve a guaranteed maximum price contract amendment and change orders for the above-mentioned services for phase 1C of the Maintenance Operations Cetner for the City of Palm Coast; and

WHEREAS, the City Council of the City of Palm Coast desires to approve additional expense and a project contingency for the Maintenance Operations Center for the City of Palm Coast including but not limited to fees, permit costs, phase 2 wetland mitigation costs, City purchased furniture, fixtures, and equipment items, and unforeseen items; and

WHEREAS, the City Council of the City of Palm Coast desires to approve the use of any balance of the Approved Project Expenses to be utilized to Advance Phase 2 of the project for items including but not limited to the preparation of Phase 2 Design Construction Documents and Construction of an internal entrance drive north to Matanzas Woods Pkwys; and

WHEREAS, in accordance with Chapter 2, Article 1, Division 3 – Purchase and Contractual Services Sections, 2-26 – Approval Requirements – Subsection A., City Council desires to grant authority for the City Manager to enter into or increase any necessary

contracts including those that are equal to or exceed $100,000.00 associated with the expense related to the above-mentioned project.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALM COAST, FLORIDA, AS FOLLOWS:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The above recitals (whereas clauses) are hereby adopted as the legislative and administrative findings of the City Council.

SECTION 2. APPROVAL OF AGREEMENT. The City Council of the City of Palm Coast hereby approves the terms and conditions of guaranteed maximum price contract amendment with Gilbane Building Company for Phase 1C of the Maintenance Operations Center as attached hereto an incorporated herein by reference as Exhibit "A."

SECTION 3. AUTHORIZATION TO NEGOTIATE, FINALIZE AND EXECUTE. The City Manager, or designee, is hereby authorized to execute the necessary documents.

SECTION 4. FUTURE AMENDMENTS. The City Manager, or designee is hereby authorized to approve any future amendments for changes totaling less than $100,000.00 as long as this amount does not exceed the line-item limit for the budgeted purchase. Further, the City Manager has the authority to execute amendments/project contracts on behalf of the City for any other changes that may be necessary.

SECTION 5. SEVERABILITY. If any section or portion of a section of this Resolution proves to be invalid, unlawful, or unconstitutional, it shall not be held to invalidate or impair the validity, force, or effect of any other section or part of this Resolution.

SECTION 6. CONFLICTS. All resolutions or parts of resolutions in conflict with any of the provisions of this Resolution are hereby repealed.

SECTION 7. IMPLEMENTING ACTIONS. The City Manager is hereby authorized to take any actions necessary to implement the action taken in this Resolution.

SECTION 8. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption by the City Council.

DULY PASSED AND ADOPTED by the City Council of the City of Palm Coast, Florida, on this 20th day of October 2026.

RE: Guaranteed Maximum Price Proposal – Revision R1
Palm Coast Public Works Facility – Phase 1C Fleet Maintenance and Wash Buildings

Mr. Gebo,

Gilbane Building Company is pleased to provide the enclosed Guaranteed Maximum Price (GMP) proposal for Phase 1C of the Palm Coast Public Works Facility, also known as the Maintenance Operations Center. This proposal, in the amount of Thirty-Seven Million Fifty Thousand Five Hundred Thirty-Nine Dollars and Zero Cents ($37,050,539.00) is based on the Drawings and Specifications provided by Pond Company Architects and the supplemental information contained herein.

Phase 1C represents the third and final sub-phase of the Phase 1 project. A portion of cost savings from Phase 1B contingencies have been included to reduce the total cost of Phase 1C. A breakout of the cost for each phase is included in the GMP Recap Summary section.

The Project's Substantial Complete Date is September 12, 2028, based on the execution of this GMP by November 6, 2026, and the construction start date of January 4, 2027.

The execution of this GMP acknowledges approval to select the contractors identified in Section 3 at the stated sums. Upon execution of this GMP we will award contracts to the selected Trade Contractors and direct them to immediately commence their work.

We look forward to reviewing this updated proposal with you in greater detail and moving forward into the next phase of this exciting project.

Sincerely,

Gilbane Building Company

Ty Bliss
Project Executive

SECTION 2

- CLARIFICATIONS AND ASSUMPTIONS
- DOCUMENT ENUMERATION LOG

PROJECT NAME: Palm Coat Public Works Facility (MOC) – Phase 1C Fleet Maintenance & Wash Buildings
LOCATION: Palm Coast, FL
OWNER: City of Palm Coast
ARCHITECT: Pond & Company
Revision: R1
Date: September 18, 2026

Clarifications and Assumptions

DIVISION 01 – GENERAL REQUIREMENTS

1. This GMP Amendment Proposal is for the Phase 1C scope of work to construct the Fleet Maintenance Building, Wash Building, and the remaining Phase 1 site improvements.
2. This Proposal is prepared based on the documents issued by Pond & Company as set forth in the Enumeration of Documents in Section 2.
3. The GMP for Phase 1C is based on receiving a Notice to Proceed (NTP), or a GMP amendment on or before November 6, 2026. In the event approval is not obtained by November 6, 2026, due to no fault of Gilbane or its Trade Contractors, the schedule and price will be equitably adjusted when the GMP is approved.
4. This Proposal is based on the Project Schedule in Section 4 with Phase 1C construction starting January 4, 2027, and Substantial Completion by September 12, 2028.
   4.a. – The Phase 1C Project Schedule will be updated to include the following Permitting Activities:
   - Addendum #2 due from Pond early-November
   - Signed & Sealed Permit Document Set due from Pond mid-November
   - CoPC Building Department Issue Building Permit (30 business days) mid to late December.
5. This Proposal is based on the Site Utilization Plan in Section 4.
6. Owner Allowances and Trade Contractor Allocations are included as listed in Section 3.
7. Liquidated damages will be assessed on this phase at $350.00 per day.
8. Material testing is included.
9. Threshold inspections are not included.
10. Cost for temporary construction power, water, and sewer usage will be paid by the Owner and is not included in this Proposal.
11. Building envelope document coordination, field observations, and fenestration testing are included. Building envelope coordination and field observation reports will be provided to the Architect and are not intended as a substitute for engineering or architectural review by licensed design professionals. The comments contained in the reports represent observations and/or suggestions intended for consideration and possible incorporation into the Design Documents. No design liability is assumed by Gilbane, or 3rd party envelope reviewer, as a result of the information contained in the reports.
12. Acceptance of the GMP constitutes acceptance of the Gilbane recommended lowest responsive bidders identified in Section 3 of this Proposal. The GMP is based on the listed Trade Contractor's acceptance and execution of a contract to perform the work. Rejection of a Trade Contractor listed within the GMP by the Owner will require an adjustment to the GMP value to accommodate the next lowest responsive bidder.
13. Working hours for this Estimate are based upon the following:
    a. For defined scopes of work Gilbane and our trade contractors have included five (5) 8-hour workdays, Monday through Friday. Normal working hours are intended to be 7am to 3.30pm.
    b. For undefined scopes of work requiring after-hours (nights and weekends) work will be included within the cost of work to be defined through the design and procurement process.

PROJECT NAME: Palm Coat Public Works Facility (MOC) – Phase 1C Fleet Maintenance & Wash Buildings
LOCATION: Palm Coast, FL
OWNER: City of Palm Coast
ARCHITECT: Pond & Company
Revision: R1
Date: September 18, 2026

Clarifications and Assumptions

14. Costs of jobsite computer hardware, software, supplies and communications, corporate and regional data processing/MIS services are included and are billable at the rate of $8.40 per labor hour expended for the Project.
15. Construction Manager will utilize Subcontractor Default Insurance (SDI) in lieu of subcontractor payment and performance bonds. SDI is included at a fixed rate of $13.00 per $1,000 of total trade contract value inclusive of owner direct purchases.
16. Liability insurance is included at a fixed rate of $9.97 per $1,000.00 of total contract value inclusive of owner direct purchases. Other deductible amounts are listed in the Builder's Risk Insurance Quote in Section 3.
17. A fixed labor multiplier of 65% is included for all staffing on the project for labor burden and is not subject to audit. Labor burden includes PTO, payroll taxes, retirement, major-medical, short-term disability, long term disability and worker's compensation.
18. Retainages shall not be held on Construction Manager's general conditions, fee, insurance and bonds.
19. The Construction Manager's Fee is included as 4.25% and shall be converted to a lump sum upon approval of this Proposal and will be billed as a percentage of work in place in monthly payment applications.
20. Textura Contractor Payment Management (CPM) software is used to facilitate payment and secure releases of liens each month with subs and suppliers. This usage fee is $8,580 and shall be billed as a fixed price in the initial payment application.
21. Procore document management software costs are included in this proposal. Procore will be used as the software platform to manage documents, drawings, RFIs, meeting minutes and other related correspondence. This usage fee is included at a fixed rate of .65 per the total project amount.
22. Pursuant to Article 6.2.5 of the Agreement, incentive compensation is included as a reimbursable cost.
23. In the event the GMP is increased by Change Order the Construction Manager shall be entitled to the actual cost of the work and the following lump sum rate multipliers:
    a. GL Insurance: 0.997%
    b. CM General Conditions: To be Included in the Cost of the Change Order
    c. Subcontractor Default Insurance 1.30%
    d. CM Overhead & Profit: 7.00%
    e. Bond: .600%
24. Davis Bacon prevailing wages and other Federal Funding requirements are excluded.
25. Travel expenses consistent with the company's normal reimbursement policy shall be considered allowable costs and reimbursable under the terms of the Contract. Subject to change per Standard mileage rates set forth by IRS, work related mileage shall be reimbursed as follows:
    a. Personnel with car allowances: 38¢ per mile (less normal commute)
    b. Personnel without car allowances: 76¢ per mile (less normal commute)
26. The Builders Risk premium and coverage terms are included as an allowance based upon the attached quote in Section 3 and are subject to market conditions at the time of construction commencement. Premiums, coverage terms and deductibles are subject to change if project value and/or schedule

Clarifications and Assumptions

increases. All costs associated with extending the duration of the project, resulting in an extension of this policy, are excluded and will be incorporated in the time extension Change Order.

27. In accordance with Article 11.3.1.3 of the Agreement Gilbane and its Trade Contractors shall be responsible for builder's risk insurance deductibles, except that Owner shall be solely responsible for any and all costs and deductibles arising out of any loss due to flood (including inundation, seepage and sewer back-up), earthquake, windstorm, hail, volcanic eruption or terrorism. Windstorm deductibles are calculated at 5% Value at Risk at Time of Loss (VARTOL) with a minimum of $250,000.
28. Owner shall be responsible for paying all permitting fees, all fees by Authorities Having Jurisdiction, and all Utility Company Fees.
29. Provisions for a 2-year warranty is excluded based on the scope of this work.
30. Notwithstanding any other term, condition or provision in the Contract, the preparation of the GMP using various categories shall not constitute a line-item guaranty for any such category or line item, nor should any category or line item control or limit the compensation to the Construction Manager should the cost for one particular category exceed that line so long as the Construction Manager is limited to the total GMP. The supporting documentation has been included as a reference for estimated costs but not a guarantee for each line item's cost for the services noted.
31. General Disclosure of Related Party: Gilbane Building Company hereby discloses the use of Next 150 Construction Services, LLC, a Gilbane related party, for the performance of skilled craft labor, small tools, consumables, equipment, materials, and temporary services in connection with the Project.
32. General Disclosure of Related Party: Gilbane Building Company hereby discloses the use of Gilbane's Transition Planning & Management (TPM) services as an independent business unit providing consulting services within the Gilbane Building Company. Gilbane TPM assists our clients in activating their new facility with new systems, equipment and furniture while working with their employees to plan for and implement their transition into the new space. Gilbane TPM services can be contracted through the Gilbane Building Company Contract for construction management services or directly to the owner.
33. Pre-Bid RFI responses to PB-RFI #23 – PB-RFI #30 are included. PB-RFI #31 is in review and is not included. Any cost or schedule impacts will be submitted separately for approval.

DIVISION 03 – CONCRETE

1. Plans don't call for thickness on elevated deck slab for the mezzanine. We assumed 5" normal weight concrete with WW1.4. $30,000.00 Trade Allocation has been reserved for this line item.
2. Assumed transom louvers will be separated from HM Door Frames, added crack bar and additional rebar as needed at these locations.
3. Includes Welded Wiremesh 1.4 at all pedestrian sidewalks per the City of Palm Coast design guidelines.
4. Bollards near the building perimeter will be in conflict with column footings and continuous wall footings. $20,000.00 Trade Allocation has been reserved for this potential conflict.
5. For site concrete pavement, including dowels and sheet metal bottom strip only at expansion joints, this reinforcing is not included at saw cut control joints.
6. 12" of #57 stone under foundations that are 3.0' below finish floor.
7. A Trade Allocation in the amount of $16,000 is included for 30 days of additional tilt panel bracing rental.

PROJECT NAME: Palm Coat Public Works Facility (MOC) – Phase 1C Fleet Maintenance & Wash Buildings
LOCATION: Palm Coast, FL
OWNER: City of Palm Coast
ARCHITECT: Pond & Company
Revision: R1
Date: September 18, 2026

Clarifications and Assumptions

8. A Trade Allocation in the amount of $38,000 is included for tilt panel bracing outside the building footprint.

DIVISION 04 – MASONRY

1. Does not include any foam injection.
2. Z-Purlin detail per A6/1S-421 is not included. This detail is revised per page turn meeting, will build a shaft wall instead and is included under Frame and Drywall scope of work.
3. Installation of additional HM Frame to tire storage per Pre-Bid RFI Clarification is included.

DIVISION 05 – METALS

1. Included $25,000.00 Trade Allocation for unforeseen supplemental steel and additional bollards.

DIVISION 06 – ARCHITECTURAL MILLWORK & TOPS

1. AWI certification is not included.
2. No locks are shown or indicated on contract documents.

DIVISION 07 – ROOFING, WATERPROOFING & CAULKING

1. Rated for Category 4, Exposure C hurricanes, 160 mph ultimate wind design speed (3-sec gust) 123.9 mph nominal sustained design wind speed.
2. 125 mph wind rider warranty is included per specs.
3. Bentonite waterproofing is included at all equipment pits. Zypex concrete add mixture is not included.
4. Damp proofing is included at all exterior wall footings.
5. Closed cell spray foam is included to achieve an R-38 value underside of mezzanine deck, approximately 5.5” of insulation.
6. $5,000.00 Trade allocation is included for spry foam insulation patching.

DIVISION 08 – DOORS & WINDOWS

1. Plain sliced white oak veneer is included.
2. Transom louvers have been separated from HM door frames. Louvers to be in their own frames.
3. Structural composite lumber core doors are included in lieu of particle board core doors.
4. Cost Escalation on wood doors through April 2028 is included.
5. Missile Level E rating designed to withstand also +/- 65 PSF included for HM Doors and Storefront/Glazing is included.
6. Since Missile E is not available for Translucent panels, this scope is excluded and a budget of $650,000.00 is included for a curtainwall system to replace Translucent panel elevations. Final design and structural support are to be determined and then pricing for this scope will be reconciled against this budget.
7. 1” insulated glass is included at all interior windows adjacent to shop areas for the extent of vapor barrier.
8. 1 5/16” glass is included for all exterior glass at storefronts.
9. Draft curtains are included as aluminum brake metal.
10. Amico Mesh Screen is upgraded to 3/16” in lieu of 1/8” per specs due to the Category 4 wind design revision.
11. Exterior overhead doors are rated to Category 4, Exposure C with Missile E rating.

DIVISION 09 – FINISHES

PROJECT NAME: Palm Coat Public Works Facility (MOC) – Phase 1C Fleet Maintenance & Wash Buildings
LOCATION: Palm Coast, FL
OWNER: City of Palm Coast
ARCHITECT: Pond & Company
Revision: R1
Date: September 18, 2026

Clarifications and Assumptions

1. $15,000.00 Trade Allocation has been included for a shaft wall over fire rated CMU walls at the mezzanine level in lieu of the Z-purlin detail A6/1S-421.
2. Wall framing above wash bay tilt wall is included ONLY at the grid line 3 separating detail area with rough wash bays.
3. 5/8" Exterior Sheathing is not included for soffits at Wash Building and Maintenance Building as they are not needed for a complete system. Per the Florida Product Approvals and Delegated design, Soffit will be fastened directly onto Hat Channels or Purlins.
4. Polyurea paint is only included at the wash building for wet areas. Building exteriors will get regular textured paint.

DIVISION 10 – SPECIALTIES

1. $3,000.00 Trade Allocation included for additional corner guards requested by CoPC.
2. 30' flagpole is included with two standard size flags. Flagpole will be rated to Category 4 winds and will have engineered foundation.
3. $2,500.00 Trade Allocation included for additional signage requested by CoPC.

DIVISION 11 – MAINTENANCE & WASH EQUIPMENT

1. Maintenance equipment revisions per coordination meeting notes in email from WSB dated 9/4/26 are not included in this Proposal. These revisions are still being reviewed, and pricing revisions are forthcoming.
2. 5-Ton crane support is part of the PEMB design as depicted on plans and confirmed via Pre-Bid RFI.
3. All piping revised to Aluminum Unipipe per the request of CoPC, cost savings included in this bid proposal.
4. This proposal includes pricing for all new equipment to be provided by CM. Following final pricing CoPC will decide which items will be CM furnished and which items will be Owner furnished.
5. Owner equipment that is being relocated assumed to be in working condition, no warranties or repairs are included in this bid for existing equipment.

DIVISION 13 – PRE-ENGINEERED METAL BUILDING

1. The PEMB contractor will provide delegated engineering. PEMB design will be coordinated with the Structural EOR and structural drawings revised to align with the PEMB design.
2. $200,000.00 Trade Allocation is included for the Supplemental steel that the plans do not currently show due to wind design change from Category 2 to Category 4. Delegated design items such as Curtainwall, Amico Mesh Screen, 5-Ton Crane will require additional supports for anchoring.

DIVISION 21 – FIRE SUPPRESSION

1. Backflow preventer is excluded in the pump room as it is redundant. The backflow on site is included in the Div 31 Civil package.
2. $1,500.00 is included if FL Registered PE will be required to sign and seal shop drawings and hydraulic calculations.

DIVISION 22 – PLUMBING

1. 1500 gal highland oil/water tanks are excluded as they are redundant. The two oil/water separators on site are included in the Div 31 Civil package.

PROJECT NAME: Palm Coat Public Works Facility (MOC) – Phase 1C Fleet Maintenance & Wash Buildings
LOCATION: Palm Coast, FL
OWNER: City of Palm Coast
ARCHITECT: Pond & Company
Revision: R1
Date: September 18, 2026

Clarifications and Assumptions

2. ProPress style fittings may be used in lieu of soldered fittings on copper piping.

DIVISION 23 – HVAC & CONTROLS

1. BIM coordination and clash detection lead is included for M, E, P, FP, & Structural trades. The Mechanical contractor shall lead the BIM coordination process. REVIT models shall be provided by the A/E at no additional cost.
2. Type B Vent is included for the gas operated pressure washers inside equipment room.
3. BAS by Johnson Controls included.
4. Test and Balance is included.

DIVISION 26 – ELECTRICAL & FIRE ALARM

1. A Bi-directional Antenna (BDA) evaluation survey is included. The timing of the survey will be completed after the city installs the new cell tower to the north. CoPC will provide the tower installation date.
2. Installation of a BDA system is not included. The City will provide this system if required to be added based on the results of the survey.
3. $40,000.00 Trade Allocation is included for additional Photovoltaic system coordination scope.
4. Light pole per note 4 on C11.1 at the lift station is included.
5. Lightning protection is included and will have separate master labels for maintenance building and wash building.
6. Raceway and wire to three EV charger locations is included in the BP 26A base bid. Cost for three EV chargers is included in Div 38 Solar package.
7. Conduit Schedule is revised and changes are as follows:
   a. Rigid conduit is included in exposed locations for stub outs and up to 8’ or to the first device whichever comes first.
   b. Corrosion Resistant (Aluminum) Electrical Metal Tubing is included in areas that are not air conditioned.

DIVISION 27 – TELE/DATA, AUDIO VISUAL, & SECURITY

1. Scope included per City of Palm IT Project Responsibilities provided on 9/3/2026 by Eric Gebo and coordination meeting that took place on 9/3/2026 1:30 PM.
2. Owner furnished/installed items include Network switches, UPSs, PDUs, Patch Cables, Licensing for Security Devies, Programming of Genetec System for security devices, Wireless Access Points, Fiber on-site, Fiber from Street to MDF/IDF/Telecom cabinets.

DIVISION 31 – SITEWORK & UTILITIES

1. An Owner Allowance is included in the amount of $475,000.00 for remaining sitework and utility scope including but not limited to a stabilized construction access road from the north end of the site and crane road for tilt panel erection around buildings, striping, signage and related site furnishings. Final scope and pricing to be finalized.

DIVISION 32 – LANDSCAPE & IRRIGATION

1. 60-day maintenance is included starting from substantial completion.
2. Soil amendment is included.
3. 3.5” caliper plants are included.

PROJECT NAME: Palm Coat Public Works Facility (MOC) – Phase 1C Fleet Maintenance & Wash Buildings
LOCATION: Palm Coast, FL
OWNER: City of Palm Coast
ARCHITECT: Pond & Company
Revision: R1
Date: September 18, 2026

Clarifications and Assumptions

4. Phase 1C will not have a separate irrigation system. Irrigation system from Phase 1B with same controllers will extend onto Phase 1C areas.

DIVISION 32 – FENCES AND GATES

1. We are to utilize and terminate to existing fence for Water Treatment Plant #3.
2. No third-party structural engineering on fences and gates, foundations per plans, no reinforcing.
3. No grounding for any fence or gates.

DIVISION 40A – OWNER FURNISHINGS

1. Owner Furnishings, including furniture, TV monitors & brackets, refrigerators, microwaves, coffee makers, etc. are not included and shall be provided by the Owner.

DIVISION 48 – PHOTOVOLTAIC SOLAR EQUIPMENT

1. Photovoltaic solar system is included with 640 W Hyundai #775 modules to produce 99% kWh offset of the estimated 710,388 kWh annual usage.
2. Sales tax is not charged on solar equipment and is not included.
3. At this time there is a solar import Tariff in the amount of approx. $40,000 anticipated if this order is purchased after December 3, 2026. To avoid this potential Tariff impact the city may need to approve early purchase and payment for this equipment.
4. Three Electric Vehicle (EV) Chargers are included as the same make and model that was provided at the Southern Rec. Center project.

ENUMERATION OF DOCUMENTS - PROJECT SPECIFICATIONS				
Division	**Number**	**Description**	**Issued Date**	**Set**
00 - Procurement and Contracting Requirements	00 01 10	Table of Contents	7/6/2026	Phase 1C GMP
01 - General Requirements	01 81 13	SUSTAINABLE CONSTRUCTION REQUIREMENTS Pt. 1	7/6/2026	Phase 1C GMP
01 - General Requirements	01 90 00	Geotechnical Report	4/30/2025	100% GMP Set
01 - General Requirements	01 91 00	Commissioning	7/6/2026	Phase 1C GMP
01 - General Requirements	01 35 46	Indoor Air Quality Management	7/6/2026	Phase 1C GMP
01 - General Requirements	01 40 00	Quality Requirements	2/23/2024	Project Manual - 90% Documents
01 - General Requirements	01 73 80	Site Waste Management Program	7/6/2026	Phase 1C GMP
02 - Existing Conditions	02 24 23	Chemical Sampling and Analysis of Soils	4/30/2025	100% GMP Set
03 - Concrete	03 30 00	Cast-in-Place Concrete	4/30/2025	100% GMP Set
03 - Concrete	03 47 13	TILIT-UP CONCRETE	7/6/2026	Phase 1C GMP
04 - Masonry	04 20 00	UNIT MASONRY	7/6/2026	Phase 1C GMP
05 - Metals	05 21 00	STEEL JOIST FRAMING	7/6/2026	Phase 1C GMP
05 - Metals	05 31 00	STEEL DECKING	7/6/2026	Phase 1C GMP
05 - Metals	05 12 00	Structural Steel Framing	7/6/2026	Phase 1C GMP
05 - Metals	05 50 00	METAL FABRICATIONS	7/6/2026	Phase 1C GMP
05 - Metals	05 51 13	METAL PAN STAIRS	7/6/2026	Phase 1C GMP
05 - Metals	05 51 19	METAL GRATING STAIRS	7/6/2026	Phase 1C GMP
05 - Metals	05 52 13	PIPE AND TUBE RAILINGS	7/6/2026	Phase 1C GMP
06 - Wood, Plastics, and Composites	06 10 00	ROUGH CARPENTRY	7/6/2026	Phase 1C GMP
06 - Wood, Plastics, and Composites	06 42 19	PLASTIC-LAMINATE-FACED WOOD PANELING	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 21 00	THERMAL INSULATION	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 41 13	Metal Roof Panels	4/30/2025	100% GMP Set
07 - Thermal and Moisture Protection	07 41 13.16	Standing-Seam Metal Roof Panels	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 42 13	Metal Wall Panels		100% GMP Set
07 - Thermal and Moisture Protection	07 42 13.19	Insulated Metal Wall Panels	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 54 23	THERMOPLASTIC-POLYOLEFIN (TPO) ROOFING	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 62 00	SHEET METAL FLASHING AND TRIM	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 71 00	ROOF SPECIALTIES	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 72 00	ROOF ACCESSORIES	7/6/2026	Phase 1C GMP
07 - Thermal and Moisture Protection	07 92 00	JOINT SEALANTS	7/6/2026	Phase 1C GMP
08 - Openings	08 45 23	INSULATED TRANSLUCENT FIBERGLASS SANDWICH PANEL	7/6/2026	Phase 1C GMP
08 - Openings	08 11 13	HOLLOW METAL DOORS AND FRAMES	7/6/2026	Phase 1C GMP
08 - Openings	08 14 16	FLUSH WOOD DOORS	7/6/2026	Phase 1C GMP
08 - Openings	08 33 23	OVERHEAD COILING DOORS	7/6/2026	Phase 1C GMP
08 - Openings	08 36 13	SECTIONAL DOORS	4/30/2025	100% GMP Set
08 - Openings	08 41 13	ALUMINUM-FRAMED ENTRANCES AND STOREFRONTS	7/6/2026	Phase 1C GMP
08 - Openings	08 71 00	DOOR HARDWARE	7/6/2026	Phase 1C GMP
08 - Openings	08 80 00	GLAZING	7/6/2026	Phase 1C GMP
08 - Openings	08 91 19	FIXED LOUVERS	7/6/2026	Phase 1C GMP
09 - Finishes	09 22 16	NON-STRUCTURAL METAL FRAMING	7/6/2026	Phase 1C GMP
09 - Finishes	09 29 00	GYPSUM BOARD	7/6/2026	Phase 1C GMP
09 - Finishes	09 30 13	CERAMIC TILING	7/6/2026	Phase 1C GMP
09 - Finishes	09 51 23	ACOUSTICAL TILE CEILINGS	7/6/2026	Phase 1C GMP
09 - Finishes	09 54 26	SUSPENDED WOOD CEILINGS	7/6/2026	Phase 1C GMP
09 - Finishes	09 65 13	RESILIENT BASE AND ACCESSORIES	7/6/2026	Phase 1C GMP
09 - Finishes	09 65 19	RESILIENT TILE FLOORING	7/6/2026	Phase 1C GMP
09 - Finishes	09 67 23	RESINOUS FLOORING	7/6/2026	Phase 1C GMP
09 - Finishes	09 68 13	TILE CARPETING	7/6/2026	Phase 1C GMP
09 - Finishes	09 91 23	INTERIOR PAINTING	7/6/2026	Phase 1C GMP
09 - Finishes	09 96 00	HIGH-PERFORMANCE COATINGS	7/6/2026	Phase 1C GMP
10 - Specialties	10 56 00	STORAGE EQUIPMENT	7/6/2026	Phase 1C GMP
10 - Specialties	10 21 13	Toilet Compartments		100% GMP Set
10 - Specialties	10 21 13.19	Plastic Toilet Compartments	7/6/2026	Phase 1C GMP
10 - Specialties	10 28 00	TOILET, BATH, AND LAUNDRY ACCESSORIES	7/6/2026	Phase 1C GMP
10 - Specialties	10 44 13	FIRE PROTECTION CABINETS	7/6/2026	Phase 1C GMP
10 - Specialties	10 44 16	FIRE EXTINGUISHERS	7/6/2026	Phase 1C GMP
10 - Specialties	10 73 00	OVERHEAD SUPPORTED ALUMINUM CANOPY	7/6/2026	Phase 1C GMP
11 - Equipment	11 11 00	VEHICLE SERVICE EQUIPMENT	7/6/2026	Phase 1C GMP
11 - Equipment	11 11 13	COMPRESSED AIR VEHICLE SERVICE EQUIPMENT	7/6/2026	Phase 1C GMP
11 - Equipment	11 11 26	VEHICLE WASH EQUIPMENT	7/6/2026	Phase 1C GMP
11 - Equipment	11 11 29	VEHICLE SHOP EQUIPMENT	7/6/2026	Phase 1C GMP
11 - Equipment	11 11 40	RELOCATION OF EXISTING EQUIPMENT DIRECTIVES	7/6/2026	Phase 1C GMP
11 - Equipment	11 24 19	VACUUM EQUIPMENT	7/6/2026	Phase 1C GMP
12 - Furnishings	12 24 13	ROLLER WINDOW SHADES	7/6/2026	Phase 1C GMP
12 - Furnishings	12 36 61	Simulated Stone Countertops		100% GMP Set
12 - Furnishings	12 36 61.16	Solid Surfacing Countertops	7/6/2026	Phase 1C GMP
12 - Furnishings	12 36 61.19	Quartz Agglomerate Countertops	7/6/2026	Phase 1C GMP
13 - Special Construction	13 12 50	METAL BUILDING SYSTEMS	7/6/2026	Phase 1C GMP
13 - Special Construction	13 12 50.R1	METAL BUILDING SYSTEMS R1	4/30/2025	100% GMP Set
14 - Conveying Equipment	14 45 00	VEHICLE LIFTS	7/6/2026	Phase 1C GMP
21 - Fire Suppression	21 05 00	COMMON WORK RESULTS FOR FIRE SUPPRESSION	7/6/2026	Phase 1C GMP
21 - Fire Suppression	21 05 23	GENERAL-DUTY VALVES FOR WATER-BASED FIRE-SUPPRESSION PIPING	7/6/2026	Phase 1C GMP
21 - Fire Suppression	21 05 29	HANGERS AND SUPPORTS FOR FIRE-SUPPRESSION PIPING AND EQUIPMENT	7/6/2026	Phase 1C GMP
21 - Fire Suppression	21 05 53	IDENTIFICATION FOR FIRE-SUPPRESSION PIPING AND EQUIPMENT	7/6/2026	Phase 1C GMP
21 - Fire Suppression	21 11 19	FIRE DEPARTMENT CONNECTIONS	7/6/2026	Phase 1C GMP
21 - Fire Suppression	21 13 13	WET-PIPE SPRINKLER SYSTEMS	7/6/2026	Phase 1C GMP
21 - Fire Suppression	211316	DRY-PIPE SPRINKLER SYSTEMS	7/6/2026	Phase 1C GMP
21 - Fire Suppression	213113	ELECTRIC-DRIVE, CENTRIFUGAL FIRE PUMPS	7/6/2026	Phase 1C GMP
22 - Plumbing	220500	COMMON WORK RESULTS FOR PLUMBING	7/6/2026	Phase 1C GMP

22 - Plumbing	220523	GENERAL-DUTY VALVES FOR PLUMBING PIPING	7/6/2026	Phase 1C GMP
22 - Plumbing	220529	HANGERS AND SUPPORTS FOR PLUMBING PIPING AND EQUIPMENT	7/6/2026	Phase 1C GMP
22 - Plumbing	220548	Vibration and Seismic Controls for Plumbing Piping and Equipment	4/30/2025	100% GMP Set
22 - Plumbing	220548.13	Vibration Controls for Plumbing Piping and Equipment	7/6/2026	Phase 1C GMP
22 - Plumbing	220553	IDENTIFICATION FOR PLUMBING PIPING AND EQUIPMENT	7/6/2026	Phase 1C GMP
22 - Plumbing	220593	TESTING, ADJUSTING, AND BALANCING FOR PLUMBING	7/6/2026	Phase 1C GMP
22 - Plumbing	220719	PLUMBING PIPING INSULATION	7/6/2026	Phase 1C GMP
22 - Plumbing	221116	DOMESTIC WATER PIPING	7/6/2026	Phase 1C GMP
22 - Plumbing	221119	DOMESTIC WATER PIPING SPECIALTIES	7/6/2026	Phase 1C GMP
22 - Plumbing	221123	Domestic Water Pumps		100% GMP Set
22 - Plumbing	221123.21	Inline, Domestic Water Pumps	7/6/2026	Phase 1C GMP
22 - Plumbing	221316	SANITARY WASTE AND VENT PIPING	7/6/2026	Phase 1C GMP
22 - Plumbing	221319	SANITARY WASTE PIPING SPECIALTIES	7/6/2026	Phase 1C GMP
22 - Plumbing	221319.13	Sanitary Drains	7/6/2026	Phase 1C GMP
22 - Plumbing	223300	ELECTRIC, DOMESTIC-WATER HEATERS	7/6/2026	Phase 1C GMP
22 - Plumbing	223400	FUEL-FIRED, DOMESTIC-WATER HEATERS	7/6/2026	Phase 1C GMP
22 - Plumbing	224200	COMMERCIAL PLUMBING FIXTURES	7/6/2026	Phase 1C GMP
22 - Plumbing	224500	EMERGENCY PLUMBING FIXTURES	7/6/2026	Phase 1C GMP
22 - Plumbing	224700	DRINKING FOUNTAINS AND WATER COOLERS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230500	COMMON WORK RESULTS FOR HVAC	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230529	HANGERS AND SUPPORTS FOR HVAC PIPING AND EQUIPMENT	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230548	Vibration and Seismic Controls for HVAC		100% GMP Set
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230548.13	Vibration Controls for HVAC	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230553	IDENTIFICATION FOR HVAC PIPING AND EQUIPMENT	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230593	TESTING, ADJUSTING, AND BALANCING FOR HVAC	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230713	DUCT INSULATION	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230716	HVAC EQUIPMENT INSULATION	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230719	HVAC PIPING INSULATION	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230923	DIRECT DIGITAL CONTROL (DDC) SYSTEM FOR HVAC	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230923.19	Moisture Instruments	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230923.23	Pressure Instruments	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	230923.27	Temperature Instruments	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	231123	FACILITY NATURAL-GAS PIPING	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	232300	REFRIGERANT PIPING	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233113	METAL DUCTS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233300	AIR DUCT ACCESSORIES	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233346	FLEXIBLE DUCTS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233400	HVAC FANS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233439	HIGH-VOLUME, LOW-SPEED FANS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233600	AIR TERMINAL UNITS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233713	Diffusers, Registers, and Grilles		100% GMP Set
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233713.13	Air Diffusers	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	233713.23	Registers and Grilles	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	235123	GAS VENTS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	235523	Gas-Fired Radiant Heaters		100% GMP Set
23 - Heating, Ventilating, and Air Conditioning (HVAC)	235523.13	Low-Intensity, Gas-Fired, Radiant Heaters	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	237416.11	Packaged, Small-Capacity, Rooftop Air-Conditioning Units	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	238126	SPLIT-SYSTEM AIR-CONDITIONERS	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	238126.1	Ductless Split Systems	7/6/2026	Phase 1C GMP
23 - Heating, Ventilating, and Air Conditioning (HVAC)	238239	Unit Heaters		100% GMP Set
23 - Heating, Ventilating, and Air Conditioning (HVAC)	238239.19	Wall and Ceiling Unit Heaters	7/6/2026	Phase 1C GMP
26 - Electrical	260010	SUPPLEMENTAL REQUIREMENTS FOR ELECTRICAL	7/6/2026	Phase 1C GMP
26 - Electrical	260011	FACILITY PERFORMANCE REQUIREMENTS FOR ELECTRICAL	7/6/2026	Phase 1C GMP
26 - Electrical	260519	LOW-VOLTAGE ELECTRICAL POWER CONDUCTORS AND CABLES	7/6/2026	Phase 1C GMP
26 - Electrical	260523	Control-Voltage Electrical Power Cables		100% GMP Set
26 - Electrical	260526	GROUNDING AND BONDING FOR ELECTRICAL SYSTEMS	7/6/2026	Phase 1C GMP
26 - Electrical	260529	HANGERS AND SUPPORTS FOR ELECTRICAL SYSTEMS	7/6/2026	Phase 1C GMP
26 - Electrical	260533	Raceway and Boxes for Electrical Systems	4/30/2025	100% GMP Set
26 - Electrical	260533.13	Conduits for Electrical Systems	7/6/2026	Phase 1C GMP
26 - Electrical	260533.16	BOXES AND COVERS FOR ELECTRICAL SYSTEMS	7/6/2026	Phase 1C GMP
26 - Electrical	260543	UNDERGROUND DUCTS AND RACEWAYS FOR ELECTRICAL SYSTEMS	7/6/2026	Phase 1C GMP
26 - Electrical	260544	SLEEVES AND SLEEVE SEALS FOR ELECTRICAL RACEWAYS AND CABLING	7/6/2026	Phase 1C GMP
26 - Electrical	260553	IDENTIFICATION FOR ELECTRICAL SYSTEMS	7/6/2026	Phase 1C GMP
26 - Electrical	260923	LIGHTING CONTROL DEVICES	7/6/2026	Phase 1C GMP
26 - Electrical	262416	PANELBOARDS	7/6/2026	Phase 1C GMP
26 - Electrical	262726	WIRING DEVICES	7/6/2026	Phase 1C GMP
26 - Electrical	262813	FUSES	7/6/2026	Phase 1C GMP
26 - Electrical	262816	ENCLOSED SWITCHES AND CIRCUIT BREAKERS	7/6/2026	Phase 1C GMP
26 - Electrical	262913	Enclosed Controllers		100% GMP Set
26 - Electrical	262913.03	Manual and Magnetic Motor Controllers	7/6/2026	Phase 1C GMP
26 - Electrical	262933	CONTROLLERS FOR FIRE PUMP DRIVERS	7/6/2026	Phase 1C GMP
26 - Electrical	263213	Engine Generators		100% GMP Set
26 - Electrical	263213.16	Gas Engine Driven Generators Sets	7/6/2026	Phase 1C GMP
26 - Electrical	263343	BATTERY CHARGERS	7/6/2026	Phase 1C GMP
26 - Electrical	263600	TRANSFER SWITCHES	7/6/2026	Phase 1C GMP
26 - Electrical	264113	LIGHTNING PROTECTION FOR STRUCTURES	7/6/2026	Phase 1C GMP
26 - Electrical	264313	SURGE PROTECTIVE DEVICES FOR LOW-VOLTAGE ELECTRICAL POWER CIRCUITS	7/6/2026	Phase 1C GMP
26 - Electrical	265119	LED INTERIOR LIGHTING	7/6/2026	Phase 1C GMP
26 - Electrical	265213	EMERGENCY AND EXIT LIGHTING	7/6/2026	Phase 1C GMP
26 - Electrical	265619	LED EXTERIOR LIGHTING	7/6/2026	Phase 1C GMP
27 - Communications	27 11 19	COMMUNICATIONS TERMINATIONS BLOCKS AND PATCH PANELS	4/30/2025	100% GMP Set
27 - Communications	27 11 26	COMMUNICATIONS RACK MOUNTED POWER DISTRIBUTION	4/30/2025	100% GMP Set

27 - Communications	270000	Communications	4/30/2025	100% GMP Set
27 - Communications	270010	SUPPLEMENTAL REQUIREMENTS FOR COMMUNICATIONS	7/6/2026	Phase 1C GMP
27 - Communications	270500	COMMON WORK RESULTS FOR COMMUNICATIONS SYSTEMS	4/30/2025	100% GMP Set
27 - Communications	270526	GROUNDING AND BONDING FOR COMMUNICATIONS SYSTEMS	7/6/2026	Phase 1C GMP
27 - Communications	270528	PATHWAYS FOR COMMUNICATIONS SYSTEMS	7/6/2026	Phase 1C GMP
27 - Communications	270529	HANGERS AND SUPPORTS FOR COMMUNICATIONS SYSTEMS	7/6/2026	Phase 1C GMP
27 - Communications	270536	CABLE TRAYS FOR COMMUNICATIONS SYSTEMS	7/6/2026	Phase 1C GMP
27 - Communications	270543	UNDERGROUND DUCTS AND RACEWAYS FOR COMMUNICATIONS SYSTEMS	7/6/2026	Phase 1C GMP
27 - Communications	270544	SLEEVES AND SLEEVE SEALS FOR COMMUNICATIONS PATHWAYS AND CABLING	7/6/2026	Phase 1C GMP

Trade Specific Scope										
Drawing or Specification # and Detail	**Description:**									
This Agreement shall include, but not be limited to:										
Specific Scope of Work										
Scope Item #1	Provide a turnkey concrete package to include foundations, slab on grade, elevated decks, site cast tilt wall panels, concrete treads over steel pan stairs, and sidewalks.	Y	Included		G	$ 2,861,818		Y	Included	
Scope Item #2	Include all excavation, dewatering, and backfill required to complete this scope of work. Provide 12" #57 stone under all put foundation and spread footings that are -3.0' below finish floor.	Y	Included		Y	Included		Y	Included	
Scope Item #3	Include all slabs, stairs, ramps, concrete benches as indicated referencing structural and architectural drawings.	Y	Included		Y	Included		Y	Included	
Scope Item #4	Provide clean up, after each pour, to remove concrete excess piles. Clean any concrete overspray or splatter immediately. This contractor to provide their own washout container to recycle material and provide recycle tickets to GILBANE.	Y	Included		Y	Included		Y	Included	
Scope Item #5	Comply with all LEED requirements and provide LEED documentation related to this trade package scope of work. Any absorptive materials must be stored on dunnage or palates off of the ground and protected from moisture.	Y	Included		Y	Included		Y	Included	
Scope Item #6	Participate in Owner Direct Purchase tax saving program for material PO's $10,000 or greater.	Y	Included		Y	Included		Y	Included	
Scope Item #7	Install all concrete anchor bolts supplied by OTHERS. All anchor bolts shall be furnished by Steel Trade Contractor along with templates. Anchor bolts shall be laid out and installed by this Trade Contractor. This contractor is responsible for temporary protection of anchor bolts after concrete pours. Provide anchor bolt survey after concrete pours.	Y	Included	Includes survey before and after	Y	Included		Y	Included	
Scope Item #8	Receipt, unloading, staging, protection and installation of hollow metal frames within tilt up openings shall be provided by this trade contractor. Include bituminous coating of interior throat of all HM Frames.	y	Included		y	Included		y	Included	
Scope Item #9	Hoisting engineering shall be provided by this Trade Contractor as required, including the crane plan as detailed in the Gilbane Safety plan. FL Licensed PE needs to sign off on critical lifts, including lifts that include crawler cranes walking with panels.	Y	Included	Engineering not required for lifting of tilt up panels; no panels will be walked with the crane	Y	Included		Y	Included	
Scope Item #10	This trade contractor is to provide all drill and epoxy from concrete work to masonry walls.	N	$ -	Not included. Included in BP 04A Masonry.	N			N		
Scope Item #11	Rubbing of all tilt-up walls shall be provided by this Trade Contractor.	y	Included		y	Included		y	Included	
Scope Item #12	Provide all soil termite treatments for all areas under concrete. Provide all admixtures, waterproofing, vapor barriers/retarders, waterstops, expansion joint assemblies, control joints.	y	Included		y	Included		y	Included	
Scope Item #13	This Trade Contractor includes all expansion material with zip strip for all sidewalks and pavement.	y	Included		y	Included		y	Included	
Scope Item #14	All welding/bolting/screwing required for the erection of tilt up panels shall be provided by this Trade Contractor.	y	Included		y	Included		y	Included	
Scope Item #15	Furnish all embeds that get cast-in concrete, including but not limited to; panel-to-panel, panel to-foundations, panel to girt embeds. See Alternate #2 for breakout cost.	N	$ -	**Check 05A for scope duplication	G	$ 64,251		G	$ 64,251	
Scope Item #16	Furnish all trench drains, grates as well as bent plates, embeds that gets cast in concrete foundations and SOG to be furnished by this contractor in locations including but not limited to where it's clearly shown on contract documents at openings, overhead door jambs, pits at maintenance building, pits at wash building, equipment trenches.	N	$ -	Installation of all embeds that gets cast-in concrete is included, FURNISHED BY OTHERS	N			N		
Scope Item #17	Provide minimum 60-day rental for tilt-up wall bracing.	CA	$ 16,000	Additional 30 day extension will cost $16K	Y	Included		Y	Included	
Scope Item #18	All site concrete pavement to be 7.5", include dowels and sheet metal bottom strips at all EJ locations per detail C3 on C08.7.	Y	Included	Does not include Contraction Joints	Y	Included		Y	Included	
Scope Item #19	Include foundations for water filling station, flagpole.	Y	Included		Y	Included		Y	Included	
Scope Item #20	Furnish and Install all bollards, reference site drawings and architectural drawings for final count.	Y	Included	Installaton of 185 Bollards only, Furnished by Others	Y	Included		Y	Included	
Scope Item #21	CIP Wall and Seat at Patio per details D1 and D2 on 1S-402.	y	Included		y	Included		y	Included	
Scope Item #22	Provide all deepened foundations including pipe sleeves that are 3" larger than pipe diameter for MEP crossings per detail A5 on 1S-401.	y	Included		y	Included		y	Included	
Scope Item #23	Trade contractor asserts that the 2nd floor deck does not require any temporary shores, guys, braces or supports. This Trade Contractor shall be solely responsible for temporary measures and coordination to ensure that structural integrity is not compromised before, during and after concrete placement.	y	Included	Plans don't call for thickness, assumed normal weight concrete 5" with WW1.4	y	Included		y	Included	
Scope Item #24	"Hot Box" for field concrete cylinders if required by the project testing lab or specification shall be furnished by this trade contractor.	Y	Included		Y	Included		Y	Included

Project Name:	Palm Coast Public Works Facility
Job Number:	J08878.100
Construction Type:	6 Fire Resistive
Project Term:	1/4/2027 - 9/11/2028
Project Location:	**400 Peavy Grade, Palm Coast, FL 32137**

Project Description
Construction of new fleet maintenance building and a seperate wash building. Envelope to be strenghened to category 4 hurricanes for shelter. Main building shell is made out of pre-engineered metal building and tilt walls up to 20', above tilt walls to be combination of insulated metal panels and translucent panels. Main building roof to be standing seam roof and will have solar panels. Wash building is traditional tilt wall and structural steel with flat roof that is TPO.

Builders Risk Limit	**$37,000,000**	**Delay in Completion Limit**	**$5,000,000**
Hard Cost	**$37,000,000**	**Soft Costs:**	**$5,000,000**
Equipment	**$0**	**Business income/ loss of rents:**	**$0**

Sublimits:

			CAT Zone
$37,000,000	Flood		X
$37,000,000	Windstorm	w/purchase of excess limits	HH
$37,000,000	Earth Movement		LH
$5,000,000	Insured Property While In the course of Transit		
$5,000,000	Insured Property at Offsite Temporary Storage		
$500,000	Loss Adjustment Expenses		
$2,500,000	Contractors Expediting Expenses		
$2,500,000	Extra Expenses		
$10,000,000	Debris Removal		
$100,000	Landscaping and Signs		
$250,000	Crane Re-Erection Expense		
$5,000,000	Ordinance or Law Expenses – Demolition and Increased Costs of Construction combined		
$100,000	Construction Equip & Office Trailers		
$50,000,000	Faulty, Inadequate, defective workmanship		
$2,500,000	Existing Building Coverage - Damage from Construction Operations		
10%	Escalation: Hard Cost		

Deductibles:

AOP	$25,000
Flood	$25,000
Windstorm	5%/$250,000
Earth Movement	$25,000
Water Damage	$50,000
Faulty Workmanship	$150,000
Waiting Period Days:	21

SECTION 4

- SITE UTILIZATION PLAN
- PROJECT SCHEDULE – PHASE 1C

Phase 1C Scope of Work
Construction of new Maintenance Building and Wash Buildings along with Site Improvements.

COPC MOC - Con Update 13

1200 Riverplace Blvd., Suite 600
Jacksonville, FL 32207

T: 904.543.0400
www.pondco.com

September 16, 2026

Carl Cote
Director of Stormwater and Engineering
City of Palm Coast
160 Lake Avenue
Palm Coast, FL 32164

RE: RFSQ-CD-20-20 City of Palm Coast Public Works Facility MOD #17

Mr. Cote:

Project Background and History:

This contract modification addresses additional services required for the Construction Administration of Phase 1C – vertical construction of the Wash and Maintenance building. The original contract made provisions for a portion of these services but did not address the increase in scope or additional time in the schedule associated with building Phase 1 in three phases (A-sitework, B-Fueling, and C-vertical construction of Wash and Maintenance).

The scope enclosed does not address fees for future construction documents or construction administration for phase 2.

Scope of modifications:

Phase One – Basic Services Construction Administration: GMP-3

The construction administration phase of the project includes the following assumptions:

1. **Cost of Construction of Phase 1C**: Based on the estimate update dated March 23, 2026 – the construction cost for this phase is assumed to $27,734,891.00. More current estimates suggest this value may increase further. No additional fees are anticipated if the cost of construction remains under $29,000,000.00
2. **Site Visits:** Monthly site visits by the Pond Architecture team (1 to 2 people per visit) and discipline support when needed (structural, mechanical, and electrical). Site visits will include issuing summary reports of findings and progress.
3. **OAC Meetings: W**eekly remote meetings attend by Pond project management, Architecture, and discipline support when needed.
4. **Submittal Reviews:** Ninety total reviews of different levels of complexity anticipated.
5. **RFI Reviews:** One hundred and ten total reviews and responses of different levels of complexity anticipated. *Submittal and RFI totals are for reference and may vary.
6. **Pay Application Reviews:** Monthly for the duration.
7. **Project Closeout:** Provide the Owner with closeout drawings and assist in gathering closeout materials from the Contractor.
8. **Equipment Reviews:** WSP will assist Pond and act as owner's representative for review of all equipment previously specified by HDR. HDR is no longer able to support the project in this regard and WSP will work with the team to review submittals for compliance, respond to RFI's and provide punch list services.

Schedule:

Construction Schedule for Phase 1C: Based on the estimate update dated March 23, 2026 – the construction schedule will begin in with the Notice to Proceed for Gilbane in early November 2026. This will begin the submittal phase and coordination with sub-contractors. Full mobilization is anticipated for December of 2026 with construction complete in July of 2028 – **18 months of Construction Administration.**

Architects
Engineers
Planners
Constructors

All Pond marketing materials are printed on papers containing post-consumer recycled fibers and are FSC Certified.

Fees:
2027 Hourly Rates are attached for reference.
The original contract for this project included fees for construction administration. Thos fees have been reallocated over the course of the project. AS-16 notes the remaining fee available for construction administration at $21,722.14. This remaining fee is supplemented by this add service request.

Our team considered two methodologies for fee calculation.
The first uses The Florida Department of Management Services (FDMS) Architecture and Engineering Fee Guide for Services. That calculator serves as a guide for the fees associated with services based on project construction cost and the complexity of the project type. Using that calculator notes that a project of this level of complexity (Complexity Group B) and a construction cost of $27,734,891.00 should result in a total fee of $1,829,037 for schematic design through construction administration. This calculator is limited to basic services and does not include site design, or any specialty consultants like LEED, commissioning, or cost estimating. Construction Administration typically represents 25% of the total base fee. Assuming the total fee of $1,829,037 noted above – the **Construction Administration fee** is suggested at: $1,829,037 * 25% = **$457,259.25**.
The second methodology identifies the hours, and hourly rates associated for each task. This methodology generates a fee of **$467,800.52**.

For this addition service, we are suggesting the fee be based on the FDMS standard less the remaining fee available in AS-16 GMP-3. AS-17 is a request for additional services in the amount of $435,537.11 or Four Hundred Seventy-Four Thousand, Eight Hundred and Eighty-Five dollars and 11/100 cents.

Scope	Number	Hrs/Per	Avg. Hourly	Exp/Visit	Fee
Submittal Reviews	90	6	$225.00	$0.00	$121,500.00
RFI Responses	110	4	$225.00	$0.00	$99,000.00
OAC Meeting (Remote)	72	4	$275.00	$0.00	$79,200.00
		Months	OAC/Month	# of Meetings	
	OAC	18	4	72	
Site Visits	22	16	$275.00	$500.00	$107,800.00
Pay App Reviews	18	4	$309.35	$0.00	$22,273.20
Sub Total					$429,773.20
Contingency				10.00%	$42,977.32
Total					**$472,750.52**
			FDMS		**$457,259.25**
			Discount to FDMS		**$15,491.27**
				Total CA Fee	**$457,259.25**
			AS 16 GMP-3 CA Fee Reemaining		**$21,722.14**
				Subtotal	**$435,537.11**

Equipment Scope	Hours	Fee	Avg. Hourly	Expenses	Fee
WSP Construction Administration	208	$32,816.00	$157.77	$2,932.00	$35,748.00
Pond Coordination	16	$3,600.00	$225.00	$0.00	$3,600.00
				Equip Subtotal	**$39,348.00**
				Total AS 17 Fee	**$474,885.11**

If you find this proposal acceptable, please forward the appropriate approval to our office.

Sincerely,

Eric West, AIA
Senior Project Manager

7. Current Zoning
8. Proposed Zoning
9. Applicant Submittals
10. Public Comments

Background:

<u>Updates from the October 6 First Public Hearing</u>

At the October 6, 2026 public hearing for Magnolia Trace, City Council provided comments and direction regarding the following items:

1. Deletion of conversion chart,
2. Ensure that stormwater runoff is not an issue that negatively impacts surrounding properties,
3. Maintain the natural buffer to the extent possible,
4. Prohibit Open Buring on-site, and
5. Increase minimum townhome lot size from 18’ to 20’.

In response to City Council comments, the MPD-DA has been amended as follows:

1. Conversion Chart (as Exhibit E) and language referring to conversion chart has been deleted,
2. Section 9 (e). Language has been clarified that stormwater and stormwater runoff is responsibility of owner and must be conveyed to master stormwater system for project. (In addition to this language,

stormwater staff will provide a presentation on the development review process to demonstrate that stormwater system meets conditions to prevent flooding of other properties), furthermore,

3. Section 10.20. MPD conditions regarding buffers have been amended to clarify every effort must be made to maintain natural buffers with condition(s) that: a. minimum buffer widths must be maintained, b. the existing conditions provide equal to or greater than conditions for screening, c. there is need to provide for supplemental buffering if existing conditions are inadequate, and d. permits for the removal of removing and replacing dead or diseased trees and removal of exotic species. Additionally, conditions are established that natural buffers may be replaced by an installed landscape buffer under the following conditions: a. if it impairs the stormwater management system; b. prevent or hinder adherence to Best Management Practices (BMP) for stormwater management; c. causes or contributes to flooding; or d. prevents or materially interferes with development of project.
4. Section 10.22. Language has been added to prohibit open burning, and
5. Table 12.1 Site Development Requirements. The minimum townhome lot width is increased from 18' to 20'.

Additionally, Section 10.9 was amended to clarify that the developer receives no credit for extending utility lines to their property.

ORIGINAL BACKGROUND

The owner, Oare Associates, LLC, through its agent, Jay Livingston, is requesting a Fourth Amendment to the Magnolia Trace Master Planned-Development Agreement (formerly known as the Oare MPD). The Magnolia Trace MPD was originally approved as the Oare Mixed Use PUD in 2005. The original MPD/PUD covered a 1,013.36+/- acre area located approximately .75 miles from the intersection of Belle Terre Blvd. and US-1. The approval was part of a process to develop a mixed use "Continuing Care Retirement Community". The community was intended to provide an opportunity for "aging in place" development.

The project provides progressive forms of residential housing opportunities ranging from independent living through assisted living. There is an additional intent to provide a neighborhood scale commercial to support these areas and to reduce trips. A density bonus was provided as part of the original application consistent with Comprehensive Plan Policy to encourage development of continuum of care facilities. The initial approval for the Oare MPD permitted a maximum of 754 dwelling units. The permitted density equated to less than one unit/gross acre and less than four units/net acre. The Development Agreement allows for a 724-unit continuing care adult community consisting of single family and multifamily attached and detached dwellings, an Assisted Living Facility, an Extended Care Facility, single family estate lots, and supporting neighborhood commercial land uses. Of the tracts that were identified in the MPD, Tract 1 has been developed into the planned Assisted Living Facility (Grand Villa ALF).

The amendment request includes the following:

· Expansion of the MPD area by 4.41+/- acres (4.41+/- acres from Est-1 to MPD zoning),

· Reduction of maximum residential units by 130 units from 754 to 624. Current MPD permits maximum of 754 dwelling units. Proposed MPD proposes a maximum of 624 dwelling units in a mix of single-family

detached, townhomes, and multifamily units. Townhomes and multifamily units will be limited to 150 units. The maximum development potential as stated in the current and proposed MPD includes the 80 existing dwelling units in Grand Villa ALF - 20 independent living and 60 bed units.

· Combining (based on current MPD) Tract 2-Neighborhood Commercial, Tract 3-Extended Care Facility into one Tract (Tract 1) – to permit either of the following:

- o stand alone neighborhood commercial consistent with COM-1 requirements, or
- o stand alone residential consistent with MFR-1 Zoning district, or
- o Mixed Use development consisting of single-use buildings or one or more mixed use buildings (commercial on ground floor and residential on remaining floors)

· Integration of current Tract 4-Adult Active Community (Age Restricted Community), and Tract 5-Estate Lots into one Tract (Tract 2) to accommodate up to 544 units (this would eliminate construction of additional residential units on other Tracts).

· Limit access through Zonal Geranium Trail as emergency access only (current MPD allows permanent access through Zonal Geranium Trail).

· Create a new emergency access to Zaun Trail.

Analysis:

Staff finds the following:

· There are no proposed changes to the MPD-DA that would be contrary to the public interest.

· There are no proposed changes that would make the MPD-DA inconsistent with the Comprehensive Plan.

· The proposed development reduces the potential number of residential units by 130 and would not create additional impacts to public infrastructure.

· There are no proposed changes that would constitute a threat to the health, welfare, and safety of City's in habitants.

· There are no conditions in the MPD that would waive the development's need to comply with other applicable local, state and federal laws, statutes, ordinances, regulations, or codes.

· The proposed MPD is generally consistent with the LDC however, staff finds that a minimum townhome lot width of 18 is problematic with ensuring compliance with LDC requirement of providing 25% landscaped planting area in front of the home's building façade out to the front property line. Additionally, the LDC requires a minimum width of 16' for driveways (2 side by side parking spaces). This requirement combined with a

minimum lot width of 18’ leaves minimal separation between townhome driveways. Staff recommends that the minimum townhome lot be 20’.

· The conceptual master plan proposes 60’ wide lots adjacent to the existing 80’ wide lots (SFR-3 zoning) to the east. The MPD provides for a 20’ wide buffer between the existing SFR-3 lots along the eastern boundary of the MPD. Other areas adjacent to the existing single-family residential area (Z-section) will have buffers greater than 40’.

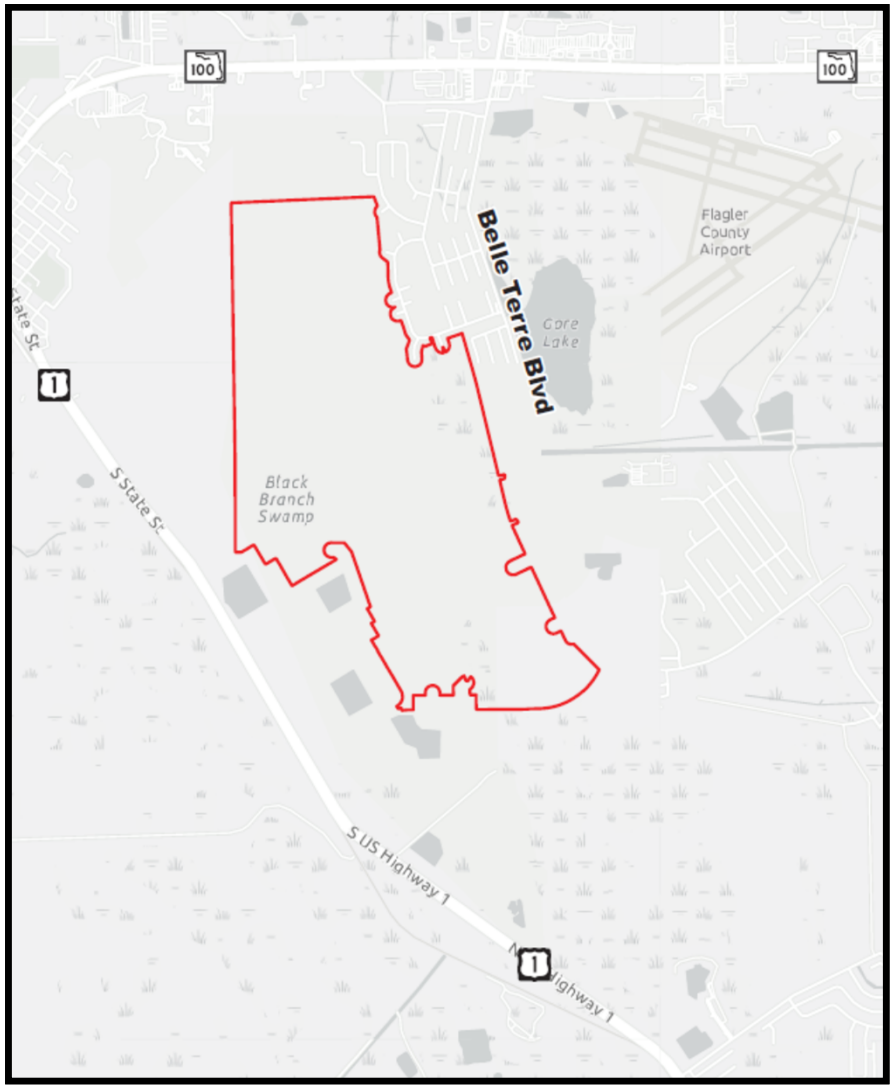
· Review of the traffic impacts will not cause any road segments to fall below the level of service. The MPD-DA has a condition that specific location, alignment, and design of the full-access collector roadways and the stabilized emergency access points shall be determined at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal for each phase. Any improvement will be responsibility of owner.

· MPD preserves over The Planning and Land Development Regulation Board (PLDRB) held a public hearing on September 22 and voted 6-1 to recommend that the City Council approve the proposed amendment to the Magnolia Trace MPD-Development Agreement.

Additionally, the PLDRB recommended the addition of a condition in the MPD-DA to have a historic marker installed on the property to recognize Gore Lake Mound as an archaeological site.

The PLDRB further recommended that the Applicant and Staff work together to create a condition that would allow for 18’ wide townhome lots.
5+/- acres.

This is a quasi judicial item, please disclose any ex parte communication



Recommended Action:
The Planning and Land Development Regulation Board (PLDRB) held a public hearing on September 22 and voted 6-1 to recommend that the City Council approve the proposed amendment to the Magnolia Trace MPD-Development Agreement.

Additionally, the PLDRB recommended the addition of a condition in the MPD-DA to have a historic marker installed on the property to recognize Gore Lake Mound as an archaeological site.

The PLDRB further recommended that the Applicant and Staff work together to create a condition that would allow for 18’ wide townhome lots.

Public Participation/Public Notice

- The applicant hosted a neighborhood meeting on August 25, 2026. The applicant provided a powerpoint presentation followed by a question and answer session regarding the proposed amendments to the MPD Agreement.

Magnolia Trace Master Planned Development Amendment
Analysis and Recommendation
AR # 6549

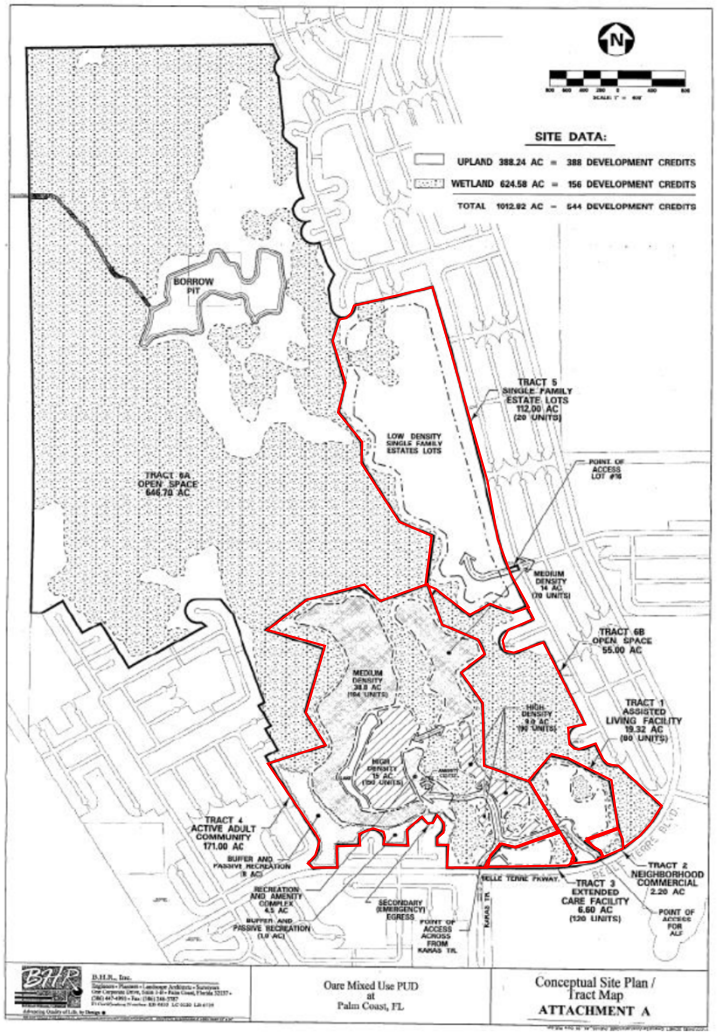
PALM COAST

Proposed Amendment

- Expansion of the MPD area by 4.41+/- acres (4.41+/- acres from Est-1 to MPD zoning),
- Reduction of maximum residential units by 130 units from 754 to 624
- Townhomes and multifamily units will be limited to 150 units.
- The maximum development potential as stated in the current and proposed MPD includes the 80 existing dwelling units in Grand Villa ALF - 20 independent living and 60 bed units.

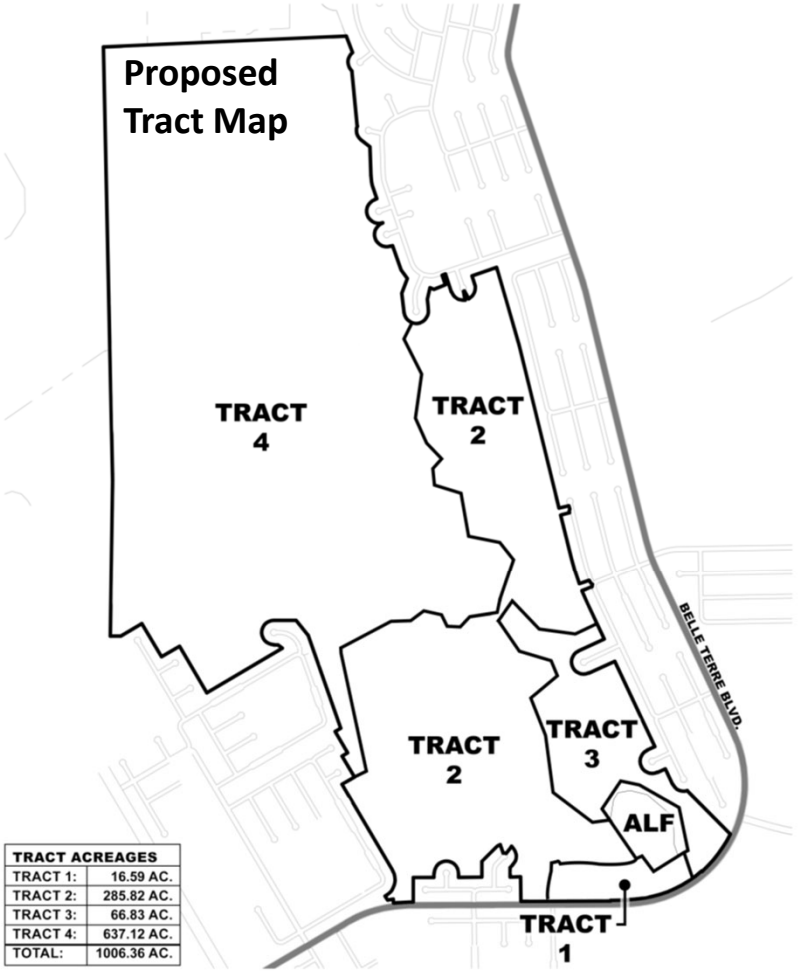
Proposed Amendment

- Combining (based on current MPD) Tract 2-Neighborhood Commercial, Tract 3-Extended Care Facility into one Tract (Tract 1) – to permit either of the following:
  - stand alone neighborhood commercial consistent with COM-1 requirements, or
  - stand alone residential consistent with MFR-1 Zoning district, or
  - Mixed Use development consisting of single-use buildings or one or more mixed use buildings (commercial on ground floor and residential on remaining floors)



Proposed Amendment

- Integration of current Tract 4-Adult Active Community (Age Restricted Community), and Tract 5-Estate Lots into one Tract (Tract 2) to accommodate up to 544 units



- Limit access through Zonal Geranium Trail as emergency access only (current MPD allows permanent access through Zonal Geranium Trail).

- Create a new emergency access to Zaun Trail.

Criteria for Rezoning – LDC Section 2.05.05

A. The proposed development must not be in conflict with or contrary to the public interest;

B. The proposed development must be consistent with the Comprehensive Plan and the provisions of this LDC;

C. The proposed development must not impose a significant financial liability or hardship for the City;

D. The proposed development must not create an unreasonable hazard, or nuisance, or constitute a threat to the general health, welfare, or safety of the City's inhabitants;

E. The proposed development must comply with all other applicable local, state and federal laws, statutes, ordinances, regulations, or codes.

PALM COAST

Zoning Map Amendment LDC Sec. 2.05.05 Criteria Analysis

A. The proposed development must not be in conflict with or contrary to the public interest;

- Originally approved as an “age in place” or “continuum of care” facility (different housing types with differing levels of assistance from independent living, to assisted living, to extended care
- the potential for an “age in place” or “continuum of care” remain intact with a cap on the number of multi-family units/townhome units within the project
- the inclusion of an additional 4.41+/- acres into the MPD will not present a conflict with or be contrary to public interest since it provides for the expansion of the buffer area between the MPD and the existing residential area.

PALM COAST

Zoning Map Amendment LDC Sec. 2.05.05 Criteria Analysis

B. The proposed development must be consistent with the Comprehensive Plan and the provisions of this LDC;

- The MPD Development Agreement having received previous approval is consistent with the Comprehensive Plan. There are no items in the proposed amendment to the MPD that would make the development inconsistent with the Comprehensive Plan.

Zoning Map Amendment LDC Sec. 2.05.05 Criteria Analysis

C. The proposed development must not impose a significant financial liability or hardship for the City;

- The proposed amendment will reduce the potential demand for water and sewer due to the potential reduction in residential units of at least 130 units.
- The condition for the developer/landowner to be responsible for extending infrastructure to the project site remains unchanged.

Zoning Map Amendment LDC Sec. 2.05.05 Criteria Analysis

D. The proposed development must not create an unreasonable hazard, or nuisance, or constitute a threat to the general health, welfare, or safety of the City's inhabitants; and
E. The proposed development must comply with all other applicable local, state and federal laws, statutes, ordinances, regulations, or codes.

- Future development of the site must still comply with the development standards contained within the Development Agreement, as well as with requirements of the Unified Land Development Code (ULDC) where applicable, and the Comprehensive Plan.

- As well as applicable local, state and federal laws, statutes, ordinances, regulations and codes. This includes items like having the appropriate accommodations for infrastructure (water, sewer, transportation, stormwater, and schools) or the required permits from the St. Johns River Water Management District (SJRWMD), the Army Corps of Engineers (ACOE), or Florida Department of Environmental Protection (DEP).

PALM COAST

Zoning Map Amendment LDC Sec. **2.09.04** Criteria Analysis

A. Consistency with all adopted elements of the Comprehensive Plan and whether is furthers the goals and objectives of the Comprehensive Plan;

- As noted previously in the analysis prepared for ULDC Chapter 2, Part II, Section 2.05.05 of this staff report

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

B. Consistency with the general intent of the LDC;

- Generally consistent with the general intent of the Land Development Code (LDC). MPD-DA provides for dwelling unit size, heights, and setbacks that are consistent with the standards in the LDC for single-family and multi-family units.

- Conditions and items in the MPD-DA such as private amenities, pedestrian/bicycle amenities, fire protection, lighting standards that are required by the LDC.

- Additionally, conditions in the MPD-DA that requires the drainage/stormwater system in the development to meet the LDC requirements, as well as SJRWMD and DEP rules and regulations.

- MPD will need to meet the Level of Service (LOS) standards established in the Comprehensive Plan for varying public facilities and services.

PALM COAST

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

B. Consistency with the general intent of the LDC, (continued);

- Failure to meet the LOS standards may require mitigation agreement between the developer and City or if the impact is on schools, then, a proportionate-agreement between the developer and the School District may be necessary.

Staff notes the following as an item of concern:

- Staff has found townhome lot widths of 18’ to be problematic due to LDC requirement of providing 25% landscaped planting area in front of the home’s building facade out to the front property line.

- Additionally, the LDC requires a minimum width of 16’ for driveways (2 side by side parking spaces). This requirement combined with a minimum lot width of 18’ leaves minimal separation between townhome driveways.

- Staff recommends that the minimum townhome lot be 20’.

PALM COAST

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

C. Degree of departure of the proposed development from surrounding areas in terms of character and density/intensity; and
D. Compatibility within the development and relationship with surrounding neighborhoods;

- The proposed density/intensity is consistent with the surrounding area.
- The amendment includes a reduction in the maximum development potential of at least 130 units from the existing MPD.
- The conceptual master plan proposes 60’ wide lots adjacent to the existing 80’ wide lots (SFR-3 zoning) to the east.
- The MPD provides for a 20’ wide buffer between the existing SFR-3 lots along the eastern boundary of the MPD. Other areas adjacent to the existing single-family residential area (Z-section) will have buffers greater than 40’.

PALM COAST

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

E. Adequate provision for future public education and recreation facilities, transportation, water supply, sewage disposal, surface drainage, flood control, and soil conservation as shown in the development plan;

- No conditions exist to exempt MPD from meeting the Level of Service standards listed in Exhibit 8.1 of the Comprehensive Plan.

- Deficiency in the LOS will require mitigation by the developer through proportionate share payment or agreement. These agreements may be between the developer and the City and in the case of school facilities, with the School District.

- Impacts on surface drainage, flood control, and soil conservation will follow Federal Emergency Management Agency (FEMA) rules and regulations and LDC Section 10.02. Stormwater Management systems will be designed and permitted in accordance with SJRWMD and FDEP regulations. Any pollution and environmental concerns will be subject to Code of Ordinances Chapter 24, Article II.

PALM COAST

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

F. The feasibility and compatibility of development phases to stand as independent developments;

- The MPD-DA allows for the phased development
- MPD-DA includes language to ensure independence of each phase:
- *Each phase of the Project will include infrastructure to support the proposed uses, including water and wastewater service, drainage, private roads, vehicular, and pedestrian access facilities. All infrastructure …. shall be constructed concurrently with, or prior to construction of that phase of the Project, as approved by the City. (Section 11(a) of MPD Agreement).*

PALM COAST

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

G. The availability and adequacy of primary streets and thoroughfares to support traffic to be generated within the proposed development;

- Required infrastructure must be available to support the proposed development concurrent with its impacts.

- Review of the traffic impacts will not cause any road segments to fall below the level of service.

- The MPD-DA has a condition that specific location, alignment, and design of the full-access collector roadways and the stabilized emergency access points shall be determined at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal for each phase.

Palm Coast

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

G. The availability and adequacy of primary streets and thoroughfares to support traffic to be generated within the proposed development;

The condition includes the following language:

If a traffic signal or other traffic control improvement is warranted at any Project access point based on (i) a phase-specific traffic impact analysis submitted with the Preliminary Plat or Technical Site Plan for any phase of the Project or

(ii) applicable warrant analyses under the Manual on Uniform Traffic Control Devices (MUTCD) or FDOT standards, the Owner shall design, construct, and bond the signal or alternative traffic control improvement as a condition to the issuance of development orders for the phase triggering the warrant, at the Owner's sole expense and subject to any proportionate-share arrangements with other benefiting parties. (Section 10.10 of MPD Agreement).

PALM COAST

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

H. The benefits within the proposed development and to the general public to justify the requested departure from standard development requirements inherent in a Master Planned Development District classification;

The existing MPD preserves over 715+/- acres of wetlands in conservation easements. The flexibility provided by the MPD designation allows the project to minimize development impacts on wetlands.

Zoning Map Amendment LDC Sec. 2.09.04 Criteria Analysis

I. The conformity and compatibility of the development with any adopted development plan of the City of Palm Coast.

- There are no specific development plan for this area of the City. Analysis was conducted for consistency with Comprehensive Plan.

Zoning Map Amendment LDC Sec. **2.09.04** Criteria Analysis

J. Impact upon the environment or natural resources

- MPD Conceptual Plan map protects large contiguous areas of wetlands (approximately a total of 715 acres in conservation easements).

- MPD Conceptual Plan identifies locations of wildlife crossings as part of the internal roadway network. The wildlife corridors will provide opportunities to protect wildlife as well as providing contiguity within the wetland system.

Zoning Map Amendment LDC Sec. **2.09.04** Criteria Analysis

K. Impact on the economy of any affected area

- If approved, the proposed amendment will provide temporary construction jobs during its construction.

Findings Summary

- The proposed amendment meets the developmental criteria of LDC Sections 2.05.05 and 2.09.04

- The proposed amendment is consistent with the Comprehensive Plan

Recommendations

The Planning and Land Development Regulation Board (PLDRB) held a public hearing on September 22 and voted 6-1 to recommend approval of the proposed Amendment.

Additionally, the PLDRB recommended the addition of a condition in the MPD-DA to have a historic marker installed on the property to recognize Gore Lake Mound as an archaeological site.

The PLDRB further recommended that the Applicant and Staff work together to create a condition that would allow for 18’ wide townhome lots.

ORDINANCE 2026-__
FOURTH AMENDED AND RESTATED MASTER PLANNED DEVELOPMENT AGREEMENT MAGNOLIA TRACE (F/K/A/ OARE MPD) APPLICATION #6549

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PALMCOAST, FLORIDA, AMENDING THE ZONING DESIGNATION FOR 4.41+/- ACRES FROM ESTATE-1 TO MASTER PLANNED DEVELOPMENT AND IS MADE PART OF THE FOURTH AMENDED AND RESTATED MAGNOLIA TRACE MASTER PLANNED DEVELOPMENT (MPD) DEVELOPMENT AGREEMENT (FORMERLY KNOWN AS THE OARE MPD) FOR PROPERTY CONSISTING OF APPROXIMATELY 1017.77+/- ACRES (INCLUDES 11.41+/- ACRE SITE OF GRAND VILLA ALF), GENERALLY LOCATED .75 MILES NORTHEAST OF THE US-1 AND BELLE TERRE BLVD. INTERSECTION ON THE WESTSIDE OF BELLE TERRE BOULEVARD; PROVIDING FOR SEVERABILITY, CONFLICTS, AND AN EFFECTIVE DATE.

WHEREAS, the owner of certain real property, totaling approximately 1,017.77± acres in size, attached as Exhibit "A" generally located .75 miles northeast of the US-1 and Belle Terre Blvd. on the westside of Belle Terre Blvd., petitioned the City of Palm Coast to amend a previously approved Master Planned Development-Development Agreement for Magnolia Trace MPD formerly known as the Oare MPD pursuant to the controlling provisions of State law and the applicable codes and ordinance of the City of Palm Coast; and

WHEREAS, the Third Amended and Restated Oare MPD-Development Agreement permitted a total density of 754 residential units, consisting of a mix of assisted living, extended care, active adult lots, single family estate lots, and 2.2 acres reserved for neighborhood commercial uses on a gross acreage of 1,013.36 acres, more or less ("Previous MPD Property"); and

WHEREAS, an assisted living facility consisting of 60 assisted living bed units and 20 independent living residences ("Assisted Living Facility") was completed in 2008 a portion of Tract 1 as defined and identified in the Previous MPD; and

WHEREAS the City of Palm Coast City Council ("City Council") finds that this Development Agreement (the Fourth Amended and Restated Magnolia Trace MPD) is consistent with the City's Comprehensive Plan (2050) (the "Comprehensive Plan") and Unified Land Development Code ("LDC") and that the conditions, terms, restrictions, and requirements set forth herein are necessary for the protection of the public health, safety, and welfare of the citizens of the City; and

WHEREAS, the City Council further finds that this Development Agreement is consistent with and an exercise of the City's powers under the Municipal Home Rule Powers Act; Article

VIII, Section 2(b) of the Constitution of the State of Florida; Chapter 166, Florida Statutes; the City of Palm Coast City Charter; other controlling law; and the City's police powers; and

WHEREAS, this is a non-statutory Development Agreement which is not subject to nor enacted pursuant to the provisions of Sections 163.3220 -163.3243, Florida Statutes; and

WHEREAS, City staff has reviewed and has subsequently recommended approval of the application; and

WHEREAS, on the 22nd day of September 2026, the Planning and Land Development Regulation Board (PLDRB) recommended that the application be APPROVED; and

WHEREAS, the City Council has considered the evidence and testimony presented by the applicant and other interested parties, the recommendations of City staff, and the recommendation of PLDRB; and

WHEREAS, the City Council of the City of Palm Coast held a duly noticed public hearing on the proposed amendments to the Magnolia Trace Master Planned Development -Development Agreement set forth hereunder and considered findings and recommendations of staff, citizens, and all interested parties submitting written and oral comments and supporting data and analysis, and the recommendation of the Planning and Land Development Regulation Board and after complete deliberation, the City Council hereby finds the requested Master Planned Development Amendment is consistent with the City of Palm Coast Comprehensive Plan, and that sufficient, competent, and substantial evidence supports the zoning change set forth hereunder, and

WHEREAS, the City Council of the City of Palm Coast hereby finds that this Ordinance serves a legitimate government purpose and is in the best interests of the public health, safety, and welfare of the citizens of Palm Coast, Florida.

NOW, THEREFORE, IT IS HEREBY ORDAINED BY THE CITY OF PALM COAST, FLORIDA:

SECTION 1. LEGISLATIVE AND ADMINISTRATIVE FINDINGS. The foregoing recitals are true and correct and are fully incorporated herein by this reference.

SECTION 2. OFFICIAL ZONING MAP AMENDED. A 4.41 ± acre area is amended from Estate-1 to Master Planned Development and is made a part of the Fourth Amended and Restated Magnolia Trace Master Planned Development as shown in Exhibit "A".

SECTION 3 AMENDED AND RESTATED MAGNOLIA TRACE MASTER PLANNED DEVELOPMENT - DEVELOPMENT AGREEMENT (MPD-DA)

The Fourth Amended and Restated Magnolia Trace MPD DA and its exhibits attached hereto as EXHIBIT "A", with all appropriate signatures and joinders, is hereby adopted and

approved by the City Council of the City of Palm Coast and shall constitute the regulations for the specific MPD District. The DA shall be recorded in the Official Records of Flagler County, Florida, by the City Clerk.

SECTION 4. SEVERABILITY. It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this Code are severable, and if any phrase, clause, sentence, paragraph or section of this Code shall be declared unconstitutional by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Code.

SECTION 5. CONFLICTS. All ordinances or parts of ordinances in conflict with this Ordinance are hereby repealed.

SECTION 6. EFFECTIVE DATE. This Ordinance shall become effective immediately upon its passage and adoption.

APPROVED on first reading this 6th day of October 2026.

ADOPTED on the second reading after due public notice and hearing this 20th day of October 2026.

OVERVIEW

Application Number:	6549
Applicant/Agent:	Jay W. Livingston, Esq.
Property Description:	1,017.77+/- acres (includes 11.41+/- acres for an existing ALF facility) located about .75 miles to the northeast of the US-1 and Belle Terre Blvd. intersection on the westside of Belle Terre Blvd.
Property Owners:	Oare Associates, LLC
Parcel Address:	N/A
Current FLUM:	Greenbelt and Conservation
Current Zoning:	Estate-1, and Master Planned Development
Current Use:	Approximately 1006.36+/- acres of vacant land consisting of uplands and wetlands with 11.41+/- acre site developed with an Assisted Living Facility
Size of Property:	1017.77+/- acres (includes 11.41+/- acres for an existing ALF facility)
Requested Action:	Amend the Magnolia Trace Master Planned Development Agreement (f/k/a Oare MPD) to add 4.41+/- acres to the MPD, to reduce the maximum number of permitted units and to amend the mix of residential types permitted within the MPD

ANALYSIS

REQUESTED ACTION

Jay Livingston, Esq. on behalf of the landowners, Oare Associates, LLC has filed an application to amend the Magnolia Trace MPD (formerly known as Oare MPD). If approved, this proposed amendment will be the fourth amended and restated MPD agreement.

The amendment application proposes the following:

- Expansion of the MPD area by 4.41+/- acres (4.41+/- acres from Est-1 to MPD zoning),
- Reduction of maximum residential units by 130 units from 754 to 624. Current MPD permits maximum of 754 dwelling units. Proposed MPD will permit a maximum of 624 dwelling units in a mix of single-family detached, townhomes, and multifamily units. Townhomes and multifamily units will be limited to 150 units. The maximum development potential as stated in the current and proposed MPD includes the 80 existing dwelling units in Grand Villa ALF - 20 independent living and 60 bed units.

- The current MPD agreement does not provide a cap on the number of multifamily units. The proposed amendment limits multifamily or townhome units to 150.
- Combining (based on current MPD) Tract 2-Neighborhood Commercial, Tract 3-Extended Care Facility into one Tract (Tract 1) – to permit either of the following:
    - stand alone neighborhood commercial consistent with COM-1 requirements, or
    - stand alone residential consistent with MFR-1 Zoning district, or
    - Mixed Use development consisting of single-use buildings or one or more mixed use buildings (commercial on ground floor and residential on remaining floors)
- Integration of current Tract 4-Adult Active Community (Age Restricted Community), and Tract 5-Estate Lots into one Tract (Tract 2) to accommodate up to 544 units (this would eliminate construction of additional residential units on other Tracts).
- Limit access through Zonal Geranium Trail as emergency access only (current MPD allows permanent access through Zonal Geranium Trail).
- Create a new emergency access to Zaun Trail.

BACKGROUND/SITE HISTORY

In 2005, City Council through Ordinance #2005-45 approved a zoning change for the Oare Mixed Use PUD (Planned Unit Development). The approval was part of a process in order to develop a mixed use “Continuing Care Retirement Community”. The community was intended to provide an opportunity for “aging in place” development. The project provides progressive forms of residential housing opportunities ranging from independent living through assisted living. There is an additional intent to provide a neighborhood scale commercial to support these areas and lessen trips. A density bonus was provided as part of the original application consistent with Comprehensive Plan Policy to encourage development of continuum of care facilities. The initial approval for the Oare MPD permitted 754 dwelling units consisting of 544 dwelling units. The permitted density equated to less than one unit/gross acre and less than four units/net acre.

In 2008, an assisted living facility consisting of 60 assisted living bed units and 20 independent living residences was completed on a portion of Tract 1. No other development has commenced on the site.

Subsequent through the years, in 2009, 2014, and 2019, the landowners applied as permitted by the PUD/MPD to extend the deadline for the commencement of the platting process for the remainder of the parcel (within 60 months of approval). In 2024, the landowner was granted a 48 month extension through Florida Statutes Section 252.363(1)(a). This brought the expiration date of the Magnolia Trace MPD to November 25, 2028.

LAND USE AND ZONING INFORMATION

USE SUMMARY TABLE:

CATEGORY:	EXISTING:	PROPOSED:
Future Land Use Map (FLUM)	Greenbelt and Conservation	No change to Future Land Use Map (FLUM)

Zoning District	Master Planned Development	4.41+/- acres of EST-1 to Master Planned Development
Use	Continuum of Care facilities – mix of independent living and assisted living units with neighborhood commercial	No change to permitted uses, proposed change to caps for particular units or options for location of development
Acreage	1,013.36+/- acres	1,017.77+/- acres (includes 11.41+/- acres for existing ALF)

SURROUNDING LAND USES:

NORTH:	FLUM:	City of Bunnell (Multi-Family-8 to 20 dwelling units/acre), City of Palm Coast -Residential
	Zoning:	City of Bunnell-Multi-family district (R-3B), City of Palm Coast-Single-family residential (SFR-2 and SFR-3)
EAST:	FLUM:	City of Palm Coast-Residential
	Zoning:	City of Palm Coast-Single Family residential (SFR-2 and SFR-3)
SOUTH:	FLUM:	City of Palm Coast-Residential
	Zoning:	City of Palm Coast-Single Family residential (SFR-2 and SFR-3)
WEST:	FLUM:	City of Bunnell-Industrial
	Zoning:	City of Bunnell-Light Industrial District (L-1)

ANALYSIS BASED ON UNIFIED LAND DEVELOPMENT CODE, CHAPTER 2, SECTION 2.05.05

The Unified Land Development Code, Chapter 2, Part II, Section 2.05.05 states: *When reviewing a development order application, the approval authority shall determine whether sufficient factual data was presented in order to render a decision. The decision to issue a development order shall be based upon the following, including but not limited to*:

A. The proposed development must not be in conflict with or contrary to the public interest;

Staff Finding: The existing Master Planned Development (MPD) zoning and companion Development Agreement were originally approved in 2005. The original approval envisioned an "age in place" or "continuum of care" facility that allows a person/household to remain within the development through having the availability of different housing types with differing levels of assistance (i.e. independent living, to assisted living, to extended care).

Although there are changes to the ratio between housing types (assisted living versus independent living), the potential for an "age in place" or "continuum of care" remain intact. Additionally, the proposed MPD places a cap on the number of multi-family units within the project.

Finally, the inclusion of an additional 4.41+/- acres into the MPD will not present a conflict with or be contrary to public interest since it provides for the expansion of the buffer area between the MPD and the existing residential area.

B. The proposed development must be consistent with the Comprehensive Plan and the provisions of this LDC;

Staff Finding: The MPD Development Agreement having received previous approval is consistent with the Comprehensive Plan. There are no items in the proposed amendment to the MPD that would make the development inconsistent with the Comprehensive Plan.

C. The proposed development must not impose a significant financial liability or hardship for the City;

Staff Finding: The proposed amendment will reduce the potential demand for water and sewer due to the potential reduction in residential units of at least 130 units. The condition for the developer/landowner to be responsible for extending infrastructure to the project site remains unchanged. No significant financial liability or hardship is expected for the City.

D. The proposed development must not create an unreasonable hazard, or nuisance, or constitute a threat to the general health, welfare, or safety of the City's inhabitants;

Staff Finding: The proposed amendments to the MPD will not create an unreasonable hazard, or nuisance, or constitute a threat to the general health, welfare, or safety of the City's inhabitants. Future development of the site must still comply with the development standards contained within the Development Agreement, as well as with requirements of the Unified Land Development Code (ULDC) where applicable, and the Comprehensive Plan.

E. The proposed development must comply with all other applicable local, state and federal laws, statutes, ordinances, regulations, or codes.

Staff Finding: Any proposed future development of the site must comply with the requirements of all other applicable local, state and federal laws, statutes, ordinances, regulations and codes. This includes items like having the appropriate accommodations for infrastructure (water, sewer, transportation, stormwater, and schools) or the required permits from the St. Johns River Water Management District (SJRWMD), the Army Corps of Engineers (ACOE), or Florida Department of Environmental Protection (DEP).

ANALYSIS BASED ON UNIFIED LAND DEVELOPMENT CODE, CHAPTER 2, SECTION 2.09.04

The Planning and Land Development Regulation Board and City Council shall consider the following criteria, in addition to the findings listed in Subsection 2.05.05, when reviewing a master planned development application.

A. Consistency with all adopted elements of the Comprehensive Plan and whether it furthers the goals and objectives of the Comprehensive Plan.

Staff Finding: As noted previously in the analysis prepared for ULDC Chapter 2, Part II, Section 2.05.05 of this staff report, the existing Development Agreement is in conformance with the Comprehensive Plan. The proposed changes to the MPD Development Agreement does not bring the plan into inconsistency with the Comprehensive Plan.

B. Consistency with the general intent of the LDC.

Staff Finding: The proposed MPD-DA proposes development standards that are generally consistent with the general intent of the Land Development Code (LDC). The MPD-DA provides for dwelling unit size, heights, and setbacks that are generally consistent with the standards in the LDC for single-family and multi-family units.

There are conditions and items in the MPD-DA such as private amenities, pedestrian/bicycle amenities, fire protection, lighting standards that are required by the LDC. Additionally, there are conditions in the MPD-DA that requires the drainage/stormwater system in the development to meet the LDC requirements, as well as SJRWMD and DEP rules and regulations. As with all development, the MPD will need to meet the Level of Service (LOS) standards established in the Comprehensive Plan for varying public facilities and services. Failure to meet the LOS standards may require mitigation agreement between the developer and City or if the impact is on schools, then, a proportionate-agreement between the developer and the School District may be necessary.

Overall, staff finds the MPD-DA generally consistent with the intent of the LDC, however, staff notes the following as an item of concern.

The MPD-DA proposes a minimum townhome lot width of 18'. Staff finds this width problematic due to the LDC requirement of providing 25% landscaped planting area in front of the home's building facade out to the front property line. Additionally, the LDC requires a minimum width of 16' for driveways (2 side by side parking spaces). This requirement combined with a minimum lot width of 18' leaves minimal separation between townhome driveways. Staff recommends that the minimum townhome lot be 20'.

C. Degree of departure of the proposed development from surrounding areas in terms of character and density/intensity.

Staff Finding: The proposed amendments to the Development agreement will not cause a departure from consistency in terms of character and density/intensity with the surrounding area. The proposed amendment includes a reduction in the maximum development potential of at least 130 units from the existing MPD.

Staff notes that the conceptual master plan proposes 60' wide lots adjacent to the existing 80' wide lots (SFR-3 zoning) to the east. The MPD provides for a 20' wide buffer between the existing SFR-3 lots along the eastern boundary of the MPD. Other areas adjacent to the existing single-family residential area (Z-section) will have buffers greater than 40'.

D. Compatibility within the development and relationship with surrounding neighborhoods.

Staff Finding: See analysis above for Criteria C.

E. Adequate provision for future public education and recreation facilities, transportation, water supply, sewage disposal, surface drainage, flood control, and soil conservation as shown in the development plan.

Staff Finding: There are no conditions in the proposed MPD that would exempt the developer from meeting the Level of Service standards listed in Exhibit 8.1 of the Comprehensive Plan. Any deficiency in the LOS will require mitigation by the developer through potentially a proportionate share payment or agreement to mitigate for the deficiency in public infrastructure.

These agreements may be between the developer and the City and in the case of school facilities, with the School District.

Impacts on surface drainage, flood control, and soil conservation will follow Federal Emergency Management Agency (FEMA) rules and regulations and LDC Section 10.02. Stormwater Management systems will be designed and permitted in accordance with SJRWMD and FDEP regulations. Any pollution and environmental concerns will be subject to Code of Ordinances Chapter 24, Article II.

F. The feasibility and compatibility of development phases to stand as independent developments.

Staff Finding: The MPD-DA allows for the phased development of the project. The MPD-DA does include the following language to ensure that each phase may stand as independent development.

Each phase of the Project will include infrastructure to support the proposed uses, including water and wastewater service, drainage, private roads, vehicular, and pedestrian access facilities. All infrastructure necessary to support each phase that is constructed on the Property shall be constructed concurrently with, or prior to construction of that phase of the Project, as approved by the City. (Section 11(a) of MPD Agreement).

G. The availability and adequacy of primary streets and thoroughfares to support traffic to be generated within the proposed development.

Staff Finding: As provided above, the required infrastructure must be available to support the proposed development concurrent with its impacts. Review of the traffic impacts will not cause any road segments to fall below the level of service. The MPD-DA has a condition that *specific location, alignment, and design of the full-access collector roadways and the stabilized emergency access points shall be determined at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal for each phase.*

If a traffic signal or other traffic control improvement is warranted at any Project access point based on (i) a phase-specific traffic impact analysis submitted with the Preliminary Plat or Technical Site Plan for any phase of the Project or (ii) applicable warrant analyses under the Manual on Uniform Traffic Control Devices (MUTCD) or FDOT standards, the Owner shall design, construct, and bond the signal or alternative traffic control improvement as a condition to the issuance of development orders for the phase triggering the warrant, at the Owner's sole expense and subject to any proportionate-share arrangements with other benefiting parties. (Section 10.10 of MPD Agreement).

H. The benefits within the proposed development and to the general public to justify the requested departure from standard development requirements inherent in a Master Planned Development District classification.

Staff Finding: The existing MPD preserves over 715+/- acres of wetlands in conservation easements. The flexibility provided by the MPD designation allows the project to minimize development impacts on the existing wetlands.

I. The conformity and compatibility of the development with any adopted development plan of the City of Palm Coast.

Staff Finding: There are no specific development plan for this area of the City. Analysis was conducted for consistency with Comprehensive Plan.

J. Impact upon the environment or natural resources.

Staff Finding: The proposed MPD Conceptual Plan map proposes to protect a large contiguous areas of wetlands (approximately a total of 715 acres in conservation easements). Additionally, the MPD Conceptual Plan identifies the locations of wildlife crossings as part of the internal roadway network. The wildlife corridors will provide opportunities to protect wildlife as well as potentially providing contiguity within the wetland system.

K. Impact on the economy of any affected area.

Staff Finding: If approved, the proposed amendment will provide temporary construction jobs during its construction.

PUBLIC PARTICIPATION

As required by the Land Development Code, a neighborhood meeting was hosted by the applicant. The neighborhood meeting was held on August 25, 2026 in the Jon Netts Community Wing of the City of Palm Coast City Hall.

RECOMMENDATION

The Planning and Land Development Regulation Board (PLDRB) held a public hearing on September 22 and voted 6-1 to recommend that the City Council approve the proposed amendment to the Magnolia Trace MPD-Development Agreement.

Additionally, the PLDRB recommended the addition of a condition in the MPD-DA to have a historic marker installed on the property to recognize Gore Lake Mound as an archaeological site.

The PLDRB further recommended that the Applicant and Staff work together to create a condition that would allow for 18’ wide townhome lots.

Comparison of 2019 (Third Amended and Restated MPD) and 2025 OARE/Magnolia Trace MPD (Fourth Amended and Restated)

Items	2019	2025
Area	1013.36+/- acres	1017.77+/- acres (1006.36 owned by applicant) (11.41+/- acres owned by VS Palm Coast LLC – owner of Magnolia Trace ALF)
# of Units	388.5 ac. Uplands = 1 unit/acre = 388 units 625 ac. Wetlands = .25 unit/acre = 156 units Total = 544 units (Bonus to 754 units) 2.2 acres of neighborhood commercial	Maximum of 544 Residential Units (multi-family and townhomes not to exceed 150 units) 35,000 sq. ft. of Neighborhood Commercial (consistent with COM-1) There is an existing 80 unit ALF at Magnolia Trace – 20 Independent living and 60 Assisted Living
	Residential Total = 544 units (Bonus to 754 units)	Residential Total is 544 Residential Units plus 80 existing units = 624 units (multi-family and townhomes not to exceed 150 units in aggregate) Units may include “Active Adult Housing” Conversion of Residential Units may occur so long as the conversion results in no net increase in PM peak hour trip rate.
Project Description	**Tract 1** - 19.32 ac. Total of 80 units (60 assisted living bed units (1 bed unit = 1.5 beds) and 20 independent living units)	Identified as ALF on MPD Tract Map – No changes to existing development or development standards.
	Tract 2 - 2.2 ac. Reserved parcel (Neighborhood commercial) **Tract 3** - 6.6 ac. Extended care with 120 units	**Tract 1(16.59 ac.) (composed of Tract 2 and Tract 3 and additional adjacent areas from the 2019 MPD)** – Potential uses may include: Neighborhood Commercial/Multi-family Maximum of 35,000 sq. ft. of retail space

Comparison of 2019 (Third Amended and Restated MPD) and 2025 OARE/Magnolia Trace MPD (Fourth Amended and Restated)

Items	2019	2025
		Maximum 150 multifamily housing unit Conversion of Residential unit types may occur so long as conversion does not increase net trips
	Tract 4 - 171 ac. With 504 active adult community (attached, detached, multi-family), common recreation area **Tract 5** – 112 ac. With 20 Single-family estate lots (min. size of 3 acres)	Tract 4 and Tract 5 from 2019 MPD have been combined as **Tract 2 (285.82 acres) in the 2026 MPD**. Permitted uses in this tract include: Single-family, Detached/Townhomes/Active Adult Housing/Amenities
	Tract 6A&6B – 704 acres held in open space with 25 acre borrow pit site (borrow pit operates for 60 months after site plan approval)	**Tracts 6A&6B from 2009 MPD** are identified as **Tracts 3 (66.83 ac.) and 4 (637.12) in the 2026 MPD**. These tracts are designated as Conservation/Open Space and may be available for mitigation credits (if permitted by state law) with an existing Borrow Pit as permitted by previous MPD (identified in Tract 4).
Contingent Density Bonus based on 2004 Comp Plan Policy 3.2.2.2	210 bonus units (Total units is 754)	None.
Wetlands	Impacts may occur as permitted by the SJRWMD and USACOE.	Jurisdictional wetland boundaries to be depicted on all plats. Project is subject to all state and federal environmental and wetland regulations
Stormwater	Adhere to ITT Comprehensive drainage (handle 100 year storm). Stormwater system design for each tract Designed not to create impact on ITT system from a 100 year storm Curb and gutter	Owner responsibility for designing, permitting, constructing, and maintaining the means of conveyance of stormwater runoff from the Project including, but not limited to, all stormwater lines, ditches, culverts, and other stormwater facilities that are necessary to convey the stormwater runoff to the Stormwater Facility

Comparison of 2019 (Third Amended and Restated MPD) and 2025 OARE/Magnolia Trace MPD (Fourth Amended and Restated)

Items	2019	2025
	Restoration of City system as required Stormwater Pollution Prevention Plan	Designed for run off from 5-year, 24-hour storm. Collector roadway 10-year, 24-hour storm event. City to permit redesign of stormwater canals along perimeter of property. Stormwater Pollution Prevention Plan
Landscape	Trees planted approximately fifty feet (50') on center and eight to ten feet (8-10') tall with a minimum two inch (2") caliper within the single family portion of the development Twelve to fourteen feet (12-14') tall with a minimum three and one-half inch (31/2") caliper for all other tracts and common areas South Buffer-Opaque at least 6' high in vacant space Belle Terre-25' wide buffer. Specimen trees preserved as possible	15' wide buffer with Type "G" plantings along Belle Terre Parkway. 20' wide perimeter buffer with Type "E" plantings along the remainder of project boundary The stated buffers shall not be required at the Project entrances. Except as provided in this Agreement, the Project signage, irrigation, drainage, utilities and related improvements shall be allowed in the landscape buffer(s), as outlined in Section 11.03.05.C.6 of the LDC. Install reclaimed water lines. May also use stormwater ponds, irrigation wells, or potable water subject to issuance of Consumptive Use permit and other applicable approvals
Signage	Single or double-faced. External signs max. of 24 sq. ft. and 6' high. Directional signs – max. of 8 sq. ft. and 3' high. Other signs per LDC.	At primary entrances Max. of 12' high and 48 sq. ft. Individual residential and commercial projects Directional signs – max. of 4' high and 6 sq. ft.

Items	2019	2025
		Neighborhood, amenity and commercial project directory max 6' high and 32 sq. ft.
Roadways (Interconnectivity and Access)	Curb and gutter – 24' wide road 5' wide sidewalks on both sides of road Internal collector- 4' bike lane or 5' wide sidewalk on one side with 10' wide multi-purpose path Private internal loop roadway, all internal roadways are private Tract 5-private road with access to Zonal Geranium Trail Irrigation, lighting, and landscaping along roadways Dedication of a total of 1200' long additional ROW to the east and west of Tract 1 entrance (no spec on width was provided) Northbound and southbound lanes at Belle Terre Blvd. at Tract 1 entrance Deposit cost of traffic signal for Karas and Belle Terre intersection (not subject to credit)	Project will integrate pedestrian, bicycle, and vehicular traffic circulation systems within the property and with adjacent rights-of-way. Sidewalks 5' on one side of internal roadway Access as depicted on Conceptual Master Plan. May be gated at discretion of owner. Additionally, two stabilized emergency access points If traffic signal or other traffic control improvement is warranted based on analysis, the Owner shall design, construct, and bond the signal or alternative traffic signal control improvement as a condition of issuance of development order for the phase triggering the warrant subject to prop-share agreement.
Recreation	Tract 4 – 5 acre rec complex Tract 5 – Dedicated walking or horse trail	Owner to provide recreation amenities for benefit of project. Specific location, configuration, and design of amenities at time of first Preliminary Plat or Technical Site Plan submittal.
Habitat/Wildlife Protection	All applications for preliminary plat or site plan	Permits as required from FFWCC

Items	2019	2025
	shall include a listed species study in accordance with the LDC	Bear Smart Communities principles Consider use of wildlife crossings in areas crossing optimal wetlands or greenway corridors as appropriate.
Utilities	Extensions to connect are owner responsibility Conduit for fiber optics Underground utilities	City is primary provider. Owner is responsible for any and all costs associated with expansion of capacity to serve property, extension of existing City Utilities to serve project
Fire Protection	Hydrants	Hydrants
Solid Waste	By licensed city franchisee	No pertinent conditions.
Telephone/Electricity/Cable TV	Underground	No pertinent conditions.
Police protection	Flagler County Sheriff's Office	No pertinent conditions.
Aquifer Protection	Plug any abandoned wells	Abandon per applicable state and federal regulation.
Water Supply	Florida Friendly landscape techniques. 50% of planted vegetation by surface area shall be native drought-tolerant Irrigation wells allowed for landscaped areas	Water Conservation: i. Native, drought tolerant plant materials; ii. Separate irrigation zones shall be required for turf, non-turf areas; and iii. Landscape areas shall not be irrigated using high-volume irrigation systems unless high pressure compensating spray heads are utilized.
Cultural Resources	Preservation of Gore Lake Mound	Phase 2 and 3 Completed for Gore Lake Mound site. Letter from Dept. of Historic Resources agree with findings of Phase 2 and 3 and conclusion of ACOE. *Based on the results of the Phases 2 and 3 survey, this office (DHS) concurs with the investigator's recommendations and finds that the proposed project will have no adverse effect to*

Items	2019	2025
		historic properties, and no further work is required.
Floodplain Management	No development in floodplain without elevating structure and compensation storage. Any open space shall be in conservation easement to SJRWMD or City	No special conditions in MPD, must follow LDC.
Construction Debris Disposal/Open Burning Prohibited	On site open burning shall not be permitted.	No special conditions in MPD, must follow LDC. Open Burning is regulated for Florida Dept. of Forestry.
Platting and Development Plan	Preliminary Plat application within 60 months of date of adoption of MPD. Applicant may apply for extension of time subject to PLDRB and Council approval. Minor deviations to development requirements up to 10% may be granted administratively	No special conditions in MPD, must follow LDC.
Development Requirements	Height – Single Family – 36’ Condominium (1-4 units) - 36’ Condominium (Multi-family) – 60’ Tract 3 (Extended Care Facility) – 48’ Commercial – 36’ Tract 5 – 3 acre minimum lot size	Height: Single Family – 36’ Townhomes – 36’ Multi Family – 50’ Commercial -25’ Minimum lot area: SFR – 4000 SF (40’ lot width) Townhome-1600 SF (18’ lot width) Minimum Unit Size: SFR and Townhomes – 1200 SF Multi-family – 650 SF

Comparison of 2019 (Third Amended and Restated MPD) and 2025 OARE/Magnolia Trace MPD (Fourth Amended and Restated)

Items	2019	2025
Open Space	Minimum pervious area of 30%	Minimum 30% of project's gross area. Flexibility on open space as provided by LDC.
Amending the Agreement	Major modifications: Increase of more than 10% in dwelling units, reduces open space by more than 10% or decrease size of any perimeter buffer require	Development Agreement shall not be modified or amended except by written agreement executed by all parties and upon approval of the City Council.
Sales and Construction Trailer	One temporary sales trailer and up to two construction trailers	No special conditions in MPD, must follow LDC.
Concurrency	Determined at Plat review	Transportation concurrency and concurrency for other facilities determined during Preliminary Plat or technical site plan process.
Vehicular/Non-vehicular and Pedestrian Access, Parking, and Interconnectivity	No special conditions in MPD. Must follow LDC standards.	Garages accommodate minimum of one car if 1600 sq. ft. or less Driveways with minimum depth of 20' Detached garage units are optional Owner to evaluate traffic improvements (turn lanes, deceleration lanes, etc.) prior to site plan or preliminary plat at each phase 1 space/250 sq. ft. of amenities.
Facility Commitments	Capacity shall be consistent with Comprehensive Plan Levels of Service.	City is not responsible for construction or creation of public facilities or capacity to facilitate the development of property. No building or development permits issued unless there is adequate capacity for concurrency
Lighting	Decorative 30' poles	Pole mounted with common architectural theme. Minimize off-site impact.

Comparison of 2019 (Third Amended and Restated MPD) and 2025 OARE/Magnolia Trace MPD (Fourth Amended and Restated)

Items	2019	2025
Wetland Buffer	No special conditions in MPD. Must follow LDC standards.	Comply with Section 10.01.08 of LDC which requires natural upland buffer with average width of 50 feet and no less than 25' (adjacent to optimal wetland). Natural upland buffer with average width of 25' and no less than 15' adjacent to moderate and minimal wetlands. Double row silt fence when adjacent to optimal wetlands.
Phasing Plan	No phases in MPD.	Development may occur in phases. Requires submittal of Subdivision Master Plan. Infrastructure must be provided to support each phase. Adequate emergency vehicle access and turnarounds should be provided at all times.

FOURTH AMENDED AND RESTATED MASTER PLAN DEVELOPMENT AGREEMENT (MAGNOLIA TRACE)

THIS FOURTH AMENDED AND RESTATED MASTER PLAN DEVELOPMENT AGREEMENT (MAGNOLIA TRACE), (herein referred to as the "Development Agreement") is made and executed this _____ day of _____, 2026, by and between the CITY OF PALM COAST, a Florida municipal corporation (herein referred to as the "City"), whose address is 160 Lake Avenue, Palm Coast, Florida, 32164, and OARE ASSOCIATES, LLC, a Florida limited liability company (herein referred to from time-to-time as the "Owner" regardless of whether singular or plural ownership status) whose address is 1000 Legion Place, Suite 1700, Orlando, Florida 32801.

WITNESSETH:

WHEREAS, the Owner is the fee simple title owner of certain real property consisting of 1,006.37 acres, more or less, located in the City of Palm Coast, Flagler County, Florida, more particularly described in the legal description attached hereto as **EXHIBIT "A"** and incorporated herein ("Property");

WHEREAS, on or about December 5, 2005, the City rezoned a portion of the Property to Planned Unit Development and adopted the Oare Project, Planned Unit Development

Agreement (“2005 PUD”) Agreement by Ordinance No.2005-45, recorded in the Official Records Book 1365, Page 23, et seq., Public Records of Flagler County, Florida;

WHEREAS, on or about July 7, 2009, the City adopted the Oare Project, Amended Planned Unit Development Agreement Application No. 1661, Request for Time Extension – Preliminary Plat (“2009 PUD Modification”) by Ordinance 2009-16, recorded in Official Records Book 1732, Page 256, et seq., Public Records of Flagler County, Florida;

WHEREAS, on or about September 2, 2014, the City adopted the Oare Master Planned Development Second Amended and Restated Development Agreement (“2014 MPD”) by Ordinance 2014-18, recorded in Official Records Book 2061, Page 501, et. seq., Public Records of Flagler County, Florida;

WHEREAS, on or about November 19, 2019, the City adopted the Oare Master Planned Development Third Amended and Restated Development Agreement (“2019 MPD”) by Ordinance 2019-24, recorded in Official Records Book 2402, Page 267, et. seq., Public Records of Flagler County, Florida;

WHEREAS, the 2005 PUD, 2009 PUD Modification, 2014 MPD and 2019 MPD are referred to herein as the “Previous MPD”;

WHEREAS, on December 16, 2024 the City approved an extension of the Previous MPD to November 25, 2028 pursuant to Section 252.363, Florida Statutes, by letter extension as recorded in Official Records Book 2940, Page 419, Public Records of Flagler County, Florida;

WHEREAS, the Previous MPD permitted a total density of 754 residential units, consisting of a mix of assisted living, extended care, active adult lots, single family estate lots, and 2.2 acres reserved for neighborhood commercial uses on a gross acreage of 1,013.36 acres, more or less (“Previous MPD Property”);

WHEREAS, an assisted living facility consisting of 60 assisted living bed units and 20 independent living residences ("Assisted Living Facility") was completed in 2008 a portion of Tract 1 as defined and identified in the Previous MPD;

WHEREAS, the site plan for the Assisted Living Facility was approved by the City of Palm Coast pursuant to City of Palm Coast Development Order No. SP-MOD-06-01, approved on May 30, 2006 and recorded June 20, 2006 in Official Records Book 1449, Page 362, of the Public Records of Flagler County, Florida (the "ALF Development Order");

WHEREAS, the Assisted Living Facility was conveyed by Owner to Palm Coast SLP, LLC, a Georgia limited liability company, by virtue of that certain Special Warranty Deed dated July 13, 2006 and recorded July 28, 2006 in Official Records Book 1464, Page 1991 of the Public Records of Flagler County, Florida;

WHEREAS, on July 26, 2006, Oare Associates, LLC recorded that certain Master Declaration of Covenants, Conditions and Restrictions for Magnolia Trace at Official Records Book 1463, Page 1424, of the Public Records of Flagler County, Florida (as amended and supplemented from time to time, the "Master Declaration"), pursuant to which the Magnolia Trace Master Association, Inc., a Florida not-for-profit corporation (the "Master Association"), was formed to operate, maintain, and enforce the covenants relating to the common roadways, stormwater facilities, common landscape areas, and other common elements serving the properties within Magnolia Trace, including the Assisted Living Facility;

WHEREAS, the Assisted Living Facility is fully vested under the Previous MPD and not subject to or affected by this Development Agreement;

WHEREAS, the Property includes real property owned by the Owner that was excluded from the Previous MPD Property as more particularly described in the attached **EXHIBIT "B"** (the "Additional Property");

WHEREAS, the Property contains the former site of the Gore Lake Mound, a prehistoric sand burial mound recorded in the Florida Master Site File as Site No. 8FL00029 (the "Gore Lake Mound"). The mound was substantially leveled by land-clearing activities decades ago. It has since been surveyed and excavated by Heritage Cultural Services, LLC, which found no human remains or significant cultural deposits. Based on those investigations, the Florida Division of Historical Resources, as the State Historic Preservation Officer, has concurred that the Gore Lake Mound is ineligible for listing in the National Register of Historic Places and that development of the Property will have no adverse effect on historic properties;

WHEREAS, although the Gore Lake Mound is not required to be preserved, the Owner has voluntarily agreed to install a historical marker recognizing the Gore Lake Mound, as provided in Section 10.21;

WHEREAS, the Owner desires to amend and restate the Previous MPD, to the extent it affects the Property, including the Additional Property, and voluntarily agrees with the conditions, terms, and restrictions hereinafter recited, and has agreed voluntarily to their imposition as an incident to development of the Property.

WHEREAS the City of Palm Coast City Council ("City Council") finds that this Development Agreement is consistent with the City's Comprehensive Plan (2050) (the "Comprehensive Plan") and Unified Land Development Code ("LDC") and that the conditions, terms, restrictions, and requirements set forth herein are necessary for the protection of the public health, safety, and welfare of the citizens of the City;

WHEREAS, the City Council further finds that this Development Agreement is consistent with and an exercise of the City's powers under the Municipal Home Rule Powers Act; Article VIII, Section 2(b) of the Constitution of the State of Florida; Chapter 166, Florida

Statutes; the City of Palm Coast City Charter; other controlling law; and the City's police powers; and

WHEREAS, this is a non-statutory Development Agreement which is not subject to nor enacted pursuant to the provisions of Sections 163.3220 -163.3243, Florida Statutes.

NOW, THEREFORE, it is hereby resolved and agreed by and between the City and the Owner that the Owner's application for a Master Planned Development is approved pursuant to the Development Agreement's following terms and conditions:

SECTION 1. RECITALS.

The above recitals are taken as true, incorporated herein by this reference and form a material part of this Development Agreement upon which the City and the Owner have relied.

SECTION 2. REPRESENTATIONS OF OWNER.

(a) The Owner hereby represents and warrants to the City that the Owner is the owner of the Property, in accordance with the title opinion or title certification provided by the Owner to the City and issued by an attorney or title insurance company licensed to provide services in the State of Florida, with said title opinion or certification showing all liens, mortgages, and other encumbrances not satisfied or released of record relative to the Property.

(b) The Owner represents and warrants to the City that it has the power and authority to enter into and consummate the terms and conditions of this Development Agreement; that all acts, approvals, procedures, and similar matters required in order to authorize this Development Agreement have been taken, obtained or followed, as the case may be; that this Development Agreement and the proposed performance of this Development Agreement by the Owner is not an ultra vires act; and that, upon the execution of this Development Agreement by the parties, this Development Agreement shall be valid and binding upon the parties hereto and their successors in interest.

(c) The Owner hereby represents to the City that all required joinders and consents have been obtained and set forth in a properly executed form on this Development Agreement. Unless otherwise agreed to by the City, all liens, mortgages, and encumbrances not satisfied or released of record must be subordinated to the terms of this Development Agreement and joinders must be executed by any mortgagees. It is the responsibility of the Owner to ensure that said subordinations and joinders occur in a form and substance acceptable to the City Attorney prior to the City's execution of this Development Agreement. If the Owner fails to attain the joinder and consent, then the Owner shall lose all rights and benefits deriving hereunder.

SECTION 3. PROJECT DESCRIPTION.

The Owner may develop the Project as a mixed-use residential community consistent with the conditions set forth herein, consisting of a maximum of 544 residential units and a maximum of 35,000 square feet of neighborhood commercial uses consistent with the City's COM-1 zoning district, except as provided for in this Agreement. The Parties acknowledge the conceptual master plan attached hereto as **EXHIBIT "C"** ("Conceptual Master Plan") is provided solely as an illustrative and non-binding Conceptual Master Plan to demonstrate the layout of the permitted development. The Project shall follow the general conceptual layout of the Conceptual Master Plan, subject only to such modifications as authorized by Section 6 hereof. The final location, orientation, and configuration of buildings, infrastructure, and open space may vary, therefore the final design and layout of the Project shall be determined at the time the Owner submits an application or applications for site plan or subdivision plat approval. The Owner shall be permitted to develop up to the maximum of five hundred forty-four (544) residential units permitted by this Development Agreement regardless of the number or mix of units depicted on the illustrative and non-binding Conceptual Master Plan. ~~The permitted~~

~~residential unit types are described in Section 7.1 below and may be converted in accordance with Section 7.2.~~ The Owner, at its discretion may create a Community Development District (the "CDD"), pursuant to Section 190, Florida Statutes or property owners' association. The Owner may assign the obligation for the design, permitting, development and maintenance of improvements provided for in this Agreement, in whole or in part, to the CDD or an owners association or associations created for those purposes.

SECTION 4. FUTURE LAND USE.

This Development Agreement is consistent with the City's Comprehensive Plan (2050). The Property is designated Greenbelt, Conservation and Residential on the City's Future Land Use Map ("FLUM"). The overall density of the Project and the Assisted Living Facility is calculated based on the gross acreage of the Previous MPD Property (1,013.36 acres, more or less) and the Additional Property (4.41 acres, more or less) for a total acreage of 1,017.77 acres, more or less. As provided in the Previous MPD, residential development credits were established for both upland areas (approximately 388 acres at 1.0 credit/acre) and wetland/conservation areas (approximately 625 acres at 1 credit/4 acres), resulting in approximately 544 development credits, excluding the Assisted Living Facility and Nursing Home Facilities, as defined in the Previous MPD. Pursuant to Policy 1.1.2.~~4~~3 of the City of Palm Coast Comprehensive Plan (2050), the Greenbelt land use designation may include MPDs having lot sizes of less than one (1) acre with common open spaces, provided that the development's overall density does not exceed one (1) dwelling unit per acre. Consistent with that Policy, contingent density bonuses were granted in the Previous MPD for a total density of seven hundred and fifty-four (754) units, consisting of five hundred forty-four (544) dwelling units, a maximum of sixty (60) bed units and one hundred twenty (120) units on a gross acreage of 1,013.36 acres. The density and intensity permitted by this Development

Agreement consisting of a maximum of five hundred forty-four (544) residential dwelling units and a maximum of 35,000 square feet of neighborhood commercial uses is less than the one (1) unit per gross acre.

SECTION 5. APPROVAL OF MASTER PLAN DEVELOPMENT, CONCEPTUAL MASTER PLAN APPROVAL, AND DEVELOPMENT REVIEW PROCESS.

(a) The City Council, at its regular meeting on _____, 2026, adopted Ordinance 2026-_____for a Master Planned Development affecting the Owner's Property to the terms and conditions of this Development Agreement.

(b) The Owner acknowledges if this Development Agreement is ever terminated, the approval shall be deemed null and void and the land uses approved for the Property shall no longer be permitted, unless otherwise approved by the City Council.

(c) The provisions of the then current LDC shall be applicable to the Property unless otherwise specifically stated herein. Any City Code provision not specifically identified will not be affected by the terms of this Development Agreement, and will be subject to enforcement as if no Development Agreement were in effect.

(d) The Conceptual Master Plan generally depicts the layout of the Project and delineates the approximate property boundaries, streets, property lines, general location of lots and intended uses.

(e) The Conceptual Master Plan establishes the general framework for the Project. A Subdivision Master Plan shall be required prior to Preliminary Plat approval for each phase of the Project. The recreational facilities required pursuant to Section 9(f) of this Development Agreement are not depicted on the Conceptual Master Plan and shall have their specific location and design identified at the time of the Owner's first Preliminary Plat or Technical Site Plan submittal.

SECTION 6. MODIFICATIONS TO THE DEVELOPMENT AGREEMENT CONCEPTUAL MASTER PLAN.

The exact location of lots, roadways, primary sidewalk/pathway system, and other improvements shall be determined by the Owner and approved by the Land Use Administrator during review of construction documents, site plans, or subdivision plat applications for the Project, or portions thereof, as allowed by the LDC, provided that: (1) the maximum building height and number of residential lots described herein are not exceeded; (2) the Property setbacks from adjacent properties are not modified; and (3) the approved plans maintain the general development standards in this Development Agreement.

SECTION 7. PERMITTED USES.

7.1 DEVELOPMENT PROGRAM. The following uses, densities and intensities shall be permitted in the Project: (a) a maximum of 544 total residential units for the overall Project, which may consist of any combination of single-family detached housing units, multifamily housing units or townhomes and/or active adult housing, provided that the multifamily housing units or townhomes shall not exceed 150 units in aggregate; (b) a maximum of 35,000 square feet of retail space~~, subject to the conversion rights provided for in Section 7.2~~; (c) an amenity center or centers; and (d) a borrow pit. The Project may consist of one (1) amenity center to serve all of the residential uses or separate amenity centers may be constructed to serve residential uses on one or more tracts, at the Owners discretion. The foregoing uses shall only be permitted on the tracts as described in the Tract Map attached hereto as **EXHIBIT "D"**, as follows:

- Tract 1 – Neighborhood Commercial/Multifamily.
- Tract 2 – Single Family Detached/Townhomes/Active Adult Housing/Amenities.
- Tract 3 – Conservation/Open Space.

- Tract 4 – Conservation/Open Space/Borrow Pit.

The design standards for the permitted uses shall be governed by the Lot and Building Standards provided in Section 12 and Table 12.1 Site Development Requirements below, which shall control over any inconsistent provision of the LDC.

Tracts 3 and 4 (generally described as Tracts 6A and 6B in the Previous MPD) are comprised of wetlands and associated uplands. Notwithstanding the existence of any conservation easement dedicated to the City, both Tracts 3 and 4 shall be available for mitigation credits to the Owner or its assignees if permitted by the controlling provisions of State Law and the appropriate permitting agency or agencies of government. Due to on-site wetlands associated with the Conservation designation on the City's FLUM, wetlands shall be fully delineated during the platting process. All jurisdictional wetland boundaries, including the upland buffer, shall be depicted on all plats prior to submittal. The Owner may apply for approval of an authorized Mitigation Bank for Tract 3 and/or Tract 4 with the St. Johns River Water Management District ("SJRWMD"). The only non-wetland mitigation development that can occur within Tract 4 is the borrow pit permitted by the Previous MPD, with associated and temporary ingress and egress to service the borrow pit operation. At such time as the borrow pit operation has been completed, the temporary ingress and egress will be removed and all areas will be restored to their natural state.

7.1.1 ACTIVE ADULT HOUSING. For purposes of this Development Agreement, "Active Adult Housing" means age-restricted housing operated in compliance with the "housing for older persons" exemption under the Fair Housing Amendments Act, 42 U.S.C. § 3607(b)(2)(C), and the rules promulgated thereunder at 24 C.F.R. Part 100, Subpart E, including the requirements that (i) at least eighty percent (80%) of the occupied units be occupied by at least one person fifty-five (55) years of age or older; (ii) the Owner publish and

adhere to policies and procedures demonstrating the intent to provide housing for persons fifty-five (55) years of age or older; and (iii) the Owner comply with the rules issued by the Secretary of the U.S. Department of Housing and Urban Development for verification of occupancy. The Active Adult Housing Units shall be subject to, and developed in accordance with, the foregoing federal age-restriction requirements as memorialized in recorded covenants, conditions and restrictions.

~~7.2 CONVERSION OF USES. The Owner may convert among the residential unit types permitted within the Project (Single-Family, Multifamily/Townhome, and Active Adult) and the neighborhood commercial uses permitted on Tract 1, so long as the conversion results in no net increase in the PM peak hour trip rate for the Project. Conversions shall be calculated using the Land Use Conversion Table, derived from the Project's Traffic Impact Analysis, attached hereto as **EXHIBIT "E"**. At the Owner's election, or for a use not listed in **EXHIBIT "E"**, conversions may instead be calculated using a trip generation analysis acceptable to the Land Use Administrator. For purposes of **EXHIBIT "E"**, multifamily and townhome units shall be treated as Multifamily Housing (Low Rise), Active Adult Housing as Senior Adult Housing Single-Family, and neighborhood commercial uses as Strip Retail Plaza. No conversion shall permit more than five hundred forty-four (544) residential units, more than one hundred fifty (150) multifamily and townhome units in aggregate, or more than 35,000 square feet of neighborhood commercial uses. The Owner shall provide a cumulative summary of conversions with each Subdivision Master Plan, Preliminary Plat, or Technical Site Plan application. This Section 7.2 limits only conversions between uses and shall not be construed to limit the development of the residential units and neighborhood commercial uses permitted by Section 7.1. To the extent the development of such uses, without conversion, generates PM peak hour trips in excess of those identified in the Traffic Impact Analysis, the Owner may~~

~~satisfy transportation concurrency by constructing or paying for off-site improvements, or by entering into a proportionate fair-share agreement, in accordance with Section 163.3180, Florida Statutes, and the LDC.~~

7.2 *INTENTIONALLY DELETED.*

7.3 NEIGHBORHOOD COMMERCIAL. A maximum of 35,000 square feet of neighborhood commercial space consistent with the City's COM-1 zoning district, except as otherwise provided herein, may be developed on Tract 1.

7.4 VEHICULAR/NON-VEHICULAR AND PEDESTRIAN ACCESS, PARKING AND INTERCONNECTIVITY.

(a) The Project shall be designed to integrate pedestrian, bicycle, and vehicular traffic circulation systems within the Property and with adjacent rights-of-way, to promote connectivity between all uses within the Property. The Project shall integrate an internal system of pedestrian connections (the "Pedestrian Connectivity System") intended to provide safe, convenient, and continuous access to all uses within the Project. All uses within the Project shall be accessible by a dedicated road. The Parties acknowledge that the Conceptual Master Plan is illustrative and conceptual in nature and the specific location of bicycle and pedestrian facilities, access points, internal roadways, and dedicated road connections serving individual tracts and lots will be determined by phase through the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan review process. The City shall be granted access at all times to all roadways to ensure that public safety is maintained.

(b) Parking spaces and garages for residential units within the Project shall be provided as follows: (1) single-family detached, townhouse, and active adult dwelling units with one thousand six hundred (1,600) square feet or less of minimum living area shall provide a minimum one-car attached or detached garage and a permanent-surface area sufficient to

accommodate two (2) additional exterior parking spaces; (2) single-family detached, townhouse, and active adult dwelling units with greater than one thousand six hundred (1,600) square feet of minimum living area shall provide a minimum two-car attached garage; (3) townhouse units with garages shall provide a driveway with a minimum depth of twenty (20) feet measured from the face of the garage door, and such driveway area may be counted toward the required parking spaces; (4) off-street parking shall not be permitted adjacent to either side of any dwelling, except where such parking provides access to a garage; and (5) for multifamily projects, optional detached garage units may be provided, and if provided, shall be provided for a minimum of one-third (1/3) of the proposed multifamily units. Garages shall count toward the minimum parking requirements for residential units within the Project.

(c) As determined by the Traffic Impact Analysis submitted with the Owner's application to amend the Previous MPD, the Project does not have an adverse impact on the City's adopted Level of Service (LOS) on the adjacent roadway system. However, prior to approval of the site plan or preliminary plat for each phase of the Project, the Owner shall evaluate all turn lane movements to determine if any improvements (turn lanes, decel lanes, etc.) are required.

SECTION 8. LAND DEVELOPMENT CODE PARTIAL NON-APPLICABILITY.

The development of the Project shall proceed in accordance with the terms of this Development Agreement. In the event of an inconsistency between the terms of this Development Agreement and the LDC, the terms of this Development Agreement shall prevail. Where specific requirements are not contained in this Development Agreement, the LDC shall apply to the extent that it does not conflict with the provisions of this Development Agreement or the general intent of the Conceptual Master Plan.

SECTION 9. FACILITY COMMITMENTS.

(a) Unless otherwise described elsewhere in this Development Agreement, the Owner agrees that the City is not responsible for the construction or creation of public facilities or capacity to facilitate the development of the Property. No building or development permits shall be issued for the Property unless adequate capacity of concurrency monitored facilities are available concurrent with the impact on said facilities by the Project.

(b) Private & Public Improvements: The Owner, or its assigns, agrees to construct, at a minimum, the following on-site improvements, at the Owner's sole and exclusive expense, as a condition of this Development Agreement and in addition to the payment of all impact fees relating to the development of the Property, unless otherwise provided for herein:

i. The parking areas; utilities; master stormwater system; sidewalks; lighting; recreational facilities, and perimeter buffer landscaping.

ii. The Owner shall grant any and all drainage and utility easements to the City which are deemed necessary by the City to serve the public utilities.

iii. The Owner agrees that the City has shown an essential nexus between a legitimate City interest and the conditions, if any, imposed herein. The Owner further agrees that all proposed conditions are roughly proportional to the impact the development will have upon the public, based upon an individualized determination by the City that the required conditions are related in both nature and extent to the impacts of the proposed Project.

iv. Nothing herein shall be deemed a prohibited exaction under Fla. Stat. 70.45, and Owner agrees it has not suffered any damages under that statute.

(c) SIDEWALKS AND PEDESTRIAN PATHS: The Pedestrian Connectivity System established in Section 7.4(a) shall be implemented through an internal integrated

system of sidewalks and pedestrian paths designed to ensure that pedestrians are provided safe and convenient access to all uses within the Project. The Pedestrian Connectivity System shall include sidewalks with a minimum width of five (5) feet, constructed on at least one side of the internal roadway system. The specific location and design of such pedestrian facilities shall be provided for each phase of the Project at the time of the Preliminary Plat or Technical Site Plan submittal for that phase.

(d) ACCESS: Ingress and egress to the Project shall be provided, constructed and maintained as depicted on the Conceptual Master Plan. At the sole discretion of the Owner, the development or portions of it may be gated.

(e) OWNER STORMWATER SYSTEM: The Owner, or its assigns, shall be responsible for designing, permitting, constructing, and maintaining the means of conveyance of stormwater runoff from the Project including, but not limited to, all stormwater lines, ditches, culverts, and other stormwater facilities that are necessary to convey the stormwater runoff to the ~~Stormwater Facility~~master stormwater system (the "Owner Stormwater System").

(f) PARK AND RECREATION: The Owner shall provide active and passive parks and recreation facilities for the benefit of the Project in accordance with the City's required level of service for recreation as set forth in the LDC and the Comprehensive Plan. The specific location, configuration and design of parks and recreation facilities shall be provided at the time of the Owner's first Preliminary Plat or Technical Site Plan submittal.

(g) BORROW PIT: The Owner shall be permitted to develop and operate the permitted borrow pit on the Property for the term of this Development Agreement and any extensions thereto as permitted herein.

SECTION 10. DEVELOPMENT STANDARDS.

10.1 PARKING: Parking and garage requirements for residential uses shall comply with Section 7.4(b) of this Development Agreement. Residential garages and driveways shall count toward minimum parking requirements for permitted residential uses. Parking for all amenities shall be a minimum of one (1) space per two hundred and fifty (250) square feet. Parking for all other permitted uses for which parking standards are not expressly provided in this Development Agreement shall be consistent with the LDC.

10.2 OPEN SPACE: Minimum open space shall be Thirty percent (30%) of the Project's gross area (Tracts 1, 2, 3 and 4, combined). Open space is defined in the LDC and includes on-site stormwater ponds and all open space within the Property. Flexibility to the minimum open space requirements shall be as provided by the LDC, which may include, but not be limited to, green building principles, land donation, or other mechanisms that would justify a lower percentage of open space, if approved by the Land Use Administrator. Open space shall be maintained by either the actual owner of the property, a CDD, a property owners' association, or other method satisfactory to the Owner and the City.

10.3 WATER/WASTEWATER: The Project is located wholly within the City limits and is therefore within the City's water and wastewater service areas. All permanent uses within the Project will be served by central water and sewer services. The City shall be the potable water and wastewater service provider for the Project upon payment of applicable fees.

10.4 TRANSPORTATION: Transportation concurrency shall be addressed during the Preliminary Plat or technical site plan process.

10.5 DRAINAGE:

(a) The Owner shall construct and maintain a stormwater management system that provides treatment and attenuation as required by SJRWMD and the City's LDC. Best Management Practices (BMPs) shall be used during and after construction to minimize erosion

and sedimentation and to properly manage runoff for both stormwater quantity and quality. BMPs shall be in accordance with the Florida Department of Environmental Protection (FDEP) and Florida Department of Transportation (FDOT) design standards and details. The LDC shall apply to the design criteria for the Project's stormwater management system.

(b) Stormwater piping and the stormwater collection and conveyance system shall, at a minimum, be designed to convey the runoff resulting from the five (5)-year, twenty-four (24)-hour storm event. Collector roadway cross drains and collector roadway swales and ditches shall be designed to convey the ten (10)-year, twenty-four (24)-hour storm event. Outfall ditches and canals shall be designed to convey the twenty-five (25)-year, twenty-four (24)-hour storm event. Temporary roadway flooding shall not exceed an elevation that would permit flood water encroachment of more than one-half of a travel lane at the lowest elevation on the centerline profile of a roadway for the twenty-five (25)-year, twenty-four (24)-hour storm event, with full recovery and use of the roadway available at the end of the design storm event. All of the foregoing is consistent with, and shall not be construed as more stringent than, the standards set forth in the LDC. Stormwater detention facilities shall be designed to meet the water quality and attenuation requirements of SJRWMD and the City's LDC.

(c) The City shall permit the redesign, impact and redevelopment of its existing stormwater drainage canals located on the Property, including the rerouting of such canals, so long as such does not adversely affect the City's uses of said canals and does not cause any adverse impact upstream or downstream of the development. The Owner shall demonstrate compliance with the foregoing through the Project's stormwater report or analysis, which shall be reviewed and approved by the City during the Technical Site Plan review process. The Owner's redesign, impacts and redevelopment may include but are not limited to (i) relocation, (ii) rerouting, (iii) installation of culverts, or (iv) bridges.

10.6 LANDSCAPING: The Owner shall install reclaimed water distribution lines at the time of subdivision improvements so that the Project may be served for irrigation once reclaimed water becomes available to the site. Until reclaimed water is available to the site, the Owner may use potable water for irrigation. The Owner may also use stormwater ponds or irrigation wells as an alternative or supplemental source of irrigation water, subject to the issuance of any required Consumptive Use Permit and any other applicable approvals of the St. Johns River Water Management District ("SJRWMD"); provided, however, the Owner makes no representation that these alternative sources will be available or feasible given site conditions. Once reclaimed water becomes available to the site, no potable water shall be used for irrigation, except as otherwise permitted by the LDC. All landscaping and irrigation shall comply with the LDC except for perimeter buffers, which shall be governed by Section 10.20 below.

10.7 LIGHTING: All lighting including but not limited to all pole mounted lighting shall be designed to minimize light pollution to off-site properties, have a common architectural theme and to comply with the LDC.

10.8 FIRE PROTECTION: Fire protection requirements for the Project will be met through a system of fire hydrants installed on the Property by the Owner in accordance with City standards. The locations of fire hydrants shall be shown on all construction documents, technical site plans, or preliminary plats. The water requirements for the fire system will be served by the City's Utility Department. The Project shall comply with the City's fire protection requirements. The City will provide fire protection services to the Project in accordance with established local response agreements.

10.9 UTILITIES: The Owner shall be responsible for any and all costs associated with (i) the expansion of capacity to serve the Property or (ii) the extension of existing City

utilities to the Property that may be required to serve this Project ~~and, if so, the parties shall enter into a proportionate fair share agreement providing for impact or connection fee credits~~. All internal utility lines for the Project shall be placed underground.

10.10 INTERCONNECTIVITY AND ACCESS: Ingress and egress to the Project shall be provided, constructed, and maintained in accordance with this Development Agreement. The Project shall be served by two (2) primary full-access collector roadways from Belle Terre Boulevard as depicted on the Conceptual Master Plan. In addition to the primary access points, the Project shall be served by at least two (2) stabilized emergency access points: (a) a stabilized emergency access from Zonal Geranium Trail on the east side of the Project, and (b) a stabilized emergency access to north of Zonal Geranium Trail to ensure consistency with the City's Comprehensive Plan (2050). The specific location, alignment, and design of the full-access collector roadways and the stabilized emergency access points shall be determined at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal for each phase. If a traffic signal or other traffic control improvement is warranted at any Project access point based on (i) a phase-specific traffic impact analysis submitted with the Preliminary Plat or Technical Site Plan for any phase of the Project or (ii) applicable warrant analyses under the Manual on Uniform Traffic Control Devices (MUTCD) or FDOT standards, the Owner shall design, construct, and bond the signal or alternative traffic control improvement as a condition to the issuance of development orders for the phase triggering the warrant, at the Owner's sole expense and subject to any proportionate-share arrangements with other benefiting parties.

10.11 NATURAL RESOURCE PROTECTION:

(a) Except as depicted on the Conceptual Master Plan and in this Development Agreement, the Owner shall comply with the natural resource protection requirements of the LDC.

(b) Natural upland buffers must be provided if required by Chapter 10 of the LDC.

(c) Any wells discovered or encountered during construction of the Project shall be properly abandoned in accordance with all applicable state and federal regulations.

10.12 WETLANDS: The Project shall be subject to all Federal and State environmental and wetland regulations. Minor incidental wetland impacts may occur as permitted by the SJRWMD and the U.S. Army Corps of Engineers ("ACOE"), and/or such additional wetland impacts as may be authorized under the governing regulatory permits and the Subdivision Master Plan, Preliminary Plat, or Technical Site Plan approval process. Non-impacted wetlands shall be buffered consistent with SJRWMD and City regulations. Wetland upland buffers shall comply with the requirements of Section 10.01.08 of the LDC, which requires a natural upland buffer with an average width of fifty (50) feet, and no less than twenty-five (25) feet, adjacent to and surrounding optimal wetlands, and a natural upland buffer with an average width of twenty-five (25) feet, and no less than fifteen (15) feet, adjacent to moderate and minimal wetlands. Where development occurs adjacent to a conservation easement or an optimal (high quality) wetland, the Owner shall install, during construction activities, a double row of silt fence spaced three (3) feet apart to prevent erosion and sedimentation.

10.13 LOW IMPACT DEVELOPMENT PRACTICES: To further conservation practices identified in the LDC, the Project shall incorporate into the construction, operation, and maintenance of all facilities, conservation strategies to include but not be limited to:

(a) Water Conservation:

i. Native, drought tolerant plant materials;

ii. Separate irrigation zones shall be required for turf, non-turf areas; and

iii. Landscape areas shall not be irrigated using high-volume irrigation systems unless high pressure compensating spray heads are utilized.

All irrigation systems shall employ, at minimum, a rain shut-off device such as a soil moisture sensor or smart irrigation system capable of analyzing and ascertaining weather conditions and time of year. These restrictions shall be clearly stated in the Project's Covenants, Conditions and Restrictions ("CC&Rs").

10.14 PROHIBITION OF DISCHARGES: The Owner shall comply with the City of Palm Coast Code of Ordinances, Article VI, Prohibition of Discharges, and all applicable local, state, federal, and City water quality laws, rules, regulations, and ordinances.

10.15 STORMWATER POLLUTION PREVENTION: A stormwater pollution prevention plan shall be attached to and incorporated into the construction and permit documents pursuant to the requirements of applicable federal, state, and City regulations.

10.16 WILDLIFE PROTECTION: In the event that listed species have been determined to be residing on, or otherwise be significantly dependent on the Property, the Owner shall obtain the necessary permits from the Florida Fish and Wildlife Conservation Commission and other applicable agencies. Activities associated with listed flora and fauna shall comply with the LDC. If applicable, Bear Smart Community principles shall be integrated into design and operations. The intent is to minimize human-animal conflicts from black bear and other species that may be drawn to area attractants. The Owner and City shall cooperate on grant opportunities to supplement cost(s) that the Owner may incur to implement these principles. The Owner shall consider the use of wildlife crossings in areas where the Project's roadway network crosses optimal wetlands or greenway corridors, as appropriate.

The specific location, design, and scope of any such wildlife crossings shall be determined at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal.

10.17 SIGNAGE: The development may be identified by up to two double-faced or two single-faced monument entrance signs to be located at the two (2) primary Project entrances and may be identified with either one double-faced or two single-faced monument entrance signs. Such monument signs may be lighted (with lighting directed away from traffic as required by the LDC), and shall be a maximum of twelve feet (12') tall, with a sign area no greater than forty-eight (48) square feet in size. Directional, and ingress and egress signs for the individual residential and commercial projects within the Project, and for recreational and other amenities, will be provided throughout the Project, provided that none of these signs exceed six (6) square feet in size and four (4) feet in height, including for sale or for lease signs. Neighborhood, amenity and commercial project directory signs may be located along the internal road circulation system and shall be no taller than six feet (6') in height, with no more than thirty-two (32) square feet of sign area. All signage will be generally consistent and uniform in design and a master sign plan shall be approved at the time of the Project's first preliminary plat or site plan approval

10.18 MODEL HOMES: For each phase, up to five (5) model homes can be constructed, occupied, and operated under Section 4.19.02 of the LDC. Sales and leasing activities shall be limited to properties located within the Project. Construction and Certificates of Occupancies shall be issued consistent with the City and state rules, regulations and codes.

10.19 RENTAL PROGRAM: Owner, or its assigns, reserves the right to place all or any portion of the Project's residential units in a rental program operated by Owner, Owner's affiliates or any third party rental program operators approved by the Owner.

10.20 PROJECT BUFFERS: At a minimum, the Owner shall provide and maintain (i) a fifteen-foot (15') wide landscape buffer with Type "G" plantings along Belle Terre Parkway and (ii) a twenty-foot (20') wide perimeter buffer with Type "E" plantings along the remainder of the Project boundary. The foregoing buffers shall not be required at the Project entrances. Except as otherwise provided in this Agreement, Project signage, irrigation, drainage, utilities, and related improvements shall be permitted within the Belle Terre Parkway landscape buffer, as outlined in Section 11.03.05.C.6 of the LDC. Notwithstanding the foregoing, the Owner may elect to leave any portion of the Belle Terre Parkway landscape buffer ~~or the perimeter buffer~~ in its existing natural state in lieu of installing the Type "G" ~~or Type "E"~~ plantings otherwise required by this Section 10.20, provided that (i) the minimum buffer width otherwise required by this Section 10.20 is maintained, and (ii) the existing natural conditions (including, without limitation, wetlands and native vegetation) provide screening equal to or better than the screening that would be provided by the applicable buffer plantings. The Owner shall also make reasonable efforts to retain the perimeter buffer in its existing natural state in lieu of installing the Type "E" plantings, provided that (i) the minimum buffer width required by this Section 10.20 is maintained, and (ii) the existing natural conditions (including, without limitation, wetlands and native vegetation) provide screening equal to or better than the screening that would be provided by Type "E" plantings. Where a retained portion of the perimeter buffer does not provide such screening, the Owner shall install supplemental plantings to the extent necessary to achieve such screening. Removal of invasive or nuisance exotic species, dead, diseased, or hazardous trees, and understory, together with the installation of supplemental plantings, shall not be deemed a failure to retain the perimeter buffer in its natural state. The Owner shall not be required to retain any portion of the perimeter buffer in its natural state where doing so would (1) impair the ability of the Project's stormwater

management system to collect, convey, treat, or attenuate stormwater as required by Section 10.5, the LDC, or applicable SJRWMD permits; (2) prevent or hinder adherence to stormwater BMPs, including the erosion and sediment control measures required by Sections 10.5 and 10.15; (3) cause or contribute to flooding or other adverse drainage impacts on the Project or adjacent properties; or (4) prevent or materially interfere with development of the Project as generally depicted on the Conceptual Master Plan, including the location of lots, roadways, emergency access, utilities, stormwater facilities, and the site grading needed to achieve required finished elevations; or where the Land Use Administrator determines that such portion should not be retained in its natural state.

10.21 GORE LAKE MOUND HISTORICAL MARKER: The Owner shall include information and an interpretive display about the Gore Lake Mound in an amenity center developed within the Project.

10.22 PROHIBITION ON OPEN BURNING: Open burning of trees, stumps, brush, vegetation, or other land clearing debris resulting from the clearing, grubbing, or grading of any portion of the Property for development is prohibited. Land clearing debris shall be (i) removed from the Property and disposed of at a facility permitted to accept such debris, and/or (ii) chipped, ground, or mulched on site, and the resulting material may be reused on the Property for landscaping, erosion control, or other lawful purposes. The foregoing shall not prohibit prescribed burning as permitted by law for fire and forestry management and the management of wetlands, conservation areas, or mitigation areas, where required or authorized by SJRWMD, ACOE, or any applicable conservation easement or mitigation permit.

SECTION 11. PHASING OF DEVELOPMENT.

(a) The Property may be developed in multiple phases. The Project shall be developed in phases as depicted on the Phasing Plan attached hereto as **EXHIBIT "~~F~~E"** (the

"Phasing Plan"). The Phasing Plan is conceptual in nature and the specific boundaries, sequencing, and timing of each phase may be modified by the Owner at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal for each phase. Prior to the issuance of any permit for any phase of the Project (and prior to any construction of any improvement, building, or structure on the Property), the Owner shall submit a Subdivision Master Plan for the relevant phase for City approval pursuant to the LDC, and thereafter shall submit a Preliminary Plat for the relevant phase. Each phase of the Project will include infrastructure to support the proposed uses, including water and wastewater service, drainage, private roads, vehicular, and pedestrian access facilities. All infrastructure necessary to support each phase that is constructed on the Property shall be constructed concurrently with, or prior to construction of that phase of the Project, as approved by the City, and prior to the issuance of building permits for that phase. Adequate emergency vehicle access and turnarounds shall be provided at all times.

(b) Roadways shall be constructed concurrently with development of adjacent lots to insure that contiguous roadways are available at all times prior to the issuance of any building permits for that phase. To avoid unnecessary construction and repair costs, internal sidewalks shall be constructed adjacent to each lot at the time the home is constructed and prior to the Certificate of Occupancy, and each home's building permit shall be conditioned on this requirement. Neighborhood streets shall have a fifty (50) foot right of way, with a minimum twenty-two (22) feet of travel lanes with two (2) feet of drivable curb, and cul-de-sacs shall have a 124' right-of-way diameter and a 104' pavement diameter. Islands may be constructed in the cul-de-sacs so long as a minimum asphalt roadway width of twenty-two (22) feet with two (2) feet of drivable curb is maintained and does not impede fire truck movement.

SECTION 12. LOT AND BUILDING STANDARDS.

12.1 LOT DIMENSIONAL STANDARDS: Dimensional standards for each permissible use shall comply with the LDC except as follows:

Table 12.1 - Site Development Requirements

Regulations	**Tract 1** Neigh. Comm.	**Tract 1** MFR (8 units per acre) ****	**Tract 2** SFR Detached/ Amenities	**Tract 2** Active Adult/ Amenities	**Tract 2** Townhome **** (Up to 8 DUs per Bldg.)	**Tract 3 & 4** Conservation / Open Space/ Borrow Pit
Min. Lot Area	10,000 SF	10,000 SF	4,000 SF	4,000 SF	1,600 SF	N/A
Min. Lot Width	100 ft.	100 ft.	40 ft.	40 ft.	20 ft.	N/A
Min. Lot Depth	100 ft.	N/A	100 ft.	100 ft.	N/A	N/A
Min. Front Setback	30 ft.	20 ft.	20 ft.	20 ft.	20 ft.	N/A
Min. Side Corner Setback	25 ft.	15 ft.	15 ft. ***	15 ft. ***	15 ft.***	N/A
Min. Interior Side Yard Setback	10 ft.**	8 ft.**	5 ft.	5 ft.	15 ft.**	N/A
Min. Rear Yard Setback	25 ft.*	20 ft.****	10 ft.	10 ft.	20 ft.	N/A
Max. Bldg. Height	25 ft.	50 ft.	36 ft.	36 ft.	36 ft.	N/A
Min. Unit Size	N/A	650 SF	1,200 SF	1,200 SF	1,200 SF	N/A
Unit Mix	N/A	N/A	N/A	N/A	N/A	N/A

Comments:
*Abutting residential required 35-foot landscape setback for Tract 1.
** If buildings exceed 2 stories in height, setbacks shall increase at 10 ft. for every floor over two.
*** No driveways shall be permitted within the side yard setback.
**** All distance dimensions must conform to the *Florida Building Code Regulations.*
The five (5)-foot side setback shall apply to the exterior of units. No development standards applicable to Tracts 3 and 4 due to Conservation and Open Space use. Townhome lots on Tract 1 shall comply with the Tract 2 Townhome dimensional standards in Table 12.1.

12.2 MIXED-USE TRACTS DIMENSIONAL STANDARDS: Non-residential (commercial) uses within the Project shall be permitted only on Tract 1 and shall not be permitted on any other Tract.

Tract 1 consists of two (2) upland development areas separated by wetlands and the existing access road serving the ALF Parcel. Each such upland development area may be developed under any of the following scenarios independently of the other, provided that any such development is consistent with the terms of this Development Agreement:

(i) *Stand-alone Commercial.* Uses consistent with the City LDC requirements for the Neighborhood Commercial (COM-1) zoning district.

(ii) *Stand-alone Residential.* Multifamily uses consistent with the City LDC requirements for the MFR-1 zoning district.

(iii) *Mixed Use.* A combination of Multifamily and Neighborhood Commercial uses consistent with the requirements of the zoning districts referenced in (i) and (ii) above, which may consist of (A) one or more single-use buildings dedicated to either Multifamily or Neighborhood Commercial uses, (B) one or more mixed-use multistory buildings consistent with Section 4.08.05 of the LDC (Multiuse buildings), with non-residential (commercial) uses consistent with the COM-1 zoning district on the ground floor and/or other lower floor(s) of the building and multifamily residential uses on the upper floor(s) of the building, or (C) any combination of the foregoing.

Multifamily units developed on Tract 1, whether stand-alone or as part of mixed-use buildings, shall count toward the 150-unit aggregate cap on multifamily housing units and townhomes set forth in Section 7.1.

12.3 AMENITIES. The Project's amenities may include, without limitation, a clubhouse or clubhouses with fitness facilities, community pool(s), playground(s), sports courts, common area open space, and similar facilities. Amenities may also include other passive and active recreational areas or facilities such as dog parks, pocket parks, and a trail system. The Project's trail system may form a part of the Project's Pedestrian Connectivity System established pursuant to Section 7.4(a). The Project's amenities shall be provided to maintain the City's required level of service for recreation as set forth in the LDC and the Comprehensive Plan. The specific location, configuration, and design of the Project's amenities shall be provided at the time of the Owner's first Preliminary Plat or Technical Site

Plan submittal, consistent with Sections 5(e) and 9(f) of this Development Agreement.

12.4 ARCHITECTURE: Prior to issuance of the Preliminary Plat Development order, the Owner may submit to the LUA an architectural program for the Project. Such program shall include signage and lighting for the Project.

SECTION 13. LIST OF OUTSTANDING PERMITS/APPROVALS AND PROPERTY SEQUENCING.

(a) The failure of the Development Agreement to address any specific City, County, State, or Federal permit, condition, term, or restriction shall not relieve the Owner of the requirement of complying with the law governing said permitting requirements, conditions, terms, or restrictions.

(b) All required City, County, State, or Federal permits shall be obtained prior to commencement of construction. This Development Agreement is not a Preliminary Plat approval and the Owner remains responsible for complying with all provisions of the Land Development Code unless provided elsewhere in this Development Agreement.

SECTION 14. COMMON AREAS AND MAINTENANCE.

(a) For all common areas within the Project, to ensure the long-term ownership, maintenance, and control of those areas, prior to the issuance of any building permit and before recording the final plat, the Owner shall cause such common areas to be owned, operated, and maintained by (i) the existing Magnolia Trace Master Association, Inc. pursuant to the Master Declaration, as may be amended from time to time; (ii) one or more sub-associations created to govern one or more phases of the Project; (iii) a community development district (a "CDD") created pursuant to Chapter 190, Florida Statutes; (iv) a new or successor property owners association established in accordance with Florida law; or (v) any combination of the foregoing (collectively, any such entity, the "Association"), each comprised of the owners of lots or

parcels within the Project. The Owner reserves the right, at its discretion and in accordance with Florida law, to (A) amend the governing documents of the Master Association or the Master Declaration, (B) create one or more sub-associations to govern one or more phases of the Project, and (C) replace the Master Association and its functions, in whole or in part, with a new or successor property owners association or a CDD. The Association's governing documentation shall be subject to the prior reasonable review of the City to ensure adequate provisions for the ongoing care and maintenance of the common areas. The documentation, whether contained in a deed restriction or otherwise, shall provide for the permanent maintenance of the Common Areas by the Association or CDD, minimum insurance requirements for the Association, adequate mechanisms to force financial participation by members of the Association, and restrictions on the ability to amend these requirements without the City's approval. The City shall not be required to accept ownership or maintenance of any of the Project's common elements including but not limited to roads, landscaping, stormwater, and buffers.

(b) Existing Assisted Living Facility and Independent Living Units. The Assisted Living Facility, consisting of the sixty (60) assisted living bed units and twenty (20) independent living residences located on that portion of the Previous MPD Property owned by Palm Coast SLP, LLC (the "ALF Parcel"), shall not be subject to the obligations imposed by this Development Agreement. The ALF Parcel shall continue to be governed exclusively by the Previous MPD, the ALF Development Order, and the Master Declaration, which instruments shall remain in full force and effect as to the ALF Parcel notwithstanding anything to the contrary contained herein. Under those instruments: (i) the owner of the ALF Parcel shall remain responsible for the operation, maintenance, and repair of the stormwater management system located on the ALF Parcel; (ii) the owner of the ALF Parcel shall remain

a member of the Master Association and subject to assessment thereby for the maintenance of the common roadways, common landscape areas, common lighting, and other common elements serving the ALF Parcel; and (iii) the Master Association shall continue to be responsible for the operation and maintenance of the common roadways, common landscape, common lighting, and common irrigation serving the ALF Parcel, in accordance with and to the extent provided in the Previous MPD and the Master Declaration. Nothing in this Development Agreement shall diminish, alter, terminate, or otherwise impair the rights and obligations of the owner of the ALF Parcel or of the Master Association under the Previous MPD or the Master Declaration, each of which shall continue in full force and effect as to the ALF Parcel.

SECTION 15. BREACH, ENFORCEMENT, ALTERNATIVE DISPUTE AND CONFLICT RESOLUTION.

(a) In the event of a breach hereof by either party hereto, the other party hereto shall have all rights and remedies allowed by law, including the right to specific performance of the provisions hereof.

(b) In the event that a dispute arises under this Development Agreement, and the City and Owner are unable to resolve the issues, the parties shall attempt to resolve all disputes informally. In the event of a failure to informally resolve all disputes, the City and Owner agree to engage in mediation before a certified Circuit Court mediator selected by the parties. In the event that the parties fail to agree to a mediator, a certified mediator will be selected solely by the City. The parties shall equally pay all costs of mediation.

(c) In the event of conflict between the terms of this Development Agreement and the Conceptual Master Plan, the provisions of this Development Agreement shall prevail.

SECTION 16. NOTICES.

(a) All notices required or permitted to be given under this Development Agreement must be in writing and must be delivered to the City or the Owner at its address set forth below (or such other address as may be hereafter be designated in writing by such party).

(b) Any such notice must be personally delivered or sent by certified mail, overnight courier, or telecopy.

(c) Any such notice will be deemed effective when received (if sent by hand delivery, overnight courier, or telecopy) or on that date which is three (3) days after such notice is deposited in the United States mail (if sent by certified mail).

(d) The parties' addresses for the delivery of all such notices are as follows:

As to the City: City Manager
160 Lake Avenue
Palm Coast, FL 32164

As to the Owner: Oare Associates, LLC
Attn: John P. Junod, Esq.
Shuffield Lowman
1000 Legion Place, Suite 1700
Orlando, Florida 32801

With copies to: Jay W. Livingston, Esq
Livingston & Sword, P.A.
391 Palm Coast Parkway SW #1
Palm Coast, Florida 32137

SECTION 17. SEVERABILITY.

The terms and provisions of this Development Agreement are not severable and in the event any portion of this Development Agreement shall be found to be invalid or illegal, then the entire Development Agreement shall remain valid and binding on the parties.

SECTION 18. SUCCESSORS AND ASSIGNS.

(a) This Development Agreement and the terms and conditions hereof shall be binding upon and inure to the benefit of the City and Owner and their respective successors-

in-interest. The terms and conditions of this Development Agreement similarly shall be binding upon the Property and shall run with the land and the title to the same.

(b) This Development Agreement touches and concerns the Property.

(c) The Owner has expressly covenanted and agreed to this provision and all other terms and provisions of this Development Agreement.

SECTION 19. GOVERNING LAW, VENUE AND COMPLIANCE WITH LAW.

(a) This Development Agreement shall be governed by and construed in accordance with the laws of the State of Florida and the Code of Ordinances of the City of Palm Coast.

(b) Venue for any dispute shall be in the Seventh Judicial Circuit Court in and for Flagler County, Florida, or the Middle District, if in federal court.

(c) The Owner shall fully comply with all applicable local, State, and Federal environmental regulations and all other laws of similar type or nature.

(d) This Development Agreement shall not limit the future exercise of the police powers of the City to enact ordinances, standards, or rules regulating development generally applicable to the entire area of the City, such as requiring compliance with the City capital facilities plan; parks master plan, including parks and trail dedications; utility construction and connections; mandating utility capacities; requiring street development or other such similar land development regulations and requirements.

(e) If state or federal laws are enacted after execution of this Development Agreement which are applicable to and preclude the parties' compliance with this Development Agreement, this Development Agreement shall be modified or revoked as necessary to comply with the relevant law.

(f) This Development Agreement shall also not be construed to prohibit the City from adopting lawfully imposed impact fees applicable to the Owner and the development authorized hereunder.

SECTION 20. TERM / EFFECTIVE DATE.

(a) This Development Agreement shall be effective upon approval by the City Council and execution of this Development Agreement by all parties (the "Effective Date").

(b) This Development Agreement provides an initial timeframe of ten (10) years to commence development from the Effective Date. This Development Agreement will expire thirty (30) years from the Effective Date.

(c) Should development not commence within the initial established timeframe, the term of this Development Agreement may be modified by action of the City Council, at Council's discretion. Failure to obtain an extension shall cause the zoning of all lands encumbered to revert to the previous equivalent zoning designation.

SECTION 21. RECORDATION.

Upon approval by the City Council and execution of this Development Agreement by all parties, this Development Agreement and any and all amendments hereto shall be recorded by the City with the Clerk of the Circuit Court of Flagler County within fourteen (14) days after its execution by the City, and the Development Agreement shall run with the land. The Owner shall pay the costs to record this Development Agreement.

SECTION 22. THIRD PARTY RIGHTS.

This Development Agreement is not a third party beneficiary contract, and shall not in any way whatsoever create any rights on behalf of any third party.

SECTION 23. SPECIFIC PERFORMANCE / TIME IS OF THE ESSENCE.

(a) Strict compliance shall be required with each and every provision of this Development Agreement. The parties agree that each has the remedy of specific performance of these obligations.

(b) Time is of the essence to this Development Agreement and every right or responsibility required herein shall be performed within the times specified.

SECTION 24. ATTORNEYS' FEES.

In the event of any action to enforce the terms of this Development Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees, paralegals' fees, and all costs incurred, whether the same be incurred in a pre-litigation negotiation, litigation at the trial, or appellate level.

SECTION 25. FORCE MAJEURE.

The parties agree that in the event that the failure by either party to accomplish any action required hereunder within a specific time period ("Time Period") constitutes a default under terms of this Development Agreement, and if any such failure is due to any unforeseeable or unpredictable event or condition beyond the control of such party, including, but not limited to: acts of God, acts of government authority (other than the City's own acts), acts of public enemy or war, terrorism, riots, civil disturbances, power failure, shortages of labor or materials, injunction or other court proceedings beyond the control of such party, or severe adverse weather conditions ("Uncontrollable Event"); then notwithstanding any provision of this Development Agreement to the contrary, that failure shall not constitute a default under this Development Agreement and any Time Period prescribed hereunder shall be extended by the amount of time that such party was unable to perform solely due to the Uncontrollable Event.

SECTION 26. INDEMNIFICATION.

The Owner shall indemnify for and save the City harmless from and against any and all liability, claims for damages and suits for any injury to any person or persons, or damages to any property of any kind whatsoever arising out of in any way connected with the Owner's development of the Property as provided in this Development Agreement. This agreement by the Owner to indemnify and hold the City harmless shall include, but not be limited to: all charges, expenses, and costs, including reasonable attorneys' fees, both at trial and on appeal, incurred by the City on account of or by reason of such injuries, damages, liability, claims, suits, or losses and all damages arising therefrom.

SECTION 27. ENFORCEMENT; CITY'S RIGHT TO TERMINATE DEVELOPMENT AGREEMENT.

(a) This Development Agreement shall continue to be enforceable, unless lawfully terminated, notwithstanding any subsequent changes in any applicable law.

(b) The failure by the Owner to perform each and every one of its obligations hereunder shall constitute a default, entitling the City to pursue whatever remedies are available to it under Florida law or equity, including, without limitation, an action for specific performance and/or injunctive relief, or alternatively, the termination of this Development Agreement. Prior to the City filing any action or terminating this Development Agreement as a result of a default under this Development Agreement, the City shall first provide the Owner written notice of said default. Upon receipt of said notice, the Owner shall be provided a thirty (30) day period in which to cure the default to the reasonable satisfaction of the City prior to the City filing an action or terminating this Development Agreement. If thirty (30) days is not considered by the parties to be a reasonable period in which to cure the default, the cure period shall be extended to such cure period acceptable to the City, but in no case shall that cure period

exceed ninety (90) days from initial notification of default. Upon termination of the Development Agreement, the Owner shall immediately be divested of all rights and privileges granted hereunder.

SECTION 28. CAPTIONS.

Sections and other captions contained in this Development Agreement are for reference purposes only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Development Agreement, or any provision hereof.

SECTION 29. EXHIBITS.

Each exhibit referred to and attached to this Development Agreement is an essential part of this Development Agreement. The exhibits and any amendments or revisions thereto, even if not physically attached hereto, shall be treated as if they are part of this Development Agreement.

SECTION 30. INTERPRETATION.

(a) The Owner and the City agree that all words, terms and conditions contained herein are to be read in concert, each with the other, and that a provision contained under one (1) heading may be considered to be equally applicable under another in the interpretation of this Development Agreement.

(b) This Development Agreement shall not be construed more strictly against either party on the basis of being the drafter thereof, and both parties have contributed to the drafting of this Development Agreement.

SECTION 31. FURTHER ASSURANCES.

Each party agrees to sign any other and further instruments and documents consistent herewith as may be necessary and proper to give complete effect to the terms of this Development Agreement.

SECTION 32. COUNTERPARTS.

This Development Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which, taken together, shall constitute one (1) and the same document.

SECTION 33. MODIFICATIONS, AMENDMENTS AND NON-WAIVER.

(a) Unless provided for elsewhere in this Development Agreement, (1) Amendments to and waivers of the provisions herein shall be made by the parties only in writing by formal amendment, and (2) This Development Agreement shall not be modified or amended except by written agreement executed by all parties hereto and upon approval of the City Council of the City of Palm Coast.

(b) Failure of any party hereto to exercise any right hereunder shall not be deemed a waiver of any such right and shall not affect the right of such party to exercise at some future date any such right or any other right it may have.

SECTION 34. ENTIRE AGREEMENT AND EFFECT ON PRIOR AGREEMENTS.

This Development Agreement constitutes the entire agreement between the parties and supersedes all prior oral discussions, understandings, and agreements of any kind and nature, between the parties relating to the subject matter of this Development Agreement.

(SIGNATURES INTENTIONAL~~I~~LTY TO NEXT PAGE)

IN WITNESS WHEREOF, the Parties have executed this Development Agreement on the dates set forth below.

EXHIBIT "A"

LEGAL DESCRIPTION OF THE PROPERTY

A portion of Sections 13 and 24, Township 12 South, Range 30 East, together with a portion of Sections 18 and 19, Township 12 South, Range 31 East, Flagler County, Florida, being a portion of Map of the Bunnell Development Company's Land at Bunnell, Florida, as recorded in Plat Book 1, Page 1, of the Public Records of said county, also being a portion of Revised Parcel 403, as described and recorded in Official Records Book 950, Page 1943, of said Public Records, together with all of Lot 13, Block 45, as depicted on Subdivision Plat Kanakakee Run—Section 65 Seminole Woods at Palm Coast, recorded in Map Book 17, Page 56, together with all of Reserved Parcels D3 and F-4, all of Lot 10, Block 14, and all of Lot 16, Block 10, as depicted on Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast, recorded in Map Book 18, Page 24, all of said Public Records, being more particularly described as follows:

For a Point of Beginning, commence at the Northwest corner of said Section 13; thence North 87°27'22" East, along the Northerly line of said Section 13, a distance of 2961.63 feet to its intersection with the Westerly line of said Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast; thence along said Westerly line the following 17 courses: Course 1, thence South 20°55'26" East, departing said Northerly line, 211.58 feet to a point on a non-tangent curve concave Easterly having a radius of 150.00 feet; Course 2, thence Southerly along the arc of said curve, through a central angle of 98°21'15", an arc length of 257.49 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 01°53'15" West, 227.02 feet; Course 3, thence South 05°31'19" East, along a non-tangent line, 669.87 feet to a point on a non-tangent curve concave Easterly having a radius of 150.00 feet; Course 4, thence Southerly along the arc of said curve, through a central angle of 73°26'22", a arc length of 192.26 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 15°27'56" East, 179.37 feet; Course 5, thence South 52°11'07" East, 136.97 feet; Course 6, thence South 02°05'57" East, 346.46 feet to the point of curvature of a curve concave Easterly having a radius of 550.00 feet; Course 7, thence Southerly along the arc of said curve, through a central angle of 16°39'59", an arc length of 159.99 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 10°25'57 East, 159.42 feet; Course 8, thence South 18°45'56" East, 136.41 feet; Course 9, thence South 71°14'04" West, 25.00 feet to the point of curvature of a curve concave Easterly having a radius of 150.00 feet; Course 10, thence Southerly along the arc of said curve, through a central angle of 180°00'00", an arc length of 471.24 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 18°45'56" East, 300.00 feet; Course 11, thence Southerly along the arc of a non-tangent curve concave Easterly having a radius of 150.00 feet, through a central angle of 180°00'00", an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 18°45'56" East, 300.00 feet; Course 12, thence North 71°14'04" East, 25.00 feet; Course 13, thence South 18°45'56" East, 315.63 feet; Course 14, thence South 36°19'43" East, 128.96 feet; Course 15, thence South 20°50'43" West, 193.05 feet; Course 16, thence South 06°47'31" East, 236.49 feet to the point of curvature of a curve concave Northerly having a radius of 150.00 feet; Course 17, thence Easterly along the arc of said curve, through a central angle

180°00’00”, an arc length of 471.24 feet to the point of tangency of said curve being the Southwesterly corner of said Reserved Parcel F-4, said arc being subtended by a chord bearing and distance of North 83°12’29” East, 300.00 feet; thence Easterly along the boundary lines of said Reserved Parcels F-4 and D3 the following 15 courses: Course 1, thence North 06°47’31” West, departing said Westerly line, 50.00 feet; Course 2, thence North 06°12’39” West, 80.71 feet; Course 3, thence North 14°31’01” East, 141.50 feet; Course 4, thence South 66°56’33” East, 50.00 feet; Course 5, thence North 68°07’42” East, 152.15 feet; Course 6, thence North 18°45’56” West, 125.00 feet to a point lying on the Southerly right of way line of Zaun Trail, a right of way as depicted on said Subdivision Plat Zebulah’s Trail—Section 63 Seminole Woods at Palm Coast; Course 7, thence North 71°14’04” East, along said Southerly right of way line, 40.00 feet; Course 8, thence South 18°45’56”East, departing said Southerly right of way line, 230.00 feet to a point on a non-tangent curve concave Northeasterly having a radius of 150.00 feet; Course 9, thence Southeasterly along the arc of said curve, through a central angle 81°38’47”, an arc length of 213.75 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 59°35’20” East, 196.12 feet; Course 10, thence North 10°24’43” West, 110.00 feet to a point lying on the Southerly right of way line of Zachary Place, a 50 foot right of way as depicted on said Subdivision Plat 10°24’43” West, 110.00 feet to a point lying on the Southerly right of way line of Zachary Place, a 50 foot right of way as depicted on said Subdivision Plat Zebulah’s Trail—Section 63 Seminole Woods at Palm Coast; Course 11, thence Easterly along said Southerly right of way line and along the arc of a non-tangent curve concave Northerly having a radius of 40.00 feet; through a central angle of 16°42’24”, an arc length of 11.66 feet to a point on said curve, said arc being subtended by a chord bearing and distance of North 71°14’04” East 11.62 feet; Course 12, thence South 27°07’08” East, departing said Southerly right of way line, 110.00 feet to a point on a non-tangent curve concave Westerly having a radius of 150.00 feet; Course 13, thence Northerly along the arc of said curve, through a central angle of 81°38’48”, an arc length of 213.75 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of North 22°03’28” East, 196.12 feet; Course 14, thence North 18°45’56” West, 105.00 feet; Course 15, thence North 71°14’04” East, 320.00 feet; thence South 16°08’17” East, continuing along said boundary line of Reserved Parcel D-3 and along said Westerly line of Subdivision Plat Zebulah’s Trail—Section 63 Seminole Woods at Palm Coast, 979.40 feet; thence South 13°42’58” East, continuing along said Westerly line, 2050.00 feet to the Northwesterly corner of said Lot 10, Block 14; thence along the boundary line of said Lot 10, Block 14, the following 5 courses: Course 1, thence North 76°17’02” East, departing said Westerly line, 125.00 feet to a point lying on the Westerly right of way line of Zonal Court, a variable width right of way as depicted on said Subdivision Plat Zebulah’s Trail—Section 63 Seminole Woods at Palm Coast; Course 2, thence South 13°42’58” East, along said Westerly right of way line, 44.00 feet; Course 3, thence South 23°09’13” West, continuing along said Westerly right of way line, 25.00 feet; Course 4, thence South 13°42’58” East, continuing along said Westerly right of way line, 20.00 feet; Course 5, thence South 76°17’02” West, departing said Westerly right of way line, 110.00 feet to the Southwesterly corner thereof, said corner lying on said Westerly line of Subdivision Plat Zebulah’s Trail—Section 63 Seminole Woods at Palm Coast; thence South 13°42’58” East, along said Westerly line, 549.66 feet to the point of curvature of a curve concave Easterly having a radius of 2940.00 feet; thence Southerly, continuing along said Westerly line and along the arc of said curve, through a central angle of 06°28’07”, an arc length of 331.92 feet to the

Northwesterly corner of said Lot 16, Block 10, said arc being subtended by a chord bearing and distance of South 16°57’02” East, 331.74 feet; thence along the boundary line of said Lot 16, Block 10, the following 4 courses: Course 1, thence North 69°48’54” East, departing said Westerly line, 125.00 feet to a point lying on said Westerly right of way line of Zonal Court, said point lying on a non-tangent curve concave Northeasterly having a radius of 100.00 feet; Course 2, thence Southeasterly along said Westerly right of way line and along the arc of said curve, through a central angle of 37°48’57”, an arc length of 66.00 feet to a point lying on the Westerly right of way line of Zonal Geranium Trail, a right of way as depicted on said Subdivision Plat Zebulah’s Trail—Section 63 Seminole Woods at Palm Coast, said arc being subtended by a chord bearing and distance of South 39°05’34” East, 64.81 feet; Course 3, thence Southerly, along last said Westerly right of way line and along the arc of a non-tangent curve concave Easterly having a radius of 100.00 feet, through a central angle of 16°12’39”, an arc length of 28.29 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 07°00’40” West, 28.20 feet; Course 4, thence South 68°03’08” West, departing said Westerly right of way line, 131.78 feet to the Southwesterly corner thereof, said corner lying on said Westerly line of Subdivision Plat Zebulah’s Trail—Section 63 Seminole Woods at Palm Coast; thence Southerly along said Westerly line the following 13 courses: Course 1, thence Southwesterly along the arc of a non-tangent curve concave Northeasterly having a radius of 2940.00 feet, through a central angle of 03°11’46”, an arc length of 164.01 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 23°32’45” East, 163.99 feet; Course 2, thence South 25°08’38” East, 483.89 feet; Course 3, thence South 64°51’22” West, 345.00 feet to the point of curvature of a curve concave Northeasterly having a radius of 150.00 feet; Course 4, thence Southeasterly along the arc of said curve, through a central angle of 180°00’00”, an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 25°08’38” East, 300.00 feet; Course 5, thence North 64°51’22” East, 345.00 feet; Course 6, thence North 64°51’22” East, 345.00 feet; Course 7, thence South 25°08’38” East, 1150.00 feet; Course 8, thence South 64°51’22” West, 105.00 feet to the point of curvature of a curve concave Northeasterly having a radius of 150.00 feet; Course 9, thence Southeasterly along the arc of said curve, through a central angle of 180°00’00”, an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 25°08’38” East, 300.00 feet; Course 10, thence North 64°51’22” East, 105.00 feet; Course 11, thence South 25°08’38” East, 210.00 feet to the point of curvature of a curve concave Northeasterly having a radius of 150.00 feet; Course 12, thence Southeasterly along the arc of said curve, through a central angle 81°38’48”, an arc length of 213.75 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 65°58’02” East, 196.12 feet; Course 13, thence South 45°00’43” East, along a non-tangent line, 744.60 feet to a point lying on the Northerly right of way line of Belle Terre Boulevard, a variable width right of way as presently established; thence Westerly along said Northerly right of way line the following 7 courses: Course 1, thence Southwesterly along the arc of a non-tangent curve concave Northwesterly having a radius of 1420.00 feet, through a central angle of 23°12’37”, an arc length of 575.24 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 37°03’49” West, 571.31 feet; Course 2, thence North 41°22’55” West, 4.74 feet to a point on a non-tangent curve concave Northerly having a radius of 1415.00 feet; Course 3, thence Westerly along the arc of said curve, through a central angle of 40°02’29”, an

arc length of 988.88 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 68°38’20” West, 968.88 feet; Course 4, thence South 88°39’35” West, 211.11 feet; Course 5, thence South 01°20’25” East, 5.00 feet to a point on a non-tangent curve concave Northerly having a radius of 5689.12 feet; Course 6, thence Westerly along the arc of said curve, through a central angle of 00°59’59”, an arc length of 99.27 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 89°09’36” West, 99.27 feet; Course 7, thence South 89°39’35” West, 994.09 feet; thence Northerly along said Northerly line of said Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast the following 5 courses: Course 1, thence North 00°20’25” West, departing said Northerly right of way line, 300.00 feet; Course 2, thence South 89°39’35” West, 127.70 feet; Course 3, thence North 00°20’25” West, 113.58 feet; Course 4, thence North 44°39’35” East, 50.00 feet to the point of curvature of a curve concave Westerly having a radius of 150.00 feet; Course 5, thence Northerly along the arc of said curve, through a central angle of 98°21’02”, an arc length of 257.48 feet to the Northeasterly corner of said Lot 13, Block 45, said arc being subtended by a chord bearing and distance of North 04°30’56” West, 227.01 feet; thence along the boundary line of said Lot 13, Block 45, the following 3 courses: Course 1, thence South 36°18’22” West, departing said Northerly line, 110.00 feet to a point lying on the Northerly right of way line of Kainite Court, a 50 foot right of way as depicted on said Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast, said point being a point on a non-tangent curve concave Southerly having a radius of 40.00 feet; Course 2, thence Westerly along said Northerly right of way line and along the arc of said curve, through a central angle of 55°51’28”, an arc length of 39.00 feet to a point on said curve, said arc being subtended by a chord bearing and distance of North 81°37’32” West, 37.47 feet; Course 3, thence North 19°33’26” West, departing said Northerly right of way line, 110.00 feet to the Northwesterly corner thereof, said corner lying on said Northerly line of Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast; thence Southwesterly along said Northerly line the following 9 courses: Course 1, thence Southwesterly along the arc of a non-tangent curve concave Southeasterly having a radius of 150.00 feet, through a central angle of 25°47’09”, an arc length of 67.51 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 57°33’10” West, 66.94 feet; Course 2, thence South 44°39’35” West, 238.91 feet; Course 3, thence South 00°20’25” East, 192.13 feet; Course 4, thence South 89°39’35” West, 282.47 feet; Course 5, thence North 00°20’25” West, 50.00 feet to the point of curvature of a curve concave Southerly having a radius of 150.00 feet; Course 6, thence Westerly along the arc of said curve, through a central angle of 180°0’00”, an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 89°39’35” West, 300.00 feet; Course 7, thence South 00°20’25” East, 50.00 feet; Course 8, thence South 89°39’35” West, 253.41 feet; Course 9, thence South 00°20’25” East, 300.00 feet to a point lying on said Northerly right of way line of Belle Terre Boulevard; thence South 89°39’35” West, along said Northerly right of way line, 63.24 feet to the point of curvature of a curve concave Southerly having a radius of 1521.26 feet; thence Westerly continuing along said Northerly right of way line and along the arc of said curve, through a central angle of 06°41’48”, an arc length of 177.80 feet to the Southeasterly corner of RP 190, as described and recorded in Official Records Book 1004, Page 341, of said Public Records, said arc being subtended by a chord bearing and distance of South 86°18’42” West, 177.70 feet; thence North 07°02’15” West, departing said Northerly right of way line and

along the boundary line of said RP 190, a distance of 50.00 feet; thence South 78°41'33" West, continuing along said boundary line, 70.00 feet to the Northwesterly corner thereof, said corner lying on said Northerly line of Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast; thence Northwesterly along said Northerly line the following 21 courses: Course 1, thence North 30°31'09" West, 57.09 feet; Course 2, thence North 59°28'51" East, 15.00 feet to the point of curvature of a curve concave Westerly having a radius of 225.00 feet; Course 3, thence Northerly along the arc of said curve, through a central angle of 90°00'00", an arc length of 353.43 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of North 14°28'51" East, 318.20 feet; Course 4, thence North 30°31'09" West, 1215.00 feet; Course 5, thence North 59°28'51 East, 173.41 feet; Course 6, thence North 30°31'09" West, 300.00 feet; Course 7, thence North 59°28'51" East, 80.00 feet; Course 8, thence North 30°31'09" West, 300.00 feet; Course 9, thence North 59°28'51" East, 79.56 feet; Course 10, thence North 19°12'34" West, 1199.35 feet; Course 11, thence North 39°07'43" West, 238.04 feet; Course 12, thence South 89°59'53" West, 270.01 feet to the point of curvature of a curve concave Easterly having a radius of 150.00 feet; Course 13, thence Southerly along the arc of said curve, through a central angle of 180°00'00", an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 00°00'07" East, 300.00 feet; Course 14, thence North 89°59'53" East, 50.00 feet; Course 15, thence South 53°08'54" East, 63.20 feet; Course 16, thence South 30°31'09" East, 6.35 feet; Course 17, thence South 59°28'51" West, 1066.59 feet; Course 18, thence North 30°31'09" West, 660.00 feet; Course 19, thence South 59°28'51" West, 253.41 feet; Course 20, thence North 30°31'09" West, 468.41 feet; Course 21, thence South 59°28'51" West, 300.00 feet; thence North 89°14'34"West, continuing along said Northerly line and its Westerly prolongation, 125.81 feet to a point lying on the Westerly line of said Section 24; thence North 00°46'05" East, along said Westerly line, 1907.73 feet to the Northwesterly corner thereof, said corner also being the Southwesterly corner of said Section 13; thence North 01°12'31" West, along the Westerly line of said Section 13, a distance of 5279.19 feet to the Point of Beginning.

Less and Except Tract 12, also known as Tract "A", as described and recorded in Official Records Book 1907, Page 1119, of the Public Records of Flagler County, Florida.

Containing 1006.37 acres, more or less.

Subject: Magnolia Trace Master Planned Development – Application for Rezoning / MPD Amendment (Amendment to Ordinance No. 2019-24)

Dear Mr. Nguyen:

Please find enclosed an application to amend and restate the Master Planned Development ("MPD") agreement for the property known as Magnolia Trace (formerly the Oare MPD). This application seeks to update the development plan to better reflect current market conditions while ensuring consistency with the City of Palm Coast 2050 Comprehensive Plan.

The proposed Fourth Amended and Restated MPD transitions the project from a specialized "Continuing Care Retirement Community" to a broader residential community comprising a maximum of 544 dwelling units. Key changes from the prior 2019 MPD include:

- **Separation from ALF:** The project is no longer affiliated with the existing Assisted Living Facility (ALF), which was previously conveyed to a third party and is now fully vested.
- **Revised Unit Mix:** The plan now allows for a mix of single-family detached homes, townhomes, multifamily uses consistent with the MFR-2 zoning district, and active adult housing, at a reduced density, along with up to 35,000 square feet of neighborhood commercial space along Belle Terre Parkway.
- **Infrastructure Optimization:** The requirement to construct an internal loop connector road with the ALF has been removed to reduce wetland impacts and improve the overall environmental footprint of the site.

In addition to the general plan updates, this application specifically addresses the following:

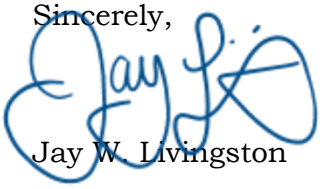
391 Palm Coast Parkway SW #1
Palm Coast, Florida 32137
T 386.439.2945
F 866.896.5573
jay.livingston314@protonmail.ch

- **Gore Lake Mound:** Based on a Phase II and Phase II archeological investigation of the Gore Lake Mound (8FL00029) performed in December 2025 , it was determined that the mound was largely destroyed by prior land-clearing activities in the 1970s and 1980s. The survey recovered minimal artifacts and no human remains, leading to a conclusion that the site is ineligible for the National Register of Historic Places. Accordingly, the preservation requirements from the 2019 MPD have been removed.
- **Removal of Loop Connector Road:** The requirement for an internal loop roadway connecting former Tracts 1, 2, and 3 has been removed from the Proposed MPD and conceptual plan. This road is no longer necessary given the project's independence from the ALF. Its removal prevents unnecessary impacts to wetlands.
- **Continuation of Borrow Pit:** The application provides for the continued operation of the existing borrow pit on Tract 4 (formerly Tract 5), consistent with approvals granted in prior versions of the MPD.

Analysis of Section 2.05.05 Review Findings:

- **A. Conflict with public interest:** The amendment is not in conflict with the public interest. It transitions the land to a sustainable residential density that is compatible with the adjacent Quail Hollow subdivision.
- **B. Consistency with Comp Plan/LDC:** As analyzed below, the project is consistent with the Greenbelt and Conservation designations and all applicable Land Development Code requirements.
- **C. Financial liability:** All infrastructure improvements will be funded and maintained by the developer or a Community Development District and create no financial liability for the City. The project will also generate impact fees to offset any demand for City services.
- **D. Compliance with laws:** Development will adhere to all local, state, and federal regulations, including, without limitation stormwater and floodplain management and wetland protection.

Analysis of Section 2.06.03 Review Findings:



- **A. Consistency with Comprehensive Plan:** The application is consistent with and furthers the goals of the 2050 Comprehensive Plan, specifically:
  - **Chapter 1 (Future Land Use) & Chapter 3 (Housing):** Furthers **Guiding Principle 6** and **Objective 3.1** by supporting a variety of residential housing choices (single-family, townhomes, and active adult) to meet the needs of a diverse population.
  - **Chapter 2 (Transportation):** The project complies with **Policy 2.4.4.4** and **Policy 2.2.1.2**, which require a minimum of two (2) means of ingress/egress for residential developments of more than 100 lots. Magnolia Trace maintains these necessary connections at Belle Terre Boulevard and Zonal Geranium Trail, as provided in the existing MPD, ensuring adequate emergency access and traffic circulation.
  - **Chapter 6 (Conservation):** Furthers **Objective 6.1.1** by eliminating the loop road, thereby eliminating unnecessary impacts to wetlands. It also complies with **Policy 6.2.5.1** regarding cultural resources, as the

2025 survey confirms the Gore Lake Mound site no longer retains archaeological significance.
    - **Chapter 11 (Economic Development):** Furthers **Goal 11.1** by creating a sustainable economic environment and a diversified tax base through a mix of residential and neighborhood-scale commercial uses.
- **B. Impact on environment/natural resources:** Environmental impacts are reduced from the prior plan by the removal of the loop connector road. In addition, the project continues to adhere to the requirements of the Greenbelt zoning district through the clustering of development on existing uplands and avoiding to the maximum extent possible impacts to the surrounding wetlands.
- **C. Impact on the economy:** The project will provide a positive economic impact through temporary construction jobs and the long-term expansion of the City's residential and commercial tax base as well as the creation of permanent jobs within the neighborhood commercial uses.
- **D. Impact on governmental services:** The project density remains will not have an adverse impact on the City's infrastructure capacity for water, sewer, and schools.
- **E. Changes in circumstances:** Changed market conditions, a significant increase in active adult developments elsewhere in the City, the 2025 archaeological findings and the operational separation from the ALF constitute material changes in circumstances that justify this amendment.
- **F. Compatibility with proximate uses:** The proposed residential uses are highly compatible with the adjacent Quail Hollow subdivision and the Belle Terre Boulevard corridor.
- **G. Legitimate public purpose:** The amendment provides for needed housing variety while simultaneously increasing the preservation of the City's natural wetland resources.

The above analysis is preliminary and subject to change after review of the application and proposed amended and restated MPD Agreement.

We look forward to working with City staff on the review of this application. Please contact me if you have any questions or require further information.

Sincerely,

Jay W. Livingston

FOURTH AMENDED AND RESTATED MASTER PLAN DEVELOPMENT AGREEMENT (MAGNOLIA TRACE)

THIS FOURTH AMENDED AND RESTATED MASTER PLAN DEVELOPMENT AGREEMENT (MAGNOLIA TRACE), (herein referred to as the "Development Agreement") is made and executed this _____ day of _____, 2026, by and between the CITY OF PALM COAST, a Florida municipal corporation (herein referred to as the "City"), whose address is 160 Lake Avenue, Palm Coast, Florida, 32164, and OARE ASSOCIATES, LLC, a Florida limited liability company (herein referred to from time-to-time as the "Owner" regardless of whether singular or plural ownership status) whose address is 1000 Legion Place, Suite 1700, Orlando, Florida 32801.

WITNESSETH:

WHEREAS, the Owner is the fee simple title owner of certain real property consisting of 1,006.37 acres, more or less, located in the City of Palm Coast, Flagler County, Florida, more particularly described in the legal description attached hereto as **EXHIBIT "A"** and incorporated herein ("Property");

WHEREAS, on or about December 5, 2005, the City rezoned a portion of the Property to Planned Unit Development and adopted the Oare Project, Planned Unit Development

Agreement ("2005 PUD") Agreement by Ordinance No.2005-45, recorded in the Official Records Book 1365, Page 23, et seq., Public Records of Flagler County, Florida;

WHEREAS, on or about July 7, 2009, the City adopted the Oare Project, Amended Planned Unit Development Agreement Application No. 1661, Request for Time Extension – Preliminary Plat ("2009 PUD Modification") by Ordinance 2009-16, recorded in Official Records Book 1732, Page 256, et seq., Public Records of Flagler County, Florida;

WHEREAS, on or about September 2, 2014, the City adopted the Oare Master Planned Development Second Amended and Restated Development Agreement ("2014 MPD") by Ordinance 2014-18, recorded in Official Records Book 2061, Page 501, et. seq., Public Records of Flagler County, Florida;

WHEREAS, on or about November 19, 2019, the City adopted the Oare Master Planned Development Third Amended and Restated Development Agreement ("2019 MPD") by Ordinance 2019-24, recorded in Official Records Book 2402, Page 267, et. seq., Public Records of Flagler County, Florida;

WHEREAS, the 2005 PUD, 2009 PUD Modification, 2014 MPD and 2019 MPD are referred to herein as the "Previous MPD";

WHEREAS, on December 16, 2024 the City approved an extension of the Previous MPD to November 25, 2028 pursuant to Section 252.363, Florida Statutes, by letter extension as recorded in Official Records Book 2940, Page 419, Public Records of Flagler County, Florida;

WHEREAS, the Previous MPD permitted a total density of 754 residential units, consisting of a mix of assisted living, extended care, active adult lots, single family estate lots, and 2.2 acres reserved for neighborhood commercial uses on a gross acreage of 1,013.36 acres, more or less ("Previous MPD Property");

WHEREAS, an assisted living facility consisting of 60 assisted living bed units and 20 independent living residences ("Assisted Living Facility") was completed in 2008 a portion of Tract 1 as defined and identified in the Previous MPD;

WHEREAS, the site plan for the Assisted Living Facility was approved by the City of Palm Coast pursuant to City of Palm Coast Development Order No. SP-MOD-06-01, approved on May 30, 2006 and recorded June 20, 2006 in Official Records Book 1449, Page 362, of the Public Records of Flagler County, Florida (the "ALF Development Order");

WHEREAS, the Assisted Living Facility was conveyed by Owner to Palm Coast SLP, LLC, a Georgia limited liability company, by virtue of that certain Special Warranty Deed dated July 13, 2006 and recorded July 28, 2006 in Official Records Book 1464, Page 1991 of the Public Records of Flagler County, Florida;

WHEREAS, on July 26, 2006, Oare Associates, LLC recorded that certain Master Declaration of Covenants, Conditions and Restrictions for Magnolia Trace at Official Records Book 1463, Page 1424, of the Public Records of Flagler County, Florida (as amended and supplemented from time to time, the "Master Declaration"), pursuant to which the Magnolia Trace Master Association, Inc., a Florida not-for-profit corporation (the "Master Association"), was formed to operate, maintain, and enforce the covenants relating to the common roadways, stormwater facilities, common landscape areas, and other common elements serving the properties within Magnolia Trace, including the Assisted Living Facility;

WHEREAS, the Assisted Living Facility is fully vested under the Previous MPD and not subject to or affected by this Development Agreement;

WHEREAS, the Property includes real property owned by the Owner that was excluded from the Previous MPD Property as more particularly described in the attached **EXHIBIT "B"** (the "Additional Property");

WHEREAS, the Owner desires to amend and restate the Previous MPD, to the extent it affects the Property, including the Additional Property, and voluntarily agrees with the conditions, terms, and restrictions hereinafter recited, and has agreed voluntarily to their imposition as an incident to development of the Property.

WHEREAS the City of Palm Coast City Council ("City Council") finds that this Development Agreement is consistent with the City's Comprehensive Plan (2050) (the "Comprehensive Plan") and Unified Land Development Code ("LDC") and that the conditions, terms, restrictions, and requirements set forth herein are necessary for the protection of the public health, safety, and welfare of the citizens of the City;

WHEREAS, the City Council further finds that this Development Agreement is consistent with and an exercise of the City's powers under the Municipal Home Rule Powers Act; Article VIII, Section 2(b) of the Constitution of the State of Florida; Chapter 166, Florida Statutes; the City of Palm Coast City Charter; other controlling law; and the City's police powers; and

WHEREAS, this is a non-statutory Development Agreement which is not subject to nor enacted pursuant to the provisions of Sections 163.3220 -163.3243, Florida Statutes.

NOW, THEREFORE, it is hereby resolved and agreed by and between the City and the Owner that the Owner's application for a Master Planned Development is approved pursuant to the Development Agreement's following terms and conditions:

SECTION 1. RECITALS.

The above recitals are taken as true, incorporated herein by this reference and form a material part of this Development Agreement upon which the City and the Owner have relied.

SECTION 2. REPRESENTATIONS OF OWNER.

(a) The Owner hereby represents and warrants to the City that the Owner is the owner of the Property, in accordance with the title opinion or title certification provided by the Owner to the City and issued by an attorney or title insurance company licensed to provide services in the State of Florida, with said title opinion or certification showing all liens, mortgages, and other encumbrances not satisfied or released of record relative to the Property.

(b) The Owner represents and warrants to the City that it has the power and authority to enter into and consummate the terms and conditions of this Development Agreement; that all acts, approvals, procedures, and similar matters required in order to authorize this Development Agreement have been taken, obtained or followed, as the case may be; that this Development Agreement and the proposed performance of this Development Agreement by the Owner is not an ultra vires act; and that, upon the execution of this Development Agreement by the parties, this Development Agreement shall be valid and binding upon the parties hereto and their successors in interest.

(c) The Owner hereby represents to the City that all required joinders and consents have been obtained and set forth in a properly executed form on this Development Agreement. Unless otherwise agreed to by the City, all liens, mortgages, and encumbrances not satisfied or released of record must be subordinated to the terms of this Development Agreement and joinders must be executed by any mortgagees. It is the responsibility of the Owner to ensure that said subordinations and joinders occur in a form and substance acceptable to the City Attorney prior to the City's execution of this Development Agreement. If the Owner fails to attain the joinder and consent, then the Owner shall lose all rights and benefits deriving hereunder.

SECTION 3. PROJECT DESCRIPTION.

The Owner may develop the Project as a mixed-use residential community consistent with the conditions set forth herein, consisting of a maximum of 544 residential units and a maximum of 35,000 square feet of neighborhood commercial uses consistent with the City's COM-1 zoning district, except as provided for in this Agreement. The Parties acknowledge the conceptual master plan attached hereto as **EXHIBIT "C"** ("Conceptual Master Plan") is provided solely as an illustrative and non-binding Conceptual Master Plan to demonstrate the layout of the permitted development. The Project shall follow the general conceptual layout of the Conceptual Master Plan, subject only to such modifications as authorized by Section 6 hereof. The final location, orientation, and configuration of buildings, infrastructure, and open space may vary, therefore the final design and layout of the Project shall be determined at the time the Owner submits an application or applications for site plan or subdivision plat approval. The Owner shall be permitted to develop up to the maximum of five hundred forty-four (544) residential units permitted by this Development Agreement regardless of the number or mix of units depicted on the illustrative and non-binding Conceptual Master Plan. The permitted residential unit types are described in Section 7.1 below and may be converted in accordance with Section 7.2. The Owner, at its discretion may create a Community Development District (the "CDD"), pursuant to Section 190, Florida Statutes or property owners' association. The Owner may assign the obligation for the design, permitting, development and maintenance of improvements provided for in this Agreement, in whole or in part, to the CDD or an owners association or associations created for those purposes.

SECTION 4. FUTURE LAND USE.

This Development Agreement is consistent with the City's Comprehensive Plan (2050). The Property is designated Greenbelt, Conservation and Residential on the City's Future Land Use Map ("FLUM"). The overall density of the Project and the Assisted Living

Facility is calculated based on the gross acreage of the Previous MPD Property (1,013.36 acres, more or less) and the Additional Property (4.41 acres, more or less) for a total acreage of 1,017.77 acres, more or less. As provided in the Previous MPD, residential development credits were established for both upland areas (approximately 388 acres at 1.0 credit/acre) and wetland/conservation areas (approximately 625 acres at 1 credit/4 acres), resulting in approximately 544 development credits, excluding the Assisted Living Facility and Nursing Home Facilities, as defined in the Previous MPD. Pursuant to Policy 1.1.2.4 of the City of Palm Coast Comprehensive Plan (2050), the Greenbelt land use designation may include MPDs having lot sizes of less than one (1) acre with common open spaces, provided that the development's overall density does not exceed one (1) dwelling unit per acre. Consistent with that Policy, contingent density bonuses were granted in the Previous MPD for a total density of seven hundred and fifty-four (754) units, consisting of five hundred forty-four (544) dwelling units, a maximum of sixty (60) bed units and one hundred twenty (120) units on a gross acreage of 1,013.36 acres. The density and intensity permitted by this Development Agreement consisting of a maximum of five hundred forty-four (544) residential dwelling units and a maximum of 35,000 square feet of neighborhood commercial uses is less than the one (1) unit per gross acre.

SECTION 5. APPROVAL OF MASTER PLAN DEVELOPMENT, CONCEPTUAL MASTER PLAN APPROVAL, AND DEVELOPMENT REVIEW PROCESS.

(a) The City Council, at its regular meeting on _____, 2026, adopted Ordinance 2026-_____for a Master Planned Development affecting the Owner's Property to the terms and conditions of this Development Agreement.

(b) The Owner acknowledges if this Development Agreement is ever terminated, the approval shall be deemed null and void and the land uses approved for the Property shall no longer be permitted, unless otherwise approved by the City Council.

(c) The provisions of the then current LDC shall be applicable to the Property unless otherwise specifically stated herein. Any City Code provision not specifically identified will not be affected by the terms of this Development Agreement, and will be subject to enforcement as if no Development Agreement were in effect.

(d) The Conceptual Master Plan generally depicts the layout of the Project and delineates the approximate property boundaries, streets, property lines, general location of lots and intended uses.

(e) The Conceptual Master Plan establishes the general framework for the Project. A Subdivision Master Plan shall be required prior to Preliminary Plat approval for each phase of the Project. The recreational facilities required pursuant to Section 9(f) of this Development Agreement are not depicted on the Conceptual Master Plan and shall have their specific location and design identified at the time of the Owner's first Preliminary Plat or Technical Site Plan submittal.

SECTION 6. MODIFICATIONS TO THE DEVELOPMENT AGREEMENT CONCEPTUAL MASTER PLAN.

The exact location of lots, roadways, primary sidewalk/pathway system, and other improvements shall be determined by the Owner and approved by the Land Use Administrator during review of construction documents, site plans, or subdivision plat applications for the Project, or portions thereof, as allowed by the LDC, provided that: (1) the maximum building height and number of residential lots described herein are not exceeded; (2) the Property

setbacks from adjacent properties are not modified; and (3) the approved plans maintain the general development standards in this Development Agreement.

SECTION 7. PERMITTED USES.

7.1 DEVELOPMENT PROGRAM. The following uses, densities and intensities shall be permitted in the Project: (a) a maximum of 544 total residential units for the overall Project, which may consist of any combination of single-family detached housing units, multifamily housing units or townhomes and/or active adult housing, provided that the multifamily housing units or townhomes shall not exceed 150 units in aggregate; (b) a maximum of 35,000 square feet of retail space, subject to the conversion rights provided for in Section 7.2; (c) an amenity center or centers; and (d) a borrow pit. The Project may consist of one (1) amenity center to serve all of the residential uses or separate amenity centers may be constructed to serve residential uses on one or more tracts, at the Owners discretion. The foregoing uses shall only be permitted on the tracts as described in the Tract Map attached hereto as **EXHIBIT "D"**, as follows:

- Tract 1 – Neighborhood Commercial/Multifamily.
- Tract 2 – Single Family Detached/Townhomes/Active Adult Housing/Amenities.
- Tract 3 – Conservation/Open Space.
- Tract 4 – Conservation/Open Space/Borrow Pit.

The design standards for the permitted uses shall be governed by the Lot and Building Standards provided in Section 12 and Table 12.1 Site Development Requirements below, which shall control over any inconsistent provision of the LDC.

Tracts 3 and 4 (generally described as Tracts 6A and 6B in the Previous MPD) are comprised of wetlands and associated uplands. Notwithstanding the existence of any conservation easement dedicated to the City, both Tracts 3 and 4 shall be available for

mitigation credits to the Owner or its assignees if permitted by the controlling provisions of State Law and the appropriate permitting agency or agencies of government. Due to on-site wetlands associated with the Conservation designation on the City's FLUM, wetlands shall be fully delineated during the platting process. All jurisdictional wetland boundaries, including the upland buffer, shall be depicted on all plats prior to submittal. The Owner may apply for approval of an authorized Mitigation Bank for Tract 3 and/or Tract 4 with the St. Johns River Water Management District ("SJRWMD"). The only non-wetland mitigation development that can occur with Tract 4 is the existing borrow pit as permitted by the Previous MPD, with associated and temporary ingress and egress to service the borrow pit operation. At such time as the borrow pit operation has been completed, the temporary ingress and egress will be removed and all areas will be restored to their natural state.

7.1.1 ACTIVE ADULT HOUSING. For purposes of this Development Agreement, "Active Adult Housing" means age-restricted housing operated in compliance with the "housing for older persons" exemption under the Fair Housing Amendments Act, 42 U.S.C. § 3607(b)(2)(C), and the rules promulgated thereunder at 24 C.F.R. Part 100, Subpart E, including the requirements that (i) at least eighty percent (80%) of the occupied units be occupied by at least one person fifty-five (55) years of age or older; (ii) the Owner publish and adhere to policies and procedures demonstrating the intent to provide housing for persons fifty-five (55) years of age or older; and (iii) the Owner comply with the rules issued by the Secretary of the U.S. Department of Housing and Urban Development for verification of occupancy. The Active Adult Housing Units shall be subject to, and developed in accordance with, the foregoing federal age-restriction requirements as memorialized in recorded covenants, conditions and restrictions.

7.2 CONVERSION OF RESIDENTIAL USES. The Owner may convert the

residential unit types permitted within the Project (Single-Family, Multi-Family, Townhome, and Active Adult) to other residential types so long as the conversion results in no net increase in the PM peak hour trip rate for the Project. Conversions shall be governed by the tables, derived from the Project's Traffic Impact Analysis, attached hereto as **EXHIBIT "E"**.

7.3 NEIGHBORHOOD COMMERCIAL. A maximum of 35,000 square feet of neighborhood commercial space consistent with the City's COM-1 zoning district, except as otherwise provided herein, may be developed on Tract 1.

7.4 VEHICULAR/NON-VEHICULAR AND PEDESTRIAN ACCESS, PARKING AND INTERCONNECTIVITY.

(a) The Project shall be designed to integrate pedestrian, bicycle, and vehicular traffic circulation systems within the Property and with adjacent rights-of-way, to promote connectivity between all uses within the Property. The Project shall integrate an internal system of pedestrian connections (the "Pedestrian Connectivity System") intended to provide safe, convenient, and continuous access to all uses within the Project. All uses within the Project shall be accessible by a dedicated road. The Parties acknowledge that the Conceptual Master Plan is illustrative and conceptual in nature and the specific location of bicycle and pedestrian facilities, access points, internal roadways, and dedicated road connections serving individual tracts and lots will be determined by phase through the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan review process. The City shall be granted access at all times to all roadways to ensure that public safety is maintained.

(b) Parking spaces and garages for residential units within the Project shall be provided as follows: (1) single-family detached, townhouse, and active adult dwelling units with one thousand six hundred (1,600) square feet or less of minimum living area shall provide a minimum one-car attached or detached garage and a permanent-surface area sufficient to

accommodate two (2) additional exterior parking spaces; (2) single-family detached, townhouse, and active adult dwelling units with greater than one thousand six hundred (1,600) square feet of minimum living area shall provide a minimum two-car attached garage; (3) townhouse units with garages shall provide a driveway with a minimum depth of twenty (20) feet measured from the face of the garage door, and such driveway area may be counted toward the required parking spaces; (4) off-street parking shall not be permitted adjacent to either side of any dwelling, except where such parking provides access to a garage; and (5) for multifamily projects, optional detached garage units may be provided, and if provided, shall be provided for a minimum of one-third (1/3) of the proposed multifamily units. Garages shall count toward the minimum parking requirements for residential units within the Project.

(c) As determined by the Traffic Impact Analysis submitted with the Owner's application to amend the Previous MPD, the Project does not have an adverse impact on the City's adopted Level of Service (LOS) on the adjacent roadway system. However, prior to approval of the site plan or preliminary plat for each phase of the Project, the Owner shall evaluate all turn lane movements to determine if any improvements (turn lanes, decel lanes, etc.) are required.

SECTION 8. LAND DEVELOPMENT CODE PARTIAL NON-APPLICABILITY.

The development of the Project shall proceed in accordance with the terms of this Development Agreement. In the event of an inconsistency between the terms of this Development Agreement and the LDC, the terms of this Development Agreement shall prevail. Where specific requirements are not contained in this Development Agreement, the LDC shall apply to the extent that it does not conflict with the provisions of this Development Agreement or the general intent of the Conceptual Master Plan.

SECTION 9. FACILITY COMMITMENTS.

(a) Unless otherwise described elsewhere in this Development Agreement, the Owner agrees that the City is not responsible for the construction or creation of public facilities or capacity to facilitate the development of the Property. No building or development permits shall be issued for the Property unless adequate capacity of concurrency monitored facilities are available concurrent with the impact on said facilities by the Project.

(b) Private & Public Improvements: The Owner, or its assigns, agrees to construct, at a minimum, the following on-site improvements, at the Owner's sole and exclusive expense, as a condition of this Development Agreement and in addition to the payment of all impact fees relating to the development of the Property, unless otherwise provided for herein:

i. The parking areas; utilities; master stormwater system; sidewalks; lighting; recreational facilities, and perimeter buffer landscaping.

ii. The Owner shall grant any and all drainage and utility easements to the City which are deemed necessary by the City to serve the public utilities.

iii. The Owner agrees that the City has shown an essential nexus between a legitimate City interest and the conditions, if any, imposed herein. The Owner further agrees that all proposed conditions are roughly proportional to the impact the development will have upon the public, based upon an individualized determination by the City that the required conditions are related in both nature and extent to the impacts of the proposed Project.

iv. Nothing herein shall be deemed a prohibited exaction under Fla. Stat. 70.45, and Owner agrees it has not suffered any damages under that statute.

(c) SIDEWALKS AND PEDESTRIAN PATHS: The Pedestrian Connectivity System established in Section 7.4(a) shall be implemented through an internal integrated

system of sidewalks and pedestrian paths designed to ensure that pedestrians are provided safe and convenient access to all uses within the Project. The Pedestrian Connectivity System shall include sidewalks with a minimum width of five (5) feet, constructed on at least one side of the internal roadway system. The specific location and design of such pedestrian facilities shall be provided for each phase of the Project at the time of the Preliminary Plat or Technical Site Plan submittal for that phase.

(d) ACCESS: Ingress and egress to the Project shall be provided, constructed and maintained as depicted on the Conceptual Master Plan. At the sole discretion of the Owner, the development or portions of it may be gated.

(e) OWNER STORMWATER SYSTEM: The Owner, or its assigns, shall be responsible for designing, permitting, constructing, and maintaining the means of conveyance of stormwater runoff from the Project including, but not limited to, all stormwater lines, ditches, culverts, and other stormwater facilities that are necessary to convey the stormwater runoff to the Stormwater Facility (the "Owner Stormwater System").

(f) PARK AND RECREATION: The Owner shall provide active and passive parks and recreation facilities for the benefit of the Project in accordance with the City's required level of service for recreation as set forth in the LDC and the Comprehensive Plan. The specific location, configuration and design of parks and recreation facilities shall be provided at the time of the Owner's first Preliminary Plat or Technical Site Plan submittal.

(g) BORROW PIT: The Owner shall be permitted to continue to operate the existing borrow pit on the Property for the term of this Development Agreement and any extensions thereto as permitted herein.

SECTION 10. DEVELOPMENT STANDARDS.

10.1 PARKING: Parking and garage requirements for residential uses shall comply with Section 7.4(b) of this Development Agreement. Residential garages and driveways shall count toward minimum parking requirements for permitted residential uses. Parking for all amenities shall be a minimum of one (1) space per two hundred and fifty (250) square feet. Parking for all other permitted uses for which parking standards are not expressly provided in this Development Agreement shall be consistent with the LDC.

10.2 OPEN SPACE: Minimum open space shall be Thirty percent (30%) of the Project's gross area (Tracts 1, 2, 3 and 4, combined). Open space is defined in the LDC and includes on-site stormwater ponds and all open space within the Property. Flexibility to the minimum open space requirements shall be as provided by the LDC, which may include, but not be limited to, green building principles, land donation, or other mechanisms that would justify a lower percentage of open space, if approved by the Land Use Administrator. Open space shall be maintained by either the actual owner of the property, a CDD, a property owners' association, or other method satisfactory to the Owner and the City.

10.3 WATER/WASTEWATER: The Project is located wholly within the City limits and is therefore within the City's water and wastewater service areas. All permanent uses within the Project will be served by central water and sewer services. The City shall be the potable water and wastewater service provider for the Project upon payment of applicable fees.

10.4 TRANSPORTATION: Transportation concurrency shall be addressed during the Preliminary Plat or technical site plan process.

10.5 DRAINAGE:

(a) The Owner shall construct and maintain a stormwater management system that provides treatment and attenuation as required by SJRWMD and the City's LDC. Best Management Practices (BMPs) shall be used during and after construction to minimize erosion

and sedimentation and to properly manage runoff for both stormwater quantity and quality. BMPs shall be in accordance with the Florida Department of Environmental Protection (FDEP) and Florida Department of Transportation (FDOT) design standards and details. The LDC shall apply to the design criteria for the Project's stormwater management system.

(b) Stormwater piping and the stormwater collection and conveyance system shall, at a minimum, be designed to convey the runoff resulting from the five (5)-year, twenty-four (24)-hour storm event. Collector roadway cross drains and collector roadway swales and ditches shall be designed to convey the ten (10)-year, twenty-four (24)-hour storm event. Outfall ditches and canals shall be designed to convey the twenty-five (25)-year, twenty-four (24)-hour storm event. Temporary roadway flooding shall not exceed an elevation that would permit flood water encroachment of more than one-half of a travel lane at the lowest elevation on the centerline profile of a roadway for the twenty-five (25)-year, twenty-four (24)-hour storm event, with full recovery and use of the roadway available at the end of the design storm event. All of the foregoing is consistent with, and shall not be construed as more stringent than, the standards set forth in the LDC. Stormwater detention facilities shall be designed to meet the water quality and attenuation requirements of SJRWMD and the City's LDC.

(c) The City shall permit the redesign, impact and redevelopment of its existing stormwater drainage canals located on the Property, including the rerouting of such canals, so long as such does not adversely affect the City's uses of said canals and does not cause any adverse impact upstream or downstream of the development. The Owner shall demonstrate compliance with the foregoing through the Project's stormwater report or analysis, which shall be reviewed and approved by the City during the Technical Site Plan review process. The Owner's redesign, impacts and redevelopment may include but are not limited to (i) relocation, (ii) rerouting, (iii) installation of culverts, or (iv) bridges.

10.6 LANDSCAPING: The Owner shall install reclaimed water distribution lines at the time of subdivision improvements so that the Project may be served for irrigation once reclaimed water becomes available to the site. Until reclaimed water is available to the site, the Owner may use potable water for irrigation. The Owner may also use stormwater ponds or irrigation wells as an alternative or supplemental source of irrigation water, subject to the issuance of any required Consumptive Use Permit and any other applicable approvals of the St. Johns River Water Management District ("SJRWMD"); provided, however, the Owner makes no representation that these alternative sources will be available or feasible given site conditions. Once reclaimed water becomes available to the site, no potable water shall be used for irrigation, except as otherwise permitted by the LDC. All landscaping and irrigation shall comply with the LDC except for perimeter buffers, which shall be governed by Section 10.20 below.

10.7 LIGHTING: All lighting including but not limited to all pole mounted lighting shall be designed to minimize light pollution to off-site properties, have a common architectural theme and to comply with the LDC.

10.8 FIRE PROTECTION: Fire protection requirements for the Project will be met through a system of fire hydrants installed on the Property by the Owner in accordance with City standards. The locations of fire hydrants shall be shown on all construction documents, technical site plans, or preliminary plats. The water requirements for the fire system will be served by the City's Utility Department. The Project shall comply with the City's fire protection requirements. The City will provide fire protection services to the Project in accordance with established local response agreements.

10.9 UTILITIES: The Owner shall be responsible for any and all costs associated with (i) the expansion of capacity to serve the Property or (ii) the extension of existing City

utilities to the Property that may be required to serve this Project and, if so, the parties shall enter into a proportionate fair share agreement providing for impact or connection fee credits. All internal utility lines for the Project shall be placed underground.

10.10 INTERCONNECTIVITY AND ACCESS: Ingress and egress to the Project shall be provided, constructed, and maintained in accordance with this Development Agreement. The Project shall be served by two (2) primary full-access collector roadways from Belle Terre Boulevard as depicted on the Conceptual Master Plan. In addition to the primary access points, the Project shall be served by at least two (2) stabilized emergency access points: (a) a stabilized emergency access from Zonal Geranium Trail on the east side of the Project, and (b) a stabilized emergency access to north of Zonal Geranium Trail to ensure consistency with the City's Comprehensive Plan (2050). The specific location, alignment, and design of the full-access collector roadways and the stabilized emergency access points shall be determined at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal for each phase. If a traffic signal or other traffic control improvement is warranted at any Project access point based on (i) a phase-specific traffic impact analysis submitted with the Preliminary Plat or Technical Site Plan for any phase of the Project or (ii) applicable warrant analyses under the Manual on Uniform Traffic Control Devices (MUTCD) or FDOT standards, the Owner shall design, construct, and bond the signal or alternative traffic control improvement as a condition to the issuance of development orders for the phase triggering the warrant, at the Owner's sole expense and subject to any proportionate-share arrangements with other benefiting parties.

10.11 NATURAL RESOURCE PROTECTION:

(a) Except as depicted on the Conceptual Master Plan and in this Development Agreement, the Owner shall comply with the natural resource protection requirements of the LDC.

(b) Natural upland buffers must be provided if required by Chapter 10 of the LDC.

(c) Any wells discovered or encountered during construction of the Project shall be properly abandoned in accordance with all applicable state and federal regulations.

10.12 WETLANDS: The Project shall be subject to all Federal and State environmental and wetland regulations. Minor incidental wetland impacts may occur as permitted by the SJRWMD and the U.S. Army Corps of Engineers ("ACOE"), and/or such additional wetland impacts as may be authorized under the governing regulatory permits and the Subdivision Master Plan, Preliminary Plat, or Technical Site Plan approval process. Non-impacted wetlands shall be buffered consistent with SJRWMD and City regulations. Wetland upland buffers shall comply with the requirements of Section 10.01.08 of the LDC, which requires a natural upland buffer with an average width of fifty (50) feet, and no less than twenty-five (25) feet, adjacent to and surrounding optimal wetlands, and a natural upland buffer with an average width of twenty-five (25) feet, and no less than fifteen (15) feet, adjacent to moderate and minimal wetlands. Where development occurs adjacent to a conservation easement or an optimal (high quality) wetland, the Owner shall install, during construction activities, a double row of silt fence spaced three (3) feet apart to prevent erosion and sedimentation.

10.13 LOW IMPACT DEVELOPMENT PRACTICES: To further conservation practices identified in the LDC, the Project shall incorporate into the construction, operation, and maintenance of all facilities, conservation strategies to include but not be limited to:

(a) Water Conservation:

i. Native, drought tolerant plant materials;

ii. Separate irrigation zones shall be required for turf, non-turf areas; and

iii. Landscape areas shall not be irrigated using high-volume irrigation systems unless high pressure compensating spray heads are utilized.

All irrigation systems shall employ, at minimum, a rain shut-off device such as a soil moisture sensor or smart irrigation system capable of analyzing and ascertaining weather conditions and time of year. These restrictions shall be clearly stated in the Project's Covenants, Conditions and Restrictions ("CC&Rs").

10.14 PROHIBITION OF DISCHARGES: The Owner shall comply with the City of Palm Coast Code of Ordinances, Article VI, Prohibition of Discharges, and all applicable local, state, federal, and City water quality laws, rules, regulations, and ordinances.

10.15 STORMWATER POLLUTION PREVENTION: A stormwater pollution prevention plan shall be attached to and incorporated into the construction and permit documents pursuant to the requirements of applicable federal, state, and City regulations.

10.16 WILDLIFE PROTECTION: In the event that listed species have been determined to be residing on, or otherwise be significantly dependent on the Property, the Owner shall obtain the necessary permits from the Florida Fish and Wildlife Conservation Commission and other applicable agencies. Activities associated with listed flora and fauna shall comply with the LDC. If applicable, Bear Smart Community principles shall be integrated into design and operations. The intent is to minimize human-animal conflicts from black bear and other species that may be drawn to area attractants. The Owner and City shall cooperate on grant opportunities to supplement cost(s) that the Owner may incur to implement these principles. The Owner shall consider the use of wildlife crossings in areas where the Project's roadway network crosses optimal wetlands or greenway corridors, as appropriate.

The specific location, design, and scope of any such wildlife crossings shall be determined at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal.

10.17 SIGNAGE: The development may be identified by up to two double-faced or two single-faced monument entrance signs to be located at the two (2) primary Project entrances and may be identified with either one double-faced or two single-faced monument entrance signs. Such monument signs may be lighted (with lighting directed away from traffic as required by the LDC), and shall be a maximum of twelve feet (12') tall, with a sign area no greater than forty-eight (48) square feet in size. Directional, and ingress and egress signs for the individual residential and commercial projects within the Project, and for recreational and other amenities, will be provided throughout the Project, provided that none of these signs exceed six (6) square feet in size and four (4) feet in height, including for sale or for lease signs. Neighborhood, amenity and commercial project directory signs may be located along the internal road circulation system and shall be no taller than six feet (6') in height, with no more than thirty-two (32) square feet of sign area. All signage will be generally consistent and uniform in design and a master sign plan shall be approved at the time of the Project's first preliminary plat or site plan approval

10.18 MODEL HOMES: For each phase, up to five (5) model homes can be constructed, occupied, and operated under Section 4.19.02 of the LDC. Sales and leasing activities shall be limited to properties located within the Project. Construction and Certificates of Occupancies shall be issued consistent with the City and state rules, regulations and codes.

10.19 RENTAL PROGRAM: Owner, or its assigns, reserves the right to place all or any portion of the Project's residential units in a rental program operated by Owner, Owner's affiliates or any third party rental program operators approved by the Owner.

10.20 PROJECT BUFFERS: At a minimum, the Owner shall provide and maintain (i) a fifteen-foot (15') wide landscape buffer with Type "G" plantings along Belle Terre Parkway and (ii) a twenty-foot (20') wide perimeter buffer with Type "E" plantings along the remainder of the Project boundary. The foregoing buffers shall not be required at the Project entrances. Except as otherwise provided in this Agreement, Project signage, irrigation, drainage, utilities, and related improvements shall be permitted within the Belle Terre Parkway landscape buffer, as outlined in Section 11.03.05.C.6 of the LDC. Notwithstanding the foregoing, the Owner may elect to leave any portion of the Belle Terre Parkway landscape buffer or the perimeter buffer in its existing natural state in lieu of installing the Type "G" or Type "E" plantings otherwise required by this Section 10.20, provided that (i) the minimum buffer width otherwise required by this Section 10.20 is maintained, and (ii) the existing natural conditions (including without limitation wetlands and native vegetation) provide screening equal to or better than the screening that would be provided by the applicable buffer plantings.

SECTION 11. PHASING OF DEVELOPMENT.

(a) The Property may be developed in multiple phases. The Project shall be developed in phases as depicted on the Phasing Plan attached hereto as **EXHIBIT "F"** (the "Phasing Plan"). The Phasing Plan is conceptual in nature and the specific boundaries, sequencing, and timing of each phase may be modified by the Owner at the time of the applicable Subdivision Master Plan, Preliminary Plat, or Technical Site Plan submittal for each phase. Prior to the issuance of any permit for any phase of the Project (and prior to any construction of any improvement, building, or structure on the Property), the Owner shall submit a Subdivision Master Plan for the relevant phase for City approval pursuant to the LDC, and thereafter shall submit a Preliminary Plat for the relevant phase. Each phase of the Project will include infrastructure to support the proposed uses, including water and wastewater

service, drainage, private roads, vehicular, and pedestrian access facilities. All infrastructure necessary to support each phase that is constructed on the Property shall be constructed concurrently with, or prior to construction of that phase of the Project, as approved by the City, and prior to the issuance of building permits for that phase. Adequate emergency vehicle access and turnarounds shall be provided at all times.

(b) Roadways shall be constructed concurrently with development of adjacent lots to insure that contiguous roadways are available at all times prior to the issuance of any building permits for that phase. To avoid unnecessary construction and repair costs, internal sidewalks shall be constructed adjacent to each lot at the time the home is constructed and prior to the Certificate of Occupancy, and each home's building permit shall be conditioned on this requirement. Neighborhood streets shall have a fifty (50) foot right of way, with a minimum twenty-two (22) feet of travel lanes with two (2) feet of drivable curb, and cul-de-sacs shall have a 124' right-of-way diameter and a 104' pavement diameter. Islands may be constructed in the cul-de-sacs so long as a minimum asphalt roadway width of twenty-two (22) feet with two (2) feet of drivable curb is maintained and does not impede fire truck movement.

SECTION 12. LOT AND BUILDING STANDARDS.

12.1 LOT DIMENSIONAL STANDARDS: Dimensional standards for each permissible use shall comply with the LDC except as follows:

Table 12.1 - Site Development Requirements

Regulations	**Tract 1** Neigh. Comm.	**Tract 1** MFR (8 units per acre) ****	**Tract 2** SFR Detached/ Amenities	**Tract 2** Active Adult/ Amenities	**Tract 2** Townhome **** (Up to 8 DUs per Bldg.)	**Tract 3 & 4** Conservation/ Open Space/ Borrow Pit
Min. Lot Area	10,000 SF	10,000 SF	4,000 SF	4,000 SF	1,600 SF	N/A
Min. Lot Width	100 ft.	100 ft.	40 ft.	40 ft.	18 ft.	N/A
Min. Lot Depth	100 ft.	N/A	100 ft.	100 ft.	N/A	N/A
Min. Front Setback	30 ft.	20 ft.	20 ft.	20 ft.	20 ft.	N/A
Min. Side Corner Setback	25 ft.	15 ft.	15 ft. ***	15 ft. ***	15 ft.***	N/A
Min. Interior Side Yard Setback	10 ft.**	8 ft.**	5 ft.	5 ft.	15 ft.**	N/A
Min. Rear Yard Setback	25 ft.*	20 ft.****	10 ft.	10 ft.	20 ft.	N/A
Max. Bldg. Height	25 ft.	50 ft.	36 ft.	36 ft.	36 ft.	N/A
Min. Unit Size	N/A	650 SF	1,200 SF	1,200 SF	1,200 SF	N/A
Unit Mix	N/A	N/A	N/A	N/A	N/A	N/A

Comments:
*Abutting residential required 35-foot landscape setback for Tract 1.
** If buildings exceed 2 stories in height, setbacks shall increase at 10 ft. for every floor over two.
*** No driveways shall be permitted within the side yard setback.
**** All distance dimensions must conform to the *Florida Building Code Regulations.*
The five (5)-foot side setback shall apply to the exterior of units. No development standards applicable to Tracts 3 and 4 due to Conservation and Open Space use. Townhome lots on Tract 1 shall comply with the Tract 2 Townhome dimensional standards in Table 12.1.

12.2 MIXED-USE TRACTS DIMENSIONAL STANDARDS: Non-residential (commercial) uses within the Project shall be permitted only on Tract 1 and shall not be permitted on any other Tract.

Tract 1 consists of two (2) upland development areas separated by wetlands and the existing access road serving the ALF Parcel. Each such upland development area may be developed under any of the following scenarios independently of the other, provided that any such development is consistent with the terms of this Development Agreement:

(i) *Stand-alone Commercial.* Uses consistent with the City LDC requirements for the Neighborhood Commercial (COM-1) zoning district.

(ii) *Stand-alone Residential.* Multifamily uses consistent with the City LDC requirements for the MFR-1 zoning district.

(iii) *Mixed Use.* A combination of Multifamily and Neighborhood Commercial uses consistent with the requirements of the zoning districts referenced in (i) and (ii) above, which may consist of (A) one or more single-use buildings dedicated to either Multifamily or Neighborhood Commercial uses, (B) one or more mixed-use multistory buildings consistent with Section 4.08.05 of the LDC (Multiuse buildings), with non-residential (commercial) uses consistent with the COM-1 zoning district on the ground floor and/or other lower floor(s) of the building and multifamily residential uses on the upper floor(s) of the building, or (C) any combination of the foregoing.

Multifamily units developed on Tract 1, whether stand-alone or as part of mixed-use buildings, shall count toward the 150-unit aggregate cap on multifamily housing units and townhomes set forth in Section 7.1.

12.3 AMENITIES. The Project's amenities may include, without limitation, a clubhouse or clubhouses with fitness facilities, community pool(s), playground(s), sports courts, common area open space, and similar facilities. Amenities may also include other passive and active recreational areas or facilities such as dog parks, pocket parks, and a trail system. The Project's trail system may form a part of the Project's Pedestrian Connectivity System established pursuant to Section 7.4(a). The Project's amenities shall be provided to maintain the City's required level of service for recreation as set forth in the LDC and the Comprehensive Plan. The specific location, configuration, and design of the Project's amenities shall be provided at the time of the Owner's first Preliminary Plat or Technical Site

Plan submittal, consistent with Sections 5(e) and 9(f) of this Development Agreement.

12.4 ARCHITECTURE: Prior to issuance of the Preliminary Plat Development order, the Owner may submit to the LUA an architectural program for the Project. Such program shall include signage and lighting for the Project.

SECTION 13. LIST OF OUTSTANDING PERMITS/APPROVALS AND PROPERTY SEQUENCING.

(a) The failure of the Development Agreement to address any specific City, County, State, or Federal permit, condition, term, or restriction shall not relieve the Owner of the requirement of complying with the law governing said permitting requirements, conditions, terms, or restrictions.

(b) All required City, County, State, or Federal permits shall be obtained prior to commencement of construction. This Development Agreement is not a Preliminary Plat approval and the Owner remains responsible for complying with all provisions of the Land Development Code unless provided elsewhere in this Development Agreement.

SECTION 14. COMMON AREAS AND MAINTENANCE.

(a) For all common areas within the Project, to ensure the long-term ownership, maintenance, and control of those areas, prior to the issuance of any building permit and before recording the final plat, the Owner shall cause such common areas to be owned, operated, and maintained by (i) the existing Magnolia Trace Master Association, Inc. pursuant to the Master Declaration, as may be amended from time to time; (ii) one or more sub-associations created to govern one or more phases of the Project; (iii) a community development district (a "CDD") created pursuant to Chapter 190, Florida Statutes; (iv) a new or successor property owners association established in accordance with Florida law; or (v) any combination of the foregoing (collectively, any such entity, the "Association"), each comprised of the owners of lots or

parcels within the Project. The Owner reserves the right, at its discretion and in accordance with Florida law, to (A) amend the governing documents of the Master Association or the Master Declaration, (B) create one or more sub-associations to govern one or more phases of the Project, and (C) replace the Master Association and its functions, in whole or in part, with a new or successor property owners association or a CDD. The Association's governing documentation shall be subject to the prior reasonable review of the City to ensure adequate provisions for the ongoing care and maintenance of the common areas. The documentation, whether contained in a deed restriction or otherwise, shall provide for the permanent maintenance of the Common Areas by the Association or CDD, minimum insurance requirements for the Association, adequate mechanisms to force financial participation by members of the Association, and restrictions on the ability to amend these requirements without the City's approval. The City shall not be required to accept ownership or maintenance of any of the Project's common elements including but not limited to roads, landscaping, stormwater, and buffers.

(b) Existing Assisted Living Facility and Independent Living Units. The Assisted Living Facility, consisting of the sixty (60) assisted living bed units and twenty (20) independent living residences located on that portion of the Previous MPD Property owned by Palm Coast SLP, LLC (the "ALF Parcel"), shall not be subject to the obligations imposed by this Development Agreement. The ALF Parcel shall continue to be governed exclusively by the Previous MPD, the ALF Development Order, and the Master Declaration, which instruments shall remain in full force and effect as to the ALF Parcel notwithstanding anything to the contrary contained herein. Under those instruments: (i) the owner of the ALF Parcel shall remain responsible for the operation, maintenance, and repair of the stormwater management system located on the ALF Parcel; (ii) the owner of the ALF Parcel shall remain

a member of the Master Association and subject to assessment thereby for the maintenance of the common roadways, common landscape areas, common lighting, and other common elements serving the ALF Parcel; and (iii) the Master Association shall continue to be responsible for the operation and maintenance of the common roadways, common landscape, common lighting, and common irrigation serving the ALF Parcel, in accordance with and to the extent provided in the Previous MPD and the Master Declaration. Nothing in this Development Agreement shall diminish, alter, terminate, or otherwise impair the rights and obligations of the owner of the ALF Parcel or of the Master Association under the Previous MPD or the Master Declaration, each of which shall continue in full force and effect as to the ALF Parcel.

SECTION 15. BREACH, ENFORCEMENT, ALTERNATIVE DISPUTE AND CONFLICT RESOLUTION.

(a) In the event of a breach hereof by either party hereto, the other party hereto shall have all rights and remedies allowed by law, including the right to specific performance of the provisions hereof.

(b) In the event that a dispute arises under this Development Agreement, and the City and Owner are unable to resolve the issues, the parties shall attempt to resolve all disputes informally. In the event of a failure to informally resolve all disputes, the City and Owner agree to engage in mediation before a certified Circuit Court mediator selected by the parties. In the event that the parties fail to agree to a mediator, a certified mediator will be selected solely by the City. The parties shall equally pay all costs of mediation.

(c) In the event of conflict between the terms of this Development Agreement and the Conceptual Master Plan, the provisions of this Development Agreement shall prevail.

SECTION 16. NOTICES.

(a) All notices required or permitted to be given under this Development Agreement must be in writing and must be delivered to the City or the Owner at its address set forth below (or such other address as may be hereafter be designated in writing by such party).

(b) Any such notice must be personally delivered or sent by certified mail, overnight courier, or telecopy.

(c) Any such notice will be deemed effective when received (if sent by hand delivery, overnight courier, or telecopy) or on that date which is three (3) days after such notice is deposited in the United States mail (if sent by certified mail).

(d) The parties' addresses for the delivery of all such notices are as follows:

As to the City: City Manager
160 Lake Avenue
Palm Coast, FL 32164

As to the Owner: Oare Associates, LLC
Attn: John P. Junod, Esq.
Shuffield Lowman
1000 Legion Place, Suite 1700
Orlando, Florida 32801

With copies to: Jay W. Livingston, Esq
Livingston & Sword, P.A.
391 Palm Coast Parkway SW #1
Palm Coast, Florida 32137

SECTION 17. SEVERABILITY.

The terms and provisions of this Development Agreement are not severable and in the event any portion of this Development Agreement shall be found to be invalid or illegal, then the entire Development Agreement shall remain valid and binding on the parties.

SECTION 18. SUCCESSORS AND ASSIGNS.

(a) This Development Agreement and the terms and conditions hereof shall be binding upon and inure to the benefit of the City and Owner and their respective successors-

in-interest. The terms and conditions of this Development Agreement similarly shall be binding upon the Property and shall run with the land and the title to the same.

(b) This Development Agreement touches and concerns the Property.

(c) The Owner has expressly covenanted and agreed to this provision and all other terms and provisions of this Development Agreement.

SECTION 19. GOVERNING LAW, VENUE AND COMPLIANCE WITH LAW.

(a) This Development Agreement shall be governed by and construed in accordance with the laws of the State of Florida and the Code of Ordinances of the City of Palm Coast.

(b) Venue for any dispute shall be in the Seventh Judicial Circuit Court in and for Flagler County, Florida, or the Middle District, if in federal court.

(c) The Owner shall fully comply with all applicable local, State, and Federal environmental regulations and all other laws of similar type or nature.

(d) This Development Agreement shall not limit the future exercise of the police powers of the City to enact ordinances, standards, or rules regulating development generally applicable to the entire area of the City, such as requiring compliance with the City capital facilities plan; parks master plan, including parks and trail dedications; utility construction and connections; mandating utility capacities; requiring street development or other such similar land development regulations and requirements.

(e) If state or federal laws are enacted after execution of this Development Agreement which are applicable to and preclude the parties' compliance with this Development Agreement, this Development Agreement shall be modified or revoked as necessary to comply with the relevant law.

(f) This Development Agreement shall also not be construed to prohibit the City from adopting lawfully imposed impact fees applicable to the Owner and the development authorized hereunder.

SECTION 20. TERM / EFFECTIVE DATE.

(a) This Development Agreement shall be effective upon approval by the City Council and execution of this Development Agreement by all parties (the "Effective Date").

(b) This Development Agreement provides an initial timeframe of ten (10) years to commence development from the Effective Date. This Development Agreement will expire thirty (30) years from the Effective Date.

(c) Should development not commence within the initial established timeframe, the term of this Development Agreement may be modified by action of the City Council, at Council's discretion. Failure to obtain an extension shall cause the zoning of all lands encumbered to revert to the previous equivalent zoning designation.

SECTION 21. RECORDATION.

Upon approval by the City Council and execution of this Development Agreement by all parties, this Development Agreement and any and all amendments hereto shall be recorded by the City with the Clerk of the Circuit Court of Flagler County within fourteen (14) days after its execution by the City, and the Development Agreement shall run with the land. The Owner shall pay the costs to record this Development Agreement.

SECTION 22. THIRD PARTY RIGHTS.

This Development Agreement is not a third party beneficiary contract, and shall not in any way whatsoever create any rights on behalf of any third party.

SECTION 23. SPECIFIC PERFORMANCE / TIME IS OF THE ESSENCE.

(a) Strict compliance shall be required with each and every provision of this Development Agreement. The parties agree that each has the remedy of specific performance of these obligations.

(b) Time is of the essence to this Development Agreement and every right or responsibility required herein shall be performed within the times specified.

SECTION 24. ATTORNEYS' FEES.

In the event of any action to enforce the terms of this Development Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees, paralegals' fees, and all costs incurred, whether the same be incurred in a pre-litigation negotiation, litigation at the trial, or appellate level.

SECTION 25. FORCE MAJEURE.

The parties agree that in the event that the failure by either party to accomplish any action required hereunder within a specific time period ("Time Period") constitutes a default under terms of this Development Agreement, and if any such failure is due to any unforeseeable or unpredictable event or condition beyond the control of such party, including, but not limited to: acts of God, acts of government authority (other than the City's own acts), acts of public enemy or war, terrorism, riots, civil disturbances, power failure, shortages of labor or materials, injunction or other court proceedings beyond the control of such party, or severe adverse weather conditions ("Uncontrollable Event"); then notwithstanding any provision of this Development Agreement to the contrary, that failure shall not constitute a default under this Development Agreement and any Time Period prescribed hereunder shall be extended by the amount of time that such party was unable to perform solely due to the Uncontrollable Event.

SECTION 26. INDEMNIFICATION.

The Owner shall indemnify for and save the City harmless from and against any and all liability, claims for damages and suits for any injury to any person or persons, or damages to any property of any kind whatsoever arising out of in any way connected with the Owner's development of the Property as provided in this Development Agreement. This agreement by the Owner to indemnify and hold the City harmless shall include, but not be limited to: all charges, expenses, and costs, including reasonable attorneys' fees, both at trial and on appeal, incurred by the City on account of or by reason of such injuries, damages, liability, claims, suits, or losses and all damages arising therefrom.

SECTION 27. ENFORCEMENT; CITY'S RIGHT TO TERMINATE DEVELOPMENT AGREEMENT.

(a) This Development Agreement shall continue to be enforceable, unless lawfully terminated, notwithstanding any subsequent changes in any applicable law.

(b) The failure by the Owner to perform each and every one of its obligations hereunder shall constitute a default, entitling the City to pursue whatever remedies are available to it under Florida law or equity, including, without limitation, an action for specific performance and/or injunctive relief, or alternatively, the termination of this Development Agreement. Prior to the City filing any action or terminating this Development Agreement as a result of a default under this Development Agreement, the City shall first provide the Owner written notice of said default. Upon receipt of said notice, the Owner shall be provided a thirty (30) day period in which to cure the default to the reasonable satisfaction of the City prior to the City filing an action or terminating this Development Agreement. If thirty (30) days is not considered by the parties to be a reasonable period in which to cure the default, the cure period shall be extended to such cure period acceptable to the City, but in no case shall that cure period

exceed ninety (90) days from initial notification of default. Upon termination of the Development Agreement, the Owner shall immediately be divested of all rights and privileges granted hereunder.

SECTION 28. CAPTIONS.

Sections and other captions contained in this Development Agreement are for reference purposes only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Development Agreement, or any provision hereof.

SECTION 29. EXHIBITS.

Each exhibit referred to and attached to this Development Agreement is an essential part of this Development Agreement. The exhibits and any amendments or revisions thereto, even if not physically attached hereto, shall be treated as if they are part of this Development Agreement.

SECTION 30. INTERPRETATION.

(a) The Owner and the City agree that all words, terms and conditions contained herein are to be read in concert, each with the other, and that a provision contained under one (1) heading may be considered to be equally applicable under another in the interpretation of this Development Agreement.

(b) This Development Agreement shall not be construed more strictly against either party on the basis of being the drafter thereof, and both parties have contributed to the drafting of this Development Agreement.

SECTION 31. FURTHER ASSURANCES.

Each party agrees to sign any other and further instruments and documents consistent herewith as may be necessary and proper to give complete effect to the terms of this Development Agreement.

SECTION 32. COUNTERPARTS.

This Development Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which, taken together, shall constitute one (1) and the same document.

SECTION 33. MODIFICATIONS, AMENDMENTS AND NON-WAIVER.

(a) Unless provided for elsewhere in this Development Agreement, (1) Amendments to and waivers of the provisions herein shall be made by the parties only in writing by formal amendment, and (2) This Development Agreement shall not be modified or amended except by written agreement executed by all parties hereto and upon approval of the City Council of the City of Palm Coast.

(b) Failure of any party hereto to exercise any right hereunder shall not be deemed a waiver of any such right and shall not affect the right of such party to exercise at some future date any such right or any other right it may have.

SECTION 34. ENTIRE AGREEMENT AND EFFECT ON PRIOR AGREEMENTS.

This Development Agreement constitutes the entire agreement between the parties and supersedes all prior oral discussions, understandings, and agreements of any kind and nature, between the parties relating to the subject matter of this Development Agreement.

(SIGNATURES INTENTIONALITY TO NEXT PAGE)

IN WITNESS WHEREOF, the Parties have executed this Development Agreement on the dates set forth below.

EXHIBIT "A"

LEGAL DESCRIPTION OF THE PROPERTY

A portion of Sections 13 and 24, Township 12 South, Range 30 East, together with a portion of Sections 18 and 19, Township 12 South, Range 31 East, Flagler County, Florida, being a portion of Map of the Bunnell Development Company's Land at Bunnell, Florida, as recorded in Plat Book 1, Page 1, of the Public Records of said county, also being a portion of Revised Parcel 403, as described and recorded in Official Records Book 950, Page 1943, of said Public Records, together with all of Lot 13, Block 45, as depicted on Subdivision Plat Kanakakee Run—Section 65 Seminole Woods at Palm Coast, recorded in Map Book 17, Page 56, together with all of Reserved Parcels D3 and F-4, all of Lot 10, Block 14, and all of Lot 16, Block 10, as depicted on Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast, recorded in Map Book 18, Page 24, all of said Public Records, being more particularly described as follows:

For a Point of Beginning, commence at the Northwest corner of said Section 13; thence North 87°27'22" East, along the Northerly line of said Section 13, a distance of 2961.63 feet to its intersection with the Westerly line of said Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast; thence along said Westerly line the following 17 courses: Course 1, thence South 20°55'26" East, departing said Northerly line, 211.58 feet to a point on a non-tangent curve concave Easterly having a radius of 150.00 feet; Course 2, thence Southerly along the arc of said curve, through a central angle of 98°21'15", an arc length of 257.49 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 01°53'15" West, 227.02 feet; Course 3, thence South 05°31'19" East, along a non-tangent line, 669.87 feet to a point on a non-tangent curve concave Easterly having a radius of 150.00 feet; Course 4, thence Southerly along the arc of said curve, through a central angle of 73°26'22", a arc length of 192.26 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 15°27'56" East, 179.37 feet; Course 5, thence South 52°11'07" East, 136.97 feet; Course 6, thence South 02°05'57" East, 346.46 feet to the point of curvature of a curve concave Easterly having a radius of 550.00 feet; Course 7, thence Southerly along the arc of said curve, through a central angle of 16°39'59", an arc length of 159.99 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 10°25'57 East, 159.42 feet; Course 8, thence South 18°45'56" East, 136.41 feet; Course 9, thence South 71°14'04" West, 25.00 feet to the point of curvature of a curve concave Easterly having a radius of 150.00 feet; Course 10, thence Southerly along the arc of said curve, through a central angle of 180°00'00", an arc length of 471.24 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 18°45'56" East, 300.00 feet; Course 11, thence Southerly along the arc of a non-tangent curve concave Easterly having a radius of 150.00 feet, through a central angle of 180°00'00", an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 18°45'56" East, 300.00 feet; Course 12, thence North 71°14'04" East, 25.00 feet; Course 13, thence South 18°45'56" East, 315.63 feet; Course 14, thence South 36°19'43" East, 128.96 feet; Course 15, thence South 20°50'43" West, 193.05 feet; Course 16, thence South 06°47'31" East, 236.49 feet to the point of curvature of a curve concave Northerly having a radius of 150.00 feet; Course 17, thence Easterly along the arc of said curve, through a central angle

180°00'00", an arc length of 471.24 feet to the point of tangency of said curve being the Southwesterly corner of said Reserved Parcel F-4, said arc being subtended by a chord bearing and distance of North 83°12'29" East, 300.00 feet; thence Easterly along the boundary lines of said Reserved Parcels F-4 and D3 the following 15 courses: Course 1, thence North 06°47'31" West, departing said Westerly line, 50.00 feet; Course 2, thence North 06°12'39" West, 80.71 feet; Course 3, thence North 14°31'01" East, 141.50 feet; Course 4, thence South 66°56'33" East, 50.00 feet; Course 5, thence North 68°07'42" East, 152.15 feet; Course 6, thence North 18°45'56" West, 125.00 feet to a point lying on the Southerly right of way line of Zaun Trail, a right of way as depicted on said Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast; Course 7, thence North 71°14'04" East, along said Southerly right of way line, 40.00 feet; Course 8, thence South 18°45'56"East, departing said Southerly right of way line, 230.00 feet to a point on a non-tangent curve concave Northeasterly having a radius of 150.00 feet; Course 9, thence Southeasterly along the arc of said curve, through a central angle 81°38'47", an arc length of 213.75 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 59°35'20" East, 196.12 feet; Course 10, thence North 10°24'43" West, 110.00 feet to a point lying on the Southerly right of way line of Zachary Place, a 50 foot right of way as depicted on said Subdivision Plat 10°24'43" West, 110.00 feet to a point lying on the Southerly right of way line of Zachary Place, a 50 foot right of way as depicted on said Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast; Course 11, thence Easterly along said Southerly right of way line and along the arc of a non-tangent curve concave Northerly having a radius of 40.00 feet; through a central angle of 16°42'24", an arc length of 11.66 feet to a point on said curve, said arc being subtended by a chord bearing and distance of North 71°14'04" East 11.62 feet; Course 12, thence South 27°07'08" East, departing said Southerly right of way line, 110.00 feet to a point on a non-tangent curve concave Westerly having a radius of 150.00 feet; Course 13, thence Northerly along the arc of said curve, through a central angle of 81°38'48", an arc length of 213.75 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of North 22°03'28" East, 196.12 feet; Course 14, thence North 18°45'56" West, 105.00 feet; Course 15, thence North 71°14'04" East, 320.00 feet; thence South 16°08'17" East, continuing along said boundary line of Reserved Parcel D-3 and along said Westerly line of Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast, 979.40 feet; thence South 13°42'58" East, continuing along said Westerly line, 2050.00 feet to the Northwesterly corner of said Lot 10, Block 14; thence along the boundary line of said Lot 10, Block 14, the following 5 courses: Course 1, thence North 76°17'02" East, departing said Westerly line, 125.00 feet to a point lying on the Westerly right of way line of Zonal Court, a variable width right of way as depicted on said Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast; Course 2, thence South 13°42'58" East, along said Westerly right of way line, 44.00 feet; Course 3, thence South 23°09'13" West, continuing along said Westerly right of way line, 25.00 feet; Course 4, thence South 13°42'58" East, continuing along said Westerly right of way line, 20.00 feet; Course 5, thence South 76°17'02" West, departing said Westerly right of way line, 110.00 feet to the Southwesterly corner thereof, said corner lying on said Westerly line of Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast; thence South 13°42'58" East, along said Westerly line, 549.66 feet to the point of curvature of a curve concave Easterly having a radius of 2940.00 feet; thence Southerly, continuing along said Westerly line and along the arc of said curve, through a central angle of 06°28'07", an arc length of 331.92 feet to the

Northwesterly corner of said Lot 16, Block 10, said arc being subtended by a chord bearing and distance of South 16°57'02" East, 331.74 feet; thence along the boundary line of said Lot 16, Block 10, the following 4 courses: Course 1, thence North 69°48'54" East, departing said Westerly line, 125.00 feet to a point lying on said Westerly right of way line of Zonal Court, said point lying on a non-tangent curve concave Northeasterly having a radius of 100.00 feet; Course 2, thence Southeasterly along said Westerly right of way line and along the arc of said curve, through a central angle of 37°48'57", an arc length of 66.00 feet to a point lying on the Westerly right of way line of Zonal Geranium Trail, a right of way as depicted on said Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast, said arc being subtended by a chord bearing and distance of South 39°05'34" East, 64.81 feet; Course 3, thence Southerly, along last said Westerly right of way line and along the arc of a non-tangent curve concave Easterly having a radius of 100.00 feet, through a central angle of 16°12'39", an arc length of 28.29 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 07°00'40" West, 28.20 feet; Course 4, thence South 68°03'08" West, departing said Westerly right of way line, 131.78 feet to the Southwesterly corner thereof, said corner lying on said Westerly line of Subdivision Plat Zebulah's Trail—Section 63 Seminole Woods at Palm Coast; thence Southerly along said Westerly line the following 13 courses: Course 1, thence Southwesterly along the arc of a non-tangent curve concave Northeasterly having a radius of 2940.00 feet, through a central angle of 03°11'46", an arc length of 164.01 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 23°32'45" East, 163.99 feet; Course 2, thence South 25°08'38" East, 483.89 feet; Course 3, thence South 64°51'22" West, 345.00 feet to the point of curvature of a curve concave Northeasterly having a radius of 150.00 feet; Course 4, thence Southeasterly along the arc of said curve, through a central angle of 180°00'00", an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 25°08'38" East, 300.00 feet; Course 5, thence North 64°51'22" East, 345.00 feet; Course 6, thence North 64°51'22" East, 345.00 feet; Course 7, thence South 25°08'38" East, 1150.00 feet; Course 8, thence South 64°51'22" West, 105.00 feet to the point of curvature of a curve concave Northeasterly having a radius of 150.00 feet; Course 9, thence Southeasterly along the arc of said curve, through a central angle of 180°00'00", an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 25°08'38" East, 300.00 feet; Course 10, thence North 64°51'22" East, 105.00 feet; Course 11, thence South 25°08'38" East, 210.00 feet to the point of curvature of a curve concave Northeasterly having a radius of 150.00 feet; Course 12, thence Southeasterly along the arc of said curve, through a central angle 81°38'48", an arc length of 213.75 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 65°58'02" East, 196.12 feet; Course 13, thence South 45°00'43" East, along a non-tangent line, 744.60 feet to a point lying on the Northerly right of way line of Belle Terre Boulevard, a variable width right of way as presently established; thence Westerly along said Northerly right of way line the following 7 courses: Course 1, thence Southwesterly along the arc of a non-tangent curve concave Northwesterly having a radius of 1420.00 feet, through a central angle of 23°12'37", an arc length of 575.24 feet to a point on said curve, said arc being subtended by a chord bearing and distance of South 37°03'49" West, 571.31 feet; Course 2, thence North 41°22'55" West, 4.74 feet to a point on a non-tangent curve concave Northerly having a radius of 1415.00 feet; Course 3, thence Westerly along the arc of said curve, through a central angle of 40°02'29", an

arc length of 988.88 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 68°38'20" West, 968.88 feet; Course 4, thence South 88°39'35" West, 211.11 feet; Course 5, thence South 01°20'25" East, 5.00 feet to a point on a non-tangent curve concave Northerly having a radius of 5689.12 feet; Course 6, thence Westerly along the arc of said curve, through a central angle of 00°59'59", an arc length of 99.27 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 89°09'36" West, 99.27 feet; Course 7, thence South 89°39'35" West, 994.09 feet; thence Northerly along said Northerly line of said Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast the following 5 courses: Course 1, thence North 00°20'25" West, departing said Northerly right of way line, 300.00 feet; Course 2, thence South 89°39'35" West, 127.70 feet; Course 3, thence North 00°20'25" West, 113.58 feet; Course 4, thence North 44°39'35" East, 50.00 feet to the point of curvature of a curve concave Westerly having a radius of 150.00 feet; Course 5, thence Northerly along the arc of said curve, through a central angle of 98°21'02", an arc length of 257.48 feet to the Northeasterly corner of said Lot 13, Block 45, said arc being subtended by a chord bearing and distance of North 04°30'56" West, 227.01 feet; thence along the boundary line of said Lot 13, Block 45, the following 3 courses: Course 1, thence South 36°18'22" West, departing said Northerly line, 110.00 feet to a point lying on the Northerly right of way line of Kainite Court, a 50 foot right of way as depicted on said Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast, said point being a point on a non-tangent curve concave Southerly having a radius of 40.00 feet; Course 2, thence Westerly along said Northerly right of way line and along the arc of said curve, through a central angle of 55°51'28", an arc length of 39.00 feet to a point on said curve, said arc being subtended by a chord bearing and distance of North 81°37'32" West, 37.47 feet; Course 3, thence North 19°33'26" West, departing said Northerly right of way line, 110.00 feet to the Northwesterly corner thereof, said corner lying on said Northerly line of Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast; thence Southwesterly along said Northerly line the following 9 courses: Course 1, thence Southwesterly along the arc of a non-tangent curve concave Southeasterly having a radius of 150.00 feet, through a central angle of 25°47'09", an arc length of 67.51 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 57°33'10" West, 66.94 feet; Course 2, thence South 44°39'35" West, 238.91 feet; Course 3, thence South 00°20'25" East, 192.13 feet; Course 4, thence South 89°39'35" West, 282.47 feet; Course 5, thence North 00°20'25" West, 50.00 feet to the point of curvature of a curve concave Southerly having a radius of 150.00 feet; Course 6, thence Westerly along the arc of said curve, through a central angle of 180°0'00", an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 89°39'35" West, 300.00 feet; Course 7, thence South 00°20'25" East, 50.00 feet; Course 8, thence South 89°39'35" West, 253.41 feet; Course 9, thence South 00°20'25" East, 300.00 feet to a point lying on said Northerly right of way line of Belle Terre Boulevard; thence South 89°39'35" West, along said Northerly right of way line, 63.24 feet to the point of curvature of a curve concave Southerly having a radius of 1521.26 feet; thence Westerly continuing along said Northerly right of way line and along the arc of said curve, through a central angle of 06°41'48", an arc length of 177.80 feet to the Southeasterly corner of RP 190, as described and recorded in Official Records Book 1004, Page 341, of said Public Records, said arc being subtended by a chord bearing and distance of South 86°18'42" West, 177.70 feet; thence North 07°02'15" West, departing said Northerly right of way line and

along the boundary line of said RP 190, a distance of 50.00 feet; thence South 78°41'33" West, continuing along said boundary line, 70.00 feet to the Northwesterly corner thereof, said corner lying on said Northerly line of Subdivision Plat Kankakee Run—Section 65 Seminole Woods at Palm Coast; thence Northwesterly along said Northerly line the following 21 courses: Course 1, thence North 30°31'09" West, 57.09 feet; Course 2, thence North 59°28'51" East, 15.00 feet to the point of curvature of a curve concave Westerly having a radius of 225.00 feet; Course 3, thence Northerly along the arc of said curve, through a central angle of 90°00'00", an arc length of 353.43 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of North 14°28'51" East, 318.20 feet; Course 4, thence North 30°31'09" West, 1215.00 feet; Course 5, thence North 59°28'51 East, 173.41 feet; Course 6, thence North 30°31'09" West, 300.00 feet; Course 7, thence North 59°28'51" East, 80.00 feet; Course 8, thence North 30°31'09" West, 300.00 feet; Course 9, thence North 59°28'51" East, 79.56 feet; Course 10, thence North 19°12'34" West, 1199.35 feet; Course 11, thence North 39°07'43" West, 238.04 feet; Course 12, thence South 89°59'53" West, 270.01 feet to the point of curvature of a curve concave Easterly having a radius of 150.00 feet; Course 13, thence Southerly along the arc of said curve, through a central angle of 180°00'00", an arc length of 471.24 feet to the point of tangency of said curve, said arc being subtended by a chord bearing and distance of South 00°00'07" East, 300.00 feet; Course 14, thence North 89°59'53" East, 50.00 feet; Course 15, thence South 53°08'54" East, 63.20 feet; Course 16, thence South 30°31'09" East, 6.35 feet; Course 17, thence South 59°28'51" West, 1066.59 feet; Course 18, thence North 30°31'09" West, 660.00 feet; Course 19, thence South 59°28'51" West, 253.41 feet; Course 20, thence North 30°31'09" West, 468.41 feet; Course 21, thence South 59°28'51" West, 300.00 feet; thence North 89°14'34"West, continuing along said Northerly line and its Westerly prolongation, 125.81 feet to a point lying on the Westerly line of said Section 24; thence North 00°46'05" East, along said Westerly line, 1907.73 feet to the Northwesterly corner thereof, said corner also being the Southwesterly corner of said Section 13; thence North 01°12'31" West, along the Westerly line of said Section 13, a distance of 5279.19 feet to the Point of Beginning.

Less and Except Tract 12, also known as Tract "A", as described and recorded in Official Records Book 1907, Page 1119, of the Public Records of Flagler County, Florida.

Containing 1006.37 acres, more or less.

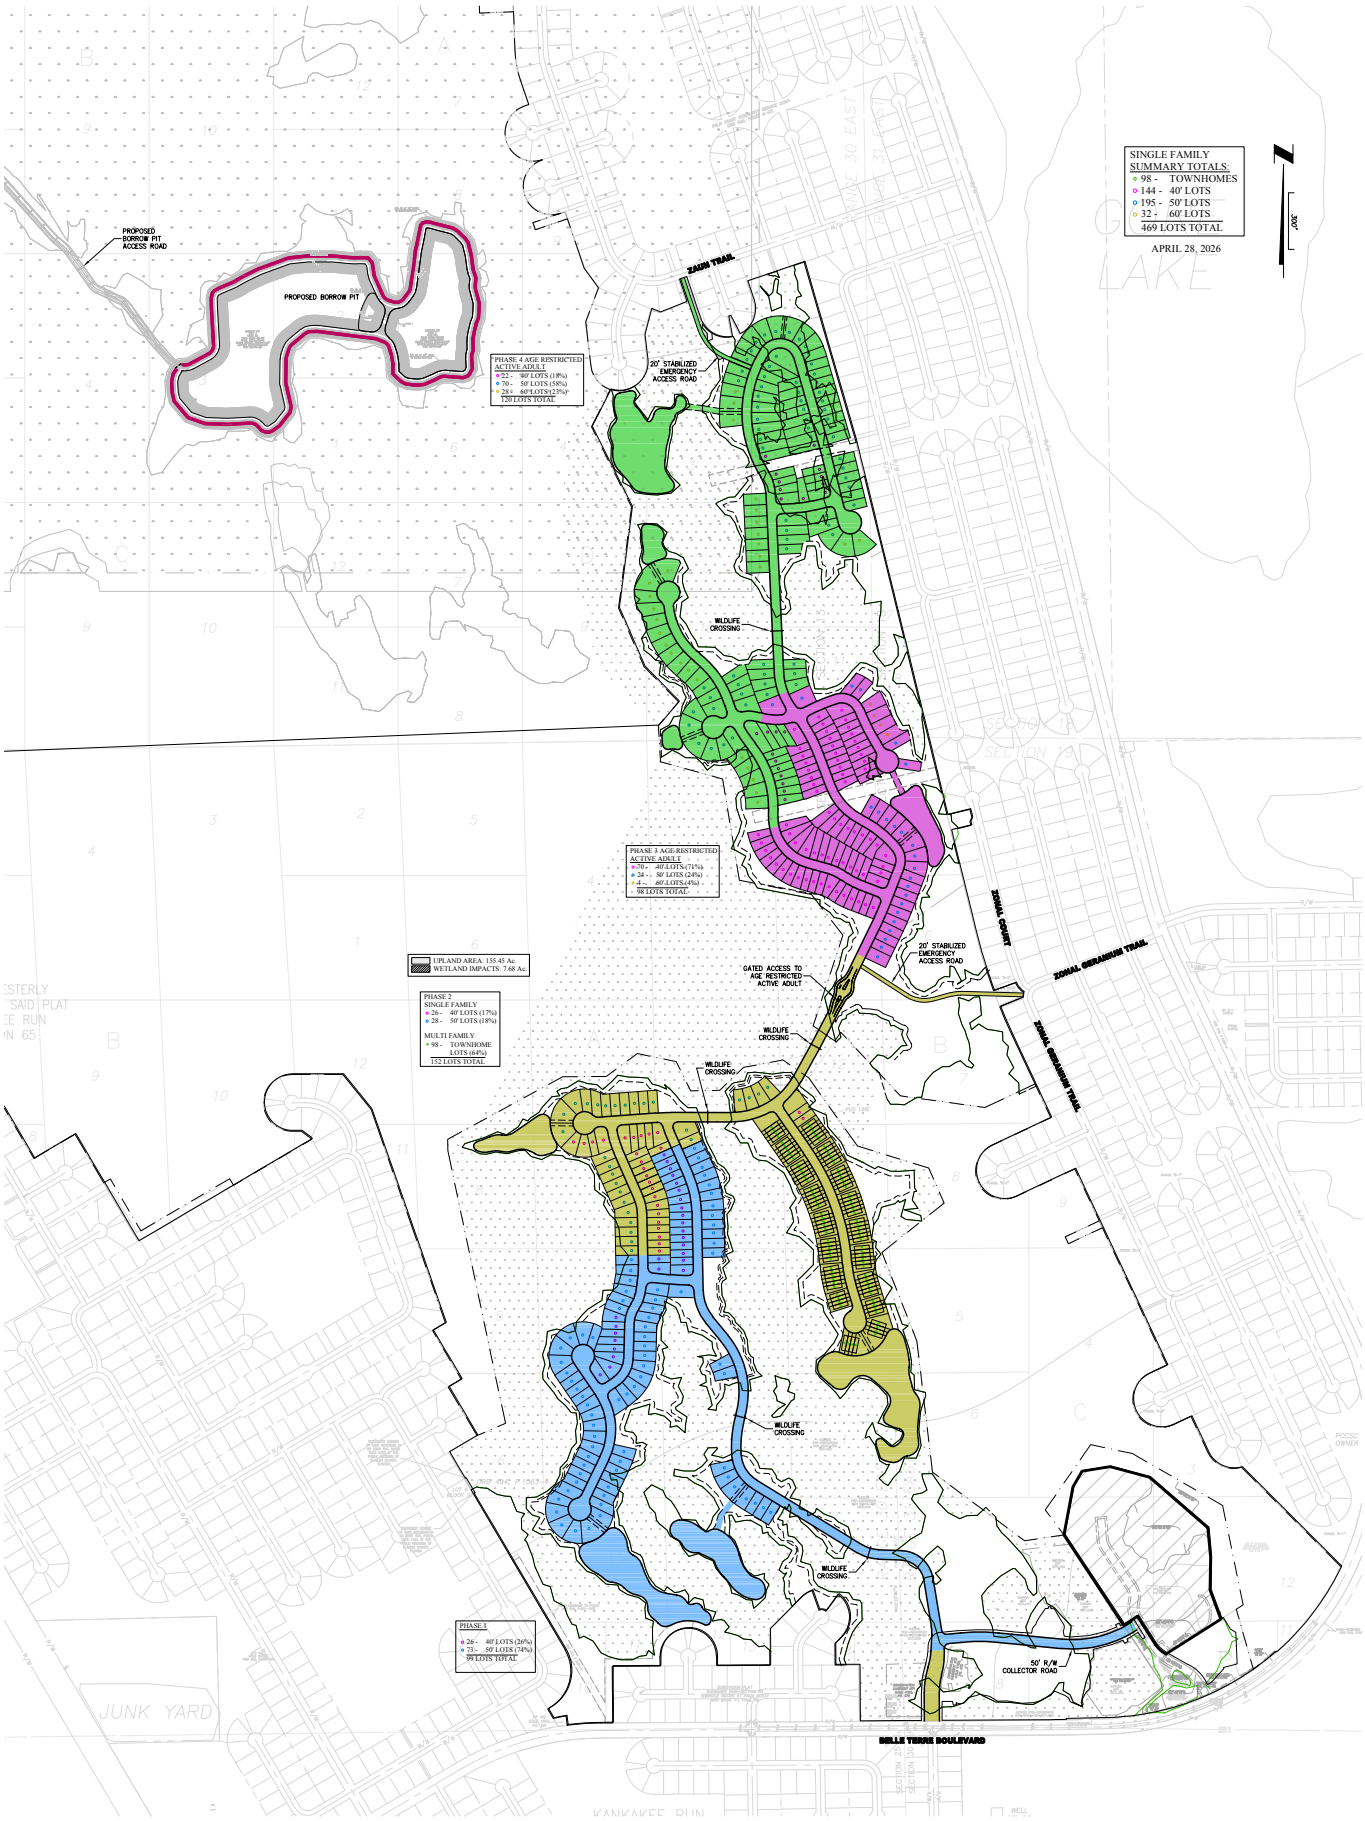
Land Use Conversion Table

Trip Generation Rate Calculations			
Land Use	*ITE LUC*	*Independent Variable*	*PM Peak Hour Ave Trip Rate*
Single-Family Detached Housing	210	DU	0.93
Multi-family Low-Rise	220	DU	0.52
Multi-family Mid-Rise	221	DU	0.38
Senior Adult Housing—Single-Family	251	DU	0.29
Senior Adult Housing—Multifamily	252	DU	0.25

Note: Average PM peak hour trip rate calculated using the following criteria:
1) Trip rate from the ITE's Trip Generation Manual, 12th Edition
2) No Pass-by considered
3) No Internal Capture considered

TO: / FROM:	Single-Family Detached Housing (DU)	Multi-family Low-Rise (DU)	Multi-family Mid-Rise (DU)	Senior Adult Housing—Single-Family (DU)	Senior Adult Housing—Multifamily (DU)
Single-Family Detached Housing	1	1.79	2.4474	3.2069	3.7200
Multi-family Low-Rise	0.56	1	1.3684	1.7931	2.0800
Multi-family Mid-Rise	0.41	0.7308	1	1.3103	1.5200
Senior Adult Housing—Single-Family	0.31	0.5577	0.7632	1	1.1600
Senior Adult Housing—Multifamily	0.27	0.4808	0.6579	0.8621	1

Example: Convert 100 Du's of Single Family Residential to Multi-family Low-Rise



100 x 1.79 = 179

100 Single Family Dwelling Units is equivalent to 179 Multi-family Low-Rise units

Introduction

This document reports the findings of an Phase II & III archaeological investigations and mitigative excavations of the Gore Lake Mound (8FL00029) located in the proposed GreenPointe Magnolia Trace development property located in the City of Palm Coast, Florida, conducted for GreenPointe Developers, LLC, Jacksonville, Florida, to meet site evaluation and related cultural resource assessment requirements of the City of Palm Coast, and in anticipation of meeting any future state and federal agency cultural resource requirements. The purpose of the study, conducted October - December 2025, was to investigate the integrity of the Gore Lake Mound (8FL00029) and evaluate its potential eligibility for nomination to the *National Register of Historic Places*. The authority for this procedure is Section 106 of the National Historic Preservation Act of 1966 (Public Law 89-665) as amended and Chapters 267 and 373, Florida Statutes. This report is designed to provide the City of Palm Coast with information resulting from the subject cultural resource assessment survey for their compliance review regarding the potential adverse impact of the proposed Magnolia Trace development on 8FL00029.

The Phase II & III investigations (mitigative excavations) of the Gore Lake Mound (8FL00029) falls within the proposed GreenPointe Magnolia Trace development property located north of Belle Terre Parkway in the City of Palm Coast, Flagler County, Florida; Section 24, Township 12 North, Range 30 East (Flagler County Parcel Identification Number: 24-12-31-4140-00T40-0000) (see site location figures). These project perimeters bound the **Area of Potential Effect (APE)** as defined by Section 106 of the National Historic Preservation Act of 1966 (Public Law 89-665) as amended.

The Phase II and III archaeological investigations were conducted for the City of Palm Coast to assess any potential cultural resources that may occur on the subject property. A review of the Florida Master Site File determined that 8FL00029 was potentially eligible for listing in the *National Register of Historic Places*. Based on this Florida Master Site File information and data from environmentally similar areas in Palm Coast and Flagler County, the City of Palm Coast recommended that a professional archaeological investigation be conducted at the subject site to determine site condition, integrity and NR status.

A search of the Florida Master Site File (FMSF), Florida Division of Historical Resources, Tallahassee, indicated that other historical and archaeological sites were located in the general area of but not in proximity to 8FL00029 (see attached FMSF maps and lists). The FMSF database was examined thoroughly to identify any cultural resources that may be located near the study area, and to develop a project-specific site predictive model as part of a comprehensive research design.

Cultural Prehistory of Flagler County

Prehistoric peoples have inhabited Florida for at least 15,000 years. The earliest stages are pan-Florida in extent while later cultures exhibited differing cultural traits in the various archaeological areas of the state. Milanich and Fairbanks (1980) and Milanich (1994) have synthesized the earlier work of John Goggin (1952) and others in east Florida in their model of cultural prehistory in Northeast Florida, of which Flagler County is part. Their chronology, as modified by recent archaeological research, will be followed in a brief overview of the prehistoric development in this region, which includes the project area. This cultural sequence provides a framework for the understanding and evaluation of archaeological sites in the project area.

The Gore Lake Mound (8FL00029) is located in the East-Central archaeological region of Florida as defined by Milanich and Fairbanks (1980:22) and Milanich (1994). This region extends from the St. Mary's River to the north and south to the vicinity of Vero Beach on the Atlantic Coast and includes the St. Johns River drainage and most of the eastern coastal lagoon regions.

The PaleoIndian Period

The first discoverers of the New World were the Siberians of East Asia. More than 20,000 years ago, possibly as early as 40,000 years ago, prehistoric hunters crossed into North America from Asia over the Bering Strait land bridge, a continental link created by shrunken seas during the Ice Age.

Following food supplies, mainly roaming herds of large mammals such as mastodons and mammoths, the Asians migrated throughout the Americas, eventually finding their way into Florida some 15,000 years ago. Many archaeologists believe that these early Floridians, called PaleoIndians, relied, in part, on the coastal regions for food and other resources. If so, the areas they once inhabited are now under water because ancient coastlines were miles beyond where they are today due to the lower sea levels of the time. If they have survived the destructive nature of rising sea levels, these archaeological sites will be found far offshore, possibly along relic river channels, the past freshwater environs where indigenous people tended to concentrate. This phenomenon may explain why archaeologists have such a difficult time finding evidence of early humans in Florida, especially along the coasts.

Recent research on Paleoindian sites in and along the Aucilla River in northwest Florida, particularly the Page-Ladson site, has changed the thinking on early prehistoric peoples in Florida and the Southeast (Dunbar 2012; Halligan 2012; Webb 2006). Based on these archaeological investigations and the data produced, it is generally believed that Paleoindian settlement was more specialized and sedentary than once thought, particularly in how Pleistocene megafauna such as mastodons were hunted and processed. The lithic tool assemblage associated with these early prehistoric activities is sophisticated and specialized.

While it is likely that they inhabited the area, PaleoIndian artifacts are infrequently found in Flagler County and its surrounding areas. Most have been recovered from the St. Johns River by divers who often find them in association with the fossil remains of early mammals such as elephants and bison, which were hunted by the PaleoIndians. These associated remains seem to indicate that Florida's earliest residents were taking and later butchering animals at river fords where the large creatures were temporarily incapacitated as they waded across the water. Archaeologists refer to these locations as "kill sites."

The Florida environment during PaleoIndian times was much different than today. The climate was cooler and drier, and freshwater was more difficult to find due to lower sea levels. Forests of hardwoods, mostly oak and hickory, grew alongside of open prairies. Here, PaleoIndians coexisted with and hunted an unusual variety of Pleistocene mammals which once lived in Florida such as giant ground sloths, horse, bison, llamas, giant armadillos, huge tortoises, peccaries and several types of elephants. They hunted many species of smaller animals, as well. Subsistence was of primary concern to these early people whose lifestyles were largely dictated by the migratory patterns and movements of game. The principal PaleoIndian diet was supplemented by wild plants, nuts, berries and food resources from the coasts.

PaleoIndians used specialized stone tools, the most characteristic of which are slightly waisted spear tips known as Suwannee and Simpson projectile points. Hundreds of these points have been found throughout Florida in rivers, suggesting that they were lost during game ambushes at river crossings.

The Archaic Period

About 6,000 B.C., the Earth's climate changed, and a warming trend caused glaciers to melt and release a tremendous amount of water into the ocean. Consequently, sea levels began to rise dramatically, changing the shape of the coastlines of Florida. The warmer temperatures and abundance of water caused a change in the environment and extensive hardwood forests gave way to pines and oaks, and swamp forests emerged. This was the end of the last great Ice Age.

It was during this period that the large mammals that once characterized Pleistocene Florida disappeared. In a new landscape that looked very similar to what St. Johns County does today, lessor mammals flourished. The new environment produced a variety of new food sources which prehistoric people adapted to with new technology. These events marked the beginning of the Florida Archaic period.

About 6,000 years ago, Archaic period hunters and gatherers began to expand out of the central highlands of Florida around Ocala and Gainesville and move into areas along the St. Johns River where they discovered an abundant supply of fish, game, and freshwater shellfish, mainly snail and mussel. By 4,000 B.C., prehistoric peoples were well established along the river, living there year-round rather than seasonally. For the first time, people became more sedentary in lifestyle, settling in one area. A stable supply of food found in the river environs attracted and supported more people and eventually large

villages and ceremonial centers began to emerge. These Archaic populations are known archaeologically as the Mount Taylor culture, named after the Mount Taylor site, a freshwater shell mound on the St. Johns River.

Perhaps the most significant of these sites is the archaeologically acclaimed Tick Island site on the St. Johns River to the southwest. Evidence from this site suggests a large and complex society once lived there, which practiced organized ceremonialism. Some of the earliest pottery in North America has been recovered from Tick Island along with a spectacular array of artifacts. Unfortunately, most of these were salvaged as the shell mound was being mined for road fill in the 1960's. Radiocarbon dates associated with human burial remains recovered from the site prior to its destruction indicate that Tick Island was well established by 4,000 B.C.

The Orange Period

The Archaic tradition, or the way Archaic peoples lived, continued for some time. The practice of hunting, gathering of food, and fishing, including the taking of shellfish, provided the food resources for prehistoric peoples to survive in many areas of St. Johns County.

Around 4,000 years ago or about 2,000 B.C., the technology of pottery-making was acquired by the Archaic people of Northeast Florida. The earliest forms of pottery were made from locally gathered clays mixed with plant fibers. When fired, the bodies of these ceramic vessels became orange in color. This recognizable pottery type, evidenced by its color and the presence of fiber impressions throughout, is used by archaeologists to identify the Orange or Late Archaic cultural period in St. Johns County, a continuation of the Archaic lifestyle with the advantage of pottery vessels. Orange period sites along the St. Johns River have produced the oldest dates for pottery in North America. The earliest pottery vessel forms are rectangular-shaped and were probably modeled after baskets.

It is generally believed that it was during the Orange period that prehistoric peoples were attracted to the coasts of Flagler County by a new food source created by a changing environment. An abundance of shellfish, produced by developing estuaries, caused inhabitants of the St. Johns River basin to migrate to the coastal regions of Northeast Florida and develop a new but similar means of subsistence. The settlement model for this period theorizes that the coastal resources supplemented the freshwater river lifestyle rather than replace it entirely. For some time, it has been believed that prehistoric groups of this time made seasonal rounds to and from the coasts from their permanent villages along the St. Johns River. These seasonal migrations are suggested to have taken place during the winter months when foods other than marine shellfish were scarce or not available.

However, evidence from the lower Tomoka River Basin in northeastern Volusia County and from other coastal areas indicates that Late Archaic peoples were living along the coasts of Northeast Florida year-round rather than at certain times of the year. Archaeological research conducted in St. Johns, Volusia, Flagler, and Duval Counties,

reveals that Orange period people were collecting and eating a variety of coastal resources throughout the year. Many of the sites researched are coquina middens, formed by the discarded remains of beach clams that were gathered from the seashore rather than estuaries. These tiny clams were collected in mass and cooked and eaten as a broth. Orange fiber-tempered pottery recovered from Late Archaic period coastal sites indicates that prehistoric peoples were using these areas about 4,000 years ago.

It is likely that Archaic period peoples were living in the coastal regions prior to the Orange period. Investigations at the Strickland Mound complex in Tomoka State Park have revealed extensive coquina middens that contain no pottery. These shell middens along with an early mounded burial may suggest that prehistoric groups had settled the east coast long before what is currently accepted. Rather than making seasonal rounds to and from the St. Johns River and the coast, it is likely that prehistoric people in St. Johns County and, in general, Northeast Florida, beginning with the Mount Taylor period, settled the two regions simultaneously, finding in both environments the resources necessary to support themselves year-round. Small Archaic period sites along the upper reaches of interior drainages may be short-term hunting or collecting stations, which were used by small groups who traveled from their permanent villages on the coast or river to gather food over a period of several days. These activities would allow people to maintain permanent residences in either location, with shellfish and fish providing the primary means of food, while gathering resources from surrounding areas.

The St. Johns Period

The end of the Orange period is characterized by changes in pottery types resulting from different tempering agents, including sand, which were used along with or in place of fiber. By 500 B.C., Orange pottery was replaced by a chalky ware known as St. Johns. The introduction of this ceramic type marks the beginning of the St. Johns cultural period, a way of life that spans two millennia, lasting until the arrival of European explorers around 1500. While much larger in number, prehistoric populations of this period practiced the same pattern of living developed by Archaic peoples centuries before, including shellfish harvesting, hunting, fishing, and plant collecting. It was also during this period that domesticated plants, mainly corn and squash, were used for the first time.

The St. Johns people occupied two major regions of Northeast Florida, the St. Johns River basin to the west and the environmentally rich estuaries of the intracoastal waterways of the east coast. Abundant resources in both areas allowed prehistoric populations to grow and expand throughout these regions of the county, establishing permanent villages and ceremonial and political centers at locations where food was most plentiful. Both the river and coastal regions are marked by enormous shell mounds, the remains of prehistoric foods – snail and mussel in the freshwater environs and oyster, clam and coquina on the coasts, all of which served as the staple for the St. Johns diet for centuries. In particular, it was the shell mounds of the east coast such as Turtle Mound in Canaveral National Seashore Park and Green Mound in Ponce Inlet that grew to colossal

proportions. These coastal shell heaps represent the largest shell middens in North America.

Because of an abundance of fish and shellfish in the estuarine regions of St. Johns County, St. Johns people lived in many areas along the intracoastal waterways other than the densely populated areas of river basins. This is evidenced by the numerous oyster middens and burial mounds known for the Intracoastal areas in Flagler, St. Johns, and Volusia Counties.

St. Johns period sites abound along the St. Johns River to the west, as well, indicating that prehistoric activity in the river basin during this cultural period was extensive. Here, enormous shell mounds and sprawling middens are composed of freshwater snail instead of oyster. The largest of these, Tick Island, was a focal point for St. Johns people as well as Archaic hunters and gatherers. Tick Island and other large sites likely were areas where St. Johns populations concentrated and consequently developed political and ceremonial systems to organize their complex societies.

Less is known about the inland occupations of St. Johns people, those that occur between river and coast. It is clear, however, that these areas were being used during the St. Johns period, this evidenced by interior sites such as Grand Haven Hammock (8FL00181) and Grand Haven Cove (8FL00174) in Flagler County. Freshwater snail and coquina middens found along inland lakes, ponds, swamps and other drainages suggest that some St. Johns people were well adapted to these areas, living selectively, seasonally or year-round within the interior portions of the region.

The late St. Johns period peoples were known historically as the Timucuan Indians in Flagler County and in Northeast Florida, a name that was given to them by the early European explorers. The ethnographic works of the French artist Jacques le Moyne in 1564 and other early descriptions provide archaeologists and historians with invaluable information regarding the lifestyles of the Timucua and their prehistoric ancestors. These early documentations, coupled with archaeological information, give us a relatively accurate profile of native life.

We know from this information that in addition to collecting shellfish from local waters for food, native Floridians also hunted, with bows and arrows and spears, deer and many other animals – even alligators, and fished, and trapped turtles and birds. Plants, roots, nuts, mainly acorns and hickory nuts, and berries were also gathered for food. A popular method of cooking foods involved the stewing and boiling of meats and plants in various combinations in a large pottery "kettle." Fish and animals were barbecued whole and preserved on smoke racks made of wood and crop harvests were stored in corncribs. Later, some native groups learned to grow corn, beans, squash, pumpkins, and other domesticated plants, a renewable source of food that ensured a stable diet. It is thought that in the spring some of these groups would abandon their large coastal villages, divide into smaller farming groups, and grow crops in the fertile grounds of the St. Johns River Valley and around the interior lakes of Central Florida.

Some Timucuan villages were fortified by a palisade line or a wall made of sharpened, upright timbers. A village often had a large community house in its center where ceremonies, religious activities, and political gatherings took place (Worth 1998). This central structure was where the chief presided, as well. Surrounding the community center were smaller huts that housed families. These houses were circular and dome-shaped in form with palmetto-thatched walls and roofs. Inside, wooden benches were used for sitting and sleeping. While the Timucuan attire was brief, sometimes consisting of strands of Spanish moss, their practice of body ornamentation and use of jewelry made for some richly decorated natives. Chiefs and other important members of the community were often tattooed from head to foot, a symbol. of authority. Men wore their hair up in a "top knot" usually with feathers or stuffed animals adorning their heads. Dyed fish-bladder ear plugs and long shell and bone pins were worn by both men and women. Jewelry, finely crafted and colorful, was made of shell, pearls, bone, wood, stone, and metal.

Accustomed to life near the water, prehistoric peoples used dugout wooden canoes for transportation and hunting in the extensive waterways of the Intracoastal and the St. Johns River. The dugouts were made by felling a tree, usually a pine or cypress, and hollowing out the body by burning and scraping away the interior wood. Many of these wooden vessels have been recovered from the bottom of lakes and rivers throughout the county area.

Regional Settlement Patterns

Prehistoric and Historic Settlement in the Pellicer Creek Basin

While prehistoric settlement in Northeast Florida occurs predominantly in the coastal regions and the St. Johns River Basin, prehistoric sites are also known for interior creek basins in the region. Prehistoric sites, especially those of later cultural periods, have been identified for the Pellicer Creek Basin located north of the subject parcel in Flagler and St. Johns Counties. These include two site complexes at Faver-Dykes State Park (8SJ00035, 8SJ03133, 8SJ03742) (see Payne and Griffin 2000).

Prehistoric settlement is evidenced in the basin from the mouth of Pellicer Creek inland. The Wadsworth Midden (8FL00012) is an extensive shell midden located at the mouth of the creek at the Intracoastal Waterway. Francis Pellicer owned and farmed a grant of 1,000 acres which includes this area (Payne and Griffin 2000).

Farther up Pellicer Creek westward are the Rhotan Middens (8SJ03203 and 8SJ03204). The site was investigated by Andrew Douglass who in the late 19th century recorded what little we know about the midden: "Immediately opposite this mound (Marineland Midden, 8FL002), Pellicer's Creek opens out on the western side of the lagoon, and following up its course about three miles we reach on the north bank, Rhotan Landing, where a shell bank and field indicate an early Indian village. Three-quarters of a mile westward from this landing is a sand mound known in my records as Rhotan Mound. The distance between this and Dupont's Shell Mound is about five miles, about one and a half miles of which constitute the breadth of the Lagoon" (Douglass 1885:76).

Miller (1978) identified Rhotan Landing on the north bank of the Pellicer Creek as one of four inland ceremonial mounds in the Pellicer Creek Basin. Douglass describes this complex in detail: "the Rhotan Mound … is the first Indian Mound I had the opportunity of exploring. Its form was that of a truncated cone, with unusually steep sides, rising at an angle of forty-five degrees. Its height above the trench at its base was twenty-two feet, and above the natural level of the old fields in which it stood, eighteen feet. The summit was a slightly convex plateau of thirty feet in diameter and the diameter of the mound at its base was eighty-five feet. It was composed of a fine cream-colored siliceous sand, and at the time I visited it, it was covered, both summit and sides, with a moderately thick growth of trees, some of them fifteen inches in diameter. The sand composing this mound had evidently been taken from the trench at its base, but it was now doubtless reduced in depth by the washings from above, during the lapse of centuries, and it melted so gradually and imperceptibly into the remote level of the plain that it was impossible to determine where the excavation terminated. The trench in its course about the mound was interrupted by three un-dug strips of the original level, equidistant from each other. They were about six feet in breadth and were a very marked characteristic of the base. It might be inferred that the aboriginal constructors had a special reverence for this peculiar figure, attaching to it some religious or superstitious signification, but I imagine it was simply the design of the savage to reduce the labor of ascending with his load, when the increasing width of the trench compelled him to take it from a distant point. Gathering the

soil in baskets from the widening excavation, he must descend into the trench, and again ascend the soft, fresh sand upon the steep slope of the mound, but by reserving this natural causeway he could avoid the extra descent and reach the slope at a point considerably above the base and have a reduced proportion of the soft slope to encounter. The exploration of this mound was the work of several days, and not very fruitful in results. Burials, no doubt original ones, were found ten feet from the summit, but too decayed to be preserved or gathered. They comprised bones massed together with the skull on top, occupying a space about two feet by ten inches. The adjacent soil was slightly discolored by the red paint with which they had been coated, frequently only a few teeth were discernable. It was impossible to estimate the probable number of burials--a matted mass of beads was exhumed at a depth of five feet, and, at a depth of four feet but quite apart from each other, were found three celts and two fine quartz pebbles, one grooved as a sinker, the other evidently at one time fitted with a handle and used as a skin polisher. I have singled out this mound rather as exhibiting the natural causeways designed to save labor. I rarely observed it in mounds of moderate height, say six to ten feet, but on larger mounds the idea was expressed in some similar way (1885:76-77). The Pellicer Mound (8SJ00035) complex, now inventoried as part of the Rootan Branch Complex and Mounds by the Florida Master Site File (a complex that includes both prehistoric and historic archaeological sites, are all part of this regional settlement model.

It is evident from the prehistoric sites known for the area that the Pellicer Creek basin was used by prehistoric populations for habitation, subsistence and religious/ceremonial practices. The lower basin areas are characterized by extensive shell middens that line the mouth of the creek, sites that represent food-gathering activities over thousands of years. The immediate upper basin sites served a different purpose, primarily for habitation and as ceremonial centers.

Early historic period activity is also known for the Pellicer Creek Basin, as well. A raised causeway, a portion of the King's Road, is found at the southern boundary of the Double Bridges development parcel on and just north of Pellicer Creek. It measures 30 meters north to south and is approximately three meters wide. Another section of causeway occurs on the south side of Pellicer Creek, just south of the Double Bridges property line. This causeway runs south through the swamp approximately 50 meters from the remains of the wooden bridge over Pellicer Creek to Hulett Branch where a second grouping of pilings and iron spikes from an extinct wooden bridge were noted. These two bridges, located only a small distance apart, are undoubtedly the reason the "Double Bridges" landmark is named so. South of the second bridge, a raised causeway runs south through the swamp for about 95 meters to a point where higher ground begins.

Jones (1981:104) speculated that the earthen dam constructed at the Hewett sawmill complex was utilized as a portion of the King's Road to cross Hulett Swamp (also called Sawmill Swamp). Martin Hernandez's 1817 survey plat map shows the road crossing at the old Hewlett site with another road meeting the King's Road at this junction and only one road, the King's Road, leading southeast from this point.

Field survey work on Double Bridges development property (Ste.Claire 2002) led investigators to believe that the large amount of soil required to construct the raised causeway placed through the swamp north and south of Pellicer Creek was excavated from the upland terrace areas. These excavated areas are quite visible, with the road bed actually cutting through the ridges. Most likely, the wooden bridge was constructed first to allow wagons loaded with dirt easy access to the dump site. The fill work would then be gradually extended southward as logs were placed first with sand over these to make the roadbed usable. Sand for the raised causeway that was built south of the second bridge over Hulett Branch was taken primarily from the highly elevated sand ridges which characterize the southern portion of the Double Bridges site.

A possible earlier passage, cut or perhaps worn by usage through a portion of the upland terrace, was also noted during field work on the Double Bridges property. This area is located just west of the King's Road roadbed and leads directly to the northern bank of Pellicer Creek. This path is suspected to have been the original one used for fording Pellicer Creek prior to wooden bridge construction in 1772. It was also the likely fording place for perhaps the earliest and largest cattle drive conducted during the British Period.

Two Second Spanish Period plantations are known for the nearby Faver Dykes State Park. Joseph Hernandez developed a 455-acre agricultural operation in 1817 to supple his other operations. The remains of a worker’s residence related to this plantation during archaeological investigations of the State Park (Payne and Griffin 2000). Hepworth Carter was granted 1,800 acres in 1792 by the Spanish Governor of Florida. He brought his family and 26 slaves to establish his plantation with his residence at Hemming Point (Payne and Griffin 2000).

Florida's statehood in 1845 brought significant changes to administration of roads, with transfer of authority from Washington to Tallahassee, who then delegated responsibility to the counties. County commissions created local agencies to supervise construction and maintenance of roads. A committee was created in 1880 by the St. Johns County Board of County Commissioners to lay out a public road leading southward from St. Augustine to Pellicer Creek. This was accomplished by August that year by constructing two roads (the Carter Road and the Moultrie Road), which joined together about five miles south of the city, thus forming a single road to Pellicer Creek. The Carter Road followed the general path of the King's Road and was referred to by that designation in commission meetings (Adams, et al, 1997:34).

The historic Double Bridges crossing site and a remaining portion of the King’s Road were recorded to the Florida Master Site File as site numbers 8SJ04892 and 8SJ04893, respectively (Ste.Claire 2002).

William M. Jones, an avocational archaeologist from Jacksonville, recorded Hewitts Mill, a late 18th century sash-saw mill site, in 1981 following a lengthy field investigation of the site that mostly occurred in 1977. Jones published most of his research in an El Escribano article, the journal of the St. Augustine Historical Society (Jones 1981).

The Hewitt sawmill complex is located in the southeastern quarter of Section 47, Township 10 South, Range 30 East. The 18th century site is comprised of extant and intact earthenworks including dams, berms, races and borrow pits. The complex spans Hulett Branch, a tributary of Pellicer Creek, some 200 meters east-west and is 65 meters at its greatest length north-south. Extant portions of the site include the dam that has been washed out in areas, tail races (excavated canals) and two large borrow pits. Jones (1981) found remnants of a structure (the saw mill) in the form of a wooden platform. This platform remains inundated and preserved in the creek basin at approximately 30 centimeters below surface. The dam is approximately two to three meters high and measures approximately 16 feet (ca. five meters) in width; the borrow pits measure three to four meters in depth and shows well the extensive amount of earth removed to construct the dam. Jones (1981:93) comments on the interrelationship of these site components: "The Hewitt dam was constructed across Sawmill Swamp and Hulett Branch to attain the height of water needed to power the mill wheel. At the present time, the dam has a total of five breaks or openings and two doglegs that extend outward in a northerly direction. The total length of the dam including the doglegs is approximately 144 m. and the height about 2.5 m. above the swamp floor, and 3 m. above the buried floor. Dams of this size were probably built with the aid of horse-drawn scoops."

The Hewitts Mill site (8FL00014), with its 18th century complex of berms, dams, races, borrow pits, and structures, represents a highly significant historic resource. It is probable that it is the only site of its type in the state that exhibits the high degree of preservation, integrity and complexity present (Ste.Claire 2004).

The Tomoka River Basin

The Tomoka River to the south of the project area serves as a major drainage of a section of the Pamlico Terrace where its headwaters lie. Its source is the pine flatwoods east of the Tomoka Preserve and surrounding areas. Rainwater in this extensive recharge area is channeled through numerous swamps and minor drainages before becoming the Tomoka River proper. The Tomoka River traverses diverse ecosystems as it cuts through both the Atlantic Coastal Ridge and the Silver Bluff Terrace before emptying into the coastal lagoon, formed by the confluence of the Tomoka River and the Intracoastal (Halifax River). Water from the creek eventually flow into the Atlantic Ocean at inlets to the north and south. In places, the Tomoka River drainage has formed high sandy bluffs and steep banks as it eroded the relic dune ridges.

The Tomoka River basin is an important archaeological area in Florida, containing a broad range of prehistoric cultural resources including ceremonial mounds, extensive coquina and oyster shell middens, and burial mounds. Regarding prehistoric settlement in the basin, archaeological site location indicates that the indigenous inhabitants of the Tomoka basin, like the environmentally similar Pellicer Creek to the north and the Spruce Creek Basin to the south in (see Ste. Claire 1995; Payne 1985), were concentrated in the lower regions of the drainage in the estuarine areas. To date, no aboriginal sites have been located in the middle to upper reaches of the basin, despite the prehistoric availability of highly elevated areas for habitation, an adjacent source of freshwater, and

an abundance of natural resources. Despite this prehistoric availability of multiple environmental resources and highly elevated areas along the middle to upper portions of the Tomoka River, variables that define high probability areas in terms of archaeological site predictability, these regions of the basin apparently were not inhabited by prehistoric peoples.

Archaeological sites in the lower basin areas are well documented and include some of the most important prehistoric sites in Florida. Nocoroco (8VO00082), an extensive Late St. Johns period/Timucuan town documented by Spanish explorer Alvaro Mexia in 1605, is located at the northern tip of the Tomoka State Park peninsula (see Griffin and Smith 1949). Other large St. Johns period village sites have been recently documented for the lower basin (Austin and Ballo 1989). The Tomoka Mount Complex (8VO00081), a series of nine earthen mounds and an extensive shell midden composed primarily of coquina, is located in the western regions of the Tomoka peninsula. Research at this site (see Piatek 1992) has confirmed Archaic period associations for this mound complex. Radiocarbon dates from a large, mounded burial indicate that the mound was constructed approximately 4600 years ago. A burial at the top of the mound was dated to 2880 B.C., indicating that the site was used through the Late Archaic period.

Subsistence and seasonality data from the Tomoka Stone site (8VO02571) (see Russo and Ste. Claire 1992), a dense coquina midden located along the eastern border of the Tomoka peninsula on the Halifax River, indicate year-round occupation and a broad range of activities including fishing, shellfishing, hunting, collection of nuts and other plant materials, and tool manufacture and maintenance. The wide variety of activities suggests that an entire range of societal members and social groups may have occupied the lower Tomoka River basin. Construction of the Tomoka mounds, which current evidence suggests are all Archaic in origin, and seasonality and subsistence data from the nearby Tomoka Stone site, indicate that Middle to Late Archaic peoples in this area were well-adapted coastal dwellers who were sufficiently settled in year-round occupations based on the intensive exploitation of coastal resources, and were socially organized as to construct ritual burial mounds within large villages (Russo and Ste. Claire 1992).

Research in the lower Tomoka River basin has demonstrated that sites like Tomoka Stone and the Tomoka Mound Complex are no longer cultural anomalies, but reflections of cultural diversity and complexity during the Archaic period in Florida. These early villages provided the foundation for a lengthy continuum of prehistoric occupation in the lower Tomoka basin. Prehistoric settlement in these areas began in the Middle Archaic period and continued through the Late St. Johns period when European explorers made contact with the indigenous peoples of east Florida (see Ste. Claire 1992).

The Spruce Creek Basin

Spruce Creek serves as a major drainage of a section of the Pamlico Terrace where its headwaters lie (Griffin and Steinbach 1990). Its source is the pine flatwoods east of the Tomoka Preserve and surrounding areas. Rainwater in this extensive recharge area is channeled through three tributaries, one south from Samsula that eventually join and

form Spruce Creek proper. The creek traverses diverse ecosystems as it cuts through both the Atlantic Coastal Ridge and the Silver Bluff Terrace before emptying into the coastal lagoon, formed by Strickland Bay, Turnbull Bay, Rose Bay, and the Halifax River (the intracoastal waterway). Water from the creek eventually flow into the Atlantic Ocean at Ponce Inlet. Over time, the Spruce Creek drainage has formed high sandy bluffs and steep banks as it eroded the relic dune ridges.

The Spruce Creek basin is an important archaeological area in Florida, containing a broad range of prehistoric cultural resources including ceremonial mounds, extensive shell midden, burial mounds, and lithic scatter sites. Of interest is that the prehistoric inhabitants of the Spruce Creek basin were concentrated in the lower regions of the drainage and, to a lesser degree, along the upper reaches of the creek. To date, no aboriginal sites have been located in the middle sections of the basin, despite the prehistoric availability of highly elevated areas for habitation, an adjacent source of freshwater, and an abundance of natural resources. Prehistoric sites are well documented for the lower Spruce Creek basin (Piatek 1986; Volusia County 1989; Griffin and Steinbach 1990; Ste. Claire 1992, 1994) and reflect a reliance on the resource-abundant estuaries of the area. Sites in lower basin date to the St. Johns period (ca. 500 B.C. – A.D. 1500) when occupation of the coastal lagoon environments of east Florida was prevalent. For two millennia, the estuaries of Spruce Creek provided prehistoric inhabitants with stable food resources, enabling larger populations to settle the area.

These groups eventually developed complex social, political and religious systems to order increasing populations in the lower basin area, this evidenced by sites such as the Spruce Creek Mound, a large earthen ceremonial mound (Griffin and Steinbach 1990; Ste. Claire 1992:37), and numerous burial mounds (Piatek 1986; Ste. Claire 1994). It is probable that an extensive linear shoreline oyster midden along the southern shores of Turnbull Bay is the Indian Town of Caparaca, a Mayaca-influenced complex first documented by the Spanish explorer Alvaro Mexia in 1605. The density and types of artifacts recovered at the Moore site (Ste. Claire 1994) suggest a densely populated late St. Johns period village complex.

Few prehistoric sites have been located in the upper Spruce Creek basin, although enough have been located to establish an earlier occupation of the basin area. Archaeological sites found along the upper reaches of the creek, primarily along the tributaries, are small pre-ceramic Archaic period (ca. 3000 – 2000 B.C.) extractive camps evidenced in the form of spatially confined lithic scatters (Ste. Claire 1990). Sites like the McDonald Farm site (8VO02570), located approximately three miles from the lower estuarine regions of the creek, have produced Archaic stemmed projectile points and other lithic materials (Ste. Claire 1989). The McDonald Farm site artifact assemblage is dominated by debitage indicative of tool (hafted biface) repair, resharpening, and general maintenance, activities often associated with hunting stations (Ste. Claire 1990). Several other locations of preceramic Archaic deposits are known for other areas of the upper Spruce Creek basin (Ste.Claire 1990). Based on current data, it is surmised that these sites represent hunting stations that were used intermittently during the late Archaic by small groups hunting white tail deer and other game.

Despite the prehistoric availability of multiple environmental resources and highly elevated areas along the middle portions of Spruce Creek, variables that define high probability areas in terms of archaeological site predictability, these regions of the basin apparently were not inhabited by prehistoric peoples. To date, surveys of these areas have resulted in the discovery of no prehistoric sites (e.g., Ste.Claire 1996, 1995, 1991; Payne 1985; Cusick and Ste. Claire 1991). Payne (1985), in her survey of four parcels adjacent to the Sanctuary on Spruce Creek Subdivision properties, notes the "unexpected results" of her investigations, making reference to the discovery of no prehistoric sites in high probability zones.

Based on current data, prehistoric occupation of the Spruce Creek basin occurred predominantly in the lower, estuarine regions of the basin during the St. Johns period (after 500 B.C.). Use of the upper basin areas occurred intermittently during the Middle to late Archaic period (5000 – 1000 B.C.) where temporary extractive camps were occupied to hunt deer and collect other resources. Settlement of the middle basin areas was, at best, infrequent, and not visible archaeologically.

Historical Background

Florida's ownership during early historic times, from the 16th Century until 1821 when Florida became a Territory of the United States, was held by two distinctly different European nations. These settlers were primarily peoples we now define as Hispanic or citizens of the British Isles. The historic period settlers came into a land already occupied by thousands of Native Americans, whom they called Indians.

Florida's First Spanish Period occupation, from 1513 to 1763, was primarily by Spanish peoples. These early residents lived in defensible, rather tightly contained villages because their interface with the Native American population was often unpredictable. To date, historical documentation has not been found indicating that Spanish settlers from this period lived or farmed very far from the confines of St. Augustine, other than on Catholic mission sites. Many land grants were issued along Florida's east coast to Spanish citizens, but most of these properties were never developed.

Negotiations with Spain through the Treaty of Paris in 1763 transferred Florida (an area at that time much larger than present-day Florida) and the Mediterranean island of Minorca to Britain, in exchange for Havana, Cuba, captured a year earlier by the British. Possession of this territory of Florida gave Britain an unbroken line of colonies along the Atlantic seaboard of North America, from Canada to Florida. These colonies were obtained from France during the same treaty. Britain's governmental decision regarding the management of its newest colony, Florida, saw the split of the territory into two parts, East Florida and West Florida, with seats of government in each. The Apalachicola River served as the line of division between the two sections. Pensacola was chosen as seat of West Florida's government and St. Augustine was selected as the East Florida seat. Both sections had a governor appointed by the British government. East Florida's first colonial governor, Colonel James Grant, was appointed June 8, 1763, but did not arrive in St. Augustine until August 1764.

This British occupation of Florida is termed Florida's British Period, lasting only from 1763 to 1783, a twenty-year span. In 1783, another treaty between Britain and Spain returned Florida to Spanish ownership. This period, termed Florida's Second Spanish Period, ended in 1819 when Florida became an official territory of the United States. Historic documentation shows that the subject parcel’s irregular Section 47 (Township 10 South, Range 30 East) was originally part of an extensive 1,000-acre Second Spanish Period land grant, issued to Martin Hernandez in 1817 (Spanish Land Grants: 1821). Hernandez was a former colonist from a British plantation, the New Smyrna Colony. Approximately half of the Double Bridges property was once the northeast portion of this Second Spanish Period grant.

Under the British Period ownership, with a desire to quickly populate its two new colonies, a system of land grants was implemented for which interested British subjects could apply. Governor Grant's plan for settling East Florida was based on the development of a plantation economy, with large land grants issued to people who would produce agricultural products for which Britain's economy and citizens would benefit. A

colonist associated with one large British plantation, the New Smyrna Colony, located in southeast Volusia County, became the owner of Section 47, a portion of the Double Bridges property in St. Johns County. The former indentured colonist left New Smyrna in 1777 for a better life in St. Augustine and in later life became an 1817 grantee of land during Florida's Second Spanish Period. This grant was designated Section 47 during surveys conducted during Florida's Territorial Period.

A brief background on the formation of the British New Smyrna Colony and of its many European indentured colonists, who immigrated to East Florida to work on this plantation, is warranted. Dr. Andrew Turnbull and two wealthy, influential partners petitioned the British government in 1766 for large grants of land in East Florida. Two adjoining 20,000-acre tracts were surveyed south of the Ponce de Leon Inlet in Volusia County and granted to these partners. Andrew Turnbull's large grant joined the equally large William Duncan grant, located to the south adjoining Turnbull's land. The partners agreed, prior to actual development on this 40,000-acre plantation, that Turnbull himself would be plantation manager.

Rather than a completely slave-based enterprise (he did have black slaves on the plantation), Turnbull decided white Mediterranean people would be better suited for agricultural work in the semi-tropical, humid climate where the plantation would be sited. He first began recruiting colonists in Greece, then Italy and several other areas but did not find sufficient numbers of willing peoples. He turned to the island of Minorca, a recent British acquisition, and began campaigning for people willing to go to East Florida as indentured colonists.

On April 17, 1768, eight ships, carrying a total of 1,403 people (including Dr. Turnbull), sailed from Gibraltar for East Florida (Griffin1991: 28). Among the passengers, immigrating as indentured colonists, were Gaspar Hernandez, Margarita, his wife and their 12-year-old son, Mariano (anglicized to Martin in later years). These family members were all natives of Minorca (re: St. Augustine Historical Society Library vertical file). Martin was born April 18, 1756, in Mahon, Minorca. Gaspar is listed in The Minorcans of Florida as a caulker (Rasico1990:162). The New Smyrna Colony disbanded in 1777 when the colonists, including Martin Hernandez, left this plantation and moved to St. Augustine in hopes of a better life.

Research of grants issued during the British Period in the vicinity of the project area showed that a 300-acre grant was officially issued to John Hewitt (also spelled Hewett or Hewitt in various documents) on April 18, 1771 (Siebert 1929: 282-284). No survey map was found for this grant but the site of his sawmill, erected on Hulett Branch, a tributary of Pellicer Creek, next to Sawmill Swamp on Martin Hernandez's later 1,000-acre 1817 grant map (Spanish Land Grants: 1821) (Payne, Griffin: 2000:13). Whether the 300-acre grant extended north of today's Pellicer Creek and onto the project area cannot be determined. (Pellicer Creek was named the Little Matanzas River during the British Period; it was called North West and Pellicer Creek during the Second Spanish Period). At the end of March 1775, Hewett obtained a warrant of survey for a grant of 1,000 acres (Siebert: 1929: 282-284). The location of this 1,000-acre grant is noted in Siebert (1929:

282) as adjoining the 300-acre grant but on which side is not mentioned. It may or may not have included property bounded by the road corridor. Hewett may not have farmed his land, using only the trees on the acreage for lumber. His crews may also have logged trees on surrounding property not within his own grant boundaries (Payne and Griffin: 2000:13).

An article in the 1981 El Escribano journal (Jones 1981:102) discusses research and archaeological work conducted during the late 1970s at the site of the 18th Century Hewett water-powered sawmill. Remains of an 18th Century dwelling house were discovered west of the mill site. In a list compiled by William Gerard DeBrahm in 1771, Hewett (who came to St. Augustine in 1768), was listed a shopkeeper, innkeeper, and joiner (Payne and Griffin 2002:13). He served as a building contractor for the British Government in St. Augustine and constructed the steeple for St. Peter's Church and the State House. He would also have supplied sawn lumber for various other construction projects in the city and perhaps to landowners outside of it. It is probable that this mill may have supplied the sawn lumber used for wooden bridges erected along the King's Road, beginning in 1771. No firm date for the discontinued use of the mill was found by Jones during his research. The complex may have been deserted at the end of the British Period in 1783 when Hewett left (Payne and Griffin: 2000:13). However, if the mill complex was used by a new owner during the Second Spanish Period, it may have been destroyed during the 1812 Patriot War (Jones: 103). Siebert (1929: 282) lists James Howe as administrator for Hewett's claims for losses of his properties in the St. Augustine area after the British Period ended. The claim was entered in a section of Siebert's book (II:282) entitled, "Examinations in the Bahamas Islands of East Florida Claimants." At some time after leaving East Florida, Hewett moved to the Bahamas and perhaps died there.

Martin Hernandez, former colonist from the New Smyrna Colony, was granted the 1,000-acre Second Spanish period grant (Section 47 in St. Johns County), a portion of which is nearby the project area. In 1780 in St. Augustine, he married a former indentured colonist from the New Smyrna plantation, Dorotea Gomila, born in 1762 in Minorca. She immigrated to East Florida with her father, Joseph, in 1768 (Rasico 1990:161). This couple had many children. One son, Jose Mariano (anglicized later to Joseph Martin), became a well-known and noted leader, serving as Attorney General and later as General during Florida's Second Seminole War Period, from1835-1842 (St. Augustine Historical Society vertical file). Joseph, as attorney for and on behalf of his father, was the person who petitioned the Spanish Governor in 1817 for the 1,000-acre land grant approved to Martin (Spanish Land Grants: microfilm). The petition requested issuance to Martin for military services performed during defense of the province in the 1812 Patriot War. The petition itself offers some personal data regarding Martin, listed as "Chief Master Carpenter of the royal works of fortifications" in St. Augustine (Spanish Land Grants microfilm). It is not known whether Martin developed any of the land within his 1,000 acre grant. An official government survey taken of Section 47 in 1850 documented a total of 1,013.62 actual acres contained in this grant. His claim for losses after Florida became a territory of the United States in 1819 (the claim was confirmed) did not itemize anything other than the land. He did own three houses and lots in or very near the city of

St. Augustine. His son, Joseph, received a 455-acre grant in 1818 located near the mouth of Pellicer Creek (St. Augustine Historical Society: vertical files) on land now included in Favor-Dykes State Park. It is possible that Joseph had overseers engaged in agricultural pursuits on both of these grants about the same time but records viewed so far have not proven this supposition. Joseph acquired other plantations in the Pellicer Creek area, some on the barrier island and some south of Pellicer creek (Payne, Griffin:2000:22).

Preserved sections of the King's Road have been located during archaeological and historical surveys of adjacent properties, including the Double Bridges development (Ste.Claire 2002) and the West Palm Coast DRI (Ste.Claire 2004) located immediately north of the project area. The intersection of Pellicer Creek and a landing road, now known as the King's Road, has long been called Double Bridges, named after the two bridges that once existed in the Pellicer Creek and Hulett Branch basins at this location. The bridges are gone, but the remaining piers and extensive causeways serve as monuments to this historic crossing. The site is recorded as 8SJ04892, the Double Bridges Site (Ste.Claire 2002).

The Double Bridges site is defined by three extant sections of causeways and two remnant bridge spans. Most of the site occurs on lands to the immediate west of the Double Bridges project area and Pellicer Creek, these lands owned and managed by the St. Johns River Water Management District. The causeways and bridges were once part of the 18th century British Colonial period King's Road corridor, a major capital project and transportation route funded and constructed by the British Crown.

A raised causeway is found at the southern boundary of the Double Bridge development parcel on and just north of Pellicer Creek. It measures 25 meters north to south and ranges from three to four meters wide. Another section of causeway occurs on the south side of Pellicer Creek, just south of the Double Bridges property line. This causeway runs south through the swamp approximately 50 meters from the remains of the wooden bridge over Pellicer Creek to Hulett Branch where a second grouping of pilings and iron spikes from an extinct wooden bridge were noted. South of the second bridge, a raised
Located in the southern portion of the Double Bridges, the property is a small, yet well-preserved portion of the original 18th Century King's Road. The majority of the King's Road route south from CR-204 (the northern border of the subject parcel) was obliterated by past logging activities. The remaining portion of the King's Road leads south to the north bank of Pellicer Creek, the southern boundary line of the Double Bridges project area. Wooden pilings associated with the wooden bridge that spanned Pellicer Creek, from the Double Bridges side to the south side of the creek, are still in place. Most or some of the pilings may represent repair work done after its construction in 1772, to its last usage in the early 20th Century. They appear to be post-Civil War period piers. However, some may be original pilings. Cypress, live oak and pine are native trees in this portion of St. Johns County and their timbers preserve well even in very wet environments. Remnants of iron spikes in these pilings remain. A causeway runs south through the swamp for about 95 meters to a point where higher ground begins. The average width of the causeway road in the western portion is three to four meters. The

total length of the causeway and bridge span system over the creeks and through the wetland swamps is approximately 190 meters and it is oriented north south.

Field investigations revealed that the large amount of soil required to construct the raised causeway deposited in the swamps north and south of Pellicer Creek was excavated from adjacent upland terrace areas. These excavated areas are quite visible, with the roadbed cutting through the ridges. Most likely, the wooden bridge was constructed first to allow wagons loaded with dirt easy access to the dumpsite. The fill work would then be gradually extended southward (or northward if construction began at the opposite side) as logs were placed first with sand over these to make the roadbed usable. Sand for the raised causeway that was built south of the second bridge over Hulett Branch was taken primarily from the highly elevated sand ridges that characterize the southern portion of the Double Bridges site. Borrow pits were observed along the high sandy banks which border the creek basin. On the Double Bridges property, one borrow pit measuring three meters in diameter, is located on the eastern bank or ridge approximately 30 meters from Pellicer Creek.

It could not be determined if the remaining bridge pilings dated to the original British Colonial period construction of the King's Road bridges over Pellicer Creek and Hulett Branch. As a general assessment, it is more likely that the piers are post-Civil War replacements.

It is believed that the King's Road once followed two, possible three different routes as it traveled south from the Double Bridges area. Recent survey work at the West Palm Coast DRI project to the immediate north of the road corridor project area demonstrated that the width of the Hewlitts Mill (8FL14) dam over Hulett Branch was wide enough to accommodate wagon traffic and measures approximately sixteen feet, the standard width of the original King's Road (Ste.Claire 2004). Jones (1981:104) speculated that the earthen dam constructed at the Hewett sawmill complex was utilized as a portion of the King's Road to cross Hulett Swamp (also called Sawmill Swamp). Martin Hernandez's 1817 survey plat map shows the road crossing at the old Hewlett site with another road meeting the King's Road at this junction and only one road, the King's Road, leading southeast from this point. Nearby, an early section of colonial road, possibly an original portion of the King's Road, was discovered preserved in the immediate uplands of the Hulett Creek drainage. This site was recorded as 8FL239, the Hulett Colonial Road site. Also, a St. Johns River Water Management District access road crosses Hulett Branch as a point that may have been an original colonial crossing as evidenced by remnant wood piers. This site was recorded as 8FL250, the King's Road Bridge. Remnants of the King's Road from Hulett Branch south to U.S. 1 have not been located.

James Grant, East Florida's British Governor, considered a network of roads a top priority during his administration (Schafer 2001:163). He recognized that settlers needed a dependable overland transportation route, but he initially lacked sufficient funds to pay for this work. By 1772, savings in the Governor's contingency fund allowed work to begin on segments of the road. This effort may have provided the greatest public benefit of any project undertaken by the British government. John Funk was appointed surveyor

for traversing and surveying the ground for the Public Road and was paid 12 pounds for this work (Coomes:1975). Captain Robert Bisset was hired to construct the road from Matanzas Swamp (the present-day Pellicer Creek area) south through New Smyrna to Mr. Eliott's plantation (near present-day Scottsmoor). He was paid 1150 pounds for this effort (Coomes:1975). Richard Payne was contractor for the section of road leading to the Matanzas Swamp (Schafer 2001:164). Research suggests that Payne was responsible for road building south from the St. Augustine area to the north bank of Pellicer Creek with Bisset's crew picking up from that point. However, it is possible that Payne's crew constructed the wooden bridge over Pellicer Creek with Bisset's crew taking over on the southern bank of the creek. Schafer (2001:168) described road specifications to be followed for portions of the King's Road leading north from St. Augustine. It is believed that these specifications were followed by Bisset and Payne for the southern route. The road was to measure sixteen feet across, with ditches and pine logs laid crosswise in the wet portions (corduroy ribbing) and causeways through the swamps and bridges across the many creeks and rivers.

Research at Double Bridges led archaeologists to believe that the large amount of soil required to construct the raised causeway placed through the swamp north and south of Pellicer Creek was excavated from the upland terrace areas. These excavated areas are quite visible, with the roadbed cutting through the ridges. Most likely, the wooden bridge was constructed first to allow wagons loaded with dirt easy access to the dumpsite. The fill work would then be gradually extended southward as logs were placed first with sand over these to make the roadbed usable. Sand for the raised causeway that was built south of the second bridge over Hulett Branch was taken primarily from the highly elevated sand ridges which characterize the southern portion of the Double Bridges site.

In early 1767, Dr. Andrew Turnbull requested 500 head of cattle for his plantation. Additional cattle orders from other plantations in the area brought the number of cattle requested to 1,000. Several horses were also ordered. By late May 1767 this order, filled by Georgia merchants, was assembled for the drive south to East Florida. Under Governor Grant's direction, the path to be used for the drive was blazed and perhaps cleared by approximately 20 Indians. By August 8, 1767, the path to be followed was completed. Governor Grant stated, "a considerable number of cattle, which all just arrived from Georgia for Doctor Turnbull and Sir William Duncan are to be drove by the Indian Road to New Smyrna" (Shafer:2001:124-126). It is probable that most or all of the routes taken by the cattle drive and the later King's Road followed earlier paths utilized by Native Americans, who themselves perhaps followed existing wild animal trails.

By the end of 1774, Bisset's crew had completed the southern section of the King's Road. East Florida's Acting Governor John Moultrie wrote from St. Augustine in October 1775, "I go regularly once a month to Tomoka (present-day Ormond Beach area), go through in a day, with great ease and pleasure to self and horses" (Schafer 2001:166). While the road may have been considered in very good condition in 1775, time, nature, Florida's changes of ownership, political unrest, wars, and destruction by Native Americans contributed to its disrepair and, at times, disuse, over the years. In mid-1777, approximately 500 discontented colonists left the New Smyrna plantation on a three-day walk up the King's

Road (across the Double Bridges property) to St. Augustine, in search of a better life. Their Catholic priest and several colonists who had not departed earlier followed in November (Rasico 1990:54-55), thus ending the ambitious dreams of wealth for Dr. Turnbull and his partners.

In 1825, James Gadsden wrote to the Quartermaster General regarding repairs needed to the King's Road, bridges, and causeways (Carter 1958:304). In 1837, a petition was sent to Congress by citizens living south of St. Augustine, soliciting replacement of all bridges that had been destroyed by the Seminole Indians (Carter 1960: 446-447). No action would be taken on this petition until after the end of the Second Seminole War in 1842. It is probable that U.S. Army soldiers utilized as much as the King's Road as practicable during this war with the Seminoles.

A chronology of events regarding the King's Road, from its initial conception and up to 1845 when Florida officially became a State, is included in a report prepared by Adams, et al (Adams, et al, 1997: 1-4). Activities regarding the King’s Road usage during the 18th and 19th Centuries and its relation to the project area are summarized here.

By 1784, the British residents had left the province after Spain again regained control. This change in ownership and peoples affected repairs to segments of the route, particularly in areas remote to St. Augustine where there were now few or no settlers. The Patriot's War broke out in 1812 in East Florida, with rebel troops and Spanish militia using the road. At times this road was not safe for travel by private citizens, and used mainly by troops, rebels, Indians, etc. The President of the United States was authorized in 1823 to open a road "in the old track of a road known by the name of the King's Road" from the St. Mary's River to New Smyrna. Official action was not taken until 1826 when the President officially authorized the work. In 1825, Col. James Gadsden, assigned to perform survey work for road repairs, reported his observations of road conditions and repair cost estimates to the Quartermaster General (Carter 1958:304). Congress appropriated $11,000 for the roadwork from the Georgia line to New Smyrna in 1827, with the use of Federal troops authorized. Work on the road south from St. Augustine to New Smyrna began in Jan. 1828. This work was completed to just south of the Tomoka River by September 1830. A report in 1834 stated the road from the Matanzas River (Pellicer Creek) to New Smyrna was impassable for a horse. It was reported in November 1835 that all wooden bridges along the road had been burned by Indians. The Second Seminole War began in 1835 and most residents of farms and plantations south of St. Augustine evacuated to the city. A petition was sent in 1837 to Congress by citizens living south of St. Augustine, solicited replacement of all bridges destroyed by the Seminoles as they ravaged plantations (Carter 1960: 446-447). No action would be taken on this petition until after the end of the Second Seminole War in 1842. It is probable U.S. Army soldiers utilized as much as the King's Road as practicable during this war with the Seminoles. In 1845, the U.S. federal land surveyors resumed laying out township, range and section lines, suspended in 1835 because of Indian hostilities. They used the King's Road as a survey monument.

Whether the road the East Florida survey teams in 1834 and 1849 called the King's Road was the exact same track established by British engineers in the 18th Century is unknown. It may have assumed slightly different routes over the years in some areas (Adams, et al,1997: 33). A slight route change is seen in Section 47 where the road crossed over today's Hulett Branch north of the old mill site, but the area where it crossed Pellicer Creek appears to be the same. Military paths carved out during the Second Seminole War may have later become identified as a portion of the road.

Florida's statehood in 1845 brought significant changes to administration of roads, with transfer of authority from Washington to Tallahassee, who then delegated responsibility to the counties. County commissions created local agencies to supervise construction and maintenance of roads. A committee was created in Feb. 4, 1880 by the County Board of County Commissioners to lay out a public road leading southward from St. Augustine to Pellicer Creek. This was accomplished by August that year by constructing two roads (the Carter Road and the Moultrie Road), which joined together about five miles south of the city, thus forming a single road to Pellicer Creek. The Carter Road followed the general path of the King's Road and was referred to by that designation in commission meetings (Adams, et al, 1997:34).

No historical documentation was found to indicate that the King's Road was utilized by the military during the War Between the States. Shortly after the end of the conflict, the U.S. Army began a thorough detailed mapping of the coast of Florida (Adams, et al,1997:34). It is probable that many portions of the King's Road were documented by these crews but maps depicting these road segments were not found during research.

Bockelman (1975:3) stated it was not until the (early) 20th Century, with the expansion of automobile travel and the fame of Florida's climate, that improved modern highways were built. Until then, the King's Road was the main and only highway along the east coast of the State. Most of this old road still exists, some still unpaved. Some portions run through private property. Portions have been realigned and some overlaid with modern-day highways. Some segments still carry on its old name, but are now called the Old King's Road.

During the early 20th century, the King's Road found itself part of both the Dixie Highway and U.S. Highway 1, both of which ran parallel to the ocean along the east coast (Adams, et al,1997: 36). The Dixie Highway, first to be completed, reached Miami on Oct. 25, 1915. Demands of traffic compelled construction of a second, larger U.S. Highway 1 in the early 1920s (Adams, et al,1997: 36).

Palm Coast Cultural Resources

The rich Palm Coast environs surrounding the project area have supported human inhabitants for thousands of years. Settlement began some 4,000 years ago when prehistoric peoples used the abundant estuaries and adjacent forests to gather shellfish, hunt deer, and collect nuts and berries for food. The lengthy continuum of occupation spans prehistoric times to the age of European exploration, the colonial period, the Civil War, and finally modern times.

Three important archaeological/historical sites representing three distinct periods of human occupation are found in proximity of the project area. All three cultural resources have been recorded to the Florida Master Site File, Division of Historical Resources in Tallahassee. These include the Hernández Landing site (8FL00307), a plantation period wharf on Long Creek; the Kings Road (8FL00186), a Revolutionary War period highway; and the Big Mulberry Branch site (8FL00028), an early prehistoric campsite.

The Hernández Landing Site - 8FL00307

Research historians demonstrated that one of Joseph Hernández's grants, an 800-acre parcel authorized in 1816, is presently maintained as irregular Section 40 on the U.S.G.S. topographic map that contains the Long Creek area. A hand-drawn land grant map, nearly two centuries old, fits within the rectangular irregular section. Illustrated at the very northeast corner of the early 1800s map is an "embarcadero," Spanish for a landing for boats. Below it is a "camino carratera" or a cart road that dead ends into Long Creek, or the landing at this body of water.

Archaeologists superimposed the historic land grant on a contemporary topographic map to determine the location of the site. The landing falls on a small peninsula of land approximately 300 feet east of the Long Creek Landing Park parcel across a small marsh. Palm Harbor Parkway, the marsh, and Long Creek border the property. At the most northern point of the peninsula at Long Creek, archaeologists found a raised earthen bulkhead of historically excavated fill that forms a steep bank over Long Creek. Nearby are caches of dressed (cut) coquina stone and other early structural materials. Piles of coquina along the banks are likely secondary wharfs. The earthen bulkhead probably supported a wooden wharf during its early operation.

The site, the historic Hernández Landing on Long Creek, is located immediately south of the project area. It was recorded to the Florida Master Site File as site number 8FL00307. Later maps, including an 1882 navigational chart, show that the cart road was eventually modified and extended past the landing over the marsh and north to the Matanzas River to another principal landing. Bridge pilings sighted in the immediate area are most likely related to this later period. But before this road extension, Hernández Landing was used during colonial times as wharf to load goods such as cotton, sugar, corn, beans, Naval Stores products (pine resin), and other agricultural products into wooden boats for transportation to larger ships anchored at Matanzas Bay. These products were taken to

market at St. Augustine, Savannah, and other principal colonial ports in the colonial south. Hernández Landing was surely the first and at one time the most important commercial hub in Palm Coast.

Shipping activities likely happened at high tide, as Long Creek is tidally influenced. Shallow-draft flat boats such as the 10-ton burthen (weight) boats Andrew Turnbull described for his 18th century New Smyrna Settlement to the south were probably used. Fully loaded wooden boats, measuring some 30 x 10 feet, were moved through the channel with poles and oars. In turn, supplies needed for agricultural industries and subsistence were transported by the same boats from the main ships to the Hernández Landing and off-loaded there.

The 800-acre property that contains the landing was one of several land grants owned by Joseph Martin Hernández, the owner of Mala Compra Plantation to the east (from 1816 to 1836). Unlike other plantation owners of the early 1800s, Hernández was born and raised in Florida. His father came to Florida with Andrew Turnbull's 1766 colonization effort at New Smyrna.

Hernández and his father took part in the Patriot War on the side of the Spanish and for this they were awarded three land grants: 1,000 acres on Pellicer Creek, and 500 acres each on the St. Johns and Halifax rivers**.** The younger Hernández eventually inherited all three of these properties. He was also awarded 635 acres south of the Matanzas, although he did not receive this land until 1818, soon after he purchased Mala Compra.

Hernández later used his family status and influence to acquire more land. He was granted 800 acres in Graham's Swamp west of the headwaters of the Matanzas River where he developed a successful sugar plantation, called St. Josephs. He also bought 375 acres directly north of Mala Compra on which he built the Bella Vista Plantation where he grew oranges. Today, Bella Vista occupies the grounds of Washington Oaks Gardens State Park. Mala Compra was Hernández's primary residence and business headquarters for many years. Here, he managed his vast land holdings, almost 30,000 acres of land at the time (Griffin 1999).

The Kings Road - 8FL00186

The British Colonial period King's Road, or *camino real*, traversed lands immediately north of the project area (the current Old Kings Road right-of-way is located approximately two miles north of the development parcel). It was the principal road that fed all major settlements in northeast Florida during the colonial period. The linear route follows the general route of the Kings Road shown on the Clements survey map of 1834 and the Randolph survey map of 1850, as well as the modern-day route of the road that runs north-south through Palm Coast. The Kings Road is also depicted on the Hernández map as the western border of the land grant. It is shown as *Realengo*, which translates to royal lands. The Kings Road served as a major transportation route during the British period (1763 – 1784) and subsequent historic periods in Florida.

James Grant, East Florida's British Governor, considered a network of roads a top priority during his administration (Schafer 2001:163). He recognized that settlers needed a dependable overland transportation route, but he initially lacked sufficient funds to pay for this work. By 1772, savings in the Governor's contingency fund allowed work to begin on segments of the road. This effort may have provided the greatest public benefit of any project undertaken by the British government. John Funk was appointed surveyor for traversing and surveying the ground for the Public Road and was paid 12 pounds for this work (Coomes: 1975). Captain Robert Bisset was hired to construct the road from Matanzas Swamp (the present-day Pellicer Creek area) south through New Smyrna to Mr. Eliott's plantation (near present-day Scottsmoor). He was paid 1150 pounds for this effort (Coomes: 1975). Richard Payne was contractor for the section of road leading to the Matanzas Swamp (Schafer 2001:164). Research suggests that Payne was responsible for road building south from the St. Augustine area to the north bank of Pellicer Creek with Bisset's crew picking up from that point. However, it is possible that Payne's crew actually constructed the wooden bridge over Pellicer Creek with Bisset's crew taking over on the southern bank of the creek. Schafer (2001:168) described road specifications to be followed for portions of the King's Road leading north from St. Augustine. It is believed that Bisset and Payne followed these specifications for the southern route. The road was to measure sixteen feet across, with ditches and pine logs laid crosswise in the wet portions (corduroy ribbing) and causeways through the swamps and bridges across the many creeks and rivers.

Under the British Period ownership, with a desire to quickly populate its two new colonies, a system of land grants was implemented for which interested British subjects could apply. Governor Grant's plan for settling East Florida was based on the development of a plantation economy, with large land grants issued to people who would produce agricultural products for which Britain's economy and citizens would benefit.
Preserved sections of the King’s Road have been located during archaeological and historical surveys of nearby properties, including the Double Bridges development (Ste.Claire 2002), the West Palm Coast development (Ste.Claire 2004) and the King’s Road Widening Project (Ste.Claire 2004). In Flagler County, the intersection of Pellicer Creek and a landing road, a historic route of the Kings Road, has long been called Double Bridges, named after two bridges that once existed in the Pellicer Creek and Hulett Branch basins at this location. The bridges are gone, but remaining piers and extensive causeways serve as monuments to this historic crossing.

The Double Bridges site is defined by three extant sections of causeways and two remnant bridge spans. The majority of the site occurs on lands to the immediate west of the Double Bridges project area and Pellicer Creek, these lands owned and managed by the St. Johns River Water Management District and forming the northern border of the West Palm Coast properties. A raised causeway is found at the southern boundary of the Double Bridge development parcel on and just north of Pellicer Creek. It measures 25 meters north to south and ranges from three to four meters wide. Another section of causeway occurs on the south side of Pellicer Creek, just south of the Double Bridges property line. This causeway runs south through the swamp approximately 50 meters

from the remains of the wooden bridge over Pellicer Creek to Hulett Branch where a second grouping of pilings and iron spikes from an extinct wooden bridge were noted. South of the second bridge, a raised causeway runs south through the swamp for about 95 meters to a point where higher ground begins. The average width of the causeway road in the western portion is three to four meters. The total length of the causeway and bridge span system over the creeks and through the wetland swamps is approximately 190 meters. It is oriented north south.

Field investigations revealed that the large amount of soil required to construct the raised causeway deposited in the swamps north and south of Pellicer Creek was excavated from adjacent upland terrace areas. These excavated areas are quite visible, with the roadbed cutting through the ridges. Most likely, the wooden bridge was constructed first to allow wagons loaded with dirt easy access to the dumpsite. The fill work would then be gradually extended southward (or northward if construction began at the opposite side) as logs were placed first with sand over these to make the roadbed usable. Sand for the raised causeway that was built south of the second bridge over Hulett Branch was taken primarily from the highly elevated sand ridges that characterize the southern portion of the Double Bridges site. Borrow pits were observed along the high sandy banks which border the creek basin. On the Double Bridges property, one borrow pit measuring three meters in diameter, is located on the eastern bank or ridge approximately 30 meters from Pellicer Creek.

It is believed that the King's Road once followed through two, possible three different routes as it traveled south from the St. Johns River Water Management District lands. Survey work at West Palm Coast demonstrated that the width of the Hewlitts Mill (8FL00014) dam over Hulett Branch was wide enough to accommodate wagon traffic and measures approximately sixteen feet, the standard width of the original King's Road (Ste.Claire 2004). It is speculated that the earthen dam constructed at the Hewett sawmill complex was utilized as a portion of the King's Road to cross Hulett Swamp. Martin Hernandez's 1817 survey plat map shows the road crossing at the old Hewlett site with another road meeting the King's Road at this junction and only one road, the King's Road, leading southeast from this point.

The Big Mulberry Branch Site - 8FL00028

Drs. James Miller and John Griffin recorded the Big Mulberry Branch site to the Florida Master Site File in 1980 as part of a comprehensive archaeological survey of Palm Coast lands. The site, situated on a high bluff along the Big Mulberry Branch creek basin, a tributary of Long Creek, has produced early prehistoric materials of the Late Archaic period (ca. 4,000 years ago). It is one of the earliest known sites in Palm Coast. The project area is traversed by wetland strands thus creating very high probability areas regarding likely archaeological site occurrence.

Chronology of Gore Mound (8FL00029) Archaeological Investigations

A review of Cyrus Thomas' Catalogue of Prehistoric Works East of the Rocky Mountains revealed several mounds Flagler County, but not the Gore Lake Mound (8FL29) specifically. It was not until James Miller's and John Griffin's area investigations in the late 1970s that this mound was documented. The original 8FL29 site is as follows: "Gore Lake Mound was pointed out by the ICDC forester (Bill Ferguson) who learned its location from a local resident. The sand burial mound measures some 70 feet in diameter and stands between three and four feet high. A rather large hole in the center has caused some disturbance, and incidentally, allowed the mound to be visible on aerial photography" (Miller, 1978). Miller and Griffin reported found St. Johns plain pottery.

In October of 1986, amateur archaeologist Jim Davis updated the site form as part of an informal survey conducted in affiliation with Bruce Piatek and Associates. He described it as "dozed and leveled for planned development," and the site file contains a note stating, "James Snyder told me of this site. He said that he was a heavy equipment operator who at the time the site was cleared worked for Palm Coast. Before he dozed the mound, he said it was several feet in height (2-3) and that there were several holes in the mound. As he bulldozed the mound, he said that he would stop to pick up pottery and bones. Mr. Snyder also told me that he found pottery on a small sand ridge south of the mound which he thought was a village area" (1986 site file form for 8FL29). According to Davis, the mound had suffered from substantial impact from bulldozer activity. He reported finding six sherds of St. Johns Plain pottery, one piece of sand-tempered plain pottery, and two unidentifiable bones. In a subsequent letter dated 2 January 1987, Jim Miller disputes Davis' assessment of 8FL29, stating, "I called the people at Palm Coast about the destruction on this mound. They say it is still intact, as recorded by me in July 82. Don't use the update form" (see 8FL29 site file form).

In 2004, Heritage Cultural Services, LLC, (HCS) investigated and documented the Gore Lake Mound during a 1,524-acre Phase I CRAS survey of the Flagler Central Commerce Park (MS #10570). Although the site was disturbed during prior land development, HCS identified the base of the mound. HCS did not find any artifacts in areas surrounding the periphery of the mound's base during subsurface testing, but St. Johns Check-Stamped and St. Johns Plain pottery were recovered from test units excavated near the center of the mound. No human remains were encountered at this time. HCS stated in their report that "most of the interior 'top' of the mound has been excavated away by bulldozer and pot-hunting activities, but the base of the mound is clearly discernable." HSI evaluated the site as potentially eligible for inclusion in the *National Register of Historic Places* due to the potential for subsurface cultural materials and human remains; the State Historic Preservation Office (SHPO) concurred with this evaluation (Ste.Claire 2004).

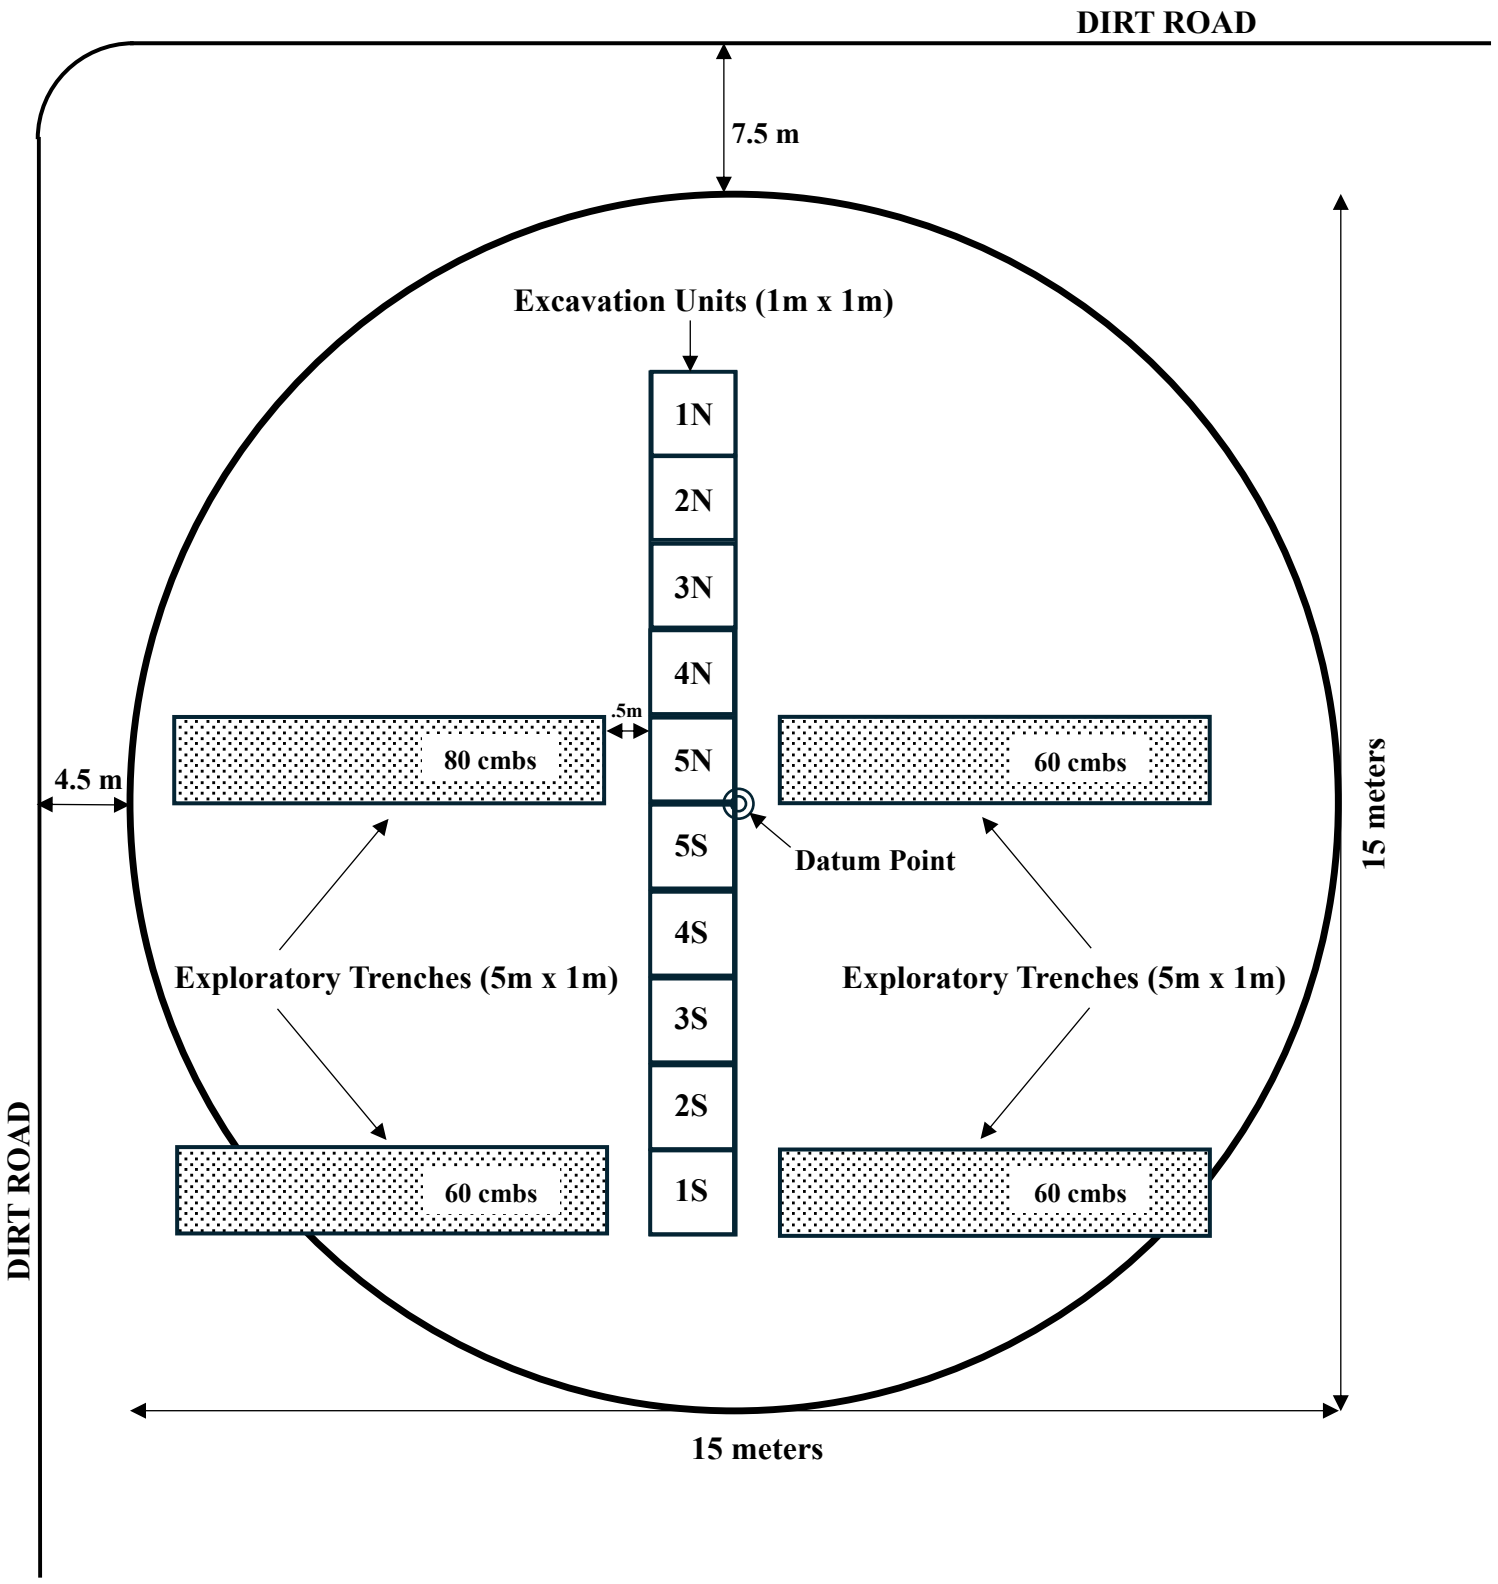
Research Design & Field Methodology Gore Mound (8FL00029)

Heritage Cultural Services, LLC, in 2004 investigated and documented the Gore Lake Mound (8FL00029) during a Phase I CRAS survey of the Flagler Central Commerce Park (MS #10570). The survey spanned 1,524 acres and included the subject property. The Gore Lake Mound is a St. Johns I - II-period sand burial mound initially recorded to the Florida Master Site File (FMSF) by James Miller and John Griffin in 1980. Although the site was disturbed during land development in the years that followed, HCS identified the base of the mound. HCS did not find any artifacts in areas surrounding the periphery of the mound's base during subsurface testing, but St. Johns Check-Stamped and St. Johns Plain pottery were recovered from test units excavated near the center of the mound. HSI evaluated the site as potentially eligible for inclusion in the *National Register of Historic Places* due to the potential for subsurface cultural materials and human remains; the State Historic Preservation Office (SHPO) concurred with this evaluation.

The Florida Division of Historical Resource documented that the Gore Lake Mound (8FL00029), a prehistoric site identified as a burial mound, was located on the GreenPointe development property. The mound (above ground portion of the site) has been compromised (nearly leveled), but there are subsurface archaeological deposits containing human skeletal remains, and due to this situation, the site was deemed potentially eligible for listing in the *National Register of Historic Places*, the criteria by which site significance is measured. Site 8FL00029 is protected by law under Florida Statute Chapter 872, as well as federal regulations.

GreenPointe Developers, LLC, elected to mitigate the adverse impact to the burial mound by having it fully excavated by HCS archaeologists (data recovery). The State Archaeologist and SHPO (State Historic Preservation Office) with the Florida Division of Historical Resources were in communication, as they oversee all unmarked burial issues on public lands or properties undergoing state and federal agency permitting. Also, because the cultural resource impacted is a prehistoric indigenous burial mound, the Seminole Tribe of Florida (STOF) and the Tribal Historic Preservation Officer (THPO), the Native American equivalent of the SHPO, may be part of the review process.

The Phase II & III archaeological investigations were conducted in concurrence with the current standards and requirements of the City of Palm Coast, the Florida Division of Historical Resources (DHR)/State Historic Preservation Office (SHPO), the Seminole Tribe of Florida (STOF), the Tribal Historic Preservation Office (THPO), all permitting agencies pursuant to State cultural resource provisions contained in Section 380.06, Chapters 267 and 373, Florida Statutes, Florida's Coastal Management Program. The authority for this procedure is Section 106 of the National Historic Preservation Act of 1966 (Public Law 89-665 amended), and 36 CFR Part 800: Protection of Historic Properties. The State Historic Preservation Office (SHPO) advises Federal and State agencies as they identify historic properties (listed or eligible for listing in the *National Register of Historic Places*), assess effects upon them, and consider alternatives to minimize adverse effects.



During archaeological investigations (Phase II & III mitigation excavations), if site 8FL0029 or related cultural features were confirmed to contain unmarked human burials and/or human skeletal remains, by procedure these will be brought to the attention of a District Medical Examiner, if it was determined that the burial(s) represent an individual (or individuals) who had been dead less than 75 years, or to the attention of the State Archaeologist in the case that the remains were determined to be older than 75 years. Because it has been determined that 8FL00029 is a prehistoric indigenous site, all work will be done in coordination with the State Archaeologist (Florida Division of Historical Resources) who will make a final determination of adverse effect through the authority of their respective jurisdiction as defined by Florida Statutes. Procedures outlined in Chapter 872.05, Florida Statutes, will be followed regarding site mitigation and reporting, this through the authority and direction of the State Archaeologist and, if necessary, the District Medical Examiner.

The principal objective of the Phase II & III mitigative archaeological excavations was to determine if the remains of the mound (floor) contained burials or human skeletal remains and, if interments or remains were not present, to retrieve a significant and/or appropriate sample of the cultural materials of 8FL00029 so that the site could be developed over. It was proposed that any low frequencies of human burials and human skeletal material would be documented (recorded via GPS, described, mapped, and photographed), carefully extracted (exhumed) and placed in conservation containers, then transferred to an appropriate repository until the remains could be reinterred at a location that meets the approval if the SHPO, Tribal Historic Preservation Office (THPO) and the Seminole Tribe of Florida (STOF), as well as any other jurisdictional or participating Native American Tribal Councils & Governments. Each step of the process would be coordinated with the SHPO and THPO with data reported to these agencies.

The Phase II & III mitigative strategy was comprised of multiple formal excavation units and exploratory trenches placed across the footprint of the burial mound to 1) sample the site to determine the extent of any prehistoric interments or presence of human skeletal remains; 2) evaluate site integrity (level of preservation or disturbance); and 3) retrieve a representative sample of cultural materials from the burial mound prior to its destruction.

Excavations began as a series of contiguous 1 x 1- meter square units placed north-south across the center of the mound floor (footprint of the mound) (see Excavation Plan). Each unit was excavated individually as a self-contained square unit to either hardpan or water table (approximately 60 centimeters below surface) until all the units merged as a 1 x 10-meter trench. When the hand-excavated 1 x 1-meter units produced a very small frequency (N = 5) of artifacts (St. Johns Plain pottery sherds recovered from ¼" wire mesh screens) and revealed no human interments or skeletal remains, a backhoe specialist (an employee of Heritage Cultural Services) was brough in to excavated four exploratory trenches in levels radiating east and west from the central units. A team of archaeologists monitored the excavation of the exploratory trenches and screened bucket samples intermittently. No burial remains, human skeletal material or cultural materials were observed or recovered from the four exploratory trenches.

Gore Lake Mound Excavation Plan

Survey Results and Management Recommendations

Phase II archaeological investigations and Phase III mitigative excavations at the Gore Lake Mound (8FL00029) in the City of Palm Coast were confined to the floor and subfloor contexts of the site in that the mound proper had been bulldozed, carried away and leveled in the 1970s and 1980s (see Previous Archaeological Investigations section). Ten controlled unit excavations (1 x 1-meter units forming a 1 x 10-meter trench) across the center of the mound floor and four radiating exploratory trenches excavated in levels by an archaeological backhoe operator (see Excavation Plan), produced no interments, burial remains, or human skeletal materials. Only five artifacts (St. Johns Plain pottery sherds) were recovered from the upper levels of the 1 x 1-meter units.

Consequently, it is the observations and opinion and of Heritage Cultural Services, LLC, that no cultural stratigraphy or cultural context exists below the mound floor and that the Gore Lake Mound (8FL00029) should be considered completely destroyed and ineligible for listing on the *National Register of Historic Places*. No further archaeological work is recommended.

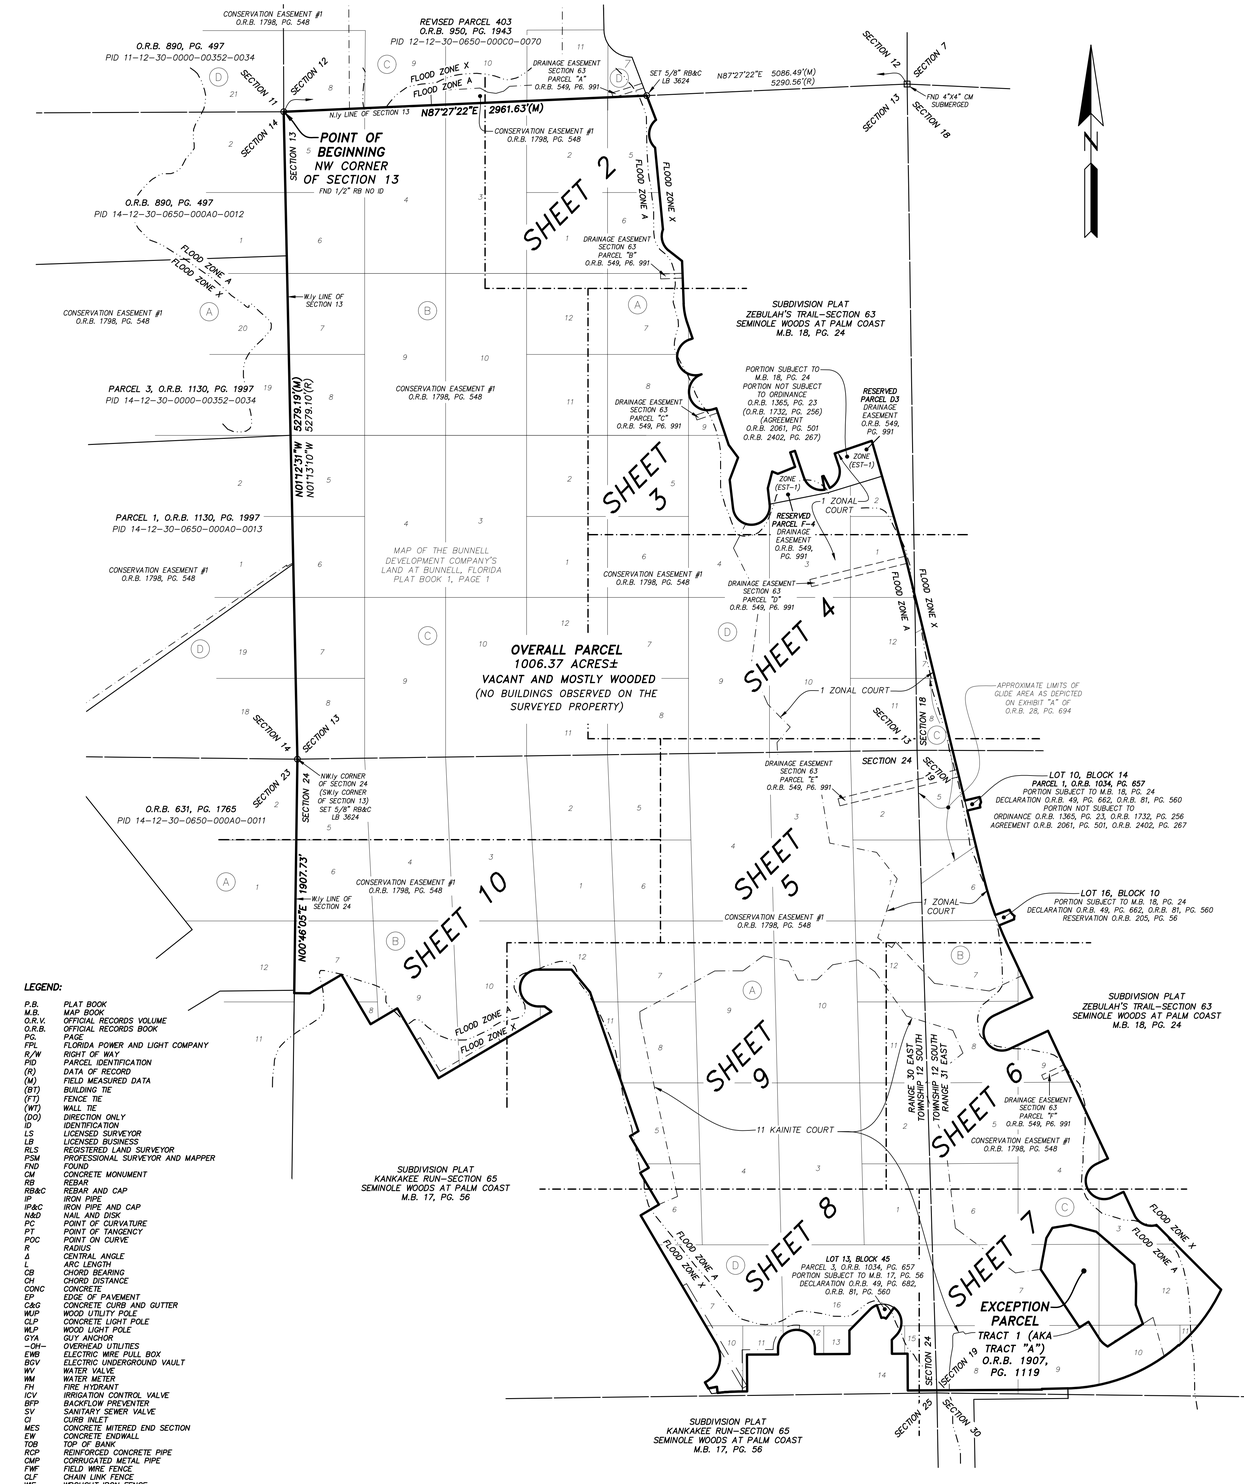
ALTA/NSPS LAND TITLE SURVEY

A PORTION OF SECTIONS 13 AND 24, TOWNSHIP 12 SOUTH, RANGE 30 EAST, TOGETHER WITH A PORTION OF SECTIONS 18 AND 19, TOWNSHIP 12 SOUTH, RANGE 31 EAST, FLAGLER COUNTY, FLORIDA.



GRAPHIC SCALE

500 0 250 500 1000 2000

(IN FEET)

1 inch = 500 ft.

GENERAL NOTES:

1) THIS IS A BOUNDARY SURVEY.

2) BEARINGS BASED ON THE WESTERLY LINE OF SUBDIVISION PLAT ZEBULAH'S TRAIL-SECTION 63 SEMINOLE WOODS AT PALM COAST AS BEING SOUTH 13°42'58" EAST. RECORD BEARINGS DEPICTED HEREON ARE REFLECTIVE OF ADJUSTMENT OF DEED TO STATE PLANE COORDINATES AND ARE NOT TRANSCRIBED VERBATIM FROM DEEDS OF RECORD.

3) SECTION AND/OR LOT LINES DEPICTED HEREON ARE GRAPHIC REPRESENTATIONS ONLY UNLESS OTHERWISE DENOTED.

4) LOCATION OF IMPROVEMENTS LIMITED TO ABOVE GROUND VISIBLE EVIDENCE AT BOUNDARY PERIMETER ONLY. UNDERGROUND IMPROVEMENTS NOT LOCATED, EXCEPT AS EVIDENCED BY ABOVE GROUND FEATURES THEREOF AT SAID PERIMETER. INTERIOR IMPROVEMENTS NOT LOCATED OR SHOWN.

5) UPON EXAMINATION OF FLAGLER COUNTY FLOOD INSURANCE RATE MAP NUMBERS 12035C0228E AND 12035C0230E, DATED JUNE 6, 2018, THE SURVEYED PROPERTY DEPICTED HEREON APPEARS TO LIE WITHIN FLOOD ZONE "X" (AREA OF MINIMAL FLOOD HAZARD) AND ZONE "A" (AREAS WITH 1% ANNUAL CHANCE BASE FLOOD ELEVATION). FLOOD ZONE LINES DEPICTED HEREON ARE AS SCALED FROM SAID FLOOD INSURANCE RATE MAP AND DO NOT REFLECT FIELD MEASURE. NO ATTEMPT WAS MADE TO FIELD VERIFY.

6) ZONING FOR THE SURVEYED PROPERTY IS MASTER PLANNED DEVELOPMENT DISTRICT (MPD) (BLANKET IN NATURE EXCEPT A DEPICTED) AND RURAL AND SUBURBAN ESTATE DISTRICTS (EST-1) PER THE FLAGLER COUNTY PROPERTY APPRAISER'S DATABASE. NO OTHER INFORMATION WAS PROVIDED TO THIS OFFICE.

7) THE SURVEYED PROPERTY HAS DIRECT ACCESS TO BELLE TERRE BOULEVARD, ZACHARY PLACE, KAINITE COURT, ZAUN TRAIL, ZONAL COURT, AND ZONAL GERANIUM TRAIL, ALL IMPROVED PUBLIC RIGHTS OF WAY.

8) FOR THE SURVEYED PROPERTY THERE WAS NO OBSERVED EVIDENCE (I) OF RECENT EARTH MOVING WORK, BUILDING CONSTRUCTION OR BUILDING ADDITIONS; NOR (II) OF RECENT STREET OR SIDEWALK CONSTRUCTION OR REPAIRS. AT THIS TIME THERE ARE NO KNOWN PROPOSED CHANGES IN THE STREET OR RIGHT OF WAY LINES.

9) SURVEY PREPARED WITH BENEFIT OF AMERICAN LAND TITLE ASSOCIATION COMMITMENT BY FIDELITY NATIONAL TITLE INSURANCE COMPANY, ORDER No.: 10423037, COMMITMENT DATE: 04/22/2022.

THE SURVEYED PROPERTY IS SUBJECT TO OR BENEFITED BY THE FOLLOWING ITEMS LISTED IN SCHEDULE B SECTION II OF SAID COMMITMENT AS BASED ON THEIR LEGAL DESCRIPTIONS:

ITEM 6) RIGHTS UNDER INSTRUMENT RECORDED IN DEED BOOK 24, PAGE 67, AND DEED BOOK 24, PAGE 70. (AS TO PORTION LYING WITHIN TOWNSHIP 12 SOUTH, RANGE 30 EAST, EASEMENT AREA NOT LEGALLY DESCRIBED AND CANNOT BE PLOTTED)

ITEM 7) EASEMENT RIGHTS AS REFERENCED IN O.R.B. 10, PG. 432, AND O.R.B. 28, PG. 694. (APPROXIMATE LIMITS OF GLIDE AREA AS DEPICTED ON EXHIBIT "A" OF O.R.B. 28, PG. 694)

ITEM 8) AGREEMENT RECORDED IN O.R.B. 560, PG. 912, AS AFFECTED BY O.R.B. 96, PG. 204; CLARIFICATION IN O.R.B. 413, PG. 656; AMENDING AGREEMENT IN O.R.B. 439, PG. 203; AND SETTLEMENT AGREEMENT IN O.R.B. 596, PG. 1543. (NOT LEGALLY DESCRIBED AND CANNOT BE PLOTTED)

ITEM 9) DRAINAGE EASEMENTS RECORDED IN O.R.B. 549, PG. 991, AS AFFECTED BY O.R.B. 602, PG. 53; AND ASSIGNMENTS IN O.R.B. 1329, PG. 1285, AND O.R.B. 1375, PG. 1340. (AS DEPICTED, DRAINAGE EASEMENTS WITHIN RESERVED PARCELS D3 AND F4 NOT LEGALLY DESCRIBED AND CANNOT BE PLOTTED)

ITEM 10) ORDINANCE No. 2005-45 AS RECORDED IN O.R.B. 1365, PG. 23, AND MODIFICATION IN O.R.B. 1732, PG. 256. (BLANKET IN NATURE, EXCEPT AS DEPICTED)

ITEM 11) CITY OF PALM COAST DEVELOPMENT ORDER RECORDED IN O.R.B. 1386, PG. 885. (NOT LEGALLY DESCRIBED AND CANNOT BE PLOTTED)

ITEM 12) TERMS, COVENANTS, CONDITIONS, RESTRICTIONS, EASEMENTS, ASSESSMENTS AND POSSIBLE LIENS CREATED BY AND SET FORTH IN DECLARATION RECORDED IN O.R.B. 1463, PG. 1424; TOGETHER WITH O.R.B. 1463, PG. 1437, AND O.R.B. 1463, PG. 1453. (AS DEPICTED ON SHEET 7)

ITEM 13) EASEMENT RECORDED IN O.R.B. 1463, PG. 1479. (AS DEPICTED ON SHEET 7)

ITEM 14) EASEMENT RECORDED IN O.R.B. 1463, PG. 1482. (AS DEPICTED ON SHEET 7)

ITEM 15) AGREEMENT RECORDED IN O.R.B. 1465, PG. 415, AND TRANSFER IN O.R.B. 2505, PG. 557. (AS DEPICTED ON SHEET 7)

ITEM 16) TERMS, PROVISIONS AND OBLIGATIONS SET FORTH IN PROJECT AGREEMENT RECORDED IN O.R.B. 1472, PG. 465. (BLANKET IN NATURE, NOT A SURVEY MATTER)

ITEM 18) CONSERVATION EASEMENT RECORDED IN O.R.B. 1543, PG. 1377. (AS DEPICTED ON SHEET 7)

ITEM 19) EASEMENT RECORDED IN O.R.B. 1566, PG. 1854. (AS DEPICTED ON SHEET 7)

ITEM 20) EASEMENT RECORDED IN O.R.B. 1600, PG. 1266. (FP&L EASEMENTS #1 AND #2 AS DEPICTED) (FP&L EASEMENT #3 NOT DEPICTED, DOCUMENT INCOMPLETE)

ITEM 21) VISIBILITY, RIGHT OF ACCESS AND MAINTENANCE EASEMENT RECORDED IN O.R.B. 1699, PG. 1428. (AS DEPICTED ON SHEET 7)

ITEM 22) CONSERVATION EASEMENT RECORDED IN O.R.B. 1798, PG. 548. (AS DEPICTED ON SHEET 7)

ITEM 24) CONSERVATION EASEMENT RECORDED IN O.R.B. 1798, PG. 575. (AS DEPICTED ON SHEET 7)

ITEM 25) EASEMENT RECORDED IN O.R.B. 1864, PG. 224. (AS DEPICTED ON SHEET 7)

ITEM 26) EASEMENT RECORDED IN O.R.B. 1904, PG. 1358. (AS DEPICTED ON SHEET 7)

ITEM 27) AMENDED AND RESTATED AGREEMENTS RECORDED IN O.R.B. 2061, PG. 501, AND O.R.B. 2402, PG. 267. (BLANKET IN NATURE, EXCEPT AS DEPICTED)
